Information about this reprint

This Act is reprinted as at 1 January 2010. The reprint—

- shows the law as amended by all amendments that commenced on or before that day (Reprints Act 1992 s 5(c))
- incorporates all necessary consequential amendments, whether of punctuation, numbering or another kind (Reprints Act 1992 s 5(d)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes. Also see list of legislation for any uncommenced amendments.

This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A table of reprints is included in the endnotes.

Also see endnotes for information about—

- **when provisions commenced**
- **editorial changes made in earlier reprints.**

Spelling

The spelling of certain words or phrases may be inconsistent in this reprint or with other reprints because of changes made in various editions of the Macquarie Dictionary (for example, in the dictionary, ‘lodgement’ has replaced ‘lodgment’). Variations of spelling will be updated in the next authorised reprint.

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, authorised (that is, hard copy) and unauthorised (that is, electronic), are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If an authorised reprint is dated earlier than an unauthorised version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of an authorised reprint is the same as the date shown for an unauthorised version previously published, it merely means that the unauthorised version was published before the authorised version. Also, any revised edition of the previously published unauthorised version will have the same date as that version.

Replacement reprint date If the date of an authorised reprint is the same as the date shown on another authorised reprint it means that one is the replacement of the other.

14 Functions of panel

15 Secretary to establish panel

Part 3 Complaints

Division 1 Preliminary

46 Purposes of pt 3

The purposes of this part include—

- (a) to provide for complaints to be made to boards about registrants; and
- (b) to state how complaints must be made; and
- (c) to state how complaints must be dealt with under this Act.

Division 2 Making a complaint

47 Who may make complaint about registrant

A complaint about a registrant may be made by any entity, including, for example—

- (a) the user of a service provided by the registrant; or
- (b) an entity acting on behalf of the user of a service provided by the registrant; or
- (c) another registrant; or
- (d) the chief executive; or
- (e) the Minister; or
- (f) a foreign regulatory authority.

48 Grounds for complaint

- (1) An entity may complain about a registrant by complaining to the registrant's board about any aspect of the registrant's conduct or practice, or another matter relating to the registrant, that appears to provide a ground for disciplinary action against the registrant.
- (2) Also, a complaint may be made about a matter for which a health service complaint could be made under the *Health Quality and Complaints Commission Act 2006*.

49 How complaint is made

A complaint about a registrant to a board must be in writing and contain particulars of the allegation on which it is founded.⁴

⁴ Section 63 allows a board to investigate a registrant other than on a written complaint.

50 Entity making complaint to reveal identity

- (1) An entity making a complaint about a registrant must give the registrant's board—
 - (a) the entity's name and address; and
 - (b) any other information relating to the entity's identity that the board reasonably requires.
- (2) However, the board may accept a complaint from a complainant who does not comply with subsection (1) if the board reasonably believes it is in the public interest to do so.
- (3) If the board accepts a complaint under subsection (2), the board must provide the registrant with written notice of its reasons for accepting the complaint.

Division 3 How complaints are dealt with

Subdivision 1 Complaints by users of registrant's services or entity acting on behalf of user

51 Action by board on receipt of complaint

- (1) This section applies if a registrant's board receives a complaint about the registrant from a user of a service provided by the registrant or an entity acting on behalf of the user.
- (2) The board must refer it to the commission unless—
 - (a) following consultation between the board and the commission, the board and the commission agree it is in the public interest for the board to do 1 of the following—
 - (i) keep the complaint for investigation under the investigation part;
 - (ii) keep the complaint and start disciplinary proceedings under the disciplinary proceedings part;

*Health Practitioners (Professional Standards) Act
1999*

- (iii) keep the complaint and deal with it under the impairment part;
 - (iv) keep the complaint and deal with it under the inspection part or the health practitioner registration Act under which the board is established and, if appropriate, start proceedings to prosecute the registrant under this Act or the health practitioner registration Act;
 - (v) refer the complaint to another entity that has the function or power under an Act of the State, the Commonwealth or another State to deal with the matter; or
- (aa) the board rejects the complaint under section 54(1AA); or
 - (b) the board keeps the complaint under a standing arrangement entered into between the board and the commission and deals with it in a way mentioned in paragraph (a); or
 - (c) the board, under the immediate suspension part, suspends, or imposes conditions on, the registrant's registration; or
 - (d) the complaint is about a matter that happened before 1 July 1991 and the complainant was aware of the matter before 1 July 1991.

Example for subsection (2)(b)—

A board and the commission may have a standing arrangement that all complaints about the board's registrants alleging sexual impropriety are to be kept by the board for investigation under the investigation part.

- (3) If the board keeps the complaint under subsection (2)(a)(ii), the board must refer the disciplinary matter the subject of complaint under section 126 for hearing by the tribunal if the board and the commission reasonably believe the complaint may provide a ground for suspending or cancelling the registrant's registration.
- (4) For subsection (2)(a)(iii), the board and the commission may agree it is in the public interest for the board to keep the complaint and take action under the impairment part only if

*Health Practitioners (Professional Standards) Act
1999*

the board and the commission reasonably believe the complaint does not provide a ground for suspending or cancelling the registrant's registration.

- (5) If the board keeps a complaint and deals with it under subsection (2)(a)(i), (ii), (iii) or (iv), the board may decide to also refer the complaint to another entity under subsection (2)(a)(v).
- (6) The consultation between the board and the commission may be in the form agreed between the board and the commission.
- (7) As soon as practicable after agreeing not to refer a complaint to the commission under subsection (2), the board must give a copy of the complaint to the commission.
- (8) If the board keeps a complaint under subsection (2)(a) or (b) for stated action, the board must take the stated action as soon as practicable.
- (9) If the board is required to refer the complaint to the commission under subsection (2), the board must do so immediately.

52 Referral of complaint to commission

- (1) This section applies if a board refers a complaint to the commission under section 51.
- (2) The complaint is taken to be a health service complaint made to the commission under the *Health Quality and Complaints Commission Act 2006*.
- (3) The board must not take any further action on the complaint unless the commission refers the complaint back to the board under the *Health Quality and Complaints Commission Act 2006*.
- (4) The board may give the commission information, comments and recommendations relating to the complaint and the registrant against whom the complaint was made, including, for example, the registrant's name and address.

Subdivision 2 Complaints made or referred to board by other entities and complaints commission not authorised to receive

53 Action by board on receipt of complaint made or referred by another entity, or complaint commission not authorised to receive

- (1) This section applies if—
 - (a) a registrant's board receives a complaint about the registrant from an entity, other than a user of a service provided by the registrant or an entity acting on behalf of the user; or
 - (b) a complaint about a registrant is referred to the registrant's board by the commission under the *Health Quality and Complaints Commission Act 2006*; or
 - (c) a registrant's board receives a complaint about the registrant and—
 - (i) the complaint is about a matter that happened before 1 July 1991; and
 - (ii) the complainant was aware of the matter before 1 July 1991.
- (2) After considering the complaint, the board must decide to do 1 of the following—
 - (a) under the immediate suspension part, to suspend, or impose conditions on, the registrant's registration;
 - (b) investigate the complaint under the investigation part;
 - (c) start disciplinary proceedings under the disciplinary proceedings part;
 - (d) deal with it under the impairment part;
 - (e) deal with the complaint under the inspection part or the health practitioner registration Act under which the board is established and, if appropriate, start

*Health Practitioners (Professional Standards) Act
1999*

- proceedings to prosecute the registrant under this Act or the health practitioner registration Act;
- (f) refer the complaint to another entity that has the function or power under an Act of the State, the Commonwealth or another State to deal with the matter;
 - (g) reject the complaint under section 54.
- (3) If the board decides to act under subsection (2)(c), the board must refer the disciplinary matter the subject of the complaint under section 126 for hearing by the tribunal if the board reasonably believes the complaint may provide a ground for suspending or cancelling the registrant's registration.
 - (4) Also, the board may deal with the complaint under the impairment part only if the board reasonably believes the complaint does not provide a ground for suspending or cancelling the registrant's registration.
 - (5) If the board takes action about a complaint under subsection (2)(a), (b), (c), (d) or (e), the board may decide to also refer the complaint to another entity under subsection (2)(f).
 - (6) As soon as practicable after receiving a complaint under this section, other than a complaint referred to the board by the commission, the board must give a copy of the complaint to the commission.

Subdivision 2A Rejection of complaints

54 When complaint may be rejected

- (1AA) A board may decide to reject a complaint mentioned in section 51 if the board and the commission agree to reject the complaint for a reason mentioned in subsection (1)(a) to (e).
- (1) A board may decide to reject a complaint mentioned in section 53 if—
 - (a) having regard to the amount of time that has elapsed since the matter complained of happened, it is not practicable for the board to investigate or otherwise deal with it under this Act; or

*Health Practitioners (Professional Standards) Act
1999*

- (b) the board reasonably believes the complaint is frivolous, vexatious or trivial; or
 - (c) the subject matter of the complaint has already been dealt with adequately by the board or another appropriate entity; or
 - (d) the complainant fails, without reasonable excuse, to—
 - (i) disclose the complainant's name and address under section 50(1)(a); or
 - (ii) provide further information about the complaint within the time stated in a notice given by the board under section 56(1); or
 - (iii) verify the complaint or further information by statutory declaration when required to do so by the board under section 56(2); or
 - (e) the person to whom the complaint relates was, but is not at the time the complaint is received by the board, a registrant.
- (2) However, the board must not decide to reject a complaint about a registrant for a reason mentioned in subsection (1)(a) if the board reasonably believes the complaint may provide a ground for suspending or cancelling the registrant's registration.
- (3) A decision by the board to reject a complaint about a registrant does not prevent a disciplinary body taking the complaint into consideration at a later time as part of a pattern of conduct or practice by the registrant that may result in disciplinary action.⁵

55 Notice to be given if complaint rejected

- (1) If a board decides to reject a complaint under section 54, the board must, as soon as practicable after making its decision, give written notice of its decision—

⁵ See section 125(2)(b) which provides that a board may start disciplinary proceedings against a registrant on the basis of a number of complaints, including, for example, a number of complaints that suggest a pattern of conduct or practice.

*Health Practitioners (Professional Standards) Act
1999*

- (a) to the complainant; and
 - (b) to the registrant; and
 - (c) to the commission.
- (2) The notice must—
- (a) for the registrant's notice—state the nature of the complaint; and
 - (b) state the reasons for the board's decision.
- (3) However, the board need not give the registrant the notice if the board reasonably believes doing so may—
- (a) place at risk the wellbeing of vulnerable persons; or
 - (b) place the complainant or another person at risk of harassment or intimidation.

Subdivision 3 Other matters about complaints

56 Board may require further information or statutory declaration

- (1) A board may, by written notice, ask a complainant to give it more information about the complaint within the reasonable time stated in the notice.
- (2) Also, a board may require a complainant to verify the complaint or further information given to it by the complainant, by statutory declaration.
- (3) This section does not apply to a complaint that the board must under section 51, refer to the commission, unless the complaint is referred back to the board by the commission.

57 Withdrawal of complaint

- (1) This section applies if a complainant withdraws a complaint about a registrant—
 - (a) made to the registrant's board; or
 - (b) referred to the registrant's board by the commission.

*Health Practitioners (Professional Standards) Act
1999*

- (2) The board may decide to suspend, or impose conditions on, the registrant's registration.
- (3) However, in making its decision under subsection (2), the board must take the action the board considers is the least onerous necessary to protect the vulnerable persons.
- (4) Immediately after deciding to suspend, or impose conditions on, a registrant's registration, the board must give written notice to the registrant and commission and—
 - (a) investigate the matter under the investigation part; or
 - (b) refer it under section 126 to the tribunal for hearing under the disciplinary proceedings part.
- (5) The notice must state—
 - (a) the board's decision; and
 - (b) the reasons for the decision; and
 - (c) whether the matter—
 - (i) will be investigated under the investigation part; or
 - (ii) will be referred under section 126 for hearing by the tribunal under the disciplinary proceedings part; and
 - (d) that the registrant may apply to the tribunal for review of the decision to suspend, or impose conditions on, the registrant's registration; and
 - (e) how, and the period within which, the registrant may apply for the review of the decision.
- (6) The decision takes effect on the later of—
 - (a) the day the notice is given to the registrant; or
 - (b) the day of effect stated in the notice.
- (7) The decision continues to have effect until the first of the following happens—
 - (a) the decision is set aside by the tribunal on review;
 - (b) if the matter is referred under subsection (4)(b) for hearing by the tribunal under the disciplinary proceedings part—the tribunal decides the matter;

- (c) if the matter is investigated under the investigation part and is referred under section 126 for hearing by the tribunal under the disciplinary proceedings part—the tribunal decides the matter;
- (d) if the matter is investigated under the investigation part and at the end of the investigation the board decides to end the suspension or remove the conditions—the board makes the decision.

60 Suspension or conditions to be recorded in board's register

- (1) This section applies if the board decides under section 59(2) to suspend or impose conditions on the registrant's registration.
- (2) As soon as practicable after suspending, or imposing conditions on, the registration, the board must record in its register, for the period for which the suspension or conditions are in force—
 - (a) for a decision to suspend the registrant's registration—that the registrant's registration has been suspended; and
 - (b) for a decision to impose conditions on the registrant's registration—
 - (i) that conditions have been imposed on the registrant's registration; and

63 When investigation of registrant may be conducted on board's initiative

- (1) A registrant's board may investigate the registrant if it reasonably believes that an aspect of the registrant's conduct or practice, or another matter relating to the registrant, may provide a ground for disciplinary action against the registrant.
- (2) Subsection (1) applies whether or not the board has received a complaint under the complaints part about the aspect of the registrant's conduct, practice or other matter.
- (3) However, the board must not investigate the registrant because it believes the registrant is impaired if it is dealing with the registrant under the impairment part.

 - (f) if the submission may be a written submission—a stated day, not less than 14 days after the notice is given, by which the submission, if any, must be given to the committee or investigator.

- (3) However, the board need not give the registrant the notice if the board reasonably believes doing so may—
- (a) seriously prejudice the investigation; or
 - (b) place at risk the wellbeing of vulnerable persons; or

- (2) However, if at any time the registrant's board reasonably believes the suspected matter may provide a ground for
