Information about this reprint

This regulation is reprinted as at 1 July 2009. The reprint shows the law as amended by all amendments that commenced on or before that day (Reprints Act 1992 s 5(c)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes. Also see list of legislation for any uncommenced amendments.

This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A table of reprints is included in the endnotes.

Also see endnotes for information about—

- **when provisions commenced**
- **editorial changes made in earlier reprints.**

Spelling

The spelling of certain words or phrases may be inconsistent in this reprint or with other reprints because of changes made in various editions of the Macquarie Dictionary (for example, in the dictionary, ‘lodgement’ has replaced ‘lodgment’). Variations of spelling will be updated in the next authorised reprint.

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, authorised (that is, hard copy) and unauthorised (that is, electronic), are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If an authorised reprint is dated earlier than an unauthorised version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of an authorised reprint is the same as the date shown for an unauthorised version previously published, it merely means that the unauthorised version was published before the authorised version. Also, any revised edition of the previously published unauthorised version will have the same date as that version.

Replacement reprint date If the date of an authorised reprint is the same as the date shown on another authorised reprint it means that one is the replacement of the other.

Part 5 Miscellaneous

Division 1 Fees

36 Fees

- (1) Fees payable under the Act are stated in schedule 6.

[s 36A]

- (2) However, for a fee payable for a matter mentioned in schedule 6, items 1 to 4, if the activity under the permit is for a charitable, cultural, educational, environmental or scientific purpose, payment of the fee is waived to the extent (including entirely) the chief executive considers appropriate in the circumstances.

36A Reduced application fee for commercial activity permits if equivalent fee paid under another Act

- (1) This section applies to an application for a commercial activity permit (a *forestry application*) if—
- (a) the commercial activity for which the permit is sought is to be conducted in—
- (i) a State forest, or a forest reserve under the *Nature Conservation Act 1992* that was, immediately before its dedication as a forest reserve, a State forest; and
- (ii) 1 or more of the following—
- (A) a protected area under the *Nature Conservation Act 1992*;
- (B) a recreation area under the *Recreation Areas Management Act 2006*; and
- (b) the applicant has also made an application for an authority (however called) for conducting the activity in the protected area or recreation area (a *related application*); and
- (c) the chief executive is satisfied the forestry application and related application can be considered together.

Example—

A person applies for a commercial activity permit for conducting a commercial tour that is to be conducted in the Barakula State Forest and Carnarvon National Park.

The day before the application was made, the person applied, under the *Nature Conservation Act 1992*, for a commercial activity permit for

conducting the tour in Carnarvon National Park and the chief executive has not started considering that application under that Act.

- (2) The chief executive may waive all or part of the application fee payable for the forestry application.
- (3) However, subsection (2) only applies if the holder has paid an application fee (however called) for the related application.
- (4) Also, if the application fee payable for the forestry application is higher than the application fee paid for the related application, the chief executive can only waive an amount equivalent to the application fee paid for the related application.

36B Reduced permit fee for commercial activity permits if equivalent fee paid under another Act

- (1) This section applies if—
 - (a) the chief executive waives all or part of the application fee payable for an application for a commercial activity permit under section 36A; and
 - (b) the holder of the permit has paid a permit fee (however called) for the authority mentioned in section 36A(1)(b) (the *equivalent authority*).
- (2) The chief executive must also waive—
 - (a) if the permit fee paid for the equivalent authority is the same or higher than the permit fee stated in schedule 6 for the commercial activity permit—the permit fee for the commercial activity permit; or
 - (b) if the permit fee paid for the equivalent authority is lower than the permit fee stated in schedule 6 for the commercial activity permit—the amount of the permit fee for the commercial activity permit equivalent to the permit fee paid for the equivalent authority.

[s 36C]

36C Reduced additional daily fee for commercial activity permit if equivalent fee paid under another Act

- (1) This section applies if—
 - (a) the holder of a commercial activity permit other than for filming or photography conducts the commercial activity authorised under the permit in the State forest or forest reserve to which the permit applies and 1 or more of the following—
 - (i) a protected area under the *Nature Conservation Act 1992*;
 - (ii) a recreation area under the *Recreation Areas Management Act 2006*; and
 - (b) the activity is conducted for the same clients in the State forest or forest reserve and the protected area or recreation area under an equivalent permit (however called); and
 - (c) the holder has paid a daily fee (however called) for conducting the activity under the equivalent permit.
- (2) The additional daily fee payable under the Act for conducting the activity under the commercial activity permit is the amount worked out by deducting the amount of the daily fee paid for conducting the activity under the equivalent permit from the additional daily fee stated in schedule 6 for the commercial activity permit.
- (3) To remove any doubt, it is declared that a deduction under subsection (2) may result in the additional daily fee payable under the Act being nil.

Example—

The holder of a commercial activity permit conducts a commercial tour lasting more than 3 hours for 10 clients in Barakula State Forest and Carnarvon National Park and the holder has paid a daily fee of \$25.50 (\$2.55 for each client) under the *Nature Conservation Act 1992* for conducting the tour in the national park under a commercial activity permit under that Act.

The additional daily fee payable under the Act for conducting the commercial tour in the State forest under the commercial activity permit
