Chapter 4 Allocation of State education

Part 1 Preliminary

57 Definition for ch 4

In this chapter—

student includes a person who is not enrolled at a State school.

58 Application of chapter to student under 16 years

A student who is under 16 years at the time of starting a semester in a school year at a State school, but who does not have any remaining allocation, may attend the State school for all of the semester without making an application under part 3 or 5.⁷

59 Allocation of semesters for each student

- (1) The purpose of this chapter is to ensure each student who enrolls at a State school has an allocation of State education.
- (2) If a student begins schooling in year 1 at a State school before the student turns 7 years, the student has the basic allocation.
- (3) For a student not mentioned in subsection (2), a State school's principal must calculate the remaining allocation for the student under section 61.
- (4) Under certain circumstances, an allocation may be increased—
 - (a) by a State school's principal under part 3; or
 - (b) by the chief executive under part 5.

⁷ Part 3 (Extra semesters may be granted by principals) or 5 (Further semesters may be granted by chief executive)

Part 2 **Basic allocation and remaining allocation**

60 **Basic allocation**

If a student begins schooling in year 1 at a State school before the student turns 7 years, the student has the basic allocation from the start of the semester in the school year in which the student begins schooling.

 - (i) beginning schooling in year 2 or later; or

- (3) Subject to subsection (4), if a student, other than a student mentioned in subsection (1), was enrolled at a State school in a year level mentioned in column 1 at the end of semester 2 in 1997, the State school's principal is taken to have decided that

the student has a remaining allocation mentioned opposite in column 2.

4	16
5	14
6	12
7	10

- (4) However, if a State school's principal decides that the application of subsection (3) to a student mentioned in that subsection is inappropriate, the principal must decide the student's remaining allocation.
- (5) The principal's decision that it is inappropriate for subsection (3) to apply to the student is, for section 62(2), a decision about the student's remaining allocation.
- (6) If the student has been the subject of an exemption under chapter 9, part 3⁸ and did not undertake an educational program for all or part of the period of the exemption (the *excused period*), the excused period must not be included in calculating the student's remaining allocation.

62 Principal must consider remaining allocation for certain students

- (1) This section applies to a decision, under section 61, by a State school's principal.

⁸ Chapter 9 (Compulsory schooling), part 3 (Exemption from compliance with compulsory schooling requirement)

 - (a) the age, ability, aptitude and development of the student; and
 - (b) the need to take account and promote continuity of the student's learning experiences; and
 - (c) whether the enrolment is compulsory or non-compulsory; and
 - (d) if the student's enrolment is non-compulsory—the student's commitment to complete a course of study.
- (3) The principal must make the decision within a reasonable time after the application was made to enrol the student at the school.
- (4) After making the decision, the principal must—
 - (a) immediately advise the student of the decision; and
 - (b) within 7 days after advising the student of the decision, give notice to the student about the student's remaining allocation.
- (5) The notice must state—
 - (a) the principal's decision; and
 - (b) the reasons for the decision; and

- (a) more than 12 weeks before the start of the semester, or the first of the semesters, to which the application relates; or

- (b) if the principal allows a later time for giving the application—before the later time.

66 Principal must consider and decide application for extra semesters

- (1) The principal must consider the application and decide it in the way the principal considers appropriate after considering all relevant matters, including, for example—
 - (a) whether the student is of compulsory school age; and
 - (b) the likely educational outcome of the student attending the school for the extra semester or semesters; and
 - (c) the likely impact on the resources of the State school of the student attending the State school for the extra semester or semesters.
- (2) However, the principal must make the decision within a reasonable time after the making of the application, allowing for the need to collect and analyse the results of any assessment of the student undertaken during the semester immediately before the semester, or the earlier of the semesters, to which the application relates.
- (3) After making the decision, the principal must—
 - (a) immediately advise the student of the decision; and
 - (b) within 7 days after advising the student of the decision, give notice to the student of the decision and the reasons for the decision.
- (4) However, if the principal does not grant the application for the semester, or for both semesters, as applied for by the student, the notice must also state—
 - (a) that if the student is not satisfied with the principal's decision, the student may make a submission to the principal's supervisor against the decision within 14 days after notice of the decision is given to the student or the later time allowed by the supervisor; and
 - (b) the title, name and address of the supervisor; and
 - (c) the way in which the submission may be made.

67 Limitation on extra semesters granted by principals

No more than 2 extra semesters may be granted to a student under this part.

Part 4 Submissions against principal's decision**68 Submissions against principal's decision**

72 Chief executive must consider and decide application for further semesters

- (1) The chief executive must consider the application and decide the application in the way the chief executive considers appropriate after considering all relevant matters, including, for example—
 - (a) whether the student is of compulsory school age; and
 - (b) the likely educational outcome of the student attending the stated State school for the further semester or semesters; and
 - (c) the likely impact on the resources of the stated State school of the student attending the stated State school for the further semester or semesters.

- (3) After the chief executive decides the application, the chief executive must—
 - (a) immediately advise the student of the decision; and
 - (b) within 7 days after advising the student of the decision—

- (2) For giving the copy to a parent, the person may rely on the relevant State school's records about the child's parents and their current residential address.
- (3) Subsection (1) does not apply if the person is satisfied it would be inappropriate in the circumstances to give the copy to the parent.

Example—

213 Decision

- (1) The chief executive must consider an application for the registration of a child for home education and decide whether the chief executive is satisfied the standard conditions of registration will be complied with.
- (2) If the chief executive is satisfied the standard conditions of registration will be complied with, the chief executive must decide to register the child for home education.

214 Steps to be taken after application decided

- (1) If the chief executive decides to grant an application for the registration of a child for home education, the chief executive must as soon as practicable issue a certificate of registration, for the child, to the applicant.
- (2) If the chief executive decides to refuse to grant an application for the registration of a child for home education, the chief executive must as soon as practicable give the applicant an information notice about the decision.

215 Failure to decide application

- (1) Subject to subsection (3), if the chief executive fails to decide an application for the registration of a child for home education within 90 days after its receipt, the failure is taken to be a decision by the chief executive to refuse to grant the application.
- (2) Subsection (3) applies if the chief executive has, under section 211(1), required an applicant for the registration of a child for home education to give the chief executive further information or a document.
- (3) The chief executive is taken to have decided to refuse to grant the application if the chief executive fails to decide the application within 90 days after the chief executive receives the further information or document.

A certificate of registration of a child for home education must include at least the following—

- (a) the child's name and date of birth;
- (b) the address of the child's usual place of residence;

 - (b) be in the approved form; and
 - (c) be accompanied by any other documents, identified in the approved form, the chief executive reasonably requires.

218 Imposition of conditions

- (1) The chief executive may, in granting an application for the registration of a child for home education, decide to impose conditions on the registration that are relevant and reasonable.
- (2) If the chief executive decides to impose conditions on the registration, the chief executive must as soon as practicable give the applicant an information notice about the decision.

219 Changing conditions

- (1) The chief executive may change the conditions of the registration of a child for home education imposed by the chief executive if there is a reasonable basis to make the change.
- (2) Before deciding to change the conditions, the chief executive must—
 - (a) give notice to a parent of the child stating—
 - (i) the particulars of the proposed change; and
 - (ii) that the parent may make written submissions to the chief executive about the proposed change within a reasonable period of at least 21 days stated in the notice; and
 - (b) have regard to written submissions made to the chief executive by the parent within the stated period.
- (3) If the chief executive decides to change the conditions, the chief executive must as soon as practicable give the parent an information notice about the decision.
- (4) If the chief executive decides to change the conditions, the change takes effect on the day an information notice about the decision is given to the parent and does not depend on a replacement certificate of registration being issued under section 220.
- (5) The power of the chief executive under subsection (1) includes the power to add conditions to the registration of a child for home education that is not subject to conditions imposed by the chief executive.

220 Replacing certificate of registration

- (1) This section applies if a child's parent receives an information notice, under section 219(3), about a decision relating to a change of the conditions of the registration of the child for home education.
- (2) The parent must return the certificate of registration to the chief executive within 14 days after receiving the notice.
- (3) On receiving the certificate, the chief executive must issue another certificate of registration to the parent to replace the certificate returned to the chief executive.

Division 5 Cancellation of registration**221 Grounds for cancellation**

Each of the following is a ground for cancelling the registration of a child for home education—

- (a) a parent of the child has contravened a condition of the registration;
- (b) the chief executive is not reasonably satisfied about the educational progress being made by the child;
- (c) the child was registered because of a materially false or misleading representation or declaration.

222 Show cause notice

- (1) If the chief executive reasonably believes a ground exists to cancel the registration of a child for home education, the chief executive must give a parent of the child a notice under this section (a *show cause notice*).
- (2) The show cause notice must state the following—

223 Representations about show cause notice

- (1) The parent may make written representations about the show cause notice to the chief executive in the show cause period.
- (2) The chief executive must consider all written representations (the *accepted representations*) made under subsection (1).

224 Ending show cause process without further action

If, after considering any accepted representations for the show cause notice, the chief executive does not believe the ground exists to cancel the registration, the chief executive—

- (a) must not take further action about the show cause notice; and
- (b) must, as soon as practicable, notify the parent that no further action will be taken about the show cause notice.

225 Cancellation

- (1) This section applies if, after considering any accepted representations for the show cause notice, the chief executive—
 - (a) still believes the ground exists to cancel the registration; and
 - (b) believes cancellation of the registration is warranted.
- (2) This section also applies if there are no accepted representations for the show cause notice.
- (3) The chief executive may decide to cancel the registration.
- (4) The chief executive must as soon as practicable give an information notice about the decision to the parent.

- (5) The decision takes effect on the day an information notice about the decision is given to the parent.

226 Return of cancelled certificate of registration to chief executive

- (1) This section applies if—
- (a) the chief executive decides to cancel the registration of a child for home education under section 225; and

- (3) However, subsection (2) does not apply until—
- (a) the last day to apply for a review of the decision; or
 - (b) if the decision is reviewed—
 - (i) the last day to appeal against the review decision; or
 - (ii) if an appeal is started against the review decision—the day the appeal is decided.

- (4) In this section—

 - (a) on the day the notice is given to the chief executive; or
 - (b) if a later day of effect is stated in the notice—on the later day.
- (3) If the child is registered for home education, the parent must return the certificate of registration to the chief executive within 14 days after the day the surrender takes effect.

228 Obligation to surrender

- (1) This section applies if a child who is provisionally registered, or registered, for home education stops receiving home education.
- (2) A parent of the child must—
 - (a) as soon as practicable after the child stops receiving home education, surrender the provisional registration or registration under section 227; and
 - (b) if, at the time of the surrender, the child is enrolled by the parent, or an application has been made by the parent for the enrolment of the child, at a State school or non-State school—when giving notice of the surrender, notify the chief executive of the enrolment or application, and the school's name.

- (a) the provider's attendance requirements for a program of distance education are to complete and return the assigned work for the program; and

237 Suspension or exclusion

- (1) If a young person participating in an eligible option stops attending the provider because the person has been suspended from the provider, the person's participation in the option is taken to continue during the period of the suspension.
- (2) Subsection (1) does not apply to suspension from a State school under chapter 12, part 4, division 1 or 2²⁰ if the person has been placed in an educational program under section 286(2) or 291.

Note—

- (b) for a second or subsequent offence, whether or not relating to the same child of the parent—12 penalty units.
- (2) Without limiting subsection (1), it is a reasonable excuse for a parent (the *relevant parent*) that—
- (a) the young person lives with another parent and the relevant parent believes, on reasonable grounds, the other parent is ensuring the young person participates full-time in an eligible option; or
- (b) in all the circumstances, the relevant parent is not reasonably able to control the young person's behaviour to the extent necessary to ensure the young person participates full-time in an eligible option.

240 Exceptions to obligation

- (1) Section 239(1) does not apply to the extent provided under an exemption in force under part 5.
- (2) Section 239(1) does not apply if—

- (b) the young person is in paid employment for less than 25 hours each week, or unpaid employment, under an employment exemption.
- (3) Section 239(1) does not apply if the young person is enrolled with an entity providing a non-departmental employment skills development program and attending the entity for the program.
- (4) Section 239(1) does not apply to the extent of any inconsistency with a law of the Commonwealth under which a young person in the compulsory participation phase may carry on an activity other than participating full-time in an eligible option.

- (3) The officer may also meet with the parent to discuss the obligation.
- (4) If, despite the officer taking reasonable steps to meet with the parent under subsection (3), no meeting is held, the officer may give the parent a warning notice in the approved form.

²¹ VETE Act, chapter 5 (Ombudsman, board and council), part 3 (Training and employment recognition council), division 5A (Deciding employment exemptions)

- (5) For the *Police Powers and Responsibilities Act 2000*, section 14,²² an authorised officer acting under this section is a public official performing a function authorised by this Act.

Part 5 Exemptions from compliance with compulsory participation requirements

Division 1 Bases for granting an exemption

243 Explanation

This division states the bases on which the chief executive may grant an exemption from the requirement that a young person participate in an eligible option.

244 Participation is impossible or should not be required

- (1) The chief executive may grant an exemption fully excusing a young person from participation if the chief executive is satisfied—
 - (a) the young person can not participate in any eligible option; or
 - (b) it would be unreasonable in all the circumstances to require the young person to participate in any eligible option.
- (2) The chief executive may grant an exemption partially excusing a young person from participation if the chief executive is satisfied—
 - (a) the young person can not participate in any eligible option at a full-time level; or
 - (b) it would be unreasonable in all the circumstances to require the young person to participate in any eligible option at a full-time level.

Division 2**Application process****245 Application for exemption**

- (1) A young person, or a parent of a young person, may apply to the chief executive for an exemption from the requirement that the young person participate in an eligible option.
- (2) The application must—
 - (a) be in the approved form; and
 - (b) state the period for which the exemption is sought; and
 - (c) for an application by a young person—include the signed consent of a parent of the young person.
- (3) However, subsection (2)(c) does not apply if the chief executive is satisfied it would be inappropriate in all the circumstances to require the signed consent of a parent.

Example—

an application by a young person living independently of his or her parents

- (4) The applicant must provide any other relevant information reasonably required by the chief executive to decide the application.

Example—

If exemption is sought because the young person is suffering an illness, the information required under this subsection may include stated medical evidence.

- (5) The chief executive must decide the application as soon as practicable.

246 Lapsing of application

- (1) The chief executive may make a requirement under section 245(4) by giving the applicant a notice stating—
 - (a) the required information; and
 - (b) the time by which the information must be given to the chief executive; and

- (c) that, if the information is not given to the chief executive by the stated time, the application will lapse.
- (2) The time stated must be reasonable and, in any case, at least 14 days after the requirement is made.
- (3) The chief executive may withdraw the requirement, or part of the requirement, at any time.
- (4) Before the stated time ends, the chief executive may give the applicant a further notice extending the stated time if the chief executive is satisfied it would be reasonable in all the circumstances to give the extension.
- (5) If the applicant does not comply with the requirement within the stated time, or any extension, the application lapses.

247 Temporary exemption until application is decided

- (1) If the application is made before the young person starts the person's compulsory participation phase, section 239(1) does not apply to a parent of the young person until—
 - (a) 14 days after the chief executive gives notice to the applicant under section 248; or
 - (b) the application lapses.
- (2) If the application is made while an existing exemption under this part is in force for the young person, the existing exemption continues to apply until 14 days after the chief executive gives notice to the applicant under section 248, or until the application lapses.

248 Decision

- (1) The chief executive must consider the application and either grant, or refuse to grant, the application.
- (2) If the chief executive decides to grant the application, the chief executive must as soon as practicable issue the exemption to the applicant.
- (3) If the chief executive decides to refuse to grant the application, the chief executive must as soon as practicable give the applicant an information notice about the decision.

249 Contents of exemption

- (1) This section applies if the chief executive decides to grant the exemption.
- (2) The exemption must state—
 - (a) the day it is granted; and
 - (b) the young person to whom it relates; and
 - (c) whether it is full or partial and, if it is partial, the extent to which the person is excused from participation; and
 - (d) whether it applies until the end of the person's compulsory participation phase or only until a stated earlier time; and
 - (e) any conditions on which it is issued.

250 Imposition of conditions

- (1) The chief executive may, in granting the application, decide to impose conditions on the exemption that are relevant and reasonable.
- (2) If the chief executive decides to issue an exemption on conditions, the chief executive must as soon as practicable give the applicant an information notice about the decision.

251 Lesser period of exemption than that applied for

- (1) The chief executive may, in granting the application, decide to issue the exemption for a lesser period than that applied for by the applicant for the exemption.
- (2) If the chief executive decides to issue an exemption for a lesser period than that applied for by the applicant for the exemption, the chief executive must as soon as practicable give the applicant an information notice about the decision.

Chapter 11 Student accounts

Part 1 Preliminary

252 Explanation and purposes

- (1) This chapter provides for the keeping of a record (a *student account*) for every young person about the person's participation in eligible options during the compulsory participation phase.
- (2) The purposes of keeping student accounts are—
 - (a) to support the QSA in performing its certification functions under the QSA Act, section 13; and
 - (b) to make information available to the chief executive to enable the chief executive to carry on planning activities and re-engagement activities.

Part 2 Opening student accounts for young persons of compulsory school age

253 When an account must be opened

A student account must be opened for a young person within 1 year before the start of the person's compulsory participation phase.

254 Who must open an account

The following person is responsible for opening a student account for a young person—

- (a) if the young person is enrolled with a State school or non-State school—the principal of the school;
- (b) otherwise—the chief executive.

255 How an account is opened

- (1) A student account is opened for a young person by giving notice to the QSA of each of the following—
 - (a) the person's name and any previous names of the person;
 - (b) the person's address;
 - (c) the person's date of birth;
 - (d) the person's sex;
 - (e) if the person has a parent—the parent's name and address;
 - (f) whether the person is an Aborigine or Torres Strait Islander;
 - (g) whether the person is a person from a non-English speaking background;
 - (h) the eligible option in which the person proposes to participate when the person starts the compulsory participation phase;
 - (i) whether the person's participation in the eligible option will be full-time;
 - (j) other information prescribed under a regulation.
- (2) However, subsection (1)(e) does not apply if the person opening the student account is satisfied it would be inappropriate in the circumstances to give notice of the name and address of a parent of the young person.

Example—

It may be inappropriate to give notice of the name and address of a parent of the young person if the young person is living independently of his or her parents.

256 Young person's telephone number

- (1) Subsection (2) applies if a student account is opened for a young person under section 255(1).
- (2) The person opening the account may, when opening the account, give notice to the QSA of the young person's

telephone number if the young person has consented to the giving of the notice.

- (3) The QSA must, as soon as practicable after receiving information under subsection (2), record the information in the account.

Part 3 Student account phase

257 The student account phase

A young person is in the *student account phase* if—

- (a) the person is in the compulsory participation phase; or
- (b) the person is not yet in the compulsory participation phase but a student account has been opened for the person.

258 Obligation to notify enrolment

If a young person in the student account phase enrolls in a program or course with a provider, the provider must give notice to the QSA of the following information—

- (a) the person's name and any previous names of the person;
- (b) the person's address;
- (c) the person's date of birth;
- (d) the eligible option in which the person is participating, or proposes to participate, by enrolling in the program or course;
- (e) the components of the eligible option being undertaken, or proposed to be undertaken, by the person;
- (f) the date of enrolment in the program or course;
- (g) the date the person started, or proposes to start, to comply with the provider's attendance requirements for the program or course;

- (h) whether the person's participation in the eligible option is, or will be, full-time;
- (i) the name, and type, of the provider.

259 Obligation to open an account

- (1) This section applies if the QSA receives a notice under section 258 about a young person who is in the compulsory participation phase but does not have a student account.
- (2) The QSA may give the provider a notice asking it to open a student account for the young person.
- (3) On receiving the request, the provider must open a student account for the young person by giving notice to the QSA of the following information relating to the person—
 - (a) the information mentioned in section 255(1)(a) to (g) and (j);
 - (b) the eligible option of the provider in which the person is participating or proposes to participate;
 - (c) whether the person's participation in the eligible option is, or will be, full-time;
 - (d) any other eligible options in which the person is participating, or has participated, since starting the compulsory participation phase of which the provider is aware.
- (4) However, the provider is not required to give notice of the information mentioned in section 255(1)(e) relating to the young person if the provider is satisfied it would be inappropriate in the circumstances to give notice of the information.

Example—

It may be inappropriate to give notice of the information if the young person is living independently of his or her parents.

260 Young person's telephone number

- (1) Subsection (2) applies if a student account is opened for a young person under section 259(3).

- (2) The provider opening the student account may, when opening the account, give notice to the QSA of the young person's telephone number if the young person has consented to the giving of the notice.
- (3) The QSA must, as soon as practicable after receiving information under subsection (2), record the information in the account.

261 Obligation to notify other matters

- (1) This section applies to a provider with which a young person in the student account phase is enrolled.
- (2) The provider must give notice to the QSA, at the times prescribed under a regulation, of the following matters—
 - (a) if the provider is aware that information, previously notified to the QSA under this chapter, has changed or is incorrect—the new or correct information;
 - (b) if the person stops being enrolled with the provider—the date the person stopped being enrolled with the provider;
 - (c) if the person dies and the provider is aware of the death—the death.

Note—

The provider is also required to give the QSA certain information about the person's results. See the QSA Act, section 18A.

- (3) Subsection (2)(a) does not apply to information mentioned in section 255(1)(h).

262 Chief executive of VETE department may give notice on behalf of certain providers

- (1) This section applies to a provider that is a TAFE institute or registered training organisation.
- (2) The provider complies with a requirement under this part to give notice to the QSA if, with the written agreement of the VETE chief executive, it gives the relevant information to the VETE chief executive and asks the VETE chief executive to give the notice on its behalf.

Part 4

Use and disclosure of information

263 Use and disclosure by the QSA

- (1) The QSA may use student account information to perform its certification functions under the QSA Act, section 13.
- (2) To enable the QSA to ensure the accuracy of information recorded in a person's student account, the QSA may disclose student account information about the person to a provider.
- (3) To enable the chief executive to carry on planning activities, the QSA must give the chief executive the aggregated information that the chief executive asks for.

276 Requirement for approved behaviour plan for a State school

A State school's principal must ensure there is an approved behaviour plan for the school.

277 Principal is responsible for developing behaviour plan

- (1) A State school's principal must ensure a process is established for developing a behaviour plan for the school.
- (2) In developing the plan, the principal must consult with the following persons—
 - (a) the parents of children enrolled at the school;
 - (b) the school's staff and students.
- (3) The plan for the school must—
 - (a) promote a supportive environment at the school so all members of the school community may work together in developing acceptable standards of behaviour to create a caring, productive and safe environment for learning; and
 - (b) promote an effective teaching and learning environment at the school that allows positive aspirations, relationships and values to develop; and
 - (c) foster mutual respect among staff and students at the school; and

- (d) encourage all students attending the school to take increasing responsibility for their own behaviour and the consequences of their actions.
- (4) Also, the plan must align with the department's policies about the management of student behaviour.
- (5) The plan has no effect unless it is approved by the chief executive.

278 Implementation of plan

A State school's principal must take reasonable steps to ensure the approved behaviour plan for the school is implemented consistently, fairly and reasonably.

279 Review of plan

- (1) A State school's principal must ensure the approved behaviour plan for the school is reviewed at least once every 3 years.
- (2) In reviewing the plan, the principal must consult with the following persons—

 - (a) a parent of each of the school's students who is a child; and
 - (b) each other student of the school.
- (2) Subsection (1)(a) does not apply in relation to a parent of a student if the principal is satisfied it would be inappropriate in the circumstances for the parent to be given a copy of the approved behaviour plan.

Example—

It may be inappropriate for a parent of the student to be given a copy of the approved behaviour plan if the student is living independently of his or her parents.

- (3) If subsection (2) applies, the principal must take reasonable steps to ensure a copy of the approved behaviour plan is given to the student.

- (5) Subsection (4) does not apply if the principal or teacher is satisfied it would be inappropriate in the circumstances to inform a parent of the child of the proposed period of detention.

Part 4 Suspension, exclusion and cancellation of enrolment of, and behaviour improvement conditions for, State school students

Division 1 Suspension of students

284 Grounds for suspension of student

Each of the following is a ground for suspending a student from a State school—

- (a) disobedience by the student;
- (b) misconduct of the student;

- (c) other conduct of the student that is prejudicial to the good order and management of the school or State schools.

285 Suspension of student

- (1) This section applies if a State school's principal is reasonably satisfied a ground exists to suspend a student from the school.
- (2) The principal may suspend the student from the school—
 - (a) for not more than 5 school days; or
 - (b) if the principal is satisfied the behaviour was so serious that the suspension should be for longer than 5 school days—for not more than 20 school days.
- (3) The principal must give the student a notice stating—
 - (a) the student is suspended and the reason for the suspension; and
 - (b) the period of the suspension.
- (4) If the suspension is for more than 5 school days, the notice must also state—
 - (a) the student may make a submission against the suspension to the principal's supervisor; and
 - (b) the title, name and address of the principal's supervisor; and
 - (c) the way in which the submission may be made.
- (5) If the student is a child, as soon as practicable after the giving of the notice, the principal must take reasonable steps to—
 - (a) if the suspension is for not more than 5 school days—contact a parent of the student to discuss the student's behaviour that led to the suspension; or
 - (b) if the suspension is for more than 5 school days—meet with a parent of the student to discuss the student's behaviour that led to the suspension.
- (6) Subsection (5) does not apply if the principal is satisfied it would be inappropriate in the circumstances to contact, or

meet with, a parent of the student to discuss the student's behaviour that led to the suspension.

Example—

It may be inappropriate to contact, or meet with, a parent of the student to discuss the student's behaviour that led to the suspension if the student is living independently of his or her parents.

- (7) If subsection (6) applies in relation to subsection (5)(b)—
- (a) the principal must take reasonable steps to meet with the student to discuss the student's behaviour that led to the suspension; and
 - (b) the student may be accompanied by an adult during the meeting.

286 Continuing education during suspension

- (1) If a student of a State school is suspended from the school under section 285 for not more than 5 school days, the school's principal must take reasonable steps to ensure the student is given school work to complete during the suspension.
- (2) If a student of a State school is suspended from the school under section 285 for more than 5 school days, the school's principal must arrange for the student's access to an educational program that allows the student to continue with the student's education during the suspension.

287 Submissions against suspensions for more than 5 school days

- (1) A student suspended for more than 5 school days may make a submission against the suspension.
- (2) The submission must be made to the principal's supervisor and state fully the grounds for the submission and the facts relied on.

288 Dealing with submissions against suspensions

- (1) If a submission is made under section 287 to a principal's supervisor, the supervisor must immediately consider the decision to suspend the student and the submission and—
 - (a) confirm the decision; or
 - (b) amend the decision; or
 - (c) set aside the decision and make a new decision in substitution of the decision to suspend.
- (2) After the supervisor has decided to confirm, amend or set aside the principal's decision to suspend, the supervisor must—
 - (a) as soon as practicable tell the student and principal—
 - (i) about the supervisor's decision; and
 - (ii) if the supervisor's decision allows the student to return to the school earlier, or later, than if the principal's decision had been confirmed—about when the student may return to the school; and
 - (b) within 7 days after telling the student about the supervisor's decision—give the student and principal notice of the decision and the reasons for the supervisor's decision.

Division 2 Exclusion of students by principals' supervisors**289 Grounds for exclusion of student by principal's supervisor**

- (1) Each of the following is a ground for excluding a student from a State school at which the student is enrolled or certain State schools, but not all State schools, under this division—
 - (a) disobedience by the student;
 - (b) misconduct of the student;
 - (c) other conduct of the student that is prejudicial to the good order and management of the school or schools;

if the student's disobedience, misconduct or other conduct is so serious that suspension of the student from the school or schools is inadequate to deal with the behaviour.

- (2) Also, a student may be excluded from a State school at which the student is enrolled because of the student's contravention of a behaviour improvement condition, for the student's challenging behaviour, imposed or agreed to under division 8.

290 Suspension pending dealing with recommendation for exclusion

- (1) This section applies if a State school's principal is reasonably satisfied grounds exist to exclude a student from the State school at which the student is enrolled or certain State schools.
- (2) The principal may—
 - (a) recommend to the principal's supervisor that the student be excluded from the school or schools for a stated period of not more than 1 year or permanently; and
 - (b) suspend the student from the school at which the student is enrolled pending the supervisor's decision about the recommendation.
- (3) The principal must give the student a notice (the *notice recommending exclusion*) stating—
 - (a) the principal has recommended to the principal's supervisor that the student be excluded from the school or stated State schools for a stated period of not more than 1 year or permanently and the reason for the recommendation; and
 - (b) the student is suspended from the school at which the student is enrolled pending the supervisor's decision about the recommendation; and
 - (c) the student may make a submission to the principal's supervisor against the suspension and recommendation for exclusion no later than 5 school days after the notice is given to the student or the longer period allowed by the supervisor under section 292(3); and

- (d) the title, name and address of the principal's supervisor;
and
 - (e) the way in which the submission may be made.
- (4) The principal must, as soon as practicable after giving the notice recommending exclusion to the student, give a copy of the notice to the principal's supervisor.
 - (5) If the student is a child, as soon as practicable after giving the notice recommending exclusion to the student, the principal must take reasonable steps to meet with a parent of the student to discuss the student's behaviour that led to the giving of the notice.
 - (6) Subsection (5) does not apply if the principal is satisfied it would be inappropriate in the circumstances to meet with a parent of the student to discuss the student's behaviour that led to the giving of the notice.

Example—

It may be inappropriate to meet with a parent of the student to discuss the student's behaviour that led to the giving of the notice if the student is living independently of his or her parents.

- (7) If subsection (6) applies—
 - (a) the principal must take reasonable steps to meet with the student to discuss the student's behaviour that led to the giving of the notice; and
 - (b) the student may be accompanied by an adult during the meeting.

291 Continuing education during suspension

If a student of a State school is suspended under section 290 from the school, the school's principal must arrange for the student's access to an educational program that allows the student to continue with the student's education during the suspension.

292 Submissions against suspension and recommendation for exclusion

- (1) A student given a notice recommending exclusion may make a submission against the suspension and recommendation for exclusion in the way stated in the notice.
- (2) The submission must—
 - (a) be made to the principal's supervisor no later than 5 school days after the notice is given to the student; and
 - (b) state fully the grounds for the submission and the facts relied on.
- (3) If, within 5 school days after the notice is given to the student, the student or another person who may make a submission in relation to the notice asks the supervisor for a longer period to make the submission, the supervisor may, by notice given to the student or other person, state a longer period allowed for submissions.

293 Exclusion of student by principal's supervisor

- (1) If—
 - (a) a State school's principal, under section 290(2), recommends to the principal's supervisor that a student of the school be excluded from the school or certain State schools for a period or permanently and gives the student a notice recommending exclusion; and
 - (b) the period of 5 school days after the day the student was given the notice, or the longer period allowed by the supervisor under section 292(3), has expired and the supervisor—
 - (i) has not, before the expiry, received a submission against the suspension and recommendation for exclusion; or
 - (ii) has received a submission before the expiry and considered the submission; and
 - (c) the supervisor is reasonably satisfied a ground exists to exclude the student from the school or schools;

the supervisor may, no later than 20 school days after the day the notice was given to the student, exclude the student from the school or schools for a period of not more than 1 year or permanently.

- (2) Also, even though a State school's principal did not recommend to the principal's supervisor that a student of the school be excluded from the school or certain State schools, the supervisor may exclude the student from the school or certain State schools for a period of not more than 1 year or permanently, if the supervisor is reasonably satisfied grounds exist to exclude the student from the school or schools under section 289(1).
- (3) If the supervisor decides, under subsection (1) or (2), to exclude a student of a State school from the school or certain State schools, the supervisor must give the student a notice stating—
 - (a) the student is excluded from the school or schools for a stated period of not more than 1 year or permanently and the reason for the exclusion; and
 - (b) that the student may make a submission to the chief executive, asking the chief executive to review the decision under division 5; and
 - (c) the title, name and address of the chief executive; and
 - (d) the way in which the submission may be made.
- (4) The supervisor may not decide, under subsection (1), to exclude a student of a State school for a longer period than the period of the proposed exclusion stated in the notice recommending exclusion given to the student.
- (5) The supervisor's power under subsection (1) or (2) to exclude a student of a State school from certain State schools applies in relation to a State school (the *relevant school*) only if the supervisor is the principal's supervisor of the relevant school's principal.

294 Decision not to exclude student

- (1) Even if the supervisor may, under section 293(1), exclude a student of a State school from the school or certain State

schools on a ground mentioned in section 289(1), the supervisor may decide not to exclude the student if the supervisor is reasonably satisfied the student may be allowed to resume attendance at the school without compromising the good order and management of the school.

- (2) If the supervisor decides not to exclude a student of a State school from the school or certain State schools, the supervisor must—
 - (a) as soon as practicable tell the student and the school's principal—
 - (i) about the decision; and
 - (ii) that the suspension has ended and the student may resume attendance at the school; and
 - (b) within 7 days after telling the student about the decision—give notice to the student, and the principal, about the supervisor's decision and the reasons for the decision.
- (3) If the supervisor decides not to exclude a student of a State school from the school on the ground mentioned in section 289(2), the student's resumed attendance at the school remains subject to the student complying with the relevant behaviour improvement condition for the student's challenging behaviour.

295 Meeting with excluded student's parent

- (1) If a student excluded by a principal's supervisor under section 293(2) is a child, as soon as practicable after giving the notice of the exclusion under section 293(3), the supervisor or an officer of the department authorised by the supervisor must take reasonable steps to meet with a parent of the student to discuss the student's behaviour that led to the exclusion.
- (2) Subsection (1) does not apply if the supervisor or officer is satisfied it would be inappropriate in the circumstances to meet with a parent of the student to discuss the student's behaviour that led to the exclusion.

Example—

It may be inappropriate to meet with a parent of the student to discuss the student's behaviour that led to the exclusion if the student is living independently of his or her parents.

- (3) If subsection (2) applies—
- (a) the supervisor or officer must take reasonable steps to meet with the student to discuss the student's behaviour that led to the exclusion; and
 - (b) the student may be accompanied by an adult during the meeting.

296 Effect of exclusion on enrolment

If a student is excluded under section 293 from a State school at which the student is enrolled, the enrolment is taken to be cancelled.

Division 3 Exclusion of students by chief executive**297 Chief executive's power to exclude student**

- (1) The chief executive may, under this division, exclude a student from a State school at which the student is enrolled, certain State schools or all State schools, if the chief executive is satisfied a ground mentioned in section 298 exists for the exclusion.
- (2) The chief executive may act under this division whether or not the student has already been suspended or excluded from a State school under this part.

298 Grounds for exclusion of student by chief executive

The grounds for excluding a student from a State school at which the student is enrolled, certain State schools or all State schools under this division are—

- (a) the student's attendance at the school or schools poses an unacceptable risk to the safety or wellbeing of other students or staff of the school or schools; or

 - (a) the student has been convicted of a serious offence;
 - (b) the student has been convicted of an offence, other than a serious offence, and the chief executive is satisfied it is an exceptional case in which it would not be in the best interests of children for the student to continue to be enrolled at the school;
 - (c) the student has been charged with an offence and the chief executive is satisfied it is an exceptional case in which it would not be in the best interests of children for the student to continue to be enrolled at the school.

300 Suspension pending final decision about exclusion

- (1) If the chief executive is reasonably satisfied a ground exists to exclude a student from a State school at which the student is enrolled, certain State schools or all State schools, and the student is not already suspended or excluded from the school or schools, the chief executive must immediately suspend the student from the school or schools pending a final decision about the exclusion.

- (2) The chief executive must give the student a notice stating—

 - (b) that the chief executive proposes to exclude the student from the school or schools for a stated period of not more than 1 year or permanently; and
 - (c) the reason for the proposed exclusion; and

Example—

It may be inappropriate to meet with a parent of the student to discuss the student's behaviour that led to the giving of the notice if the student is living independently of his or her parents.

- (6) If subsection (5) applies—
- (a) the chief executive must take reasonable steps to meet with the student to discuss the student's behaviour that led to the suspension; and

- (b) the student may be accompanied by an adult during the meeting.

301 Submissions against proposed exclusion

- (1) A student given a notice under section 300 may make a submission against the proposed exclusion in the way stated in the notice.
- (2) The submission must—
 - (a) be made to the chief executive no later than 5 school days after the notice is given to the student; and
 - (b) state fully the grounds for the submission and the facts relied on.
- (3) If, within 5 school days after the notice is given to the student, the student or another person who may make a submission in relation to the notice asks the chief executive for a longer period to make the submission, the chief executive may, by notice given to the student or other person, state a longer period allowed for submissions.

302 Exclusion of student by chief executive

- (1) After considering any submissions received under section 301, the chief executive must decide whether—
 - (a) to exclude the student from the school or schools stated in the notice given to the student under section 300; and
 - (b) if so, the period of the exclusion.
- (2) The chief executive may not decide to exclude the student for a longer period than the period of the proposed exclusion stated in the notice given to the student under section 300.

- (a) the decision; and

317 Show cause notice

- (1) Subsection (2) applies if a State school's principal is reasonably satisfied the ground exists to cancel the enrolment at the school of a student who is more than compulsory school age.

- (2) Within 6 months after the end of each year, the school's governing body must, in the approved form, give the board allowance acquittal details for the school for the year.
- (3) Without limiting subsection (2), the governing body is taken to comply with subsection (2) if the details are given to the board, on the governing body's behalf, by an authorised nominee of the governing body.
- (4) If the governing body does not comply with this section, the noncompliance is a ground for stopping payment of the allowance.
- (5) In this section—

allowance acquittal details, for a non-State school for a year, means details of how the allowance has been expended, during the year, by the school's governing body.

 - (b) the grounds for the proposed recommendation;
 - (c) an outline of the facts and circumstances forming the basis for the grounds;
 - (d) an invitation to the governing body to show, within a stated period (the *show cause period*), why the proposed recommendation should not be made.
- (3) The show cause period must be a period ending at least 30 days after the show cause notice is given to the governing body.

377 Representations about show cause notice

- (1) The governing body may make written representations about the show cause notice to the board in the show cause period.
- (2) The board must consider all written representations (the *accepted representations*) made under subsection (1).

378 Ending show cause process without further action

If, after considering any accepted representations for the show cause notice, the board no longer believes the ground exists for stopping payment of the allowance, the board—

- (a) must not take further action about the show cause notice; and
- (b) must, as soon as practicable, give notice to the governing body that no further action is to be taken about the show cause notice.

381 Minister's discretion not limited

- (1) The ground mentioned in section 374(4) for stopping payment of the allowance does not limit the Minister's discretion to stop payment for another reason.
- (2) Also, if the Minister decides under section 380 that payment of the allowance not be stopped, the decision does not limit the Minister's discretion to stop payment at a later time.

Part 5 Other provisions

Chapter 14 Transfer notes

Part 1 Preliminary

383 Definition for ch 14

In this chapter—

relevant person, for a student of a State school or non-State school, means—

- (a) if the student is a child—a parent of the student; or
- (b) if the student is an adult—the student.

384 Meaning of *transfer note*

- (1) A *transfer note*, for a former student or continuing student of a State school or non-State school, means a document in the approved form containing the information, including personal information, about the former student or continuing student of the type prescribed under a regulation.
- (2) Without limiting subsection (1), a *transfer note*, for a former student or continuing student of a State school or non-State school, may include information about—

 - (b) behavioural issues relating to the former student or continuing student identified during the former student's, or continuing student's, attendance at a State school or non-State school.
- (3) Information in a transfer note must be factual, succinct and objective.

385 Purpose of giving transfer note

The purpose of giving the principal of a State school or non-State school a transfer note about a former student or continuing student of another State school or non-State school

under this chapter is to provide information to the principal that will help the principal—

- (a) ensure continuity of the student's educational program; and
- (b) meet the principal's duty of care obligations in relation to the student and the school community.

Part 2 Request for transfer notes

386 Cessation of enrolment

- (1) Subject to subsection (3), subsection (2) applies if—
 - (a) the enrolment of a student (the *former student*) of a State school or non-State school is ceased at the request of the relevant person for the former student; and
 - (b) the relevant person for the former student, at the time of the request to cease enrolment, asks the school's principal to give the relevant person for the former student a transfer note for the former student.
- (2) The school's principal must, as soon as practicable after cessation of the enrolment, prepare a transfer note for the former student and give the relevant person for the former student—
 - (a) the transfer note; and
 - (b) copies of the documents relating to the former student mentioned in the transfer note.
- (3) However, subsection (4) applies if—
 - (a) the relevant person for the former student is a parent of the student; and
 - (b) the principal is reasonably satisfied it would be inappropriate to allow the parent to request that the enrolment cease or receive the transfer note and copies of the documents; and

Example—

It may be inappropriate for the parent to request that the enrolment cease or receive the transfer note and copies of the documents if the former student is living independently of his or her parents.

- (c) the enrolment is ceased at the request of the former student; and
 - (d) the former student, at the time of the request to cease enrolment, asks the school's principal to give the former student a transfer note for the former student.
- (4) The school's principal must, as soon as practicable after cessation of the enrolment, prepare a transfer note for the former student and give to the former student—
- (a) the transfer note; and
 - (b) copies of the documents relating to the former student mentioned in the transfer note.

387 Application for enrolment

- (1) Subsection (3) applies if—
- (a) the enrolment of a student (the *former student*) at a State school or non-State school (the *previous school*) has ceased and the former student has not been enrolled at a State school or non-State school since the cessation; and
 - (b) an application for the enrolment of the former student at a State school or non-State school (the *new school*) has been made.
- (2) Subsection (3) also applies if—
- (a) the enrolment of a student (the *continuing student*) at a State school or non-State school (also the *previous school*) is continuing; and
 - (b) an application for the enrolment of the continuing student at a State school or non-State school (also the *new school*) has been made.
- (3) The new school's principal may give the previous school's principal a notice (the *first notice*), asking the previous

school's principal to give the new school's principal a transfer note for the former student or continuing student.

- (4) Within 10 school days after being given the first notice, the previous school's principal must prepare a transfer note for the former student or continuing student and give to the new school's principal—
 - (a) the transfer note; and
 - (b) copies of the documents relating to the former student or continuing student mentioned in the transfer note.
- (5) The new school's principal must, at the time of giving the first notice, also notify the relevant person for the former student or continuing student that the first notice has been given.
- (6) However, if the relevant person for the former student or continuing student is a parent of the former student or continuing student, subsection (5) does not apply if the new school's principal is reasonably satisfied it would be inappropriate in the circumstances to notify the parent that the first notice has been given.

Example—

It may be inappropriate, in certain circumstances, to notify a parent of the former student or continuing student that the first notice has been given if the former student or continuing student is living independently of his or her parents.

- (7) If subsection (6) applies, the new school's principal must notify the former student or continuing student that the first notice has been given.

 - (a) a copy of the transfer note; and
 - (b) copies of the documents.
- (9) However, if the relevant person for the former student or continuing student is a parent of the former student or continuing student, subsection (8) does not apply if the new school's principal is reasonably satisfied it would be

inappropriate in the circumstances to allow the parent to receive a copy of the transfer note and copies of the documents.

Example—

It may be inappropriate, in certain circumstances, to allow a parent of the former student or continuing student to receive a copy of the transfer note and copies of the documents if the former student or continuing student is living independently of his or her parents.

- (10) If subsection (9) applies, the new school's principal must, as soon as practicable after receiving the transfer note and copies of the documents mentioned in subsection (4)(b), give the former student or continuing student—
 - (a) a copy of the transfer note; and
 - (b) copies of the documents.

388 Transfer of records between State schools

- (1) This section applies if the enrolment of a student (the *former student*) at a State school (the *previous school*) has ceased and the former student is later enrolled at another State school (the *new school*).
- (2) This part does not prevent the former school's principal transferring records, in the possession of the former school's principal, relating to the former student to the new school's principal.

Part 3 Protection from liability

389 Protection from liability

- (1) A State school's, or non-State school's, principal is not civilly liable for an act done, or omission made, honestly and without negligence under this chapter.
- (2) If subsection (1) prevents a civil liability attaching to a State school's, or non-State school's, principal, the liability attaches instead—

- (a) for a State school's principal—to the State; or
- (b) for a non-State school's principal—the school's governing body.
