Information about this reprint

This regulation is reprinted as at 7 September 1994. As required by section 5 of the Reprints Act 1992, it—

- shows the law as amended by all amendments that commenced on or before that day; and
- incorporates all necessary consequential amendments, whether of punctuation, numbering or another kind.

The reprint includes a reference to the law by which each amendment was made—see List of legislation and List of annotations in Endnotes.

Minor editorial changes allowed under the provisions of the Reprints Act 1992 mentioned in the following list have also been made to—

- use standard punctuation consistent with current legislative drafting practice (s 27)
- use expressions consistent with current legislative drafting practice (s 29)
- make all necessary consequential amendments (s 7(1)(k)).

This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A Table of previous reprints is included in the Endnotes.

Also see Endnotes for—

- **details about when provisions commenced; and**
- **any provisions that have not commenced and are not incorporated in the reprint.**

QUEENSLAND BUILDING SERVICES AUTHORITY REGULATION 1992

[as amended by all amendments that commenced on or before 7 September 1994²]

Short title

1. This regulation may be cited as the *Queensland Building Services Authority Regulation 1992*³⁻⁶.

Commencement

2. This regulation commences on 1 July 1992.

Interpretation

3.(1) In this regulation—

“**approved managerial qualification**”, for an individual applying for a contractor’s licence, is the successful completion by the individual of—

- (a) a course of management for licensed contractors at a State college;
or
- (b) the course in business management for the housing industry conducted by the Housing Industry Association; or
- (c) the subjects offered by the Queensland Master Builders’ Association in the following areas—
 - (i) basic estimating;
 - (ii) debt recovery;
 - (iii) commercial contract administration;
 - (iv) site supervision of domestic sites;
 - (v) accounting and bookkeeping for builders and subcontractors;
or

*Queensland Building Services Authority
Regulation 1992*

(d) a management course approved by the Authority under section 4C.

“community organisation” means an organisation formed to promote the interests of a particular community or community group.

“former Act” means the *Builders’ Registration and Home-owners’ Protection Act 1979*.

“major defect”, in relation to building work, means a defect—

- (a) that could result in water penetration of a building; or
- (b) that could adversely affect the health or safety of occupants of a building; or
- (c) that adversely affects the structural adequacy of a building.

“minor defect”, in relation to building work, means any defect that is not a major defect.

“multiple dwelling” means a building comprising 2 or more residential units.

“residential construction work endorsement” means an endorsement on a licence signifying that the licensee may enter into contracts with consumers to carry out residential construction work covered by the statutory insurance scheme.

“residential unit” means a part of a building designed for separate occupation as a residence.

“State college” has the meaning given by the *Vocational Education, Training and Employment Act 1991*.

“subcontractor’s licence” means a contractor’s licence granted subject to the condition that the licensee may only carry out or supervise building work for other licensees.

(2) For the purpose of determining the number of storeys of a building, the lowest storey is not to be counted if it consists solely of a car park.

Work excluded from the ambit of the definition “building work”—Act, s 4(1)

3A.(1) The following work is excluded from the ambit of the definition “building work”—

- (a) anything mentioned in paragraphs (a) to (f) of the definition “building work” if it is for a farm building;
- (b) work of a value of less than \$500, unless the work is within the scope of Schedule 2, Part 7, 9, 10, 26, 27, 28 or 29;
- (c) the giving of free advice by an organisation the membership of which is drawn wholly or predominantly from the building industry;
- (d) design work performed, or supervisory services provided, by an architect in the architect’s professional practice;
- (e) design work performed, or supervisory services provided, by an engineer in the engineer’s professional practice;
- (f) survey work performed by a licensed surveyor in the surveyor’s professional practice;
- (g) work performed by the State or an instrumentality or agency of the State (as distinct from work performed for the State or an instrumentality or agency of the State by an independent contractor);
- (h) work performed by a local government (as distinct from work performed for a local government by an independent contractor);
- (i) work performed by a charitable or community organisation for its own use, if the Authority agrees that the work can reasonably be excluded from the definition “building work”, given the qualifications and experience of persons who will supervise the work;
- (j) the construction, extension, repair or replacement of a water reticulation system, sewerage system or stormwater drain, outside the boundaries of private property;
- (k) the construction, maintenance or repair of a road under the *Land Act 1962*;

*Queensland Building Services Authority
Regulation 1992*

- (l) the construction, maintenance or repair of a bridge (other than a bridge on land in private ownership);
- (m) the construction, maintenance or repair of railway tracks, signals or associated structures (unless the structures are buildings for residential purposes, or are storage or service facilities);
- (n) the construction, maintenance or repair of airport runways, taxiways and aprons;
- (o) the construction, maintenance or repair of harbours, wharfs and other maritime structures (unless the structures are buildings for residential purposes, or are storage or service facilities);
- (p) electrical work under the *Electricity Act 1976*;
- (q) the construction, maintenance or repair of a dam;
- (r) the construction, maintenance or repair of communications installations performed for a public company or other public body engaged in radio or television broadcasting or in some other form of communications business or undertaking;
- (s) the erection of scaffolding;
- (t) the installation of manufacturing equipment or equipment for hoisting, conveying or transporting materials or products (including primary produce), but excluding the installation of fixed structures providing shelter for the equipment;
- (u) construction work in mining;
- (v) hanging of curtains or blinds, or laying of carpets or vinyl, cork or parquet flooring;
- (w) work consisting of monumental masonry, sculpture, or the erection or construction of statues, fountains or other works of art (other than work affecting the structure of a building);
- (x) work consisting of earthmoving and excavating;
- (y) work performed personally by the owner of the land on which the work is performed if—
 - (i) the value of the work is less than \$6 000; or

*Queensland Building Services Authority
Regulation 1992*

- (ii) an approval of a local government for the performance of the work is not required under the Standard Building Law.

(2) The Authority's agreement under subsection (1)(i) cannot be given so as to exclude from the ambit of the definition "building work" work that would otherwise be residential construction work.

Licensed builder—Act, s 4(1)

3B. A person is a licensed builder under this regulation if the person is the holder of a contractor's licence for general building or house building.

Definitions that apply for the purposes of the Act—Act, s 4(1)

4. For the purposes of the Act—

"farm building" means a building other than a home that—

- (a) is constructed on land used wholly or primarily for agricultural or pastoral purposes; and
- (b) is used or intended to be used for agricultural or pastoral purposes; and
- (c) has a completed value of not more than \$25 000.

"major domestic building work" means domestic building work of a value exceeding \$3 000.

"residential construction work" means major domestic building work—

- (a) consisting of the construction of a home or a roofed building on the site of a home (other than a home or building that is a multiple dwelling of more than 3 storeys); or
- (b) consisting of an alteration or addition to such a home or building affecting—
 - (i) its structure; or
 - (ii) its external fabric or weatherproofing; or
 - (iii) water supply, sewerage or drainage; or
 - (iv) internal fixtures;

*Queensland Building Services Authority
Regulation 1992*

if the work is performed by a building contractor other than as subcontractor.

Financial requirements included in Board's policies

4A.(1) The Board may set out in its policies the financial requirements that apply to an applicant for a contractor's licence.

(2) The Board must keep copies of the part of its policies containing the financial requirements available for inspection by any person, during office hours on business days, at—

- (a) the Authority's head office; and
- (b) each regional office of the Authority.

Financial requirements to be reasonable

4B.(1) The financial requirements must be reasonable having regard to—

- (a) the class of the licence; and
- (b) the value of building work authorised to be undertaken by the licence; and
- (ba) any conditions to which the licence is subject; and
- (c) any other relevant matter.

(2) The requirements may include 1 or more of the following—

- (a) that the applicant must have net realisable assets of a specified amount;
- (b) that the applicant must give a bank guarantee of a specified amount;
- (c) that the applicant must have a current professional indemnity insurance policy of a specified amount;
- (d) if the applicant is a company—that the directors of the company must give a guarantee in a specified form and of a specified amount;

*Queensland Building Services Authority
Regulation 1992*

- (e) if the applicant is a company that is a subsidiary of another company—that the other company must give a guarantee in a specified form and of a specified amount.

Approval of management courses

4C.(1) The Authority may approve a management course for the purpose of paragraph (d) of the definition “approved managerial qualification” in section 3(1).

(2) The Authority may approve a course only if it is satisfied an individual successfully completing the course would acquire management skills similar to those acquired by an individual successfully completing another course or the subjects mentioned in the definition.

Committees—Act, s 14(2)

5.(1) A committee appointed by the Board or the Minister under section 14 of the Act is to have a constitution determined by the Board.

- (2) A constitution determined by the Board under this section must—
- (a) assign a name to the committee; and
 - (b) provide for the membership of the committee; and
 - (c) state the purposes for which the committee is established; and
 - (d) provide for the way meetings of the committee are to be convened and the frequency of meetings; and
 - (e) provide for the quorum of the committee and who is to preside at its meetings; and
 - (f) provide that the committee is to reach decisions by majority vote of the members voting or in some other way set out in the constitution; and
 - (g) require the committee to report to the Board at intervals stated in the constitution.

*Queensland Building Services Authority
Regulation 1992*

Classes of licence—Act, s 30(2)

6.(1) Licences are divided into classes in accordance with Schedule 2.

(2) Further licence classes may be established by determination of the Authority in relation to classes of building work specified in the determination.

(3) Subject to subsection (4), a contractor's licence or supervisor's licence may be issued for any class of licence.

(4) A subcontractor's licence may not be issued for a general building licence or house building licence.

Requirements for contractor's licence—Act, s 31

7.(1) An individual applying for a contractor's licence must—

- (a) have the qualifications and experience set out in Schedule 2 for the relevant class of licence; and
- (b) satisfy the financial requirements set out in the Board's policies for the relevant class of licence.

(2) A company applying for a contractor's licence must satisfy the financial requirements set out in the Board's policies for the relevant class of licence.

(3) However, subsection (2) does not apply to a company if the Authority is satisfied the company's sole object is to conduct training for persons to undertake building work.

Approval of alternative qualifications and experience for design/drafting licences

7A.(1) The Authority may approve the qualifications and experience required to be held by an individual who—

- (a) applies for a licence of a class mentioned in Part 26, 27, 28 or 29 of Schedule 2; and
- (b) does not have the qualifications and experience specified for the licence in clause 3(a) of the relevant Part.

*Queensland Building Services Authority
Regulation 1992*

(2) The Authority may approve qualifications and experience only if the Authority is satisfied, having regard to the matters mentioned in subsection (3), that the qualifications and experience are sufficient to enable the applicant to carry out competently the type of work to which the licence relates.

(3) The matters are—

- (a) the applicant's relevant technical and managerial qualifications; and
- (b) any training the applicant is currently undergoing to attain relevant technical or managerial qualifications; and
- (c) the applicant's experience in the industry relating to designing and drafting or another related industry, and in particular—
 - (i) the length of the experience; and
 - (ii) how recently the experience was gained; and
 - (iii) whether the applicant was an employee or self-employed; and
 - (iv) whether the applicant worked part-time or full-time; and
 - (v) the types of plans, specifications and other documents the applicant has prepared; and
 - (vi) the types of building work for which the plans, specifications and other documents were prepared; and
 - (vii) any relevant work, other than designing or drafting, the applicant has performed; and
- (d) whether the applicant belongs to any relevant professional industry associations; and
- (e) whether the applicant holds any other relevant licences; and
- (f) any other relevant matter.

Requirements for supervisor's licence—Act, s 32

8. An applicant for a supervisor's licence must have the same qualifications and experience as are required of an individual who applies for a contractor's licence of the corresponding class.

Application for a licence—Act, s 33

9.(1) An application for a licence under the Act—

- (a) must be in writing in a form approved by the Authority; and
- (b) must contain the information indicated by the form; and
- (c) must be accompanied by such documentary evidence of the applicant's identity, qualifications and experience and, in the case of an application for a contractor's licence, the applicant's financial position as the Authority may require; and
- (d) must be accompanied by a statutory declaration verifying the information contained in the application and the documents supplied by the applicant; and
- (e) must be accompanied by the application fee and the annual fee specified in Schedule 1.

(1A) Subsection (1)(e) does not apply to an application—

- (a) if the Authority is satisfied on reasonable grounds that payment of the fees by the applicant would cause, or would be likely to cause, the applicant to suffer undue financial hardship; or
- (b) if—
 - (i) the applicant is a company; and
 - (ii) the Authority is satisfied the company's sole object is to conduct training for persons to undertake building work; or
- (c) if—
 - (i) the applicant is making an application for a supervisor's licence for the purpose of being a company's nominated supervisor; and

*Queensland Building Services Authority
Regulation 1992*

- (ii) the company has not had a nominated supervisor previously; and
- (iii) the supervisor's licence is not of a class corresponding to a contractor's licence of class 1 or 2.

(2) An applicant or, if the applicant is a company, an officer of the company must, at the request of the Authority—

- (a) attend an interview with an officer of the Authority to answer questions and provide information relevant to the application; and
- (b) provide the Authority with any further evidence it reasonably requires to decide the application.

(3) If the applicant (or the officer) fails, without reasonable excuse, to attend an interview or provide evidence required under this section, the Authority may reject the application on that ground.

Renewal of licence—Act, ss 37 and 38

11.(1) The Authority must, in accordance with the Board's policies, send to every licensee a licence renewal notice before the date on which the licence is due to expire.

(2) The licence renewal notice—

- (a) must state the date on which the licence renewal falls due; and
- (b) must state the annual licence fee and the time for payment.

(3) The licence fee prescribed by Schedule 1 must be paid on or before 4.30 p.m. on the last day of the month in which the licence is due to expire or at such earlier time as the renewal notice may require.

(3A) However, the licence fee is not required to be paid—

- (a) if the Authority is satisfied on reasonable grounds that payment of the fee by the applicant would cause, or would be likely to cause, the applicant to suffer undue financial hardship; or

(b) if—

- (i) the applicant is a company; and

*Queensland Building Services Authority
Regulation 1992*

- (ii) the Authority is satisfied the company's sole object is to conduct training for persons to undertake building work.

(4) For the purposes of section 38(2) of the Act, the appropriate fee for terminating a suspension imposed under that section is a fee equivalent to the licence fee prescribed by Schedule 1 plus the application fee prescribed by that Schedule.

(5) The Authority may, for any reason it considers appropriate, remit or reduce the fee mentioned in subsection (4).

Register—Act, s 39(2)(d)

12. The register must contain particulars of—

- (a) the value of all residential construction work undertaken by each licensee who holds a general building or house building contractor's licence; and
- (b) the number of separate projects involving residential construction work on which the licensee has been engaged.

Owner-builder permits—Act, s 44

13.(1) An application for an owner-builder permit—

- (a) must be in a form approved by the Authority; and
- (b) must be accompanied by the fee prescribed by Schedule 1.

(2) The Authority may, before granting an owner-builder permit, require the applicant to provide such evidence as the Authority considers appropriate of the applicant's identity and ownership of the land on which the domestic building work is to be carried out.

(3) An owner-builder permit permits the holder of the permit, subject to any other relevant law, to carry out domestic building work (other than work related to a multiple dwelling) on land of which the holder is the owner.

(4) An applicant for an owner-builder permit to carry out building work of a value exceeding \$10 000 or, if there are 2 or more joint applicants, at least 1 of them must have completed the relevant course of instruction

*Queensland Building Services Authority
Regulation 1992*

required by the Board's policies on the issue of owner-builder permits unless exempted by the Authority.

(5) If the applicant mentioned in subsection (4) is a company, at least 1 director of the company must have completed the relevant course of instruction required by the Board's policies on the issue of owner-builder permits unless exempted by the Authority.

Warnings—Act, s 47

14.(1) The notice to be given to a prospective purchaser of land under section 47(1) of the Act—

- (a) must state that building work detailed in the notice has been carried out under an owner-builder permit by a person named in the notice; and
- (b) must contain a warning in the following terms—

WARNING—THE BUILDING WORK TO WHICH THIS NOTICE RELATES IS NOT COVERED BY INSURANCE UNDER THE QUEENSLAND BUILDING SERVICES AUTHORITY ACT 1991; and

- (c) must comply with such other requirements as to its form or contents as the Board may impose in its policies.

(2) The notice must be given in duplicate, and the purchaser must sign 1 copy of the notice and return it to the vendor on or before signing the contract.

Signs to be exhibited—Act, s 52

15. A sign that is to be exhibited under section 52 of the Act must conform with the following requirements—

Return of licence—Act, s 53

16. A licensee who is required to return a licence or licence certificate (or both) to the Authority under section 53 of the Act must do so personally or by certified mail.

Advertisements—Act, s 54

17. The information to be included in an advertisement under section 54 of the Act must—

- (a) if the advertisement consists of or includes written material—be included in an easily legible and reasonably prominent form; and
- (b) if the advertisement consists of or includes spoken words—be no less audible and clear than other spoken material contained in the advertisement.

Notification of nominated supervisor—Act, s 55

18.(1) The notice required by section 55 of the Act must be in writing and must contain the following information—

- (a) the name under which the company is licensed;
- (b) the licence number and class of licence held by the company;
- (c) the full name, address and licence number of the former nominated supervisor;
- (d) the date on which that nominated supervisor ceased to be a nominated supervisor in relation to the company;
- (e) in the case of a change of nominated supervisor—
 - (i) the full name, address and licence number of the new nominated supervisor; and
 - (ii) the date on which the new nominated supervisor began acting as nominated supervisor of the company.

(2) The notice must be signed by a director of the company or by an officer authorised by the company to give the notice.

*Queensland Building Services Authority
Regulation 1992*

(3) A person who ceases to be the nominated supervisor of a company must within 14 days give notice in writing to the Authority stating—

- (a) the date on which the person ceased to be the company's nominated supervisor; and
- (b) the reasons for ceasing to be the company's nominated supervisor.

Maximum penalty—10 penalty units.

Partnerships—Act, s 56

19.(1) An advertisement published or to be published in relation to the business carried on, or to be carried on, by a partnership under a licence must state the name under which the licensed contractor is licensed and the licensee's licence number.

(2) The information must—

- (a) if the advertisement consists of or includes written material—be included in an easily legible and reasonably prominent form; and
- (b) if the advertisement consists of or includes spoken words—be no less audible and clear than other spoken material contained in the advertisement.

Non-application of Pt 4 of Act to contracts between consumers and certain licensed contractors

19A. A licensed contractor is of a class prescribed for section 56A of the Act if the contractor—

- (a) holds a licence of 1 of the following classes—
 - (i) residential design/drafting (limited);
 - (ii) residential design/drafting;
 - (iii) building design/drafting (limited);
 - (iv) building design/drafting; and

*Queensland Building Services Authority
Regulation 1992*

- (b) enters into the contract mentioned in section 56A(2) of the Act in the capacity of a person who holds a licence of a class mentioned in paragraph (a).

Contract for major domestic building work—Act, s 58

20.(1) A copy of a contract mentioned in section 58(2)(b) of the Act or a written notice of details of a contract mentioned in section 58(2)(c) of the Act may be given to the appropriate authority as agent for the Authority.

(2) The appropriate authority must send the copy or the written notice to the Authority.

(3) In this section—

“appropriate authority” means—

- (a) the local government in whose area the residential construction work mentioned in section 58(2)(b) or (c) of the Act is to be carried out; or
- (b) a person designated in the Board’s policies as an appropriate authority under this section.

Cost escalation clauses—Act, s 62

21.(1) For the purposes of section 62(1) of the Act, the notice to be given by the building contractor to the consumer must conform with any requirements stated in the Board’s policies.

(2) For the purposes of section 62(2)(c) of the Act, a cost escalation clause must comply with the following requirements—

- (a) the clause must be limited by condition to cases of delay;
- (b) in the case of delay happening before work starts on the building site—
 - (i) the clause must be limited by condition to a delay of more than 4 weeks for which the building contractor is not responsible; and
 - (ii) the clause must provide for an increase in the contract price in accordance with the following formula—

*Queensland Building Services Authority
Regulation 1992*

The contract price increases by—

- (A) the amount of the costs incurred by the building contractor because of the delay; or
- (B) 0.125% of the contract price for each week, or part of a week, of the delay after 4 weeks;

whichever is the lesser;

(c) in the case of delay happening after work starts on the building site—

- (i) the clause must be limited by condition to a delay for which the consumer is responsible; and
- (ii) the clause must provide for an increase in the contract price in accordance with the following formula—

The contract price increases by—

- (A) the amount of the costs incurred by the building contractor because of the delay; or
- (B) 0.05% of the contract price for each day of the delay;

whichever is the lesser.

Progress payments—Act, s 66

22.(1) Section 66 of the Act applies to a contract to carry out major domestic building work where the contract is for the construction of a home, or an addition to a home, or for the construction of a swimming pool.

(2) For the purposes of section 66(2) of the Act, the notice to be given to the consumer must be in writing and must conform with any requirements of the Board's policies.

(3) For the purposes of section 66(2) of the Act, the suggested schedule of instalments is—

- (a) if the contract is for the construction of a home or an addition to a home—

Maximum percentage

*Queensland Building Services Authority
Regulation 1992*

Stage of work	of total price
(i) on signing the contract	5%
(ii) completion to base stage	10%
(iii) completion to frame stage	15%
(iv) completion to lockup stage	35%
(v) completion to prepaint stage	20%
(vi) practical completion	15%

(b) if the contract is for the construction of a swimming pool—

Stage of work	Maximum percentage of total price
(i) on signing contract	10%
(ii) completion of shell	45%
(iii) practical completion	45%

but, if the value of the building work is not more than \$25 000, a contractual schedule for the payment of instalments is taken to be in accordance with this section if no payment, or a payment of not more than 20% of the total price, is required before the work starts on the building site (whatever provision is made for the payment of instalments after the start of the work).

(4) For the purposes of the schedules in subsection (3)—

- (a) building work is completed to the base stage when the footings, base walls, piers, columns, concrete slab, or timber bearers, joists or flooring (as the case requires) have been completed ready for the erection of the walls; and
- (b) building work is completed to the frame stage when the building frame is completed and ready for local authority inspection; and
- (c) building work is completed to the lockup stage when the external wall cladding and roof covering is fixed, the flooring laid and the external doors and windows fixed; and
- (d) building work is completed to the prepaint stage when it has been

*Queensland Building Services Authority
Regulation 1992*

completed except for—

- (i) painting; and
 - (ii) final electrical fit out; and
 - (iii) laying of floor coverings; and
 - (iv) commissioning; and
 - (v) cleaning and site clearing; and
- (e) practical completion of building work is reached when the building work has been completed in accordance with the contract and all relevant statutory requirements and inspections have been satisfactorily completed.

Insurance of building work—Act, s 68

23.(1) Subject to subsection (2), the appropriate insurance premium to be paid by a building contractor under section 68(1) of the Act is the amount fixed by Schedule 1.

(2) If the residential construction work relates to a multiple dwelling, the appropriate insurance premium is the amount fixed by Schedule 1 multiplied by the number of residential units to which the work relates.

(3) The insurance premium must be paid to the local authority as agent for the Authority or to some other person nominated as agent of the Authority in the policies of the Board.

Statutory policy of insurance—Act, s 69

24.(1) When a consumer enters into a contract with a licensed contractor whose licence bears a residential construction work endorsement, or a person fraudulently claiming to hold such a licence, to have residential construction work carried out in Queensland, a policy of insurance in the terms set out in the Board's policies comes into force in relation to the building work irrespective of whether the appropriate insurance premium is paid or the certificate of insurance issued.

(2) A certificate of insurance issued by the Authority under section 69(1) of the Act must set out the terms of the policy.

*Queensland Building Services Authority
Regulation 1992*

Insurance information

25. The Authority must, on written application by the owner of land, or a prospective purchaser of land, accompanied by the fee fixed by Schedule 1, inform the applicant—

- (a) whether there is a policy of insurance in force under the Act in relation to building work on the land; and
- (b) if so—whether any claim has been made under the policy and the amount (if any) paid out on the claim.

Rules of the Tribunal—Act, s 78

26.(1) The chairperson of the Tribunal may make rules governing the administration of the Tribunal and the conduct of proceedings before the Tribunal.

(2) Rules made under this section are subordinate legislation.

Notification to Authority—Act, s 86

27. On the filing of an application in the Tribunal, the registrar of the Tribunal must forward a copy of the application to the Authority.

Registrar to send copies of determination to party—Act, s 91

28. The registrar of the Tribunal must, on the application of a party in whose favour a determination has been made by the Tribunal, send 2 sealed copies of the determination to the party.

Noncompliance by licensee—Act, Pt 7

29.(1) The Tribunal may, in a proceeding to which a licensee is a party, order that the licence be suspended or cancelled if the licensee fails to comply with an order of the Tribunal within the time allowed by the Tribunal.

*Queensland Building Services Authority
Regulation 1992*

(2) An order under this section operates, of its own force, to suspend or cancel the licence if the licensee fails to comply with the Tribunal's determination within the time allowed by the Tribunal.

Fees

30. The fees set out in Schedule 1 are the prescribed fees for the purposes mentioned in the Schedule.

Screen search

30A. No fee is payable for a screen search of the particulars in the register about an individual licensee, whether requested over the counter or by telephone.

Transitional provision

31.(5) For the purposes of section 2(8)(a) of the Schedule to the Act, the following days are fixed—

- (a) in relation to the classes of building work described in Parts 3, 4, 7, 10 and 23 of Schedule 2—1 March 1993;
- (b) in relation to the preparation of plans or specifications for the performance of building work—1 April 1994;
- (c) in relation to any other class of building work—1 September 1993.
