### **Act No. 46 of 1999**

---

**An Act to enable the South East Queensland Water Board to transfer its undertaking to a company wholly owned by the State and particular local governments and incorporated under the Corporations Law, to amend the *Water Resources Act 1989*, and for other purposes**

*[Assented to 17 September 1999]*

**The Parliament of Queensland enacts—**

## **PART 1—PRELIMINARY**

### **Short title**

**1.** This Act may be cited as the *South East Queensland Water Board (Reform Facilitation) Act 1999*.

### **Commencement**

**2.(1)** Parts 1 to 3, sections 14, 16 and 18 and schedule 2 commence on assent.

**(2)** The remaining provisions commence on the settlement day.

### **Purposes of Act**

**3.(1)** The main purposes of this Act are—

- (a)** to enable the board to transfer its undertaking to the company; and
- (b)** to provide for Ministerial powers of direction for the transfer process.

**(2)** To remove any doubt, it is declared that this Act does not give the company a power to acquire the board's undertaking that it would not otherwise have under the Corporations Law.

### **Definitions**

**4.** The dictionary in schedule 2 defines particular words used in this Act.

## PART 2—TRANSFER OF BOARD'S UNDERTAKING

### Board's power to transfer its undertaking

5.(1) The board may transfer its undertaking to the company.

(2) The board may exercise its power under subsection (1) only with the Minister's approval and subject to any written directions of the Minister about the transfer.

(3) A transfer contrary to subsection (2) is of no effect.

(4) Also, the board may exercise a power (an “**incidental power**”) that is incidental to the exercise of the power under subsection (1).

(5) An incidental power may be exercised without the Minister's approval.

(6) An incidental power exercised by the board before the commencement of this section is taken to be, and to always have been, as validly exercised as if it were exercised by the board after the commencement.

### Minister's approval to transfer

6.(1) The board must obtain the Minister's approval for the exercise of the board's power under section 5(1) before the board transfers its undertaking to the company.

(2) The Minister may approve the exercise of the power only if the Minister is satisfied—

- (a) the State has obtained, or will obtain, a satisfactory indemnity for liabilities incurred by the State under sections 10(2) and 15; and
- (b) the officers and employees of the board will be offered employment with the company as part of the transfer, on their existing or equivalent terms and conditions of employment.

(3) Subsection (2)(b) does not affect the *Industrial Relations Act 1999*.

(4) Subsection (2)(b) does not apply to members of the board in the capacity of members.

### **Minister's directions about transfer**

**7.(1)** Without limiting the Minister's power to give the board directions under section 5(2), the Minister may direct the board—

- (a) to exercise the power at a stated time; or
- (b) not to exercise the power until a stated time;

**(2)** The direction must be written and—

- (a) published in the gazette as soon as practicable after it is given; and
- (b) tabled in the Legislative Assembly within 14 sitting days after it is given.

### **Settlement day**

**8.** The Minister must, by gazette notice, declare a day to be the settlement day.

### **Board to ensure transfer proceeds are paid to State**

**9.** The board must ensure the transfer proceeds are paid to the State on the settlement day.

### **Dissolution of board**

**10.(1)** The board is dissolved and its members go out of office at the end of the settlement day.

**(2)** After the board has been dissolved, the State stands in the place of the board for the transfer contract.

## **PART 3—MISCELLANEOUS**

### **Protection from liability**

**11.(1)** The Minister or a member of the board does not incur civil liability for an act done, or omission made, honestly and without negligence under this Act.

**(2)** If subsection (1) prevents civil liability attaching to a person, the liability attaches instead to the State.

## **PART 4—AMENDMENT OF WATER RESOURCES ACT 1989**

### **Act amended in pt 4**

**12.** This part amends the *Water Resources Act 1989*.

### **Insertion of new pt 10A**
