Spelling

The spelling of certain words or phrases may be inconsistent with other reprints because of changes made in various editions of the Macquarie Dictionary (for example, in the dictionary, ‘lodgement’ has replaced ‘lodgment’).

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, authorised (that is, hard copy) and unauthorised (that is, electronic), are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If an authorised reprint is dated earlier than an unauthorised version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of an authorised reprint is the same as the date shown for an unauthorised version previously published, it merely means that the unauthorised version was published before the authorised version. Also, any revised edition of the previously published unauthorised version will have the same date as that version.

Replacement reprint date If the date of an authorised reprint is the same as the date shown on another authorised reprint it means that one is the replacement of the other.

Criminal Organisation Act 2009

[reprinted as in force on 15 April 2010]

An Act to provide for the making of declarations and orders for the purpose of disrupting and restricting the activities of organisations involved in serious criminal activity, and of their members and associates, and to make related amendments to other Acts

Part 1 Preliminary

1 Short title

This Act may be cited as the *Criminal Organisation Act 2009*.

2 Commencement

This Act commences on a day to be fixed by proclamation.

3 Objects of Act

- (1) The objects of this Act are to disrupt and restrict the activities of—
 - (a) organisations involved in serious criminal activity; and
 - (b) the members and associates of the organisations.
- (2) It is not the Parliament's intention that powers under this Act be exercised in a way that diminishes the freedom of persons in the State to participate in advocacy, protest, dissent or industrial action.

4 Definitions

The dictionary in schedule 2 defines particular words used in this Act.

5 Act binds all persons

- (1) This Act binds all persons including the State, and, as far as the legislative power of the Parliament permits, the Commonwealth and the other States.
- (2) This Act does not make the Commonwealth, the State or another State liable to be prosecuted for an offence.

6 Meaning of *serious criminal activity*

Serious criminal activity means—

- (a) a serious criminal offence; or
- (b) an act done or omission made outside Queensland, including outside Australia, that, if done or made in Queensland would have been or would be a serious criminal offence.

7 Meaning of *serious criminal offence*

- (1) *Serious criminal offence* means the following—
 - (a) an indictable offence punishable by at least 7 years imprisonment, including an offence against a repealed provision of an Act;
 - (b) an offence against this Act;
 - (c) an offence against a section of the Criminal Code mentioned in schedule 1.

Notes—

- 1 For convenience, current headings to sections have been mentioned in schedule 1. If a section has been repealed, the last heading the section had before its repeal is mentioned.
- 2 Because of amendments over time, and the fact that a section may include several offences, an offence against a section mentioned in

schedule 1 may also be a serious criminal offence because of subsection (1)(a).

- (2) ***Serious criminal offence*** does not include an offence against the Criminal Code, section 208 or 209 in any form in which either section has ever existed unless the act or omission would be an offence against section 208 as it currently exists.
- (3) For subsection (1)(c), a reference to an offence against a section mentioned in schedule 1 includes a reference to any offence against the section of that number as the section existed at any time since the original enactment of—
 - (a) if the Criminal Code as originally enacted had a section of that number—the Criminal Code; or
 - (b) if the Criminal Code as originally enacted did not have a section of that number—the section.
- (4) Subsection (1)(c) does not limit subsection (1)(a).

Example—

Schedule 1 mentions section 427, but limits the reference to the section as it existed before its repeal by Act No. 3 of 1997. However, current section 427 imposes a maximum penalty of 10 years imprisonment and therefore an offence against the section is a serious criminal offence.

Part 2 Criminal organisations

8 Commissioner may apply for declaration

- (1) The commissioner may apply to the court for a declaration that a particular organisation (the ***respondent***) is a criminal organisation.
- (2) The application must state the following—
 - (a) details sufficiently identifying the organisation;
 - (b) a description of the nature of the organisation and any of its distinguishing characteristics;
 - (c) the grounds on which the declaration is sought;

[s 9]

- (d) the information supporting the grounds;
 - (e) details of any previous application for a declaration for the organisation and the outcome of the application;
 - (f) that a response to the application may be filed under section 9.
- (3) The application must be accompanied by any affidavit the commissioner intends to rely on at the hearing of the application.
- (4) For subsection (2)(a), it is sufficient if the organisation is identified by the name by which it is commonly known or by other particulars.
- (5) The application, with any accompanying affidavit, must—
- (a) be filed; and
 - (b) on filing, state as the return date a day within 35 days after the filing; and
 - (c) after being filed, be served by the commissioner on the respondent—
 - (i) by personal service within 7 business days after the filing; or
 - (ii) if personal service is not practicable, or if the respondent is an unincorporated association, by public notice within 10 days after filing.
- (6) The commissioner must give copies of the application and any supporting material to the COPIM under arrangements decided by the COPIM.

Note for subsection (6)—

Under section 88(2), this requirement does not apply to particular material about informants.

9 Response by respondent

- (1) The respondent may file a response to the application.
- (2) The response must state—

- (a) the facts relied on by the respondent in response to the application; and
 - (b) the nature of the response in relation to each order sought by the applicant.
- (3) The respondent must file the response at least 5 business days before the return date.
- (4) The response must be accompanied by any affidavit the respondent intends to rely on at the hearing of the application.

10 Court may make a declaration

- (1) The court may make a declaration that the respondent is a criminal organisation if the court is satisfied that—
- (a) the respondent is an organisation; and
 - (b) members of the organisation associate for the purpose of engaging in, or conspiring to engage in, serious criminal activity; and
 - (c) the organisation is an unacceptable risk to the safety, welfare or order of the community.
- (2) In considering whether or not to make a declaration, the court must have regard to—
- (a) the following information before the court—
 - (i) information suggesting a link exists between the organisation and serious criminal activity;
 - (ii) any conviction for current or former members of the organisation;
 - (iii) information suggesting current or former members of the organisation have been, or are, involved in serious criminal activity, whether directly or indirectly and whether or not the involvement resulted in convictions;
 - (iv) information suggesting members of an interstate or overseas chapter or branch of the organisation associate for the purpose of engaging in, or

[s 11]

conspiring to engage in, serious criminal activity;
and

(b) anything else the court considers relevant.

(3) A declaration may be made whether or not the respondent is present or makes submissions.

Note—

Section 8 includes service requirements.

(4) The court may, for making the declaration, be satisfied that members of an organisation associate for the purpose of engaging in, or conspiring to engage in, serious criminal activity—

(a) whether all the members associate for that purpose or only some of the members; and

(b) whether members associate for that purpose for the same serious criminal activities or different ones; and

(c) whether or not the members also associate for other purposes.

(5) For subsection (4)(a), the court may act on the basis of satisfaction that only some of the members associate for the purpose mentioned in the subsection only if the court is satisfied that those members constitute a significant group within the organisation, either—

(a) in terms of their numbers; or

(b) in terms of their capacity to influence the organisation or its members.

11 Notice of declaration

(1) As soon as reasonably practicable after the declaration is made, the commissioner must publish notice of the declaration in the gazette and in at least 1 newspaper circulating throughout the State.

(2) The declaration is of no effect until it is published under subsection (1).

12 Duration of declaration

- (1) A declaration remains in force for a period of 5 years after the day on which it is made, unless sooner revoked or unless renewed.
- (2) A change in the name or membership of a criminal organisation does not affect the declaration.
- (3) The criminal organisation is taken to include any organisation into which the members substantially reform themselves with or without dissolving the organisation named in the declaration.

13 Revocation of declaration

- (1) The court may revoke a declaration about a criminal organisation on an application under this section.
- (2) An application may be made by—
 - (a) the commissioner, at any time; or
 - (b) the criminal organisation or a member of the criminal organisation, subject to section 15.
- (3) An application must state—
 - (a) the grounds on which revocation is sought; and
 - (b) the information supporting the grounds on which revocation is sought.
- (4) The application must be accompanied by any affidavit the applicant intends to rely on at the hearing.
- (5) The commissioner is a party to any proceedings for an application by the organisation or a member of the organisation.
- (6) The applicant must serve a copy of the application, with any accompanying affidavit, on the other party to the proceedings as soon as reasonably practicable after the application is filed.
- (7) If the commissioner is the applicant, service on the other party must be—

[s 14]

- (a) by personal service; or
 - (b) if personal service is not practicable or the respondent is an unincorporated association, by public notice.
- (8) The commissioner must give the following to the COPIM under arrangements decided by the COPIM—
- (a) if the commissioner is the applicant—copies of the application and any accompanying affidavit filed by the commissioner; or
 - (b) if the criminal organisation or a member of the criminal organisation is the applicant—copies of the application and any accompanying affidavit served on the commissioner under subsection (6).

Note—

Under section 88(2), this requirement does not apply to particular material about informants.

- (9) The court may revoke the declaration only if satisfied that there has been a substantial change in the nature or membership of the criminal organisation to the extent that—
- (a) members of the organisation no longer associate for the purpose of engaging in, or conspiring to engage in, serious criminal activity; and
 - (b) the organisation no longer represents an unacceptable risk to the safety, welfare and order of the community.

14 Notice of revocation or expiration

As soon as reasonably practicable after the revocation or expiration of a declaration, the commissioner must publish notice of the revocation or expiration in the gazette and in at least 1 newspaper circulating throughout the State.

15 Limitation on number and timing of applications for revocation

- (1) A criminal organisation or a member of a criminal organisation may not apply for the revocation of a declaration

under section 13 until at least 3 years after the declaration is made.

- (2) Also, the total number of applications made by the organisation and all members of the organisation must not be more than 2 during the first 5 years after the declaration is made.

Part 3 Control orders

Division 1 Making, variation and revocation

16 Commissioner may apply for control order

- (1) The commissioner may apply to the court for a control order for a person (the *respondent*).
- (2) The application must state the following—
- (a) details sufficient to identify the respondent;
 - (b) the grounds on which the order is sought;
 - (c) the information supporting the grounds;
 - (d) details of any previous application for an order for the respondent and the outcome of the application;
 - (e) that the respondent may file a response to the application under section 17;
 - (f) that an interim control order may be made against the respondent under section 21 at any time on or after the return date.
- (3) The application must be accompanied by—
- (a) any affidavit the commissioner intends to rely on at the hearing of the application; and

[s 17]

- (b) a draft of the order the commissioner is seeking from the court.
- (4) The application must—
 - (a) be filed; and
 - (b) on filing, state as the return date a day within 35 days after the filing; and
 - (c) after being filed, be served on the respondent—
 - (i) by personal service within 7 business days after the filing; or
 - (ii) if personal service is not practicable, by public notice within 10 days after filing.
- (5) The commissioner must give copies of the application and any supporting material to the COPIM under arrangements decided by the COPIM.

Note for subsection (5)—

Under section 88(2), this requirement does not apply to particular material about informants.

17 Response by respondent

- (1) The respondent may file a response to the application.
- (2) The response must state—
 - (a) the facts relied on by the respondent in response to the application; and
 - (b) the nature of the response in relation to each order sought by the applicant.
- (3) The respondent must file the response at least 5 business days before the return date.
- (4) The response must be accompanied by any affidavit the respondent intends to rely on at the hearing of the application.

18 Court may make control order

- (1) The court may make a control order for the respondent if the court is satisfied that the respondent—
 - (a) is, or has been, a member of a criminal organisation; and
 - (b) engages in, or has engaged in, serious criminal activity; and
 - (c) associates with any person for the purpose of engaging in, or conspiring to engage in, serious criminal activity.
- (2) Also, the court may make a control order for the respondent if the court is satisfied that the respondent—
 - (a) engages in, or has engaged in, serious criminal activity; and
 - (b) associates with any member of a criminal organisation for the purpose of engaging in, or conspiring to engage in, serious criminal activity.
- (3) In considering whether or not to make an order, the court must have regard to—
 - (a) information about the following before the court—
 - (i) the respondent’s criminal history;
 - (ii) the criminal history of a person whose association with the respondent is relied on in the application to support the making of the order;
 - (iii) any activity or behaviour of the respondent at any time that tends to prove a matter of which the court must be satisfied under subsection (1) or (2); and
 - (b) anything else the court considers relevant.
- (4) The control order may be made whether or not the respondent is present or makes submissions.

Note—

Section 16 includes service requirements.

- (5) In this section—

[s 19]

member, of a criminal organisation, does not include a person who would otherwise be a member only because the person is a person mentioned in schedule 2, definition *member*, paragraph (e).

19 Conditions of control order

- (1) In making a control order for the respondent, the court may impose the conditions on the respondent the court considers appropriate.
- (2) Without limiting subsection (1), a condition may prohibit the respondent from doing any of the following while the control order is in force—
 - (a) associating with any person who is a member of a criminal organisation;
 - (b) associating with any other controlled person;
 - (c) possessing—
 - (i) a thing the possession of which, under the *Weapons Act 1990* or the *Explosives Act 1999*, is prohibited or prohibited other than under a licence, permit or other authority; or
 - (ii) a stated thing or a thing of a stated class;
 - (d) carrying on or applying under an Act to carry on a prescribed activity;
 - (e) recruiting or attempting to recruit anyone to become a member of, or to associate with a member of, a criminal organisation;
 - (f) associating with a stated person or a person of a stated class;
 - (g) entering or being in the vicinity of a stated place or a place of a stated class;
 - (h) applying for or undertaking stated employment.

-
- (3) A condition imposed under subsection (2)(a) applies in relation to association with any person who is a member of a criminal organisation at the time of the association—
 - (a) whether the person is a member of a criminal organisation when the order is made or becomes a member at a later time; and
 - (b) whether the criminal organisation is a criminal organisation when the order is made or is declared to be a criminal organisation at a later time.
 - (4) A condition imposed under subsection (2)(b) applies in relation to association with any person who is a controlled person at the time of the association whether the person is a controlled person when the order is made or becomes a controlled person at a later time.
 - (5) If the control order is made under section 18(1)—
 - (a) subject to paragraph (b)(i), the conditions imposed on the order must include the conditions mentioned in subsection (2)(a), (b), (c)(i), (d) and (e); and
 - (b) the conditions imposed on the order—
 - (i) are not required to include a condition mentioned in subsection (2)(a) or (b) to the extent the condition prohibits the respondent from associating with another person with whom the respondent has a personal relationship; but
 - (ii) may, subject to subsection (7), include a condition prohibiting the respondent from associating with another person with whom the respondent has a personal relationship.
 - (6) Also, the order must require the respondent to, within 24 hours after the order is made, deliver to the commissioner's custody at a stated police station anything the respondent is prohibited from possessing under the order unless the respondent has lawfully disposed of possession of the thing before the end of that period.

[s 20]

- (7) Before imposing a non-contact condition under this section prohibiting the respondent from associating with another person with whom the respondent has a personal relationship, the court must consider the effect of the condition on the relationship and whether the condition should only relate to a particular class of activity or relate to activities generally.
- (8) The court may also impose conditions on the use by a police officer of the power under section 25.

20 Duration of control order

- (1) A control order takes effect—
 - (a) if the respondent or a legal or other representative of the respondent is present at the hearing of the application—when the order is made; or
 - (b) otherwise—when the commissioner serves the order on the respondent.
- (2) Service under subsection (1)(b) must be by personal service or, if personal service is not practicable, by public notice.
- (3) A control order remains in force until the order is revoked.
- (4) Also, if an interim control order or control order is made for a person in reliance on the person's membership of a particular criminal organisation or the person's association with a member of a particular criminal organisation, the order stops having effect when the declaration for the criminal organisation expires or is revoked.

21 Interim control order

- (1) This section applies if an application for a control order has been served on the respondent under section 16(4).
- (2) On or after the return date, the court may make a control order (an *interim control order*) for the respondent to be in force until the court finally decides the application or the application otherwise ends.

-
- (3) The court may make the interim control order if the court is satisfied there are reasonable grounds for believing there is sufficient basis to make the final order.
 - (4) The interim control order may be made whether or not the respondent is present or makes submissions.

Note—

Section 16 includes service requirements notifying the respondent of the possibility of the making of an interim control order.

- (5) An interim control order is taken to include, and to impose on the respondent, the following conditions—
 - (a) that the respondent must not associate with a person who is a member of a criminal organisation, other than a person with whom the respondent has a personal relationship;
 - (b) that the respondent must not associate with any other controlled person, other than a person with whom the respondent has a personal relationship;
 - (c) that the following are suspended—
 - (i) any licence, permit or authority issued to the respondent under the *Weapons Act 1990*;
 - (ii) any entitlement under the *Weapons Act 1990* to possess or use a weapon;
 - (d) that the respondent must not recruit or attempt to recruit anyone to become a member of or to associate with a member of a criminal organisation.
- (6) Also, the interim control order must require the respondent to, within 24 hours after the order is made, deliver to the commissioner's custody at a stated police station anything the respondent is prohibited from possessing under the order unless the person has lawfully disposed of possession of the thing before the end of that period.
- (7) An interim control order takes effect—

Part 4 Public safety orders

Division 1 Preliminary

27 Definitions for pt 4

In this part—

prescribed conditions means the conditions imposed on a respondent in a public safety order mentioned in section 29.

prescribed grounds means the basis for making a public safety order under section 28.

28 Prescribed grounds for making a public safety order

- (1) The court may make a public safety order for a person or group of persons (the *respondent*) if the court is satisfied that—
 - (a) the presence of the respondent at premises or an event, or within an area, poses a serious risk to public safety or security; and
 - (b) making the order is appropriate in the circumstances.
- (2) In considering whether or not to make an order, the court must have regard to the following—
 - (a) the respondent's criminal history and any previous behaviour of the respondent that posed a serious risk to public safety or security;
 - (b) whether the respondent—
 - (i) is or has been a member of a criminal organisation; or
 - (ii) is or has been the subject of a control order or registered corresponding control order; or
 - (iii) associates, or has associated, with a member of a criminal organisation or a person who is the subject of a control order or registered corresponding control order;
 - (c) if advocacy, protest, dissent or industrial action is the likely reason for the respondent being present at the relevant premises or event or within the relevant area—the public interest in maintaining freedom to participate in those activities;
 - (d) whether the degree of risk involved justifies the imposition of the conditions to be stated in the order, having regard, in particular, to any legitimate reason the respondent may have for being present at the relevant premises or event or within the relevant area;

[s 29]

- (e) the extent to which making the order will reduce the risk to public safety or security or effective traffic management;
 - (f) anything else the court considers relevant.
- (3) In deciding whether a respondent satisfies a matter under subsection (1) or (2) in the case of a respondent that is a group of persons, the court must consider the extent to which members of the group, as opposed to every member of the group, satisfy the matter.

29 Prescribed conditions of a public safety order

- (1) In making a public safety order for a respondent, the court may impose the conditions on the respondent that the court considers necessary having regard to the prescribed grounds for making the order.
- (2) Without limiting subsection (1), a condition may prohibit the respondent from doing or attempting to do any of the following while the order is in force—
- (a) entering or remaining in stated premises;
 - (b) attending or remaining at a stated event;
 - (c) entering or remaining in a stated area;
 - (d) doing a stated thing in a stated area.
- (3) Also, it is a condition of the order that the respondent must comply with every reasonable direction given by a police officer for the purposes of the order.
- (4) Without limiting subsection (3), the condition under the subsection is to be stated in the order.
- (5) The court may impose a condition on the order about the use by a police officer of the power under section 37.
- (6) A public safety order does not stop the respondent from entering the respondent's principal place of residence.
- (7) In this section—

respondent, if the respondent to the application was a group of persons, includes any 1 or more of those persons identified in any way in the order.

30 Peaceful Assembly Act 1992 unaffected
