State Development and Public Works Organisation Act 1971

State Development and Public Works Organisation Regulation 1999

Reprinted as in force on 5 May 2006

Reprint No. 2H

This reprint is prepared by
the Office of the Queensland Parliamentary Counsel
Warning—This reprint is not an authorised copy

Information about this reprint

This regulation is reprinted as at 5 May 2006. The reprint shows the law as amended by all amendments that commenced on or before that day (Reprints Act 1992 s 5(c)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes. Also see list of legislation for any uncommenced amendments.

This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A table of reprints is included in the endnotes.

Also see endnotes for information about—

- **when provisions commenced**
- **editorial changes made in earlier reprints.**

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, hard copy and electronic, are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If a hard copy reprint is dated earlier than an electronic version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of a hard copy reprint is the same as the date shown for an electronic version previously published, it merely means that the electronic version was published before the hard copy version. Also, any revised edition of the previously published electronic version will have the same date as that version.

Replacement reprint date If the date of a hard copy reprint is the same as the date shown on another hard copy reprint it means that one is the replacement of the other.

State Development and Public Works Organisation Regulation 1999

[as amended by all amendments that commenced on or before 5 May 2006]

Part 1 Preliminary

1 Short title

This regulation may be cited as the *State Development and Public Works Organisation Regulation 1999*.

Part 2 Functions of Coordinator-General

2 Delegated power under Industrial Development Act 1963—Act, s 10(1)

The Coordinator-General has the function of exercising a power delegated to the Coordinator-General under the *Industrial Development Act 1963*, section 7.¹

Part 3 Moranbah Pipeline Projects

9 Definitions for pt 3

In this part—

¹ *Industrial Development Act 1963*, section 7 (Delegations)

*State Development and Public Works Organisation
Regulation 1999*

Moranbah Pipeline Projects Submission means the document called the ‘Moranbah Pipeline Projects Submission’ prepared by SunWater in May 2005 and held by the department.²

project works means—

- (a) the Burdekin pipeline, Eastern pipeline and Southern pipeline, as described in the Moranbah Pipeline Projects Submission; and
- (b) all other works reasonably connected with, or incidental to, the works mentioned in paragraph (a).

Examples of other works for paragraph (b)—

construction of a permanent or temporary road for access, installation of a pump, telecommunication facility or water storage facility

reserved works means the parts of the project works that, in the circumstances, can only be carried out with the exercise of a power that the Coordinator-General may exercise, under the Act, only for or in connection with works undertaken by the Coordinator-General.

Example of a power the Coordinator-General may exercise only for works undertaken by the Coordinator-General—

the power under section 160 of the Act to obtain material from a watercourse

SunWater means the entity continued in existence under the *Government Owned Corporations Regulation 2004*, section 34.

10 SunWater directed to undertake particular works—Act, s 100

- (1) Subsection (2) is a direction for section 100 of the Act.
- (2) SunWater must undertake all parts of the project works that are not reserved works.

² The submission may be inspected, free of charge, during office hours on business days, at the department’s office at 100 George Street, Brisbane.

11 Approved works for Coordinator-General—Act, s 109

- (1) Subsection (2) is an approval for section 109 of the Act.
- (2) The Coordinator-General may undertake the reserved works.

Part 4 Works for potential dam sites

12 Definitions for pt 4

In this part—

affected area means—

- (a) each of the maximum ponded areas and buffer zones shown on the following maps held in the department—
 - (i) the map titled South East Queensland Water Supply Investigations Albert River AMTD 60.2km (Glendower) and dated 3 May 2006;
 - (ii) the map titled South East Queensland Water Supply Investigations Logan River AMTD 153.4km (Tilleys Bridge) and dated 3 May 2006;
 - (iii) the map titled South East Queensland Water Supply Investigations Mary River AMTD 206.7km (Traveston) and dated 3 May 2006;
 - (iv) the map titled South East Queensland Water Supply Investigations Teviot Brook AMTD 14.8km (Wyaralong) and dated 3 May 2006; or
- (b) any lot, on a map mentioned in paragraph (a), into which a maximum ponded area or buffer zone mentioned in the paragraph intrudes.

department means the department in which the *Water Act 2000* is administered.

geo-technical investigations means investigations to determine the engineering feasibility of constructing a dam on any part of an affected area.

12A Approved works for potential dam sites

For section 109 of the Act, the Coordinator-General is approved to undertake the following works in an affected area—

- (a) geo-technical investigations;
- (b) activities relating to cultural heritage and plant and animal surveys.

Part 5 Environmental coordination

13 Definitions for pt 5

In this part—

Commonwealth Environment Act means the *Environment Protection and Biodiversity Conservation Act 1999* (Cwlth).

Commonwealth Minister means the Minister of the Commonwealth responsible for administering the Commonwealth Environment Act.

controlling provision, for a project, means a provision of the Commonwealth Environment Act, chapter 2, part 3, decided by the Commonwealth Minister as a controlling provision for the project under that Act, chapter 4, part 7, division 2.

designated proponent, for a project, means the person designated as a proponent for the action the subject of the project under the Commonwealth Environment Act, section 75(3).

EIS process means the process in part 4, division 3 of the Act.

relevant impacts has the meaning given by the Commonwealth Environment Act, section 82.

14 Application of pt 5

- (1) This part applies to a project only if—

*State Development and Public Works Organisation
Regulation 1999*

- (a) the project is a significant project under part 4 of the Act; and
 - (b) before or after it becomes a significant project, either of the following apply—
 - (i) the Commonwealth Minister has, under the Commonwealth Environment Act³—
 - (A) decided the approach for assessing the relevant impacts of the project is assessment by an accredited assessment process; and
 - (B) given notice of the decision;
 - (ii) the relevant impacts of the project are to be assessed under a bilateral agreement.
- (2) Any steps or actions taken in the EIS process after the project becomes a significant project and before the action mentioned in subsection (1)(b)(i) happens are taken to have complied with this part.
- (3) In this section—
- bilateral agreement*** has the meaning given by the Commonwealth Environment Act, section 45(2).⁴

3 See the Commonwealth Environment Act, chapter 4 (Environmental assessments and approvals), part 8 (Assessing impacts of controlled actions), division 3 (Decision on assessment approach).

4 Commonwealth Environment Act, section 45(2)—

(2) A ***bilateral agreement*** is a written agreement between the Commonwealth and a State or a self-governing Territory that:

- (a) provides for one or more of the following:
 - (i) protecting the environment;
 - (ii) promoting the conservation and ecologically sustainable use of natural resources;
 - (iii) ensuring an efficient, timely and effective process for environmental assessment and approval of actions;
 - (iv) minimising duplication in the environmental assessment and approval process through Commonwealth accreditation of the processes of the State or Territory (or vice versa); and
- (b) is expressed to be a bilateral agreement.

15 **Coordinator-General's public notification about terms of reference and EIS**

- (1) A public notification under section 29(b) or 33(1)⁵ of the Act must state each of the following—
- (a) the project's title;
 - (b) the proponent's name;
 - (c) the name of the entity intending to take the action the subject of the project;
 - (d) if the proponent and designated proponent are not the same entity—the designated proponent's name;
 - (e) a brief description of the project;
 - (f) the location of the project;
 - (g) the protected matters for the project.
- (2) A notification mentioned in subsection (1) must be published—
- (a) in a newspaper circulating throughout Australia; or
 - (b) in each State or Territory in a newspaper circulating generally in the State or Territory.
- (3) In this section—
- protected matter*** means a matter protected by a provision of the Commonwealth Act, part 3, mentioned in section 34⁶ of that Act.

16 **Other matters about EIS**

- (1) An EIS must address the matters mentioned in schedule 1.
- (2) The submission period set under section 33(1)(d) of the Act must be at least 28 days starting on the day after the date of the notification under the section.

5 Section 29 (Notice of requirement for EIS and of draft terms of reference) or 33 (Public notification of EIS) of the Act

6 Commonwealth Environment Act, section 34 (What is *matter protected* by a provision of Part 3?)

17 Coordinator-General's report

- (1) A report under section 35(3)⁷ of the Act must contain the following matters—
 - (a) a description of the following—
 - (i) the project;
 - (ii) the places affected by the project;
 - (iii) the controlling provisions for the project;
 - (b) a summary of the project's relevant impacts;
 - (c) a description of feasible mitigation measures, changes to the project or procedures, to prevent or minimise the project's relevant impacts, proposed by the proponent or suggested in relevant submissions;
 - (d) to the extent practicable, a description of feasible alternatives to the project identified in the EIS process, and the likely impact of the alternatives on matters of national environmental significance;
 - (e) a statement of conditions of approval for the project that may be imposed to address impacts, identified in the EIS process, on matters of national environmental significance;
 - (f) a statement of requirements for, and conditions of, approval applying, or proposed to apply, to the project when the report is prepared, including a description of the monitoring, enforcement and review procedures applying, or proposed to apply, to the project.
- (2) After completing the report, the Coordinator-General must give a copy of it to the Commonwealth Minister.
- (3) In this section—

matters of national environmental significance means matters of national environmental significance mentioned in

⁷ Section 35 (Coordinator-General evaluates EIS, submissions, other material and prepares report) of the Act

Schedule 1 Matters to be addressed by assessment

section 16(1)

1 General information

The background of the project including the following—

- (a) the project's title;
- (b) the designated proponent's full name and postal address;
- (c) a clear outline of the project's objective;
- (d) the project's location;
- (e) the background to the project's development;
- (f) how the project relates to any other actions, of which the proponent should reasonably be aware, that have been, or are being, taken or that have been approved in the area affected by the project;
- (g) the project's current status;
- (h) the consequences of not proceeding with the project.

2 Description

A description of the project, including the following information—

- (a) the project's components;
- (b) the precise location of works to be undertaken, structures to be built or components of the project that may have relevant impacts;
- (c) how the works are to be undertaken and design parameters for aspects of the structures or components of the project that may have relevant impacts;
- (d) the project's relevant impacts;

Schedule 1 (continued)

- (e) proposed safeguards and mitigation measures for dealing with the project's relevant impacts;
- (f) any other requirements for, or conditions of, approval applying, or that the proponent reasonably believes are likely to apply, to the project;
- (g) to the extent reasonably practicable, any feasible alternatives to the project, including the following—
 - (i) if relevant, the alternative of taking no action;
 - (ii) a comparative description of the impacts of each alternative on the matters protected by the controlling provisions for the project;
 - (iii) sufficient detail to clarify why any alternative is preferred to another;
- (h) any consultation about the project, including the following—
 - (i) consultation taken and any documented response to, or result of, the consultation;
 - (ii) proposed consultation about the project's relevant impacts;
- (i) an identification of affected persons, including a statement mentioning any communities that may be affected and describing the communities' views.

3 Relevant impacts

Information given under section 2(d) must include the following—

- (a) a description of the project's relevant impacts;
- (b) a detailed assessment of the nature and extent of the likely short term and long term relevant impacts;
- (c) a statement whether any relevant impacts are likely to be unknown, unpredictable or irreversible;
- (d) an analysis of the significance of the relevant impacts;

Schedule 1 (continued)

- (e) any technical data and other information used or needed to make a detailed assessment of the relevant impacts.

4 Proposed safeguards and mitigation measures

Information given under section 2(e) must include the following—

- (a) a description, and an assessment of the expected or predicted effectiveness, of the mitigation measures for dealing with the project's relevant impacts;
- (b) any statutory or policy basis for the mitigation measures;
- (c) the cost of the mitigation measures;
- (d) an outline of an environmental management plan setting out the framework for continuing management, mitigation and monitoring programs for the project's relevant impacts, including any provision for independent environmental auditing;
- (e) the name of the entity responsible for endorsing or approving each mitigation measure or monitoring program;
- (f) a consolidated list of mitigation measures proposed to be undertaken to prevent, minimise or compensate for the project's relevant impacts, including mitigation measures proposed to be taken by the State, a local government or the proponent.

5 Other approvals and conditions

- (1) Information given under section 2(f) must include the following—

Schedule 1 (continued)

- (a) details of any planning instrument under the *Integrated Planning Act 1997*¹¹ dealing with the project including the following—
 - (i) what environmental assessment of the project has been, or is being, carried out under the planning instrument;
 - (ii) how the planning instrument provides for preventing, minimising and managing the project's relevant impacts;
 - (b) a description of any approval, other than the Commonwealth approval, obtained from a State or Commonwealth entity, including any approval conditions applying to the project;
 - (c) a statement identifying any other required approval, other than the Commonwealth approval;
 - (d) a description of the monitoring, enforcement and review procedures applying, or proposed to apply, to the project.
- (2) In this section—
- Commonwealth approval*** means the Commonwealth Minister's approval of the action the subject of the project under the Commonwealth Act, chapter, 4, part 9.

6 Proponent's environmental record

- (1) Details of any proceedings under a law of the Commonwealth or a State for the protection of the environment or the conservation and sustainable use of natural resources (an ***environmental law***) against—
 - (a) the proponent; and

¹¹ *Integrated Planning Act 1997*, schedule 10 (Dictionary)—

planning instrument means a State planning policy, the SEQ regional plan, draft regulatory provisions, a planning scheme, a temporary local planning instrument or a planning scheme policy.

Schedule 1 (continued)

- (b) the applicant for any permit under an environmental law for the project.
- (2) If the proponent is a corporation, details of the corporation's environmental policy and planning framework.

7 Information sources

The EIS must state the following about information given in the EIS—

- (a) the source of the information;
- (b) how recent the information is;
- (c) how the reliability of the information was tested;
- (d) any uncertainties in the information.

Schedule 2 Terms of agreement negotiated between Coordinator-General and Stadium Redevelopment Authority

section 18

This agreement is made this day of 2003.

Between: **The Coordinator-General**, a corporation sole constituted under section 8 of the *State Development and Public Works Organisation Act 1971* (“SDPWO Act”) of 100 George St, Brisbane in the State of Queensland.

(“the COG”)

And: **Stadium Redevelopment Authority**, a body corporate established under section 34 of the *Major Sports Facilities Act 2001* of 411 Vulture Street, Woolloongabba in the State of Queensland.

(“SRA”)

Recitals

- A. The COG has caused works to be undertaken for the redevelopment of the Suncorp Stadium.
- B. Some of those works are complete or practically complete and are available for use as part of or for use with the Suncorp Stadium.
- C. The parties acknowledge that the SRA has paid for those works and will continue to complete the works which are practically complete.
- D. The COG wishes to transfer and the SRA wishes to accept the transfer, management, operation and control of the Stadium Works pursuant to section 134 of the SDPWO Act.

Schedule 2 (continued)

- E. The COG is the registered owner of or entitled to be the registered owner of that land specified in Schedule 1 (“the COG Land”).
- F. The COG wishes to transfer and the SRA agrees to accept a transfer of the COG Land.
- G. The parties wish to record the terms of their Agreement.

Now the parties agree as follows—

1. Interpretation

- 1.1 In this Agreement unless the context otherwise requires or the contrary intention appears, the following terms shall have the meanings assigned to them—

“**Agreement**” means this document and all schedules to this document.

“**COG**” means the Coordinator-General.

“**COG Land**” means that land specified in Schedule 1.

“**External Works**” means those works located on the area shaded blue on the plan in Schedule 2 and do not include the Stadium Works.

“**GST**” has the same meaning as in GST Law.

“**GST Law**” includes *A New Tax System (Goods and Services Tax) Act 1999* (Cth) order, ruling or regulation which imposes or purports to impose or otherwise deals with the administration or imposition of GST on a supply of goods or services in Australia.

“**SDPWO Act**” means the *State Development and Public Works Organisation Act 1971*.

“**Settlement Date**” means 8.30am on 30 May 2003.

“**SRA**” means the Stadium Redevelopment Authority.

“**Stadium Works**” means those works constructed on lot 41 on RP904552 and lot 42 on SP161089 (but do not include any

Schedule 2 (continued)

part of the Milton Road pedestrian bridge) together with the plaza constructed over Chippendall Street and the plaza constructed over Hale Street but do not include the land over which those plazas are constructed.

“Supply” has the same meaning as in GST Law.

“Tax Invoice” has the same meaning as in GST Law.

“Transfer Documents” means—

- (a) a transfer under the Land Title Act 1994 capable of immediate registration (after stamping), transferring the title in the COG Land to SRA, free from encumbrances; and
 - (b) any other document to be signed by the parties necessary for stamping and/or registering the transfer.
- 1.2 A reference to a person includes a reference to corporations and other entities recognised by law.
 - 1.3 In this Agreement the Table of Contents has been inserted for convenience of reference only and is not intended to be part of or to affect the meaning or interpretation of any of the terms and conditions of this Agreement.
 - 1.4 A reference to a statute, regulation, ordinance or local law shall be deemed to extend to all statutes, regulations, ordinances or local laws amending, consolidating or replacing them.
 - 1.5 In this Agreement the headings to the clauses have been inserted for convenience of reference only and are not intended to be part of or to affect the meaning or interpretation of any of the terms and conditions of this Agreement.
 - 1.6 The singular includes the plural and vice versa.
 - 1.7 Words importing one gender shall include a reference to all other genders.
 - 1.8 In the case of any inconsistency between the Schedule and a clause contained in this Agreement, the provisions of the clause shall prevail to the extent of any inconsistency.

Schedule 2 (continued)

2. Regulation

The parties acknowledge that this Agreement will only come into effect upon approval of the terms of this Agreement by a regulation made under section 134(2) of the SDPWO Act.

3. Transfer of Stadium Works

3.1 The COG agrees to transfer the Stadium Works together with the management, operation and control of the Stadium Works to the SRA for \$1.00 and the SRA accepts the transfer of the Stadium Works together with the management, operation and control of the Stadium Works.

3.2 The transfer shall take effect on the Settlement Date.

4. Use of External Works

4.1 The COG authorises the SRA to occupy and use the External Works and to complete the construction of the External Works, where necessary.

4.2 The SRA shall ensure that a public liability insurance policy relating to its use and occupation of the External Works is taken out and maintained. That policy shall be in accordance with the COG's reasonable requirements.

4.3 The rights granted to the SRA under clause 4.1 shall take effect from the Settlement Date and shall continue until terminated by written notice from the COG.

4.4 Upon completion of the External Works, the SRA shall negotiate with the COG for the transfer of those works to a third party.

5. Transfer of COG Land

5.1 The COG agrees to transfer the COG Land to the SRA for \$1.00 and the SRA accepts the transfer of the COG Land in accordance with the terms of this Agreement.

Schedule 2 (continued)

- 5.2 The transfer of the COG Land shall be effective on the Settlement Date.
- 6. Risk**
- The COG Land shall be at the risk of SRA on and from the Settlement Date.
- 7. Transfer Document**
- SRA shall prepare the Transfer Documents and deliver them to the COG within a reasonable time before the Settlement Date.
- 8. Settlement**
- 8.1 On the Settlement Date, the COG shall deliver the executed Transfer Documents to SRA.
- 8.2 Settlement shall be effected at the Titles Office on the Settlement Date.
- 9. GST**
- 9.1 The parties acknowledge that GST may be payable on the Supply of goods and/or services under this Agreement.
- 9.2 Where GST is payable on a Supply, the consideration payable by the recipient shall be adjusted in accordance with clauses 9.3 and 9.4.
- 9.3 Subject to the supplier issuing a Tax Invoice, the consideration payable by the recipient to the supplier for the Supply shall be increased by the amount equal to that which the supplier is obliged to remit as GST on the Supply.
- 9.4 If it is determined that the amount of GST collected from the recipient differs for any reason from the amount of GST paid or payable by the supplier, including by reason of—
- (a) any amendment to the GST Law;

Schedule 2 (continued)

- (b) the issue of a ruling or advice by the Commissioner of Taxation; or
- (c) a refund to the supplier in respect of a Supply made under this Agreement,

the recipient shall be entitled to a refund of the additional consideration collected from the recipient.

10. Indemnity

10.1 On and from the Settlement Date, the SRA –

- (a) indemnifies; and
- (b) releases and discharges,

the COG from and against all actions, proceedings, claims, demands, costs, losses, damages and expenses which may be brought against or made upon the COG, or which the COG may pay, sustain or be put to by reason of, or in consequence of or in connection with the Stadium Works (including the construction of or the use of the Stadium Works) or the External Works (including the construction of or the use and occupation of the External Works), other than as a result of the negligent act or omission of the COG, its servants or agents.

10.2 Despite the transfer of the Stadium Works and the COG Land under the terms of this Agreement, the indemnity contained in clause 10.1 shall remain in full force and effect.

11. Governing Law

This Agreement will be governed by and construed according to the law of the State of Queensland and the parties agree to submit to the jurisdiction of the Courts of the State of Queensland.

Schedule 2 (continued)

12. Costs

- 12.1 Each party shall pay its own costs of and incidental to the negotiation, preparation and execution of this Agreement.
- 12.2 SRA shall pay any stamp duty payable on this Agreement.

13. Notices

- 13.1 Notices under this Agreement may be delivered by hand, by registered mail, or by facsimile to the addresses specified in clause 13.3 or any substitute address as may have been notified in writing by the relevant addressee from time to time.
- 13.2 Notice will be deemed to be given—
- (a) 2 Business Days after deposit in the mail with postage prepaid;
 - (b) when delivered by hand; or
 - (c) if sent by facsimile transmission, upon an apparently successful transmission being noted by the sender's facsimile machine prior to close of business at 5.00pm. Facsimile transmissions received after 5.00pm will be deemed to be received at the start of the next working day,
- as the case may be.
- 13.3 The address for each party is—

Schedule 2 (continued)
Schedule 2

Schedule 2 Plan showing external works

May 2003

**Schedule 3 Terms of agreement negotiated
between the
Coordinator-General and the
State**

section 18(2)

THIS AGREEMENT is made

BETWEEN: **THE COORDINATOR-GENERAL**, a
corporation sole constituted under the *State
Development and Public Works Organisation Act
1971*

(“the CG”)

AND: **THE STATE OF QUEENSLAND** through the
Department of Public Works

(“DPW”)

RECITALS

- A.** The CG constructed the Goodwill Bridge pursuant to the CG’s powers under the SDPWO Act.
- B.** Construction of the Bridge has been completed and the parties agree to the transfer of the Bridge and the management, operation and control of the Bridge from the CG to DPW pursuant to section 134 of the SDPWO Act.
- D.** This Agreement records the agreement between the parties.

Schedule 3 (continued)

THE PARTIES AGREE:

1. INTERPRETATION

1.1 In this Agreement, unless the context otherwise requires:

“**Agreement**” means this agreement.

“**Bridge**” means the South Bank Pedestrian and Cycle Bridge, known as the Goodwill Bridge, described in the Bridge Plan.

“**Bridge Plan**” means the plan in the schedule to this Agreement.

“**Regulation**” means the regulation under the SDPWO Act referred to in clause 2.

“**SDPWO Act**” means the *State Development and Public Works Organisation Act 1971*.

“**Settlement Date**” means the day on which the Regulation commences operation.

1.2 A reference to persons includes corporations and other entities.

1.3 The singular includes the plural and vice versa.

2. REGULATION

This Agreement will take effect when the particulars of the Agreement have been approved by a regulation under section 134(2) of the SDPWO Act.

3. TRANSFER

3.1 The CG agrees to transfer the Bridge and the management, operation and control of the Bridge to DPW.

3.2 DPW accepts the transfer of the Bridge and the management, operation and control of the Bridge on and from the Settlement Date.

Schedule 3 (continued)

4. INDEMNITY

- 4.1 DPW indemnifies the CG against liability in relation to any actions, proceedings, claims or demands concerning the Bridge that arise from acts or omissions, other than acts or omissions of the CG, that happen on or after the Settlement Date.
- 4.2 The CG indemnifies DPW against liability in relation to any actions, proceedings, claims or demands concerning the Bridge, including the construction or use of the Bridge, that arise from acts or omissions that happened prior to the Settlement Date.

5. GOVERNING LAW

This Agreement will be governed by the laws of Queensland.

6. COSTS

Each party will pay its own costs in relation to the negotiation, preparation and execution of this Agreement.

7. FURTHER ACTION

- 7.1 The CG will deliver to DPW all documents and data that it holds in relation to the on-going operation and control of the Bridge.
- 7.2 Each party will do everything reasonably required by notice from the other party to give effect to this Agreement and to protect the rights of the other party.

8. NOTICES

- 8.1 Notices under this Agreement must be in writing and may be delivered by hand, by registered mail or by facsimile to the relevant address specified in clause 8.3 or substitute address notified by the relevant addressee to the other.
- 8.2 Notices will be deemed to be given:

Schedule 3 (continued)

- (a) two business days after deposit in the mail with postage paid;
- (b) when hand delivered; or
- (c) if sent by facsimile, upon the sender's receipt of a successful transmission report before 5.00pm on a business day. Notices by facsimile received after 5.00pm will be deemed to have been received at the start of the next business day.
