The applicant has applied for a commercial activity permit for carrying out a commercial activity for 30 persons and the chief executive issues a commercial activity permit with the condition that it only authorises the holder of the permit to carry out the commercial activity for 30 persons.

- (3) If the chief executive decides to refuse the application, the chief executive must, as soon as practicable after making the decision—

 - (b) for another relevant authority—give the applicant an information notice about the decision.

33 Continuing conditions of particular relevant authorities

- (1) This section applies to a relevant authority that authorises a person to take, or buy or accept, a live protected animal in the State if the animal is to be lawfully moved to another State.
- (2) The chief executive may impose on the authority a condition

A protected area authority granted under this division must also state the following—

- (a) the protected area that may be entered or used under the authority;
- (b) the purpose for which the entry or use is authorised;

 - (ii) in a way that reasonably identifies all of the species.

Example for paragraph (e)—

writing ‘leaf litter’ on the authority to identify protected plant parts of all protected plants in a particular area

- (6) If the chief executive decides not to make the amendment, the chief executive must as soon as practicable after making the decision give the other party notice of the decision.

93 Cancelling agreement or suspending authorisation under agreement other than immediately

The chief executive may, by complying with section 94, cancel a commercial activity agreement or suspend the authorisation under the agreement—

- (a) for a reason mentioned in section 91; or
- (b) if the chief reasonably believes the impact the activities being conducted under the agreement are having an unacceptable impact on the character or amenity of the protected area to which it applies or adjacent areas; or
- (c) if the chief executive reasonably believes the activities being conducted under the agreement are threatening public health or safety; or
- (d) if the chief executive reasonably believes the cancellation or suspension is necessary to ensure the fair and equitable access to the protected area to which the agreement applies.

Example for paragraph (d)—

environmental factors have affected the availability of public access to the protected area to which a commercial activity agreement applies and the agreement currently restricts the remaining public access to the area

94 Process for cancelling agreement or suspending authorisation under agreement other than immediately

- (1) Before taking action (the *proposed action*) under section 93, the chief executive must give the other party to the agreement a notice stating each of the following—

*Nature Conservation (Administration) Regulation

is given, about why the proposed action should not be taken.

- (2) If, after considering any written representations made within the stated period, the chief executive still considers the ground to take the proposed action exists, the chief executive may decide—
 - (a) if the proposed action was to suspend the authorisation under the agreement—to suspend the authorisation for not longer than the proposed suspension period; or
 - (b) if the proposed action was to cancel the agreement—either to cancel it or to suspend the authorisation under it for a period.
- (3) If the chief executive cancels the agreement, or suspends the authorisation under it, the chief executive must give the other party to the agreement an information notice about the decision.
- (4) The cancellation or suspension takes effect on the later of the following days—
 - (a) the day when the information notice is given to the other party to the agreement;
 - (b) the day of effect stated in the information notice.
- (5) If the chief executive decides not to take the proposed action, the chief executive must as soon as practicable after making the decision give the other party to the agreement notice of the decision.
- (6) Despite subsections (3) and (4), if a commercial activity agreement is cancelled because of the conviction of a person for an offence and the conviction is quashed, the cancellation has no further effect.
- (7) Despite subsections (3) and (4), if the authorisation under a commercial activity agreement is suspended because of the conviction of a person for an offence and the conviction is quashed, the suspension period ends on the day the conviction is quashed.

Division 6 Transfer of authorisation under agreement

 - (c) all amounts payable by the seller under the seller's

*Nature Conservation (Administration) Regulation
2006*

commercial activity agreement have been paid.

- (2) If the seller transfers all of the authorisation under the agreement, the chief executive must give effect to the transfer by cancelling the seller's agreement and—
 - (a) if the buyer is the other party to another commercial activity agreement—amending the other agreement to reflect the transfer; or
 - (b) if the buyer is not the other party to another commercial agreement—entering into, with the buyer, a commercial activity agreement for the conducting of the commercial activity the subject of the authorisation.
- (3) If the seller transfers only part of the authorisation under the agreement, the chief executive must give effect to the transfer by amending the seller's commercial activity agreement to reflect the transfer and—

conservation plan—

- (a) states when a return of operations must be given for a relevant authority, and the period for which it must be given; and
- (b) contains an offence applying to a person contravening the provision.

Notes—

- 1 See the Macropod Conservation Plan for when a return of operations for particular wildlife authorities for macropods must be given and the period for which it must be given.
- 2 See the Protected Plants Conservation Plan for when a return of operations for particular wildlife authorities for protected plants must be given and the period for which it must be given.

(4) In this section—

relevant event, for a return of operations, means an event the particulars of which must be included in the return.

Maximum penalty—120 penalty units.
- (2) In this section—

Part 8 Fees payable under the Act

Division 1 Fees payable

137 Fees generally

- (1) The fees payable under the Act are stated in schedule 3.
- (2) To remove any doubt, it is declared that a fee payable under the Act is a debt due to the State.
- (3) A proceeding may be instituted against a person for the recovery of a fee, or part of a fee, payable under the Act whether or not—
- (a) a prosecution has been instituted against the person for an offence in relation to the nonpayment; or
 - (b) the person has been convicted of an offence in relation to the nonpayment.
- (4) For schedule 3—
- (a) a least concern plant mentioned in schedule 4, column 1, is of the category of the number stated opposite the plant in schedule 4, column 2; and
 - (b) a least concern plant mentioned in schedule 5, column 1, is of the category of the letter stated opposite the plant in schedule 5, column 2.
- (5) To remove any doubt, it is declared that, subject to section 6, a reference to a whole species of plant in schedule 4 or 5 is a reference to only the plants within the species that are

*Nature Conservation (Administration) Regulation
2006*

prescribed as a least concern plant under the Wildlife Regulation.

Example for subsection (5)—

The reference in schedule 4 to *Eucalyptus* spp. is a reference to plants of a species within the genus of *Eucalyptus* that are prescribed as least concern plants under the Wildlife Regulation.

It does not include the plants of a species within the genus of *Eucalyptus* that are prescribed as an endangered, vulnerable, rare or near threatened plant.

138 Additional fee for recreational wildlife licence or permit to keep protected wildlife—no sample taken

- (1) This section applies—
 - (a) to the holder of a recreational wildlife licence or a permit to keep protected wildlife for any of the following animals—
 - (i) glossy black cockatoo (*Calyptorhynchus funereus*);
 - (ii) palm cockatoo (*Probosciger aterrimus*);
 - (iii) green python (Australian population) (*Chondropython viridis*); and
 - (b) if—
 - (i) the Minister has approved a scientific institution as an approved scientific institution for animal; and
 - (ii) the holder has not taken a biological tissue sample from the animal and given it to the institution.
- (2) The holder must pay twice the fee stated, in schedule 3, for the licence or permit.
- (3) However, this section does not apply if—
 - (a) the Minister has approved an electromagnetic implant as an approved electromagnetic implant; and
 - (b) the holder has inserted the implant into the animal and given the identification code for it to the chief executive.

139 Additional fee for recreational wildlife licence or permit to keep protected wildlife—no implant inserted

- (1) This section applies—
 - (a) to the holder of a recreational wildlife licence or a permit to keep protected wildlife for any of the following animals—
 - (i) glossy black cockatoo (*Calyptorhynchus funereus*);
 - (ii) palm cockatoo (*Probosciger aterrimus*);
 - (iii) green python (Australian population) (*Chondropython viridis*); and
 - (b) if—
 - (i) the Minister has approved an electromagnetic implant as an approved electromagnetic implant; and
 - (ii) the holder has not inserted the implant into the animal and given the identification code for it to the chief executive.
- (2) The holder must pay twice the fee stated, in schedule 3, for the licence or permit.
- (3) However, this section does not apply if—
 - (a) the Minister has approved a scientific institution as an approved scientific institution for animal; and
 - (b) the holder has taken a biological tissue sample from the animal and given it to the institution.

140 Reduced application fee for commercial activity permits or agreements

- (1) This section applies to an application for a commercial activity permit or a commercial activity agreement (each a *NCA application*) if—
 - (a) the commercial activity for which the permit or agreement is sought is to be conducted in a protected area and 1 or more of the following—
 - (i) a forest reserve that was, immediately before its

*Nature Conservation (Administration) Regulation
2006*

- dedication as a forest reserve, a State forest under the *Forestry Act 1959*;
- (ii) a recreation area under the *Recreation Areas Management Act 1988*;
 - (iii) a State forest under the *Forestry Act 1959*; and
- (b) the applicant has also made an application for an authority (however called) for conducting the activity in the forest reserve, recreation area or State forest (a ***related application***); and
 - (c) the chief executive is satisfied the NCA application and related application can be considered together.

Example—

A person applies for a commercial activity permit for conducting a commercial tour that is to be conducted in the Cooloola Section of the Great Sandy National Park and the Fraser Island Recreation Area.

The day before the application was made, the person applied, under the *Recreation Areas Management Act 1988*, for a commercial tour operator permit for conducting the tour in the Fraser Island Recreation Area and the chief executive has not started considering that application under that Act.

- (2) The chief executive may waive all or part of the application fee payable for the NCA application.
- (3) However, subsection (2) only applies if the holder has paid an application fee (however called) for the related application.
- (4) Also, if the application fee payable for the NCA application is higher than the application fee paid for the related application, the chief executive can only waive an amount equivalent to the application fee paid for the related application.

141 Reduced permit fee for commercial activity permits if equivalent fee paid under another Act

- (1) This section applies if—
 - (a) the chief executive waives all or part of the application fee payable for an application for a commercial activity permit under section 140(2); and
 - (b) the holder of the permit has paid a permit fee (however

called) for the authority mentioned in section 140(1)(b) (the *equivalent authority*).

- (2) The chief executive must also waive—
- (a) if the permit fee paid for the equivalent authority is the same or higher than the permit fee stated in schedule 3 for the commercial activity permit—the permit fee stated in schedule 3 for the commercial activity permit; or
 - (b) if the permit fee paid for the equivalent authority is lower than the permit fee stated in schedule 3 for the commercial activity permit—the amount of the permit fee for the commercial activity permit equivalent to the permit fee paid for the equivalent authority.

142 Reduced additional daily fee for commercial activity permits if equivalent fee paid under another Act

- (1) This section applies if—
- (a) the holder of a commercial activity permit other than for filming or photography, or a relevant person for the holder, conducts the commercial activity authorised under the permit in the protected area to which the permit applies and 1 or more of the following—
 - (i) a forest reserve that was, immediately before its dedication as a forest reserve, a State forest under the *Forestry Act 1959*;
 - (ii) a recreation area under the *Recreation Areas Management Act 1988*;
 - (iii) a State forest under the *Forestry Act 1959*; and
 - (b) the activity is conducted for the same clients in the protected area and the forest reserve, recreation area or State forest under an equivalent permit (however called); and
 - (c) the holder or relevant person has paid a daily fee (however called) for conducting the activity under the equivalent permit.

*Nature Conservation (Administration) Regulation
2006*

- (2) The additional daily fee payable under the Act for conducting the activity under the commercial activity permit is the amount worked out by deducting the amount of the daily fee paid for conducting the activity under the equivalent permit from the additional daily fee stated in schedule 3 for the commercial activity permit.
- (3) To remove any doubt, it is declared that a deduction under subsection (2) may result in the additional daily fee payable under the Act being nil.

Example—

The holder of a commercial activity permit conducts a commercial tour lasting more than 3 hours for 10 clients in Glasshouse Mountains National Park and Bribie Island Recreation Area and the holder has paid a daily fee of \$25.50 (\$2.55 for each client) under the *Recreation Areas Management Act 1988* for conducting the tour in the recreation area under a commercial tour operator permit.

The additional daily fee payable under the Act for conducting the commercial tour in the national park under the commercial activity permit is nil, being the additional daily fee stated in schedule 3 for conducting the tour (\$2.55 for each client) reduced by \$25.55, being the daily fee paid under the *Recreation Areas Management Act 1988* for conducting the tour in Bribie Island Recreation Area under a commercial tour operator permit under that Act.

- (4) In this section—
daily fee does not include a fee payable for camping overnight.

143 Reduced fee for particular land-holders

 - (a) a commercial wildlife licence for macropods;
 - (b) a commercial wildlife harvesting licence for macropods;

- (2) If the licence is granted to a prescribed person for the land from where the macropods or plants are to be taken, the fee payable for the licence is half the fee stated, in schedule 3, for

the licence.

(3) In this section—

close relative, of an individual, means the individual's—

- (a) spouse; or
- (b) parent or grandparent; or
- (c) brother or sister; or

 - (ii) the individual if the individual lives on the land;
 - (iii) a close relative of the individual if the close relative lives on the land.

- (1) This section applies to a commercial wildlife harvesting licence for protected plants granted to a person for taking a protected plant for which a royalty is payable under a permit

under the *Forestry Act 1959*, section 56.

- (2) The fee payable for the licence is half the fee stated, in schedule 3, for the licence.

145 When particular fees payable

- (1) The holder of a stock grazing permit must pay the permit fee stated in schedule 3 for the permit on each anniversary of the first day of the term of the permit.

For the requirement to give the return of operations and pay the daily fee, see the Protected Areas Management Regulation, section 65.

- (3) The holder of a group activity permit for which special access is to be allowed, special supervision is needed, or an area reserved for use, for an activity carried out under the permit, must pay the additional daily fee stated in schedule 3 for the permit within 20 business days after the day the activity is carried out.
