Queensland

Aboriginal Cultural Heritage Act 2003

Act No. 79 of 2003

**An Act to make provision for Aboriginal cultural heritage, and for
other purposes**

[Assented to 6 November 2003]

The Parliament of Queensland enacts—

PART 1—PRELIMINARY

Division 1—Introduction

1 Short title

This Act may be cited as the *Aboriginal Cultural Heritage Act 2003*.

2 Commencement

This Act commences on a day to be fixed by proclamation.

3 Act binds all persons

(1) This Act binds all persons including the State and, to the extent the legislative power of the Parliament permits, the Commonwealth and the other States.

(2) Nothing in this Act makes the State liable to be prosecuted for an offence.

Division 2—Purpose of Act

4 Main purpose of Act

The main purpose of this Act is to provide effective recognition, protection and conservation of Aboriginal cultural heritage.

5 Principles underlying Act's main purpose

The following fundamental principles underlie this Act's main purpose—

- (a) the recognition, protection and conservation of Aboriginal cultural heritage should be based on respect for Aboriginal knowledge, culture and traditional practices;
- (b) Aboriginal people should be recognised as the primary guardians, keepers and knowledge holders of Aboriginal cultural heritage;
- (c) it is important to respect, preserve and maintain knowledge, innovations and practices of Aboriginal communities and to promote understanding of Aboriginal cultural heritage;
- (d) activities involved in recognition, protection and conservation of Aboriginal cultural heritage are important because they allow Aboriginal people to reaffirm their obligations to ‘law and country’;
- (e) there is a need to establish timely and efficient processes for the management of activities that may harm Aboriginal cultural heritage.

6 How main purpose of Act is to be achieved

For achieving effective recognition, protection and conservation of Aboriginal cultural heritage, this Act provides for the following—

- (a) recognising Aboriginal ownership of Aboriginal human remains wherever held;
- (b) recognising Aboriginal ownership of Aboriginal cultural heritage of a secret or sacred nature held in State collections;
- (c) recognising Aboriginal ownership of Aboriginal cultural heritage that is lawfully taken away from an area by an Aboriginal party for the area;
- (d) establishing a duty of care for activities that may harm Aboriginal cultural heritage;
- (e) establishing powers of protection, investigation and enforcement;
- (f) establishing a database and a register for recording Aboriginal cultural heritage;
- (g) ensuring Aboriginal people are involved in processes for managing the recognition, protection and conservation of Aboriginal cultural heritage;

- (h) establishing a process for the comprehensive study of Aboriginal cultural heritage;
- (i) establishing processes for the timely and efficient management of activities to avoid or minimise harm to Aboriginal cultural heritage.

Division 3—Interpretation

7 Definitions

The dictionary in schedule 2 defines particular words used in this Act.

8 Meaning of “Aboriginal cultural heritage”

“**Aboriginal cultural heritage**” is anything that is—

- (a) a significant Aboriginal area in Queensland; or
- (b) a significant Aboriginal object; or
- (c) evidence, of archaeological or historic significance, of Aboriginal occupation of an area of Queensland.

9 Meaning of “significant Aboriginal area”

A “**significant Aboriginal area**” is an area of particular significance to Aboriginal people because of either or both of the following—

- (a) Aboriginal tradition;¹
- (b) the history, including contemporary history, of any Aboriginal party for the area.

1 Under the *Acts Interpretation Act 1954*, section 36 (Meaning of commonly used words and expressions), “**Aboriginal tradition**” means the body of traditions, observances, customs and beliefs of Aboriginal people generally or of a particular community or group of Aboriginal people, and includes any such traditions, observances, customs and beliefs relating to particular persons, areas, objects or relationships.

10 Meaning of “significant Aboriginal object”

A “**significant Aboriginal object**” is an object of particular significance to Aboriginal people because of either or both of the following—

- (a) Aboriginal tradition;
- (b) the history, including contemporary history, of an Aboriginal party for an area.

11 Extension of evidence of occupation to surroundings

If a particular object or structure is evidence of Aboriginal occupation, the area immediately surrounding the object or structure is also evidence of Aboriginal occupation to the extent the area can not be separated from the object or structure without destroying or diminishing the object or structure’s significance as evidence of Aboriginal occupation.

12 Identifying significant Aboriginal areas

(1) This section gives more information about identifying significant Aboriginal areas.

(2) For an area to be a significant Aboriginal area, it is not necessary for the area to contain markings or other physical evidence indicating Aboriginal occupation or otherwise denoting the area’s significance.

(3) For example, the area might be a ceremonial place, a birthing place, a burial place or the site of a massacre.

(4) Also, if significant Aboriginal objects exist in an area and the significance of the objects is intrinsically linked with their location in the area—

- (a) the existence of the objects in the area is enough on its own to make the area a significant Aboriginal area; and
- (b) if it is reasonably appropriate under this Act, the immediate area and the objects in it may be taken to be, collectively, a significant Aboriginal area.

(5) For identifying a significant Aboriginal area, regard may be had to authoritative anthropological, biogeographical, historical and archaeological information.

13 Interpretation to support existing rights and interests

A provision of this Act must not be interpreted in a way that would allow the provision to operate in a way that prejudices—

- (a) a right of ownership of a traditional group of Aboriginal people, or of a member of a traditional group of Aboriginal people, in Aboriginal cultural heritage used or held for traditional purposes under Aboriginal tradition; or
- (b) a person's enjoyment or use of, or free access to, Aboriginal cultural heritage, if—
 - (i) the person usually lives according to Aboriginal tradition as it relates to a particular group of Aboriginal people; and
 - (ii) the access, enjoyment or use is sanctioned by the Aboriginal tradition; or
- (c) native title rights and interests.

PART 2—OWNERSHIP, CUSTODIANSHIP AND POSSESSION OF ABORIGINAL CULTURAL HERITAGE

Division 1—Preliminary

14 Object and intent

(1) The object of this part is to make rules about ownership, custodianship and possession of Aboriginal cultural heritage.

(2) The basic intent underlying the rules stated in this part is that Aboriginal cultural heritage should be protected.

(3) A supporting intent is that, as far as practicable, Aboriginal cultural heritage should be owned and protected by Aboriginal people with traditional or familial links to the cultural heritage if it is comprised of any of the following—

- (a) Aboriginal human remains;
- (b) secret or sacred objects;

(c) Aboriginal cultural heritage lawfully taken away from an area.

(4) Another supporting intent is that Aboriginal cultural heritage of the type mentioned in subsection (3)(a) or (b) that is in the custody of the State, including the Queensland Museum, should continue to be protected by the State until it can be transferred into the protection of its Aboriginal owners.

Division 2—Aboriginal human remains

15 Ownership of Aboriginal human remains

(1) On the commencement of this section, Aboriginal people who have a traditional or familial link with Aboriginal human remains in existence immediately before the commencement become the owners of the human remains if they are not already the owners.

(2) Subsection (1) applies regardless of who may have owned the Aboriginal human remains before the commencement of this section.

16 Aboriginal human remains in custody of State

(1) This section applies to Aboriginal human remains if the human remains are in the custody of an entity that represents or is the State.

(2) The persons who own the human remains may at any time ask the entity—

- (a) to continue to be the custodian of the human remains; or
- (b) to return the human remains to them.

(3) If the entity is satisfied the persons making the request under subsection (2) are the owners of the human remains, the entity must comply with the request to the greatest practicable extent.

(4) The persons who own the human remains are not limited to making only 1 request under subsection (2).

Example—

The owners could ask for the Queensland Museum to continue its custody of the human remains while they make suitable arrangements for dealing with the human remains, at which time they could ask for the human remains to be returned to them.

17 Possession of Aboriginal human remains

(1) This section applies to a person, other than the State, if the person has in the person's possession Aboriginal human remains that were in existence immediately before the commencement of this section and the person does not have the necessary traditional or familial links with the human remains to be the owner of the human remains.

(2) The person must take all reasonable steps to ensure that the human remains are taken into the custody of the chief executive as soon as practicable.

Maximum penalty for subsection (2)—200 penalty units.

18 Knowledge of Aboriginal human remains

(1) This section applies to a person if the person—

- (a) knows of the existence and location of Aboriginal human remains, but does not own the human remains or have possession of them; and
- (b) knows, or ought reasonably to know, the human remains are, or are reasonably likely to be, Aboriginal human remains; and
- (c) knows or suspects—
 - (i) that the chief executive does not know of the existence of the human remains; or
 - (ii) that the chief executive knows of the existence of the human remains, but does not know the human remains are, or are reasonably likely to be, Aboriginal human remains.

(2) The person must—

- (a) as soon as practicable, advise the chief executive of the existence and location of the human remains; and
- (b) give the chief executive all details about the nature and location of the human remains the chief executive reasonably requires.

Maximum penalty—100 penalty units.

(3) For subsection (2), the obligation to advise the chief executive and to give the chief executive details must be complied with—

- (a) if all the circumstances giving rise to the obligation arose before the commencement of this section—as soon as practicable after the commencement; or
- (b) if all the circumstances giving rise to the obligation arise after the commencement, or if the circumstances arose partly before the commencement and arise partly after the commencement—as soon as practicable after all the circumstances apply.

(4) For subsection (1)(c), the chief executive is taken to be in possession of any knowledge that was ever in the possession of the Minister mentioned in section 35² of the repealed Act.

Division 3—Secret and sacred objects

19 Ownership and custody of secret or sacred object

(1) This section applies to an object that is Aboriginal cultural heritage if—

- (a) the object is a secret or sacred object; and

Example of secret or sacred object—

a ceremonial item

- (b) the object is, immediately before the commencement of this section, in the custody of an entity that represents or is the State, or after the commencement comes into the custody of an entity that represents or is the State.

(2) The Aboriginal people who have a traditional or familial link with the object, if they are not already the owners, become the owners of the object—

- (a) if the object was in the custody of the entity immediately before the commencement of this section—on the commencement; or
- (b) otherwise—when the object comes into the custody of the entity.

(3) The persons who own the object may at any time ask the entity—

- (a) to continue to be the custodian of the object; or
- (b) to return the object to them.

2 Section 35 (Duties respecting burial remains) of the repealed Act

(4) If the entity is satisfied the persons making the request under subsection (3) are the owners of the object, the entity must comply with the request to the greatest practicable extent.

(5) The persons who own the object are not limited to making only 1 request under subsection (3).

Example—

The owners could ask for the Queensland Museum to continue its custody of an object while they make suitable arrangements for dealing with the object, at which time they could ask for the object to be returned to them.

Division 4—Other Aboriginal cultural heritage

20 Ownership of Aboriginal cultural heritage

(1) The following Aboriginal cultural heritage is not in the ownership of the State—

- (a) human remains and secret or sacred objects owned by Aboriginal people under division 2 or 3;
- (b) Aboriginal cultural heritage passing into the ownership of an Aboriginal party under this Act;
- (c) Aboriginal cultural heritage owned by a person whose ownership is confirmed under a provision of this Act;
- (d) Aboriginal cultural heritage owned by a person to whom ownership is lawfully transferred.

(2) Otherwise, the State owns Aboriginal cultural heritage.

(3) Subsection (2) applies to an object or evidence that is Aboriginal cultural heritage even if the object or evidence—

- (a) forms, or has previously formed, part of land; or
- (b) is located, or has previously been located, in, on or under land.

(4) Subsections (2) and (3) do not operate to give the State ownership of—

- (a) land in which is situated an object or evidence that becomes owned by the State under subsection (2); or
- (b) any other land.

21 Continued use of surface

(1) This section applies if Aboriginal cultural heritage is located on the surface of land, and—

- (a) under the tenure on which the land is held, the owner or occupier of the land is entitled to the use and enjoyment of the surface of the land; or
- (b) a person is otherwise entitled to the use and enjoyment of the surface of the land.

(2) Despite the existence of the Aboriginal cultural heritage, the owner or occupier or other person is entitled to the use and enjoyment of the land to the extent that the person does not unlawfully harm the cultural heritage.

Division 5—Role of Queensland Museum

22 Care of Aboriginal cultural heritage

(1) The Queensland Museum may act under the *Queensland Museum Act 1970* in relation to all Aboriginal cultural heritage in its custody.

(6) However, a native title party to whom subsection (5) applies is not an “**Aboriginal party**” for a part of the area if—

- (a) native title was not found to exist in relation to the part; and
- (b) there is a registered native title claimant for the part.

(7) If there is no native title party for an area, a person is an “**Aboriginal party**” for the area if—

- (b) either—
 - (i) Aboriginal parties for the area that are native title parties for the area agree the corporation should be registered; or
 - (ii) if there is no Aboriginal party for the area that is a native title party for the area—there is substantial agreement among the Aboriginal parties for the area that the corporation should be registered.

Examples of corporations that may be appropriate to be registered—

a registered native title body corporate, a representative body that is a corporation, an Aboriginal body incorporated for furthering the interests of Aboriginal people in relation to land or cultural matters

(3) If the chief executive refuses to record the findings of the cultural heritage study in the register, the chief executive must include in each written notice given under subsection (1) a statement of the chief executive's reasons for refusing to record the findings.

PART 7—CULTURAL HERITAGE MANAGEMENT PLANS

Division 1—Introduction

80 When cultural heritage management plan is or may be required—div 2

Division 2 provides for when a cultural heritage management plan is or may be required to be developed and approved for a project.

81 Requirements for developing cultural heritage management plan and having it approved—divs 3 to 7

Divisions 3 to 7 state the requirements for developing a cultural heritage management plan for a project and for having the plan approved for the project.

82 Responsibility for developing cultural heritage management plan

Any person, including the Minister, may be the sponsor for a cultural heritage management plan.

83 Voluntary development of cultural heritage management plan

A person may, under this Act, develop and gain approval of a cultural heritage management plan even though there is no legal requirement for the plan.

Example—

A person may seek to have an approved cultural heritage management plan in place to help the person avoid breaching the cultural heritage duty of care.

84 Approved cultural heritage management plan may not require particular action

In appropriate circumstances, a cultural heritage management plan developed and approved under this Act for a project may be to the effect that there are, for the project, no particular requirements for managing the impact of activities on Aboriginal cultural heritage.

85 Cultural heritage management plan guidelines

(1) The Minister may by gazette notice notify guidelines to help people in choosing suitable methodologies for developing cultural heritage management plans.

(2) However, a failure to conform to the guidelines is not a ground for refusing to approve a cultural heritage management plan.

(3) Before notifying the guidelines, the Minister may consult with the following—

- (a) Aboriginal groups;
- (b) industry groups;
- (c) local governments;
- (d) other persons the Minister considers appropriate.

Division 2—Protection of cultural heritage under cultural heritage management plans

86 Application of div 2

This division does not apply to a project to the extent the project is the subject of—

- (a) an existing agreement; or
- (b) a native title agreement, whenever entered into, unless Aboriginal cultural heritage is expressly excluded from being subject to the agreement.

87 Cultural heritage management plan needed if EIS needed

(1) This section applies to a project if—

- (a) under an Act other than this Act, a lease, licence, permit, approval or other authority is required for the project; and
- (b) under the operation of the Act under which the authority is required, or under the operation of another Act, an EIS is required for the project.

(2) The entity authorised to give the authority must not give it unless—

- (a) a cultural heritage management plan for the project has been developed and approved under this Act; or
- (b) the authority is given subject to conditions to ensure that no excavation, construction or other activity that may cause harm to Aboriginal cultural heritage takes place for the project without the development and approval of a cultural heritage management plan for the project.

(3) The entity authorised to give the authority has power to impose conditions mentioned in subsection (2)(b).

(4) The plan area for a cultural heritage management plan developed and approved for subsection (2) may be limited to the part of the project area that is the subject of the EIS.

88 Cultural heritage management plan may be needed if other environmental authority needed

(1) This section applies to a project if—

- (a) under an Act other than this Act—
 - (i) a lease, licence, permit, approval or other authority is required for the project; and
 - (ii) under the operation of the Act under which the authority is required, or under the operation of another Act, an environmental assessment is required for the project; and
- (b) the project is a project, or a project of a type, prescribed under a regulation for this section.

(2) The entity authorised to give the authority must not give the authority unless—

- (a) a cultural heritage management plan for the project has been developed and approved under this Act; or
- (b) the authority is given subject to conditions to ensure that no excavation or construction takes place for the project without the development and approval of a cultural heritage management plan for the project.

(3) The entity authorised to give the authority has power to impose conditions mentioned in subsection (2)(b).

(4) The plan area for a cultural heritage management plan approved for subsection (2) may be limited to the part of the project area that is the subject of the environmental assessment.

(5) The Minister may recommend the making of a regulation under subsection (1)(b) only if the Minister is satisfied the project or type of project will have a significant impact on Aboriginal cultural heritage.

(6) In this section—

“**environmental assessment**” means a form of environmental assessment or planning, not including an EIS but including, for example, an EMP submission under the *Environmental Protection Act 1994*.

89 Cultural heritage management plan needed under IPA

(1) This section applies to a project if, under IPA—

- (a) a development application is made relating to the project; and
- (b) the chief executive is a concurrence agency for the application.

(2) Without limiting IPA, the chief executive may—

- (a) require, as part of an information request under IPA, that the applicant ensure a cultural heritage management plan for the project is developed and approved under this Act; or
- (b) require to be imposed, as a condition of approval of the development application, a condition that a cultural heritage management plan for the project be developed and approved under this Act.

Division 3—Preparing to develop cultural heritage management plan

For this division, a reference relating to a part of a plan area may, if it is convenient to do so, be taken to include a reference to the whole of the plan area.

- (e) if, for a part of the plan area, there is no Aboriginal party that is a native title party, and there is also no Aboriginal cultural heritage body—each entity that is a representative body for the part of the plan area.

(2) The written notice (proposed plan) must, to the greatest practicable extent, be given simultaneously to each person to whom it is required to be given.

(3) However, the person required to be notified under subsection (1)(b) may be given the notice simultaneously with another notice given to the person in relation to the project under another Act.

(4) If, under subsection (1)(c), the written notice is required to be given to a native title party for a part of the plan area, the written notice may be sent to the address for service entered for the native title party in—

- (a) the register; or
- (b) if no address for service is entered in the register, but an address for service is entered in the National Native Title Register or the Register of Native Title Claims—the National Native Title Register or the Register of Native Title Claims.

(2) To approve the plan, the chief executive must be satisfied the plan makes enough provision for how the project is to be managed—

- (a) to avoid harm to Aboriginal cultural heritage; and
- (b) to the extent that harm can not reasonably be avoided, to minimise harm to Aboriginal cultural heritage.

(3) If the plan is not a cultural heritage management plan developed voluntarily, the chief executive must also be satisfied the plan includes agreement for effective alternate dispute resolution arrangements to deal with issues that may arise in the operation of the plan.

109 Approving or refusing to approve plan if no endorsed party

(1) This section also applies if there is no endorsed party for the cultural heritage management plan.

(2) When the chief executive approves, or refuses to approve, the plan, the chief executive must give written notice of the approval, or refusal to approve, to the sponsor for the plan.

(3) The approval or refusal to approve is not ineffective only because the sponsor does not receive the notice under subsection (2).

(4) If the chief executive refuses to approve the plan, the chief executive must include in the written notice given under subsection (2) a written statement of the chief executive's reasons for refusing to approve the plan.

(5) The chief executive is not required to accept, but may accept, for the chief executive's further consideration, the plan in a form amended to take account of the matters mentioned in the chief executive's statement of reasons.

Division 6—Objection or referral, hearing and recommendation**110 Definitions for div 6**

In this division—

“appeal period”, for a refusal to approve a cultural heritage management plan for which there is no endorsed party, means the 30 days immediately after the chief executive gives the sponsor the written notice notifying the refusal.

“party”—

- (a) to an objection to a refusal to approve a cultural heritage management plan for which there is no endorsed party—means each of the following—
 - (i) the sponsor;
 - (ii) the chief executive; or
- (b) to a referral of a cultural heritage management plan to the tribunal for approval—means each of the following—
 - (i) each consultation party for the plan;
 - (ii) the chief executive.

111 Objection to tribunal to refusal to approve agreed plan

(1) If there is no endorsed party for the cultural heritage management plan, the sponsor for the plan may object, to the tribunal, to the chief executive's refusal to approve the plan.

(2) The sponsor must file the objection with the tribunal within the appeal period for the refusal.

112 Sponsor may refer plan to tribunal after unsuccessful mediation

(1) This section applies if—

- (a) under division 4, a consultation party asks the tribunal to provide mediation of a dispute; and
- (b) the mediation is not successful in resolving the dispute; and
- (c) the mediator considers that resolution is unlikely before the end of the consultation period.

(2) The mediator may authorise the sponsor to refer the plan to the tribunal and ask the tribunal to approve the cultural heritage management plan, even though the consultation period has not ended.

(3) If the sponsor does not refer the plan on the mediator's authority, the sponsor is not prevented from acting under this division to refer the plan to the tribunal.

113 Sponsor may refer plan to tribunal after failure to agree

(1) This section applies if—

- (a) there is at least 1 endorsed party for the cultural heritage management plan; and
- (b) the consultation period for the plan has ended; and
- (c) all consultation parties have not agreed that the chief executive may approve the plan.

(2) The sponsor for the plan may refer the plan to the tribunal and ask the tribunal to approve the plan.

(3) The sponsor must ensure that a referral of the plan to the tribunal happens within a reasonable time after the end of the consultation period for the plan.

114 Administrative details for objection or referral

(1) The sponsor must, in filing an objection or referral with the tribunal, identify for the tribunal the names and contact details of all other parties to the objection or referral.

(2) As soon as practicable after receiving the objection or referral from the sponsor, the tribunal must advise all other parties of the objection or referral.

(3) The tribunal must take all reasonable steps to keep all parties to the objection or referral informed about when any hearing of the objection or referral is to be held.

115 Substantive requirements for objection or referral

(1) The sponsor must, in filing an objection or referral with the tribunal, give the tribunal a document that—

- (a) unless there is no endorsed party for the cultural heritage management plan—outlines the nature and extent of the consultation that happened in the consultation period for the plan; and
- (b) states why the sponsor believes the plan makes enough provision for how the project is to be managed—
 - (i) to avoid harm to Aboriginal cultural heritage; and
 - (ii) to the extent that harm can not reasonably be avoided, to minimise harm to Aboriginal cultural heritage.

(2) The tribunal must—

- (a) give each other party to the objection or referral a copy of the document given to the tribunal under subsection (1); and
- (b) for a referral—invite each other party to the referral to make a written submission to the tribunal about the plan and the sponsor's submission on the plan.

(3) The tribunal is required to take account of a party's written submission given on an invitation under subsection (2)(b) only if the tribunal receives the submission within 30 days after the tribunal gives the copy of the document to the party under subsection (2)(a).

116 Tribunal's hearing

(1) The tribunal may hold, but is not required to hold, a hearing of an objection or referral.

(2) If, for the hearing, the tribunal is constituted by a referee non-presiding member of the tribunal who has been appointed as an indigenous issues referee, the referee must not be a referee who provided mediation under division 4.

(3) All parties to the objection or referral have the right to be heard at the hearing.

(4) The tribunal may order mediation before the hearing if the tribunal considers mediation may successfully resolve any dispute about the cultural heritage management plan.

117 Tribunal's recommendation to Minister

(1) After the hearing has been completed, or, if no hearing is held, after the tribunal has considered the sponsor's document and any submission properly received by the tribunal, the tribunal must give its recommendation about the cultural heritage management plan to the Minister.

(2) The tribunal's recommendation must be—

(a) that the Minister—

(i) for an objection—confirm the chief executive's refusal to approve the plan; or

(ii) for a referral—refuse to approve the plan; or

(b) that the Minister approve the plan; or

(c) that the Minister approve the plan after amendment of the plan in accordance with details included in the recommendation.

(3) Subsection (2) does not stop the tribunal, before making its recommendation to the Minister, from helping the parties to negotiate changes to the plan.

(4) Subsections (5) and (6) apply only if there is at least 1 endorsed party for the plan.

(5) If, before the tribunal makes a recommendation to the Minister, all the consultation parties agree that the plan should be approved, the sponsor may give the plan, as agreed to, to the chief executive.

(6) The giving of the plan to the chief executive under subsection (4) is taken to be a giving of the plan to the chief executive under division 5, in the circumstances that there is at least 1 endorsed party for the plan, and all consultation parties for the plan agree that the chief executive may approve the plan.

118 Reaching the recommendation

(1) To recommend that the Minister approve the cultural heritage management plan, or that the Minister approve the plan after amendment, the tribunal must be satisfied the plan makes, or after suitable amendment will make, enough provision for how the project is to be managed—

- (a) to avoid damage to Aboriginal cultural heritage; and
- (b) to the extent that damage can not reasonably be avoided, to minimise damage to Aboriginal cultural heritage.

(2) If the plan is not a cultural heritage management plan developed voluntarily, the tribunal must also be satisfied the plan provides for effective alternate dispute resolution arrangements to deal with issues that may arise in the operation of the plan.

(3) The tribunal must also be satisfied that, for Aboriginal cultural heritage that is to be or may be taken away when the plan is put into effect, the plan makes enough provision about—

- (a) who is to become the owner of it; and
- (b) who is to have the custody of it.

(4) For making its recommendation to the Minister about the plan, the tribunal must include the following in its considerations—

- (a) the availability and quality of documented information about the Aboriginal cultural heritage significance of the plan area;
- (b) the nature of the impacts of the project;
- (c) submissions made by the parties to the objection or referral, including, if a hearing is held, oral submissions made at the hearing;
- (d) the nature and extent of past uses of the project area.

119 General time requirement for making recommendation

(1) The tribunal must take all reasonable steps to make sure that its recommendation about the cultural heritage management plan is given to the Minister within 4 months after the objection or referral is filed with the tribunal.

(2) If the recommendation is not made within the 4 months, the tribunal must, as soon as practicable after the 4 months ends, give a written notice to the Minister—

- (a) advising why the recommendation has not yet been made; and
- (b) giving an estimate of when the recommendation is likely to be made.

Division 7—Approval by Minister**120 Approving or refusing to approve plan**

(1) On receiving a recommendation from the tribunal under division 6, the Minister may—

- (a) for an objection—confirm the chief executive’s refusal to approve the cultural heritage management plan; or
- (b) for a referral—refuse to approve the plan; or
- (c) approve the plan; or
- (d) approve the plan after amendment of the plan in accordance with the Minister’s direction.

(2) However, in deciding what action to take, the Minister must have regard to—

- (a) the tribunal’s recommendation; and
- (b) the matters about which the chief executive was or would have been required to be satisfied before approving the plan.

PART 8—INVESTIGATION AND ENFORCEMENT

(1) In exercising a power under this Act in relation to a person, an authorised officer must—

- (a) produce the authorised officer’s identity card for the person’s inspection before exercising the power; or
- (b) have the identity card displayed so it is clearly visible to the person when exercising the power.

(2) However, if it is not practicable to comply with subsection (1), the authorised officer must produce the identity card for the person’s inspection at the first reasonable opportunity.

(3) For subsection (1), an authorised officer does not exercise a power in relation to a person only because the authorised officer, as authorised under this Act, enters—

- (a) a public place when it is open to the public; or
- (b) a place for the purpose of asking the occupier of the place for consent to enter.

125 When authorised officer ceases to hold office

126 Resignation

An authorised officer may resign by signed notice given to the chief executive.

- (a) its occupier consents to the entry; or
- (b) it is a public place and the entry is made when the place is open to the public; or
- (c) the entry is authorised by a warrant.

(2) For the purpose of asking the occupier of a place for consent to enter, an authorised officer may, without the occupier's consent or a warrant—

- (d) the time and date the consent was given.

(5) If the occupier signs the acknowledgment, the authorised officer must immediately give a copy to the occupier.

(6) If—

- (a) an issue arises in a proceeding about whether the occupier consented to the entry; and
- (b) an acknowledgement complying with subsection (4) for the entry is not produced in evidence;

the onus of proof is on the person relying on the lawfulness of the entry to prove the occupier consented.

130 Application for warrant

(1) An authorised officer may apply to a magistrate for a warrant for a place.

(2) The application must be sworn and state the grounds on which the warrant is sought.

(3) The magistrate may refuse to consider the application until the authorised officer gives the magistrate all the information the magistrate requires about the application in the way the magistrate requires.

Example—

The magistrate may require additional information supporting the application to be given by statutory declaration.

131 Issue of warrant

(1) The magistrate may issue a warrant only if the magistrate is satisfied there are reasonable grounds for suspecting—

- (a) there is a particular thing or activity (the “**evidence**”) that may provide evidence of an offence against this Act; and
- (b) the evidence is at the place, or may be at the place within the next 7 days.

(2) The warrant must state—

- (a) urgent circumstances; or
- (b) other special circumstances, including, for example, the authorised officer’s remote location.

(2) Before applying for the special warrant, the authorised officer must prepare an application stating the grounds on which the warrant is sought.

(3) The authorised officer may apply for the special warrant before the application is sworn.

(4) After issuing the special warrant, the magistrate must immediately fax a copy (the “**facsimile warrant**”) to the authorised officer if it is reasonably practicable to fax the copy.

(5) If it is not reasonably practicable to fax a copy to the authorised officer—

- (a) the magistrate must tell the authorised officer—
 - (i) what the terms of the special warrant are; and
 - (ii) the date and time the special warrant was issued; and
- (b) the authorised officer must complete a form of warrant (a “**warrant form**”) and write on it—
 - (i) the magistrate’s name; and
 - (ii) the date and time the magistrate issued the special warrant; and
 - (iii) the terms of the special warrant.

(6) The facsimile warrant, or the warrant form properly completed by the authorised officer, authorises the entry and the exercise of the other powers stated in the special warrant issued.

(7) The authorised officer must, at the first reasonable opportunity, send to the magistrate—

- (a) the sworn application; and
- (b) if the authorised officer completed a warrant form—the completed warrant form.

(8) On receiving the documents, the magistrate must attach them to the special warrant.

(9) If—

- (a) an issue arises in a proceeding about whether an exercise of a power was authorised by a special warrant; and
- (b) the warrant is not produced in evidence;

the onus of proof is on the person relying on the lawfulness of the exercise of the power to prove a special warrant authorised the exercise of the power.

133 Warrants—procedure before entry

(2) Before entering the place, the authorised officer must do or make a reasonable attempt to do the following things—

- (b) give the person a copy of the warrant or, if the entry is authorised by a facsimile warrant or warrant form, a copy of the facsimile warrant or warrant form;
- (c) tell the person the authorised officer is permitted by the warrant to enter the place;
- (d) give the person an opportunity to allow the authorised officer immediate entry to the place without using force.

(3) However, the authorised officer need not comply with subsection (2) if the authorised officer believes on reasonable grounds that immediate entry to the place is required to ensure the effective execution of the warrant is not frustrated.

Subdivision 3—Powers after entry**134 General powers after entering places**

(1) This section applies to an authorised officer who enters a place.

(2) However, if an authorised officer enters a place to get the occupier's consent to enter premises, this section applies to the authorised officer only if the consent is given or the entry is otherwise authorised.

Maximum penalty—50 penalty units.

136 Failure to give information

(1) A person of whom a requirement is made under section 134(3)(h) must comply with the requirement unless the person has a reasonable excuse.

Maximum penalty—50 penalty units.

An authorised officer who enters a place that may be entered under division 2, subdivision 1 without the consent of the occupier and without a warrant, may seize a thing at the place if the authorised officer reasonably believes the thing is evidence of an offence against this Act.

138 Seizing evidence at a place that may only be entered with consent or warrant

(1) This section applies if—

- (a) an authorised officer is authorised to enter a place under division 2, subdivision 1 only with the consent of the occupier of the place or a warrant; and

(b) the authorised officer enters the place after obtaining the necessary consent or warrant.

(2) If the authorised officer enters the place with the occupier's consent, the authorised officer may seize a thing at the place if—

(a) the authorised officer reasonably believes the thing is evidence of an offence against this Act; and

(b) seizure of the thing is consistent with the purpose of entry as told to the occupier when asking for the occupier's consent.

(3) If the authorised officer enters the place with a warrant, the authorised officer may seize the evidence for which the warrant was issued.

(4) The authorised officer also may seize anything else at the place if the authorised officer reasonably believes—

(a) the thing is evidence of an offence against this Act; and

(b) the seizure is necessary to prevent the thing being—

(i) hidden, lost or destroyed; or

(ii) used to continue, or repeat, the offence.

(5) Also, the authorised officer may seize a thing at the place if the authorised officer reasonably believes it has just been used in committing an offence against this Act.

139 Securing seized things

Having seized a thing, an authorised officer may—

(a) move the thing from the place where it was seized (the “**place of seizure**”); or

(b) leave the thing at the place of seizure but take reasonable action to restrict access to it.

Examples of restricting access to a thing—

1. Sealing a thing and marking it to show access to it is restricted.

2. Sealing the entrance to a room where the seized thing is situated and marking the entrance to show access to the room is restricted.

- (b) if for any reason it is not practicable to give the notice, may be made orally and confirmed by notice in the approved form as soon as practicable.

(3) A further requirement may be made under this section about the same thing if it is necessary and reasonable to make the further requirement.

(4) A person of whom a requirement is made under subsection (1) or (3) must comply with the requirement unless the person has a reasonable excuse.

Maximum penalty for subsection (4)—50 penalty units.

142 Receipts for seized things

(1) As soon as practicable after an authorised officer seizes a thing, the authorised officer must give a receipt for it to the person from whom it was seized.

(2) However, if for any reason it is not practicable to comply with subsection (1), the authorised officer must leave the receipt at the place of seizure in a conspicuous position and in a reasonably secure way.

(3) The receipt must describe generally each thing seized and its condition.

(4) This section does not apply to a thing if it is impracticable or would be unreasonable to give the receipt, given the thing's nature, condition and value.

143 Return of seized things

(1) If a seized thing has not been forfeited, the authorised officer must return it to its owner—

- (a) at the end of 6 months; or
- (b) if a proceeding for an offence involving the thing is started within 6 months—at the end of the proceeding and any appeal from the proceeding.

(2) Despite subsection (1), unless the thing has been forfeited, the authorised officer must immediately return a thing seized as evidence to its owner if the authorised officer stops being satisfied its continued retention as evidence is necessary.

144 Access to seized things

(1) Until a seized thing is forfeited or returned, an authorised officer must allow its owner to inspect it and, if it is a document, to copy it.

(2) The authorised officer may require the person to state the person's name and residential address.

(3) When making the requirement, the authorised officer must warn the person it is an offence to fail to state the person's name or residential address unless the person has a reasonable excuse.

(4) The authorised officer may require the person to give evidence of the correctness of the stated name or residential address if the authorised officer reasonably suspects the stated name or address is false.

(3) If the authorised officer believes the damage was caused by a latent defect in the property or circumstances beyond the authorised officer's or

other person's control, the authorised officer may state the belief in the notice.

(4) If, for any reason, it is impracticable to comply with subsection (2), the authorised officer must leave the notice in a conspicuous position and in a reasonably secure way where the damage happened.

(5) This section does not apply to damage the authorised officer reasonably believes is trivial.

(6) In this section—

“owner”, of property, includes the person in possession or control of it.

148 Compensation

(1) A person may claim from the chief executive the cost of repairing or replacing property damaged because of the exercise or purported exercise of a power under a declared provision.

(2) Without limiting subsection (1), compensation may be claimed for loss or expense incurred in complying with a requirement made of the person under the declared provisions.

(3) Compensation may be claimed and ordered to be paid in a proceeding—

- (a) brought in a court with jurisdiction for the recovery of the amount of compensation claimed; or
- (b) for an offence against this Act brought against the person claiming compensation.

153 Access to land

(1) A person who wishes to enter land to perform an activity (the **“cultural heritage activity”**) under this Act must consult with the owner or occupier of the land about obtaining the necessary access.

Example—

The sponsor for a cultural heritage management plan would need to consult with the owner or occupier of land to obtain access required to properly assess Aboriginal cultural heritage values for developing the plan.

(2) However, if the person is authorised under another Act to enter the land to carry out activities for a project, and the cultural heritage activity is a necessary complementary or ancillary activity to the project—

- (b) unless otherwise agreed between the person and the owner or occupier, the conditions of access that apply are the same conditions of access that apply under the other Act.

(3) The authority given to the person under subsection (2) extends to agents and employees of the person acting under the authority of the person.
