Previously reprints were dated as at the date of publication. If a hard copy reprint is dated earlier than an electronic version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of a hard copy reprint is the same as the date shown for an electronic version previously published, it merely means that the electronic version was published before the hard copy version. Also, any revised edition of the previously published electronic version will have the same date as that version.

Replacement reprint date If the date of a hard copy reprint is the same as the date shown on another hard copy reprint it means that one is the replacement of the other.

12A Eligibility if mental or physical incapacity likely to adversely affect ability to drive safely

- (1) A person is not eligible for the grant or renewal of a Queensland driver licence if the chief executive reasonably believes the person has a mental or physical incapacity that is likely to adversely affect the person's ability to drive safely.
- (2) However, the person is eligible for the grant or renewal of a Queensland driver licence if the chief executive reasonably believes that, by stating conditions on the licence, the person's incapacity is not likely to adversely affect the person's ability to drive safely.

Example for subsection (2)—

A person with unstable night time vision has a certificate from a doctor stating the person can drive safely only during daylight. The chief executive may reasonably believe that by imposing a condition, for example, that the person may only drive during daylight, the person's incapacity is not likely to adversely affect the person's ability to drive safely.

- (3) For this section, the chief executive may require the person to give the chief executive a certificate, in the approved form, from a specified type of health professional—
 - (a) stating the person does not have a mental or physical incapacity likely to affect the person's ability to drive safely; or

12B Responsibility to give notice of mental or physical incapacity likely to adversely affect ability to drive safely

- (1) At the time of applying for the grant or renewal of a Queensland driver licence, the applicant must give notice in the approved form to the chief executive about any mental or physical incapacity that is likely to adversely affect the applicant's ability to drive safely.

Maximum penalty—60 penalty units.

- (2) The holder of a Queensland driver licence must give notice in the approved form to the chief executive about either of the following that is likely to adversely affect the holder's ability to drive safely, if either happens after the grant or renewal of the licence—

- (a) any permanent or long term mental or physical incapacity;
- (b) any permanent or long term increase in, or other aggravation of, a mental or physical incapacity, if notice in the approved form has previously been given to the chief executive about the incapacity.

Maximum penalty—60 penalty units.

- (3) It is a defence to the prosecution of a person for an offence against this section if the person establishes that, at the time of the offence, the person was unaware that—

- (a) he or she had a mental or physical incapacity; or
- (b) the incapacity was likely to adversely affect the person's ability to drive safely.

- (4) Also, it is a defence to the prosecution of a person for an offence against subsection (2)(b) if the person establishes that, at the time of the offence, the person was unaware that—
