Information about this reprint

This regulation is reprinted as at 23 September 2011. The reprint—

- shows the law as amended by all amendments that commenced on or before that day (Reprints Act 1992 s 5(c))
- incorporates all necessary consequential amendments, whether of punctuation, numbering or another kind (Reprints Act 1992 s 5(d)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes. Also see list of legislation for any uncommenced amendments.

Minor editorial changes allowed under the provisions of the Reprints Act 1992 have also been made to use aspects of format and printing style consistent with current drafting practice (s 35).

This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A table of reprints is included in the endnotes.

Also see endnotes for information about—

- **when provisions commenced**
- **editorial changes made in earlier reprints.**

Spelling

The spelling of certain words or phrases may be inconsistent with other reprints because of changes made in various editions of the Macquarie Dictionary (for example, in the dictionary, ‘lodgement’ has replaced ‘lodgment’).

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, authorised (that is, hard copy) and unauthorised (that is, electronic), are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If an authorised reprint is dated earlier than an unauthorised version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of an authorised reprint is the same as the date shown for an unauthorised version previously published, it merely means that the unauthorised version was published before the authorised version. Also, any revised edition of the previously published unauthorised version will have the same date as that version.

Replacement reprint date If the date of an authorised reprint is the same as the date shown on another authorised reprint it means that one is the replacement of the other.

2 Definitions

The dictionary in schedule 11 defines particular words used in this regulation.

Part 2 Operator accreditation

Division 1 Preliminary

4 Purpose of pt 2

The purpose of this part is to provide for matters about operator accreditation for chapter 3 of the Act.

Note—

Section 11 of the Act sets out the purpose of operator accreditation.

[s 5]

Division 2 Provisions for applications and other matters

5 Application for grant or renewal of operator accreditation

- (1) A person may apply to the chief executive for the grant or renewal of operator accreditation.
- (2) The application must be in the approved form.
- (3) An application may be made jointly by 2 or more persons.

6 Deciding application

After receiving the application for the grant or renewal of operator accreditation, the chief executive must consider it and decide—

- (a) if the applicant complies with the requirements under the Act about granting or renewing operator accreditation—to grant or renew operator accreditation; or
- (b) if paragraph (a) does not apply but, under section 7, the chief executive may grant the person provisional operator accreditation—to grant provisional operator accreditation; or
- (c) otherwise—to refuse, under section 8, to grant or renew operator accreditation.

7 Provisional operator accreditation—Act, s 18

- (1) The chief executive may grant operator accreditation to the person on a provisional basis (a *provisional operator accreditation*)—
 - (a) if the person meets some but not all the standards applying to operator accreditation; or
 - (b) while—

- (i) if the person is an individual—the criminal history of the person is being checked; or
 - (ii) if the person is a member of a partnership—the criminal history of the person, or another member of the partnership, is being checked; or
 - (iii) if the person is a corporation—the criminal history of an executive officer of the corporation is being checked.
- (2) A grant under subsection (1)(a) may be subject to a condition about the person meeting all the standards applying to operator accreditation within a specified time.
- (3) If, before the end of the term stated in the provisional operator accreditation as its term, the chief executive is satisfied the applicant complies with the requirements under the Act about granting or renewing operator accreditation, the chief executive may grant operator accreditation to the person.

8 Refusal of operator accreditation—Act, s 17

- (1) The chief executive may refuse to grant operator accreditation to a person, or to renew a person's operator accreditation, if—
- (a) for an individual—the person has been convicted of a disqualifying offence or has been charged with a disqualifying offence and the charge has not been finally disposed of; or
 - (b) for a member of a partnership—the person, or another member of the partnership, has been convicted of a disqualifying offence or has been charged with a disqualifying offence and the charge has not been finally disposed of; or
 - (c) for a corporation—the person, or an executive officer of the corporation, has been convicted of a disqualifying offence or has been charged with a disqualifying offence and the charge has not been finally disposed of.

[s 9]

- (2) Also the chief executive may refuse to grant operator accreditation to a person, or to renew a person's operator accreditation, if—
- (a) the person does not comply with a standard applying to the operator accreditation; or
 - (b) an operator accreditation granted to the person has been cancelled or suspended; or
 - (c) the chief executive considers the person has behaved in a way that has damaged the reputation of public passenger services or accredited operators or otherwise is contrary to the encouragement of the high quality operation of public passenger services as mentioned in section 11 of the Act.

Example for paragraph (c)—

The accredited operator has been charged or convicted of an offence (other than a disqualifying offence). If the act or omission constituting the alleged offence or the offence placed at risk the safety of passengers, particularly children or other vulnerable members of the community or involved the person acting fraudulently, the chief executive may consider the person has behaved in a way that has damaged the reputation of public passenger services or accredited operators or otherwise is contrary to the encouragement of the high quality operation of public passenger services.

- (3) If the chief executive refuses to grant or to renew operator accreditation in relation to a person under this section (even if the chief executive grants the person provisional operator accreditation), the chief executive must give the person a regulation notice about the decision.

Note—

Schedule 2 of the Act provides a refusal to grant or renew operator accreditation is a reviewable decision.

9 Term of operator accreditation

- (1) An operator accreditation is for a term, stated in the operator accreditation, of not longer than 5 years.

-
- (2) An operator accreditation may be renewed for successive terms of not longer than 5 years.
 - (3) In this section—
operator accreditation includes provisional operator accreditation.

10 Renewal notices

- (1) This section applies if the chief executive does not send, or an accredited operator does not receive, a renewal notice for the person's operator accreditation.
- (2) The failure to send, or the non-receipt of the renewal notice, does not affect—
 - (a) the expiry of the operator accreditation; or
 - (b) the accredited operator's obligation to renew the operator accreditation before it expires.
- (3) In this section—
operator accreditation includes provisional operator accreditation.

11 Amendment, suspension and cancellation of operator accreditation—Act, s 20

- (1) The chief executive may amend, suspend or cancel a person's operator accreditation if—
 - (a) for an individual—the person is convicted of a disqualifying offence or does not comply with a standard applying to the operator accreditation; or
 - (b) for a member of a partnership—the person or another member of the partnership is convicted of a disqualifying offence or does not comply with a standard applying to the operator accreditation; or
 - (c) for a corporation—the person, or an executive officer of the person, is convicted of a disqualifying offence or

[s 11]

does not comply with a standard applying to the operator accreditation.

- (2) Also, the chief executive may suspend or cancel a person's operator accreditation if the chief executive considers the person has behaved in a way that has damaged the reputation of public passenger services or accredited operators or otherwise is contrary to the encouragement of the high quality operation of public passenger services as mentioned in section 11 of the Act.

Note—

See example for section 8(2)(c).

- (3) Before taking the action mentioned in subsection (1) (the ***proposed action***), the chief executive must give the person a written notice—
- (a) stating the proposed action; and
 - (b) stating the grounds for the proposed action; and
 - (c) outlining the facts and circumstances forming the basis for the grounds; and
 - (d) if the proposed action is amendment of the operator accreditation—stating the proposed amendment; and
 - (e) if the proposed action is suspension of the operator accreditation—stating the proposed suspension period; and
 - (f) inviting the person to show, within a stated time of at least 28 days, why the proposed action should not be taken.
- (4) If, after considering all written representations made within the stated time, the chief executive is satisfied a ground exists to take the proposed action, the chief executive may, by giving a regulation notice to the person—
- (a) if the proposed action was to amend the operator accreditation—
 - (i) amend the operator accreditation in the way stated in the regulation notice; or

-
- (ii) amend the operator accreditation in another way having regard to the representations; or
 - (b) if the proposed action was to suspend the operator accreditation—
 - (i) suspend the operator accreditation for no longer than the period stated in the regulation notice; or
 - (ii) amend the operator accreditation having regard to the representations; or
 - (c) if the proposed action was to cancel the operator accreditation—
 - (i) cancel the operator accreditation; or
 - (ii) suspend the operator accreditation for a period; or
 - (iii) amend the operator accreditation having regard to the representations.

Note—

Schedule 2 of the Act provides an amendment, suspension or cancellation of operator accreditation is a reviewable decision.
