- (a) does not exclude a reference to a body corporate or an individual merely because elsewhere in the relevant Code there is particular reference to a body corporate (however expressed); and
- (b) does not exclude a reference to an individual or a body corporate merely because elsewhere in the relevant Code there is particular reference to an individual (however expressed).

- (b) to make a document containing the information available for inspection by a court, tribunal or person;

then, unless the court, tribunal or person otherwise directs—

- (c) the requirement obliges the person to produce or make available for inspection, as the case may be, a document that reproduces the

information in a form capable of being understood by the court, tribunal or person; and

(d) the production to the court, tribunal or person of the document in that form complies with the requirement.

- (b) a reference to the Chapter, Part, Division, Subdivision, section, subsection or other provision of the relevant Code or Act referred to that forms the end of the portion.

Example— A reference to ‘sections 5 to 9’ includes both section 5 and section 9. It is not necessary to refer to ‘sections 5 to 9 (both inclusive)’ to ensure that the reference is given an inclusive interpretation.

Subdivision 4—Functions and powers**Performance of statutory functions etc.**

40.(1) If a relevant Code confers a function or power on a person or body, the function may be performed, or the power may be exercised, from time to time as occasion requires.

Power to make instrument or decision includes power to amend or repeal

41. If a relevant Code authorises or requires the making of an instrument or decision—

- (a) the power includes power to amend or repeal the instrument or

decision; and

- (b) the power to amend or repeal the instrument or decision is exercisable in the same way, and subject to the same conditions, as the power to make the instrument or decision.

Matters for which statutory instruments may make provision

42.(1) If a relevant Code authorises or requires the making of a statutory instrument in relation to a matter, a statutory instrument made under the relevant Code may make provision for the matter by applying, adopting or incorporating (with or without modification) the provisions of—

- (a) an Act or statutory instrument; or
- (b) another document (whether of the same or a different kind);

as in force at a particular time or as in force from time to time.

(2) If a statutory instrument applies, adopts or incorporates the provisions of a document, the statutory instrument applies, adopts or incorporates the provisions as in force from time to time, unless the statutory instrument otherwise expressly provides.

(3) A statutory instrument may—

- (a) apply generally throughout this State or be limited in its application to a particular part of this State; or
- (b) apply generally to all persons, matters or things or be limited in its application to—
 - (i) particular persons, matters or things; or
 - (ii) particular classes of persons, matters or things; or
- (c) otherwise apply generally or be limited in its application by reference to specified exceptions or factors.

(5) A statutory instrument may authorise a matter or thing to be from time to time determined, applied or regulated by a specified person or body.

(6) If a relevant Code authorises or requires a matter to be regulated by statutory instrument, the power may be exercised by prohibiting by statutory instrument the matter or any aspect of the matter.

(7) If a relevant Code authorises or requires provision to be made with respect to a matter by statutory instrument, a statutory instrument made under the relevant Code may make provision with respect to a particular aspect of the matter despite the fact that provision is made by the relevant Code in relation to another aspect of the matter or in relation to another matter.

(8) A statutory instrument may provide for the review of, or a right of appeal against, a decision made under the statutory instrument, or the relevant Code under which the statutory instrument is made or in force, and may, for that purpose, confer jurisdiction on any court, tribunal, person or body.

(9) A statutory instrument may require a form prescribed by or under the statutory instrument, or information or documents included in, attached to or given with the form, to be verified by statutory declaration.

Presumption of validity and power to make

43.(1) All conditions and preliminary steps required for the making of a statutory instrument are presumed to have been satisfied and performed in the absence of evidence to the contrary.

(2) A statutory instrument is taken to be made under all powers under which it may be made, even though it purports to be made under a particular relevant Code or a particular provision of a relevant Code.

Appointments may be made by name or office

44.(1) If a relevant Code authorises or requires a person or body—

- (a) to appoint a person to an office; or
- (b) to appoint a person or body to exercise a power; or
- (c) to appoint a person or body to do another thing;

the person or body may make the appointment by—

- (d) appointing a person or body by name; or
- (e) appointing a particular officer, or the holder of a particular office, by reference to the title of the office concerned.

(2) An appointment of a particular officer, or the holder of a particular office, is taken to be the appointment of the person for the time being occupying or acting in the office concerned.

Acting appointments

45.(1) If a relevant Code authorises a person or body to appoint a person to act in an office, the person or body may, in accordance with the relevant Code, appoint—

- (a) a person by name; or
- (b) a particular officer, or the holder of a particular office, by reference to the title of the office concerned;

to act in the office.

(2) The appointment may be expressed to have effect only in the circumstances specified in the instrument of appointment.

(3) The appointer may—

- (a) determine the terms and conditions of the appointment, including remuneration and allowances; and
- (b) terminate the appointment at any time.

(4) The appointment, or the termination of the appointment, must be in, or evidenced by, writing signed by the appointer.

(5) The appointee must not act for more than 1 year during a vacancy in the office.

(6) If the appointee is acting in the office otherwise than because of a vacancy in the office and the office becomes vacant, then, subject to subsection (2), the appointee may continue to act until—

- (a) the appointer otherwise directs; or
- (b) the vacancy is filled; or
- (c) the end of a year from the day of the vacancy;

whichever happens first.

(7) The appointment ceases to have effect if the appointee resigns by writing signed and delivered to the appointer.

(8) While the appointee is acting in the office—

- (a) the appointee has all the powers and functions of the holder of the office; and
- (b) the relevant Code and other laws apply to the appointee as if the appointee were the holder of the office.

(9) Anything done by or in relation to a person purporting to act in the office is not invalid merely because—

- (a) the occasion for the appointment had not arisen; or
- (b) the appointment had ceased to have effect; or
- (c) the occasion for the person to act had not arisen or had ceased.

(10) If the relevant Code authorises the appointer to appoint a person to act during a vacancy in the office, an appointment to act in the office may be made by the appointer whether or not an appointment has previously been made to the office.

Powers of appointment imply certain incidental powers

46.(1) If a relevant Code authorises or requires a person or body to appoint a person to an office—

- (a) the power may be exercised from time to time as occasion requires; and
- (b) the power includes—
 - (i) power to remove or suspend, at any time, a person appointed to the office; and
 - (ii) power to appoint another person to act in the office if a person appointed to the office is removed or suspended; and
 - (iii) power to reinstate or reappoint a person removed or suspended; and
 - (iv) power to appoint a person to act in the office if it is vacant (whether or not the office has ever been filled); and
 - (v) power to appoint a person to act in the office if the person

appointed to the office is absent or is unable to discharge the functions of the office (whether because of illness or otherwise).

(2) The power to remove or suspend a person under subsection (1)(b) may be exercised even if the relevant Code under which the person was appointed provides that the holder of the office to which the person was appointed is to hold office for a specified period.

(3) The power to make an appointment under subsection (1)(b) may be exercised from time to time as occasion requires.

(4) An appointment under subsection (1)(b) may be expressed to have effect only in the circumstances specified in the instrument of appointment.

Delegation of powers

47.(1) If a relevant Code authorises a person or body to delegate a power, the person or body may, in accordance with the Code, delegate the power to—

- (a) a person or body by name; or
- (b) a particular officer, or the holder of a particular office, by reference to the title of the office concerned.

(2) The delegation may be—

- (a) general or limited; and
- (b) made from time to time; and
- (c) revoked, wholly or partly, by the delegator.

(3) The delegation, or a revocation of the delegation, must be in, or evidenced by, writing signed by the delegator or, if the delegator is a body, by a person authorised by the body for the purpose.

(4) A delegated power may be exercised only in accordance with any conditions to which the delegation is subject.

(5) The delegate may, in the exercise of a delegated power, do anything that is incidental to the delegated power.

(6) A delegated power that purports to have been exercised by the delegate is taken to have been duly exercised by the delegate unless the contrary is proved.

(7) A delegated power that is duly exercised by the delegate is taken to have been exercised by the delegator.

(8) If, when exercised by the delegator, a power is, under a relevant Code, dependent on the delegator's opinion, belief or state of mind in relation to a matter, the power, when exercised by the delegate, is dependent on the delegate's opinion, belief or state of mind in relation to the matter.

(9) If a power is delegated to a particular officer or the holder of a particular office—

(a) the delegation does not cease to have effect merely because the person who was the particular officer or the holder of the particular office when the power was delegated ceases to be the officer or the holder of the office; and

(b) the power may be exercised by the person for the time being occupying or acting in the office concerned.

(10) A power that has been delegated may, despite the delegation, be exercised by the delegator.

(11) Subject to subsection (12), this section applies to a subdelegation of a power in the same way as it applies to a delegation of a power.

(12) If a relevant Code authorises the delegation of a power, the power may be subdelegated only if the Code expressly authorises the power to be subdelegated.

Exercise of powers between enactment and commencement

48.(1) If a provision of a relevant Code (the “**empowering provision**”) that does not commence on its enactment would, had it commenced, confer a power—

(a) to make an appointment; or

(b) to make a statutory instrument of a legislative or administrative character; or

(c) to do another thing;

then—

(d) the power may be exercised; and

(e) anything may be done for the purpose of enabling the exercise of

the power or of bringing the appointment, instrument or other thing into effect;

before the empowering provision commences.

(2) If a provision of a Queensland Act (the **“empowering provision”**) that does not commence on its enactment would, had it commenced, amend a provision of a relevant Code so that it would confer a power—

- (a) to make an appointment; or
- (b) to make a statutory instrument of a legislative or administrative character; or
- (c) to do another thing;

then—

- (d) the power may be exercised; and
- (e) anything may be done for the purpose of enabling the exercise of the power or of bringing the appointment, instrument or other thing into effect;

before the empowering provision commences.

(3) If—

- (a) a relevant Code that has commenced confers a power to make a statutory instrument (the **“basic instrument-making power”**); and
- (b) a provision of a Queensland Act that does not commence on its enactment would, had it commenced, amend the relevant Code so as to confer additional power to make a statutory instrument (the **“additional instrument-making power”**);

then—

- (c) the basic instrument-making power and the additional instrument-making power may be exercised by making a single instrument; and
- (d) any provision of the instrument that required an exercise of the additional instrument-making power is to be treated as made under subsection (2).

(4) If an instrument, or a provision of an instrument, is made under subsection (1) or (2) that is necessary for the purpose of—

- (a) enabling the exercise of a power mentioned in the subsection; or

- (b) bringing an appointment, instrument or other thing made or done under such a power into effect;

the instrument or provision takes effect—

- (c) on the making of the instrument; or
- (d) on such later day (if any) on which, or at such later time (if any) at which, the instrument or provision is expressed to take effect.

(5) If—

- (a) an appointment is made under subsection (1) or (2); or
- (b) an instrument, or provision of an instrument, made under subsection (1) or (2) is not necessary for a purpose mentioned in subsection (4);

the appointment, instrument or provision takes effect—

- (c) on the commencement of the relevant empowering provision; or
- (d) on such later day (if any) on which, or at such later time (if any) at which, the appointment, instrument or provision is expressed to take effect.

(6) Anything done under subsection (1) or (2) does not confer a right, or impose a liability, on a person before the relevant empowering provision commences.

(7) After the enactment of a provision mentioned in subsection (2) but before the provision's commencement, this section applies as if the references in subsections (2) and (5) to the commencement of the empowering provision were references to the commencement of the provision mentioned in subsection (2) as amended by the empowering provision.

(8) In the application of this section to a statutory instrument, a reference to the enactment of the instrument is a reference to the making of the instrument.

Code, the distance is to be measured along the shortest road ordinarily used for travelling.

- (a) if the period is expressed to be a specified number of clear days or at least a specified number of days—by excluding the day on which the purpose is to be fulfilled; and
- (b) in any other case—by including the day on which the purpose is to be fulfilled.

(3) If the last day of a period provided or allowed by a relevant Code for doing anything is not a business day in the place in which the thing is to be or may be done, the thing may be done on the next business day in the place.

(4) If the last day of a period provided or allowed by a relevant Code for the filing or registration of a document is a day on which the office is closed where the filing or registration is to be or may be done, the document may be filed or registered at the office on the next day that the office is open.

(5) If no time is provided or allowed for doing anything, the thing is to be done as soon as possible, and as often as the prescribed occasion happens.

(6) If, in a relevant Code, there is a reference to time, the reference is, in relation to the doing of anything in a State, a reference to the legal time in the State.

- (a) may be effected by properly addressing, prepaying and posting the document as a letter; and
- (b) is taken to have been effected at the time at which the letter would be delivered in the ordinary course of post, unless the contrary is proved.

(2) If a relevant Code requires or permits a document to be served by a particular postal method (whether the expression ‘deliver’, ‘give’, ‘notify’, ‘send’ or ‘serve’ or another expression is used), the requirement or permission is taken to be satisfied if the document is posted by that method or, if that method is not available, by the equivalent, or nearest equivalent, method provided for the time being by Australia Post.

Subdivision 7—Effect of repeal, amendment or expiration**Repealed relevant Codes etc. not revived**

53. If a relevant Code or a provision of a relevant Code is repealed or amended by a Queensland Act or a provision of a Queensland Act, the relevant Code or provision is not revived merely because the Queensland Act or the provision of the Queensland Act—

- (a) is later repealed or amended; or
- (b) later expires.

Saving of operation of repealed relevant Code etc.

54.(1) The repeal, amendment or expiry of a relevant Code or a provision of a relevant Code does not—

(2) Any such penalty may be imposed and enforced, and any such investigation, proceeding or remedy may be begun, continued or enforced, as if the relevant Code or provision had not been repealed or amended or had not expired.

Continuance of repealed provisions

55. If a Queensland Act repeals some or all of the provisions of a relevant Code and enacts new provisions in substitution for the repealed provisions, the repealed provisions continue in force until the new provisions commence.

- (d) if a minimum as well as a maximum penalty is specified—by a penalty not less than the minimum and not more than the maximum;
or
- (e) in any other case—by a penalty not more than the specified penalty.

Penalty other than at end of provision

(2) The fact that a provision of this Division refers to a relevant Code and not also to a statutory instrument does not, by itself, indicate that the provision is intended to apply only to the relevant Code.

Division 4—Operation of financial institutions legislation**Extraterritorial operation of legislation**

(b) while the employee has possession of the document, may take extracts from and make copies of the document, but must allow the document to be inspected at any reasonable time by a person who would be entitled to inspect it if it were not in the employee's possession.

(5) The regulations must prescribe scales of allowances and expenses to be allowed to persons required to attend under this section.

(6) The SSA must not authorise an employee for the purposes of subsection (1)(a) unless—

Maximum penalty—\$25 000.

(8) It is not a reasonable excuse for a person to fail to comply with a requirement under subsection (1) that complying with the requirement might tend to incriminate the person.

(9) Neither an answer given by a person under subsection (1), nor any information, document or other thing obtained as a direct or indirect consequence of the person giving the answer, is admissible against the person in a criminal proceeding (other than a proceeding in relation to the falsity of the answer) if—

- (b) the answer might in fact tend to incriminate the person.

PART 3—PRINCIPLES, OBJECTS AND CHARACTERISTICS OF SOCIETIES

Division 1—Principles

Principles

108.(1) The principles set out in subsection (2) do not have the force of law and are subject to the other provisions of the financial institutions legislation.

(2) The following principles are recognised in relation to societies—

Part A—Building Societies

(a) **Open and voluntary membership**

- Membership in a building society should be voluntary. Membership should be open to all who can make use of its services and are willing to accept the corresponding responsibilities.

(b) **Democratic control**

- A building society should be a democratic body.
- Its affairs should be administered by persons elected or appointed in a way agreed by the members. Those persons should be accountable to them.

(c) **Non-discrimination**

- A building society should be non-discriminatory in relation to age, race, nationality, sex, religion and politics.

(d) **Savings and home ownership**

- A building society should encourage savings and home

ownership among its members and assist in raising the standard of housing in the community.

(e) **Distribution to members**

- The surplus arising out of the operations of a building society, after allowing appropriate reserve levels and payment of dividends on share capital, should belong to and benefit all members.

(f) **On-going education**

- A building society should actively promote the education of its members, officers and employees, along with the public in general, in the principles of building societies.

(g) **Co-operation**

- A building society should actively co-operate with other building societies in order to best serve the interests of its members and their communities.

Part B—Credit Unions

(a) **Open and voluntary membership**

- Membership in a credit union should be voluntary. Membership should be open to all within the accepted common bond of association who can make use of its services and are willing to accept the corresponding responsibilities.

(b) **Democratic control**

- Members of a credit union should enjoy equal rights to vote (“one member, one vote”) and participate in decisions affecting the credit union, without regard to the amount of savings or deposits or the volume of business.

- Voting in credit union support organisations or associations may be proportional or representational, in keeping with democratic principles.

- A credit union is a co-operative enterprise serving and controlled by its members, and should thus be autonomous, within the framework of the law and industry supervision.

- Credit union elected offices are voluntary in nature and elected officials should not receive a salary. Elected officials may,

however, be reimbursed legitimate expenses.

(c) **Non-discrimination**

- A credit union should be non-discriminatory in relation to age, race, nationality, sex, religion and politics.

(d) **Service to members**

- A credit union's services should be directed to improving the economic and social well-being of all members.

(e) **Distribution to members**

- To encourage thrift through savings and thus to provide financial accommodation and other services, a fair rate of interest should be paid on savings and deposits, within the capability of the credit union.
- The surplus arising out of the operations of a credit union, after allowing appropriate reserve levels and payment of limited dividends on share capital if it exists, should belong to and benefit all members, with no member or group of members benefiting to the detriment of others.
- This surplus may be distributed among members in proportion to their transactions with the credit union as interest or directed to improved or additional services required by the members.

(f) **Building financial stability**

- A prime concern of a credit union should be to build the financial strength, including adequate reserves and internal controls, that will ensure continued service to its membership.

(g) **On-going education**

- A credit union should actively promote the education of its members, officers and employees, along with the public in general, in the economic, social, democratic and mutual self-help principles of credit unions.
- The promotion of thrift and the wise use of credit, as well as education on the rights and responsibilities of members, are essential to the dual social and economic character of credit unions in serving member needs.

(h) **Co-operation among co-operatives**

- In keeping with their philosophy and the pooling practices of co-operatives, a credit union should, within its capabilities, actively co-operate with other credit unions, co-operatives and their associations at local, national, and international levels in order to best serve the interests of its members and their communities.

(i) **Social responsibility**

- Continuing the ideals and beliefs of co-operative pioneers, credit unions seek to bring about human and social development.
- Their vision of social justice extends both to the individual members and to the larger community in which they work and reside.
- The credit union ideal is to extend service to all who need and can use it.
- Every person is either a member or a potential member and appropriately part of the credit union sphere of interest and concern.
- Decisions should be taken with full regard for the interest of the broader community within which a credit union and its members reside.

- (a) under the society's rules and at the request or with the consent of the person; or
- (b) under a provision of this Code other than this section.

(3) In the case of withdrawable shares in a society cancelled under this section, the society must pay to the holder of cancelled shares the amount paid-up on the shares, together with any other amount to which the holder may be entitled in relation to the shares.

Conversion of withdrawable share capital to deposits

159.(1) In this section—

“building society” includes a financial institution that, under the regulations, may issue permanent shares.

(2) If authorised by its rules, a building society may, by special resolution, establish a scheme for the conversion of withdrawable share capital of the society to deposits.

(3) A scheme under this section—

- (a) must provide for—
 - (i) cancellation, subject to this Code, of the shares to which the scheme applies; and
 - (ii) the recording in the building society's accounts, as a deposit lodged by each member who was the holder of cancelled shares, of the amount paid-up by the member on the shares, together with any other amount to which the member may be entitled in relation to the shares; and
- (b) if the membership status of a person holding shares affected by the scheme would otherwise be lost—must provide for the preservation of that status by doing one or more of the following—
 - (i) excluding shares, or conferring on the member the right to exclude shares, from the scheme;
 - (ii) conferring on the member the right to subscribe for permanent shares in place of shares affected by the scheme;
 - (iii) taking such other steps as may be approved by the SSA; and
- (c) may provide for rights attaching to shares affected by the scheme

to attach to other shares that will continue to be held by the member after implementation of the scheme.

(4) Special resolutions may be passed at a single meeting of a building society for the purposes of—

- (a) altering the society's rules to authorise it to establish a scheme under this section; and
- (b) establishing the scheme;

but, except to the extent necessary to enable both resolutions to be passed at the same meeting, the resolutions may not take effect before the alteration of rules has been registered by the SSA in accordance with section 128 (Registration of alteration of rules).

(5) A scheme under this section may not take effect unless the building society satisfies the SSA, by lodging such documents as the SSA may require, that it has—

- (a) taken action, as required by the SSA, to invite and receive applications from creditors for the discharge, partial discharge or securing of liabilities arising from debts or claims that would, as at the date fixed by the SSA, have been admissible as evidence against the society if the society had then started to be wound-up; and
- (b) discharged or secured, or made appropriate arrangements for discharging or securing, such liabilities in accordance with applications received by it within a period fixed by the SSA.

Withdrawable shares to rank equally with deposits on winding up

160. Withdrawable shares rank equally with deposits as regards return of capital on the winding-up of a building society if the building society's rules so provide.

Charge on withdrawable shares or deposit account

161.(1) In this section—

“**member**” of a society includes a former member of a society.

(2) A society must inform a person—

- (a) at the time when the person takes up withdrawable shares in, or

places money on deposit with, the society; and

(b) at regular intervals after that time under the society's rules;

that the society may charge the shares or the credit balance of the deposit account of the member in relation to any debt owed by the member to the society.

(3) A society that has complied with subsection (2) has, in relation to any debt owed by a member to the society, a charge on—

(a) the member's shares in the society; and

(b) the credit balance of any deposit account of the member; and

(c) any dividend, interest, bonus or rebate payable to the member.

(4) The charge created by this section may be enforced by the appropriation by the society of the share capital or other money subject to the charge.

(5) Any share in relation to which the whole of the capital has been so appropriated is forfeited to the society.

Division 3—Permanent shares

Interpretation

162. In this Division—

“**building society**” includes a financial institution that, under the regulations, may issue permanent shares.

Issue of permanent shares

163.(1) Permanent shares in a building society may be issued as fully paid-up shares or shares to be paid for by periodical or other subscription or at call.

(2) If the rules of a building society provide for the issue of permanent shares of different classes, the rules must provide that each class of permanent shares ranks equally with the other classes of permanent shares in relation to the return of capital and any distribution of surplus assets and profits in the winding-up of the building society.

Issue of preference shares

164.(1) Without limiting section 149 (Classes of shares, rights etc.), preference shares may be issued as a class of permanent shares.

(2) The SSA may, by Gazette notice, declare that specified preference shares issued by a building society are a class of permanent shares.

(3) A declaration has effect for the purposes of the application of this Code to the shares to which the declaration relates.

Rights of holders of preference shares to be set out in rules

165. A building society must not allot a preference share, or convert an issued share into a preference share, unless its rules set out the rights of the holder of the share in relation to—

- (a) repayment of capital; and
- (b) participation in surplus assets and profits; and
- (c) cumulative or non-cumulative dividends; and
- (d) payment of interest; and
- (e) voting; and
- (f) priority of payment of capital, dividend and interest;

in relation to other shares or other classes of preference shares.

Cancellation of permanent shares

166.(1) Subject to section 173 (Sale of permanent shares forfeited for non-payment of call), issued or unissued permanent shares in a building society may not be cancelled by the building society except—

- (a) under its rules and with the approval of the SSA; or
- (b) under a provision of this Code other than this section.

(2) If the SSA gives approval to the cancellation of permanent shares in a building society, the SSA may attach conditions to the approval and may, on noncompliance with a condition of the approval, revoke the approval.

(3) Without limiting subsection (2), the SSA may impose conditions on the cancellation of permanent shares in a building society to the effect of the

permitted buy-back procedures set out in Division 4B of Part 2.4 of the Corporations Law as if—

- (a) a reference in that Division to a company were a reference to the building society; and
- (b) a permitted buy-back in accordance with that Division were the procedure leading to cancellation of the permanent shares under subsection (1).

(4) Subject to subsection (5), a building society must not cancel a permanent share if the result of taking such action would be that the building society fails to satisfy, or is in breach of, a standard.

(5) Despite any other provision of this Code, a building society must cancel any permanent share that is forfeited to the building society under this Code or its rules and is not required by this Code to be sold.

Dividends, interest etc. in relation to permanent shares

167.(1) In this section—

“**dividend**” includes a payment by way of bonus.

(2) A building society may, if authorised by its rules and the board so determines, in relation to a particular class of permanent shares—

- (a) distribute profits by way of dividends or bonus shares (whether fully or partly paid-up) to the holders of the shares; or
- (b) pay interest out of its revenue to the holders of the shares; or
- (c) do both these things.

(3) Dividends or bonus share issues in relation to permanent shares may vary in value proportionately according to the extent to which each permanent share in relation to which the payment or issue is made is paid up.

(4) A building society commits an offence if dividends are paid otherwise than out of profits or out of a share premium account maintained by the building society under this Division.

Maximum penalty—\$75 000.

(5) If dividends are paid otherwise than out of profits in contravention of subsection (4), the creditors of the building society are entitled to recover

from any officer of the building society who knowingly caused or permitted the payment to be made the amount of the debts owed by the building society to them respectively to the extent that the dividends so paid have exceeded profits.

(6) If the whole amount is recovered from one officer, that officer may recover contribution from any other officer similarly liable.

(7) A liability imposed on an officer under this section is extinguished on the person's death.

Approval of rules for permanent share issues

168.(1) A building society must not issue permanent shares unless the society's rules authorise the issue of permanent shares and the society otherwise complies with this Code.

(2) If, at the commencement of this section, the rules of a building society authorise the issue of permanent shares, the society must not issue permanent shares under the rules unless the society first submits the rules to the SSA for its approval under this section.

(3) If a building society proposes to adopt rules that authorise the issue of permanent shares, the society must first submit the rules to the SSA for its approval under this section.

(4) The SSA may approve rules for the issue by a building society of permanent shares if the SSA is satisfied that—

(a) the rules make appropriate provision for the reasonable apportionment of reserves and profits of the society among different classes of shareholders; and

(b) there would be, on a winding-up of the society, a reasonable apportionment of reserves and profits among different classes of shareholders.

Allotment of permanent shares otherwise than for cash

169.(1) For the purposes of this section, the issue of shares under a dividend reinvestment plan, or the issue of bonus shares paid for out of the share premium account under section 176 (Issue of permanent shares at premium), is not an issue of shares otherwise than in consideration of

payment in cash.

(2) A building society must not allot permanent shares as fully or partly paid-up otherwise than in consideration of payment in cash unless the building society has obtained a report from an expert, signed by the expert and stating—

- (a) what, in the expert's opinion, is the money value, at the time of the signing of the report, of the consideration given in relation to the shares; and
- (b) whether or not, in the expert's opinion, the consideration is fair and reasonable as at that time and the reasons for the opinion; and
- (c) particulars of any relationship that the expert has with the building society or an associate of the building society; and
- (d) particulars of any pecuniary or other interest that the expert has that could reasonably be regarded as being capable of affecting the expert's ability to give an unbiased report; and
- (e) particulars of any fee or pecuniary or other benefit, whether direct or indirect, that the expert has received, or will or may receive, for or in connection with the making of the report.

(3) A copy of a report under subsection (2) must—

- (a) if a disclosure statement is required to be issued under this Part in relation to the shares concerned—be incorporated by the building society in the disclosure statement; or
- (b) in any other case—be lodged with the SSA by the building society not less than 7 days before the shares are allotted.

(4) The building society must, if it has obtained the opinions of more than one expert for the purposes of this section, attach to any report that is dealt with under subsection (3) a statement setting out, in relation to each of the experts (other than the one who signed the report)—

- (a) the name of the expert; and
- (b) particulars of the opinion (if any) expressed by the expert on the matters on which an expert's opinion is required for the purposes of this section.

(5) A building society that contravenes this section commits an offence and is liable on conviction to a maximum penalty of \$25 000.

Power to exempt in relation to non-cash consideration

170.(1) The SSA may, by written notice, exempt a building society, conditionally or unconditionally, from a requirement of section 169 (Allotment of permanent shares otherwise than for cash).

(2) The SSA may, on non-compliance with a condition of an exemption under this section, by written notice, revoke the exemption.

Differences in calls, reserve liability etc.

171.(1) A building society may, if authorised by its rules—

- (a) make arrangements on the issue of permanent shares for varying the amounts and times of payment of calls as among shareholders; and
- (b) accept from a shareholder the whole or a part of the amount remaining unpaid on any permanent shares although no part of that amount has been called-up.

(2) A building society may, by special resolution, determine that any proportion of its permanent share capital that has not been already called-up is not capable of being called-up except in the event and for the purposes of the building society being wound-up, but the resolution does not prejudice any rights acquired by a person before the passing of the resolution.

Calls and effect of non-compliance with calls on permanent shares

172.(1) Calls on permanent shares in a building society must be so made that they are payable not less than 14 days from the day on which the call is made, and no subsequent call may be made within 7 days from the day on which the call made immediately before it is payable.

(2) When a call is made, notice of the amount of the call, of the day when it is payable and of the place for payment must, not less than 7 days before the day, be sent by post to the holder of shares on which the call is made.

(3) If a call on a share is not paid on or before the day for its payment, the shareholder is not entitled—

- (a) to a dividend or interest on the share; or
- (b) to a vote in any meeting of members of the building society.

(4) If a call on a share is unpaid at the end of 14 days after the day for its

payment, the share may be forfeited by resolution of the board.

Sale of permanent shares forfeited for non-payment of call

173.(1) Permanent shares forfeited to a building society for non-payment of a call must be offered for sale not more than 6 weeks after their forfeiture—

- (a) by auction; or
- (b) on a stock market lawfully established or operated by the building society.

(2) The rules of a building society must provide for—

- (a) the procedure to be followed in the conduct of the auction; and
- (b) the application of the proceeds of sale of the forfeited shares.

Prohibition of allotment unless minimum subscription received

174.(1) A building society must not make an allotment of permanent shares in the building society that have been offered to the public or in relation to which an invitation has been issued to the public unless—

- (a) the minimum subscription (if any) has been subscribed; and
- (b) the sum payable on application for the subscribed shares has been received by the building society.

(2) For the purposes of subsection (1), if a building society has received a cheque or payment order for the sum payable on application for an allotment of shares in the building society, the sum is not taken to have been received by the building society until the cheque is paid by the bank on which it is drawn or payment is made in accordance with the order.

(3) In ascertaining for the purposes of subsection (1) whether the minimum subscription has been subscribed in relation to an allotment of shares, an amount equal to the sum of—

- (a) the nominal value of each share; and
- (b) if the share is, or is to be, issued at a premium—the amount of the premium payable on each share;

less any amount payable otherwise than in cash is taken to have been

subscribed in relation to each share for the allotment of which an application has been made.

(4) If the conditions mentioned in subsection (1) have not been satisfied within 4 months after the issue of the disclosure statement, the building society must repay, under this section, all money received from applicants for shares.

(5) If a building society is liable, under subsection (4), to repay money received from applicants for shares—

(a) the money must be repaid without interest within 7 days after the building society becomes liable; and

(b) if the money is not repaid within the period—

(i) the directors of the building society are, subject to subsection (6), jointly and severally liable to repay the money with interest at the prescribed rate calculated from the end of the period; and

(ii) each director of the building society commits an offence for which the director is liable on conviction to a maximum penalty of \$5 000.

(6) A director of a building society is not liable under subsection (5)(b)(i), and does not commit an offence against subsection (5)(b)(ii), if it is proved that the default in the repayment of the money was not due to any misconduct or negligence on the director's part.

(7) An allotment made by a building society to an applicant in contravention of this section is voidable at the option of the applicant and is voidable even if the building society is being wound-up.

(8) An option mentioned in subsection (7) is exercisable by written notice served on the building society within 1 month after the date of the allotment.

(9) A director of a building society who knowingly contravenes, or permits or authorises the contravention of, any of the provisions of this section (other than subsection (5)) commits an offence and is liable, in addition to the penalty for the offence, to compensate the building society and any person to whom an allotment has been made in contravention of this section respectively for any loss, damages or expenses that the building society or the person has sustained or incurred because of the allotment.

Maximum penalty—\$5 000.

(10) A proceeding for the recovery of compensation under subsection (9) must be started within 2 years after the date of the allotment.

(11) Any condition requiring or binding an applicant for shares to waive compliance with any requirement of this section, or purporting to do so, is void.

Return as to allotments

175.(1) If a building society makes an allotment of its permanent shares, the building society must, within 1 month after the allotment is made, lodge with the SSA a return, in accordance with the regulations, stating—

- (a) the number and nominal values of the shares comprised in the allotment; and
- (b) the amount (if any) paid or due and payable on the allotment of each share; and
- (c) if the capital of the building society is divided into shares of different classes—the class of shares to which each share comprised in the allotment belongs; and
- (d) subject to subsection (2), the full name, or the surname and at least one given name and initials, and the address of each of the allottees and the number and class of shares allotted to the person.

(2) The particulars mentioned in subsection (1)(d) need not be included in a return in relation to shares that have been allotted in consideration of the payment of money.

(3) If shares in a building society are allotted as fully or partly paid-up otherwise than in consideration of the payment of money and the allotment is made under a written contract, the building society must lodge with the return the contract evidencing the entitlement of the allottee or a certified copy of any such contract.

(4) If a certified copy of a contract is lodged under subsection (3), the original contract duly stamped must be produced at the same time to the SSA.

(5) If shares in a building society are allotted as fully or partly paid-up otherwise than in consideration of the payment of money and the allotment is made—

- (a) under a contract not reduced to writing; or
- (b) under the society's rules; or
- (c) in satisfaction of a dividend declared in favour of, but not payable in cash to, the shareholders; or
- (d) under the application of money held by the building society in an account or reserve in paying up or partly paying up unissued shares to which the shareholders have become entitled;

the building society must lodge with the return a statement containing such particulars as are prescribed.

(6) For the purposes of this section, any shares in a building society applied for prior to the registration of the building society are taken to have been allotted on the date of registration of the building society.

Issue of permanent shares at premium

176.(1) If a building society issues permanent shares for which a premium is received by the building society (whether in money or in the form of other valuable consideration) the aggregate amount or value of the premiums on the shares must be transferred to an account called the “**share premium account**”, and the provisions of this Part relating to the reduction of the share capital of a building society apply, subject to this section, as if the share premium account were paid-up share capital of the building society.

(2) The share premium account may be applied—

- (a) in paying-up shares to be issued to members of the building society as fully paid bonus shares; or
- (b) in paying-up, in whole or in part, the balance unpaid on shares previously issued to members of the building society; or
- (c) in the payment of dividends, if those dividends are satisfied by the issue of shares to members of the building society; or
- (d) in writing-off the preliminary expenses of the building society; or
- (e) in writing-off the expenses of, or the payment made in relation to any issue of shares in, or debentures of, the building society; or
- (f) in providing for the premium payable on redemption of

debentures or redeemable preference shares.

Special resolution for reduction of permanent share capital

177.(1) Subject to confirmation by the Court, a building society may, if authorised by its rules, by special resolution reduce its permanent share capital in any way and, in particular, may do all or any of the following—

- (a) extinguish or reduce the liability on any of its shares in relation to share capital not paid-up;
- (b) cancel any paid-up share capital that is lost or is not represented by available assets;
- (c) pay off any paid-up share capital that is in excess of the society's needs.

(2) If the proposed reduction of permanent share capital involves either diminution of liability in relation to unpaid share capital or the payment to any shareholder of any paid-up share capital, and in any other case if the Court so directs—

- (a) every creditor of the building society who, at the date fixed by the Court, is entitled to any debt or claim that, if that date were the date of starting the winding-up of the building society, would be admissible in evidence against the building society, is entitled to object to the reduction; and
- (b) the Court, unless satisfied on affidavit that there are no such creditors, must settle a list of the names of creditors entitled to object and, for that purpose, must ascertain as far as possible, without requiring an application from any creditor, the names of those creditors and the nature and amount of their debts or claims, and may publish notices fixing a final day on or before which creditors whose names are not entered on the list may claim to be so entered; and
- (c) if a creditor whose name is entered on the list, and whose debt has not been discharged or whose claim has not been determined, does not consent to the reduction, the Court may dispense with the consent of the creditor on the building society securing payment of the creditor's debt or claim by appropriating as the Court directs—
 - (i) if the building society admits the full amount of the debt or claim or, though not admitting it, is willing to provide for it—the

full amount of the debt or claim; or

(ii) if the building society does not admit and is not willing to provide for the full amount of the debt or claim or if the amount is contingent or not ascertained—an amount fixed by the Court after inquiry and adjudication of the kind required where a building society is wound-up by the Court.

(3) The Court may, having regard to any special circumstances of a case, direct that all or any of the provisions of subsection (2) do not apply in relation to creditors included in a particular class of creditors.

(4) The Court may, if satisfied that in relation to each creditor who under subsection (2) is entitled to object—

- (a) the creditor's consent to the reduction has been obtained; or
- (b) the creditor's debt has been discharged or secured; or
- (c) the creditor's claim has been determined or has been secured;

make an order confirming the reduction on such terms and conditions as it considers appropriate.

(5) A building society must not act on a resolution for the reduction of permanent share capital before application is made to the SSA for registration of the resolution and an office copy of the order of the Court is lodged with the SSA, but a resolution may specify an earlier date (but not earlier than the date of the resolution) as the date from which the reduction of capital is to have effect.

(6) A certificate of the SSA stating that the resolution and an office copy of the order made under subsection (4) have been registered by the SSA is conclusive evidence that all the requirements of this Code relating to the reduction of permanent share capital have been complied with in relation to the building society.

(7) A shareholder or former shareholder in a building society is not liable, in relation to any share in the building society, to any call or contribution of more than the difference (if any) between the amount of the share as fixed by an order made under subsection (4) and the amount paid, or the reduced amount (if any) that is taken to have been paid, on the share.

(8) Despite any other provision of this Code, if the name of a creditor who is entitled under subsection (2) to object to a reduction is, because of the creditor's ignorance of the proceeding for reduction or of its nature and

effect in relation to the creditor's claim, not entered on the list of creditors and, after the reduction, the building society is unable, within the meaning of the provisions relating to winding-up by the Court, to pay the amount of the creditor's debt or claim—

(a) every person who was a member of the building society at the date of the registration of the copy of the order for reduction is liable to contribute for the payment of the debt or claim an amount not more than the amount that the person would have been liable to contribute if the building society had started to be wound-up on the day before that date; and

(b) if the building society is wound-up—the Court, on the application of any such creditor and proof of the creditor's ignorance of the proceeding for reduction or of its nature and effect in relation to the creditor's claim, may settle accordingly a list of the names of persons liable to contribute because of paragraph (a) and make and enforce calls and orders on the contributories whose names are included in the list as if they were ordinary contributories in a winding-up;

but nothing in this subsection affects the rights of the contributories among themselves.

(9) An officer of a building society who—

(a) knowingly conceals the name of a creditor entitled to object to a reduction in the permanent share capital of the building society; or

(b) knowingly misrepresents the nature or amount of the debt or claim of any creditor of the building society;

commits an offence.

Maximum penalty—\$5 000.

(10) The granting, under the rules of a building society, of a lease, licence or other right to occupy or use land or a building, or a part of land or a building, in favour of a member of the building society by force of the person's membership does not constitute a reduction of the permanent share capital of the building society.

Building society financing dealings in its permanent shares etc.

178.(1) Except as otherwise expressly provided by this Code, a building society must not—

(a) whether directly or indirectly, give any financial assistance for the purpose of, or in connection with—

(i) the acquisition by a person, whether before, or at the same time as, the giving of financial assistance, of permanent shares in the building society; or

(ii) the proposed acquisition by a person of permanent shares in the building society; or

(b) whether directly or indirectly, in any way, acquire permanent shares in the building society; or

(c) whether directly or indirectly, in any way, lend money on the security of permanent shares in the building society.

(2) A reference in this section to the giving of financial assistance includes a reference to the giving of financial assistance by means of the making of a loan, the giving of a guarantee, the providing of security, the releasing of an obligation or the forgiving of a debt or otherwise.

(3) For the purposes of this section, a building society is taken to have given financial assistance for the purpose of an acquisition or proposed acquisition (the “**relevant purpose**”) if—

(a) the building society gave the financial assistance for purposes that included the relevant purpose; and

(b) the relevant purpose was a substantial purpose of the giving of the financial assistance.

(4) For the purposes of this section, a building society is taken to have given financial assistance in connection with an acquisition or proposed acquisition if, when the financial assistance was given to a person, the building society was aware that the financial assistance would financially assist—

(a) the acquisition by a person of permanent shares in the building society; or

(b) if permanent shares in the building society had already been acquired—the payment by a person of any unpaid amount of the subscription payable for the shares or any premium payable in relation to the shares, or the payment of any calls on the shares.

(5) If a building society contravenes subsection (1), any officer of the society who is in default commits an offence.

Maximum penalty—\$5 000.

(6) If—

- (a) a person is convicted of an offence against subsection (5); and
- (b) the court by which the person is convicted is satisfied that the building society or another person has suffered loss or damage because of the contravention that constituted the offence;

that court may, in addition to imposing a penalty, order the convicted person to pay compensation to the building society or other person of an amount specified by the court.

(7) The order may be enforced as if it were a judgment of that court.

(8) The power of a court under section 409 (Power to grant relief) to relieve a person to whom that section applies from a liability mentioned in that section extends to relieving a person against whom an order may be made under subsection (6) from the liability to have such an order made against the person.

(9) In this section, a reference to an acquisition or proposed acquisition of shares is a reference to any acquisition or proposed acquisition, whether by way of purchase, subscription or otherwise.

Exceptions

179.(1) Section 178(1) (Building society financing dealings in its permanent shares etc.) does not prohibit—

- (a) the payment of a dividend by a building society in good faith and in the ordinary course of commercial dealing; or
- (b) a payment made by a building society under a reduction of capital in accordance with this Part; or
- (c) the discharge by a building society of a liability of the building society that was incurred in good faith as a result of a transaction entered into on ordinary commercial terms; or
- (d) an acquisition by a building society of an interest (other than a legal interest) in fully paid permanent shares in the building society if no consideration is provided by the building society, or by any related body corporate, for the acquisition; or

(e) the purchase by a building society of permanent shares in the building society under an order of a court; or

(f) the creation or acquisition, in good faith and in the ordinary course of commercial dealing, by a building society of a lien on permanent shares in the building society (other than fully paid shares) for any amount payable to the building society in relation to the shares; or

(g) the entering into, in good faith and in the ordinary course of commercial dealing, of an agreement by a building society with a subscriber for permanent shares in the building society permitting the subscriber to make payments for the shares (including payments in relation to any premium) by instalments.

(2) Subsection (1) does not—

(a) imply that a particular act of a building society would, but for that subsection, be prohibited by section 178(1) (Building society financing dealings in its permanent shares etc.); or

(b) limit the operation of any rule of law permitting the giving of financial assistance by a building society, the acquisition of permanent shares by a building society or the lending of money by a building society on the security of permanent shares.

(3) Section 178(1) (Building society financing dealings in its permanent shares etc.) does not prohibit—

(a) the making of a loan, the giving of a guarantee or the providing of security by a building society in the ordinary course of business if the loan that is made by the building society, or in relation to which the guarantee or security is given or provided, is made on ordinary commercial terms as to the rate of interest, the terms of repayment of principal and payment of interest, the security to be provided and otherwise; or

(b) the giving by a building society of financial assistance for the purpose of, or in connection with, the acquisition or proposed acquisition of fully paid permanent shares in the building society to be held by or for the benefit of participating employees in a scheme approved by the building society at a general meeting for assisting such acquisitions if the financial assistance is given in accordance with that scheme.

(4) Section 178(1) (Building society financing dealings in its permanent shares etc.) does not prohibit the giving by a building society of financial assistance for the purpose of, or in connection with, an acquisition or proposed acquisition by a person of permanent shares in the building society if—

- (a) the building society does so under a special resolution passed by the building society; and
- (b) the notice of the proposed special resolution given to members of the building society sets out—
 - (i) particulars of the financial assistance proposed to be given and the reasons for the proposal to give that assistance; and
 - (ii) the effect that the giving of the financial assistance would have on the financial position of the building society and any group for which the building society is the holding building society;

and is accompanied by a copy of a statement made under a resolution of the directors, setting out the names of any directors who voted against the resolution and the reasons why they so voted, and signed by not fewer than 2 directors, stating whether, in the opinion of the directors who voted in favour of the resolution, after taking into account the financial position of the building society (including future liabilities and contingent liabilities), the giving of the financial assistance would be likely to prejudice materially the interests of the creditors or members of the building society or any class of those creditors or members; and

- (c) not later than the day after the day when the notice mentioned in paragraph (b) is given to members of the building society, there is lodged with the SSA a copy of that notice and a copy of the statement that accompanied the notice; and
- (d) within 21 days after the general meeting of the building society at which the special resolution is passed a notice—
 - (i) setting out the terms of the special resolution; and
 - (ii) stating that any of the persons specified in subsection (6) may, within the period specified in that subsection, make an application to the Court opposing the giving of the financial assistance;

is published, in each State in which the building society is carrying on business, in a newspaper circulating generally in the State; and

(e) no application opposing the giving of the financial assistance is made within the period specified in subsection (6) or, if such an application is made, the application is withdrawn or the Court approves the giving of the financial assistance.

(5) If, on application to the Court by a building society, the Court is satisfied that subsection (4) has been substantially complied with by the building society in relation to proposed financial assistance of the kind mentioned in that subsection, the Court may, by order, declare that the subsection has been complied with in relation to the proposed financial assistance.

(6) If a special resolution is passed by a building society, an application to the Court opposing the giving of the financial assistance to which the special resolution relates may be made, within the period of 21 days after the publication of the notice mentioned in subsection (4)(d), by—

- (a) a member or creditor of the building society; or
- (b) a member or creditor of a subsidiary of the building society; or
- (c) the SSA.

(7) On an application under subsection (6), the Court—

(a) is to, in determining what orders to make in relation to the application, have regard to the rights and interests of the members of the building society or of any class of them as well as to the rights and interests of the creditors of the building society or of any class of them; and

(b) may not make an order approving the giving of the financial assistance unless the Court is satisfied that—

(i) the building society has disclosed to the members of the building society all material matters relating to the proposed financial assistance; and

(ii) the proposed financial assistance would not, after taking into account the financial position of the building society (including any future or contingent liabilities), be likely to prejudice materially the interests of the creditors or members of the

building society or of any class of those creditors or members;
and

- (c) may do all or any of the following—
- (i) make an order for the purchase by the building society of the interests of dissentient members of the building society;
 - (ii) adjourn the proceeding in order that an arrangement may be made to the satisfaction of the Court for the purchase (otherwise than by the building society or by a subsidiary of the building society) of the interests of dissentient members;
 - (iii) give such ancillary or consequential directions and make such ancillary or consequential orders as it considers appropriate;
 - (iv) make an order disapproving the giving of the financial assistance or, subject to this section, an order approving the giving of the financial assistance.

(8) If the Court makes an order under this section in relation to a building society, the building society must, within 14 days after the making of the order, lodge with the SSA an office copy of the order.

(9) The passing of a special resolution by a building society relating to financial assistance, and the approval by the Court of the giving of the financial assistance, do not relieve a director of the building society of any duty to the building society under this Code or otherwise (whether or not of a fiduciary nature) in connection with the giving of the financial assistance.

(10) In this section, a reference to an acquisition or proposed acquisition of shares is a reference to any acquisition or proposed acquisition whether by way of purchase, subscription or otherwise.

Consequences of building society financing dealings in its permanent shares etc.

180.(1) Except as provided by this section—

- (a) the validity of a contract or transaction is not affected by a contravention of section 178(1)(a) (Building society financing dealings in its permanent shares etc.); and
- (b) the validity of a contract or transaction is not affected by a contravention of section 178(1)(b) unless the contract or transaction

effects the acquisition that constitutes the contravention; and

(c) the validity of a contract or transaction is not affected by a contravention of section 178(1)(c) unless the contract or transaction effects the loan that constitutes the contravention.

(2) If a building society makes or performs a contract, or engages in a transaction, that would, but for subsection (1), be invalid because—

(a) the contract was made or performed, or the transaction was engaged in, in contravention of section 178 (Building society financing dealings in its permanent shares etc.); or

(b) the contract or transaction is related to a contract that was made or performed, or to a transaction that was engaged in, in contravention of that section;

the first contract or transaction is, subject to this section, voidable at the option of the building society by written notice given to each of the other parties to the contract or transaction.

(3) The Court may, on the application of a member, officer or creditor of a building society, by order, authorise the person to give a notice under subsection (2) in the name of the building society.

(4) If—

(a) a building society makes or performs a contract, or engages in a transaction; and

(b) the contract is made or performed, or the transaction is engaged in, in contravention of section 178 (Building society financing dealings in its permanent shares etc.) or the contract or transaction is related to a contract that was made or performed, or to a transaction that was engaged in, in contravention of the section; and

(c) the Court is satisfied, on the application of the building society or of another person, that the building society or that other person has suffered, or is likely to suffer, loss or damage because of—

(i) the making or performance of the contract or the engaging in of the transaction; or

(ii) the making or performance of a related contract or the engaging in of a related transaction; or

(iii) the contract or transaction being void because of section 178

(Building society financing dealings in its permanent shares etc.) or having become void, or becoming void, under this section; or

(iv) a related contract or transaction being void because of section 178 (Building society financing dealings in its permanent shares etc.) or having become void, or becoming void, under this section;

the Court may make such orders as it considers just and equitable (including, for example, any of the orders mentioned in subsection (5)) against a party to the contract or transaction or to the related contract or transaction, or against the building society or against any person who aided, abetted, counselled or procured, or was, by act or omission, in any way, directly or indirectly, knowingly concerned in or party to the contravention.

(5) The orders that may be made under subsection (4) include—

(a) an order directing a person to refund money or return property to the building society or another person; and

(b) an order directing a person to pay to the building society or another person a specified amount not more than the amount of the loss or damage suffered by the building society or other person; and

(c) an order directing a person to indemnify the building society or another person against any loss or damage that the building society or other person may suffer because of the contract or transaction or because of the contract or transaction being or having become void.

(6) If a certificate signed by at least 2 directors, or by a director and a secretary, of a building society stating that the requirements of section 179(4) (Exceptions) have been complied with in relation to the proposed giving by the building society of financial assistance for the purpose of an acquisition or proposed acquisition by a person of permanent shares in the building society is given to a person—

(a) the person to whom the certificate is given is not under any liability to have an order made against the person under subsection (4) because of any contract made or performed, or any transaction engaged in, by the person in reliance on the certificate; and

(b) any such contract or transaction is not invalid, and is not voidable under subsection (2), because the contract is made or performed, or the transaction is engaged in, in contravention of section 178 (Building society financing dealings in its permanent shares etc.) or is related to a

contract that was made or performed, or to a transaction that was engaged in, in contravention of the section.

(7) Subsection (6) does not apply in relation to a person to whom a certificate is given under that subsection in relation to a contract or transaction if the Court, on application by the building society concerned or another person who has suffered, or is likely to suffer, loss or damage because of the making or performance of the contract or the engaging in of the transaction, or the making or performance of a related contract or the engaging in of a related transaction, by order, declares that it is satisfied that the person to whom the certificate was given became aware before the contract was made or the transaction was engaged in that the requirements of section 179(4) (Exceptions) had not been complied with in relation to the financial assistance to which the certificate related.

(8) For the purpose of subsection (7), a person is, in the absence of evidence to the contrary, taken to have been aware at a particular time of any matter of which an employee or agent of the person having duties or acting on behalf of the person in relation to the relevant contract or transaction was aware at the time.

(9) In a proceeding, a document purporting to be a certificate given under subsection (6) is, in the absence of evidence to the contrary, taken to be such a certificate and to have been duly given.

(10) A person who has possession of a certificate given under subsection (6) is, in the absence of evidence to the contrary, taken to be the person to whom the certificate was given.

(11) If a person signs a certificate stating that the requirements of section 179(4) (Exceptions) have been complied with in relation to the proposed giving by a building society of financial assistance and any of those requirements had not been complied with in relation to the proposed giving of that assistance at the time when the certificate was signed by that person, the person commits an offence.

Maximum penalty—\$25 000.

(12) If a building society makes a contract or engages in a transaction under which it gives financial assistance as mentioned in section 178(1)(a) (Building society financing dealings in its permanent shares etc.) or lends money as mentioned in section 178(1)(c), any contract or transaction made or engaged in because of, or by means of, or in relation to, the financial assistance or money is to be taken, for the purposes of this section, to be

related to the first contract or transaction.

(13) The power of a court under section 409 (Power to grant relief) to relieve a person to whom that section applies from a liability mentioned in that section extends to relieving a person against whom an order may be made under subsection (4) from the liability to have such an order made against the person.

(14) Any rights or liabilities of a person under this section (including rights or liabilities under an order made by the Court under this section) are in addition to and not in derogation of any rights or liabilities of that person apart from this section but, if there would be any inconsistency between the rights and liabilities of a person under this section or under an order made by the Court under this section and the rights and liabilities of the person apart from this section, the provisions of this section or of the order made by the Court prevail.

Prohibition on subsidiary acquiring permanent shares of holding building society

181.(1) A body corporate must not be a holder of permanent shares of a building society that is its holding building society, and any allotment or transfer of permanent shares in a building society to its subsidiary is void.

(2) This section does not prevent a subsidiary from continuing to be a holder of permanent shares of its holding building society if, at the time when it becomes a subsidiary of the holding building society, it already holds permanent shares in the holding building society, but the subsidiary must, within 1 year or such longer period as the Court may allow after becoming the subsidiary of its holding building society, dispose of all of its shares in the holding building society.

(3) Subsections (1) and (2) apply in relation to a nominee for a body corporate that is a subsidiary as if references in this section to such a body corporate included references to a nominee for it.

(4) Subsection (1) does not apply if—

- (a) the subsidiary is concerned as a personal representative; or
- (b) the subsidiary is concerned as a trustee and—

- (i) the holding building society or a subsidiary of the holding building society is not beneficially interested under the trust; or

(ii) the holding building society or a subsidiary of the holding building society is beneficially interested under the trust only by way of a security given for the purposes of a transaction entered into in the ordinary course of business in connection with the lending of money, other than a transaction entered into with an associate of the holding building society or a subsidiary of the holding building society.

Options over permanent shares

182.(1) An option granted by a building society that enables a person to take up permanent shares in the building society after the end of 5 years from the date on which the option was granted is void.

(2) Subsection (1) does not apply where the holders of debentures of a building society have an option to take up permanent shares in the building society by way of redemption of the debentures.

Division 4—Redeemable preference shares

Interpretation

183. In this Division—

“**building society**” includes a financial institution that, under the regulations, may issue redeemable preference shares.

Application of certain provisions of Code to redeemable preference shares

184.(1) The following provisions apply to redeemable preference shares to which this Division relates with all necessary modifications and any prescribed modifications—

- (a) section 163(2) (Issue of permanent shares);
- (b) section 165 (Rights of holders of preference shares to be set out in rules);
- (c) section 167 (Dividends, interest etc. in relation to permanent shares);

- (d) section 168 (Approval of rules for permanent share issues);
- (e) section 169 (Allotment of permanent shares otherwise than for cash);
- (f) section 170 (Power to exempt in relation to non-cash consideration);
- (g) section 171 (Differences in calls, reserve liability etc.);
- (h) section 172 (Calls and effect of non-compliance with calls on permanent shares);
- (i) section 173 (Sale of permanent shares forfeited for non-payment of call);
- (j) section 174 (Prohibition of allotment unless minimum subscription received);
- (k) section 175 (Return as to allotments);
- (l) section 176 (Issue of permanent shares at premium);
- (m) section 178 (Building society financing dealings in its permanent shares etc.);
- (n) section 179 (Exceptions);
- (o) section 180 (Consequences of building society financing dealings in its permanent shares etc.);
- (p) section 181 (Prohibition on subsidiary acquiring permanent shares of holding building society);
- (q) section 182 (Options over permanent shares);
- (r) section 260 (Register of holders of permanent shares);
- (s) section 261 (Power of Court to rectify register of holders of permanent shares);
- (t) section 262 (Register of options).

(2) Without limiting subsection (1), those provisions apply to redeemable preference shares as if those shares were permanent shares that are preference shares.

Issue of redeemable preference shares

185.(1) Subject to this section, a building society that has permanent share capital may, if authorised by its rules, issue redeemable preference shares.

(2) The building society must not redeem the shares—

(a) except on such terms, and in such way, as are provided by the society's rules; and

(b) except out of profits that would otherwise be available for dividends or out of the proceeds of a fresh issue of permanent or redeemable preference shares made for the purposes of the redemption; and

(c) unless they are fully paid-up.

(3) The premium (if any) payable on redemption is to be provided for out of profits or out of the share premium account.

(4) If redeemable preference shares are redeemed otherwise than out of the proceeds of a fresh issue of permanent shares, there must, out of profits that would otherwise have been available for dividends, be transferred to a reserve called the "**capital redemption reserve**" the nominal amount of the shares redeemed, and section 177 (Special resolution for reduction of permanent share capital) applies as if the capital redemption reserve were paid-up permanent share capital of the building society.

(5) If, under this section, a building society has redeemed or is about to redeem preference shares, it may issue permanent shares or new redeemable preference shares up to the sum of the nominal values of the shares redeemed or to be redeemed as if those preference shares had never been issued.

(6) The capital redemption reserve may be applied in paying up unissued permanent shares or redeemable preference shares of the building society to be issued to members of the building society as fully-paid bonus shares.

(7) If a building society redeems any redeemable preference shares, it must, within 14 days after so doing, lodge with the SSA a notice in accordance with the regulations relating to the shares redeemed.

(8) Shares are taken to have been redeemed even if a cheque given in payment of the amount payable on redemption of the shares has not been presented for payment.

(9) If a building society contravenes this section, the building society commits an offence.

Maximum penalty for subsection (9)—\$5 000.

Division 5—Shareholding restrictions

Subdivision 1—Interpretative provisions

Application of Division

186. This Division applies to shares issued by a society under this Code.

Extraterritorial operation of Division

187. Without limiting the generality of section 63 (Extraterritorial operation of legislation)—

- (a) the obligation to comply with this Division extends to all individuals, whether or not resident in this State or in Australia and whether or not Australian citizens, and to all bodies, whether or not incorporated or carrying on business in this State or in Australia; and
- (b) this Division extends to acts done or omitted to be done outside this State, whether or not in Australia.

What constitutes an “entitlement” to shares

188. For the purposes of this Division, the shares in a society to which the society or another society or person is entitled include—

- (a) shares in which the society or person has a relevant interest; and
- (b) except if the person is a nominee body corporate in relation to which a certificate by the SSA is in force under section 190(4) (Interpretation—meaning of “associate”)—shares in which a person who is an associate of the person has a relevant interest.

What constitutes a “relevant interest” in shares

189.(1) For the purposes of this Division, a person has a “relevant

interest” in a share in a society if—

- (a) the person or an associate of the person has power to withdraw the share capital subscribed for the share or to exercise control over the withdrawal of that share capital; or
- (b) the person or an associate of the person has power to dispose of or to exercise control over the disposal of the share; or
- (c) the person or an associate of the person has power to exercise or to control the exercise of any right to vote conferred on the holder of the share.

(2) It is immaterial for the purposes of this section whether a power that a person has—

- (a) is express or implied or formal or informal; or
- (b) is exercisable alone or jointly with other persons; or
- (c) cannot be related to a particular share; or
- (d) is, or is capable of being, exercised, subject to restraint or restriction;

and any such power exercisable jointly with other persons is taken to be exercisable by any of the persons.

(3) A reference in this section to power or control includes a reference to power or control that—

- (a) is direct or indirect; or
- (b) is, or is capable of being, exercised because of, or by means of, or in breach of, or by revocation of, trusts, agreements, arrangements, understandings and practices, or any of them (whether or not they are enforceable);

and a reference in this section to a controlling interest includes a reference to such an interest as gives control.

(4) Without limiting subsections (1) to (3), if a body corporate has, or is by force of this section taken to have, a power and—

- (a) the body corporate is, or its directors are, accustomed or under an obligation, whether formal or informal, to act in accordance with the directions, instructions or wishes of a person in relation to the exercise of the power; or

(b) a person has a controlling interest in the body corporate;

the person is, for the purposes of this section, taken to have the same power in relation to that share as the body corporate has or is taken to have.

(5) If a body corporate has, or is by force of this section (other than this subsection) taken to have, a power, a person (the “**relevant person**”) is, for the purposes of this section, taken to have the same power in relation to that share as the body corporate has, or is taken to have, if—

(a) the relevant person has; or

(b) a person associated with the relevant person has; or

(c) persons associated with the relevant person together have; or

(d) the relevant person and a person or persons associated with the relevant person together have;

the power to exercise, or to control the exercise of, the voting power attached to not less than 10%, or such other proportion as may be prescribed, of the voting shares in the body corporate.

(6) If a person—

(a) has entered into an agreement in relation to an issued share; or

(b) has a right relating to an issued share, whether the right is enforceable presently or in the future and whether or not on the fulfilment of a condition; or

(c) has an option in relation to an issued share;

and, on performance of the agreement, enforcement of the right or exercise of the option, the person would have a relevant interest in the share, the person is, for the purposes of this section, taken to have that relevant interest in the share.

(7) For the purposes of this section, if a body corporate is, under subsection (6), taken to have a relevant interest in a share and—

(a) the body corporate or its directors are accustomed or under an obligation, whether formal or informal, to act in accordance with the directions, instructions or wishes of a person in relation to the withdrawal of, or the exercise of control over the withdrawal of, the share capital subscribed for that share or in relation to the exercise of, or the control of the exercise of, any right to vote conferred on the holder of the share, or in relation to the disposal of, or the exercise of

control over the disposal of, that share; or

(b) a person has a controlling interest in the body corporate; or

(c) a person has power to exercise, or to control the exercise of, the voting power attached to not less than 10%, or such other proportion as may be prescribed, of the voting shares in the body corporate;

the person is taken to have a relevant interest in that share.

(8) A body corporate may be taken, for the purposes of this Division, to have a relevant interest in a share in the body corporate itself.

(9) A relevant interest in a share is not to be disregarded only because of—

(a) its remoteness; or

(b) the way in which it arose.

(10) A director of a society is not taken to have a relevant interest in a share in the society merely because the board is entitled to withhold consent to a transfer of the share.

(11) A regulation may provide that relevant interests in shares in societies are, in such circumstances and subject to such conditions (if any) as are specified in the regulation, to be disregarded for the purposes of this section.

Interpretation—meaning of “associate”

190.(1) A reference in this Division to an associate of a person is a reference to—

(a) if the person is a body corporate—

(i) a director or secretary of the body corporate; or

(ii) a body corporate that is related to that person; or

(iii) a director or secretary of such a related body corporate; or

(b) if the matter to which the reference relates is shares in a body corporate (including, in a case where the first person is a body corporate, the first person)—a person (the **“relevant associate”**) that is the body corporate or another person with whom the first person has, or proposes to enter into, an agreement, arrangement, understanding or undertaking, whether formal or informal and whether express or implied—

- (i) because of which the relevant associate, or the first person, may exercise, may directly or indirectly control the exercise of, or may substantially influence the exercise of, any voting power in the body corporate; or
 - (ii) with a view to controlling or influencing the composition of the board of directors, or the conduct of affairs, of the body corporate; or
 - (iii) under which the relevant associate may acquire from the first person, or the first person may acquire from the relevant associate, shares in the body corporate; or
 - (iv) under which the relevant associate, or the first person, may be required to dispose of shares in the body corporate in accordance with the directions of the first person or the relevant associate, as the case may be; or
- (c) a person in concert with whom the first person is acting, or proposes to act, in relation to the matter to which the reference relates; or
- (d) a person with whom the first person is, by force of the regulations, taken to be associated in relation to the matter to which the reference relates; or
- (e) a person with whom the first person is, or proposes to become, associated, whether formally or informally, in another way in relation to the matter to which the reference relates; or
- (f) if the first person has entered into, or proposes to enter into, a transaction, or has done or proposes to do, another thing, with a view to becoming associated with a person as mentioned in paragraphs (b) to (e)—the last person.

(2) A person is not taken to be an associate of another person under subsection (1)(b) to (f) merely because—

- (a) one of the persons gives advice to, or acts on behalf of, the other person in the proper performance of the functions attaching to the person's professional capacity or the person's business relationship with the other person; or
- (b) without limiting paragraph (a), if the ordinary business of one of those persons includes dealing in securities—specific instructions are

given to the person by or on behalf of the other person to acquire shares on behalf of the other person in the ordinary course of the business.

(3) For the purposes of subsection (1)(b), it is immaterial that the power of a person to exercise, control the exercise of, or influence the exercise of, voting power is in any way qualified.

(4) The SSA may issue to a nominee body corporate a certificate declaring the nominee body corporate to be an approved nominee body corporate for the purposes of section 188 (What constitutes an “entitlement” to shares) and may, at any time, by written notice given to the nominee body corporate, revoke the certificate.

(5) The SSA may issue to a person a certificate declaring that specified shares in which the person has a relevant interest are to be disregarded for the purposes of ascertaining the shares to which another person specified in the certificate is entitled and may, at any time, by written notice given to the first person, revoke the certificate.

Interpretation—meaning of voting power or right to vote

191. For the purposes of this Division, a reference to voting power or a right to vote attached to a share in a body corporate is, if the body corporate is a society, to be read as a reference to the right to vote conferred on the holder of a share in the society.

Inadvertence or mistake

192. In determining, for the purposes of a provision of this Division, whether or not a person’s contravention of such a provision was due to the person’s inadvertence or mistake or to the person not being aware of a relevant fact or happening, a person’s ignorance of, or a mistake on the person’s part concerning, a matter of law is to be disregarded.

Subdivision 2—Maximum shareholdings**Maximum permissible shareholding**

193.(1) For the purposes of this Subdivision, a person has more than the maximum permissible shareholding in a society if the person has an entitlement—

(a) if a society has issued one class of either permanent shares or redeemable preference shares—to permanent shares or redeemable preference shares in the society, as the case may be, of more than 10%, or such other percentage as may be prescribed, of the nominal value of all permanent shares or redeemable preference shares issued by the society; or

(b) if a society has issued one class of permanent shares and one class of redeemable preference shares—

(i) to permanent shares in the society of more than 10%, or such other percentage as may be prescribed, of the nominal value of all permanent shares issued by the society; or

(ii) to redeemable preference shares in the society of more than 10%, or such other percentage as may be prescribed, of the nominal value of all redeemable preference shares issued by the society; or

(c) if a society has issued more than one class of permanent shares or more than one class of redeemable preference shares—to shares in any class of shares of the society of more than 10%, or such other percentage as may be prescribed, of the nominal value of all shares of that class issued by the society; or

(d) to the withdrawable shares of a society of more than 10%, or such other percentage as may be prescribed, of the nominal value of all withdrawable shares issued by the society.

(2) A percentage applicable under subsection (1) may be varied in its application to a particular society by being decreased by the rules of the society.

Consequences of exceeding maximum permissible shareholding

194.(1) If a person has more than the maximum permissible shareholding in a society, the society must—

- (a) in the case of permanent shares—forfeit and sell the excess shares; or
- (b) in the case of withdrawable shares—cancel the excess shares and pay to the holder of any cancelled shares the amount paid-up on the shares, together with any other amount to which the holder may be entitled in relation to the shares.

(2) A society that is required to cancel shares must do so whether or not its rules provide for the cancellation of shares.

(3) A society must not cancel shares if the result of taking such action would be that the society fails to satisfy, or is in breach of a standard, but, in that case, the society must notify the SSA and take such action as the SSA may determine to achieve compliance with this section within such period as the SSA may determine.

(4) The order in which shares are cancelled must be as determined under the society's rules or, if there are no rules relating to the matter, as determined by the society's board.

(5) Section 173 (Sale of permanent shares forfeited for non-payment of call) applies to the offering and sale of shares forfeited as if the shares had been forfeited for non-payment of a call.

(6) If a person has more than the maximum permissible shareholding in a society and a society is required to cancel or forfeit and sell the excess shares, the person is not entitled to a vote in any meeting of members of the society until the excess shares are cancelled or forfeited and sold.

Exceptions

195. Section 194 (Consequences of exceeding maximum permissible shareholding) does not apply to a person—

- (a) who acquired the relevant interests concerned in accordance with an approval given under Part 7 (MERGERS AND TRANSFERS OF ENGAGEMENT); or
- (b) who has the relevant interests concerned because of a share issue

and the relevant interests represent a proportion of the issued shares of the society concerned no more than the proportion which the person had before the share issue; or

(c) the person had, before acquiring the excess shares, reported the proposal to acquire them to the SSA and obtained approval under section 199 (Power of SSA to exempt etc. from Division 5) and the total nominal value of the shares held by the person is not more than the limit approved under that section in relation to the person.

Subdivision 3—Substantial shareholdings

Substantial shareholding and substantial shareholders

196.(1) Part 6.7 of the Corporations Law applies to a society with all necessary modifications and any prescribed modifications.

(2) Without limiting subsection (1), the provisions of Part 6.7 of the Corporations Law are to be applied as if—

- (a) a reference to a company were a reference to a society; and
- (b) a reference to the Commission were a reference to the SSA; and
- (c) a reference to a shareholder were a reference to a member; and
- (d) a reference to a voting share were a reference to a share; and
- (e) the expressions “**entitlement**”, “**relevant interest**” and “**associate**” had the meaning given in this Division rather than the meaning given in that Law.

Subdivision 4—Power of societies to obtain information

Power to obtain information

197.(1) Part 6.8 of the Corporations Law applies to a society with all necessary modifications and any prescribed modifications.

(2) Without limiting subsection (1), the provisions of Part 6.8 of the Corporations Law are to be applied as if—

- (a) a reference to a company were a reference to a society; and

- (b) a reference to the Commission were a reference to the SSA; and
- (c) the expressions “**entitlement**”, “**relevant interest**” and “**associate**” had the meaning given in this Division rather than the meaning given in that Law.

Subdivision 5—Enforcement

(3) If the person who lodged the disclosure statement for registration is not aware of the change or new matter, the person is not required to comply with subsection (2) unless the person is notified of the change or new matter by the directors of the society or a person who authorised or caused the issue of the disclosure statement.

Division 7—Exempt stock market**Application of Division**

213.(1) This Division applies only to a building society that has issued permanent shares.

(2) In this Division—

“building society” includes a financial institution that, under the regulations, may issue permanent shares.

- (a) in accordance with an exemption under section 771 of the Corporations Law; and
- (b) in accordance with any applicable standard; and
- (c) as authorised by the society’s rules.

Maximum penalty—\$75 000.

(2) Rules of a building society relating to a stock market may only be registered by the SSA if they comply with the requirements of any applicable standard and are, in the SSA’s opinion, otherwise appropriate.

Division 8—Title to and transfer of securities**Definition**

216. In this Division—

“**building society**” includes a prescribed financial institution.

Document of title to be evidence of title

217.(1) A document of title issued by a building society specifying any securities held by a member of the building society is evidence of the member’s title to the securities.

(2) A document of title must be under the common seal of the building society and must state—

- (a) the name of the building society; and
- (b) the class of the securities; and
- (c) if appropriate, the nominal value of the securities and the extent to which the securities are paid up.

(3) Failure to comply with this section does not affect the rights of a holder of securities in a building society.

Building society may have duplicate common seal

218. A building society may, if authorised by its rules, have a duplicate common seal, that must be a facsimile of the common seal of the building society with the addition on its face of the words ‘Share Seal’ or ‘Document Seal’ and a document of title referring to or relating to securities of the building society sealed with such a duplicate seal is taken to be sealed with the common seal of the building society.

Loss or destruction of documents

219.(1) Subject to subsection (2), where a document of title to shares, debentures or prescribed interests is lost or destroyed, the building society must, on application by the owner of the shares, debentures or prescribed interests issue a duplicate document to the owner—

(a) if the building society requires the payment of an amount of not more than the prescribed amount—within 21 days after the payment is received by the building society or within such longer period as the SSA approves; or

(b) in any other case—within 21 days after the application is made or within such longer period as the SSA approves.

(2) The application must be accompanied by—

(a) a written statement that the document has been lost or destroyed, and has not been pledged, sold or otherwise disposed of and, if lost, that proper searches have been made; and

(b) a written undertaking that if it is found or received by the owner it will be returned to the building society.

(3) The directors of a building society may, before accepting an application for the issue of a duplicate document, require the applicant to—

(a) cause an advertisement to be inserted in a newspaper circulating in a place specified by the directors stating that the document has been lost or destroyed and that the owner intends, after the end of 14 days after the publication of the advertisement, to apply to the building society for a duplicate; or

(b) give a bond for an amount equal to at least the current market value of the shares, debentures or prescribed interests indemnifying the building society against loss following the production of the original document; or

(c) do both those things.

Instrument of transfer

220.(1) Despite anything in its rules or in a deed relating to permanent shares, debentures or prescribed interests, a building society must not register a transfer of permanent shares, debentures or prescribed interests unless an instrument of transfer has been delivered to the building society.

(2) The instrument of transfer must—

(a) be in writing in any usual or common form or in any other form that the directors of the building society approve; and

(b) be executed by or on behalf of both the transferor and the

transferee.

(3) Subsection (1) does not prejudice the power of the building society to register as the holder of a security a person to whom the right to any securities issued by the building society has devolved by will or by operation of law.

(4) A transfer of shares, debentures or prescribed interests of a deceased holder made by the holder's personal representative is, although the personal representative is not registered as the holder of those securities, as valid as it would be if the personal representative had been so registered at the time of the execution of the instrument of transfer.

(5) If the personal representative of a deceased holder duly constituted as such under the law in force in another participating State—

(a) executes an instrument of transfer of shares, debentures or prescribed interests of the deceased holder to the personal representative or to another person; and

(b) delivers the instrument to the building society, together with a written statement to the effect that, to the best of the personal representative's knowledge, information and belief, no grant of representation of the estate of the deceased holder has been applied for or made in this State and no application for such a grant will be made, being a statement made within 3 months immediately before the date of delivery of the statement to the building society;

the building society must register the transfer and pay to the personal representative any dividends or other money accrued in relation to the securities up to the time of the execution of the instrument, but this subsection does not operate so as to require the building society to do anything that it would not have been required to do if the personal representative were the personal representative of the deceased holder duly constituted under the law of this State.

(6) A transfer or payment made under subsection (5) and a receipt or acknowledgment of such a payment is, for all purposes, as valid and effectual as it would be if the personal representative were the personal representative of the deceased holder duly constituted under the law of this State.

(7) For the purposes of this section, an application by a personal representative of a deceased person for registration as the holder of a

security in place of the deceased person is taken to be an instrument of transfer effecting a transfer of the security to the personal representative.

(8) The production to a building society of a document that is, under the law of this State or under the law in force in another participating State, sufficient evidence of probate of the will, or letters of administration of the estate, of a deceased person having been granted to a person must be accepted by the building society, despite anything in its rules or in a deed relating to its securities, as sufficient evidence of the grant.

Registration of transfer at request of transferor

221.(1) On the written request of the transferor of a permanent share, debenture or prescribed interest issued by a building society, the building society must enter in the appropriate register the name of the transferee in the same way and subject to the same conditions as it would if the application for the entry were made by the transferee.

(2) On the written request of the transferor of a permanent share, debenture or prescribed interest issued by a building society, the building society must, by written notice, require the person having the possession, custody or control of the document evidencing title to the security and the instrument of transfer of the security or either of them to deliver it or them to the registered office of the building society within a specified period (not less than 7 and not more than 28 days after the date of the notice) to have the document cancelled or rectified and the transfer registered or otherwise dealt with.

(3) If a person refuses or neglects to comply with a notice given under subsection (2), the transferor may apply to the Court to issue a summons for the person to appear before the Court and show cause why the documents mentioned in the notice should not be delivered up or produced as required by the notice.

(4) On the appearance of a person so summoned, the Court may examine the person on oath or affirmation and receive other evidence or, if the person does not appear after being duly served with the summons, the Court may receive evidence in the person's absence and, in either case, the Court may order the person to deliver up such documents to the building society on such terms or conditions as the Court considers appropriate, and the costs of the summons and of proceedings on the summons are in the discretion of the Court.

(5) Lists of documents called in under this section and not brought in must be displayed in a conspicuous place at the registered office of the building society and must be advertised in the Gazette and in such newspapers and at such times as the building society considers appropriate.

Notice of refusal to register transfer

222. If a building society refuses to register a transfer of permanent shares, debentures or prescribed interests issued by the building society, it must, within 2 months after the date on which the transfer was lodged with it, send to the transferee notice of the refusal.

Remedy for refusal to register transfer or transmission

223.(1) If a building society fails to register, or the board of a building society fails to give its approval to, a transfer or transmission of permanent shares, debentures or prescribed interests issued by the building society, the transferee or transmittee may apply to the Court for an order under this section.

(2) If the Court is satisfied that the failure was without just cause, the Court may—

- (a) order that the transfer or transmission be registered; or
- (b) make such other order as it considers proper, including, in the case of a transfer or transmission of shares, an order providing for the purchase of the shares by a specified member of the building society or by the building society.

Certification of transfers

224.(1) The certification by a building society of an instrument of transfer of permanent shares, debentures or prescribed interests issued by the building society is taken to be a representation by the building society to any person acting on the faith of the certification that there have been produced to the building society such documents as on the face of them show title to the securities in the transferor named in the instrument of transfer but is not taken to be a representation that the transferor has any title to the securities.

(2) If a person acts on the faith of a false certification by a building

society made negligently, the building society is under the same liability to the person as if the certification had been made fraudulently.

(3) If a certification is expressed to be limited to 42 days or any longer period from the date of certification, the building society and its officers are not, in the absence of fraud, liable in relation to the registration of any transfer of permanent shares, debentures or prescribed interests comprised in the certification after the end of the period or any extension of the period given by the building society if the instrument of transfer has not, within the period, been lodged with the building society for registration.

(4) For the purposes of this section—

(a) an instrument of transfer is taken to be certificated if it bears the words ‘document lodged’ or words to similar effect; and

(b) the certification of an instrument of transfer is taken to be made by a building society if—

(i) the person issuing the instrument is a person authorised to issue certificated instruments of transfer on behalf of the building society; and

(ii) the certification is signed by a person authorised to certificate transfers on behalf of the building society or by an officer of the building society or of a corporation so authorised; and

(c) a certification that purports to be authenticated by a person’s signature or initials (whether or not handwritten) is to be taken to be signed by the person unless it is shown that the signature or initials was not or were not placed there by the person and was not or were not placed there by any other person authorised to use the signature or initials for the purpose of certificating transfers on behalf of the building society.

Duties of building society in relation to issue of certificates

225.(1) Within 2 months after the issue to a person of permanent shares, debentures or prescribed interests of a building society, the building society must—

(a) complete and have ready for delivery to the person all the appropriate documents in connection with the securities unless, in the case of shares, the conditions of the issue otherwise provide; and

(b) unless otherwise instructed by the person, send or deliver the completed documents to the person or, if the person has instructed the building society in writing to send them to a nominated person, to the nominated person.

(2) Within 1 month after a transfer of permanent shares, debentures or prescribed interests is lodged with a building society (other than a transfer that the building society is for any reason entitled to refuse to register and does not register), the building society must—

(a) complete and have ready for delivery to the transferee all the appropriate documents in connection with the transfer; and

(b) unless otherwise instructed by the transferee, send or deliver the completed documents to the transferee or, if the transferee has instructed the building society in writing to send them to a nominated person, to the nominated person.

(3) If a building society on which a notice has been served requiring the building society to make good any default in complying with the provisions of this section fails to make good the default within 10 days after the service of the notice, the Court may, on the application of the person entitled to take delivery of the documents, make an order directing the building society and any officer of the building society to make good the default within a specified time.

(4) An order under subsection (3) may provide that all costs of and incidental to the application are to be borne by the building society or by any officer of the building society in default in such proportions as the Court considers appropriate.

Exemption

226.(1) The power of the SSA to grant an exemption or make a declaration under this section may be exercised in relation to securities or a class of securities only if the SSA is satisfied that—

(a) if the exemption were granted or the declaration were made—the interests of the holders of the securities or of securities in the class would continue to have adequate protection; and

(b) the granting of the exemption or the making of the declaration would make transfer of the securities, or securities in the class, more efficient.

(2) The SSA may, by written notice, exempt particular securities, or a particular class of securities, either generally or as otherwise provided in the exemption, and either unconditionally or subject to such conditions (if any) as are specified in the exemption, from the operation of all or any of the provisions of—

- (a) this Division; and
- (b) a regulation made for the purposes of this Division.

(3) A person must not contravene a condition to which an exemption under subsection (2) is subject.

Maximum penalty—\$25 000.

(4) If a person has contravened a condition to which an exemption is subject, the Court may, on the application of the SSA, order the person to comply with the condition.

(5) The SSA may, by written notice, declare that a provision of this Division or a regulation made for the purposes of this Division has effect in its application to particular securities, or a particular class of securities, either generally or otherwise as provided in the declaration, as if the provision or regulation were omitted or modified or varied in a way specified in the declaration and, if such declaration is made, the provision or regulation has effect accordingly.

(6) The SSA must cause a copy of an exemption or declaration to be published in the Gazette, but failure of the SSA to do so does not affect the validity of the exemption or declaration.

- (i) the society; or
- (ii) an entity that the society controlled, or a body corporate that was related to the society, at a relevant time.

(9) If there is attached to or included with a report of the directors laid before a society at its annual general meeting a statement, report or other document relating to the affairs of the society or any of the entities controlled by the society, not being a statement, report or document required by this Code to be laid before the society in general meeting, the statement, report or other document, for the purposes of section 396 (False or misleading information), is taken to be part of that first mentioned report.

(10) To avoid doubt, if a society controlled a particular entity during part, but not all, of the financial year, the report need not relate to the entity's operations or state of affairs during a period during which the society did not control the entity or to the result of those operations.

Directors of holding society must obtain information from entities controlled by the society

275.(1) In this section—

“reporting officers”, in relation to an entity, means—

- (a) in the case of a body corporate—the body corporate's directors; or
- (b) in any other case—the entity's officers.

(2) Subject to subsection (5), the directors of a holding society must not cause the group accounts, or the statement under section 273 (Directors' statement) or the report under section 274 (Directors' reports) relating to them, to be prepared unless the directors have available to them sufficient information, in relation to each entity controlled by the society, to enable them to ensure—

- (a) that the group accounts will give a true and fair view of—
 - (i) the profit or loss of the holding society and the entities it controlled during all or part of the last financial year; and
 - (ii) the state of affairs of the holding society and the entities it controlled as at the end of the last financial year;
- so far as they concern members of the holding society; and

(b) that neither the statement nor the report will be false or misleading in a material particular.

(3) Without limiting subsection (2), to ensure that the group accounts meet the requirements of the subsection, the directors must take, in relation to each entity controlled by the society, the reasonable steps that they are required to take under section 271 (Directors to ascertain certain matters) in relation to the society.

(4) The reporting officers of an entity controlled by a holding society during all or part of, or at the end of, a particular financial year must, at the request of the directors of the holding society, give to the holding society all the information that is required by the directors of the holding society for the preparation of the group accounts, the statement and the report.

(5) If the directors of a holding society, after taking all steps that are reasonably available to them, are unable to obtain from the reporting officers of the entity controlled by the holding society the information required for the preparation of the group accounts, the statement and the report, within the period within which they are respectively required by this Division to be prepared—

(a) the directors of the holding society must cause the group accounts, statement and report to be prepared without incorporating or including the information relating to that entity, but—

(i) they must include in the group accounts, statement or report, as the case requires, a description of the nature of the information that has not been obtained, and must include such qualifications and explanations as are necessary to prevent the group accounts, statement or report from being misleading; and

(ii) they may qualify accordingly that part of the statement that is made under section 273(2)(a) (Directors' statement); and

(b) if the directors of the holding society have caused the group accounts, statement and report to be prepared in accordance with paragraph (a), they must, within 1 month after receiving any of that information from the reporting officers of the entity—

(i) lodge with the SSA a statement setting out or summarising the information and containing such qualifications and explanations by the directors of the group accounts, statement or report as are necessary having regard to the information received

from the reporting officers of the entity; and

(ii) send a copy of that statement to each member of the society or, if the rules of the society so provide, make copies of the statement available to the members of the society at the registered office and each other office of the society.

Accounts and reports to be laid before annual general meeting

276.(1) The directors of a society must cause to be laid before each annual general meeting of the society—

(a) a copy of the accounts made out in accordance with section 268 (Profit and loss account and balance sheet) for the last financial year of the society; and

(b) in the case of a society that, at the end of its last financial year before the relevant annual general meeting, was not a holding society—a copy of the directors' report made out in accordance with section 274 (Directors' reports) in relation to that financial year; and

(c) in the case of a society that, at the end of its last financial year before the relevant annual general meeting, was a holding society—a copy of the group accounts made out in accordance with section 269 (Group accounts) in relation to that financial year and a copy of the directors' report made out in accordance with section 274 (Directors' reports) in relation to that financial year; and

(d) a copy of any auditor's report required by section 270 (Audit) to be attached to or endorsed upon the accounts or group accounts; and

(e) a copy of the statement by the directors required by section 273 (Directors' statement) to be attached to the accounts or group accounts.

(2) Copies of the accounts, statements and reports required to be laid before an annual general meeting by subsection (1) must be made available to members of the society at the registered office and at each other office of the society from the day before which those documents are required under this Division to have been prepared until the holding of the annual general meeting.

Contravention of Division

277.(1) A director of a society who fails to take all reasonable steps to comply with or secure compliance with any provision of this Division commits an offence.

Maximum penalty—

- (a) if the offence is committed with intent to deceive or defraud creditors of the society or creditors of any other person or for a fraudulent purpose—\$100 000 or imprisonment for 15 years, or both; or
- (b) in any other case—\$25 000.

(2) In any proceeding against a person for an offence against subsection (1) arising out of the accounts of a society or the group accounts of a holding society not complying with an applicable accounting standard, the onus of proving that the accounts would not, if prepared in accordance with that standard, have given a true and fair view of the matters required by this Division to be dealt with in those accounts lies on that person.

(3) In any proceeding for an offence against subsection (1) arising out of an omission from the accounts of a society or the group accounts of a holding society, it is a defence to prove that the information omitted was immaterial and did not affect the giving of a true and fair view of the matters required by this Division to be dealt with in those accounts.

(4) If, after the end of the period within which any accounts of a society or any report of the directors of a society is or are required under this Division to be prepared, the SSA, by written notice to each of the directors, requires the directors to produce the accounts or report to a person specified in the notice on a date and at a place so specified, and the directors fail to produce the accounts or report as required by the notice, then, in any proceeding for a failure to comply with the requirements of this Division, proof of the failure to produce the accounts or report as required by the notice is evidence that the accounts or report were not prepared within that period.

(a) a person who was an auditor of the society by virtue of subsection (6) and who has so retired or withdrawn from the firm as previously constituted is taken to have resigned as auditor of the society as from the day of that retirement or withdrawal but, unless that person was the only member of the firm who was a registered company auditor and, after the retirement or withdrawal of that person, there is no member of the firm who is a registered company auditor, section 281 (Removal and resignation of auditors) does not apply to that resignation; and

(b) a person who is a registered company auditor and who is so admitted to the firm is taken to have been appointed as an auditor of the society as from the date of admission to the firm; and

(c) the reconstitution of the firm does not affect the appointment of the continuing members of the firm who are registered company auditors as auditors of the society;

but nothing in this subsection affects the operation of subsection (5).

(8) Except as provided by subsection (7), the appointment of the members of a firm as auditors of a society by virtue of the appointment of the firm as auditor of the society is not affected by the dissolution of the firm.

(9) A report or notice that purports to be made or given by a firm appointed as auditor of a society is not taken to be duly made or given unless it is signed in the firm name and in his or her own name by a member of the firm who is a registered company auditor.

(10) If, in contravention of this section, a firm consents to be appointed, or acts as, auditor of a society, or prepares a report required by the financial institutions legislation to be prepared by an auditor of a society, each member of the firm commits an offence.

Maximum penalty—\$25 000.
