## Information about this reprint

This reprint shows the legislation current as at the date on the cover and is authorised by the Parliamentary Counsel.

A new reprint of the legislation will be prepared by the Office of the Queensland Parliamentary Counsel when any change to the legislation takes effect. This change may be because a provision of the original legislation, or an amendment to it, commences or because a particular provision of the legislation expires or is repealed.

When a new reprint is prepared, this reprint will become a historical reprint. Also, if it is necessary to replace this reprint before a new reprint is prepared, for example, to include amendments with a retrospective commencement, an appropriate note would be included on the cover of the replacement reprint and on the copy of this reprint at [www.legislation.qld.gov.au](http://www.legislation.qld.gov.au).

The endnotes to this reprint contain detailed information about the legislation and reprint. For example—

- The table of reprints endnote lists any previous reprints and, for this reprint, gives details of any discretionary editorial powers under the *Reprints Act 1992* used by the Office of the Queensland Parliamentary Counsel in preparing it.
- The list of legislation endnote gives historical information about the original legislation and the legislation which amended it. It also gives details of uncommenced amendments to this legislation. For information about possible amendments to the legislation by Bills introduced in Parliament, see the Queensland Legislation Current Annotations at [www.legislation.qld.gov.au/Leg\\_Info/information.htm](http://www.legislation.qld.gov.au/Leg_Info/information.htm).
- The list of annotations endnote gives historical information at section level.

All Queensland reprints are dated and authorised by the Parliamentary Counsel. The previous numbering system and distinctions between printed and electronic reprints are not continued.

# **Part 4 Matters affecting land holdings**

## **Division 1AA Lease and other land conversion**

### **25A What this division does**

This division prescribes the way the purchase price, unimproved value and cash premium must be decided for the purposes of the following provisions of the Act—

- (a) section 34IA(2);
- (b) section 69(1);
- (c) section 109C(4);
- (d) section 127(6)(b);
- (e) section 170(1).

---

## 25B Purchase price

- (1) The purchase price of land is an amount equal to the total of—
  - (a) the value of the land; and
  - (b) the market value of any commercial timber on the land (see section 25E).
- (2) The value of the land is—
  - (a) for a category 11.1 or 11.2 lease—the net present value of the land (see section 25C); or
  - (b) otherwise—the unimproved value of the land, as if it were fee simple (see section 25D).

## 25C Net present value

- (1) The *net present value* is the amount worked out using the following formula—

$$A \times \left[ \frac{1 - (1/(1+i)^{30})}{i} \right] + A \times \left[ \frac{(1+g)/(i-g)}{(1+i)^{30}} \right]$$

where—

*A* is the annual rent for the lease worked out by multiplying the unimproved value of the lease by the percentage rate for the lease as stated in section 37A.

*i* is .08.

*g* is .025.

- (2) The net present value is to be worked out as at the day the chief executive receives the conversion application.

## 25D Unimproved value

- (1) The *unimproved value of land* is—

[s 25E]

---

- (a) for a category 11.1 or 11.2 lease—the rental valuation;  
or

    - (i) after proper marketing, there were an exchange between a willing buyer and a willing seller in an arms-length transaction; and
    - (ii) the buyer and seller had acted knowledgeably, prudently and without compulsion.
- (2) Also, the unimproved value includes the value of improvements and development work made by the State to the land, and for which the State has not been paid, before the lease started or the deed of grant was issued.
- (3) However, the unimproved value does not include the value of any commercial timber on the land.
- (4) The unimproved value is—
- (a) for land that has been reclaimed under the authority of an Act—as at the day the permission to reclaim the land was given; or
  - (b) otherwise—as at the day the chief executive receives either—
    - (i) the conversion application; or
    - (ii) the application under section 34I(1) of the Act.
- (5) To remove any doubt, it is declared that the Land Valuation Act does not apply to the meaning of unimproved value.

## **25E Value of commercial timber**

- (1) The value of any commercial timber on the land is the market value of any commercial timber on the land that is the property of the State, other than forest products that are the subject of a consent agreement.
- (2) The market value of any commercial timber is to be worked out—

- (a) if the value is not appealed—as at the day the chief executive receives the conversion application; or
- (b) if the value is appealed—as at the day the appeal is decided; or
- (c) if a person has applied to buy the commercial timber—as at the day the person applied; or
- (d) if the Minister made an offer to sell the commercial timber before the day mentioned in paragraph (c)—as at the day the offer was made.
