# Information about this reprint

This Act is reprinted as at 17 February 2012. The reprint—

- shows the law as amended by all amendments that commenced on or before that day (Reprints Act 1992 s 5(c))
- incorporates all necessary consequential amendments, whether of punctuation, numbering or another kind (Reprints Act 1992 s 5(d)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes. Also see list of legislation for any uncommenced amendments.

Minor editorial changes allowed under the provisions of the Reprints Act 1992 mentioned in the following list have also been made to—

- use different spelling consistent with current drafting practice (s 26(2))
- reorder definitions consistent with current drafting practice (s 30)
- use aspects of format and printing style consistent with current drafting practice (s 35).

This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A table of reprints is included in the endnotes.

**Also see endnotes for information about—**

- **when provisions commenced**
- **editorial changes made in earlier reprints.**

## Spelling

The spelling of certain words or phrases may be inconsistent with other reprints because of changes made in various editions of the Macquarie Dictionary (for example, in the dictionary, ‘lodgement’ has replaced ‘lodgment’).

## Dates shown on reprints

**Reprints dated at last amendment** All reprints produced on or after 1 July 2002, authorised (that is, hard copy) and unauthorised (that is, electronic), are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If an authorised reprint is dated earlier than an unauthorised version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of an authorised reprint is the same as the date shown for an unauthorised version previously published, it merely means that the unauthorised version was published before the authorised version. Also, any revised edition of the previously published unauthorised version will have the same date as that version.

**Replacement reprint date** If the date of an authorised reprint is the same as the date shown on another authorised reprint it means that one is the replacement of the other.

- (4) However, a board can not have more than 3 councillor-members.

[s 34]

---

- (5) At least 3 of a board's members must be members (each an *independent member*) who are not councillor-members.

### **34 Councillor-members**

- (1) Unless the participation agreement provides otherwise, a board's councillor-members can not be—
- (a) appointed for a term of more than 4 years; or
  - (b) appointed or reappointed if, at any time, they have already served a term of 4 years or terms totalling 4 years.

*Example—*

A is a councillor-member appointed for a 4-year term. A ceases to be a councillor of the relevant council after 3 of those years. B, another councillor of the council, is appointed to replace A for the rest of that term. B is re-elected as a councillor of the council. The participation agreement does not provide for more than a 4-year term for councillor-members. Therefore, B can only be reappointed for 3 more years.

- (2) A councillor-member's appointment ends if—
- (a) the person stops being a councillor of the relevant council; or
  - (b) either—
    - (i) all participating local governments have, by resolution, so agreed; or
    - (ii) the ending happens under the participation agreement.
- (3) A vacancy under subsection (2) may be filled—
- (a) only by—
    - (i) a councillor of the relevant council; or
    - (ii) if the distributor-retailer's participation agreement provides for a councillor of a different relevant council to fill the vacancy—the other councillor; and

  - (a) by way of remuneration as the holder of that office; or
  - (b) in connection with retirement from or other ending of the office.
- (3) However, the councillor-member may receive a benefit conferred on the member under LGA 2009 or CBA 2010.
- (4) For applying CBA 2010 under subsection (3), the relevant provisions of those Acts apply as if a reference to a corporate entity of the relevant council included a reference to a distributor-retailer.

*Note—*

For LGA 2009, see the *Local Government (Operations) Regulation 2010*, section 43.

- (5) An independent member may receive from a distributor-retailer, and a distributor-retailer may confer on an

---

independent member, a benefit for the following only if it complies with the participation agreement—

- (a) remuneration as the holder of that office;
  - (b) a matter for, or in connection with, retirement from or other ending of the office.
- (6) A purported benefit conferred or received that can not be made under this section is of no effect.

### **36B Chairperson**

- (1) A distributor-retailer must have an independent member as its chairperson.

- (2) A question at a board meeting is decided by a majority of the votes of the members present when the question is decided.

- (4) A board may hold meetings or allow members to take part in its meetings by using any technology that reasonably allows members to hear and take part in discussions as they happen.

*Example of use of technology—*

teleconferencing

- (5) A member who takes part in a meeting under subsection (4) is taken to be present at the meeting.
- (6) A resolution is validly made by a board even if it is not passed at a board meeting, if—

#### **41 Minutes**

- (1) A board must keep minutes of its meetings.

  - (b) the interest could conflict with the proper performance of the member's duties about the consideration of the issue.
- (2) After the relevant facts come to the interested member's knowledge, the member must disclose the nature of the interest to a board meeting.
- (3) Unless the board otherwise directs, the interested member must not—
  - (a) be present when the board considers the issue; or
  - (b) take part in a decision of the board about the issue.

---

- (b) take part in making the decision about giving the direction.
- (6) If—
- (a) because of this section a board member is not present at a board meeting for considering or deciding an issue or for considering or deciding whether to give a direction under subsection (3); and
  - (b) there would be a quorum if the member were present; the remaining members present are a quorum of the board for considering or deciding the issue or for considering or deciding whether to give the direction at the meeting.
- (7) If there are no members who may remain present for considering or deciding an issue, the distributor-retailer's participants may, by each signing consent to a proposed resolution, consider and decide the issue.
- (8) A disclosure under subsection (2) must be recorded in the board's minutes.
- (9) To remove any doubt, it is declared that the fact that a relevant council has an interest in an issue does not, of itself, mean that the councillor-member for the council has an interest in the issue.

### **43            Approval required for profit distribution**

A distributor-retailer must not distribute any of its profits unless the distribution has been approved in the way provided for under its participation agreement.

*transferred asset* means an asset transferred under a transfer scheme or transfer notice without the transfer of land to which the asset is attached or a change in the trusteeship.

## **Subdivision 3      Infrastructure agreements**

### **77      Application of sdiv 3**

- (1) This subdivision applies if—
  - (a) a participating local government of a distributor-retailer is a party to an infrastructure agreement; and
  - (b) either of the following apply—
    - (i) a transition document transfers to the distributor-retailer water infrastructure subject to the infrastructure agreement;

[s 77A]

---

- (ii) the infrastructure agreement provides for water infrastructure in the distributor-retailer's geographic area.
- (2) This subdivision applies subject to any transition document relating to the distributor-retailer.
  - (3) If the infrastructure agreement relates to both the water infrastructure and another type of infrastructure, the agreement is a *bundled agreement*.

#### **77A Novation for unbundled agreements**

- (1) This section applies if the agreement relates only to the water infrastructure and not to any other type of infrastructure.
- (2) The distributor-retailer—
  - (a) is taken to be a party to the agreement instead of the local government; and
  - (b) assumes all of the local government's rights and liabilities under the agreement.
- (3) The agreement may be enforced by the distributor-retailer as if it were the local government.
- (4) The local government ceases to be bound by the agreement and is discharged from any further liability under it.

#### **77B Bundled agreements—terms relating solely to water aspects**

- (1) This section applies if—
  - (a) the agreement is a bundled agreement; and
  - (b) a term of the agreement solely relates to either or both of the following (each a *water aspect*)—
    - (i) the water infrastructure;
    - (ii) the carrying out of water infrastructure work.

- 
- (2) The distributor-retailer assumes the following under the term—
    - (a) the local government's rights against another party to the agreement (each an *assumed right*);
    - (b) the local government's liabilities to another party to the agreement (each an *assumed liability*).
  - (3) An assumed right—
    - (a) may be discharged only by the discharging of it to the distributor-retailer; and
    - (b) may only be enforced by the distributor-retailer.
  - (4) An assumed liability—
    - (a) may be discharged only by the discharging of it by the distributor-retailer; and
    - (b) may be enforced only against the distributor-retailer.

### **77C Bundled agreement—mixed rights**

- (1) This section applies if—
  - (a) the agreement is a bundled agreement; and
  - (b) a term of the agreement gives a right to the local government; and
  - (c) the right relates, or may relate, to—
    - (i) a water aspect; and
    - (ii) another matter.
- (2) The right may be discharged only by the discharging of it to the local government.

*Example—*

The term requires another party to the agreement to give the local government security for the general performance of that party's liabilities under the agreement. The term does not provide for any particular amount for water aspects. The security must be given to the local government.

[s 77D]

---

- (3) Only the local government may enforce the right.

*Example—*

The term requires another party to the agreement to construct infrastructure to a particular standard. The standard is capable of applying to the water infrastructure and to other types of infrastructure. Only the local government may enforce the requirement.

- (4) However, the local government must, at the distributor-retailer's request, enforce the right to the extent it relates to water aspects.
- (5) For any enforcement by the local government under subsection (3), any cost, damage or loss of the distributor-retailer relating to water aspects is taken to be a cost, damage or loss of the local government.

#### **77D Bundled agreement—mixed liabilities**

- (1) This section applies if—
- (a) the agreement is a bundled agreement; and
  - (b) a term of the agreement imposes a liability on the local government; and
  - (c) the liability relates, or may relate, to—
    - (i) a water aspect; and
    - (ii) another matter.
- (2) The liability—
- (a) may be discharged only by the discharging of it by the local government; and
  - (b) may be enforced only against the local government.
- (3) For the enforcement of a liability against the local government under subsection (2), any interest or right of the distributor-retailer relating to water assets is taken to be an interest or right of the local government.

---

## **77E Negotiation about mixed rights and liabilities**

- (1) The local government and the distributor-retailer (each a *negotiation party*) must negotiate in good faith about the extent to which each of them are to share the following—
  - (a) rights to which section 77C applies;
  - (b) liabilities to which section 77D applies;
  - (c) costs incurred because of enforcement mentioned in section 77C;
  - (d) any costs, damage, liability or loss the local government incurs because of section 77D(2).
- (2) If, after the negotiation, the negotiation parties are in dispute about a matter mentioned in subsection (1), either negotiation party may refer the dispute to the Minister.
- (3) The Minister may resolve the dispute in any way the Minister considers appropriate that affords natural justice to the negotiation parties.
- (4) The Minister's decision on the resolution of the dispute binds the negotiation parties.
- (5) The Minister may delegate the Minister's functions under subsection (3) to an appropriately qualified public service officer.

## **77F Other necessary changes to be made for transition**

- (1) This section applies subject to the other provisions of this subdivision.
- (2) References in the agreement to the local government are taken to be changed to reflect any necessary changes for the transition from the local government to the distributor-retailer.

## **77G Other party's rights and liabilities not affected**

To remove any doubt, it is declared that this subdivision does not create any greater right for, or impose any greater liability

[s 77H]

---

on, a party to the agreement other than the local government or the distributor-retailer.

*Note—*

See also section 68 (Effect on legal relationships).

### **77H Provision for things done under agreement before the transfer**

The transfer of the water infrastructure under the transition document does not affect the validity of any of the following done before the transfer—

- (a) an infrastructure charge or cost levied by the local government under the Planning Act, chapter 8, part 1 or the repealed *Integrated Planning Act 1997 (repealed IPA)*, chapter 5, part 1;
- (b) a condition imposed by the local government under the Planning Act, chapter 8, part 1 or section 848 or repealed IPA, chapter 5, part 1 or section 6.1.31;
- (c) any other decision, charge, condition, contribution or agreement made, levied or imposed by the local government under the Planning Act or repealed IPA.

## **Subdivision 3A Other matters under Acts about planning**

### **77I Application of sdiv 3A**

- (1) This subdivision applies for a relevant action by a participating local government of a distributor-retailer if—
  - (a) under the relevant action a liability to the local government has accrued to it, or may at any time accrue to it; and
  - (b) all or part of the liability is for—

- 
- (i) water infrastructure constructed or to be constructed in the distributor-retailer's geographic area; or
  - (ii) a charge for the provision of water services or wastewater services.
- (2) This subdivision applies subject to any transition document relating to the distributor-retailer.
- (3) In this section—
- relevant action*** means any of the following—
- (a) a compliance permit, development approval, decision, charge, condition or contribution under the Planning Act decided, made, levied or imposed before 1 July 2010;
  - (b) a development approval under the Planning Act decided after 1 July 2010 if the relevant development application was made before 1 July 2010;
  - (c) a compliance permit under the Planning Act decided after 1 July 2010, if the relevant request for compliance assessment under that Act was made before 1 July 2010;
  - (d) an approval of a plan under the repealed *Integrated Planning Act 1997*, chapter 3, part 7, as continued in force under the Planning Act, section 815.

### **77J Transfer of liability in particular circumstance**

If all of the liability is for water infrastructure or for the charge for water services or wastewater services, the liability is taken to be a liability to the distributor-retailer instead of the local government.

### **77K Provisions for sharing benefit of liability not solely for water infrastructure**

- (1) This section applies if—
- (a) the liability is for the water infrastructure; and

[s 77L]

---

- (b) under the relevant action there is also a liability for infrastructure other than water infrastructure; and
  - (c) the terms of the relevant action do not attribute a specific part of the liability to the water infrastructure.
- (2) The local government and the distributor-retailer (each a *negotiation party*) must negotiate in good faith about the extent to which each of them is to share the benefit of the liability.
  - (3) If, after the negotiation, the negotiation parties are in dispute about how to share the liability, either negotiation party may refer the dispute to the Minister.
  - (4) The Minister may resolve the dispute in any way the Minister considers appropriate that affords natural justice to the negotiation parties.
  - (5) The Minister's decision on the resolution of the dispute binds the negotiation parties.
  - (6) The Minister may delegate the Minister's functions under this section to an appropriately qualified public service officer.

### **77L Changes in references under relevant action**

- (1) A reference in the relevant action to the carrying out of water infrastructure work by the local government is taken to be a reference to the distributor-retailer carrying out the work.
- (2) A reference in the relevant action to the person who bears the liability to do something relating to the local government concerning the water infrastructure is taken to be a reference to the person doing that thing relating to the distributor-retailer.
- (3) Other references in the relevant action to the local government are taken to be changed to reflect any necessary changes for the transition from the local government to the distributor-retailer.

---

## Subdivision 4 Reconfigurations

### 78 Reconfiguring a lot after transfer scheme or notice takes effect

- (1) This section applies if a transition document transfers or requires the transfer from a local government to a distributor-retailer of—
  - (a) part of a lot, as described in a plan of subdivision for reconfiguring the lot, on which a transferred asset is situated; or
  - (b) part of a lot that is transferred land as described in a plan of subdivision for reconfiguring the lot; or
  - (c) part of a lot that is adjacent to transferred land as described in a plan of subdivision for reconfiguring the lot.
- (2) The distributor-retailer may lodge in the land registry under the Land Title Act the plan of subdivision for reconfiguring the lot to give effect to the transfer or requirement.
- (3) The following do not apply to the reconfiguring of the lot—
  - (a) *Sustainable Planning Act 2009*;
  - (b) a State planning regulatory provision.
- (4) Despite the Land Title Act, section 50 the plan of subdivision for reconfiguring the lot does not require the agreement, approval or consent of any entity.
- (5) In this section—

**reconfiguring a lot** see the *Sustainable Planning Act 2009*, section 10(1).

**State planning regulatory provision** see the *Sustainable Planning Act 2009*, schedule 3.

## **Subdivision 5      Planning schemes and declared master planned areas**

### **78A      Application of planning schemes for development in SEQ region**

- (1) This section applies if under a regulation made under section 102(2)(f) a stated provision of a stated planning scheme is declared not to have effect for the assessment of a development application for development in the SEQ region.
- (2) Despite the Planning Act, for the assessment of the development application under that Act the stated provision has no effect.

### **78B      Distributor-retailer is participating agency**

- (1) This section applies for a declared master planned area that—
  - (a) is in the SEQ region; and
  - (b) immediately before 1 July 2010, is identified in a master planned area declaration under the Planning Act.
- (2) The distributor-retailer for the geographic area in which the declared master planned area is located is, on 1 July 2010, taken to be a participating agency for the structure plan for the declared master planned area.
- (3) The distributor-retailer's jurisdiction as a participating agency under IDAS for the structure plan is the effects of development on a water service or wastewater service of a distributor-retailer.
- (4) The distributor-retailer may be identified in the structure plan as a participating agency for a master plan application for a master plan required to be assessed by the State.

- 
- (5) For assessing a master plan application, the Planning Act, section 173 applies as if section 173(1)(b) included a reference to the following—

## Part 4 Workforce provisions

### Division 1 Staff support framework

#### 79 Staff support framework

- (1) The industrial relations Minister may approve a framework (a *staff support framework*) directed at ensuring—

[s 79]

---

- (a) the proper transition of employees transferred under a transfer scheme or transfer notice to a distributor-retailer; and
  - (b) the appropriate and fair treatment of other employees affected by the transition to a distributor-retailer from its participating local governments.
- (2) As soon as practicable after the approval of a staff support framework, the Minister administering this Act (the *Act Minister*) must—
- (a) notify the making of the approval; and
  - (b) give a copy of the framework to each affected entity; and
  - (c) publish a copy of the framework in the way the Act Minister considers appropriate.

*Example—*

The Act Minister may publish the framework on the department's website.

- (3) The notice made under subsection (2)(a) (the *approval notice*) is subordinate legislation.
- (4) When the approval notice is gazetted, the staff support framework is taken to have had effect from the date the framework states that it commences (the *date of effect*).
- (5) The approval notice must state the date of effect.
- (6) Subsection (4) applies despite the *Statutory Instruments Act 1992*, section 34.
- (7) It is the responsibility of the affected entity to ensure, to the extent the staff support framework applies to the entity, that the entity acts in conformity with the framework.

## **Division 2 Preservation of rights of employees**

### **81 Application of div 2**

This division applies to the transfer of an employee of a local government (the *former employer*) to a distributor-retailer (the *new employer*) under a transition document.

### **82 Continuity of employment**

- (1) The transfer does not—
  - (a) interrupt continuity of service, except that the employee is not entitled to claim the benefit of a right or entitlement more than once for the same period of service; or
  - (b) constitute a termination of employment by the former employer or a retrenchment or redundancy; or
  - (c) entitle the employee to a payment or other benefit because he or she is no longer employed by the former employer; or

[s 83]

---

- (d) require the former employer to make any payment for the employee's accrued rights to recreation, sick, long service or other leave irrespective of any arrangement between the former employer and the employee.
- (2) The transfer has effect despite any other law, contract or other instrument.

### **83 Preservation of rights of transferred employees during transitional period**

- (1) This section applies, subject to a staff support framework, for the period (the *transitional period*) from an employee's transfer to the new employer until whichever of the following happens first—
  - (a) the employee becomes covered by a new agreement made under IRA that provides that it replaces some or all of the transferred conditions;
  - (b) if the employee's transferred conditions are not derived from a prescribed industrial instrument—a new contract of employment is agreed between the new employer and the employee that provides that it replaces the transferred conditions.
- (2) Subject to subsection (3), the employee's terms and conditions of employment during the transitional period—
  - (a) are the same terms and conditions (the *transferred conditions*) as applied to the employee immediately before the transfer; and
  - (b) are not decided by reference to any other law or instrument about minimum terms and conditions of employment.
- (3) During the transitional period—
  - (a) if the employee has transferred conditions derived from any of the following, the employee may enforce the transferred conditions as if they were derived from an industrial instrument under IRA—

  - (vi) the Queensland minimum wage under IRA; and
- (b) if the employee has transferred conditions derived from a prescribed industrial instrument—
- (i) the employee is taken to be employed by the new employer under an industrial instrument for IRA, chapter 3; and
  - (ii) the transferred conditions are taken to include any dispute resolution clause that, under any relevant transfer scheme or transfer notice, applies to the new employer and the employee during the period.
- (4) The dispute resolution clause applies to the exclusion of any other provision about dispute resolution that would otherwise apply under the transferred conditions.
- (5) In this section—

## **86 Entry to and use of land and structures by asset owner**

- (1) This section applies for the following places—
  - (a) the land to which an asset is attached (the *relevant land*);
  - (b) any other land owned or occupied by the landowner that forms a contiguous parcel of land with the relevant land;
  - (c) any structure on the relevant land.
- (2) An employee or agent of the asset owner may enter the place at all reasonable times if the entry is—
  - (a) necessary to do something relating to the asset for the performance of the asset owner's functions as a distributor-retailer; or
  - (b) necessary for the continued use of the asset in a way it was lawfully used before the transfer.

*Examples of things for which entry may be necessary—*

- carrying facilities into, through, across or under the land
  - performing work on the land
  - inspecting, operating, changing, maintaining, removing, repairing or replacing the asset
- (3) Also, the asset owner may allow other persons to enter the place at the times stated and as otherwise provided for in the transfer scheme or transfer notice.
  - (4) This section does not apply to the entry of a structure or the

[s 87]

---

part of a structure used for residential purposes.

- (5) To remove any doubt, it is declared that this section does not limit the making of other agreements between the asset owner and landowner about entry to or use of the place.

## **87 Compensation to landowner for entry and use**

If the landowner incurs loss or damage because of the asset owner's exercise of a power under section 86, the landowner is entitled to be paid compensation by the asset owner—

- (a) as worked out under the transfer scheme or transfer notice; or
- (b) as otherwise agreed between them.

## **88 Landowner's obligations for asset**

The landowner can not, without the asset owner's written consent—

Maximum penalty—50 penalty units.

## **89 Registration of information about asset**

- (1) The asset owner may give a written request to the registrar to record the following information—
- (a) that this part applies to the land to which the asset is attached;

- 
- (b) a description of the asset;
  - (c) the name of the asset owner.
- (2) On receiving the request, the registrar must make a record in a way that a search of a relevant register kept by the registrar under the Land Act or the Land Title Act will show the information.
- (3) On written request from the asset owner, the registrar must cancel the record.

## Part 6 Provisions for easements

### 90 Application of pt 6

- (1) This part applies if—
- (a) a participating local government for a distributor-retailer is the grantee under an easement; and

- (2) In this section—
- easement* includes a public utility easement under the Land Act or the Land Title Act.

### 91 Rights, liabilities and obligations under easement

- (1) To the extent the easement relates to the purposes, the distributor-retailer—
- (a) may exercise the same rights as the local government; and
  - (b) is subject to the same liabilities and obligations as the local government.
- (2) However, the rights may be exercised only for the

[s 92]

---

construction, installation, repair, replacement or removal of infrastructure relating to the purposes.

- (3) This section does not remove or otherwise affect the local government's rights, liabilities and obligations under the easement.
- (4) The distributor-retailer and the local government may make an agreement about the joint use of the easement.

## **92 Registration of information about easement**

- (1) The local government or the distributor-retailer may give a written request to the registrar to record the following information—

- (2) On receiving the request, the registrar must make a record in a way that a search of a relevant register kept by the registrar under the Land Act or the Land Title Act will show the information.
- (3) On written request from the local government or the distributor-retailer, the registrar must cancel the record.

## Chapter 3A Replacement of Allconnex by councils

### Part 1 Preliminary

#### 92AA Application of ch 3A

This chapter applies, and anything done under it takes effect, despite any other provision of this Act or another law, a transfer document, a participation agreement or a contract or other instrument.

#### 92AB What is *Allconnex*

*Allconnex* is the Southern SEQ Distributor-Retailer Authority.

#### 92AC What is a *withdrawn council*

A *withdrawn council* is—

- (a) the Gold Coast City Council; or
- (b) the Logan City Council; or
- (c) the Redland City Council.

*Note*—

The withdrawn councils are Allconnex's participating local governments.

#### 92AD What is Allconnex's *successor*

- (1) Allconnex's *successor* is—
  - (a) for a provision about a customer—the withdrawn council in whose local government area the customer received, or wanted to receive, services from Allconnex

[s 92AD]

---

of a type mentioned in the Water Supply Act, schedule 3, definition *customer*; or

- (b) for a provision about an asset, liability or matter that, under a retransfer document or part 4, division 2, is transferred to a withdrawn council—that council; or
- (c) for an infrastructure agreement that provides for water infrastructure for a withdrawn council’s local government area—that council; or
- (d) for a provision about a matter not provided for under paragraphs (a) to (c)—the geographically-connected withdrawn council.

*Example for paragraph (d)—*

Under this chapter, water infrastructure is transferred to a withdrawn council. That council is Allconnex’s successor for a provision about a trade waste approval by it authorising discharge into the infrastructure.

- (2) If a matter is located in, or relates to, more than 1 withdrawn council’s local government area, each of them is a **successor** of Allconnex.
- (3) If, under this chapter, the withdrawn councils are stated to be Allconnex’s **proportional joint successor** for a matter, all of them are its joint successor, rateably in accordance with their participation rights under Allconnex’s participation agreement immediately before the retransfer.
- (4) In this section—  
**liability** does not include a matter that is, or may be, the subject of a dispute referral under the EWO Act or a liability under an order under that Act.

**matter** includes—

- (a) an authority, application, document, proceeding and water infrastructure; and
- (b) a relevant action under section 77I(3), definition *relevant action*; and
- (c) an Allconnex infrastructure funding matter.

---

## **Part 2                      General provisions for retransfer to withdrawn councils on 1 July 2012**

### **Division 1                Preliminary**

#### **92AE Application of pt 2**

This part applies from the end of 30 June 2012.

### **Division 2                General service provider provisions**

#### **92AF Allconnex ceases to be service provider**

Allconnex ceases to be a service provider.

#### **92AG Withdrawn councils become service providers**

- (1) Each withdrawn council becomes a service provider for its local government area.
- (2) The Water Supply Act, section 20 does not apply to a withdrawn council.
- (3) A withdrawn council continues to be a service provider, subject to the Water Supply Act.
- (4) A withdrawn council must, as soon as practicable, give the regulator the information mentioned in the Water Supply Act, section 12 about the council as a service provider.

#### **92AH No notice to regulator required**

The Water Supply Act, sections 24 and 25 do not apply for Allconnex's cessation as, or the withdrawn councils becoming, a service provider.

[s 92AI]

---

### **92AI Withdrawn council's initial service area**

- (1) A withdrawn council's service area is that part of its local government area (the *new area*) that was in Allconnex's service area at the end of 30 June 2012.
- (2) This section—
  - (a) does not prevent the Water Supply Act, chapter 2, part 5, division 2 from applying to the new area; but
  - (b) is subject to section 92DB.

### **92AJ Creation of commercial business units for withdrawn councils**

- (1) For LGA 2009, each withdrawn council is taken to have decided by resolution to do the following—
  - (a) commercialise a significant business for the services it provides as a water service provider (its *WSP business*);
  - (b) create a commercial business unit for its WSP business.
- (2) Until a withdrawn council decides otherwise, the name of its WSP business is the name of its commercial business unit for the services under the repealed *Local Government Act 1993* immediately before 1 July 2010.
- (3) If a withdrawn council's WSP business proposes to develop significant water infrastructure, the council must consult with any other withdrawn council or distributor-retailer whose local government area or geographic area adjoins the council's local government area.
- (4) To remove any doubt, it is declared that this section does not limit or otherwise affect a withdrawn council's capacity under LGA 2009 to create a corporate entity to acquire and conduct its WSP business.

---

### **92AK Migration of customers**

A person who, at the end of 30 June 2012, is a customer of Allconnex as a service provider becomes a customer of its successor, as a service provider on 1 July 2012.

### **92AL Migration of appointments and delegations**

- (1) This section applies to a person who, at the end of 30 June 2012, holds an appointment or delegation from Allconnex about a matter.
- (2) On 1 July 2012, the person is taken to hold the appointment or delegation from Allconnex's successor for the matter.
- (3) Subsection (2) does not affect the successor's power to end or change the appointment or delegation.

## **Division 3                      Transfer of Allconnex's trade waste and seepage water functions under Water Supply Act**

### **92AM Application of particular provisions of ch 2C**

- (1) The following provisions of chapter 2C, and any definitions relevant to them, apply for a withdrawn council, with the changes mentioned in subsection (2)—
  - section 53CL(c)
  - section 53CN
  - section 53DA
  - part 2, division 7
  - part 3.
- (2) The provisions apply—
  - (a) as if a reference in them to a discharge officer were a reference to a local government worker, under LGA

[s 92AN]

---

2009, of the withdrawn council authorised by it to perform functions mentioned in section 53CL; and

- (b) as if a reference to a distributor-retailer included a reference to the withdrawn council; and
- (c) with other necessary changes.

#### **92AN Other functions not affected**

To remove any doubt, it is declared that this division does not limit or otherwise affect the withdrawn council's or the local government worker's functions under LGA 2009.

### **Division 4 Allconnex's status, functions and board**

#### **92AO Legal status unaffected until dissolution**

To remove any doubt, it is declared that, until Allconnex is dissolved, nothing in this chapter—

#### 92AY Requirement to give statement to Minister

- (1) This section applies to the parties to the retransfer when they enter into the retransfer scheme.
- (2) The parties must give the Minister a statement (the *certification statement*) certifying all of the assets, liabilities and instruments that the withdrawn councils are to receive under the scheme.
- (3) The statement must also comply with section 92AZ.

#### 92AZ Content requirements

  - (a) that the parties to the retransfer (the *retransfer parties*) have identified—
    - (i) all of Allconnex's assets, liabilities and instruments; and

- (d) that the retransfer parties have given public notice to third parties about how they may obtain information (other than private or confidential information concerning others) about the scheme;
- (e) that the retransfer parties have, since the giving of the public notice, made information mentioned in paragraph (d) available to third parties who have asked for it;
- (f) that the statement is, after making all due enquiries, correct to the knowledge, information and belief of each individual signing it.

- 
- (2) For subsection (1)(b)(iv)(A), the fact of a transfer to a withdrawn council, is not, of itself, a material prejudice to a third party.

  - (4) The certification statement must not contain private or confidential information concerning others.

- (3) However, the notice must not state where the information may be obtained if the Minister considers that there is a need to protect confidentiality or privacy relating to the information.
- (4) The withdrawn councils must, as soon as practicable after the gazettal, publish on each of their websites the information stated in the gazette notice and keep it so published for at least 1 year.

- (a) signed by the Minister; and
  - (b) kept available for inspection at a place stated in the retransfer notice by the persons to whom the matter relates.

- (b) the customer’s charge rate for water consumption or wastewater disposal based on variable measures for 2011–12 Allconnex services, as applied to the customer’s water consumption or wastewater disposal in the 2012–13 financial year.

*2011–12 RS* means the amount of any rebate or subsidy for 2011–12 Allconnex services provided by the withdrawn council.

*2012–13 I* means the CPI increase for the 2012–13 financial year worked out under the formula in subsection (2).

*2012–13 BW* means the bulk water component of the charge for 2012–13 withdrawn council services.

- (2) For subsection (1), the formula for the CPI increase is—

$$2012-13 \text{ I} = (2011-12 \text{ BC} - 2011-12 \text{ RS}) \times \text{CPI}$$

- (3) For subsection (2)—

- (a) *CPI* means the CPI figure from the Capital Cities Comparison in the publication ‘Consumer Price Index, Australia’, Cat no. 6401.0, for Brisbane relating to the

[s 92DX]

---

annual period from one March quarter to the next March quarter published by the Australian Bureau of Statistics immediately before the start of the 2012–13 financial year; and

- (b) other variable symbols have the same meaning as under subsection (1).
- (4) To remove any doubt, it is declared that the 2011–12 base component does not include the bulk water component of the charge for 2011–12 Allconnex services.
- (5) This section applies subject to division 3.

### **92DX Cap not affected by rebate or subsidy change**

To remove any doubt, it is declared that the cap under this division is not affected by a change in the withdrawn council's rebate or subsidy for the 2012–13 financial year.

## **Division 3 Provisions for no or partial base year**

### **92DY Application of div 3**

This division applies if—

- (a) the 2012–13 withdrawn council services are not being provided by the withdrawn council at the start of the 2012–13 financial year, but are provided by it during that year; or
- (b) the relevant services were not provided by Allconnex to the charged premises during all of the 2011–12 financial year or were provided for only part of that year.

### **92DZ Notional base component required for working out cap**

For division 2, the withdrawn council must work out the cap as if—

- (a) the distributor-retailer capping provisions had applied to the 2011–12 financial year for the customer during all of that year; and
- (b) the 2011–12 Allconnex services were provided to the customer for all of the 2011–12 financial year.

**92EA Criteria if no base year**

- (1) This section applies if—
  - (a) this division started to apply to the capped charge for the customer at the start of the 2012–13 financial year; or
  - (b) the 2011–12 Allconnex services were not provided to the charged premises during any of the 2011–12 financial year.
- (2) In working out the cap under section 92DZ, the withdrawn council must consider charges for 2011–12 Allconnex services to similar customers for premises similar to the charged premises.

**92EB Criteria if partial base year**

- (1) This section applies if—
  - (a) the distributor-retailer capping provisions started to apply to a capped charge under those provisions for the customer after the start of, but during, the 2011–12 financial year; or
  - (b) 2011–12 Allconnex services were provided to the charged premises for only part of the 2011–12 financial year.
- (2) In working out the cap under section 92DZ, the withdrawn council must consider charges for 2011–12 Allconnex services actually imposed.

## Part 8 Workforce provisions

### Division 1 Support framework for retransfer

#### 92EC Ministerial approval of framework

- (1) The Minister administering this Act may, by notice, approve a framework (the *retransfer staff support framework*)—
  - (a) directed at ensuring—
    - (i) the proper transition of Allconnex’s employees transferred under a retransfer document; and
    - (ii) the appropriate and fair treatment of employees of the withdrawn councils affected by the transition; and
  - (b) to replace the staff support framework to the extent it applies to Allconnex and the withdrawn councils.
- (2) However, before making the retransfer staff support framework, the Minister must seek and consider the views of the Minister administering the IR Act about it.
- (3) The notice is subordinate legislation.

#### 92ED When framework commences

- (1) The retransfer staff support framework must state a day (the *day of effect*) it is to take effect.
- (2) The day of effect may be any day before or after this section commences.
- (3) On gazettal of the notice approving the framework, it is taken to have effect, and to have always had effect, from the day of effect.
- (4) Subsection (3) applies despite the *Statutory Instruments Act 1992*, section 34.
- (5) In this section—

---

*gazettal* means notification under the *Statutory Instruments Act 1992*, section 47.

### **92EE Effect on staff support framework**

- (1) This section applies when the retransfer staff support framework commences (the *start day*).
- (2) The staff support framework ceases to apply for Allconnex's employees and the withdrawn councils.
- (3) However, subsection (2) does not invalidate or otherwise affect anything done under the staff support framework before the start day.
- (4) To remove any doubt, it is declared that nothing in this part affects the staff support framework continuing to apply for an employee of another distributor-retailer.

### **92EF Publication of framework**

- (1) As soon as practicable after the retransfer staff support framework is approved, the Minister must—
  - (a) give a copy of it to—
    - (i) Allconnex; and
    - (ii) each withdrawn council; and
    - (iii) any industrial organisation representing the employees of Allconnex or the withdrawn councils; and
  - (b) ensure a copy is published on the commission's website.
- (2) A failure to comply with subsection (1) does not invalidate or otherwise affect the retransfer staff support framework.

### **92EG Obligation to comply with framework**

- (1) Allconnex, each withdrawn council and each organisation mentioned in section 92EF(1)(a)(iii) must comply with the

[s 92EH]

---

retransfer staff support framework to the extent the framework applies to it.

- (2) A contravention of subsection (1) does not, of itself, create a legally enforceable right of anyone else.

*Note—*

See however section 92BD(2)(d).

## **92EH Framework prevails over retransfer scheme or notice**

If a provision of the retransfer staff support framework is inconsistent with a provision of a retransfer scheme or retransfer notice, the provision of the framework prevails to the extent of the inconsistency.

## **Division 2 Preservation of employee rights**

### **Subdivision 1 Preliminary**

#### **92EI Application of div 2**

This division applies to the transfer of an employee of Allconnex to a withdrawn council under a retransfer document.

### **Subdivision 2 General provisions**

#### **92EJ Transfer has effect despite other laws and instruments**

The transfer has effect despite any other law, contract or other instrument.

#### **92EK Continuity of employment**

- (1) The transfer does not—

- 
- (a) interrupt continuity of service; or
  - (b) constitute a termination of employment by Allconnex or a retrenchment or redundancy; or
  - (c) entitle the employee to a payment or other benefit because the employee is no longer employed by Allconnex; or
  - (d) of itself, require Allconnex to make any payment for the employee's accrued rights to recreation, sick, long service or other leave that did not otherwise have to be paid.
- (2) To remove any doubt, it is declared that—
- (a) subsection (1)(a) does not mean the employee may claim the benefit of a right or entitlement more than once for the same period of service; and
  - (b) subsection (1)(d) applies irrespective of any arrangement between Allconnex and the employee.

### **Subdivision 3      Preservation of employees' rights during retransfer period**

#### **92EL    What is the *retransfer period* and *existing conditions***

The *retransfer period* is the period from the employee's transfer to the withdrawn council until whichever of the following happens first—

- (a) the employee becomes covered by a new certified agreement under the IR Act replacing some or all of the employee's conditions applying immediately before the transfer (the *existing conditions*);
- (b) if the existing conditions are not under a designated industrial instrument—
  - (i) a new contract of employment is agreed between the withdrawn council and the employee; and

[s 92EM]

---

- (ii) the contract replaces the existing conditions.

### **92EM What is a *designated industrial instrument***

In this subdivision, a *designated industrial instrument* is any of the following—

- (a) an industrial instrument under the IR Act, including, for example, a substitute State instrument under the IR Act, chapter 20, part 7;
- (b) a continuing schedule 6 instrument under the *Fair Work (Transitional Provisions and Consequential Amendments) Act 2009* (Cwlth);
- (c) a fair work instrument under the *Fair Work Act 2009* (Cwlth);
- (d) an agreement-based transitional instrument under the *Fair Work (Transitional Provisions and Consequential Amendments) Act 2009* (Cwlth);
- (e) the following award-based transitional instruments under the *Fair Work (Transitional Provisions and Consequential Amendments) Act 2009* (Cwlth)—
  - (i) a notional agreement preserving State awards derived from a State award;
  - (ii) an award;
- (f) the Queensland Local Government Officers' Award 1998.

### **92EN Preservation of rights**

- (1) During the retransfer period, the employee's conditions—
  - (a) are the existing conditions; and
  - (b) are not decided by reference to any other law or instrument about minimum employment conditions.

- 
- (2) Subsection (1) applies subject to the retransfer staff support framework and section 92EO.

### **92EO Provisions for existing conditions**

- (1) The employee may enforce existing conditions under any of the following as if they were under an industrial instrument under the IR Act—
- (a) a designated industrial instrument;
  - (b) a notional agreement preserving State awards derived only from a State law;
  - (c) a transitional minimum wage instrument or transitional national minimum wage order under the *Fair Work (Transitional Provisions and Consequential Amendments) Act 2009* (Cwlth);
  - (d) a national minimum wage order under the *Fair Work Act 2009* (Cwlth);
  - (e) the NES;
  - (f) the Queensland minimum wage under the IR Act.
- (2) If the employee has existing conditions under a designated industrial instrument—
- (a) the employee is taken to be employed by the withdrawn council under an industrial instrument for the IR Act, chapter 3; and
  - (b) the existing conditions are taken to include any dispute resolution clause that, under any retransfer scheme or a retransfer notice, applies to the withdrawn council and the employee during the retransfer period.
- (3) The dispute resolution clause applies instead of any other provision about dispute resolution that would otherwise apply under the existing conditions.
- (4) In this section—

[s 92EP]

---

*NES* means the National Employment Standards under the *Fair Work Act 2009* (Cwlth).

*notional agreement preserving State awards* means the notional agreement preserving State awards mentioned in the *Fair Work (Transitional Provisions and Consequential Amendments) Act 2009* (Cwlth).

### 92EP Declaratory provision for industrial instruments

To remove any doubt, it is declared that this subdivision does not prevent a designated industrial instrument from—

- (a) applying to the employee; and
- (b) continuing to apply to the employee after the retransfer period ends.

## Part 9 Dissolution of Allconnex

### 92EQ Fixing dissolution day

- (1) This section applies when the Minister is of the opinion that on a particular day—
  - (a) the retransfer has been, or will be, completed; and
  - (b) Allconnex's existence is or will no longer be needed for any purpose.
- (2) The Minister may, by gazette notice, fix a day for Allconnex's dissolution (*Allconnex's dissolution day*).

### 92ER Dissolution

On Allconnex's dissolution day—

- (a) Allconnex ceases to exist; and

- (b) all of Allconnex's board members go out of office and any contract relating to their appointment ends; and
- (c) Allconnex's chief executive officer goes out of office as its chief executive.

### **92ES Other provisions for dissolution**

- (1) No amount, whether by way of compensation, reimbursement or otherwise, is payable by—
  - (a) the State for or in connection with the enactment or operation of this part; or
  - (b) the Minister for fixing Allconnex's dissolution day.
- (2) To remove any doubt, it is declared that this part does not limit or otherwise affect a following right that had accrued or was accruing immediately before Allconnex's dissolution day—
  - (a) a right of a former member of Allconnex to a benefit or entitlement under a contract concerning that membership;
  - (b) a right of the former chief executive officer of Allconnex to a benefit or entitlement under a contract concerning that employment.
- (3) On Allconnex's dissolution day, the benefit or entitlement ceases to accrue and becomes payable as if—
  - (a) the contract had, according to its terms, been terminated on that day; and
  - (b) the termination had been other than by Allconnex.
- (4) Subject to any retransfer document, the withdrawn councils are Allconnex's proportional joint successor for the liability for the benefit or entitlement.

## **Chapter 4      Customer water and wastewater code and other customer service provisions**

### **Part 1              General provisions about code**

#### **93      Minister's power to make code**

- (1) Subject to part 2, the Minister may make a code (a *customer water and wastewater code*) to provide for rights and obligations of distributor-retailers and their customers.
- (2) The code is not subordinate legislation.

#### **94      Particular matters code may provide for**

- (1) The code may provide for all or any of the following—
  - (a) rights and obligations of distributor-retailers and their customers relating to the availability of water services and wastewater services;
  - (b) minimum and guaranteed service standards for water services and wastewater services;
  - (c) compensation for failure to comply with the service standards and—
    - (i) the amount of the compensation or how it is to be worked out; and
    - (ii) how the compensation may be recovered;
  - (d) the terms of supply contracts for the services;
  - (e) the marketing conduct of distributor-retailers relating to customers;
  - (f) meters and metering;

- (g) dispute resolution processes for customers;
- (h) an entity to administer the code.

*Note—*

Disputes arising between particular customers and a distributor-retailer about a function or obligation of the distributor-retailer under the code may be referred to the energy and water ombudsman under the *Energy and Water Ombudsman Act 2006*, section 18A.

- (2) The code may be limited in its application to particular types of customers and particular types of water services and wastewater services.
- (3) Subsection (2) does not limit the *Statutory Instruments Act 1992*, section 24 or 25.
- (4) The code may impose additional requirements to those mentioned in part 4.

#### **94AA Gazettal and taking of effect of code**

- (1) The Minister must, as soon as practicable after making the code, publish a gazette notice stating the Minister has made the code and where it may be inspected.
- (2) The code takes effect on the later of the following days—
  - (a) a day of effect stated in the gazette notice;
  - (b) if no day of effect is stated in the notice—the day the notice is gazetted.

#### **94AB Tabling of code**

- (1) Within 21 sitting days after the code takes effect, the Minister must table a copy in the Legislative Assembly.
- (2) The copy is tabled for information only.
- (3) A failure to table the copy does not affect the code's ongoing effect.

## Part 2    Process for making or amending code

### 95            Public notice about availability of draft code

- (1) If the Minister proposes to make the code, the Minister must—
  - (a) prepare a draft of the proposed code; and
  - (b) publish a notice about the draft in a newspaper circulating in all of the SEQ region; and
  - (c) give each distributor-retailer and each local government in the SEQ region a copy of the notice.
- (2) The notice must state—
  - (a) where copies of the draft may be inspected and on payment of a fee, purchased; and
  - (b) that written submissions may be made by anyone about the draft; and
  - (c) a day (the *final submission day*) by which submissions must be made, and the person to whom, and the place where, the submissions must be made.
- (3) The final submission day must not be earlier than—
  - (a) for the first draft code prepared—14 days after the day the notice is published; and
  - (b) for each subsequent draft code prepared—28 days after the day the notice is published.
- (4) The Minister must, from the publication of the notice to the final submission day, cause the draft to be published on the department's website.

### 96            Preparing and approving final code

In preparing the final code to be made, the Minister must consider all submissions about the draft code made under

---

section 95 before the final submission day stated in the notice published under that section.

## **97 Amendment of code**

- (1) The Minister may amend the code.
- (2) Sections 95 and 96 apply to the amendment as if a reference in the sections to the code were a reference to the amending code.
- (3) However, the sections do not apply if—
  - (a) the amending code is only to—
    - (i) correct a minor error in the code; or
    - (ii) make another change that is not a change of substance; or
  - (b) the code states that an amendment of a stated type may be made to the code without complying with the sections and the amendment is of the stated type.

## **Part 3 Review of code**

### **99 Review**

- (1) The Minister must within 3 years after the code commences start a review of the code.
- (2) The review may be carried out in the way the Minister considers appropriate.
- (3) However, the process for the review must involve public submissions.
- (4) The review must start by the Minister publishing a notice in a newspaper circulating in all of the State—

[s 99A]

---

- (a) explaining the process that the Minister has decided for the review; and
- (b) stating requirements for making submissions for the review.

## **Part 3A                      Code administration**

### **99A      Commission to advise Minister**

The commission may advise the Minister about matters relating to the code, including—

- (a) the contents of the code; or
- (b) matters the commission considers should be dealt with in the code.

### **99AAA Distributor-retailer to give report to commission**

A distributor-retailer must, in the way required under a regulation, give the commission a report about complaints received by the distributor-retailer relating to matters mentioned in the code.

Maximum penalty—100 penalty units.

---

## **Part 4                      Other customer service provisions**

### **Division 1                General provisions about standards of customer service**

#### **99AB    Obligation to comply with part**

- (1) A distributor-retailer must not, without reasonable excuse, contravene a provision of this part.

Maximum penalty—1665 penalty units.

- (2) A proceeding relating to an offence under subsection (1) may be prosecuted even though the code, or an order under the *Energy and Water Ombudsman Act 2006*, provides for the payment of compensation relating to matters relevant to the offence.

#### **99AC    Application of complaints standard**

- (1) The complaints standard applies to a distributor-retailer for the handling of complaints by its customers.
- (2) In this section—

*complaints standard* means AS ISO 10002—2006 Customer satisfaction—Guidelines for complaints handling in organizations (ISO 10002:2004, MOD).

#### **99AD    Customer service charter**

- (1) Each distributor-retailer must make a customer service charter that—
  - (a) summarises its customers' rights and obligations under the customer water and wastewater code and this part; and
  - (b) states the distributor-retailer's policies about—

[s 99AE]

---

- (i) customer hardship because of inability to pay accounts; and
  - (ii) the payment of accounts by instalments.
- (2) The customer service charter must be written in plain English.

### **99AE Updating of and access to customer service charter**

- (1) A distributor-retailer must update its customer service charter as soon as practicable to take account of the provisions of the customer water and wastewater code or this part.
- (2) After the first code is made and the distributor-retailer updates its customer service charter under subsection (1), the distributor-retailer must include a copy of the updated customer service charter—
- (a) with the first account given to each customer after the code is made; or
  - (b) with a later account agreed to by the Minister.
- (3) A distributor-retailer must give a person a copy of its customer service charter, free of charge, if—
- (a) the person asks for a copy; and
  - (b) the person has not previously been given a copy of the customer service charter under this section.

## **Division 2            Meters**

### **Subdivision 1        General provisions**

#### **99AFA Distributor-retailer may accept meter reading by customer**

If asked by a customer to do so in a particular case, a distributor-retailer may accept the reading supplied by the customer of the meter recording the customer's water

consumption as the water consumption of the customer for a particular period.

### **99AG Meters must be read annually**

Each distributor-retailer must take reasonable steps to ensure each meter recording each of its customers' water consumption is read at least once each year.

*Note—*

For the power of a distributor-retailer to install and read meters, see the Water Supply Act, sections 35 and 37.

### **99AH Methods and basis of charging**

- (1) A distributor-retailer may use methods of charging for water supplied or sold by it to its customers the distributor-retailer considers appropriate, including, for example—
  - (a) giving an account based on meter readings; and
  - (b) giving an estimated account.
- (2) However, a distributor must not give an estimated account to a customer for 2 or more consecutive periods.

*Example—*

It may be a reasonable excuse for an offence under section 99AB relating to a contravention of subsection (2) that reasonable access was not available to the meter at the customer's premises.

- (3) Subsection (4) applies if the distributor-retailer gives the customer an estimated account.
- (4) The estimated account must be calculated—
  - (a) if the distributor-retailer has previously given the customer an account for water services or waste water services for premises the subject of the account—having regard to the most recent account the distributor-retailer has given the customer for water services or wastewater services for the premises; or

[s 99AI]

---

- (b) if paragraph (a) does not apply and the customer and the distributor-retailer agree about the basis on which the estimated account is to be calculated—on the agreed basis; or
  - (c) if paragraphs (a) and (b) do not apply—on another reasonable basis decided by the distributor-retailer.
- (5) Despite subsection (1), the first account a distributor-retailer gives a customer for water services or wastewater services for particular premises must be based on a meter reading under section 99AFA or 99AG conducted specifically for the premises.

### **99AI Special meter readings**

- (1) A customer of a distributor-retailer may ask it for a reading of the meter for the customer's premises to work out the amount of water consumed at the premises since the last meter reading for the premises.
- (2) The distributor-retailer may require a fee for the reading.
- (3) The fee must be no more than the actual cost of the reading.
- (4) Subject to any payment required under subsection (2), the distributor-retailer must cause the reading to be carried out.

## **Subdivision 2 Meter tests**

### **99AJ Meter accuracy test at customer's request**

- (1) A customer of a distributor-retailer may ask the distributor-retailer to test the accuracy of the distributor-retailer's meter installed on the customer's premises—
  - (a) by a test carried out for the distributor-retailer (a *distributor-retailer test*); or

- 
- (b) to refer the meter for testing to an independent person (the *independent tester*) accredited by the National Association of Testing Authorities (an *independent test*).
- (2) The distributor-retailer or independent tester may require the customer to pay the following before carrying out the test—
    - (a) for a distributor-retailer test—a charge for water or another amount owing by the customer to the distributor-retailer for water services or wastewater services; and
    - (b) the fee for testing each meter to be tested.
  - (3) The fee must be the reasonable, but no more than the actual, cost of each test.
  - (4) Subject to any payment required under subsection (2), the distributor-retailer or independent tester must cause the test to be carried out.
  - (5) The distributor-retailer or independent tester must tell the customer when and where the test is to be carried out.
  - (6) The customer, or customer's nominee, may be present during the test.

### **99AK When meter taken to register accurately**

- (1) A meter registers incorrectly only if it registers outside the prescribed margin of the correct amount of water supplied, whether greater or less.
- (2) The prescribed margin is 5%.

### **99AL Extent of inaccuracy**

If a properly conducted test shows a meter registers incorrectly, it is taken to be registering incorrectly only to the extent to which the registration falls outside the prescribed margin.

[s 99AM]

---

### **99AM Notice of test results**

- (1) If a distributor-retailer test or independent test is carried out, the person who carried out the test must give the customer who requested the test notice of the test results as soon as practicable.
- (2) If the test shows the meter is registering incorrectly, the notice must state the extent to which the registration falls outside the prescribed margin.

### **99AN Refund and adjustment if inaccuracy**

- (1) If a distributor-retailer test or independent test shows the meter tested is registering incorrectly, it must—
  - (a) refund the customer who requested the test any test fee paid by the customer for the test; and
  - (b) adjust the customer's previous relevant accounts to reflect the actual or a reasonable estimation of the water supplied to the customer.
- (2) However, subsection (1)(b) does not apply for accounts issued for more than 1 year.

### **99AO Using testing instruments**

- (1) A distributor-retailer or independent tester who uses a testing instrument for a test under this division must ensure it is—
  - (a) appropriate for the test; and
  - (b) accurate and in proper working order.
- (2) The distributor-retailer or independent tester must keep a record of each test under subsection (1)(b) for at least 2 years.

---

## **Division 3                      Security and charges**

### **Subdivision 1                Restrictions on requesting security**

#### **99AP Security may only be requested if subdivision complied with**

A distributor-retailer may ask a customer for security for the payment of accounts from it to the customer only if this subdivision is complied with to the extent it is relevant to the distributor-retailer.

#### **99AQ Residential customers**

- (1) A distributor-retailer may ask a residential customer of the distributor-retailer to give security only if it reasonably considers the customer has an unsatisfactory credit history.
- (2) For subsection (1) a customer is a residential customer only if—
  - (a) the customer is a customer of the distributor-retailer for the water services and wastewater services; and
  - (b) the services are provided to premises at which someone lives (the *resident*); and
  - (c) no-one other than the resident is a customer of the distributor-retailer for water services and wastewater services provided to the premises.

#### **99AR Non-residential customers**

- (1) A distributor-retailer may ask a non-residential customer of the distributor-retailer to give security only if the distributor-retailer reasonably considers the customer does not have—
  - (a) a satisfactory credit rating; or

[s 99AS]

---

- (b) a satisfactory water services payment history.
- (2) For subsection (1) a customer is a non-residential customer only if—
  - (a) the customer is a customer of the distributor-retailer for the water services and wastewater services; and
  - (b) the customer is not a residential customer of the distributor-retailer for the water services and wastewater services; and
  - (c) no-one else is a customer of the distributor-retailer for water services and wastewater services provided to the premises.
- (3) For section (1)(b), a non-residential customer's water services payment history is taken to be unsatisfactory if the distributor-retailer has evidence that the customer has not paid an account for water services within the past year.
- (4) Subsection (3) applies no matter who the account was from.

### **99AS Maximum security that may be requested**

The distributor-retailer can not ask for security that is more than—

- (a) if the customer is billed monthly—2.5 times the customer's actual or estimated quarterly bills used to work out the security; or
- (b) otherwise—1.5 times the customer's actual or estimated quarterly bills used to work out the security.

### **99ASA Annual notice of security**

- (1) This section applies if a customer has given security to a distributor-retailer.
- (2) The distributor-retailer must give the customer an annual statement containing the following details—
  - (a) the amount of security held;

- 
- (b) the difference between the security given by the customer and the amount mentioned in paragraph (a);
  - (c) any other matter—
    - (i) prescribed under a regulation; or
    - (ii) required under the customer water and wastewater code.

## **Subdivision 2      Restricting water supply**

### **99AT Restricting water supply for not paying charges or giving security**

- (1) This section applies if—
  - (a) premises are connected to a distributor-retailer's water service; and
  - (b) a residential customer or non-residential customer of the distributor-retailer does not—
    - (i) pay a charge for the service; or
    - (ii) give security requested under subdivision 1 for the service; and
  - (c) the distributor-retailer has given the customer at least 1 month's notice to pay the charge or give the security; and
  - (d) the customer continues not to pay the charge or give the security.

[s 100]

---

- (2) The amount is the amount the former employer would have been required to pay the person if the person had taken the long service leave.
- (3) The amount must be paid within a reasonable period after being requested by the new employer.

  - (a) the length of accrued long service leave;
  - (b) any special leave taken without salary;
  - (c) any long service leave taken by the person or any amount paid to the person instead of long service leave;
