## **TRANSPORT OPERATIONS (PASSENGER TRANSPORT) REGULATION 1994**

[as amended by all amendments that commenced on or before 4 July 1997]

### **PART 1—PRELIMINARY**

#### **Short title**

1. This regulation may be cited as the *Transport Operations (Passenger Transport) Regulation 1994*.

#### **Definitions**

3. In this regulation—

“**commercial scheduled service**”, for schedule 1, means a public passenger service (other than a community transport service, a courtesy transport service, a school service and a tourist service) conducted on an established route on a road in accordance with a regular timetable for which the operator is remunerated—

- (a) from revenue generated by passengers’ fares; or
- (b) by payments from anyone else for, or to provide, the service.

“**de facto relationship**” means the relationship between 2 persons who, although not married to each other, live in a relationship like the relationship between a married couple.

“**exempted taxi**” means a taxi not required to have a taximeter installed.

“**local conveyance committee**” means a committee elected by, consisting of and representing parents and guardians of eligible school children who use school services.

*Transport Operations (Passenger Transport)  
Regulation 1994*

---

“**taximeter**” means an instrument that—

- (a) is able to record fares for individual and multiple hiring of a taxi; and
- (b) is designed to show the fare for each hiring.

## **PART 2—APPROACH**

### **Approach**

**4.** This regulation reflects an approach consistent with the objectives of the Act and based on—

- (a) allowing operators scope to meet emerging identified needs; and
- (b) holding operators accountable for their performance; and
- (c) placing the onus for compliance on industry rather than specifying in detail how industry is intended to act in all situations; and
- (d) a desire to ensure high levels of safety and the efficient meeting of user needs.

## **PART 3—OPERATOR ACCREDITATION AND DRIVER AUTHORISATION**

### **Definition**

**5.** In this part—

“**authority**” means operator accreditation or driver authorisation.

*Transport Operations (Passenger Transport)  
Regulation 1994*

---

**Granting operator accreditation or driver authorisation—Act, ss 17 and 29**

6. The chief executive may grant an authority to a person if the person complies with the Act and this regulation and also the standards applying to the authority.

**Term of operator accreditation or driver authorisation—Act, ss 17 and 29**

7.(1) An authority is for a term, stated in the authority, of not longer than 5 years.

(2) However, an authority may be renewed for successive terms of not longer than 5 years.

**Renewing driver authorisation—medical certificates**

7A.(1) This section applies if—

- (a) a driver has been granted a driver authorisation; and
- (b) the driver provided a certificate of the driver's medical fitness under section 8(2)(a) of the *Transport Operations (Passenger Transport) Standard 1995* (“**section 8(2)(a)**”) for the authorisation; and
- (c) the driver applies to renew the authorisation for a term ending less than 5 years and 1 month from the making of the certificate; and
- (d) the chief executive has no reason to believe that the driver's medical condition has changed under the approved standard for section 8(2)(a) since the making of the certificate.

(2) For section 8(2)(a), the driver is taken to have provided a certificate for the driver's medical fitness if the driver gives a copy of the certificate to the chief executive.

(3) This section expires 1 year after it commences.

- (b) for operator accreditation—while the person’s criminal history is being checked.

**(2)** A grant under subsection (1)(a) may be subject to a condition about the person meeting all the standards applying to the authority within a specified time.

**(3)** Despite subsection (1), the chief executive may grant driver authorisation to a person on a provisional basis without a formal application being made to ensure a public passenger service can continue to be provided in an emergency.

**(4)** A grant under subsection (3) is subject to the condition that the person will make a formal application for driver authorisation as soon as practicable after the grant.
