The magistrate may require additional information supporting the application to be given by statutory declaration.

30K Issue of warrant

(1) The magistrate may issue a warrant only if the magistrate is satisfied there are reasonable grounds for suspecting—

(9) If—

(a) an issue arises in a proceeding about whether an exercise of a power was authorised by a special warrant; and

‘(2) Before the end of a period prescribed under a regulation, the holder may apply to the chief executive in the approved form to have the existing security interest, to the extent that it relates to the boat, registered under this Act.

- (b) the holder of an existing security interest and the holder of a new security interest.

‘(2) Subsection (1) applies subject to an agreement between the holders.

‘(3) In this section—

“**commencement**” means the commencement of this section.

“**existing security interest**” means a security interest in force immediately before the commencement.

“**new security interest**” means a security interest created after the commencement.
