Indigenous rights unaffected by Act

32. No provision of this Act shall be construed to prejudice—

- (a) rights of ownership had by a traditional group of indigenous people or by a member of such a group in a part of the Queensland Estate that is used or held for traditional purposes; or
- (b) free access to and enjoyment and use of a part of the Queensland Estate, where such access, enjoyment or use is sanctioned by traditional custom relating to that part, by a person who usually

*Cultural Record (Landscapes Queensland and
Queensland Estate) Act 1987*

lives subject to the traditional custom of a group of indigenous people.

Ownership of Queensland Estate generally

33.(1) All parts of the Queensland Estate—

- (a) that constitute evidence of occupation of any part of Queensland by indigenous persons; or
- (b) in respect of which there is no identifiable legal owner;

are and shall be deemed to have always been the property of the State.

(2) Subsection (1) applies in respect of all evidence of occupation by indigenous persons notwithstanding that it was found or is to be found in, on or under private land.

(3) Movable items, being part of the Queensland Estate, shall not be taken to have an identifiable legal owner for the purposes of subsection (1) by reason only that they were found or are to be found in, on or under land owned or occupied by any person.

(4) Subsection (1) does not apply in relation to indigenous burial remains to which section 34 applies or in relation to an object evidencing occupation of any part of Queensland by indigenous persons that has been removed from its location in, on or under land and which—

- (a) being one found within Queensland, was at the commencement of the *Aboriginal Relics Preservation Act 1967* in the possession of some person or association and has not been abandoned in Queensland since that time; or
- (b) being one found outside Queensland, has not been abandoned in Queensland since it was found; or
- (c) has been returned to a person under the *Aboriginal Relics Preservation Act 1967*, section 22(1) or under this Act, section 37 or in lieu of being returned has been disposed of under the relevant section as directed by the Minister so as to pass ownership thereof; or
- (d) has been at some time the subject of a transaction in accordance with the law applicable at that time as an object and has thereby

*Cultural Record (Landscapes Queensland and
Queensland Estate) Act 1987*

become the property of some person and has not been abandoned in Queensland since that time.

(5) Subsection (1) does not apply in relation to an item, being part of the Queensland Estate, that does not evidence occupation of any part of Queensland by indigenous persons and which has been removed from its location in, on or under land at some time before the commencement of this Act.

Ownership of certain burial remains

34.(1) This section applies to burial remains in respect of which it is shown to the Minister's satisfaction that there exists familial or traditional links between the remains and a traditional group of indigenous people or any indigenous person or persons, being a group existing or a person or persons living at the time ownership of the remains is in question.

(2) Burial remains to which this section applies are the property of the traditional group or the person or persons with whom the links referred to in subsection (1) are shown to exist, notwithstanding in whose possession they may be.

(3) The Minister shall not be satisfied of the existence of links referred to in subsection (1) unless the Minister is satisfied that full and sufficient consultation concerning the matter has occurred between the group or the person or persons claiming ownership of the burial remains and appropriate officers appointed or deemed to be appointed under section 8 and, if there is an advisory committee under this Act whose expertise relates to the matter, that committee.

(4) Subsection (2) applies in respect of burial remains notwithstanding that they were found or are to be found in, on or under private land.

Duties respecting burial remains

35.(1) A person who has in his or her control Queensland Estate that consists of indigenous burial remains shall submit them to the Minister or as the Minister directs, regardless of whose property the remains are, for examination and classification.

(2) A person who or whose employee uncovers any indigenous burial

remains shall forthwith notify the Minister or a protector of the occurrence.

(3) It is a defence to a charge of a failure to comply with subsection (2) to show that the person charged did not know and could not be reasonably expected to know that the objects uncovered were such burial remains.

Duty respecting Queensland Estate taken under permit

36. A person who, under the authority of a permit issued to the person under section 28(1), removes any Queensland Estate from the location where the person finds it shall, as soon as is practicable, submit it to the Minister or as the Minister directs, for examination and classification.

Disposal of Queensland Estate submitted to Minister

37.(1) When an item of the Queensland Estate submitted to the Minister or as the Minister directs for examination and classification has been examined and classified, the Minister shall determine whether it is the property of the State in accordance with this Act and—

- (a) if the Minister determines that it is the property of the State—the Minister shall further determine whether it should be retained by the State; or
- (b) if the Minister determines that it is not the property of the State—it shall be returned—
 - (i) to the owner of the item of Queensland Estate if that owner has been established to the Minister's satisfaction and the owner wants the item; or
 - (ii) to the person who submitted the item for examination and classification, if subparagraph (i) is not applicable, and if the person wants the item.

(2) An item of the Queensland Estate that is to be retained by the State shall be kept and preserved, as far as circumstances permit, in the Queensland Museum.

(3) If an item of Queensland Estate is not returnable in accordance with subsection (1)(b) the item may be disposed of as the Minister directs.

Particular steps to preserve Queensland Estate

38. The Minister may—

- (a) on behalf of the State, acquire by purchase or gift any item of the Queensland Estate for the purpose of its preservation; and
- (b) cause such structures to be erected and such other steps to be taken as are necessary or desirable to preserve any item of the Queensland Estate acquired by the Minister.

Loan of Queensland Estate

39.(1) Notwithstanding that a particular item of the Queensland Estate is to be retained by the State, if an advisory committee established under this Act whose expertise relates to that item so recommends, the Minister may permit any person to take possession of that item for such time and for such purpose as the Minister approves and, if necessary, to remove that item from Queensland.

(1A) The Minister may attach conditions to any permission the Minister gives under subsection (1).

(2) A person to whom permission is given under subsection (1)—

- (a) is authorised to deal with the item of the Queensland Estate in accordance with the permission; and
- (b) shall comply in all respects with the conditions (if any) attached to the permission.

Continued use of surface

40. Where any item of the Queensland Estate is situated on the surface of—

- (a) land held on any tenure that entitles the holder thereof to use and enjoy the surface thereof; or
- (b) land in respect of which a person is entitled to use and enjoy the surface thereof;

the entitlement to use and enjoy the surface shall not be prejudiced by the

existence of the item of the Queensland Estate in so far as the use and enjoyment can be had without damaging, concealing or interfering with the item of the Queensland Estate.

PART 5—REGISTER OF QUEENSLAND ESTATE

Maintenance of register

41. There shall be maintained a register of the Queensland Estate in which shall be entered particulars of items of the Queensland Estate approved by the Governor in Council as items of great significance to Queensland's history and as items that should be preserved.

(2) Every nomination—

- (a) shall be made in writing to the Minister; and
- (b) shall be accompanied by data in support of it; and
- (c) shall be entered in a list, which the Minister shall cause to be maintained.

(2A) The Minister may require such further data to be provided as the Minister thinks necessary.

(3) If the owner of the item is not the State, the nomination may be approved by the Governor in Council only if the owner has consented, in writing, to the nomination.

Removal from register

*Cultural Record (Landscapes Queensland and

(2) The Minister must arrange for a review to be made of the entries in the register at least once every 6 years.

(2A) If a review discloses that any entry should be removed from the register the Minister may submit the Minister's recommendation thereon to the Governor in Council.

(3) Where the owner or prospective owner of an item of which particulars are entered in the register is a person other than the State, that person may make application in writing to the Minister that those particulars be removed from the register, whereupon, if the item is located in, on or under land the Minister shall cause to be published in a newspaper circulating throughout Queensland and in another newspaper circulating in the area in which the land is situated notification of the application and therein invite any objections to the removal to be made to the Minister or as the Minister therein directs within 1 month of a date therein nominated.

(5) Where particulars of an item of the Queensland Estate have been removed from the register and the item is located in, on or under land, the Minister shall cause notification of the removal—

- (a) to be published in a newspaper circulating in the area in which the land is situated; and
- (b) to be given to the local government for the area that includes that land.

(6) For the purposes of subsection (3) a person shall not be taken to be a prospective owner of an item of the Queensland Estate unless the person satisfies the Minister that the person is bound by a contract to acquire the item or, if the item is one of which ownership would pass with ownership of land in, on or under which the item is located, that the person is bound by a contract to acquire that land.

Owner's initiative re items in register

44.(1) If the owner of an item of which particulars are entered in the register proposes to do an act that might destroy, damage, deface, excavate, expose, conceal or interfere with the item, the owner shall first present the

*Cultural Record (Landscapes Queensland and
Queensland Estate) Act 1987*

owner's proposals in writing to the Minister who shall refer the proposals to the relevant advisory committee for its recommendations thereon.

(2) If in the opinion of the Governor in Council the act proposed to be done is likely to result in—

- (a) destruction of the item; or
- (b) interference with the item to such an extent that it would lose its historical significance to Queensland's history;

the Governor in Council shall approve its removal from the register.

(3) If the Governor in Council approves the doing of the act proposed but does not approve the removal of the item from the register, the Minister, in accordance with recommendations of the relevant advisory committee, shall set such standards and guidelines by which the act is to be done as the Minister thinks necessary to protect the item.

(3) Liability to a penalty under subsection (1) is in addition to and not in substitution for any other liability at law that the offender may incur by reason of the offender's act in question but the offender shall not be twice punished in respect of the one act.

Forfeiture of State property

58.(1) Where a person has been found or has pleaded guilty of an offence that consists wholly or partly in taking or being in possession of an item of the Queensland Estate, the property of the State, and the item has been recovered, the court shall order that the item be delivered to the chief executive.
