Information about this reprint

This reprint shows the legislation current as at the date on the cover and is authorised by the Parliamentary Counsel.

A new reprint of the legislation will be prepared by the Office of the Queensland Parliamentary Counsel when any change to the legislation takes effect. This change may be because a provision of the original legislation, or an amendment to it, commences or because a particular provision of the legislation expires or is repealed.

When a new reprint is prepared, this reprint will become a historical reprint. Also, if it is necessary to replace this reprint before a new reprint is prepared, for example, to include amendments with a retrospective commencement, an appropriate note would be included on the cover of the replacement reprint and on the copy of this reprint at www.legislation.qld.gov.au.

The endnotes to this reprint contain detailed information about the legislation and reprint. For example—

- The table of reprints endnote lists any previous reprints and, for this reprint, gives details of any discretionary editorial powers under the *Reprints Act 1992* used by the Office of the Queensland Parliamentary Counsel in preparing it.
- The list of legislation endnote gives historical information about the original legislation and the legislation which amended it. It also gives details of uncommenced amendments to this legislation. For information about possible amendments to the legislation by Bills introduced in Parliament, see the Queensland Legislation Current Annotations at www.legislation.qld.gov.au/Leg_Info/information.htm.
- The list of annotations endnote gives historical information at section level.

All Queensland reprints are dated and authorised by the Parliamentary Counsel. The previous numbering system and distinctions between printed and electronic reprints are not continued.

Division 2 Temporary removal of student property

9A Definition for div 2

In this division—

staff member, of a State school, means anyone employed by the chief executive at the school.

9B Power to remove property from student

- (1) The principal or a staff member of a State school may remove from a student at the school any property in the student's possession if the principal or staff member is reasonably satisfied the removal is necessary—
 - (a) to preserve the caring, safe, supportive and productive learning environment of the school; or
 - (b) to maintain and foster mutual respect among staff and students at the school; or
 - (c) to encourage all students attending the school to take responsibility for their own behaviour and the consequences of their actions; or
 - (d) to provide for the effective administration of matters about the students of the school.
- (2) Without limiting subsection (1), property may be removed from a student to ensure compliance with—
 - (a) the behaviour plan for the school; or

9C Return of removed property

- (1) The principal or staff member must, within a reasonable time after the property was removed, make the property available for collection by—
- (a) the student from whom the property was removed; or

- (4) If a police officer comes to the school to investigate matters relating to the property but decides not to seize the property, the principal or staff member must make the property available for collection by the student or the student's parent as soon as practicable after the police officer makes the decision not to seize the property.
- (5) Also, the principal or staff member is not required to make the property available for collection by the student or the student's parent if—
 - (a) the principal or staff member has made reasonable efforts to notify the student or the student's parent that the property is available but has not been able to contact the student or parent; or
