Information about this reprint

This reprint shows the legislation current as at the date on the cover and is authorised by the Parliamentary Counsel.

A new reprint of the legislation will be prepared by the Office of the Queensland Parliamentary Counsel when any change to the legislation takes effect. This change may be because a provision of the original legislation, or an amendment to it, commences or because a particular provision of the legislation expires or is repealed.

When a new reprint is prepared, this reprint will become a historical reprint. Also, if it is necessary to replace this reprint before a new reprint is prepared, for example, to include amendments with a retrospective commencement, an appropriate note would be included on the cover of the replacement reprint and on the copy of this reprint at www.legislation.qld.gov.au.

The endnotes to this reprint contain detailed information about the legislation and reprint. For example—

- The table of reprints endnote lists any previous reprints and, for this reprint, gives details of any discretionary editorial powers under the *Reprints Act 1992* used by the Office of the Queensland Parliamentary Counsel in preparing it.
- The list of legislation endnote gives historical information about the original legislation and the legislation which amended it. It also gives details of uncommenced amendments to this legislation. For information about possible amendments to the legislation by Bills introduced in Parliament, see the Queensland Legislation Current Annotations at [www.legislation.qld.gov.au/Leg Info/information.htm](http://www.legislation.qld.gov.au/Leg_Info/information.htm).
- The list of annotations endnote gives historical information at section level.

All Queensland reprints are dated and authorised by the Parliamentary Counsel. The previous numbering system and distinctions between printed and electronic reprints are not continued.

[as amended by all amendments that commenced on or before 20 June 2013]

An Act to provide a drug court program for intensive drug rehabilitation of drug dependent offenders

Part 1 Preliminary

1 Short title

This Act may be cited as the *Drug Court Act 2000*.

2 Commencement

This Act commences on a day to be fixed by proclamation.

3 Objects of this Act

- (1) The objects of this Act are—
- (a) to reduce the level of drug dependency in the community and the drug dependency of eligible persons; and
 - (b) to reduce the level of criminal activity associated with drug dependency; and
 - (c) to reduce the health risks associated with drug dependency of eligible persons; and
 - (d) to promote the rehabilitation of eligible persons and their re-integration into the community; and

[s 4]

- (e) to reduce pressure on resources in the court and prison systems.
- (2) The objects are to be achieved by establishing drug courts.

4 Relationship with Penalties and Sentences Act 1992

- (1) A drug court magistrate—
 - (a) must have regard to the principles stated in the *Penalties and Sentences Act 1992*, section 9; and
 - (b) may exercise the powers and make the orders a magistrate may exercise or make under that Act.
- (2) Subsection (1) applies unless a contrary intention appears.

4A Notes in text

A note in the text of this Act is part of the Act.

Part 2 Definitions and important terms

5 Definitions

The dictionary in the schedule defines particular words used in this Act.

6 Who is an *eligible person*

- (1) A person charged with an offence is an *eligible person* if—
 - (a) the person is not a person who must be dealt with as a child under the *Youth Justice Act 1992*; and
 - (b) the person is drug dependent and that dependency contributed to the person committing the offence; and

- (c) it is likely the person would, if convicted of the offence, be sentenced to imprisonment; and
 - (d) the person satisfies any other criteria prescribed under a regulation.
- (2) Without limiting subsection (1)(d), the regulation may require that the person be someone who resides within a stated locality at the time—
- (a) the person is referred for an indicative assessment; or
 - (b) the person is referred for an assessment; or
 - (c) an intensive drug rehabilitation order is made for the person.
- (3) The person is not an *eligible person* if—
- (a) the person is serving a term of imprisonment other than a community term of imprisonment; or
 - (b) the person is the subject of a parole order that is cancelled by a parole board and the person is to serve the unexpired portion of the person's period of imprisonment; or
 - (c) a charge against the person for a disqualifying offence is pending in a court.
- Note for subsection (3)(a)—*
- A person released on parole is taken to be still serving the sentence imposed on the person: *Corrective Services Act 2006*, section 214.
- (4) For the purpose of deciding whether a person ordered to serve a term of imprisonment under a law of another State or the Commonwealth (the *relevant law*) is a person serving a term of imprisonment for subsection (3)(a)—
- (a) the *Corrective Services Act 2006*, section 214 applies; and
 - (b) a reference in the *Corrective Services Act 2006*, section 214 to parole includes a reference to a release under the relevant law that is similar to parole.
- (5) In this section—

[s 7]

parole order includes a release under a law of another State or the Commonwealth that is similar to a parole order.

7 What is a *disqualifying offence*

- (1) A *disqualifying offence* is—
 - (a) an offence of a sexual nature; or
 - (b) an offence involving violence against another person, other than an offence charged under any of the following provisions of the Criminal Code—
 - section 335
 - section 340(1)(a), but only if the offence is the assault of another with intent to resist or prevent the lawful arrest or detention of the person or of any other person
 - section 340(1)(b)
 - section 413.
- (2) For section 6(3)(c), a reference in subsection (1) to a provision of the Criminal Code includes a reference to a corresponding provision of a law of another State or the Commonwealth.
- (3) For subsection (1), an offence of a sexual nature does not include an offence by a prostitute in providing prostitution, or in offering or accepting an offer to provide prostitution.
- (4) For subsection (1)(b), an offence involving violence against another person is an offence that involves any allegation of personal violence, whether as an element of the offence or as an act of violence associated with the offence.

Examples of offences involving violence other than as an element of the offence—

- operating a vehicle dangerously involving dragging a person behind the vehicle
- operating a vehicle dangerously involving intentionally colliding with another vehicle or a person
- breaching a domestic violence order involving a wilful injury

7A What is a *community term of imprisonment*

- (1) A term of imprisonment in relation to a person is a ***community term of imprisonment*** if the person is ordered to serve the term of imprisonment—
- (a) by way of intensive correction in the community under an intensive correction order made under the *Penalties and Sentences Act 1992*, section 112; or
 - (b) in a similar way under an order made under a law of another State or the Commonwealth.
- (2) However, a term of imprisonment is not a ***community term of imprisonment*** if the order mentioned in subsection (1) was revoked and the person was committed to prison.

8 What is a *relevant offence*

- (1) Each of the following is a ***relevant offence***—
- (a) a simple offence;
 - (b) an indictable offence being dealt with summarily;

Examples of provisions requiring or permitting indictable offences to be dealt with summarily—

- Criminal Code, section 552A (Charges of indictable offences that must be heard and decided summarily on prosecution election)
 - Criminal Code, section 552B (Charges of indictable offences that must be heard and decided summarily unless defendant elects for jury trial)
 - Criminal Code, section 552BA (Charges of indictable offences that must be heard and decided summarily)
 - *Drugs Misuse Act 1986*, section 13 (Certain offences may be dealt with summarily) or 14 (Other offences that may be dealt with summarily if no commercial purpose alleged)
- (c) a prescribed drug offence;

[s 9]

- (d) another offence prescribed under a regulation that is punishable by imprisonment for a term of not more than 7 years.
- (2) A relevant offence does not include a disqualifying offence.

Part 3 Drug courts and drug court magistrates

9 Drug courts

- (1) The Governor in Council, by regulation, may declare 1 or more Magistrates Courts to be drug courts.
- (2) A court is a drug court under subsection (1) whether or not it is constituted by a drug court magistrate.
- (3) However, a power of a drug court magistrate may be exercised only in a drug court.

10 Drug court magistrates

- (1) The Chief Magistrate must allocate the functions of a drug court magistrate to 1 or more magistrates.
- (2) Nothing in this Act prevents a drug court magistrate exercising the jurisdiction of a Magistrates Court at any time.

11 Functions, additional jurisdiction and powers of drug court magistrates

- (1) A drug court magistrate has the functions given by this Act.
- (2) For the performance of a drug court magistrate's functions, a drug court magistrate has jurisdiction to deal with a person appearing before the magistrate charged with a prescribed drug offence.

- (3) A drug court magistrate has power to do all things necessary or convenient to be done for the performance of the magistrate's functions.
- (4) A drug court magistrate must conduct proceedings under this Act quickly and in a way that avoids unnecessary technicalities and facilitates the fair and practical conduct of the proceedings.
- (5) In a proceeding under this Act, the drug court magistrate is not bound by the rules of evidence, but may inform himself or herself in any way the magistrate considers appropriate.

12 Other functions of drug court magistrates

- (1) This Act does not affect the application of the *Magistrates Act 1991* to a drug court magistrate.
- (2) For example, a drug court magistrate, in addition to exercising functions as a drug court magistrate, must—
 - (a) exercise other functions as a magistrate as directed by the Chief Magistrate; and
 - (b) comply with reasonable directions given, or requirements made, by the Chief Magistrate.

Part 3A Indicative assessment of drug dependency

12A Application of pt 3A

This part applies if—

- (a) a person charged with a relevant offence appears before a magistrate in a Magistrates Court prescribed under a regulation for this section; and

[s 12B]

- (b) the person has pleaded guilty to the offence or has indicated that he or she intends to plead guilty to the offence; and
- (c) the magistrate is satisfied the person may be drug dependent; and
- (d) the person appears, to the magistrate, to be an eligible person; and
- (e) the maximum number of active intensive drug rehabilitation orders prescribed under a regulation has not been exceeded.

Note—

See section 12B(1A) for the ending of referrals for indicative assessment under this part.

12B Referral for indicative assessment

- (1) The magistrate may decide to refer the person for an indicative assessment.
- (1A) However, a magistrate must not decide to refer a person for an indicative assessment on or after the relevant day.
- (2) If the magistrate decides to refer the person for an indicative assessment, the magistrate may adjourn the proceedings and—
 - (a) remand the person in custody to appear before a drug court magistrate; or
 - (b) release the person on bail to appear before a drug court magistrate.
- (3) If the magistrate adjourns the proceedings to refer the person for an indicative assessment, the magistrate must require—
 - (a) the person to attend at the times and places decided by the chief executive (health) for an indicative assessment by an appropriately qualified health professional decided by the chief executive (health); and
 - (b) the chief executive (health) to prepare and submit to a drug court magistrate, within the time allowed by the

magistrate, a report (an *indicative assessment report*) containing an indicative assessment of the person by the appropriately qualified health professional.

- (4) The magistrate may require the indicative assessment report to be given orally or in writing.

Note—

See section 12E for how a drug court magistrate must deal with the proceeding after an indicative assessment report has been submitted.

- (5) If the magistrate remands the person in custody, the chief executive (corrective services) must ensure the person—
- (a) is assessed by an appropriately qualified health professional decided by the chief executive (health); and
 - (b) appears before a drug court magistrate to be dealt with as required by the drug court magistrate.

12C Indicative assessment reports

- (1) When required to do so by a magistrate, the chief executive (health) must arrange for an appropriately qualified health professional to prepare an indicative assessment report for a drug court magistrate about a stated person remanded or required to appear before the drug court magistrate.
- (2) The indicative assessment report must be given to the drug court magistrate within the time allowed under section 12B(3) by the magistrate.
- (3) The drug court magistrate must give a copy of the indicative assessment report to—
 - (a) the prosecuting authority that appeared before the court when the offender was referred for an indicative assessment; and
 - (b) the person's legal representatives; and
 - (c) the chief executive (corrective services).
- (4) The drug court magistrate must ensure the prosecuting authority and the person's legal representatives have sufficient

[s 12D]

time before the proceedings to consider and respond to the report.

12D Additional matters for indicative assessment report

- (1) The drug court magistrate may order that the report, or part of the report, not be shown to the person.
- (2) A report purporting to be an indicative assessment report made by an appropriately qualified health professional is evidence of the matters contained in it.
- (3) An objection must not be taken or allowed to the evidence on the ground that it is hearsay.
- (4) To remove any doubt, it is declared that this section does not limit the jurisdiction and powers of the drug court magistrate under section 11.

12E Dealing with proceedings after submission of indicative assessment report

- (1) If an indicative assessment report about a person is given to a drug court magistrate on or after the relevant day, the magistrate must exercise the jurisdiction of a Magistrates Court and deal with the person according to law.
- (2) A drug court magistrate may take account of the indicative assessment report when sentencing the person for the offence.

Part 4 Referral for assessment

13 Application of pt 4

This part applies if—

- (a) a person charged with a relevant offence appears before a drug court magistrate; and
- (b) there is evidence the person is drug dependent.

Note—

See section 16C for the ending of referrals for assessment under this part.

14 Referral to be decided as soon as practicable

- (1) The powers conferred on a drug court magistrate under this part must be exercised as soon as practicable after the person first comes before the drug court for a relevant offence.
- (2) Despite subsection (1), the powers may be exercised at any time before the court sentences the person or commits the person for trial or sentence for the offence.

15 Deciding whether to refer for assessment

- (1) The drug court magistrate must decide whether the person appears to be an eligible person.
- (2) If the person appears to be an eligible person, the drug court magistrate may decide to refer the person for assessment if satisfied—
 - (a) the person has pleaded guilty to the offence or has indicated that he or she intends to plead guilty to the offence; and
 - (b) the person is willing to be assessed for suitability for rehabilitation and to appear before a drug court magistrate to be dealt with for the offence; and
 - (c) the maximum number of active intensive drug rehabilitation orders prescribed under a regulation has not been exceeded.
- (3) However, a magistrate must not make a decision about whether the person appears to be an eligible person, or to refer the person for assessment on or after the relevant day.

16 Referral for assessment

- (1) If the drug court magistrate (the *referring magistrate*) decides to refer the person for assessment, the referring magistrate may adjourn the proceedings and—
 - (a) remand the person in custody to appear before a drug court magistrate; or
 - (b) release the person on bail to appear before a drug court magistrate.
- (2) If the referring magistrate adjourns the proceedings, the referring magistrate must require the chief executive (corrective services) to prepare and submit to a drug court magistrate, within the time allowed by the referring magistrate, a pre-sentence report under the *Corrective Services Act 2006*, section 344 that contains—
 - (a) an assessment of the person's suitability for rehabilitation; and
 - (b) if the person is suitable, a proposed rehabilitation program.
- (3) Also, if the referring magistrate adjourns the proceedings, the referring magistrate must require the chief executive (health) to prepare and submit to a drug court magistrate, within the time allowed by the referring magistrate, a written report (an *assessment report*) containing an assessment of the person by an appropriately qualified health professional.
- (4) If the referring magistrate releases the person on bail, the grant of bail must be made subject to the condition that, for the purpose of preparing the pre-sentence report and assessment report, the person—
 - (a) reports to an authorised corrective services officer within a stated time; and
 - (b) reports to other persons at the times and places directed by an authorised corrective services officer, including to an appropriately qualified health professional decided by the chief executive (health) for assessment.

- (5) If the referring magistrate remands the person in custody, the chief executive (corrective services) must ensure the person—
- (a) is assessed by an appropriately qualified health professional decided by the chief executive (health); and
 - (b) appears before a drug court magistrate to be dealt with as required by the drug court magistrate.

Note—

See section 16C for how a drug court magistrate must deal with the proceeding if an assessment report or a pre-sentence report is submitted on or after the relevant day.

16A Assessment report

- (1) When required to do so under section 16(3) by a referring magistrate, the chief executive (health) must arrange for an appropriately qualified health professional to prepare an assessment report for a drug court magistrate about a stated person remanded or required to appear before the drug court magistrate.
- (2) The assessment report must be given to the drug court magistrate within the time allowed by the referring magistrate.
- (3) The drug court magistrate must give a copy of the assessment report to—
 - (a) the prosecuting authority that appeared before the court when the offender was referred for assessment; and
 - (b) the person's legal representatives; and
 - (c) the chief executive (corrective services).
- (4) The drug court magistrate must ensure the prosecuting authority and the person's legal representatives have sufficient time before the proceedings to consider and respond to the assessment report.

Note—

See section 16C for how a drug court magistrate must deal with the proceeding if an assessment report or a pre-sentence report is submitted on or after the relevant day.

[s 16B]

16B Additional matters for assessment report

- (1) The drug court magistrate may order that the assessment report, or part of the assessment report, not be shown to the person.
- (2) A report purporting to be an assessment report made by an appropriately qualified health professional is evidence of the matters contained in it.
- (3) An objection must not be taken or allowed to the evidence on the ground that it is hearsay.

16C Dealing with proceedings after submission of assessment report and pre-sentence report

- (1) If an assessment report or a pre-sentence report about a person is given to a drug court magistrate on or after the relevant day, the magistrate must exercise the jurisdiction of a Magistrates Court and deal with the person according to law.
- (2) A drug court magistrate may take account of the assessment report and the pre-sentence report when sentencing the person for the offence.

Part 5 Intensive drug rehabilitation orders

Division 1 Preliminary

17 Application of pt 5

- (1) This part applies if a person charged with a relevant offence (the *offender*) appears before a drug court magistrate—
 - (a) on proceedings adjourned under part 4; or

- (b) if expressly provided in relation to a provision of this part, on other proceedings.
- (2) However, if the person appears before the drug court magistrate on or after the relevant day—
 - (a) division 2, other than section 26(2), does not apply to the person; and
 - (b) the magistrate must exercise the jurisdiction of a Magistrates Court and deal with the person according to law.

Division 2 Making an order

18 Drug court magistrate may make order only if conviction recorded

- (1) A drug court magistrate may make an intensive drug rehabilitation order for the offender for a relevant offence only if the magistrate records a conviction.
- (2) Subsection (1) also applies if the proceedings for the offence are before the magistrate other than on adjournment under part 4.

19 Making of order

A drug court magistrate may make an order (*intensive drug rehabilitation order*) for the offender for an offence if satisfied—

- (a) the offence is a relevant offence; and
- (b) the offender is an eligible person; and
- (c) the offender has pleaded guilty to the offence; and
- (d) the magistrate would, apart from this Act, sentence the offender to a term of imprisonment; and
- (e) the offence is—

[s 19]

- (i) a prescribed drug offence, or an offence against the *Drugs Misuse Act 1986* that may be prosecuted summarily, for which the offender may be adequately punished with imprisonment of not more than 3 years; or
 - (ii) another offence for which the offender may be adequately punished with imprisonment of not more than 4 years; and
- (f) the offender is not suffering from any mental condition that could prevent the offender's active participation in a rehabilitation program; and
- (g) the maximum number of active intensive drug rehabilitation orders prescribed under a regulation has not been exceeded; and
- (h) the facilities to supervise and control the offender's participation in a rehabilitation program are available for allocation to the offender under guidelines prescribed under a regulation; and
- (i) there are reasonable prospects the offender would satisfactorily comply with an intensive drug rehabilitation order and it would be otherwise appropriate for an intensive drug rehabilitation order to be made, having regard to all relevant matters including, for example—
- (i) the pre-sentence report and assessment report mentioned in section 16; and
 - (ii) whether a charge for an offence that can not be dealt with under this Act (other than a disqualifying offence) is pending in a court against the offender, and if so, the nature and seriousness of the offence and when the charge is likely to be dealt with.

20 Contents of order

- (1) If the drug court magistrate decides to make an intensive drug rehabilitation order for the offender, the order must contain—
 - (a) an order—
 - (i) sentencing the offender to serve a term of imprisonment (the *initial sentence*); and
 - (ii) suspending the whole of the term of imprisonment under this Act; and
 - (b) the requirements of the order; and
 - (c) a rehabilitation program decided by the drug court magistrate for the offender.
- (2) For subsection (1)(a)(i), the intensive drug rehabilitation order may contain an order sentencing the offender to serve a term of imprisonment of more than 3 years only if the prosecuting authority appearing before the court and the offender have consented to the offence being prosecuted summarily on the ground that the defendant will be adequately punished on summary conviction.

21 Delaying suspension of sentence

If the drug court magistrate is satisfied sufficient grounds exist, the magistrate may—

- (a) direct that the commencement of the suspension of the sentence be delayed for not more than 15 days; and
- (b) order that the offender be detained in custody in a prison until the earlier of the following days—
 - (i) the day the chief executive (corrective services) is given a release authority in the approved form signed by the clerk of the court of a drug court;
 - (ii) the day the 15 day period ends.

Example—

The drug court magistrate is satisfied the offender requires detoxification but suitable facilities for detoxification are not immediately available.

22 Core conditions of intensive drug rehabilitation order

An intensive drug rehabilitation order is subject to the following core conditions—

- (a) the offender must not commit an offence, in or outside Queensland, during the period of the order;
- (b) the offender must notify an authorised corrective services officer of every change of the offender's place of residence or employment within 2 business days after the change happens;
- (c) the offender must not leave or stay out of Queensland without an authorised corrective services officer's permission;
- (d) the offender must comply with every reasonable direction of an authorised corrective services officer, including a direction to appear before a drug court magistrate at a stated time and place;
- (e) the offender must attend before a drug court magistrate at the times and places stated in the order.

23 Additional requirements of order

- (1) The intensive drug rehabilitation order may also contain requirements that the offender—
 - (a) make restitution, or pay compensation; and
 - (b) satisfactorily perform community service of up to 240 hours for the period stated in the order, as and when directed by an authorised corrective services officer; and
 - (c) do another thing that a drug court magistrate considers may help the offender's rehabilitation.

- (2) A requirement to make restitution may be made for property—
 - (a) in relation to which an offence was committed; or
 - (b) taken in the course of, or in connection with, the commission of the offence.
- (3) A requirement to pay compensation may be made—
 - (a) to a person for any loss or destruction of, damage caused to, or unlawful interference with, property—
 - (i) in relation to which an offence was committed; or
 - (ii) in the course of, or in connection with, the commission of the offence; and
 - (b) for personal injury suffered by a person, whether or not the person is the victim against whom an offence was committed, because of the commission of the offence.
- (4) In deciding whether to require the offender to perform community service under subsection (1)(b), the drug court magistrate must consider the number of hours of community service the offender has outstanding under another order and when the hours must be completed.
- (5) If the drug court magistrate decides to require the offender to perform community service under subsection (1)(b), the drug court magistrate must consider whether the offender is in a residential rehabilitation facility and is able to complete the community service.
- (6) The *Penalties and Sentences Act 1992*, part 3, division 4, does not apply to restitution or compensation under an intensive drug rehabilitation order.
- (7) The *Penalties and Sentences Act 1992*, part 5, divisions 2 and 3, do not apply to community service under an intensive drug rehabilitation order.
- (8) A requirement under subsection (1) is not a sentence within the meaning of the *Penalties and Sentences Act 1992*, section 4.

24 Contents and requirements of rehabilitation program

- (1) The intensive drug rehabilitation order must, as far as practicable, state the details of the rehabilitation program the offender must undertake, including, for example, that the offender must—
 - (a) report to, or receive visits from, an authorised corrective services officer; or
 - (b) report for drug testing to an authorised corrective services officer; or
 - (c) attend vocational education and employment courses; or
 - (d) submit to medical, psychiatric or psychological treatment.
- (2) As part of the medical, psychiatric or psychological treatment, the offender may be required to remain at a place, and for a time, stated in the program.
