Contribution by Crown

16.(1) The Treasurer, on behalf of the Crown, shall pay to the fund a contribution of an amount equal to such proportion as the Treasurer, having

*Parliamentary Contributory Superannuation
Act 1970*

regard to any recommendation of the actuary in that behalf, may determine, or, in the absence of any such determination, five-sevenths, of each payment by way of pension or other benefit under this Act made out of the fund.

(2) Payments to be made under this Act by the Treasurer into the fund shall be paid from the consolidated fund which is hereby appropriated accordingly.

Election to be treated as new member

16A. A person who is a continuing member may, within 3 months after the passing of the *Superannuation Acts Amendment Act 1984*, elect by notice in writing served on the trustees to be treated as a new member for the purposes of this Act whereupon for the purposes of the application of this Act to that person or to any widow, female dependant or child of that person it shall be deemed—

- (a) that that person is or, as the case may be, was a new member; and
- (b) that that person had thereby ceased to be a continuing member.

Members' superannuation benefit

17.(1) Subject to this Act a person who has received salary as a member (either after or partly before and partly after the commencement of this Act)—

- (a) for an aggregate period of 11 years or more; or
- (b) for an aggregate period of 8 years or more and ceases to be a member as the result of defeat at an election or, being a representative of a recognised political party, as the result of not standing for re-election by reason that such party has not selected the person to so stand or as the result of resignation for, or of not seeking re-election owing to, good and sufficient reasons which satisfy the trustees;

shall, on ceasing to be a member and to be entitled to payment of salary, be entitled to be paid out of the fund an annual pension at the rate ascertained in accordance with the formula—

*Parliamentary Contributory Superannuation
Act 1970*

$$A \times \frac{B}{C}$$

(1A) In subsection (1)—

“A” means an amount determined by multiplying the basic salary in force immediately prior to the time at which he or she ceased to be a member by the value—

$$.5 + \frac{[.025 \times (t - 96)]}{12}$$

the symbol ‘t’ having a value of 240 or a less number, being the number of complete months during which the member received salary as a member.

“B” means the total salary received by that person.

“C” means the total basic salary in respect of the period of service of that person in the Assembly.

(1B) However, if the person has received salary as a member for an aggregate period of more than 20 years and the number worked out under subsections (1) and (1A) by dividing factor B by factor C (the “**actual number**”) is less than the highest number that would have been worked out under the subsections by dividing factor B by factor C had the person ceased to be a member at any time after completing 20 years service in the Assembly, the actual number is taken to be the highest number.

(2) Subject to subsection (4), a person who—

- (a) ceases to be a member (other than because of death); and
- (b) is not entitled to a pension under this Act;

is entitled—

- (c) if the person ceases to be a member because of a result mentioned in subsection (1)(b)—to an amount equivalent to $3\frac{1}{3}$ times the relevant deductions; or
- (d) if paragraph (c) does not apply—to an amount equivalent to $2\frac{1}{6}$ times the relevant deductions.

(3) Subsection (3A) applies in relation to—

- (a) a member who has died while serving as a member and in

*Parliamentary Contributory Superannuation
Act 1970*

respect of whom no entitlement under section 20, 20B, 21 or 22 has arisen; and

- (b) a former member who has died and to whom section 18(11) would have applied had the member not died but had ceased to be a person referred to in that section.

(3A) Subject to this Act, the legal personal representative of a member or former member in relation to whom this subsection applies or other person approved by the trustees shall be entitled to be paid—

- (a) in the case of a member—a sum in accordance with the formula for A being the formula—
 - (i) in section 20(a), where the member had not served for an aggregate period of 8 years; or
 - (ii) in section 20(b), where the member had served for an aggregate period of 8 years; or
- (b) in the case of a former member—a sum in accordance with the formula in section 20(c) except that, for the purposes of this paragraph, the factor E represents a factor determined by an actuary and approved by the trustees having regard to the average age, at nearest birthday, of widows (be they female or male, as the case requires) of persons whose age, at nearest birthday, was or would have been that, at nearest birthday, of the former member at the date of the member's death.

(4) If—

- (a) a payment has been made to a person under subsection (2); and
- (b) the person becomes entitled to a pension under subsection (1) or section 19;

then—

- (c) the pension must be suspended until the aggregate of the pension that would have been paid equals the payment escalated to an amount determined by an actuary; or
- (d) if the person elects to convert the pension to a lump sum entitlement—the entitlement must be reduced by the payment escalated to an amount determined by an actuary.

*Parliamentary Contributory Superannuation
Act 1970*

(5) In this section—

“**relevant deductions**” means the amount of deductions made under this Act from the person’s salary in respect of the person’s continuous service to the day the person ceased to be a member.

Right to convert entitlement to lump sum entitlement

18.(1) Notwithstanding anything in this Act a former member who is entitled to a pension under section 17 and who is under the age of 75 years at the time of ceasing to be a member may within the period of 3 months after ceasing to be a member, elect by notice in writing served on the trustees to convert the whole or any part of the member’s pension entitlement to a lump sum payment determined in accordance with subsection (2).

(2) A lump sum payment under subsection (1) shall be—

- (a) in the case of a person under the age of 71 years on the date on which the person became entitled to a pension under section 17—the amount of the annual pension entitlement in respect of which the election is made, multiplied by 10;
- (b) in the case of a person who is 71 years or over on the date on which the person became entitled to a pension under section 17—the amount of the annual pension entitlement in respect of which the election is made multiplied by 10 less half of the difference between the number of years of the person’s age on the said date and 70.

(3) A former member who makes an election under subsection (1) shall be entitled to receive a lump sum payment calculated under subsection (2) less the amount of pension that the former member has been paid or, where the election has been made in respect of part only of the pension entitlement, less an amount that bears to that amount of pension the proportion that the part of the pension entitlement in respect of which the election was made bears to the whole of the pension entitlement and from the date of payment of that lump sum the annual pension entitlement of that former member shall be reduced by the amount of annual pension entitlement in respect of which the election was made.

*Parliamentary Contributory Superannuation
Act 1970*

(4) The provisions of this section do not apply to a person who is entitled to a pension under section 19.

(5) Where section 23 applies to a former member the part of the former member's pension entitlement which the former member may elect to convert under this section shall be reduced by the amount that the former member's annual pension is reduced pursuant to section 23.

(6) Notwithstanding anything in this section, where the trustees are of opinion that, but for an election under subsection (1), a member would become, or but for the provisions of section 24(2) would become, a person to whom section 24(1)(a), (b) or (c) relates within a period of 12 months after the commencement of the member's entitlement to a pension under section 17, such an election by that member shall be deferred for such period not exceeding 12 months as the trustees may determine.

(7) The trustees may at any time reduce the period of deferment of an election under subsection (6).

(8) During the period of deferment of an election under subsection (6), the former member is entitled to payment of the former member's annual pension entitlement under section 17.

(9) If during the period of deferment of his or her election, a former member who made the election becomes a person to whom section 24(1)(a), (b) or (c) relates, the former member shall be deemed not to have made the election under this section and the former member shall not be entitled to payment of any lump sum thereunder except where being a person to whom section 24(1)(c) relates the appointment to the office or place of profit in question was made after the former member last ceased to be a member.

(10) Where during the period of deferment of an election under this section the former member by whom the election was made does not become a person to whom section 24(1)(a), (b) or (c) relates or having become such a person section 24(1) is deemed not to apply to or in relation to the former member, the lump sum that would have been payable under subsection (2) but for the deferment less in the case of an election to convert the whole of the former member's pension entitlement the amount paid to the former member pursuant to subsection (8) or, in the case of an election to convert part only of the pension entitlement, the amount that bears to the

*Parliamentary Contributory Superannuation
Act 1970*

amount paid to the former member pursuant to subsection (8) the same proportion as the part in respect of which the election is made bears to the whole of the pension entitlement, shall become payable to the former member.

(11) Where under subsection (9) an election made by a former member under subsection (1) has been deemed not to have been made or a former member not having made such an election becomes within a period of 3 months after ceasing to be a member a person in relation to whom the consequences referred to in section 24(1) are applicable, the former member may, on ceasing to be a person in relation to whom the consequences referred to in section 24(1) are applicable, elect to convert the whole or any part of the pension entitlement under section 17 to a lump sum payment and the provisions of subsections (1) to (10) as modified in accordance with subsection (12) apply with respect to the election and the payment of a lump sum thereunder.

(12) With respect to an election under subsection (11) and payment of a lump sum thereunder subsections (1) to (10) shall apply subject to the following modifications—

- (a) in subsection (1)—
 - (i) for the words ‘ceasing to be a member’ (wherever occurring) substitute the words ‘ceasing to be a person in relation to whom the consequences referred to in section 24(1) are applicable’; and
 - (ii) insert, after the words ‘the pension entitlement’ the words ‘at the time of ceasing to be a member’;
- (b) in subsection (2)—
 - (i) for the words ‘became entitled to a pension under section 17’ (wherever occurring) substitute the words ‘ceased to be a person in relation to whom the consequences referred to in section 24(1) are applicable’;
 - (ii) add to the subsection the words ‘increased in the same proportion as that person’s rate of pension is increased, or would but for the election have been increased, under sections 25 and 25A at the date on which the election is made, less in the case of an election to convert the whole of

*Parliamentary Contributory Superannuation
Act 1970*

the person's pension entitlement, the amount of pension paid to the former member pursuant to this Act or, in the case of an election to convert part only of the pension entitlement, the amount that bears to the amount of pension paid to the former member the same proportion as the part in respect of which the election is made bears to the whole of the pension entitlement';

- (c) in subsections (2), (3) and (6) for the words 'subsection (1)' substitute the words 'subsection (11)';
- (d) in subsection (6)—
 - (i) for the word 'member' (wherever occurring) substitute the words 'former member'; and
 - (ii) for the words 'the commencement of the member's entitlement to a pension under section 17' substitute the words 'last ceasing to be a person in relation to whom the consequences referred to in section 24(1) are applicable';
- (e) in subsection (8), add, after the words 'section 17', the words 'and section 25';
- (f) in subsection (10) for the words 'subsection (2)' substitute the words 'subsection (11)'.

Pension on retirement on ground of ill health

19.(1) A person who becomes a member after the commencement of this Act may furnish to the satisfaction of the trustees a certificate of a legally qualified medical practitioner who has been approved by the trustees certifying that the member is in a state of good health.

(1A) Where in accordance with the *Superannuation (Public Employees Portability and Acts Amendment) Act 1985* a transfer value is received by the trustees in relation to a member and the trustees or manager (howsoever described) of the superannuation scheme from which the transfer value is paid certify as to the member's state of health for benefit purposes under that scheme, the trustees may, for the purposes of the Act, accept that state of health as the member's state of health for the purposes of this Act.

*Parliamentary Contributory Superannuation
Act 1970*

(2) Where a member who has furnished a certificate pursuant to subsection (1) or (1A) or where a person who was a member at the commencement of this Act satisfies the trustees that the person has ceased to be a member because the person has been rendered incapable of being a member by reason of ill health he or she shall, subject to subsection (3) and provided the person does not qualify for pension entitlement under section 17, be entitled to a pension calculated in accordance with the formula specified in section 17(1).

(3) A person who applies to the trustees under this section shall provide the trustees with such medical reports and other evidence as they may require.

(4) Where a member, having failed to comply with subsections (1) or (1A), retires on the ground of ill health occasioned by accident and applies to the trustees, the trustees may, notwithstanding the failure to comply with subsections (1) or (1A), determine that that person is entitled to a pension calculated in accordance with the formula specified in section 17(1).

(5) Despite section 17(1), the minimum amount of pension payable to a member under this section is 50% of the member's basic salary.

Right to convert s 19 entitlement to lump sum entitlement

19A.(1) A person who was a new member and is entitled to a pension under section 19 may within the period of 6 months after ceasing to be a member elect by notice in writing served on the trustees to convert the whole or any part of the person's pension entitlement to a lump sum payment determined in accordance with subsection (2).

(1A) Such election shall be effective only if in the trustees' opinion the elector is medically competent to make the election.

(2) A lump sum payment under subsection (1) shall be the amount of the annual pension entitlement in respect of which the election is made multiplied by 9.

Act 1970*

entitlement, less an amount that bears to that amount of pension the proportion that the part of the pension entitlement in respect of which the election was made bears to the whole of the pension entitlement and from the date of payment of that lump sum the annual pension entitlement of that person shall be reduced by the amount of annual pension entitlement in respect of which the election was made.

Benefit of widows of members other than continuing members

20. The widow of a member or former member (other than the widow of a continuing member, a former continuing member or a former new member who had converted the whole of the pension entitlement to a lump sum) is entitled to payment of a sum—

- (a) in the case of the widow of a new member who has not served for an aggregate period of 8 years—in accordance with whichever of the following formulae, for A or F, yields the greater amount—

“B” means the value—

- (a) 10, if the member’s age at death is less than 66 years;

“**G**” means 40% of the basic salary payable at the date of the member’s death.

“**H**” means the factor set forth in schedule 2 opposite the age at nearest birthday of the widow at the date of the member’s death.

- (b) in the case of the widow of a new member who has served for an aggregate period of 8 years or more—in accordance with whichever of the following formulae, for A or F, yields the greater amount—

(4) On receipt of a notice under subsection (3), the Treasurer shall, by order—

- (a) declare the percentage by which pensions shall be adjusted (whether by way of increase or decrease) in the year commencing on 1 August next after the quarter firstmentioned in that subsection; or

- (a) in the case of a pension that comes into force after 1 July in any year—the first adjustment of that pension shall be made so as to operate from and including the commencement of the first pay-period occurring wholly in the month of August in the second year after the year in which the pension comes into force;
- (b) in the case of a pension that comes into force on or before 1 July in any year—the first adjustment of that pension shall be made so as to operate from and including the commencement of the first pay-period occurring wholly in the month of August immediately following that day;

(11) Nothing in this section requires the rate of a pension to be decreased below the basic rate and if, by reason of the making of an adjustment under this section, the rate of a pension would be so decreased, that pension shall, until it is next increased, to a rate exceeding the basic rate by reason of the making of such an adjustment, be deemed to be payable at the basic rate.

(12) Where—

- (a) by reason solely of the operation of subsection (11) a pension is being paid at the basic rate; and
- (b) an adjustment, by way of increase, is required to be made to the rate of that pension in respect of any year;

that adjustment shall be made as if, immediately before the making of the adjustment, the pension were payable at the rate at which, but for the operation of that subsection, it would have been payable.

29. To the extent necessary to give operation and effect to the provisions of this part, the provisions of the repealed Acts specified in schedule 1 (other than the *Parliamentary Contributory Superannuation Fund Act 1948*, section 11A) with respect to annuities and payments in respect of a child or children of a deceased member or person who had ceased to be a member shall, notwithstanding the repeal thereof, be deemed to remain in force.

Increase in rates of annuities etc.

30.(1) Notwithstanding any other provision of this part, a person who is entitled to receive annuity (whether or not that entitlement was preserved and continued under this part or arose under this part after the commencement of this Act) is entitled to an increase in the rate of the annuity in accordance with this section.

(2) The increased rate of annuity payable to the person in question from time to time shall be the rate ascertained in accordance with the formula—

$$P(1 + .03T)$$

where—

“P” means the rate of annuity (without any bonus addition) prescribed in relation to that person at the time in question under the provisions of this part (other than this section).

“T” means the number of periods each of 12 months that have elapsed between—

*Parliamentary Contributory Superannuation
Act 1970*

(a) the commencement of this Act; and

(b) the date at which the increased rate of pension is to be ascertained;

increased by 2 or, where the pension in question became payable to the person concerned before 1 July 1973, by 3.

(3) In relation to payments in respect of a child or children under this part, the *Parliamentary Contributory Superannuation Fund Act 1948*, section 14A(3) shall be read as if a reference to ‘the rate of annuity under this Act’ were a reference to a rate of annuity increased in accordance with the provisions of this section.

(4) This section shall not apply in relation to annuity entitlement which arises on or after 1 July 1974 or so as to increase in respect of any period, or part of a period, occurring on or after 1 July 1974, the rate of any pension payable under this Act.

Adjustment of annuities

30A.(1) In this section—

“**basic rate**”, in relation to an annuity, means the rate at which the annuity was payable under the repealed Acts specified in schedule 1 or this part when it came into force.

“**index**” means the table described as the ‘Consumer Price Index Numbers—All Groups, Brisbane’ that is published by the Commonwealth statistician under the authority of the *Census and Statistics Act 1905* (Cwlth).

“**pay-period**” means the period with respect to which the fortnightly or other periodic instalment of annuity is payable in pursuance of this Act.

(2) Subject to this section, an annuity preserved and continued under this part or arising thereunder shall be adjusted by the trustees in each year in accordance with this section.

(3) The Government statistician shall, as soon as practicable after 30 June 1974, and in each year thereafter, give to the Treasurer a notice specifying the percentage (expressed to a degree of accuracy of not more than 1 decimal place) by which the index for the quarter ended on that day is

*Parliamentary Contributory Superannuation
Act 1970*

greater or less than the index for the same quarter in the immediately preceding year.

(4) On receipt of a notice under subsection (3), the Treasurer shall, by order—

- (a) declare the percentage by which annuities shall be adjusted (whether by way of increase or decrease) in the year commencing on 1 August next after the quarter firstmentioned in that subsection; or
- (b) if, by reason of the operation of subsection (9), no adjustment is to be made in respect of that year—declare that annuities shall not be adjusted in respect of that year.

(5) A percentage declared under subsection (4)(a) in respect of any year shall be the same as the percentage specified in the notice given to the Treasurer under subsection (3).

(6) An adjustment of an annuity in respect of any year made under this section shall be made—

- (a) by increasing, or as the case may require by decreasing, the rate at which immediately before the making of the adjustment, the annuity was payable by the percentage declared in respect of that year under subsection (4); and
- (b) so as to operate from and including the commencement of the first pay-period occurring wholly in the month of August in that year.

(7) The following provisions apply to and in relation to the first adjustment of an annuity pursuant to this section if at the time when the adjustment is to be made the annuity has been in force for less than 12 months—

- (a) in the case of an annuity that comes into force after 1 July in any year—the first adjustment of that annuity shall be made so as to operate from and including the commencement of the first pay-period occurring wholly in the month of August in the second year after the year in which the pension comes into force;
- (b) in the case of an annuity that comes into force on or before 1 July in any year—the first adjustment of that annuity shall be made so

*Parliamentary Contributory Superannuation
Act 1970*

as to operate from and including the commencement of the first pay-period occurring wholly in the month of August immediately following that day;

- (c) the annual amount by which an annuity to which paragraph (b) applies is to be increased or decreased shall be calculated in accordance with the prescribed formula.

(8) For the purposes of subsection (7)(c), the prescribed formula is the formula—

$$V = A \times \frac{M}{12}$$

(8A) In subsection (8)—

“A” means the amount by which, but for the operation of subsection (7), the annuity would have been increased or decreased.

“M” means the number of whole months from the day on which the annuity came into force until the following 31 July (both days inclusive).

“V” means the annual amount referred to in subsection (7)(c).

(9) Except as provided in subsection (10), where the percentage specified in a notice under subsection (3) in respect of any year is less than 1 no adjustment of annuities shall be made in respect of that year.

(10) Where each of the percentages specified in a notice under subsection (3) in respect of any 2 or more successive years is less than 1 but those percentages are in the aggregate, equal to, or greater than, 1 (whether by way of increase or decrease), annuities shall be adjusted in respect of the latest of those years as if the percentage declared in respect of that year were a percentage equal to that aggregate.

(11) Nothing in this section requires the rate of an annuity to be decreased below the basic rate and if, by reason of the making of an adjustment under this section, the rate of an annuity would be so decreased, that annuity shall, until it is next increased, to a rate exceeding the basic rate by reason of the making of such an adjustment, be deemed to be payable at the basic rate.

(12) Where—

*Parliamentary Contributory Superannuation
Act 1970*

- (a) by reason solely of the operation of subsection (11) an annuity is being paid at the basic rate; and
- (b) an adjustment, by way of increase, is required to be made to the rate of that annuity in respect of any year;

that adjustment shall be made as if, immediately before the making of the adjustment, the annuity were payable at the rate at which, but for the operation of subsection (11), it would have been payable.

PART 5—MISCELLANEOUS

Exemption from charges, duties etc.

31. All contributions and moneys paid to the fund under this Act and all payments out of the fund on account of pensions, annuities, payments in respect of a child or children and refunds of contributions to the fund payable under this Act shall be exempt from any charge or duty whatsoever for or in respect of any income tax, stamp duty, probate or succession duty, or other tax or duty imposed by any law of this State.

Payment of pensions etc.

32.(1) Pensions under this Act shall be payable in fortnightly instalments.

(2) Pensions under this Act shall be apportionable in point of time.

Payment of interest on lump sum

32A. Where a person becomes entitled, in accordance with this Act, to the payment of a lump sum the trustees are to pay interest to that person, at such rate, as may be determined by the trustees, for the period between the date when the person becomes entitled to the payment of the lump sum and the date on which the lump sum is actually paid to that person.

*Parliamentary Contributory Superannuation
Act 1970*

Pensions

33. Pensions and other rights under this Act shall not be assigned, charged, taken in execution, attached or passed by operation of law or otherwise howsoever to any person other than the beneficiary or payee nor shall any claim be set off against the same.

Preservation of lump sum

33A.(1) Where a person becomes entitled, in accordance with this Act, to the payment of a lump sum, that person may elect, as prescribed, not to take from the fund that lump sum.

(2) An election for the purposes of subsection (1) is—

- (a) to be in writing and furnished to the trustees;
- (b) to be made within 3 months after the person becomes entitled to the payment of the lump sum.

(3) Where an election is duly made, such lump sum is then to be held by the trustees in the fund until that person—

- (a) attains the age of 65 years; or
- (b) informs the trustees in writing that the election no longer applies; or
- (c) dies;

whereupon there is to be paid to that person, or the legal personal representative of that person, the lump sum, together with interest calculated at a rate or rates of interest determined by the trustees, for the period for which that lump sum was preserved.

Transfers in

33B.(1) The trustees may receive from some other superannuation, pension or like scheme or fund or from the trustees or administrators or other controlling body thereof any moneys in respect of a member's interest in that other scheme or fund or from a life assurance office or from such other source as is approved by the trustees.

*Parliamentary Contributory Superannuation
Act 1970*

(2) The trustees shall after consultation with the actuary, advise the member of the manner in which the trustees intend to deal with those moneys.

Unclaimed benefits

34.(1) This section applies if a benefit payable under this Act is not claimed by a person entitled to it (the “**beneficiary**”) within 6 months after it becomes payable.

(2) The trustees must keep the benefit in the Fund for the beneficiary.

(3) The trustees may pay a person the benefit only if the trustees are satisfied the person is the beneficiary.

(4) Payment of a benefit to a person (the “**first claimant**”) under this section releases the trustees from the obligation to pay another person (a “**subsequent claimant**”) a further benefit from the Fund in relation to a member.

(5) Subsection (4) does not prevent the subsequent claimant from claiming the amount of the value of the benefit from the first claimant.

(6) In this section—

“**benefit**” includes interest payable on the benefit at the rate decided by the trustees.

Service of notice on trustees

35. A notice to the trustees required or permitted to be given or served under this Act and given to or served on an officer of a department of State specified for that purpose by the trustees by notice in the gazette shall, for the purposes of this Act be deemed to have been given to or served on the trustees.

Information to members

35A. The trustees are to supply in writing to each member—

(a) on becoming a member; and

*Parliamentary Contributory Superannuation
Act 1970*

- (b) after the close of each financial year; and
- (c) upon ceasing to be a member;

a statement containing such information as the trustees consider necessary or desirable to give that member reasonable knowledge of that member's entitlements from the fund.

Regulation making power

36.(1) The Governor in Council may make regulations under this Act.

(2) To ensure the fund is, or continues to be, a complying superannuation fund under the *Superannuation Industry (Supervision) Act 1993* (Cwlth), a regulation may change the application of this Act to the fund.

(3) For subsection (2), a regulation may be given retrospective operation.

(4) A regulation made under subsection (2) expires 1 year after it is made.
