Queensland

Taxation Administration Act 2001

Act No. 72 of 2001

An Act about the administration and enforcement of revenue laws

[Assented to 13 November 2001]

The Parliament of Queensland enacts—

PART 1—PRELIMINARY

Division 1—Introductory provisions

1 Short title

This Act may be cited as the *Taxation Administration Act 2001*.

2 Commencement

This Act commences on a day to be fixed by proclamation.

Division 2—Purpose and application of Act

3 Purpose of Act and relationship with revenue laws

(1) The purpose of this Act is to make general provision about the administration and enforcement of revenue laws.

(2) Nothing in this Act prevents a revenue law making specific provision about the administration and enforcement of that law.

(3) Each revenue law must be read together with this Act as if they together formed a single Act.

4 Act binds all persons

(1) This Act binds all persons, including the State and, as far as the legislative power of the Parliament permits, the Commonwealth and the other States.

(2) Nothing in this Act makes the State liable to be prosecuted for an offence.

Division 3—Interpretation

5 Definitions

The dictionary in schedule 2 defines particular words used in this Act.

6 Revenue laws

The *Duties Act 2001* is a revenue law on and from the day this section commences.

PART 2—COMMISSIONER OF STATE REVENUE

7 Appointment of commissioner

(1) There is to be a Commissioner of State Revenue.

(2) The Governor in Council must, by gazette notice, appoint a senior executive of the department to be the commissioner.

8 Commissioner's functions

(1) The commissioner is responsible for the administration and enforcement of the tax laws.

(2) Also, the commissioner may perform the functions of a State taxation officer under the *Taxation Administration Act 1953* (Cwlth), part IIIA.¹

9 Commissioner's powers

(1) The commissioner has the powers given under the tax laws.

(2) In addition, the commissioner has the power to do all things necessary or convenient to be done for performing the commissioner's functions.

¹ *Taxation Administration Act 1953* (Cwlth), part IIIA (Co-operation between Commonwealth and State taxation authorities)

(3) Without limiting subsection (2), the commissioner may engage the consultants and contractors the commissioner considers necessary for the performance of the commissioner's functions.

10 Delegations

(1) The commissioner may delegate the commissioner's powers under a tax law to an appropriately qualified public service employee.

(2) A delegation of a power may permit the subdelegation of the power to an appropriately qualified public service employee.

PART 3—ASSESSMENTS OF TAX

Division 1—Assessments made by the commissioner

11 When commissioner makes an assessment

(1) The commissioner must make an assessment if—

- (a) the commissioner is satisfied a taxpayer has a liability for tax; and
- (b) the taxpayer's liability is not required or permitted, under a revenue law, to be made by self assessment.

(2) Also, the commissioner may make an assessment—

- (a) if the taxpayer's liability for tax is required or permitted to be made by self assessment under the revenue law; or
- (b) even if the taxpayer's liability for tax is nil.

(3) If the commissioner does not make an assessment under subsection (2), the commissioner's decision not to make the assessment is a non-reviewable decision.

12 Compromise assessments

(1) This section applies if, in assessing a taxpayer's liability for tax, it is difficult or impracticable for the commissioner to properly determine the

amount of the taxpayer's liability because of a complexity or uncertainty or for another reason.

(2) The commissioner may make an assessment of the taxpayer's liability under a written agreement with the taxpayer (a "**compromise assessment**").

(3) The compromise assessment is a non-reviewable decision.

(4) Nothing in this part requires the commissioner to make a compromise assessment for a taxpayer.

13 Default assessments

(1) This section applies in each of the following circumstances—

- (a) a taxpayer does not comply with an information or lodgment requirement under a tax law;
- (b) the commissioner is not satisfied about the accuracy or completeness of a document lodged, or information given, for the assessment of a taxpayer's liability for tax under a tax law;
- (c) the commissioner does not have enough information to properly assess a taxpayer's liability for tax under a tax law, including, for example, if the commissioner reasonably believes—
 - (i) it is necessary to make an immediate assessment; and
 - (ii) the time for complying with an information or lodgment requirement has not ended.

Example for subsection (1)(c)—

The commissioner reasonably believes a taxpayer is going to leave the State before documents that will disclose a liability for tax are required to be lodged.

(2) The commissioner may make an assessment under this section (a "**default assessment**") for the amount the commissioner reasonably believes to be the taxpayer's liability.

(3) If this section applies because a lodgment requirement has not been complied with (whether or not the time for compliance has ended), the commissioner may make the default assessment as if the document were in existence and in the commissioner's possession.

Division 2—Self assessments

14 Making self assessment by lodging return

The following provisions apply if, under a revenue law, a self assessor lodges a return—

- (a) an assessment (a “**self assessment**”) is taken to have been made for the amount of each taxpayer’s liability for tax stated in the return;
- (b) the assessment under paragraph (a) is taken to have been made by the commissioner;
- (c) the liability for tax for each assessment is the amount stated in the return for the liability;
- (d) despite section 26(2), the return is taken to be an assessment notice for each assessment;
- (e) the assessment notice is taken to have been given under section 26 to the taxpayers for whom each assessment is made.

15 Matters to which self assessor must have regard

For assessing a taxpayer’s liability for tax, a self assessor must have regard to directions given by the commissioner, whether generally or specifically for the liability, about the assessment of the liability.

16 Effect of commissioner making an assessment for self assessor

(1) This section applies if—

- (a) under a revenue law, a self assessor is required or permitted to make a self assessment of a taxpayer’s liability for tax under the law; and
- (b) under section 11(2)(a), the commissioner decides to make an assessment of the liability.

(2) The assessment must be made as if the liability were not required or permitted to be self assessed.

(3) This section does not apply for a default assessment.

Division 3—Reassessments**17 Commissioner’s general power to make reassessments**

(1) Subject to sections 21 and 22, the commissioner may, at any time, make a reassessment of a taxpayer’s liability for tax.

(2) Subsection (1) applies even if an objection or appeal started against the assessment of the taxpayer’s liability for tax has not been decided.

(3) However, the commissioner may make a reassessment under subsection (1) of a taxpayer’s liability assessed under a compromise assessment only—

- (a) with the taxpayer’s written agreement; or
- (b) if the commissioner reasonably believes the compromise assessment was—
 - (i) obtained by fraud; or
 - (ii) made on the basis of a false or misleading statement or there was a failure to give material information.

(4) The commissioner can not be compelled to make a reassessment under subsection (1) decreasing a taxpayer’s liability for tax.

(5) The commissioner’s decision not to make a reassessment of a taxpayer’s liability for tax is a non-reviewable decision.

18 When commissioner must make reassessment—general

Subject to sections 21 and 22, the commissioner must make a reassessment of a taxpayer’s liability for tax if the circumstances mentioned in—

- (a) section 59(3) or (4)² apply to require the reassessment; or
- (b) a provision of a revenue law applies to require the reassessment.

2 Section 59 (Penalty tax not payable if proceeding for offence started)

19 When commissioner must make reassessment—objections or court decisions

(1) If the commissioner decides to allow an objection to an assessment in whole or part, or a court makes a decision about a taxpayer's tax law liability, the commissioner must make any reassessment necessary to give effect to the decision.

(2) However, the commissioner does not have to make a reassessment to give effect to a court's decision until—

- (a) the end of the period allowed for an appeal against the decision; or
- (b) if an appeal is started against the decision—the appeal ends.

20 Legal interpretations and practices applying to particular reassessments

(1) Subject to subsections (2) and (5), a reassessment of a taxpayer's liability for tax must be made in accordance with the legal interpretations and assessment practices applied by the commissioner for assessing liability for tax in similar circumstances when the original assessment of the taxpayer's liability for tax was made.

(2) If any legislative change made after an original assessment is made affects the legal interpretations and assessment practices to be applied under subsection (1), the reassessment must, to the extent that the interpretations and practices are changed because of the legislative change, be made in accordance with the changed interpretations and practices.

(3) The commissioner's decision about what constituted the commissioner's legal interpretations and assessment practices is a non-reviewable decision.

(4) Subsection (5) applies if—

- (a) a court makes a decision (the “**original decision**”) affecting the legal interpretations applied by the commissioner for assessing a taxpayer's liability for tax; and
- (b) on appeal, the original decision is changed in whole or part.

(5) For any assessment made after the original decision but before the appeal is decided, the commissioner may make a reassessment to increase a taxpayer's liability for tax in accordance with the appeal decision.

21 Time for reassessment decreasing liability for tax

(1) A reassessment decreasing a taxpayer's liability for tax must be made in the limitation period.

(2) However, if, within the limitation period, the taxpayer asks for a reassessment to decrease the taxpayer's liability, the reassessment may be made after the limitation period.

22 Time for reassessment increasing liability for tax

(1) A reassessment increasing a taxpayer's liability for tax must be made in the limitation period.

(2) Despite subsection (1), a reassessment increasing a taxpayer's liability for tax may be made at any time—

- (a) if the commissioner reasonably believes there has been a deliberate tax default; or
- (b) if, within the limitation period, the commissioner has given written notice to the taxpayer informing the taxpayer an investigation under part 7 into the taxpayer's liability for tax has started.

(3) For subsection (2)(a), a deliberate tax default arises if—

- (a) there has been fraud or evasion of tax; or
- (b) a taxpayer or person acting for a taxpayer knowingly misleads the commissioner, or causes the commissioner to be misled, about the taxpayer's liability for tax, including, for example, by giving, omitting or changing information or documents.

23 Limitation period does not apply to particular reassessments

Despite sections 21(1) and 22(1)—

- (a) if an appeal is started or is being heard against an assessment, the commissioner may, under section 17, make a reassessment after the limitation period and before a decision is made on the appeal if the taxpayer agrees; and
- (b) the limitation period does not apply to a reassessment made—
 - (i) under section 18(a) or 19; or

- (ii) under section 18(b) if a provision of the revenue law for which the reassessment is made declares the limitation period does not apply.

24 Reassessment by self assessors

A self assessor may make a reassessment only if required or permitted under a revenue law.

25 Reassessment does not replace previous assessment

A reassessment does not replace the previous assessment but merely varies it by—

- (a) decreasing or increasing the taxpayer's liability for tax; or
- (b) changing the basis on which the taxpayer's liability for tax is assessed.

Division 4—Assessment notices

26 Assessment notice to be given to taxpayer

(1) The commissioner must give notice of the making of an assessment (an “**assessment notice**”) to the taxpayer.

(2) The assessment notice must state—

- (a) the amount of the tax assessed; and
- (b) the date by which the tax must be paid; and
- (c) the taxpayer's right to object to the assessment; and
- (d) the basis on which unpaid tax interest may accrue; and
- (e) if assessed interest or penalty tax is payable under the notice—enough information to enable the taxpayer to ascertain the basis for the assessment of the interest or penalty tax; and
- (f) for a compromise or default assessment—it is a compromise or default assessment; and
- (g) for a reassessment—the amount of the liability for tax under the previous assessment.

(3) For subsection (2)(c), the assessment notice must state—

- (a) that the taxpayer may, within 60 days after the notice is given, object to the assessment; and
- (b) how to object.

(4) The assessment notice may include information that does not form part of the assessment, including, for example, information about other amounts payable by the taxpayer.

(5) More than 1 assessment may be included in the assessment notice.

Division 5—Other provisions

27 Assessments made on available relevant information

The commissioner may make an assessment on the available information the commissioner considers relevant.

28 Taxpayer to advise commissioner if liability for tax under assessed

(1) A taxpayer must advise the commissioner if the taxpayer becomes aware that—

- (a) an assessment of the taxpayer's liability for tax was not, or is no longer, correct; and
- (b) the correct liability for tax is more than the amount stated in the assessment.

(2) The taxpayer must comply with subsection (1) within 30 days after becoming aware of the matters mentioned in the subsection.

PART 4—PAYMENTS AND REFUNDS OF TAX AND OTHER AMOUNTS

Division 1—Payments of tax and other amounts

29 Methods of payment

An amount payable under a tax law must be paid to the commissioner—

- (a) by cash or cheque; or
- (b) as prescribed under a regulation.

30 Time for payment of tax

(1) Tax payable under a tax law must be paid—

- (a) for a self assessment—on the date the return for the self assessment is required to be lodged; or
- (b) for a default assessment made because of a failure to make a self assessment—on the date the assessment notice for the default assessment is given to the taxpayer; or
- (c) otherwise—by the date stated in the assessment notice as the date by which the tax must be paid.

(2) For subsection (1)(c), the stated date must be at least 30 days after the assessment notice for the tax is given to the taxpayer.

31 Time for payment of late payment interest

Late payment interest is payable on the date it accrues.

32 Time for payment of other amounts

(1) This section applies if—

- (a) an amount, other than tax or late payment interest is payable under a tax law; and
- (b) no time for payment is otherwise stated in the tax law.

(2) The amount must be paid—

- (a) if the amount relates to tax payable under a default assessment mentioned in section 30(1)(b)—immediately after the assessment notice for the default assessment is given to the taxpayer; or
- (b) otherwise—by the date stated in a written notice given by the commissioner to the taxpayer for the amount.

(3) For subsection (2)(b), the stated date must be at least 30 days after the notice is given.

33 Earlier time for payment of tax and other amounts

(1) This section applies despite sections 30 and 32.

(2) The commissioner may, in an assessment notice or notice given under this section, state an earlier date than the date stated in section 30 or 32 as the date the tax or amount is payable if the commissioner reasonably believes the tax or amount may not be recoverable if the date for payment under the section otherwise were to apply.

(3) The date stated in the notice mentioned in subsection (2) must not be a date before the notice is given.

34 Payment arrangements

(1) If the commissioner is satisfied payment of a taxpayer's tax law liability would cause the taxpayer significant financial hardship, the commissioner may, on the taxpayer's written application, extend the time for paying an amount under a tax law.

(2) Without limiting subsection (1), the commissioner may approve an arrangement for paying the amount by way of instalments (a "**payment arrangement**").

(3) The payment arrangement must be in writing and state the conditions applying to it.

(4) The commissioner may, at any time, by written notice given to the taxpayer, terminate the arrangement.

(5) If the commissioner terminates the arrangement, amounts outstanding under the arrangement are immediately payable by the taxpayer to the commissioner.

(6) The commissioner's decision about extending the time for paying a tax law liability or to terminate a payment arrangement is a non-reviewable decision.

35 Payments by tax agents

If a tax agent receives an amount to pay a tax law liability for a taxpayer, the tax agent must pay the amount to the commissioner—

- (a) when lodging the return for the liability; or
- (b) if the amount is received after the return is lodged—immediately after receiving the amount.

Maximum penalty—100 penalty units.

Division 2—Refunds of tax and other amounts

36 Refunds made only under this division

A person is not entitled to a refund of any amount paid, or purportedly paid, under a tax law other than under this division.

37 Commissioner to refund tax and other amounts

(1) An entitlement to a refund of an amount paid under a tax law arises if—

- (a) under a reassessment, a taxpayer's liability for tax is decreased; or
- (b) the amount paid by a person is more than the amount stated in any notice as payable by the person under the tax law.

(2) Subject to sections 38 and 39, the commissioner must refund the overpaid amount.

(3) However, the commissioner must not make a refund under subsection (1)(b) more than 5 years after the payment of the amount.

38 Applying amounts to current and future tax liabilities

(1) This section applies if a taxpayer is entitled to a refund of an amount under section 37.

(2) The commissioner may apply the whole or part of the amount as payment for—

- (a) any tax law liability of the taxpayer; or
- (b) any tax law liability of the taxpayer that the commissioner reasonably believes will become payable within 60 days after the entitlement to the refund arises.

(3) If the commissioner does not apply all of the amount held under subsection (2)(b) to any tax law liability of the taxpayer within the 60 day period, the commissioner must immediately refund to the taxpayer the amount not applied.

(4) This section has effect subject to section 39.

39 General provision about refunds

(1) The commissioner may refund an amount to a taxpayer or, under section 38, apply an amount as a payment for a taxpayer only if the commissioner is satisfied—

- (a) the taxpayer has not received, and will not receive, an amount as tax from another person for all or part of the tax paid; or
- (b) if the taxpayer has received an amount as tax (the “**amount received**”) from another person for all or part of the tax paid—the taxpayer will reimburse the other person for the amount received.

(2) If subsection (1)(b) applies, the taxpayer must—

- (a) within 90 days after receiving the refund (the “**relevant period**”), reimburse the other person for the amount received; and
- (b) within 7 days after the relevant period, give the commissioner written notice that the other person has been reimbursed for the amount received.

(3) Also, if subsection (1)(b) applies and the taxpayer does not, within the relevant period, reimburse the other person for the amount received, the taxpayer must, within 7 days after the relevant period—

- (a) give the commissioner written notice that the other person was not reimbursed for the amount received; and

- (b) pay the commissioner the amount received plus interest at the prescribed rate calculated, on the balance payable from time to time, from the date the refund was made to the date the amount received is paid to the commissioner.

Maximum penalty—100 penalty units.

(4) In this section—

“**tax**” means tax paid, or purportedly paid, under a tax law, whether or not the tax is paid under a mistake of law or fact.

“**taxpayer**” includes a person who, under section 37(1)(b), is entitled to a refund.

Division 3—How payments for tax and other amounts are allocated and applied

40 When payments are received

(1) A payment is taken to be received by the commissioner—

- (a) if the payment is made by cash or cheque—when the payment is made to the commissioner by or for a taxpayer for the taxpayer’s tax law liability; or
- (b) if the payment is made as prescribed under a regulation under section 29(b)—at the time prescribed under the regulation; or
- (c) if an amount becomes available for application by the commissioner under section 38 for a taxpayer’s tax law liability—when the amount becomes available.

(2) If an amount is tendered to the commissioner after 5 p.m. on a business day, payment of the amount is taken to have been made the next business day.

41 Allocating payments if more than 1 assessment liability

(1) If a taxpayer has an assessment liability under more than 1 assessment, the commissioner must decide the assessment liabilities to which a payment received by the commissioner is to be applied under section 42.

(2) In making the decision, the commissioner may, but is not required to, have regard to a request by the taxpayer for the allocation of the payment.

42 Application of payments to assessment liability

A payment received by the commissioner for an assessment liability must be applied in the following order—

- (a) first, an amount payable under a tax law, other than late payment interest or tax;
- (b) second, another amount payable under a tax law, other than primary tax;
- (c) last, primary tax.

Division 4—Power to waive or write off liability

43 Waiver of tax law liability

(1) The commissioner may waive payment of a taxpayer's tax law liability up to the amount prescribed under a regulation.

(2) The liability to pay the amount waived is extinguished.

44 Effect of writing off tax law liability

If all or part of a taxpayer's tax law liability is written off under the *Financial Administration and Audit Act 1977*, section 106, the writing off does not extinguish the taxpayer's liability or prevent a later proceeding against the taxpayer to recover the amount of the liability.

Division 5—Recovery of tax and other amounts

Subdivision 1—Recovery from taxpayers

45 Unpaid amount under tax law is debt

(1) An amount payable under a tax law must be paid to the commissioner.

(2) If the whole or part of an amount payable under a tax law is not paid as required—

- (a) the unpaid amount is a debt payable to the State; and
- (b) the commissioner may recover the unpaid amount for the State in a court of competent jurisdiction.

46 Recovery proceedings not affected by reassessment

A reassessment does not affect a proceeding for the recovery of an amount payable under a tax law but an appropriate adjustment must be made to the amount sought to be recovered in the proceeding to accord with the reassessment.

47 Joint and several liability

(1) If 2 or more taxpayers are liable under a tax law to pay an amount, the commissioner may recover the whole or part of the amount from any 1 or more of them.

(2) Subsection (1) does not affect the right of a taxpayer who pays an amount to recover a contribution from another person jointly or severally liable for the whole or part of the amount.

Subdivision 2—Obligations of administrators and garnishees

48 Particular administrators to notify commissioner of appointment

(1) A person who is appointed as administrator for the property of a taxpayer who has a tax law liability must, before the required date, give written notice to the commissioner of the appointment.

Maximum penalty—40 penalty units.

(2) For subsection (1), the required date is—

- (a) 14 days after the administrator becomes aware, or should reasonably have become aware, the taxpayer has a tax law liability even if the extent of the liability is not then ascertainable; or
- (b) the later date allowed by the commissioner.

(3) However, notice is not required in the circumstances prescribed under a regulation.

49 Administrator's liability for payment of tax

(1) The commissioner has the same powers and remedies in relation to the administrator for the property of a taxpayer as the commissioner would have in relation to the taxpayer.

(2) However, an administrator is liable for payment of a tax law liability of a taxpayer only to the extent of the realised value of all property that—

- (a) the administrator has taken possession as administrator; and
- (b) was, at any time, available to the administrator for the payment of the tax.

50 Collection of amounts from a garnishee

(1) This section applies if—

- (a) under a tax law, a debt is payable by a taxpayer; and
- (b) the commissioner reasonably believes a person (the **“garnishee”**)—
 - (i) holds or may receive an amount for or on account of the taxpayer; or
 - (ii) is liable or may become liable to pay an amount to the taxpayer; or
 - (iii) has authority to pay an amount to the taxpayer.

(2) Subsection (1)(b) applies even though the taxpayer's entitlement to the amount may be subject to unfulfilled conditions.

(3) The commissioner may, by written notice given to the garnishee (the **“garnishee notice”**), require the garnishee to pay to the commissioner by a stated date a stated amount (the **“garnishee amount”**).

(4) Without limiting subsection (3), the garnishee notice may require the garnishee to pay to the commissioner an amount out of each payment the garnishee is or becomes liable, from time to time, to make to the taxpayer.

(5) However, if, on the date for payment under the garnishee notice, the garnishee amount is not held for, or is not liable to be paid to, the taxpayer by the garnishee, the notice has effect as if the date for payment were

immediately after the date the amount is held for, or is liable to be paid to, the taxpayer by the garnishee.

(6) The garnishee amount must not be more than the taxpayer's debt.

(7) The garnishee must comply with the garnishee notice unless the garnishee has a reasonable excuse.

Maximum penalty—40 penalty units.

(8) The commissioner must give to the taxpayer—

- (a) a copy of the garnishee notice; and
- (b) details in writing of the taxpayer's debt to which the notice relates.

51 Duration of garnishee notice

The garnishee notice has effect until the garnishee amount is paid or the commissioner, by written notice given to the garnishee, withdraws the notice.

52 Effect of discharge of debt on garnishee notice

(1) This section applies if—

- (a) the taxpayer's debt to which the garnishee notice relates is discharged, whether completely or partly, before the date for payment of the garnishee amount; and
- (b) the discharge affects the amount to be recovered from the garnishee.

(2) The commissioner must give written notice to the garnishee and the taxpayer—

- (a) informing them of the extent of the discharge of the debt; and
- (b) stating the amount payable under the garnishee notice is reduced accordingly; and
- (c) if the taxpayer's debt is fully discharged—withdrawing the garnishee notice.

53 Effect of payment by garnishee

If the garnishee pays an amount to the commissioner under a garnishee notice, the garnishee—

- (a) is taken to have acted under the authority of the taxpayer and all other persons concerned; and
- (b) if the garnishee is under an obligation to pay an amount to the taxpayer—is to be taken to have satisfied the obligation to the extent of the payment.

PART 5—INTEREST AND PENALTY TAX

Division 1—Interest payable to commissioner and penalty tax

Subdivision 1—Interest

54 Unpaid tax interest

(1) A taxpayer must pay interest (“**unpaid tax interest**”) on the amount of primary tax payable by the taxpayer and unpaid from time to time (“**unpaid primary tax**”).

(2) Unpaid tax interest accrues daily at the prescribed rate on the unpaid primary tax for the period starting on the start date and ending on the date the primary tax is paid in full, both dates inclusive.

(3) Any unpaid tax interest that has accrued when an assessment is made (“**assessed interest**”) must be included in the assessment.

(4) For subsection (2), the start date is the day after—

- (a) for a self assessment—the date the return is required to be lodged under the revenue law for the self assessment; or
- (b) for a default assessment of a taxpayer’s liability for tax required or permitted to be made by a self assessment—the date the return is required to be lodged under the revenue law for the self assessment; or
- (c) for another original assessment—

- (i) the due date for the assessment; or
- (ii) if the taxpayer has not complied with 1 or more information or lodgment requirements for the assessment—the date that is the same number of days before the due date for the assessment as the number of days in the periods of non-compliance with the information or lodgment requirements; or
- (d) for a reassessment of a self assessment—the date mentioned in paragraph (a) for the assessment; or
- (e) for a reassessment of another original assessment—the date mentioned in paragraph (b) or (c) for the assessment.

Example for subsection (4)(c)(ii)—

If a taxpayer who is required to comply with a lodgment requirement by 10 March does not comply with the requirement until 15 March, the period of non-compliance under subsection (5) is 5 days. If the due date for the assessment made is 17 April, the start date is 13 April.

(5) For subsection (4)(c)(ii)—

- (a) a period of non-compliance ends on the date the commissioner issues a default assessment for the non-compliance; and
- (b) the date on which the requirement is complied with is included in calculating a period of non-compliance.

(6) For a reassessment—

- (a) the unpaid primary tax is the amount of the reassessed primary tax that is unpaid; and
- (b) any assessed interest included in the reassessment replaces any previously accrued unpaid tax interest.

Example for subsection (6)—

The assessment for the example for subsection (4)(c)(ii) is issued for \$10 000 primary tax and before any payment under the original assessment is made. A reassessment is issued on 24 April for \$12 000 primary tax.

If the prescribed rate for late payment interest is 10% per year, the late payment interest that has accrued on the \$10 000 when the reassessment is made (namely on and from 13 April to and including 24 April) is \$32.87. When the reassessment is made, assessed interest is calculated on the \$12 000 unpaid reassessed primary tax on and from 13 April to and including 24 April. This replaces the \$32.87 interest previously accrued.

If a payment of \$10 000 is made on 12 April, the assessed interest for the reassessment would be calculated on the unpaid reassessed primary tax of \$2 000 on and from 13 April to and including 24 April.

55 When particular taxpayers liable for unpaid tax interest

A taxpayer to whom a regulation under section 147(2) applies is liable for unpaid tax interest in relation to an assessment only from the due date in the assessment notice given to the taxpayer.

56 Unpaid tax interest unaffected by extensions of time

(1) The making of a payment arrangement must be disregarded for determining late payment interest accruing under section 54.

(2) Any extension of time allowed by the commissioner for complying with an information or lodgment requirement must be disregarded in determining the start date under section 54(4).

57 Application of payments for unpaid tax interest

(1) The order of application of a payment under section 42³ applies to determine the amount of unpaid primary tax on which unpaid tax interest accrues.

(2) For a reassessment, subsection (1) applies as if there had been no previous application of payments.

Subdivision 2—Penalty tax

58 Liability for penalty tax

(1) A taxpayer is liable for an amount (“**penalty tax**”) if—

(a) the commissioner makes a default assessment because—

(i) for a self assessment—the assessment is not made; or

(ii) for another assessment—the taxpayer does not give information required to be given under an information

3 Section 42 (Application of payments to assessment liability)

requirement or lodge a document required to be lodged under a lodgment requirement; or

- (b) the commissioner makes a reassessment and the original assessment was a default assessment mentioned in paragraph (a); or
- (c) the primary tax assessed on a reassessment, other than under a reassessment mentioned in paragraph (b), is more than the primary tax assessed on the original assessment.

(2) Penalty tax must be assessed as follows—

- (a) if subsection (1)(a) applies—an amount equal to 75% of the primary tax assessed;
- (b) if subsection (1)(b) applies—an amount equal to 75% of the reassessed primary tax;
- (c) if subsection (1)(c) applies—an amount equal to 75% of the increase in primary tax.

(3) The commissioner may increase the amount of the penalty tax by not more than 20% of the penalty tax under subsection (2) if the commissioner is satisfied the taxpayer—

- (a) has not complied with section 28;⁴ or
- (b) has hindered or prevented the commissioner from becoming aware of the nature and extent of the taxpayer's liability for tax.

(4) If penalty tax was payable under the previous assessment and a reassessment of primary tax is made—

- (a) penalty tax must be recalculated on the reassessed primary tax on the basis for assessing the penalty tax on the previous assessment; and
- (b) penalty tax included in the reassessment replaces any previously assessed penalty tax.

Example for subsection (4)—

A reassessment is made increasing the tax payable by a taxpayer from \$1 000 to \$1 700. Penalty tax of \$525, being 75% of \$700, is payable for the reassessment under subsection (1)(c). A further reassessment is made, decreasing the tax payable to \$1 200. The penalty tax imposed under the previous reassessment must be recalculated on the reassessed primary tax on the basis for assessing the penalty tax on the previous

4 Section 28 (Taxpayer to advise commissioner if liability for tax under assessed)

assessment. Accordingly, penalty tax of \$150, being 75% of \$200, is assessed on the reassessment, replacing the penalty tax of \$525 previously assessed.

59 Penalty tax not payable if proceeding for offence started

(1) This section applies if a taxpayer is liable to pay penalty tax because of an act or omission of the person.

(2) If a proceeding is started against the taxpayer for an offence against a tax law that is constituted by the act or omission and the penalty tax has not been paid to the commissioner, the penalty tax is payable only if the commissioner withdraws the proceeding.

(3) If the penalty tax has been paid to the commissioner, but a proceeding is started against the person for an offence against a tax law that is constituted by the act or omission, the commissioner must make a reassessment remitting the amount of penalty tax to nil.⁵

(4) Despite subsection (3), if the commissioner withdraws the proceeding for the offence, the commissioner must make a reassessment to reinstate the penalty tax remitted under the subsection.

(5) In this section—

“**penalty tax**” includes an amount declared under a revenue law to be a penalty tax for this section.

Division 2—Remission of interest and penalty tax

60 When commissioner may remit unpaid tax interest and penalty tax

(1) The commissioner may remit the whole or part of unpaid tax interest or penalty tax.

(2) The remission of assessed interest or penalty tax must be made by assessment.

5 See section 18 (When commissioner must make reassessment—general).

Division 3—Interest payable by commissioner**61 Interest on particular overpayments following court’s decision**

(1) This section applies if a taxpayer is entitled to a refund of tax or late payment interest (the “**overpaid amount**”) because of—

- (a) a reassessment giving effect to a decision of the Supreme Court under section 74 on an appeal by the taxpayer; or
- (b) an order of the Supreme Court on an application, under the *Judicial Review Act 1991*, by the taxpayer for a decision under a tax law.

(2) The court may order the commissioner to pay interest on the overpaid amount.

(3) The interest must be calculated on a daily basis at the prescribed rate from the date the overpaid amount was paid to the commissioner to the date the refund is made by the commissioner.

62 Interest only payable under this division

A person is not entitled to interest on any amount the commissioner is required to refund to the person other than under this division.⁶

⁶ See section 36 (Refunds made only under this division).

PART 6—OBJECTIONS AND APPEALS AGAINST ASSESSMENTS

Division 1—Objections

63 Right to object

(1) A taxpayer who is dissatisfied with an original assessment, other than a compromise assessment, may object to the assessment.

(2) Also, a taxpayer who is dissatisfied with a reassessment increasing a taxpayer's liability for tax, or a reassessment under section 18(b)⁷ decreasing a taxpayer's liability for tax, may object to the reassessment.

(3) However, the right of objection to the reassessment is limited to the changes for the particular matters for which the reassessment is made.

(4) A decision or conduct leading up to or forming part of the process of making an assessment is subject to objection only as part of an objection to the assessment.

64 Grounds of objection

(1) An objection against an assessment may be made on any grounds.

(2) However, for an objection to a decision to which this part is declared to apply under a provision of a revenue law, the grounds of objection are limited to whether the particular circumstances apply for the instrument or transaction to which the decision relates.⁸

65 Making objection

(1) An objection must—

(a) be in writing; and

(b) state in detail the grounds on which the objection is made; and

⁷ Section 18 (When commissioner must make reassessment—general)

⁸ See the *Duties Act 2001*, section 500 (Application of administration Act, pt 6, to particular decisions).

- (c) be accompanied by copies of all material relevant to decide the objection; and
- (d) be lodged within 60 days after the assessment notice for the assessment to which the objection relates is given to the taxpayer.

(2) The commissioner may extend the time for lodging an objection if the commissioner is satisfied it would be unreasonable in particular circumstances for the objection to be lodged within the 60 days.

(3) The commissioner's decision to refuse to extend the time for lodging an objection is a non-reviewable decision.

66 Onus of proof on objection

The objector has the onus of proving the objector's case.

67 Deciding objection

(1) The commissioner must allow the objection completely or partly or disallow it.

(2) If the assessment to which the objection is lodged is made by a delegate of the commissioner, the delegate must not decide the objection.

68 Notice of decision

(1) The commissioner must give written notice to the objector of the commissioner's decision on the objection.

(2) If the objection is allowed in part or disallowed, the notice must state the following—

- (a) the reasons for the decision;
- (b) that the objector may, within 60 days after receiving the notice, appeal against the decision;
- (c) how to appeal.

Division 2—Appeals

69 Right of appeal

(1) A taxpayer may appeal to the Supreme Court if the taxpayer is dissatisfied with the commissioner's decision on the taxpayer's objection.

(2) However, a taxpayer does not have a right of appeal unless the whole of the amount of the tax and late payment interest payable under the assessment to which the appeal relates has been paid.

70 How to start appeal and grounds of appeal

(1) The appeal is started by giving written notice of the appeal to the commissioner within 7 days after the notice of appeal is filed.

(2) The notice of appeal must be filed within 60 days after notice is given to the taxpayer of the commissioner's decision on the objection.

(3) The Supreme Court must not extend the time for filing the notice.

(4) The notice of appeal must state fully the grounds of the appeal and the facts relied on.

(5) The grounds of the appeal are limited to the grounds of objection unless the court otherwise orders.

71 Effect of making reassessment after appeal started

(1) This section applies if the commissioner makes a reassessment after an appeal against the assessment is started.

(2) On receiving the assessment notice for the reassessment, the taxpayer may—

- (a) continue or withdraw the existing appeal; or
- (b) instead of objecting to the reassessment, change the grounds of the appeal, by filing notice of the change with the registrar of the Supreme Court.

(3) However, the taxpayer may change the grounds of the appeal only to the extent that the taxpayer would have a right of objection to the reassessment.

72 Onus on appeal

On the appeal, the appellant has the onus of proving the appellant's case.

73 Admissibility of new evidence

(1) Subsection (2) applies if—

- (a) the Supreme Court is satisfied evidence material to the objection was not before the commissioner when the objection was decided; and
- (b) subject to section 70(5), the court admits the evidence.

(2) The court must—

- (a) adjourn the hearing of the appeal; and
- (b) direct the commissioner to reconsider the objection having regard to the evidence and any other evidence obtained by the commissioner.

(3) However, subsection (2) does not apply if the commissioner asks the court to continue the hearing without the commissioner reconsidering the objection.

(4) For reconsidering the objection, the commissioner has all the powers conferred under this Act.

74 Deciding appeal

The Supreme Court must allow the appeal completely or partly or disallow it.

Division 3—Decisions and determinations not subject to objection, appeal or review

75 What is a “non-reviewable decision”

(1) A “**non-reviewable decision**” is a decision or determination that, under a provision of this Act, is declared to be a non-reviewable decision.

(2) In this section—

“**decision**” includes a decision or conduct leading up to or forming part of the process of making a decision or determination.

76 Effect of non-reviewable decisions

A non-reviewable decision—

- (a) is final and conclusive; and
- (b) is not subject to objection or appeal under this part; and
- (c) can not be challenged, appealed against, reviewed, quashed, set aside, or called in question in another way, under the *Judicial Review Act 1991* or otherwise (whether by the Supreme Court, another court, a tribunal or another entity); and
- (d) is not subject to any writ or order of the Supreme Court, another court, a tribunal or another entity on any ground.

77 Application of Judicial Review Act

The *Judicial Review Act 1991*, parts 3 and 5,⁹ does not apply to—

- (a) an assessment; or
- (b) a decision or conduct leading up to or forming part of the process of making an assessment; or
- (c) a decision disallowing, in whole or in part, an objection against an assessment.

PART 7—INVESTIGATIONS*Division 1—Preliminary***78 Declaration of recognised law and corresponding commissioner**

(1) A regulation may declare a law of the Commonwealth or another State that provides for any of the following to be a recognised law for this Act—

- (a) the levying or collection of a tax, fee, duty or other impost;

⁹ *Judicial Review Act 1991*, part 3 (Statutory orders of review) or 5 (Prerogative orders and injunctions)

(b) the payment of a subsidy for goods.

(2) However, a law may be declared to be a recognised law only if the law or another law of the relevant jurisdiction provides or will provide for the conduct of investigations for a tax law or another law administered by the commissioner that corresponds to a recognised law.

(3) The regulation must declare a person to be the corresponding commissioner for the recognised law.

79 Exercise of powers only for tax law or recognised law

A power conferred under this part may be exercised only for the administration or enforcement of a tax law or recognised law.¹⁰

Division 2—Investigations under tax laws

Subdivision 1—Investigators

80 Appointment

(1) The commissioner may appoint a public service employee as an investigator.

(2) The commissioner may appoint a person as an investigator only if the commissioner is satisfied the person is qualified for appointment because the person has the necessary expertise or experience.

81 Appointment conditions and limit on powers

(1) An investigator holds office on any conditions stated in—

- (a) the investigator's instrument of appointment; or
- (b) a signed notice given to the investigator; or
- (c) a regulation.

¹⁰ For reciprocal investigations, see section 110 (Application of Act to reciprocal investigations).

(2) The instrument of appointment, a signed notice given to the investigator or a regulation may limit the investigator's powers under this Act.

(3) In this section—

“**signed notice**” means a notice signed by the commissioner.

82 Issue of identity card

(1) The commissioner must issue an identity card to each investigator.

(2) The identity card must—

- (a) contain a recent photo of the investigator; and
- (b) contain a copy of the investigator's signature; and
- (c) identify the person as an investigator under this Act; and
- (d) state an expiry date for the card.

(3) This section does not prevent the issue of a single identity card to a person for this Act and other purposes.

83 Production of identity card

(1) In exercising a power under subdivision 3 or 4 in relation to a person, an investigator must—

- (a) first produce his or her identity card for the person's inspection before exercising the power; or
- (b) have the identity card displayed so it is clearly visible to the person when exercising the power.

(2) However, if it is not practicable to comply with subsection (1), the investigator must produce the identity card for the person's inspection at the first reasonable opportunity.

(3) For subsection (1), an investigator does not exercise a power in relation to a person only because the investigator has entered a place as mentioned in section 90(1)(b) or (2).

84 When investigator ceases to hold office

(1) An investigator ceases to hold office if any of the following happens—

- (a) the term of office stated in a condition of office ends;
- (b) under another condition of office, the investigator ceases to hold office;
- (c) the investigator's resignation under section 85 takes effect.

(2) Subsection (1) does not limit the ways an investigator may cease to hold office.

(3) In this section—

“**condition of office**” means a condition on which the investigator holds office.

85 Resignation

(1) An investigator may resign by signed notice given to the commissioner.

(2) However, if holding office as an investigator is a condition of the investigator holding another office, the investigator may not resign as an investigator without resigning from the other office.

86 Return of identity card

A person who ceases to be an investigator must return the person's identity card to the commissioner within 21 days after ceasing to be an investigator unless the person has a reasonable excuse.

Maximum penalty—40 penalty units.

Subdivision 2—Provisions about requiring information, documents and attendance

87 Power to require information or documents

The commissioner or an investigator may, by written notice given to a person, require the person to—

- (a) give to the commissioner or an investigator, either orally or in writing, information in the person's knowledge about a stated matter within a stated reasonable time and in a stated reasonable way; or

- (b) give to the commissioner or an investigator a document about a stated matter in the person's possession or control within a stated reasonable time and in a stated reasonable way.¹¹

88 Power to require attendance

(1) The commissioner or an investigator may, by written notice given to a person, require the person to attend before the commissioner or an investigator to do either or both of the following—

- (a) give to the commissioner or investigator, either orally or in writing, information in the person's knowledge about a stated matter; or
- (b) give to the commissioner or investigator, a document about a stated matter in the person's possession or control.

(2) The notice must state a reasonable time and place for the person's attendance.

(3) The commissioner or an investigator may require—

- (a) information to be given on oath; or
- (b) information or a document given to be verified by statutory declaration.

(4) When making a requirement under this section, the commissioner or investigator must warn the person it is an offence to fail to comply with the requirement, unless the person has a reasonable excuse.

(5) For subsection (3)(a), the commissioner or investigator may administer an oath.

(6) The person must not fail, without reasonable excuse, to—

- (a) attend as required by the notice; or
- (b) give information the person is required to give by the commissioner or an investigator in the way required; or
- (c) give a document the person is required to give by the notice; or
- (d) comply with a requirement under subsection (3).

¹¹ For offence to fail to comply with an information or lodgment requirement, see section 121.

Maximum penalty—100 penalty units.

(7) A person, other than a taxpayer or the taxpayer's representative, who is required under a notice under this section to attend a place is entitled to be paid the expenses prescribed under a regulation.

89 Power to record giving of information

(1) This section applies if a person is giving information to the commissioner or an investigator under a requirement under section 88.

(2) With the person's knowledge, a recording may be made, in the way the commissioner or investigator considers appropriate, of questions asked by the commissioner or investigator and information given by the person.

(3) If asked to do so by the person, the commissioner or investigator must give the person a copy of the recording.

Subdivision 3—Entry of places

90 Investigator's power to enter places for investigations

(1) An investigator may enter a place if—

- (a) its occupier consents to the entry; or
- (b) it is a public place and the entry is made when it is open to the public; or
- (c) it is a place used for conducting an enterprise and the entry is made when—
 - (i) the enterprise is being conducted; or
 - (ii) the place is otherwise open for entry; or
- (d) the entry is authorised by warrant.

(2) For the purpose of asking the occupier of a place for consent to enter, an investigator may, without the occupier's consent or a warrant—

- (a) enter land around premises at the place to an extent that is reasonable to contact the occupier; or
- (b) enter part of the place the investigator reasonably considers members of the public ordinarily are allowed to enter when they wish to contact the occupier.

(3) For subsection (1)(c), a place used for conducting an enterprise does not include a part of the place where a person resides.

91 Entry with consent

(1) This section applies if an investigator intends to ask an occupier of a place to consent to the investigator or another investigator entering the place under section 90(1)(a).

(2) Before asking for the consent, the investigator must tell the occupier—

- (a) the purpose of the entry; and
- (b) that the occupier is not required to consent.

(3) If the consent is given, the investigator may ask the occupier to sign an acknowledgment of the consent.
