Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, hard copy and electronic, are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If a hard copy reprint is dated earlier than an electronic version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of a hard copy reprint is the same as the date shown for an electronic version previously published, it merely means that the electronic version was published before the hard copy version. Also, any revised edition of the previously published electronic version will have the same date as that version.

Replacement reprint date If the date of a hard copy reprint is the same as the date shown on another hard copy reprint it means that one is the replacement of the other.

Revised edition indicates further material has affected existing material. For example—

(2) However, notice need not be given if—

- (a) the power is proposed to be exercised at the Island council's request; or
- (b) the Minister considers giving notice—
 - (i) is likely to defeat the purpose of the proposed exercise of the power; or
 - (ii) would serve no useful purpose.

(3) The notice must state—

- (a) the reasons for the proposed exercise of power; and
- (b) a period within which the Island council may make submissions to the Minister about the proposed exercise of power.

(4) Reasons stated in the notice are the only reasons that can be relied on in support of the exercise of the power.

(5) The Minister must have regard to all submissions made by the Island council within the stated period.

(6) The power may be exercised without further notice to the Island council if—

- (a) the proposed exercise of power is to proceed despite the council's submissions; or

13D Overruling by-laws

(1) The Governor in Council may, by regulation, declare that a by-law, or a provision of a by-law, ceases to have effect, if the Governor in Council considers that it is necessary to make the declaration to protect State interests.

13I Jurisdiction, powers and duties of administrator

(1) The administrator of an Island council has all the jurisdiction, powers and duties of the council concerned.

(2) However—

- (a) a regulation may limit the jurisdiction, powers and duties of the administrator; and
- (b) the administrator does not have a duty of an Island council appropriate only to a body of persons.

(3) If the chairperson of an Island council is required or permitted by law to exercise a power, the administrator is required or permitted to exercise the power instead of the chairperson.

(3) The direction may state a time for payment.

(4) The stated amount is a debt payable to the State.

13N Role of committee

(1) An administrator appointed for an Island council must ensure that every decision of the committee about the exercise of the jurisdiction of local government for the council's area is implemented as soon as is practicable after the committee's decision is taken.

(2) However, if the administrator considers that implementing a decision of the committee would not be in the best interests of the area, the administrator must refer the issue to the Minister for decision.

(3) The referral must be made within 14 days after the administrator becomes aware of the committee's decision.

13O Decision by Minister on referral by administrator

(1) If an issue is referred to the Minister by an administrator under section 13N(2), the Minister may cause the chief executive of the

department to make the inquiries, investigations and inspections that the Minister considers appropriate.
