Spelling

The spelling of certain words or phrases may be inconsistent in this reprint or with other reprints because of changes made in various editions of the Macquarie Dictionary (for example, in the dictionary, ‘lodgement’ has replaced ‘lodgment’). Variations of spelling will be updated in the next authorised reprint.

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, authorised (that is, hard copy) and unauthorised (that is, electronic), are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If an authorised reprint is dated earlier than an unauthorised version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of an authorised reprint is the same as the date shown for an unauthorised version previously published, it merely means that the unauthorised version was published before the authorised version. Also, any revised edition of the previously published unauthorised version will have the same date as that version.

Replacement reprint date If the date of an authorised reprint is the same as the date shown on another authorised reprint it means that one is the replacement of the other.

- (a) a description of the activity;
- (b) the date the activity is conducted;
- (c) the sites visited or used for conducting the activity;
- (d) if the permit states the activity is a people-based activity—the number of persons who took part in the activity;
- (e) if the permit states the activity is a vehicle-based activity—the number of vehicles used for the activity;
- (f) if camping is conducted under the permit—the number of persons camping under the permit.

Division 3 Requirements for giving information to chief executive

44 Purpose of div 3

- (a) the way in which and the times at which information about activities authorised and conducted under a

- (2) The person must ensure the information is—
 - (a) complete and accurate; and

- (b) legible; and
- (c) recorded in ink, unless the information is in electronic form.

Maximum penalty—20 penalty units.

Part 9 Fees payable under the Act

Division 1 Fees payable

48 Fees generally

- (1) The fees payable under the Act are stated in schedule 3.
- (2) To remove any doubt, it is declared that a fee payable under the Act is a debt due to the State.
- (3) A proceeding may be instituted against a person for the recovery of a fee, or part of a fee, payable under the Act whether or not—
 - (a) a prosecution has been instituted against the person for an offence in relation to the nonpayment; or
 - (b) the person has been convicted of an offence in relation to the nonpayment.

49 Reduced application fee for group activity permits and commercial activity permits and agreements if equivalent fee paid under another Act

- (1) This section applies to an application for a group activity permit, commercial activity permit or commercial activity agreement (a *RAM application*) if—
 - (a) the group activity or commercial activity for which the permit or agreement is sought is to be conducted in—
 - (i) a recreation area; and

[s 50]

- (ii) 1 or more of the following—
 - (A) a forest reserve that was, immediately before its dedication as a forest reserve, a State forest under the *Forestry Act 1959*;
 - (B) a protected area under the *Nature Conservation Act 1992*;
 - (C) a State forest under the *Forestry Act 1959*;
- and
- (b) the applicant has also made an application for an authority (however called) for conducting the activity in the forest reserve, protected area or State forest (a *related application*); and
- (c) the applicant has paid an application fee (however called) for the related application; and
- (d) the chief executive is satisfied the RAM application and related application can be considered together.

Example—

A person applies for a commercial activity permit for conducting a commercial tour that is to be conducted in the Fraser Island Recreation Area and Noosa National Park.

The day before the application was made, the person applied, under the *Nature Conservation Act 1992*, for a commercial activity permit for conducting the tour in Noosa National Park and the chief executive has not started considering that application under that Act.

- (2) The chief executive may waive all or part of the application fee payable under schedule 3 for the RAM application.
- (3) However, if the application fee payable for the RAM application is higher than the application fee paid for the related application, the chief executive can only waive an amount equivalent to the application fee paid for the related application.

50 Reduced permit fee for commercial activity permits if equivalent fee paid under another Act

- (1) This section applies if—

-
- (a) the chief executive waives all or part of the application fee payable for an application for a commercial activity permit under section 49; and
 - (b) the holder of the permit has paid a permit fee (however called) for the authority mentioned in section 49(1)(b) (the *equivalent authority*).
- (2) The chief executive must also waive—
- (a) if the permit fee paid for the equivalent authority is the same or higher than the permit fee stated in schedule 3 for the commercial activity permit—the permit fee for the commercial activity permit; or
 - (b) if the permit fee paid for the equivalent authority is lower than the permit fee stated in schedule 3 for the commercial activity permit—the amount of the permit fee, for the commercial activity permit, equivalent to the permit fee paid for the equivalent authority.

51 Reduced additional daily fee for group or commercial activity permit if equivalent fee paid under another Act

- (1) This section applies if—
- (a) the holder of a group activity permit or a commercial activity permit, other than for filming or photography, conducts a group activity or commercial activity under the permit in—
 - (i) the recreation area to which the permit applies; and
 - (ii) 1 or more of the following—
 - (A) a forest reserve that was, immediately before its dedication as a forest reserve, a State forest under the *Forestry Act 1959*;
 - (B) a protected area under the *Nature Conservation Act 1992*;
 - (C) a State forest under the *Forestry Act 1959*; and

[s 51]

- (b) the activity is conducted for the same clients in the recreation area and the forest reserve, protected area or State forest under an equivalent permit (however called); and
 - (c) the holder has paid a daily fee (however called) for conducting the activity under the equivalent permit.
- (2) The additional daily fee payable under the Act for conducting the activity under the group activity permit or commercial activity permit is the amount worked out by deducting the amount of the daily fee paid for conducting the activity under the equivalent permit from the additional daily fee stated in schedule 3 for the group activity permit or commercial activity permit.
- (3) To remove any doubt, it is declared that a deduction under subsection (2) may result in the additional daily fee payable under the Act being zero.

Example for subsection (3)—

The holder of a commercial activity permit conducts a commercial tour lasting 3 hours for 10 clients in Bribie Island Recreation Area and Glasshouse Mountains National Park. The holder has paid the applicable daily fee of \$26 (\$2.60 for each client) under the *Nature Conservation Act 1992* for conducting the tour in the national park under a commercial activity permit under that Act.

The \$26 that has been paid is deducted from the applicable additional daily fee of \$26 that would otherwise be payable under the Act for conducting the commercial tour in the recreation area under the commercial activity permit. The additional daily fee payable under the Act is therefore zero.

- (4) In this section—
- daily fee*** does not include a fee payable for camping overnight.

Division 2 Exemptions granted without application

52 Exemption for camping permit granted to particular persons

No fee is payable for a camping permit granted to a person who is in a recreation area to prepare a management plan under the *Aboriginal Land Act 1991*, or the *Torres Strait Islander Land Act 1991*, for a national park adjacent to the recreation area.

56 Deciding fee exemption application

The chief executive must consider each fee exemption application and either—

- (a) grant the exemption, with or without conditions; or
- (b) refuse the application.

57 Grant of exemption under fee exemption application

If the chief executive decides to grant the exemption to which a fee exemption application relates, the chief executive must give the applicant a written notice stating—

- (a) the permit to which it applies; and
- (b) if the chief executive has imposed any conditions on the exemption—
 - (i) the conditions; and
 - (ii) the reasons for the conditions.

Example of a condition that may be imposed—

An exemption from payment of a fee for a permit is granted on the condition that the activities conducted under the permit are conducted for a stated purpose that is consistent with the purpose of this Act, the *Marine Parks Act 2004* or the *Nature Conservation Act 1992*.

[s 58]

58 Refusal of exemption under fee exemption application

If the chief executive decides to refuse a fee exemption application, the chief executive must give the applicant a written notice stating—

- (a) the decision; and
- (b) the reasons for the decision.

59 Effect of grant of exemption under fee exemption application

- (1) This section applies if the chief executive has granted an exemption to which a fee exemption application relates.
- (2) The applicant is not required to pay the fee to which the exemption relates.
- (3) However, if the chief executive has imposed conditions on the exemption, subsection (2) applies only if the applicant complies with the conditions.

Division 4 Refund of fees

60 Refund of fees

- (1) This section applies if a permit has been—
 - (a) amended to an extent that the fee paid for the permit is higher than the fee that would be payable for the permit in its amended form; or
 - (b) amended or suspended under section 64 of the Act; or
 - (c) cancelled or suspended under section 65(1)(a) of the Act; or
 - (d) surrendered under section 66 of the Act.
- (2) The chief executive may refund all or part of a fee paid for the permit if the chief executive considers the refund is appropriate having regard to—

- (a) the nature of the amendment, suspension, cancellation or surrender; and
 - (b) any other relevant matter.
- (3) The chief executive may refund the fee in the way the chief executive considers appropriate.

Examples of ways chief executive may refund fee—

- by giving the person a cheque for the amount refunded
 - by deducting the amount refunded from another fee the person is required to pay under the Act
- (4) If a person applies to the chief executive for a refund under this section, the chief executive may deduct the refund processing fee from the amount refunded.
- (5) In this section—

refund processing fee, for an application for a refund, means the fee—

- (a) decided by the chief executive, being not more than the reasonable cost of—
 - (i) considering the application; and
