Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, hard copy and electronic, are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If a hard copy reprint is dated earlier than an electronic version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of a hard copy reprint is the same as the date shown for an electronic version previously published, it merely means that the electronic version was published before the hard copy version. Also, any revised edition of the previously published electronic version will have the same date as that version.

BODY CORPORATE AND COMMUNITY MANAGEMENT (COMMERCIAL MODULE) REGULATION 1997

[as amended by all amendments that commenced on or before 1 July 2004]

PART 1—PRELIMINARY

1 Short title

This regulation may be cited as the *Body Corporate and Community Management (Commercial Module) Regulation 1997*.

2 Commencement

This regulation commences on 22 December 1997.

3 Application of this regulation—Act, s 22 [SM, s 3]

(1) This regulation is a regulation module for the Act.

(2) For this regulation to apply to a community titles scheme—

- (a) the lots included in the scheme must be predominantly commercial lots; or
- (b) both of the following must apply for the scheme—
 - (i) the lots included in the scheme are not predominantly commercial lots;¹
 - (ii) when the first community management statement (which could be the community management statement recorded for the scheme on its establishment) identifying this regulation as the regulation module applying to the scheme

¹ For example, although the lots were offered for sale as commercial lots, the buyers might have chosen not to use them as commercial lots.

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

was recorded, the lots included in the scheme were intended to be predominantly commercial lots; or

- (c) all of the following must apply for the scheme—
- (i) the lots included in the scheme have previously been, but are no longer, predominantly commercial lots;
 - (ii) when the lots included in the scheme last stopped being predominantly commercial lots, the community management statement for the scheme identified this regulation as the regulation module applying to the scheme;
 - (iii) since the lots included in the scheme last stopped being predominantly commercial lots, each community management statement (if any) recorded for the scheme has identified this regulation as the regulation module applying to the scheme.²

(3) In this section—

“accommodation lot” means a lot that is either or both of the following—

- (a) the subject of a lease or letting for accommodation for long or short term residential purposes, or immediately available to be the subject of a lease or letting for accommodation for long or short term residential purposes;
- (b) part of a hotel.

“commercial lot” means a lot that—

- (a) is used for commercial (including retail) or industrial purposes; and
- (b) is not an accommodation lot or residential lot.

“hotel” means an establishment organised and operated principally for providing accommodation in guest rooms or suites and offering food

2 Accordingly, and having regard also to section 21 (Meaning of “regulation module”) of the Act, this regulation is the regulation module that applies to a community titles scheme if—

- (a) the community management statement for the scheme states that this regulation applies to it; and
- (b) the circumstances mentioned in paragraphs (a), (b) or (c) exist for the scheme.

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

and drink, whether or not the establishment includes any of the following—

- (a) restaurants;
- (b) function rooms;
- (c) a nightclub or cabaret;
- (d) shops for tourists;
- (e) recreation facilities.

“residential lot” means a lot used for residential purposes, whether or not the lot is also an accommodation lot.

4 Dictionary [SM, s 4]

(1) The dictionary in the schedule defines particular words used in this regulation.³

(2) Definitions found elsewhere in this regulation are signposted in the dictionary.

5 References [SM, s 5]

In a provision of this regulation about a community titles scheme, a reference to—

- (a) the committee, is a reference to the committee for the body corporate for the scheme; and

3 In some regulations, definitions are contained in a dictionary that appears as the last schedule and forms part of the regulation—see *Acts Interpretation Act 1954*, section 14(4).

Words defined elsewhere in the regulation are generally signposted by entries in the dictionary. However, if a section has a definition applying only to the section, or a part of the section, it is generally not signposted by an entry in the dictionary and is generally set out in the last subsection of the section.

Signpost definitions in the dictionary alert the reader to the terms defined elsewhere in the regulation and tell the reader where the definitions can be found. For example, the definition ‘**“requested extraordinary general meeting”** see section 47’, tells the reader there is a definition of “requested extraordinary general meeting” in section 47.

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

- (b) the chairperson, is a reference to the chairperson of the body corporate for the scheme; and
- (c) the secretary, is a reference to the secretary of the body corporate for the scheme; and
- (d) the treasurer, is a reference to the treasurer of the body corporate for the scheme.⁴

6 References to standard module

(1) The information included in square brackets after a section heading is a reference to a comparable section of the standard module.

(2) The brackets and information do not form part of this regulation.

PART 2—COMMUNITY MANAGEMENT STATEMENTS

7 Permitted inclusions—Act, s 57 [SM, s 6]

A community management statement for a community titles scheme may include the following—

- (a) arrangements for future connections to utility infrastructure necessary to accommodate progressive development;
- (b) provisions adopting and regulating the operation of an architectural and landscape code, including the establishment and operation of an architectural review committee;
- (c) provision for a fund to be used to promote the community titles scheme.

⁴ See also section 8 (References) of the Act.

PART 3—BODY CORPORATE COMMITTEE

Division 1—Preliminary

8 Requirement for committee—Act, s 90 [SM, s 7]

There must be a committee for the body corporate for a community titles scheme.

9 Purpose of pt 3 [SM, s 8]

The purpose of this part is to provide for the composition of the committee for the body corporate for a community titles scheme, the choosing of members of the committee and meetings of the committee.

Division 2—Composition—Act, s 91

10 Composition of committee [SM, s 9]

(1) The committee consists of—

- (a) the persons chosen to be the executive members of the committee; and
- (b) if ordinary members are chosen for the committee—the ordinary members.

(2) The one person may hold the positions of chairperson, secretary and treasurer, or any 2 of the positions, in conjunction.

(3) The committee must consist of at least 3, but not more than 7, persons.⁵

(4) There must be a chairperson, secretary and treasurer, whether or not there is a body corporate manager who has been delegated the powers of any or all of the executive members of the committee.

⁵ However, if there are less than 3 owners of the lots, the committee may consist of 1 or 2 individuals (see section 12 (When committee is chosen)).

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

Division 3—Eligibility—Act, s 91

11 Eligibility for committee membership [SM, s 10]

(1) A person is eligible to be a member of the committee if the person is an individual and is also—

- (a) a member of the body corporate;⁶ or
- (b) a person nominated for membership of the committee by a member of the body corporate.

(2) However, a person who is otherwise eligible under subsection (1) to be a member of the committee is not eligible to be a member of the committee if the person is—

- (a) a body corporate manager; or
- (b) an associate of a body corporate manager.

(3) Despite subsection (2), a person who under subsection (1) is eligible to be a member of the committee, but who is a body corporate manager, is a member of the committee if the person is chosen as the secretary, treasurer, or secretary and treasurer.

(4) A person who under subsection (3) is a member is a “**non-voting member**” of the committee.

Division 4—Choosing of committee—Act, s 91

12 When committee is chosen [SM, s 11]

(1) The choosing of the members of the committee must happen at each annual general meeting of the body corporate.

6 Under section 31 (Membership of body corporate for community titles scheme) of the Act, the members of the body corporate are the owners of all lots included in the scheme. The members could include the bodies corporate for other community titles schemes that are lots included in the scheme as subsidiary schemes. If the body corporate for a subsidiary scheme decided to nominate a person for the committee of the scheme in which the subsidiary scheme is included as a lot, it could nominate its subsidiary scheme representative, or another individual.

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

(2) Subsection (1) does not apply for an annual general meeting if, when the annual general meeting is held—

- (a) there are only 2 lots included in the scheme, and the 2 lots are in identical ownership; or
- (b) there are only 2 lots included in the scheme, and the 2 lots are in different ownership; or
- (c) there are 3 or more lots included in the scheme, and all of the lots are in identical ownership; or
- (d) there are 3 or more lots included in the scheme, and there are only 2 different owners for all the lots.

(3) If subsection (2)(a) or (c) applies, the committee is a committee of 1 consisting of the individual who is the owner, or the nominee of the owner, of the lots, and the individual holds all the executive positions on the committee.

(4) If subsection (2)(b) or (d) applies, the committee consists of 2 individuals who are owners, or the nominees of owners, of lots, and they must decide between themselves who are to hold the positions of the executive members of the committee (and, if they cannot agree, the positions of the executive members are jointly held by both of them).

(5) If, under subsection (3), at the first annual general meeting of the body corporate the committee formed at the meeting consists of only 1 individual, the committee may be chosen at an extraordinary general meeting held before the next annual general meeting after the first annual general meeting.

(6) This division applies to an extraordinary general meeting mentioned in subsection (5) as if the extraordinary general meeting was the next annual general meeting after the first annual general meeting.

13 Election of committee [SM, s 12]

(1) The members of the committee must be chosen by election.

(2) The election must be conducted in the way decided by the body corporate by special resolution.

(3) The value of any vote able to be cast for a lot included in the scheme for choosing a member of the committee is the same as the value of the vote able to be cast for each other lot included in the scheme.

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

(4) For subsection (3), it is immaterial whether there are 2 or more co-owners of 1 or more of the lots.

(5) A way decided by the body corporate under subsection (2) must be fair and reasonable in the circumstances of the scheme.

Division 5—Term of office of committee—Act, s 91

14 Term of office [SM, s 25]

(1) The term of office of a member of the committee continues until another person is chosen for the position.

(2) However, a member's position becomes vacant if the member—

- (a) dies; or
- (b) becomes ineligible to hold the position; or
- (c) resigns by written notice given to the chairperson or secretary; or
- (d) is absent from 2 consecutive meetings of the committee without the committee's leave; or
- (e) is convicted (whether or not a conviction is recorded) of an indictable offence; or
- (f) is removed from office by ordinary resolution of the body corporate.

(3) The committee must (even though the number of its members may have fallen below a quorum) appoint a person who is eligible to be a member of the committee to fill a vacancy in the position of an executive or ordinary member of the committee, or call a general meeting of the body corporate to fill the vacancy.

(4) An order an adjudicator may make under the dispute resolution provisions includes, if the body corporate ceases to have a properly formed committee—

- (a) authorising a person named in the order to call a general meeting of the body corporate to choose members for the committee; and
- (b) prescribing the notice to be given of the general meeting; and
- (c) giving other directions necessary for, or incidental to, holding the general meeting or reforming the committee.

Division 6—Restricted issues

15 Restricted issues for committee—Act, s 92 [SM, s 26]

A decision is a decision on a restricted issue for the committee if it is a decision—

- (a) to change rights, privileges or obligations of the owners of lots included in the scheme; or
- (b) on an issue reserved, by ordinary resolution of the body corporate, for decision by ordinary resolution of the body corporate; or
- (c) that may only be made by resolution without dissent, special resolution or ordinary resolution of the body corporate; or
- (d) to bring a proceeding in a court, other than—
 - (i) a proceeding to recover a liquidated debt against the owner of a lot; or
 - (ii) a counterclaim, third-party proceeding or other proceeding in relation to a proceeding to which the body corporate is already a party.

Division 7—Administrative arrangements for committee meetings—Act, s 93

16 Who may call committee meetings [SM, s 27]

(1) A meeting of the committee may be called by—

- (a) the secretary or, in the secretary's absence, the chairperson; or
- (b) in the absence of both the secretary and the chairperson—another member of the committee acting with the agreement of enough members to form a quorum at a meeting of the committee.

(4) In this section—

“**relevant person**” means—

- (a) a body corporate manager; or

71 Disclosure of associate contract [SM, s 89]

(1) This section applies if the following circumstances exist—

- (a) the body corporate is a party to a contract;

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

- (b) the contract is for the supply of goods or services from a person (the **“provider”**);
- (c) the provider is the associate of a relevant person;
- (d) the relevant person is aware of the matters mentioned in paragraphs (a), (b) and (c);
- (e) to the knowledge of the relevant person, the body corporate has never been informed, or otherwise become aware, that the provider is the associate of the relevant person.

(2) The relevant person must, in the shortest practicable time after this section commences to apply, give written notice to the body corporate—

- (a) identifying the contract; and
- (b) disclosing the relationship between the relevant person and the provider.

(3) If the relevant person does not comply with subsection (2), the body corporate may terminate—

- (b) if the relevant person is a service contractor—the service contractor’s engagement as a service contractor.

(4) In this section—

“relevant person” means—

- (a) a body corporate manager; or
- (b) a service contractor who is also a letting agent.

72 Disclosure of commission or other benefit [SM, s 90]

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

other than from the body corporate, a commission, payment or other benefit that is associated with the main contract, including with entering into the main contract.

(2) Before the body corporate makes its decision to enter into the main contract, the body corporate manager must give written notice to the body corporate disclosing the commission, payment or other benefit.

(3) If the body corporate manager fails to comply with subsection (2), the body corporate may terminate the body corporate manager's engagement as a body corporate manager.

Division 5—Occupation of common property—Act, s 107

73 Occupation of common property by service contractor or letting agent [SM, s 91]

(1) The body corporate may, by ordinary resolution, give a person (a **“property occupier”**) who is a service contractor or letting agent an authority (an **“occupation authority”**) to occupy a particular part of the common property for particular purposes necessary to enable—

- (a) if the property occupier is a service contractor—the property occupier to perform obligations under the property occupier's engagement as a service contractor; or
- (b) if the property occupier is a letting agent—the property occupier to operate as a letting agent.

Example—

The body corporate might authorise a letting agent to occupy a particular part of the common property as a reception area, or a caretaker to occupy a shed on the common property for storage of tools and garden implements.

(2) The body corporate may include in the terms of the engagement of a person (also a **“property occupier”**) as a service contractor, authority (also an **“occupation authority”**) to occupy a particular part of the common property for particular purposes necessary to enable the property occupier to perform obligations under the property occupier's engagement as a service contractor.

(3) The body corporate may include in the terms of the authorisation of a person (also a **“property occupier”**) as a letting agent, authority (also an **“occupation authority”**) to occupy a particular part of the common

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

property for particular purposes necessary to enable the property occupier to operate as a letting agent.

(4) The body corporate may give an occupation authority only if the occupation of the part of the common property under the occupation authority would not interfere to an unreasonable extent with the use and enjoyment of a lot or the common property by an occupier of a lot.

(5) An occupation authority—

- (a) may include conditions with which the property occupier must comply; and
- (b) if given under subsection (1)—is taken to be a term of—
 - (i) if the property occupier is a service contractor—the property occupier’s engagement as a service contractor; or
 - (ii) if the property occupier is a letting agent—the property occupier’s authorisation as a letting agent; and
- (c) may give the property occupier a right to exclusive occupation of the part of the common property the occupation authority relates to; and
- (d) must not be amended or terminated without the agreement of the property occupier—
 - (i) if the property occupier is a service contractor—during the term of the engagement of the property occupier as a service contractor; or
 - (ii) if the property occupier is a letting agent—during the term of the authorisation of the property occupier as a letting agent; and
- (e) terminates immediately on—
 - (i) if the property occupier is a service contractor—the engagement of the property occupier as a service contractor coming to an end or being terminated; or
 - (ii) if the property occupier is a letting agent—the authorisation of the property occupier as a letting agent coming to an end or being terminated.

(6) Despite subsection (5)(c), a right a property occupier may have to exclusive occupation of a part of the common property is subject to the body corporate’s right to authorise access to the part of the common

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

property by others if the extent of the access does not unreasonably interfere with the occupation of the part of the common property by the property occupier.

(7) A service contractor or letting agent may acquire rights to occupy part of the common property for the purpose of the service contractor's engagement or letting agent's authorisation, only under this section.

Division 6—Review of remuneration—Act, s 112

**74 Review of remuneration under engagement of service contractor
[SM, s 92]**

The service contractor remuneration review provisions of the Act apply to the scheme.¹³

PART 7—FINANCIAL MANAGEMENT

Division 1—Purpose of part

75 Purpose of pt 7 [SM, s 93]

The purpose of this part is to prescribe the financial management arrangements that apply to the body corporate for a community titles scheme.

¹³ Under section 129 (Review of remuneration under engagement of service contractor) of the Act, the service contractor remuneration review provisions do not apply to a community titles scheme established under chapter 8 (Transitional provisions), part 1 (Transition from 1980 Act) of the Act.

Division 2—Budgets—Act, s 113

76 Budgets [SM, s 94]

(1) The body corporate must, by ordinary resolution, adopt the following budgets for each financial year—

- the administrative fund budget
- the sinking fund budget.

(2) The administrative fund budget must—

- (a) contain estimates for the financial year of necessary and reasonable spending from the administrative fund¹⁴ to cover—
 - (i) the cost of maintaining common property and body corporate assets; and
 - (ii) the cost of insurance; and
 - (iii) other expenditure of a recurrent nature; and
- (b) fix the amount to be raised by way of contribution to cover the estimated recurrent expenditure mentioned in paragraph (a).

(3) The sinking fund budget must—

- (a) allow for raising a reasonable capital amount both to provide for necessary and reasonable spending from the sinking fund¹⁵ for the financial year, and also to reserve an appropriate proportional share of amounts necessary to be accumulated to meet anticipated major expenditure over at least the next 9 years after the financial year, having regard to—
 - (i) anticipated expenditure of a capital or non-recurrent nature; and
 - (ii) the periodic replacement of items of a major capital nature; and
 - (iii) other expenditure that should reasonably be met from capital; and

14 See section 82 (Administrative, sinking and promotion funds).

15 See section 82 (Administrative, sinking and promotion funds).

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

- (b) fix the amount to be raised by way of contribution to cover the capital amount mentioned in paragraph (a).

Example—

Painting of the common property is anticipated to be necessary in 3 years time at a cost currently estimated at \$3 000. The contribution amount for the sinking fund in the budget for the financial year must therefore include the annual proportional share for painting of \$1 000. Next year, the estimated cost has increased to \$3 400 and so the second year levy will be \$1 200. The estimated cost in the third year is \$3 500, so with the \$2 200 accumulated, a levy of \$1 300 is necessary to meet the cost. In larger schemes, the sinking fund will have several projects being funded for various future times.

(4) The body corporate may by ordinary resolution adopt a promotion fund budget that—

- (a) contains estimates for the financial year of necessary and reasonable spending from the promotion fund¹⁶ to cover the cost of promoting the scheme including, for example, by leasing, installing, maintaining and operating advertising signs; and
- (b) fixes the amount to be raised by way of contribution, from lot owners who have agreed to make contributions, to cover the estimated expenditure.

(5) If the scheme is a lot included in another community titles scheme, the administrative fund budget must also include an estimate of the total amount the body corporate may reasonably be expected to be required to contribute to the administrative and sinking funds for the other scheme, and any other fund provided for in the regulation module applying to the other scheme.

(6) The original owner must prepare proposed budgets for adoption by the body corporate at its first annual general meeting, and the committee must prepare proposed budgets for adoption by the body corporate at each later annual general meeting.

(7) Copies of the proposed budgets must accompany the notice of an annual general meeting.

¹⁶ See section 82 (Administrative, sinking and promotion funds)

Division 3—Contributions levied by body corporate—Act, s 113

77 Contributions to be levied on owners [SM, s 95]

(1) The body corporate must, by ordinary resolution—

- (a) fix, on the basis of its budgets for a financial year, the contributions to be levied on the owner of each lot for the financial year; and
- (b) decide the number of instalments in which the contributions are to be paid; and
- (c) fix the date on or before which payment of each instalment is required.

(2) If a liability arises for which no provision, or inadequate provision, has been made in the budget, the body corporate must, by ordinary resolution—

- (a) fix a special contribution to be levied on the owner of each lot towards the liability; and
- (b) decide whether the contribution is to be paid in a single amount or in instalments and, if in instalments, the number of instalments; and
- (c) fix the date on or before which payment of the single amount or each instalment is required.

(3) Also, the committee may fix an interim contribution to be levied on the owner of each lot before the owner is levied contributions fixed on the basis of the body corporate's budgets for a financial year.

(4) The amount of a contribution mentioned in subsection (3)—

- (a) must subsequently be set off against the liability to pay contributions mentioned in subsection (1); and
- (b) must be calculated on the basis of the level of contributions applying for the scheme for the previous financial year; and
- (c) must relate, as closely as practicable, to the period from the end of the previous financial year to 30 days after the annual general meeting.

(5) The contributions levied on the owner of each lot (other than contributions payable for insurance, the promotion fund budget and any

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

other matter for which, under the Act or this regulation, the liability attaching to each lot is calculated other than on the basis of the lot's contribution schedule lot entitlement) must be proportionate to the contribution schedule lot entitlement of the lot.

78 Notice of contribution payable [SM, s 96]

(1) At least 30 days before the payment of a contribution, or instalment of a contribution, is required, the body corporate must give the owner of each lot written notice of—

- (a) the total amount of the contribution levied on the owner; and
- (b) the amount of the contribution, or instalment of contribution, of which payment is currently required; and
- (c) the date (the “**date for payment**”) on or before which the contribution, or instalment of contribution, must be paid; and
- (d) any discount to which the owner is entitled for payment of the contribution, or instalment of contribution, by the date for payment; and
- (e) any penalty to which the owner is liable for each month payment is in arrears; and
- (f) if the owner is in arrears in payment of a contribution or penalty—the arrears.

(2) The written notice under subsection (1) may also include notice about an amount payable by a lot owner to the body corporate for—

- (a) a specially contracted service enjoyed by the owner; or
- (b) an exclusive use or special right over common property enjoyed by the owner.

(3) A written notice under this section may be served on a lot owner at the lot owner's address for service, or in the way directed by the lot owner.

79 Discounts for timely payment [SM, s 97]

(1) The body corporate may, by ordinary resolution, fix a discount to be given to owners of lots if a contribution, or an instalment of a contribution, is received by the body corporate by the date for payment fixed in notices of contribution given to the owners.

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

(2) The discount cannot be more than 20% of the amount to be paid.

Example—

Suppose that—

- a contribution of \$100 is payable in 4 instalments of \$25 and the body corporate has fixed a discount of 10% for payment by the date for payment in the notices of contribution given to the owners
- an account requiring payment of an instalment of \$25 by 31 March is given to the owner of a lot
- the instalment is paid on 25 March.

In this case, the owner is entitled to a discount of \$2.50 on the instalment.

80 Penalties for late payment [SM, s 98]

(1) The body corporate may, by ordinary resolution, fix a penalty to be paid by owners of lots if a contribution, or instalment of contribution, is not received by the body corporate by the date for payment fixed in notices of contribution given to the owners.

(2) The penalty must consist of simple interest at a stated rate (of not more than 2.5%) for each month the contribution or instalment is in arrears.

Example—

Suppose that—

- a contribution of \$400 is payable in 4 instalments of \$100 and the body corporate has fixed a penalty interest rate of 2% per month
- an account requiring payment of an instalment of \$100 by 31 March is given to the owner of a lot
- the instalment is not paid until 27 June.

In this case, the instalment has been in arrears for 2 months and a penalty of \$4 is payable.

81 Payment and recovery of contributions [SM, s 99]

(1) If a contribution, or instalment, is not paid by the date for payment, the body corporate may recover the amount of the contribution or instalment, together with any penalty, as a debt.

(2) A liability to pay a contribution, instalment, penalty or other amount payable to the body corporate in relation to a lot is enforceable jointly and severally against the person who was the owner of the lot when the

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

contribution, instalment or other amount became payable and a person (including a mortgagee in possession) who becomes an owner of the lot before the contribution, instalment, penalty or other amount is paid.

(3) If there are 2 or more owners of a lot, they are jointly and severally liable to pay a contribution, instalment or penalty under the Act or this regulation, or another amount payable to the body corporate in relation to the lot.

(4) If an owner is liable for a contribution, or an instalment of a contribution, and a penalty, an amount paid by the owner must be paid first towards the penalty and then in reduction of the outstanding contribution or instalment.

(5) If the body corporate is satisfied there are special reasons for allowing a discount of contribution, or waiving a penalty, the body corporate may allow the discount, or waive the penalty in whole or part.

Division 4—Funds—Act, s 113

82 Administrative, sinking and promotion funds [SM, s 100]

(1) The body corporate must establish and keep an administrative fund and a sinking fund.

(2) The body corporate must pay into its administrative fund any amount received by the body corporate that is not required—

- (a) under subsection (3) to be paid into its sinking fund; or
- (b) under subsection (5) to be paid into its promotional fund.

(3) The body corporate must pay into its sinking fund—

- (a) the amount raised by way of contribution to cover anticipated spending of a capital or non-recurrent nature (including the periodic renewal or replacement of major items of a capital nature and other spending that should be reasonably met from capital); and
- (b) amounts received under policies of insurance for destruction of items of a major capital nature; and
- (c) interest from investment of the sinking fund.

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

(4) If the body corporate adopts a promotion fund budget, it must also establish and keep a promotion fund.

(5) The body corporate must pay into its promotion fund—

- (a) the amount raised by way of contribution to cover anticipated spending for the purposes of scheme promotion that has been agreed on by all lot owners who have agreed to contribute to the fund; and
- (b) interest from investment of the promotion fund.

(6) The administrative, sinking and promotion funds may be invested in the way a trustee may invest trust funds.

(7) All amounts received by the body corporate for the credit of the administrative, sinking or promotion fund must be paid into 1 or more accounts kept solely in the name of the body corporate at a financial institution.¹⁷

(8) All payments from the administrative, sinking or promotion fund must be made from the account.

**83 Application of administrative, sinking and promotion funds
[SM, s 101]**

(1) The sinking fund may be applied towards—

- (a) spending of a capital or non-recurrent nature; and
- (b) the periodic replacement of major items of a capital nature; and
- (c) other spending that should reasonably be met from capital.

(2) If the body corporate has a promotion fund, the promotion fund may be applied towards spending for the purposes of scheme promotion that has been agreed on by all lot owners who have agreed to contribute to the fund.

(3) All other spending of the body corporate must be met from the administrative fund.

¹⁷ Financial institution is a bank, building society or credit union—see the *Acts Interpretation Act 1954*, section 36, definition “financial institution”.

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

Examples—

1. The cost of repainting the common property or replacing airconditioning plant would be paid from the sinking fund.
2. The cost of insurance would be paid from the administrative fund.

Division 5—Borrowing—Act, s 113

84 Power to borrow [SM, s 102]

(1) The body corporate may, by ordinary resolution, borrow amounts on security agreed between the body corporate and the person from whom the amounts are borrowed.¹⁸

(2) The body corporate must not, at any time, without the authority of a special resolution, be in debt for a borrowed amount greater than an amount worked out by multiplying the number of lots included in the scheme by \$250.

Division 6—Accounts and audit—Act, s 113

85 Accounts [SM, s 105]

- (1) The body corporate must—
- (a) keep proper accounting records; and
 - (b) prepare for each financial year a statement of accounts.
- (2) The statement of accounts mentioned in subsection (1)(b) must—
- (a) show the income and spending of the body corporate for the financial year; and
 - (b) include a statement of the assets and liabilities of the body corporate at the end of the financial year; and

18 The body corporate may mortgage a body corporate asset—see section 97 (Dealing with (including disposal of) body corporate assets—Act, ss 45, 157). However, the fee simple interest in common property cannot be the subject of a mortgage—see *Land Title Act 1994*, section 41C(3) (Application of provisions of Act to common property).

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

- (c) include the corresponding figures for the previous financial year (unless the statement is for the body corporate's first financial year).

(3) A copy of the statement of accounts must accompany the notice of the annual general meeting first happening after the end of the financial year for which the accounts are prepared.

86 Audit [SM, s 106]

(1) The body corporate must have its statement of accounts for each financial year audited by an auditor unless—

- (a) the scheme is a basic scheme; and
- (b) the body corporate resolves by special resolution not to have the statement audited.

(2) If the body corporate is required under subsection (1) to have its statement of accounts audited, the auditor to be appointed must be agreed to by ordinary resolution of the body corporate.

(3) The motion for agreeing to the auditor to be appointed—

- (a) must be included in the agenda for the general meeting at which the motion is to be considered; and
- (b) must include the name of the auditor proposed to be appointed, and the name of the firm or corporation the auditor represents; and
- (c) is not voted on if, under subsection (1), it is resolved not to have the statement of accounts audited.

(4) Even if the body corporate resolves not to have its statement of accounts for a particular financial year audited, the body corporate may, by ordinary resolution, resolve to have its accounting records for a particular period, or for a particular project, audited and appoint an auditor for the purpose.

(5) A member of the committee, a body corporate manager, or an associate of a member of the committee or a body corporate manager, cannot be appointed to audit the accounting records or the statement of accounts of the body corporate.

(7) A copy of the auditor's certificate must accompany the notice of the next annual general meeting held after the certificate is given.

(8) The motion for a special resolution under subsection (1) must be—

Division 2—Common property

89 Duties of body corporate about common property—Act, s 114 [SM, s 109]

(1) The body corporate must maintain common property in good condition, including, to the extent that common property is structural in nature, in a structurally sound condition.

(Commercial Module) Regulation 1997*

(2) To the extent that lots included in the scheme are created under a building format plan of subdivision, the body corporate must—

- (a) maintain in good condition—
 - (i) railings, parapets and balustrades on (whether precisely, or for all practical purposes) the boundary of a lot and common property; and
 - (ii) doors, windows and associated fittings situated in a boundary wall separating a lot from common property; and
 - (iii) roofing membranes that are not common property but that provide protection for lots or common property; and
- (b) maintain the following elements of scheme land that are not common property in a structurally sound condition—
 - (i) foundation structures;
 - (ii) roofing or other covering structures providing protection;
 - (iii) essential supporting framework, including load-bearing walls.

(3) Despite anything in subsections (1) and (2)—

- (a) the body corporate is not responsible for maintaining fixtures or fittings installed by the occupier of a lot if they were installed for the occupier's own benefit; and
- (b) the owner of the lot is responsible for maintaining utility infrastructure in good order and condition, to the extent that the utility infrastructure relates only to supplying utility services to a particular lot.

Example for subsection (3)(b)—

An airconditioning plant is installed on the common property, but relates only to supplying utility services to a particular lot. The owner of the lot would be responsible for maintaining the airconditioning equipment.

(4) To avoid doubt, it is declared that, despite an obligation the body corporate may have under subsection (2) to maintain a part of a lot in good condition or in a structurally sound condition, the body corporate is not prevented from recovering an amount of damages from a person (whether or not the owner of the lot) whose actions cause or contribute to damage or deterioration of the part of the lot.

90 Mailbox—Act, s 115 [SM, s 110]

The body corporate must—

- (a) maintain a mailbox clearly showing the body corporate's name in a suitable position at or near the street alignment of the scheme land; or

(3) Also, the body corporate may grant or amend a lease over the whole of the common property if the body corporate is authorised to lease the land by—

- (a) for a lease for more than 3 years—a resolution without dissent; and
- (b) for a lease of 3 years or less—a special resolution.

(4) Despite subsections (2) and (3), the body corporate may grant or amend a lease over part or the whole of the common property without the authority of a resolution without dissent or special resolution if the community management statement provides for the lease.

(5) The body corporate must not lease common property if—

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

- (a) the lease would interfere with access to a lot, or to a part of the common property over which exclusive rights have been given under a by-law; or
- (b) the common property leased is land a person has the right to occupy for the person's engagement as a service contractor or authorisation as a letting agent.

(6) An instrument lodged for registration under the *Land Title Act 1994* to give effect to a transaction under this section must be accompanied by—

(7) The body corporate may not grant a lease over utility infrastructure that is common property.

92 Easements over common property—Act, s 117 [SM, s 112]

(2) The body corporate may, if authorised by a resolution without dissent—

- (a) grant an easement over the common property, or accept the grant of an easement for the benefit of the common property; or
- (b) surrender an easement for the benefit of the common property, or accept the surrender of an easement over the common property.

(3) An instrument lodged for registration under the *Land Title Act 1994* to give effect to the grant or surrender of an easement over or affecting the common property must be accompanied by—

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

(2) An authorisation may be given under this section on conditions the body corporate considers appropriate.

(3) The owner of a lot who is given an authority under this section¹⁹—

- (a) must comply with conditions of the authority; and
- (b) must maintain the improvement made under the authority in good condition, unless excused by the body corporate.

¹⁹ Under the *Acts Interpretation Act 1954*, section 35A (References to person with interest in land includes personal representative etc.), a reference to a person having an interest in land includes a reference to the person's personal representatives, successors and assigns.

Division 3—Body corporate assets

**95 Duties of body corporate about body corporate assets—Act, s 114

- (c) sell or otherwise dispose of a body corporate asset that is personal property (not including personal property mentioned in paragraph (a) or (b), but including a licence or concession related to freehold land).

(2) The body corporate may mortgage or charge a body corporate asset, but the amount secured under the mortgage or charge must not, at any time when the mortgage or charge is in force, be more than 70% of the value of the asset.

(3) The body corporate may exercise its powers under this section only if authorised by ordinary resolution.

Division 4—Agreement with another body corporate

98 Sharing facilities [SM, s 118]

(1) This section has effect despite anything else in this part.

(2) The body corporate may, in the name of the body corporate, enter into an agreement with the body corporate of another community titles scheme under which the owners or occupiers of lots included in the scheme and lots included in the other scheme may share the use and enjoyment of—

- (a) facilities forming part of the common property of either scheme; or
- (b) body corporate assets for either scheme.

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

Division 5—Services for and obligations of owners and occupiers

99 Supply of services by body corporate—Act, s 120 [SM, s 119]

(1) The body corporate may supply, or engage another person to supply, utility services and other services for the benefit of owners and occupiers of lots, if the services consist of 1 or more of the following—

- (a) maintenance services, which may include cleaning, repairing, painting, pest prevention or extermination or mowing;
- (b) communication services, which may include the installation and supply of telephone, intercom, computer data or television;
- (c) domestic services, which may include electricity, gas, water, garbage removal, airconditioning or heating.

Example—

The body corporate might engage a corporation to supply PABX services for the benefit of the owners and occupiers of lots.

(2) The body corporate may, by agreement with a person for whom services are supplied, charge for the services (including for the installation of, and the maintenance and other operating costs associated with, utility infrastructure for the services), but only to the extent necessary for reimbursing the body corporate for supplying the services.²⁰

(3) In acting under subsections (1) and (2), the body corporate must, to the greatest practicable extent, ensure the total cost to the body corporate (other than body corporate administrative costs) for supplying a service, including the cost of a commercial service, and the cost of purchasing, operating, maintaining and replacing any equipment, is recovered from the users of the service.

²⁰ A body corporate is not permitted to carry on a business. (See section 96 (Body corporate must not carry on business) of the Act).

Division 6—Condition of lot

100 Obligations of owners and occupiers—Act, s 122 [SM, s 120]

(1) An occupier of a lot included in the scheme must keep the parts of the lot readily observable from another lot or common property in a clean and tidy condition.

(2) The owner of a lot included in the scheme must maintain the lot in good condition.

(3) The owner's obligation under subsection (2) to maintain the lot in good condition does not apply to a part of the lot the body corporate is required under this regulation to maintain in good condition.

(4) The owner of a lot included in the scheme must maintain the utility infrastructure within the boundaries of the lot, and not part of common property, in good condition and, if it is in need of replacement, must replace it.

(5) This section applies only to a lot that is not a community titles scheme.

Division 7—Power to act for owners and occupiers

101 Body corporate may carry out work required of owners and occupiers—Act, s 123 [SM, s 121]

(1) This section applies if the owner or occupier of a lot included in the scheme does not carry out work that the owner or occupier has an obligation to carry out under—

- (a) a provision of the Act or this regulation, including a provision requiring an owner or occupier to maintain a lot included in the scheme; or
- (b) a notice given under another Act or a Commonwealth Act; or
- (c) the community management statement, including the by-laws; or
- (d) an adjudicator's order; or
- (e) the order of a court.

(2) The body corporate may carry out the work, and may recover the reasonable cost of carrying out work from the owner of the lot as a debt.

102 Body corporate's power to take action to remedy defective building work—Act, s 124 [SM, s 122]

(1) If building work carried out for the owner of a lot included in the scheme is defective and, because of the defect, the support or shelter of another part of scheme land is, or is likely to be, adversely affected, the body corporate may bring a proceeding under the *Queensland Building Services Authority Act 1991* or another law to have the defect remedied.

(2) If a body corporate brings a proceeding under this section, the body corporate is subrogated to the contractual and other rights of the person for whom the building work was carried out.

Division 8—Exclusive use by-laws

103 Conditions and obligations under exclusive use by-law—Act, s 136 [SM, s 123]

(1) If the owner of a lot included in the scheme to whom rights are in the first instance given under an exclusive use by-law agrees in writing, the by-law may impose conditions (which may include conditions requiring the owner to make a payment or periodic payments to the scheme's body corporate or the owners of lots included in the scheme, or both).

(2) An exclusive use by-law is taken, in the absence of other specific provision in the by-law for maintenance and operating costs, to make the owner of the lot to whom exclusive use or other rights are given responsible for the maintenance of and operating costs for the part of the common property to which the exclusive use by-law applies.

Examples of operating cost for part of common property—

Cost of providing lighting to the part of common property.

104 Improvements—Act, s 136 [SM, s 124]

(1) An exclusive use by-law may authorise the lot owner who has the benefit of the by-law to make stated improvements to the part of the common property to which the by-law applies.

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

(2) Without limiting subsection (1), improvements stated in the by-law may include the installation of fixtures on the common property and the making of changes to the common property.

(3) If the exclusive use by-law does not authorise the lot owner to make an improvement, the lot owner may make the improvement only if the body corporate, by ordinary resolution, authorises it to be made.

105 Recovery of amount owed—Act, s 136 [SM, s 125]

(1) A monetary liability imposed under an exclusive use by-law on the owner of a lot included in the scheme may be recovered as a debt.

(2) If the lot is itself another community titles scheme, the liability is enforceable against the body corporate for the other scheme.

(3) If subsection (2) does not apply, the liability is enforceable jointly and severally against—

- (a) the person who was the owner of the lot when the liability arose; and
- (b) a successor in title for the lot.

Division 9—Insurance—Act, s 147

106 Definitions for div 9 [SM, s 126]

In this division—

“**building**” includes improvements and fixtures (but not including carpet) forming part of the building, but does not include—

- (a) temporary wall, floor and ceiling coverings; or
- (b) fixtures removable by a lessee or tenant at the end of a lease or tenancy.

“**damage**”, for coverage under insurance required to be put in place under this division, means—

- (a) earthquake, explosion, fire, lightning, storm, tempest and water damage; and

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

- (b) glass breakage; and
- (c) damage from impact, malicious act, and riot.

**107 Insurance of common property and body corporate assets
[SM, s 127]**

(1) The body corporate must insure, to full replacement value—

- (a) the common property; and
- (b) the body corporate assets.

(2) Subsection (1)(a) has effect only to the extent that the common property is not required to be insured under another provision of this division.

(3) A policy of insurance taken out under this section—

- (a) must cover, to the greatest practicable extent—
 - (i) damage; and
 - (ii) costs incidental to the reinstatement or replacement of insured buildings, including the cost of taking away debris and the fees of architects and other professional advisers; and
- (b) must provide for the reinstatement of property to its condition when new.

(4) The owner of each lot that is included in the scheme is liable to reimburse the body corporate for the proportion of the premium for a policy of insurance taken out under this section that reflects the interest schedule lot entitlement of the lot.

108 Insurance of building including lots [SM, s 128]

(1) This section applies if 1 or more of the lots included in the scheme are created under a building format plan of subdivision or a volumetric format plan of subdivision.

(2) The body corporate must insure, to full replacement value, each building in which is located a lot included in the scheme, to the extent that the building is scheme land.

(3) A policy of insurance taken out under this section—

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

- (a) must cover—
 - (i) damage; and
 - (ii) costs incidental to the reinstatement or replacement of insured buildings, including the cost of taking away debris and the fees of architects and other professional advisers; and
- (b) must provide for the reinstatement of property to its condition when new.

(4) If the body corporate cannot comply with subsection (3), the commissioner, on application in writing by the body corporate, may authorise the body corporate to put in place an alternative insurance in a form approved by the commissioner if the commissioner is satisfied that the insurance approved gives cover that is as close as practicable to the cover given by insurance under subsection (3).

Example of alternative insurance that might be approved by the commissioner—

Insurance giving cover up to an agreed value.

(5) The body corporate is liable to pay any contribution that has to be made to the cost of reinstatement or repair because the reinstatement insurance is not for the full replacement value of the insured property.

(6) The body corporate need not insure a building or a part of a building under subsection (2) if—

- (a) the scheme is a subsidiary scheme for another community titles scheme (the “**other scheme**”); and
- (b) under subsection (2) or an equivalent provision of another regulation module, the body corporate for the other scheme is required to insure the building or the part of the building.

(7) Also, the body corporate need not insure a building or a part of a building under subsection (2) if—

- (a) the building or the part of the building is scheme land; and
- (b) the whole of the building is the subject of a building management statement registered under the *Land Title Act 1994*; and
- (c) the building management statement provides for insurance for the building to a level comparable with insurance otherwise required under this division; and
- (d) the insurance is in place.

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

(8) This section applies subject to provisions of this division about insurance of buildings mutually dependent for support on a common wall.

109 Insurance for buildings with common walls [SM, s 129]

(1) This section applies if—

- (a) 1 or more of the lots included in the scheme are created under a standard format plan of subdivision; and
- (b) in 1 or more cases, a building on 1 lot has a common wall with a building on an adjoining lot.

(2) The body corporate must insure each building mentioned in subsection (1)(b) to its full replacement value.

(3) A policy of insurance taken out under this section—

- (a) must cover—
 - (i) damage; and
 - (ii) costs incidental to the reinstatement or replacement of the buildings, including the cost of taking away debris and the fees of architects and other professional advisers; and
- (b) must provide for the reinstatement of the buildings to their condition when new; and
- (c) may give effect, in whole or part, to a voluntary insurance scheme.

(4) The body corporate is liable to pay any contribution that has to be made to the cost of reinstatement or repair because the reinstatement insurance is not for the full replacement value of the insured property.

(5) The body corporate need not insure a building or a part of a building under subsection (2) if—

- (a) the scheme is a subsidiary scheme for another community titles scheme (the “**other scheme**”); and
- (b) under subsection (2) or an equivalent provision of another regulation module, the body corporate for the other scheme is required to insure the building or the part of the building.

110 Premium [SM, s 130]

(1) The owner of each lot that is included in the scheme and is covered by reinstatement insurance required to be taken out by the body corporate is liable to reimburse the body corporate for the proportion of the premium for reinstatement insurance that reflects—

- (a) for a lot created under a building or volumetric format plan of subdivision—the interest schedule lot entitlement of the lot; and
- (b) for a lot created under a standard format plan of subdivision—the cost of reinstating the buildings on the lot.

(2) The body corporate may adjust the amount payable by a lot owner under subsection (1) in a way that fairly reflects—

- (a) the extent to which the fixtures and fittings forming part of the lot are of a higher standard than the fixtures and fittings of lots included in the scheme generally; or
- (b) the proportion of the total risks covered by the policy attributable to activities carried on, or proposed to be carried on, on the owner's lot.

Example of paragraph (b)—

In a community titles scheme, the buyer of a lot starts a small manufacturing business requiring the use and storage of flammable chemicals. The insurance premium for the body corporate policy is increased by the insurer because of the increased risk of damage through fire. The lot owner's reimbursement liability for the insurance premium will include the amount of the increase.

(3) The reimbursement for which the owner of a lot is liable may be recovered by the body corporate as part of the owner's annual contribution to the administrative fund.

111 Improvements affecting premium [SM, s 131]

(1) This section applies if—

- (a) improvements are made to a lot included in the scheme; and
- (b) because of the improvements—
 - (i) the fixtures and fittings forming part of the lot are of a higher standard than the fixtures and fittings of lots included in the scheme generally; and

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

(ii) the premium for reinstatement insurance required to be taken out by the body corporate is likely to increase.

(2) The owner of the lot must give the body corporate details of the nature and value of the improvements.

(3) The notification must be given as soon as practicable after the improvements are substantially completed.

(4) If the lot owner does not comply with subsections (2) and (3), the lot owner must reimburse the body corporate for any contribution that has to be made to the cost of reinstatement or repair of the lot, or any other lot or common property, but only to the extent that the necessity to make the contribution can reasonably be attributed to the lot owner's failure to comply with subsections (2) and (3).

112 Use affecting premium [SM, s 132]

(1) This section applies if, because of the way in which a lot is used, the premium for reinstatement insurance required to be taken out by the body corporate is likely to increase.

(2) The lot owner must give the body corporate details of the use.

113 Excess [SM, s 133]

(1) Despite a requirement under this division to insure for full replacement value, the body corporate is not prevented from insuring on the basis that an excess is payable on the happening of an event for which the insurance gives cover.

(2) However, in putting the insurance in place, the body corporate must ensure the arrangements for the liability for an excess under the insurance would not impose an unreasonable burden on the owners of individual lots, having regard to the provisions of subsections (3) and (4).

(3) For an event affecting only 1 lot, the lot owner is liable to pay the excess unless the body corporate decides it is unreasonable in all the circumstances for the owner to bear the liability.

(4) For an event affecting 2 or more lots, or 1 or more lots and common property, the body corporate is liable to pay the excess unless the body corporate decides it is reasonable in all the circumstances for the excess to be paid for by the owner of a particular lot, or to be shared between owners

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

of particular lots, or between the owner of a lot and the body corporate, or between owners of particular lots and the body corporate.

114 Insurance for buildings with no common walls [SM, s 134]

(1) This section applies if—

- (a) the scheme is a basic scheme; and
- (b) lots included in the scheme were created under a standard format plan of subdivision; and
- (c) on 1 or more of the lots mentioned in paragraph (b), there is a building (a “**stand alone building**”) having no common wall with a building on another lot.

(2) The body corporate may establish an insurance scheme (a “**voluntary insurance scheme**”) under which it puts in place insurance over stand alone buildings for the owners of the lots on which they are located.

(3) Taking part in the insurance scheme is optional, and the owner of a lot who wants to take part in the insurance scheme must—

- (a) notify the body corporate of the estimated value of the stand alone buildings to be insured; and
- (b) comply with other requirements under—
 - (i) the decision of the body corporate establishing the voluntary insurance scheme; or
 - (ii) the policy of insurance.

(4) The owner of a lot who takes part in the voluntary insurance scheme is liable to reimburse the body corporate for the proportion of the premium fairly reflecting—

- (a) the proportion of the total value of the buildings insured under the voluntary insurance scheme represented by the stand alone buildings on the owner’s lot; and
- (b) the proportion of the total risks covered by the policy attributable to activities carried on, or proposed to be carried on, on the owner’s lot.

(5) The reimbursement for which the owner of a lot is liable may be recovered by the body corporate as part of the owner's annual contribution to the administrative fund.

115 Combined policy of insurance [SM, s 135]

(1) This section applies if the body corporate—

- (a) is required to put in place reinstatement insurance covering lots included in the scheme; and
- (b) elects under this division to put in place insurance under a voluntary insurance scheme covering other lots included in the scheme.

(2) The body corporate may arrange with an insurer a single policy of insurance for all insurance mentioned in subsection (1).

116 Public risk insurance [SM, s 136]

(1) The body corporate must maintain public risk insurance of the common property and relevant assets.

(2) The insurance must provide coverage—

- (a) for amounts the body corporate becomes liable to pay for—
 - (i) compensation for death, illness and bodily injury; and
 - (ii) damage to property; and
- (b) to the extent of—
 - (i) at least \$10 000 000 for a single event; and
 - (ii) at least \$10 000 000 in a single period of insurance.

(3) In this section—

“**relevant assets**” means body corporate assets for which it is practicable to maintain public risk insurance.

117 Use of insurance money [SM, s 137]

(1) If the body corporate receives an amount of insurance money for damage to property (other than an amount paid under a voluntary insurance

*Body Corporate and Community Management
(Commercial Module) Regulation 1997*

scheme), the body corporate must apply the amount as soon as practicable to the repair, reinstatement or replacement of the damaged property.

(2) However, the amount must not be applied to the repair, reinstatement or replacement of the property if the work would, apart from this section, be unlawful.

(3) If, because of the damage, the scheme is to be terminated, and an order of a court under the Act, or a resolution without dissent of the body corporate, requires the application of the amount for a purpose other than the repair, reinstatement or replacement of the damaged property, the amount must be applied as follows—

- (a) first, the amount must be applied towards the discharge of registered mortgages (but the amount applied towards a mortgage over a particular lot cannot be more than the proportion of the total insurance money attributable to the lot);
