State Development and Public Works Organisation Act 1971

STATE DEVELOPMENT AND PUBLIC WORKS ORGANISATION REGULATION 1999

**Reprinted as in force on 2 May 2003
(includes commenced amendments up to 2003 SL No. 75)**

Reprint No. 2A

This reprint is prepared by
the Office of the Queensland Parliamentary Counsel
Warning—This reprint is not an authorised copy

Information about this reprint

This regulation is reprinted as at 2 May 2003. The reprint shows the law as amended by all amendments that commenced on or before that day (Reprints Act 1992 s 5(c)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes. Also see list of legislation for any uncommenced amendments.

This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A table of reprints is included in the endnotes.

Also see endnotes for information about—

- **when provisions commenced**
- **editorial changes made in earlier reprints.**

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, hard copy and electronic, are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If a hard copy reprint is dated earlier than an electronic version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of a hard copy reprint is the same as the date shown for an electronic version previously published, it merely means that the electronic version was published before the hard copy version. Also, any revised edition of the previously published electronic version will have the same date as that version.

Replacement reprint date If the date of a hard copy reprint is the same as the date shown on another hard copy reprint it means that one is the replacement of the other.

STATE DEVELOPMENT AND PUBLIC WORKS ORGANISATION REGULATION 1999

[as amended by all amendments that commenced on or before 2 May 2003]

PART 1—PRELIMINARY

1 Short title

This regulation may be cited as the *State Development and Public Works Organisation Regulation 1999*.

PART 2—SOUTH BANK PEDESTRIAN AND CYCLE BRIDGE

2 Definitions for pt 2

In this part—

“**bridge**” means the South Bank Pedestrian and Cycle Bridge, described in the bridge plan.¹

“**bridge plan**” means plan number A-1-901 dated July 1999, held by the department.²

“**closed area**” see section 4B(1).

“**wheeled recreational device**” means a wheeled device, built to transport a person and ordinarily used for recreation or play—

- (a) propelled by human power or gravity; or

1 The bridge is known as the Goodwill Bridge.

2 The bridge plan may be inspected at the department’s office at 100 George Street, Brisbane.

*State Development and Public Works Organisation
Regulation 1999*

- (b) to which a motor with a power output of 200 W or less is attached.

Examples of a wheeled recreational device—

- rollerblades
- rollerskates
- a skateboard
- a scooter propelled by human power or gravity or to which a motor with a power output of 200 W or less is attached.

3 Authorised works

The works called the ‘South Bank Pedestrian and Cycle Bridge’ are works undertaken by the Coordinator-General as authorised works.

4 Restriction on entry to bridge

(1) A person must not enter the bridge unless—

- (a) the person enters the bridge—
- (i) as a pedestrian; or
 - (ii) as the rider of a bicycle; or
 - (iii) in a motorised wheelchair that can not travel over 10 km/h on level ground; or
 - (iv) in a non-motorised wheelchair; or
 - (v) pushing a bicycle or motorised or non-motorised wheelchair; or
 - (vi) in or on a wheeled recreational device or wheeled toy; or
 - (vii) in a pram or stroller; or
- (b) the person is—
- (i) the driver of, or a passenger in, an emergency or a police, maintenance or security vehicle; and
 - (ii) performing functions under the Act or another Act in relation to the bridge; or
- (c) the entry is made with the Coordinator-General’s written approval.

*State Development and Public Works Organisation
Regulation 1999*

Maximum penalty—20 penalty units.

(2) In this section—

“**wheelchair**” means a chair on wheels that is built to transport a person who is unable to walk or has difficulty in walking.

“**wheeled toy**” means a child’s pedal car, scooter or tricycle or a similar toy.

4A Prohibition on certain activities relating to bridge

A person must not, unless the person has the Coordinator-General’s written approval or a reasonable excuse—

- (a) drop, release or throw an object from the bridge; or
- (b) take, or attempt to take, fish from the bridge; or
- (c) moor a vessel on or to the bridge.

Maximum penalty—20 penalty units.

4B Closure or partial closure of bridge

(1) The Coordinator-General may close all or part of the bridge (a “**closed area**”)—

- (a) for public safety; or
- (b) to take action for an emergency; or
- (c) if a situation exists that endangers the life or safety of the users of the bridge or the general public; or
- (d) to carry out maintenance; or
- (e) for an event or performance.

(2) While the closure is in force, the Coordinator-General must place, and keep placed, notices of the closure at each entrance to the closed area so as to be visible to persons in, or who propose to enter, the area.

(3) However, the Coordinator-General may delay the placing of the notices if, because of a matter mentioned in subsection (1)(a) to (c), it is impractical to do so immediately.

(4) The delay may be only for so long as is reasonable in the circumstances.

*State Development and Public Works Organisation
Regulation 1999*

4C Prohibition on entering or remaining in closed area

(1) A person must not, unless the person has the Coordinator-General's written approval or a reasonable excuse, enter or remain in a closed area if—

- (a) notices of the closure are placed under section 4B(2); or
- (b) the person has been told by a person performing functions under the Act or another Act in relation to the bridge that the area is a closed area.

Maximum penalty—20 penalty units.

(2) For subsection (1), it is a reasonable excuse if the person entering or remaining in the closed area is—

- (a) the driver of, or a passenger in, an emergency or a police, maintenance or security vehicle; and
- (b) performing functions under the Act or another Act in relation to the bridge.

4D Vehicle speed limit for bridge

(1) The Coordinator-General may fix a speed limit for vehicles, or a type of vehicle, using the bridge by notices that—

- (a) state the speed limit and, if the speed limit is only for a type of vehicle, the vehicle type; and
- (b) are placed at each entrance to the bridge so as to be visible to users of the bridge.

(2) A person driving or riding a vehicle to which the speed limit applies must comply with the speed limit, unless the person has a reasonable excuse.

Maximum penalty—20 penalty units.

(3) In this section—

“**vehicle**” includes bicycle and wheeled recreational device.

PART 3—GLADSTONE—FITZROY RIVER BARRAGE WATER PIPELINE

6 Definition for pt 3

In this part—

“report” means the document called ‘Construction of Certain Works by the Coordinator-General Under the Provisions of the *State Development and Public Works Organisation Act 1971*’ prepared for the Coordinator-General dated 29 November 2002.

7 Approval

The Coordinator-General may undertake—

- (a) the works mentioned in the report as works proposed to be constructed by the Coordinator-General and shown on SunWater map number 219231, sheets 1 to 3, for the works;³ and
- (b) incidental or temporary works necessary for the works mentioned in paragraph (a).

8 Expiry of pt 3

This part expires on 30 June 2004.

PART 4—LANG PARK STADIUM PROJECT

10 Definitions for pt 4

In this part—

³ A copy of the report and the map may be inspected, free of charge, at the department’s office at 100 George Street, Brisbane.

*State Development and Public Works Organisation
Regulation 1999*

“project” means the Lang Park Stadium Project declared under section 29B⁴ of the Act to be a significant project by declaration gazetted on 17 December 1999 at page 1575.

“report” means the document called ‘Construction of Certain Works by the Coordinator-General Under the provisions of the *State Development and Public Works Organisation Act 1971*’ prepared on behalf of the Coordinator-General dated 6 November 2000.

11 Approval

The Coordinator-General may undertake the following—

- (a) the works mentioned in the report as works proposed to be constructed by the Coordinator-General and shown on the authorised works drawings, plans 1 to 21, for the project;⁵
- (b) incidental or temporary works necessary for the works mentioned in paragraph (a).

12 Expiry of pt 4

This part expires on 29 September 2004.

PART 5—ENVIRONMENTAL COORDINATION

13 Definitions for pt 5

In this part—

“Commonwealth Environment Act” means the *Environment Protection and Biodiversity Conservation Act 1999* (Cwlth).

4 Section 29B was renumbered as section 26 (Declaration of significant project) of the Act under the *State Development and Public Works Organisation Act 1971*, section 122A.

5 A copy of the report and the authorised works drawings may be inspected, free of charge, at the department’s office at 100 George Street, Brisbane.

“Commonwealth Minister” means the Minister of the Commonwealth responsible for administering the Commonwealth Environment Act.

“controlling provision”, for a project, means a provision of the Commonwealth Environment Act, chapter 2, part 3, decided by the Commonwealth Minister as a controlling provision for the project under that Act, chapter 4, part 7, division 2.

“designated proponent”, for a project, means the person designated as a proponent for the action the subject of the project under the Commonwealth Environment Act, section 75(3).

“EIS process” means the process in part 4, division 3 of the Act.

“relevant impacts” has the meaning given by the Commonwealth Environment Act, section 82.

14 Application of pt 5

(1) This part applies to a project only if—

- (a) the project is a significant project under part 4 of the Act; and
- (b) before or after it becomes a significant project, either of the following apply—
 - (i) the Commonwealth Minister has, under the Commonwealth Environment Act⁶—
 - (A) decided the approach for assessing the relevant impacts of the project is assessment by an accredited assessment process; and
 - (B) given notice of the decision;
 - (ii) the relevant impacts of the project are to be assessed under a bilateral agreement.

(2) Any steps or actions taken in the EIS process after the project becomes a significant project and before the action mentioned in subsection (1)(b)(i) happens are taken to have complied with this part.

(3) In this section—

⁶ See the Commonwealth Environment Act, chapter 4, part 8, division 3 (Decision on assessment approach)

“**bilateral agreement**” has the meaning given by the Commonwealth Environment Act, section 45(2).⁷

15 Coordinator-General’s public notification about terms of reference and EIS

(1) A public notification under section 29(b) or 33(1)⁸ of the Act must state each of the following—

- (a) the project’s title;
- (b) the proponent’s name;
- (c) the name of the entity intending to take the action the subject of the project;
- (d) if the proponent and designated proponent are not the same entity—the designated proponent’s name;
- (e) a brief description of the project;
- (f) the location of the project;
- (g) the protected matters for the project.

(2) A notification mentioned in subsection (1) must be published—

- (a) in a newspaper circulating throughout Australia; or

7 Commonwealth Environment Act, section 45(2)—

(2) A **bilateral agreement** is a written agreement between the Commonwealth and a State or a self-governing Territory that:

- (a) provides for one or more of the following:
 - (i) protecting the environment;
 - (ii) promoting the conservation and ecologically sustainable use of natural resources;
 - (iii) ensuring an efficient, timely and effective process for environmental assessment and approval of actions;
 - (iv) minimising duplication in the environmental assessment and approval process through Commonwealth accreditation of the processes of the State or Territory (or vice versa); and
- (b) is expressed to be a bilateral agreement.

8 Section 29 (Notice of requirement for EIS and of draft terms of reference) or 33 (Public notification of EIS) of the Act

*State Development and Public Works Organisation
Regulation 1999*

- (b) in each State or Territory in a newspaper circulating generally in the State or Territory.

(3) In this section—

“protected matter” means a matter protected by a provision of the Commonwealth Act, part 3, mentioned in section 34⁹ of that Act.

16 Other matters about EIS

(1) An EIS must address the matters mentioned in the schedule.

(2) The submission period set under section 33(1)(d) of the Act must be at least 28 days starting on the day after the date of the notification under the section.

17 Coordinator-General’s report

(1) A report under section 35(3) of the Act¹⁰ must contain the following matters—

- (a) a description of the following—
- (i) the project;
 - (ii) the places affected by the project;
 - (iii) the controlling provisions for the project;
- (b) a summary of the project’s relevant impacts;
- (c) a description of feasible mitigation measures, changes to the project or procedures, to prevent or minimise the project’s relevant impacts, proposed by the proponent or suggested in relevant submissions;
- (d) to the extent practicable, a description of feasible alternatives to the project identified in the EIS process, and the likely impact of the alternatives on matters of national environmental significance;

9 Commonwealth Environment Act, section 34 (What is *matter protected* by a provision of Part 3?)

10 Section 35 (Coordinator-General evaluates EIS, submissions, other material and prepares report) of the Act

*State Development and Public Works Organisation
Regulation 1999*

- (e) a statement of conditions of approval for the project that may be imposed to address impacts, identified in the EIS process, on matters of national environmental significance;
- (f) a statement of requirements for, and conditions of, approval applying, or proposed to apply, to the project when the report is prepared, including a description of the monitoring, enforcement and review procedures applying, or proposed to apply, to the project.

(2) After completing the report, the Coordinator-General must give a copy of it to the Commonwealth Minister.

(3) In this section—

“matters of national environmental significance” means matters of national environmental significance mentioned in the Commonwealth Environment Act, chapter 2, part 3, division 1.¹¹

“relevant submissions” means properly made submissions, or other submissions accepted by the Coordinator-General under section 34¹² of the Act.

11 Commonwealth Environment Act, chapter 2, part 3, division 1 (Requirements relating to matters of national environmental significance)

12 Section 34 (Making submissions on EIS) of the Act

SCHEDULE

MATTERS TO BE ADDRESSED BY ASSESSMENT

section 16(1)

1 General information

The background of the project including the following—

- (a) the project's title;
- (b) the designated proponent's full name and postal address;
- (c) a clear outline of the project's objective;
- (d) the project's location;
- (e) the background to the project's development;
- (f) how the project relates to any other actions, of which the proponent should reasonably be aware, that have been, or are being, taken or that have been approved in the area affected by the project;
- (g) the project's current status;
- (h) the consequences of not proceeding with the project.

2 Description

A description of the project, including the following information—

- (a) the project's components;
- (b) the precise location of works to be undertaken, structures to be built or components of the project that may have relevant impacts;
- (c) how the works are to be undertaken and design parameters for aspects of the structures or components of the project that may have relevant impacts;
- (d) the project's relevant impacts;

SCHEDULE (continued)

- (e) proposed safeguards and mitigation measures for dealing with the project's relevant impacts;
- (f) any other requirements for, or conditions of, approval applying, or that the proponent reasonably believes are likely to apply, to the project;
- (g) to the extent reasonably practicable, any feasible alternatives to the project, including the following—
 - (i) if relevant, the alternative of taking no action;
 - (ii) a comparative description of the impacts of each alternative on the matters protected by the controlling provisions for the project;
 - (iii) sufficient detail to clarify why any alternative is preferred to another;
- (h) any consultation about the project, including the following—
 - (i) consultation taken and any documented response to, or result of, the consultation;
 - (ii) proposed consultation about the project's relevant impacts;
- (i) an identification of affected persons, including a statement mentioning any communities that may be affected and describing the communities' views.

3 Relevant impacts

Information given under section 2(d) must include the following—

- (a) a description of the project's relevant impacts;
- (b) a detailed assessment of the nature and extent of the likely short term and long term relevant impacts;
- (c) a statement whether any relevant impacts are likely to be unknown, unpredictable or irreversible;
- (d) an analysis of the significance of the relevant impacts;
- (e) any technical data and other information used or needed to make a detailed assessment of the relevant impacts.

SCHEDULE (continued)

4 Proposed safeguards and mitigation measures

Information given under section 2(e) must include the following—

- (a) a description, and an assessment of the expected or predicted effectiveness, of the mitigation measures for dealing with the project's relevant impacts;
- (b) any statutory or policy basis for the mitigation measures;
- (c) the cost of the mitigation measures;
- (d) an outline of an environmental management plan setting out the framework for continuing management, mitigation and monitoring programs for the project's relevant impacts, including any provision for independent environmental auditing;
- (e) the name of the entity responsible for endorsing or approving each mitigation measure or monitoring program;
- (f) a consolidated list of mitigation measures proposed to be undertaken to prevent, minimise or compensate for the project's relevant impacts, including mitigation measures proposed to be taken by the State, a local government or the proponent.

5 Other approvals and conditions

(1) Information given under section 2(f) must include the following—

- (a) details of any planning instrument under the *Integrated Planning Act 1997*¹³ dealing with the project including the following—
 - (i) what environmental assessment of the project has been, or is being, carried out under the planning instrument;
 - (ii) how the planning instrument provides for preventing, minimising and managing the project's relevant impacts;
- (b) a description of any approval, other than the Commonwealth approval, obtained from a State or Commonwealth entity, including any approval conditions applying to the project;

¹³ *Integrated Planning Act 1997*, schedule 10 (Dictionary)—

“**planning instrument**” means a State planning policy, planning scheme, temporary local planning instrument or planning scheme policy.

SCHEDULE (continued)

- (c) a statement identifying any other required approval, other than the Commonwealth approval;
- (d) a description of the monitoring, enforcement and review procedures applying, or proposed to apply, to the project.

(2) In this section—

“Commonwealth approval” means the Commonwealth Minister’s approval of the action the subject of the project under the Commonwealth Act, chapter, 4, part 9.

6 Proponent’s environmental record

(1) Details of any proceedings under a law of the Commonwealth or a State for the protection of the environment or the conservation and sustainable use of natural resources (an **“environmental law”**) against—

- (a) the proponent; and
- (b) the applicant for any permit under an environmental law for the project.

(2) If the proponent is a corporation, details of the corporation’s environmental policy and planning framework.

7 Information sources

The EIS must state the following about information given in the EIS—

- (a) the source of the information;
- (b) how recent the information is;
- (c) how the reliability of the information was tested;
- (d) any uncertainties in the information.
