31 Amendment of s 110 (Non-liability for State taxes)

(1) Section 110(1) and (2)—

omit, insert—

‘(1) A relevant water entity is not liable to pay a State tax in relation to—

(a) a transfer of a share, business, asset, liability or instrument, or any other thing done, under a regulation made under section 105; or

[s 32]

(b) another dealing affecting a share, business, asset, liability or instrument as part of a restructure of a relevant water entity under a regulation made under section 105.’.

(2) Section 110(3)—
renumber as section 110(2).

32 Replacement of s 111 (Preservation of rights of transferred employee)

Section 111—

omit, insert—

‘111 Rights of transferred employees etc.

‘(1) This section applies if there is a transfer of an employee (a *transferred employee*) from a relevant water entity (the *transferor*) to another relevant water entity (the *transferee*) under a regulation made under section 105.

‘(2) The transfer does not—

- (a) reduce the transferred employee’s total remuneration; or
- (b) prejudice the transferred employee’s existing or accruing rights to superannuation or recreation, sick, long service or other leave; or
- (c) interrupt continuity of service, except that the transferred employee is not entitled to claim the benefit of a right or entitlement more than once in relation to the same period of service; or
- (d) constitute a termination, retrenchment or redundancy of the transferred employee’s employment by the transferor; or
- (e) entitle the transferred employee to a payment or other benefit merely because he or she is no longer employed by the transferor; or
- (f) require the transferor to make any payment in relation to the transferred employee’s accrued rights to recreation,

sick, long service or other leave irrespective of any arrangement between the transferor and the transferred employee.

- ‘(3) The transfer has effect despite any other contract, law or instrument.
- ‘(4) If the regulation mentioned in subsection (1) provides for the application of a particular industrial instrument to an employee of the transferee other than a transferred employee, the provision does not reduce the other employee’s total remuneration.’.

33 Omission of s 112 (Prohibition on retrenchment because of transfer of employee)

Section 112—

omit.

34 Insertion of new ch 7

After chapter 6—

insert—

‘Chapter 7 Transitional provisions for South East Queensland Water (Restructuring) and Other Legislation Amendment Act 2012

‘118 Application of former ss 111 and 112 to employees transferred from WaterSecure to Queensland Bulk Water Supply Authority

- ‘(1) This section applies to employees transferred from WaterSecure to the Authority under a regulation made under section 105.

[s 34]

- ‘(2) On the commencement of this section—
- (a) former sections 111 and 112 stop applying for the transferred employees; and
 - (b) any requirement in a document for the Authority to act in accordance with former section 112 no longer applies.

‘(3) In this section—

Authority means the Queensland Bulk Water Supply Authority.

former, in relation to a provision, means as in force immediately before the replacement or repeal of the provision by the *South East Queensland Water (Restructuring) and Other Legislation Amendment Act 2012*.

WaterSecure means the Queensland Manufactured Water Authority previously established under former section 6.

‘119 Continuation of repealed evidentiary provision relating to the project

- ‘(1) Repealed section 95, as it was in force immediately before the commencement of this section, continues to apply despite its repeal.
- ‘(2) For subsection (1), a term used in repealed section 95 has the meaning given under this Act as it was in force immediately before the commencement of this section.

Note—

Repealed section 95 provided for—

- a certificate signed by the Minister to be evidence of particular matters relating to the project; and
- a copy of a project direction certified by the Minister to be evidence of the direction.’.

35 Omission of sch 1 (Local governments that are water entities)

Schedule 1—

omit.

36 Amendment of sch 3 (Dictionary)

‘Division 5 Statement of obligations

‘51A Issue of statement of obligations

- ‘(1) The responsible Ministers may issue a statement of obligations to the Authority from time to time.
- ‘(2) A statement of obligations issued to the Authority has effect until it expires under section 51D or it is revoked by the responsible Ministers, whichever happens first.
- ‘(3) To the extent the Authority’s statement of obligations is inconsistent with another instrument made under this or another Act, the other instrument prevails.

‘51B Consultation with the board before issuing statement of obligations

- ‘(1) Before issuing a statement of obligations to the Authority, the responsible Ministers must—
 - (a) give the board a copy of the proposed statement of obligations and ask the board for its comments; and
 - (b) consider any comments given to them by the board under subsection (2).
- ‘(2) The board may give the responsible Ministers comments on the proposed statement of obligations within 30 days after it is given to the board.

‘51C Content of statement of obligations

- ‘(1) A statement of obligations may contain provisions about the strategic or operational activities of the Authority in the performance of its functions.
- ‘(2) Without limiting subsection (1), a statement of obligations may include provisions about—
 - (a) governance; or
 - (b) quality and performance standards; or

[s 46]

- (c) customer and community consultation; or
- (d) total water cycle management.

‘bulk water supply authority’.
- (2) Section 212A(3), from ‘a declared’ to ‘manager’—
omit, insert—
‘bulk services under a bulk water supply agreement, the bulk water supply authority’.

50 Amendment of s 340 (Main purpose of ch 2A and its achievement)

Section 340(2)—

omit, insert—

- ‘(2) The purpose is achieved by—
- (a) providing for the desired level of service objectives for water security in the SEQ region and designated regions; and
 - (b) requiring the bulk water supply authority and water service providers for designated regions to have a water security program including plans and strategies to facilitate the achievement of the desired level of service objectives; and
 - (c) optimising an efficient and reliable supply of water for the SEQ region by providing for the making of—
 - (i) agreements for the supply of bulk services between SEQ bulk suppliers and bulk water customers; and
 - (ii) a code to decide costs and prices and to regulate the way in which entities supply bulk services.’.

51 Replacement of ch 2A, pts 2 to 7

Chapter 2A, parts 2 to 7—

omit, insert—

‘Part 2 Water security planning

‘Division 1 Designation of regions and nomination of water service providers

‘342 Designation of regions

- ‘(1) A regulation may designate a part of the state other than the SEQ region as a designated region for this part.
- ‘(2) Before recommending the making of a regulation under subsection (1), the Minister must—
- (a) have regard to—
 - (i) the geography, society and economy of the proposed designated region; and
 - (ii) water users and potential water users in the proposed designated region; and
 - (b) consider options for achieving water security for the proposed designated region; and
 - (c) consult with each local government whose local government area is wholly or partly in the proposed designated region.
- ‘(3) The Minister may carry out the consultation in any way the Minister considers appropriate.

‘343 Nomination of water service providers

- ‘(1) This section applies if there is more than 1 water service provider for a designated region.
- ‘(2) A regulation may nominate 1 or more of the water service providers as a water service provider (a *nominated water*

[s 51]

service provider) for the designated region or a part of the region for this part.

‘Division 2 Desired level of service objectives

‘344 Desired level of service objectives

- ‘(1) A regulation may prescribe—
 - (a) the desired level of service objectives for water security for the SEQ region, or part of the SEQ region; or
 - (b) the desired level of service objectives for water security for a designated region, or part of the designated region.
- ‘(2) The Minister may recommend to the Governor in Council a regulation under subsection (1) only if the Minister is satisfied sections 345 and 346 have been complied with for the regulation.
- ‘(3) However, the Minister may recommend to the Governor in Council a regulation under subsection (1) that is only to correct a minor error or make another change that is not a change of substance even though only section 345 has been complied with for the regulation.
- ‘(4) Without limiting subsection (1), the desired level of service objectives for water security include the duration, frequency and severity of water restrictions that may be expected by end users of the water.

‘345 Public notice about proposed desired level of service objectives

- ‘(1) Before a regulation is made under section 344 to prescribe the desired level of service objectives for water security for the SEQ region, a designated region or a part of the SEQ region or a designated region, the chief executive must publish a notice about the regulation.
- ‘(2) The notice must state the following—

-
- (a) that the desired level of service objectives for water security (the *proposed desired level of service objectives*) are to be prescribed;
 - (b) the region or the part of the region for which the proposed desired level of service objectives for water security are to apply;
 - (c) a description of the proposed desired level of service objectives;
 - (d) that written submissions may be made by any entity about the proposed level of service objectives;
 - (e) the day by which submissions must be made and the person to whom, and the place where, the submissions must be made.
- ‘(3) The day stated under subsection (2)(e) must not be earlier than 28 business days after the day the notice is published.
- ‘(4) The chief executive must give a copy of the notice to the following—
- (a) if the proposed desired level of service objectives are for the SEQ region or part of the SEQ region—the bulk water supply authority;
 - (b) if the proposed desired level of service objectives are for a designated region or part of a designated region—
 - (i) if there is a nominated water service provider for the region—the nominated water service provider; or
 - (ii) otherwise—each water service provider for the designated region.
- ‘(5) The chief executive may—
- (a) give a copy of the notice to any other entity the chief executive considers appropriate; and
 - (b) publish a copy of the notice on the department’s website.

[s 51]

‘346 Chief executive must consider properly made submissions

- ‘(1) The chief executive must consider all properly made submissions about the proposed desired level of service objectives.
- ‘(2) If, after considering all properly made submissions, the chief executive is satisfied that the proposed desired level of service objectives should be revised, the chief executive may revise the proposed desired level of service objectives (the *revised proposed objectives*).
- ‘(3) If the chief executive decides to revise the proposed desired level of service objectives, section 345 and subsections (1) and (2) apply in relation to the revised proposed objectives as if a reference in the section or subsections to the proposed desired level of service objectives were a reference to the revised proposed objectives.
- ‘(4) However, this section does not apply to a regulation to amend the desired level of service objectives for water security if the amendment is only to correct a minor error or make another change that is not a change of substance.

‘347 Report on desired level of service objectives

- ‘(1) If a regulation prescribes desired level of service objectives for water security for the SEQ region, a designated region or a part of the SEQ region or a designated region, the chief executive must prepare a report about the desired level of service objectives for water security for the region or the part of the region.
- ‘(2) The report must include—
 - (a) a summary of issues raised in properly made submissions about the desired level of service objectives; and
 - (b) a summary of how the issues raised in the submissions have been addressed by the chief executive.

‘348 Review of desired level of service objectives

‘If a regulation prescribes desired level of service objectives for water security, the chief executive must review the objectives at least every 5 years.

‘Division 3 Water security program

‘Subdivision 1 Preliminary

‘349 Definition for div 3

‘In this division—

designated water security entity means—

- (a) the bulk water supply authority; or
- (b) a water service provider required to have a water security program under section 351 or 352.

‘Subdivision 2 Requirement for water security program

‘350 Bulk water supply authority to have water security program

‘The bulk water supply authority must have a water security program complying with section 353 to facilitate the achievement of the desired level of service objectives for water security for the SEQ region or each part of the SEQ region.

Maximum penalty—1665 penalty units.

[s 51]

‘351 Nominated water service providers to have water security program

‘A nominated water service provider for a designated region or part of a designated region must have a water security program complying with section 353 to facilitate the achievement of the desired level of service objectives for water security for the designated region or the part of the designated region.

Maximum penalty—1665 penalty units.

‘352 Particular water service providers to have water security program

- ‘(1) This section applies if there is no nominated water service provider for a designated region.
- ‘(2) A water service provider for the designated region or part of the designated region must have a water security program complying with section 353 to facilitate the achievement of the desired level of service objectives for water security for the designated region or the part of the designated region.

Maximum penalty—1665 penalty units.

‘353 Content of water security program

- ‘(1) A water security program must include information about a designated water security entity’s arrangements, strategies or measures for—
 - (a) operating the designated water security entity’s assets for providing water services in the region or part of the region to which the water security program relates; and
 - (b) addressing future infrastructure needs, including building new infrastructure or augmenting existing infrastructure; and
 - (c) managing the infrastructure relevant to the designated water security entity’s operations; and
 - (d) managing demand for water; and

- (e) responding to drought conditions; and
 - (f) any other matter prescribed under a regulation.
- ‘(2) The chief executive may make guidelines to provide information and guidance to a designated water security entity about the content of a water security program.
- ‘(3) Subsections (1) and (2) do not limit what may be included in a water security program.
- ‘(4) A water security program may comprise 1 or more existing documents that comply with the requirements of this section.

‘Subdivision 3 Preparing and finalising water security program

‘354 Preparing draft water security program

‘A designated water security entity must prepare a draft water security program.

‘355 Consultation for draft water security program

- ‘(1) In preparing the draft water security program, the designated water security entity must make reasonable endeavours to consult with each of the designated water security entity’s customers likely to be affected by the water security program.
- ‘(2) A failure to comply with subsection (1) does not invalidate or otherwise affect the program.

‘356 Chief executive to review draft water security program

- ‘(1) After preparing the draft water security program, the designated water security entity must give the chief executive the draft water security program.
- ‘(2) The chief executive must review the draft water security program and decide whether to recommend changes to the draft water security program.

[s 51]

- ‘(3) If the chief executive decides not to recommend changes, the chief executive must give the designated water security entity notice of the decision within 30 days after receiving the draft water security program.

‘357 Special procedures for draft water security program if changes recommended

- ‘(1) This section applies if the chief executive decides to recommend a change, other than a change to correct a minor error or another change that is not a change of substance, to the draft water security program.
- ‘(2) Within 30 days after receiving the draft water security program, the chief executive must give the designated water security entity notice of the decision and request it to—
- (a) consider, or further consider, any matter and deal with the matter in the draft program; and
 - (b) revise the draft program in the light of its consideration or further consideration.
- ‘(3) Within 14 days after receiving the notice, the designated water security entity must consider the request and decide whether to revise the draft program.
- ‘(4) If the designated water security entity decides to revise the draft water security program, the designated water security entity must prepare a revised draft water security program within 14 days after making the decision.
- ‘(5) If the designated water security entity prepares a revised draft water security program, section 356 and this section apply—
- (a) as if a reference in the subdivision to a draft water security program were a reference to the revised draft water security program; and
 - (b) with any other necessary changes.
- ‘(6) If the designated water security entity decides not to revise the draft water security program, the designated water security entity must, within 14 days after making the decision, give the

chief executive notice of the decision and the reasons for the decision.

‘358 Finalisation and publication of water security program

- ‘(1) This section applies if—
 - (a) the chief executive gives the designated water security entity a notice under section 356(3); or
 - (b) the designated water security entity gives the chief executive a notice under section 357(6).
- ‘(2) The designated water security entity may finalise the water security program.
- ‘(3) As soon as practicable after finalising the water security program, the designated water security entity must publish the program on its website.
- ‘(4) The water security program does not have effect until it is published under subsection (3).
- ‘(5) Despite subsection (3), the designated water security entity may decide not to publish or allow inspection of any part of the water security program the designated water security entity is reasonably satisfied contains sensitive security information.

‘Subdivision 4 Review and amendment of water security program

‘359 Review of water security program

- ‘(1) A designated water security entity must review its water security program at least every 5 years.
- ‘(2) The designated water security entity must also review its water security program if there is a significant change in any matter affecting, or likely to affect, the achievement of the desired level of service objectives for water security.

[s 51]

‘360 Amendment of water security program

- ‘(1) A designated water security entity may amend its water security program.
- ‘(2) The designated water security entity must amend its water security program if—
 - (a) the designated water security entity considers it reasonably necessary to amend the program as a result of a review under section 348; or
 - (b) the chief executive directs the designated water security entity to amend the program.

‘360A Procedure for amending water security program

- ‘(1) For amending a water security program, subdivision 3 applies—
 - (a) as if a reference in the subdivision to a draft water security program were a reference to the draft amendments of the water security program; and
 - (b) with any other necessary changes.
- ‘(2) However, subsection (1) does not apply if the amendment is only to correct a minor error in the water security program or make another change that is not a change of substance.

‘Subdivision 5 Miscellaneous provision

‘360B Designated water security entity not required to prepare drought management plan under Water Supply Act

- ‘(1) This section applies to a designated water security entity if the entity has a water security program for the SEQ region, a designated region or part of the SEQ region or designated region.
- ‘(2) Despite the Water Supply Act, section 123, the designated water security entity is not required to have a drought

management plan under that Act for the region or the part of the region.

‘Part 3 Arrangements for SEQ region

‘Division 1 Preliminary

‘360C Definitions for pt 3

‘In this part—

agreement amendment see section 360H(2).

bulk services means each of the following—

- (a) a water service or a part of a water service;
- (b) a service relating to the supply of water.

bulk water customer means—

- (a) an SEQ service provider; or
- (b) an entity declared under a regulation to be a bulk water customer for this part.

bulk water party means—

- (a) a bulk water customer; or
- (b) an SEQ bulk supplier.

bulk water supply agreement see section 360G(1).

bulk water supply code see section 360M(1).

code-regulated entity means—

- (a) a bulk water party; or
- (b) an entity declared under a regulation to be a code-regulated entity for this part.

[s 51]

emergency plan means a plan of a type the bulk water supply code states is required to be made by a code-regulated entity for an emergency related to water.

mandatory term see section 360G(2)(a).

SEQ bulk supplier means—

- (a) the bulk water supply authority; or
- (b) an entity declared under a regulation to be an SEQ bulk supplier for this part.

‘360D Operation of pt 3

‘This part provides for the following to optimise the efficient and reliable supply of water for the SEQ region—

- (a) the preparation of agreements for the supply of bulk services between SEQ bulk suppliers and bulk water customers;
- (b) the making of a code to—
 - (i) decide costs and prices; and
 - (ii) regulate the way in which entities supply bulk services.

‘360E Application of pt 3

‘This part applies to bulk services whether or not the bulk services are supplied in the SEQ region.

‘360F Obtaining information

- ‘(1) For this part, the chief executive may give the bulk water supply authority a notice requiring information about 1 or more of the following—
 - (a) demand for bulk services from bulk water customers;
 - (b) operating arrangements for the authority’s assets or infrastructure;

-
- (c) the costs or revenue of the authority for bulk services;
 - (d) other information the chief executive reasonably requires for the administration of this part.
- ‘(2) The notice—
- (a) may be given at any time; and
 - (b) must state the reasonable time by which the information must be given to the chief executive; and
 - (c) may require the information for 1 or more of the following—
 - (i) a particular period of time;
 - (ii) each bulk water customer or class of bulk water customer;
 - (iii) a local government area or part of a local government area.
- ‘(3) The bulk water supply authority must comply with the notice, unless it has a reasonable excuse.
- Maximum penalty—200 penalty units.

‘Division 2 Bulk water supply agreements

‘360G Making agreement

- ‘(1) The Minister may make a document (a *bulk water supply agreement*), in the form of a contract, providing for the supply of bulk services, stated in the document, between an SEQ bulk supplier, named in the document, and a bulk water customer, named in the document.
- ‘(2) A bulk water supply agreement may include—
 - (a) terms that must not be amended (each a *mandatory term*); and
 - (b) terms that may be amended by the bulk water parties named in the agreement.

[s 51]

- ‘(3) A bulk water supply agreement has effect as a contract between each bulk water party named in the agreement on the day the agreement is made by the Minister.
- ‘(4) A bulk water supply agreement has effect as a contract whether or not—
 - (a) it is executed by each bulk water party named in the agreement, other than to the extent an amendment to the agreement must be executed under section 360H; or
 - (b) an amount payable for the supply of bulk services is provided for under the agreement.

‘360H Bulk water party may amend non-mandatory terms of agreement

- ‘(1) A bulk water party for a bulk water supply agreement may amend the agreement, including by adding a term to the agreement, to the extent the amendment does not conflict with a mandatory term of the agreement.
- ‘(2) An amendment to a bulk water supply agreement (an *agreement amendment*) must be—
 - (a) executed by each bulk water party for the agreement; and
 - (b) given to the Minister as soon as practicable after the amendment has been executed.
- ‘(3) An agreement amendment takes effect on the day it is executed under subsection (2)(a).

‘360I Minister’s direction about agreement amendment

- ‘(1) The Minister may direct a bulk water party for a bulk water supply agreement to change an agreement amendment if the Minister considers the agreement amendment conflicts with a mandatory term of the bulk water supply agreement.
- ‘(2) Before giving a direction under subsection (1), the Minister must—

-
- (a) within 2 months after the day the Minister receives the agreement amendment, give each bulk water party for the bulk water supply agreement a notice stating—
- (i) the reasons why the Minister considers the agreement amendment conflicts with a mandatory term; and
 - (ii) that the bulk water party may, within the period of at least 10 business days stated in the notice, make a submission to the Minister about the agreement amendment and the reasons mentioned in subparagraph (i); and
- (b) consider any submissions made by a bulk water party under paragraph (a).
- ‘(3) If the Minister gives a direction under subsection (1), the agreement amendment is taken never to have had effect.

‘360J Offence to fail to comply with Minister’s direction about agreement amendment

‘A bulk water party must comply with a direction given to it by the Minister under section 360I.

Maximum penalty—1665 penalty units.

‘360K Record of bulk water supply agreements

‘The chief executive must keep a copy of each agreement and each agreement amendment made under this part, as in force from time to time.

‘360L Liability of bulk water parties

- ‘(1) A bulk water party is not civilly liable to another bulk water party (a *relevant entity*) for any consequential loss suffered by the relevant entity arising out of, or in relation to, an act or omission, including a negligent act or omission, of the bulk water party in the performance of, or in a failure to perform, its functions under this Act or its obligations—

[s 51]

- (a) other than to the extent that the consequential loss was caused, or contributed to, by the wilful default of the bulk water party; or
 - (b) if the bulk water party recovers compensation from an entity in relation to the consequential loss suffered by the relevant entity—other than to the extent of the net compensation amount.
- ‘(2) To remove any doubt, it is declared that—
- (a) nothing in this section is taken—
 - (i) to create a cause of action against a bulk water party; or
 - (ii) to limit the liability of the bulk water party to an entity for a claim for personal injury suffered by the entity; and
 - (b) to the extent that an act or omission of a bulk water party is inconsistent with a contract, in force immediately before the commencement of this section, to which the bulk water party and a relevant entity are parties, the bulk water party’s liability to the relevant entity is limited by subsection (1).
- ‘(3) A bulk water party may, in a contract, expressly vary or exclude the operation of subsection (1) in relation to the liability of the bulk water party to another party to the contract.
- ‘(4) Subsection (1) does not apply to a bulk water party to the extent that a contract mentioned in subsection (3) expressly varies or excludes its operation in relation to the other party to the contract.
- ‘(5) In this section—
- consequential loss*** includes the following—
- (a) any loss of anticipated or actual revenue or profits;
 - (b) loss of use of equipment;
 - (c) business interruption or a failure to realise anticipated savings;

-
- (d) loss of data;
 - (e) downtime costs or wasted overheads;
 - (f) loss of goodwill or business opportunity;
 - (g) punitive or exemplary damages;
 - (h) any special or indirect loss or damage of any nature whatsoever.

function includes power.

net compensation amount, for compensation recovered by a bulk water party, means the compensation less an amount that represents any loss suffered by the bulk water party in relation to the consequential loss and any costs incurred in recovering the compensation.

obligations, of a bulk water party, means the bulk water party's obligations under the following—

- (a) the bulk water supply code or operating protocols;
- (b) a bulk water supply agreement in which the bulk water party is named as a party;
- (c) an instrument made, or direction given, under the bulk water supply code or operating protocols.

operating protocols means the operating protocols made under the bulk water supply code.

perform includes purport to perform.

wilful default, by a bulk water party, includes—

- (a) any fraudulent conduct, including concealment; and
- (b) any criminal conduct; and
- (c) any intentional or reckless breach of, or failure to remedy a breach of, the bulk water party's obligations.

[s 51]

‘Division 3 Bulk water supply code

‘Subdivision 1 General provisions about code

‘360M Minister’s power to make code

- ‘(1) Subject to subdivision 2, the Minister may make a code (the *bulk water supply code*) for the SEQ region about the supply of bulk services by a code-regulated entity.
- ‘(2) The bulk water supply code applies to each code-regulated entity whether or not the entity supplies bulk services under a bulk water supply agreement.
- ‘(3) The bulk water supply code is a statutory instrument under the *Statutory Instruments Act 1992* but is not subordinate legislation.

‘360N Content of code—costs and prices

- ‘(1) The bulk water supply code may establish principles for deciding the following categories of costs and prices—
 - (a) the bulk water cost;
 - (b) the bulk water price;
 - (c) the other user price.
- ‘(2) The bulk water cost is the cost for the bulk water supply authority to supply bulk services.
- ‘(3) The bulk water price is the price the bulk water supply authority may charge an SEQ service provider for the supply of bulk services.
- ‘(4) The other user price is the price the bulk water supply authority may charge a bulk water customer, other than an SEQ service provider, for the supply of bulk services.

‘360O Content of code—general

‘The bulk water supply code may include the following—

- (a) the rights and obligations of a code-regulated entity under the code;
- (b) operating requirements for a code-regulated entity;
- (c) requirements to make or comply with an emergency plan;
- (d) the principles for the supply of bulk services by an SEQ service provider to the bulk water supply authority, including the principles for the bulk water supply authority to pay a charge for the bulk services;
- (e) provision for an entity to give advice to the Minister about—
 - (i) the principles mentioned in paragraph (d); or
 - (ii) costs or prices under the code; or
 - (iii) any other thing that may affect costs or prices under the code;
- (f) the way in which an entity to which paragraph (e) applies may investigate a matter under the code;
- (g) whether any part of the code may be amended without consultation;
- (h) any other thing the Minister considers appropriate to facilitate the supply of bulk services.

‘360P When code takes effect

- ‘(1) The Minister must notify the making of the bulk water supply code.
- ‘(2) The notice made under subsection (1) is subordinate legislation.
- ‘(3) The bulk water supply code takes effect—
 - (a) on the day the Minister’s notice is notified in the gazette; or

[s 51]

- (b) if a later day is stated in the Minister’s notice—on that day.

‘360Q Tabling of code

- ‘(1) Within 21 days after the bulk water supply code or an amendment of the code takes effect, the Minister must table a copy of the code or the amendment in the Legislative Assembly.
- ‘(2) The copy is tabled for information only.
- ‘(3) A failure to table a copy does not affect the bulk water supply code’s ongoing effect.

‘360R Publication of code

‘The chief executive must publish the bulk water supply code, as in force from time to time, on the department’s website.

‘360S Compliance with code

‘A code-regulated entity must not contravene a provision of the bulk water supply code.

Maximum penalty—

- (a) for contravention of a provision about making or complying with an emergency plan—1665 penalty units; or
- (b) otherwise—200 penalty units.

‘360T Civil liability not affected by code

- ‘(1) Compliance or noncompliance with the bulk water supply code does not—
 - (a) create a civil cause of action based on the compliance or noncompliance; or
 - (b) affect or limit a civil right or remedy that exists apart from this Act, whether at common law or otherwise.

-
- ‘(2) Without limiting subsection (1)(b), compliance with the bulk water supply code does not necessarily show that a civil obligation that exists apart from this Act has been satisfied or has not been breached.

‘Subdivision 2 Process for making or amending code

‘360U Consultation for code

- ‘(1) If the Minister proposes to make or amend the bulk water supply code, the Minister must consult with each code-regulated entity affected by the proposed code or amendment.
- ‘(2) For subsection (1), the Minister must ensure that each code-regulated entity is given a reasonable opportunity to make submissions to the Minister about the proposed code or amendment.
- ‘(3) However, the Minister may amend the bulk water supply code without consultation if the Minister proposes to—
- (a) correct a minor error in the code; or
 - (b) make an amendment of a type the code states may be made without consultation.

‘Division 4 Supply of bulk services

‘360V Supply under bulk water supply agreement

- ‘(1) The supply of bulk services, other than the supply of an exempt water service, may be made only under a bulk water supply agreement between an SEQ bulk supplier and a bulk water customer for the bulk services.
- ‘(2) In this section—

[s 51]

exempt water service means a water service declared under a regulation to be exempt from requiring a bulk water supply agreement for the supply of the water service.

‘360W Minister may decide cost or price

- ‘(1) The Minister may, under the principles in the bulk water supply code, decide a cost or price mentioned in section 360N for a particular period.
- ‘(2) Before deciding a cost or price, the Minister may seek advice from an entity nominated to provide advice about costs or prices to the Minister under the bulk water supply code.
- ‘(3) The Minister must consider any advice given by an entity under subsection (2) before deciding a cost or price.
- ‘(4) A decision of the Minister under subsection (1) has effect on the day decided by the Minister and stated in the notice mentioned in subsection (5)(a).
- ‘(5) The Minister must, as soon as practicable—
 - (a) give notice of the Minister’s decision to each code-regulated entity affected by the decision; and
 - (b) amend each bulk water supply agreement affected by the decision.
- ‘(6) If a cost or price decided by the Minister for the supply of bulk services is inconsistent with the cost or price for the bulk services under a bulk water supply agreement, the cost or price decided by the Minister prevails to the extent of any inconsistency.
- ‘(7) If the Minister does not intend to decide a cost or price under subsection (1), the Minister must give a notice to each SEQ bulk supplier advising—
 - (a) that the SEQ bulk supplier may decide the cost or price under the principles in the bulk water supply code; and
 - (b) the period for which the SEQ bulk supplier may decide the cost or price.

-
- ‘(8) The notice under subsection (7) must be given at least 4 months before the period under subsection (7)(b) starts.

‘360X Amended cost or price

- ‘(1) The Minister may, at any time, amend a cost or price decided by the Minister under section 360W(1).
- ‘(2) Section 360W(2) to (6) applies for amending a cost or price as if a reference in the subsections to a decision for a cost or price were a reference to a decision for an amended cost or price.

‘360Y Limitation of review

- ‘(1) Unless there is a determination by the Supreme Court that a decision of the Minister under section 360W or 360X is affected by jurisdictional error, the decision—
- (a) is final and conclusive; and
 - (b) can not be challenged, appealed against, reviewed, quashed, set aside or called in question in any other way, under the *Judicial Review Act 1991* or otherwise (whether by the Supreme Court, another court, a tribunal or another entity); and
 - (c) is not subject to any declaratory, injunctive or other order of the Supreme Court, another court, a tribunal or another entity on any ground.
- ‘(2) In this section—
- decision* includes a decision or conduct leading up to or forming part of the process of making a decision.

‘360Z Minister’s direction about bulk services supplied by SEQ service provider

- ‘(1) This section applies if—

[s 52]

- (a) an SEQ service provider supplies bulk services to the bulk water supply authority under a bulk water supply agreement; and
 - (b) the SEQ service provider and the bulk water supply authority can not agree, under the terms of the bulk water supply agreement, about a matter relating to the supply of, or the charge for, the bulk services.
- ‘(2) The Minister may, under the principles in the bulk water supply code, give the SEQ service provider or the bulk water supply authority a direction about 1 or both of the following—
- (a) the supply of bulk services by the SEQ service provider to the bulk water supply authority, including a direction to the SEQ service provider to give the bulk water supply authority access to infrastructure owned by the SEQ service provider;
 - (b) the charge payable for bulk services supplied by the SEQ service provider to the bulk water supply authority.
- ‘(3) The SEQ service provider or the bulk water supply authority must comply with a direction given to it by the Minister under subsection (2).

Maximum penalty—1665 penalty units.’.

‘Chapter 3A Office of Groundwater Impact Assessment

‘Part 1 General provisions about the office

‘Division 1 Establishment

‘455 Establishment

‘The Office of Groundwater Impact Assessment is established.

‘Division 2 Functions and powers

‘456 Functions of office

- ‘(1) The office’s main functions are—
- (a) to advise the chief executive on matters relating to impacts on underground water caused by the exercise of

underground water rights by petroleum tenure holders;
and

- (b) to establish and maintain a database of information about underground water; and
 - (c) to prepare underground water impact reports for cumulative management areas.
- ‘(2) The office’s functions also include any other function given to the office under this Act or another Act.

‘457 General powers of office

‘The office has the powers necessary or convenient to perform its functions or to help achieve the purposes of this chapter, including, for example, the power to enter into contracts or appoint agents.

‘458 Advice to chief executive

- ‘(1) The chief executive may give the office a written direction requiring the office to advise the chief executive on any matter relating to impacts on underground water caused by the exercise of underground water rights.
- ‘(2) The office must comply with the direction.
- ‘(3) In this section—

chief executive means the chief executive of the department in which chapter 3 is administered.

‘459 Office to keep and maintain database

- ‘(1) The office must keep and maintain a database of information relevant to monitoring underground water, including—
- (a) information obtained by the office under chapter 3; and
 - (b) information given to the office for, in or under an underground water impact report.

[s 70]

- ‘(2) The database may be kept in the way the manager considers appropriate, including, for example, in an electronic form.

‘460 Obtaining information about underground water from petroleum tenure holders

- ‘(1) The manager may give a petroleum tenure holder a notice requesting the following information about the exercise of underground water rights under the holder’s petroleum tenure—
- (a) information the manager requires for complying with its obligations as a responsible entity under chapter 3, part 2;
 - (b) other information the manager requires to analyse and monitor impacts on underground water generally.
- ‘(2) The notice must state how, and a reasonable period of at least 20 business days by which, the information must be given.
- ‘(3) The petroleum tenure holder must comply with the notice, unless the holder has a reasonable excuse.
- Maximum penalty—1665 penalty units.
- ‘(4) If the petroleum tenure holder is an individual, it is a reasonable excuse not to comply with the notice if complying with the notice might tend to incriminate the holder.

‘461 Advisory bodies

‘The manager may establish advisory bodies it considers appropriate to give the office advice on the performance of its functions.

‘Division 3 Membership of the office

‘462 Membership of office

‘The office consists of—

- (a) the manager of the office; and
- (b) the other staff of the office.

‘Division 4 Staff of the office

‘Subdivision 1 Manager of the office

‘463 Manager of the office

‘The office must have a manager.

‘464 Appointment of manager

- ‘(1) The manager is appointed on a full-time basis by the Governor in Council.
- ‘(2) Subject to sections 469 and 472, the manager is employed under the *Public Service Act 2008* as if the manager were a senior executive.
- ‘(3) However, despite the *Public Service Act 2008*, the manager can be removed from office only by the Governor in Council.

‘465 Eligibility for appointment

‘A person is eligible to be appointed as manager if the person has—

- (a) appropriate qualifications relevant to underground water assessment and management or geology; and

Example of an appropriate qualification—

a degree relevant to groundwater management or geology

- (b) experience relevant to the functions of the office.

[s 70]

‘466 Term of appointment

- ‘(1) Despite the *Public Service Act 2008*, the manager holds office for the term stated in the instrument of the manager’s appointment.
- ‘(2) The term stated in the instrument of appointment can not be longer than 5 years.
- ‘(3) However, the manager is eligible for reappointment.

‘467 Functions of the manager

- ‘(1) The manager’s main functions are—
 - (a) to ensure the office performs its functions effectively and efficiently; and
 - (b) to make recommendations to the Minister about any matter that relates to the performance or exercise of the manager’s or office’s functions or powers.
- ‘(2) The manager’s functions also include any other function given to the manager under this Act or another Act.
- ‘(3) Subsection (1) does not prevent the attachment of the office to the department to ensure the office is supplied with the administrative support services it requires to perform its functions effectively and efficiently.

‘468 Powers of the manager

- ‘(1) The manager may exercise—
 - (a) the powers necessary or convenient for performing the manager’s functions under this Act or another Act; and
 - (b) all other powers necessary or convenient for discharging the obligations imposed on the manager under this Act or another Act.
- ‘(2) Also, the manager may exercise the powers of the office.

‘469 Independence in performing functions

‘The manager must, in performing the manager’s functions, exercise an independent judgment and is not subject to direction from anyone else.

‘470 Manager not to engage in other paid employment

‘The manager must not, without the approval of the Minister—

- (a) hold any office of profit other than that of manager of the office; or
- (b) engage in any paid employment outside the duties of that office; or
- (c) actively take part in the activities of a business, or in the management of a corporation carrying on business.

‘471 Vacancy in office of manager

‘The office of the manager becomes vacant if the manager—

- (a) completes a term of office; or
- (b) resigns office by signed notice given to the Minister; or
- (c) is removed from office by the Governor in Council under section 472; or
- (d) is convicted of an indictable offence or an offence against this Act; or
- (e) is a person who is an insolvent under administration under the Corporations Act, section 9.

‘472 Termination of appointment

- ‘(1) The manager may be removed from office only under this section.
- ‘(2) The Governor in Council may remove the manager from office on any of the following grounds—

[s 70]

- (a) proved incapacity, incompetence or misconduct;
- (b) misconduct of a type that could, other than for section 464(3), warrant dismissal from the public service;
- (c) contravention of section 470.

‘473 Delegation

‘(1) The manager may delegate to an appropriately qualified person the manager’s functions under this or another Act.

‘(2) In this section—

appropriately qualified includes having the qualifications, experience or standing appropriate for the functions.

Examples of qualifications, experience or standing—

- a degree relevant to groundwater management or geology
- a person’s classification level in the public service

function includes power.

‘474 Preservation of rights as public service officer

‘(1) This section applies if—

- (a) a person is appointed as the manager; and
- (b) the person resigns the person’s role as a public service officer to accept the appointment.

‘(2) The person retains and is entitled to all rights that have accrued to the person because of the person’s employment as a public service officer, or that would accrue in the future to the person because of that employment, as if service as the manager were a continuation of service as a public service officer.

‘(3) At the end of the person’s term of office or on resignation—

- (a) the person is entitled to be appointed to an office in the public service at a salary level not less than the current salary level of an office equivalent to the office the person held before being appointed as the manager; and

- (b) the person's service as the manager is to be regarded as service of a similar kind in the public service for deciding the person's rights as a public service officer.

'475 Superannuation if previously a public service officer

'If—

- (a) a person who is a public service officer is appointed as the manager; and
- (b) immediately before the appointment the person was a member of the State Public Sector Superannuation Scheme under the *Superannuation (State Public Sector) Act 1990*;

the person continues to be, and to be eligible to be, a member of the scheme.

'Subdivision 2 Other staff of the office

'476 Office staff

'The other staff are employed under the *Public Service Act 2008*.

'477 Alternative staffing arrangements

- '(1) The manager may arrange with the chief executive of a department for the services of officers or employees of the department to be made available to the office.
- '(2) An officer or employee whose services are made available under subsection (1)—
 - (a) continues to be an officer or employee of the department; and
 - (b) continues to be employed or otherwise engaged by the department on the same terms and conditions applying

[s 70]

to the officer or employee before his or her services were made available; and

- (c) is, for the period the services are made available and for performing the office's functions, taken to be a member of the staff of the office.

'Part 2 Funding for office

'478 Groundwater Impact Assessment Fund

'The Groundwater Impact Assessment Fund is established.

'479 Annual levy for underground water management

- '(1) The performance of the office's functions are to be funded by an annual levy payable by each petroleum tenure holder.
- '(2) The levy must be worked out in the way prescribed under a regulation.
- '(3) The way the levy is worked out must be transparent and likely to be readily understood by petroleum tenure holders.
- '(4) The levy must be—
 - (a) based on the amount needed to recover the estimated costs to the office of performing its functions under chapter 3 in a financial year; and
 - (b) apportioned, where practicable, between petroleum tenure holders or classes of holders according to the cost to the office of performing functions specific to the holders or class of holders.
- '(5) For subsection (4)(a), the office's estimated costs must be—
 - (a) prepared by the office; and
 - (b) approved by the Minister.

-
- ‘(6) When preparing the office’s estimated costs, the office may consult with a relevant advisory body.
 - ‘(7) The levy must be paid in the amount, at the time and in the way prescribed under a regulation.
 - ‘(8) If a petroleum tenure holder does not pay the levy as required under a regulation made under subsection (7), the State may recover from the holder the amount of the levy as a debt.

‘480 Payment of amounts into Groundwater Impact Assessment Fund

‘The following amounts, on receipt by the department, must be paid into the Groundwater Impact Assessment Fund —

- (a) levy amounts paid by petroleum tenure holders under section 479;
- (b) all interest paid because of late payment of levy amounts payable by petroleum tenure holders.

‘481 Payment of amounts from Groundwater Impact Assessment Fund

- ‘(1) The manager may make payments from the Groundwater Impact Assessment Fund under subsection (2).
- ‘(2) A payment from the fund must be for 1 or more of the following—
 - (a) paying expenses incurred by the office in administering the office or performing the functions of the office;
 - (b) paying expenses incurred by the manager in performing the manager’s functions;
 - (c) paying fees or expenses related to administering the fund;
 - (d) paying other amounts required or permitted under this Act or another Act to be paid out of the fund.

[s 70]

‘482 Administration of Groundwater Impact Assessment Fund

- ‘(1) Accounts for the Groundwater Impact Assessment Fund must be kept as part of the departmental accounts of the department.
- ‘(2) Amounts received for the fund must be deposited in a departmental financial institution account of the department.
- ‘(3) Amounts received for the fund may be deposited in an account used for depositing other moneys of the department.
- ‘(4) In this section—

departmental accounts, of a department, means the accounts of the department kept under the *Financial Accountability Act 2009*, section 69.

departmental financial institution account, of a department, means an account of the department kept under the *Financial Accountability Act 2009*, section 83.

other moneys, of the department, means all moneys of the department other than amounts received for the Groundwater Impact Assessment Fund.

‘Part 3 Miscellaneous provisions

‘483 Public access to database

- ‘(1) The office may make information in the database available to the public.
- ‘(2) However, the publicly available part of the database must not include—
 - (a) information obtained as a result of undertaking—
 - (i) a baseline assessment; or
 - (ii) a bore assessment; or

-
- (b) any other information the office reasonably believes is commercially sensitive.
 - ‘(3) A person may—
 - (a) free of charge, inspect the details contained in the publicly available part of the database at the office’s head office during normal business hours; and
 - (b) on payment of a fee decided by the chief executive, obtain a copy of the details from the office.
 - ‘(4) The fee decided by the chief executive must not be more than the reasonable cost of producing the copy.

‘484 Petroleum tenure holder access to information

- ‘(1) The office must make any information in the database available to a petroleum tenure holder if the office is reasonably satisfied the information would assist the holder in complying with the holder’s obligations under this chapter.
- ‘(2) However, the office must not give information to a petroleum tenure holder under subsection (1) if the office reasonably believes the information is commercially sensitive.’.

amending Act means the *South East Queensland Water (Restructuring) and Other Legislation Amendment Act 2012*.

commencement means the commencement of the provision in which the term is used.

former commission means the Queensland Water Commission established under previous section 342.

previous, for a provision of this Act, means the provision as in force immediately before the repeal or amendment of the provision under the amending Act.

‘Subdivision 2 Provisions relating to annual levies

**‘1211 Transfer of funds into Groundwater Impact
Assessment Fund**

- ‘(1) On the commencement, the following amounts held by the former commission immediately before the commencement must be paid into the Groundwater Impact Assessment Fund—
- (a) the balance of all levy amounts paid by petroleum tenure holders under previous section 360FA;
 - (b) the balance of any interest accrued on amounts mentioned in paragraph (a).

[s 77]

- ‘(2) An amount transferred into the Groundwater Impact Assessment Fund under subsection (1) may be used only for a purpose stated in chapter 3A, part 2.

‘1212 Notices to pay levy

- ‘(1) Subsection (2) applies if—
- (a) before the commencement, the chief executive gave a petroleum tenure holder a notice about a levy payable by the petroleum tenure holder under previous section 360FA; and
 - (b) on the commencement, the petroleum tenure holder has not paid the levy.
- ‘(2) Despite the repeal of previous section 360FA—
- (a) the notice continues in force; and
 - (b) the petroleum tenure holder continues to be liable to pay the levy as stated in the notice.
- ‘(3) Subsection (4) applies if—
- (a) immediately before the commencement, a petroleum tenure holder was liable to pay a levy for a relevant financial year under previous section 360FA, 360FB or 360FC; and
 - (b) the chief executive had not given the petroleum tenure holder a notice for the levy for the relevant financial year under previous section 360FA.
- ‘(4) Despite the repeal of previous sections 360FA, 360FB and 360FC—
- (a) the chief executive may give the petroleum tenure holder a notice about the levy for the relevant financial year; and
 - (b) the petroleum tenure holder continues to be liable to pay the levy for the relevant financial year.
- ‘(5) An amount paid by the petroleum tenure holder under a notice mentioned in subsection (1) or (4)—

-
- (a) must be paid into the Groundwater Impact Assessment Fund; and
- (b) may be used only for a purpose stated in chapter 3A, part 2.
- ‘(6) In this section—
- levy* includes part of a levy.
- relevant financial year* means either of the following—
- (a) the financial year ending on 30 June 2011;
- (b) the financial year ending on 30 June 2012.

‘Subdivision 3 **Transfer of particular authorities to bulk water supply authority**

‘1213 Definitions for sdiv 3

‘In this subdivision—

chief executive means the chief executive of the department in which chapter 2, part 6 is administered.

former water entity means either of the following entities—

- (a) the former water grid manager;
- (b) LinkWater.

former water grid manager means the SEQ Water Grid Manager established under the *South East Queensland Water (Restructuring) Act 2007*, section 6 as in force immediately before the commencement.

limited authority see section 1214(3).

LinkWater means the Queensland Bulk Water Transport Authority established under the *South East Queensland Water (Restructuring) Act 2007*, section 6 as in force immediately before the commencement.

prescribed water authority see section 1214(1).

[s 77]

receiving entity see section 1215(2).

relevant authority see section 1214(2).

scheme see section 1215(1).

transfer notice see section 1216(1).

transferring entity see section 1215(2).

‘1214 Application of sdiv 3

- ‘(1) This subdivision applies to the following authorities (each a *prescribed water authority*) held by a former water entity immediately before the commencement—
- (a) a water licence to take or interfere with water in the SEQ region;
 - (b) a water allocation to take or interfere with water in the SEQ region.
- ‘(2) If an authority to which this subdivision applies is an authority to take and interfere with water in the SEQ region, the authority is a *relevant authority*.
- ‘(3) If an authority to which this subdivision applies is an authority that allows only taking of water, the authority is a *limited authority*.

‘1215 Transfer scheme

- ‘(1) This subdivision facilitates the restructure of the bulk water industry in the SEQ region by providing for a scheme (the *scheme*) to transfer particular authorities to take water, or to take and interfere with water—
- (a) to the bulk water supply authority; or
 - (b) from the bulk water supply authority to other entities.
- ‘(2) Under the scheme—
- (a) a prescribed water authority may, under this subdivision, be replaced by 1 or more authorities to—

- (i) take water; or
- (ii) take and interfere with water; and
- (b) generally, a water authority mentioned in paragraph (a) is transferred from the holder of the prescribed water authority (each a *transferring entity*) to an entity that will hold the authority to take water, or the authority to interfere with water (a *receiving entity*).

'1216 Transfer notice

- (1) For the purpose of the scheme, the Minister may, by gazette notice (a *transfer notice*), do any of the following—
- (a) replace a relevant authority with—
 - (i) 1 or more authorities to take water; or
 - (ii) 1 or more authorities to take and interfere with water; or
 - (iii) 1 or more authorities to take water and 1 or more authorities to take and interfere with water;
 - (b) transfer an authority mentioned in paragraph (a)(i), (ii) or (iii) from a transferring entity to a receiving entity;
 - (c) transfer a limited water authority from a transferring entity to a receiving entity;
 - (d) replace a limited authority with 2 or more authorities to take water;
 - (e) transfer an authority to take water mentioned in paragraph (d) from a transferring entity to a receiving entity;
 - (f) impose requirements on any of the authorities replaced or transferred under this section, including requirements about—
 - (i) the volume of water that may be taken under the authority by a receiving entity; and
 - (ii) the purpose for which the water taken under the authority by a receiving entity may be used;

[s 77]

- (g) make provision about the application of instruments to a transferring entity or receiving entity including—
 - (i) whether the transferring entity or receiving entity is a party to an instrument; and
 - (ii) whether an instrument is taken to have been made by the transferring entity or receiving entity, or given to, by or in favour of the transferring entity or receiving entity; and
 - (iii) whether a reference to an entity in an instrument is a reference to the transferring entity or receiving entity; and
 - (iv) whether, under an instrument, an amount is or may become payable to or by the transferring entity or receiving entity, or other property is, or may be, transferred to or by the transferring entity or receiving entity; and
 - (v) make provision about an incidental, consequential or supplemental matter the Minister considers necessary or convenient for effectively carrying out the scheme.
- ‘(2) Subsection (3) applies if a relevant authority or a limited authority is, under a transfer notice, replaced with 1 or more other authorities to take or interfere with water (each a *new authority*).
- ‘(3) The Minister must be satisfied the conditions under which water may be taken or interfered with under the new authorities are at least as restrictive as the cumulative effect of the conditions on the relevant authority or limited authority.
- ‘(4) Without limiting subsection (3), the conditions under which water may be taken or interfered with under the new authorities must not—
 - (a) increase the total amount of water that may be taken; or
 - (b) increase the rate at which water may be taken; or
 - (c) change the flow conditions under which water may be taken; or

-
- (d) increase the interference with the flow of water.
- ‘(5) A transfer notice has effect despite any other law or instrument.
- ‘(6) A transfer notice has effect on the day it is published in the gazette or a later day stated in it.
- ‘(7) In this section—
instrument includes an agreement for an entity to supply water to another entity.

‘1217 Process after transfer notice

- ‘(1) This section applies if an authority is transferred from a transferring entity to a receiving entity under a transfer notice.
- ‘(2) The chief executive may take the action that is necessary or convenient for the transfer of the authority under the transfer notice, including—
- (a) updating a register or other record; and
- (b) amending, cancelling or issuing another authority.
- ‘(3) The chief executive may take action under subsection (2) although this Act does not provide for the taking of the action or provides for taking the action in a different way.

Example—

An authority is transferred from a transferring entity to the bulk water supply authority under a transfer notice. Acting under subsection (3), the chief executive grants to the bulk water supply authority a water licence to replace the authority, despite the provisions of chapter 2, part 6, division 2 applying to the granting of a water licence.

‘1218 Continuing authorities

- ‘(1) This section applies to an authority to take or interfere with water that a receiving entity holds, or a transferring entity continues to hold, under a transfer notice.
- ‘(2) The authority continues under this Act until whichever of the following first happens—

[s 77]

- (a) the chief executive grants a water licence to replace the authority;
 - (b) the authority is replaced with a water entitlement.
- ‘(3) The chief executive may grant the receiving entity or transferring entity a water licence to replace the authority to take or interfere with water without the need for an application to be made under section 206.
- ‘(4) Within 30 business days after the chief executive grants the water licence, the chief executive must give the receiving entity or transferring entity the licence and an information notice about the granting of the licence.
- ‘(5) The water licence has effect from the day the licence is given to the receiving entity or transferring entity.

‘1219 References in supply agreements to particular transferring entities

- ‘(1) This section applies if an authority mentioned in a transfer notice is transferred from a transferring entity to a receiving entity.
- ‘(2) A reference in an existing supply agreement to the transferring entity is, if the context permits, taken to be a reference to the receiving entity.
- ‘(3) On and from the day the transfer notice takes effect, the existing supply agreement gives rise to the same rights and liabilities as would have arisen if the authority had not been transferred.
- ‘(4) In this section—
- existing supply agreement* means an agreement for the supply of water, in force on the day the transfer notice takes effect, between the transferring entity and another entity.

‘Subdivision 4 Provisions for ending the water market

‘1220 Definitions for sdiv 4

‘In this subdivision—

existing customer contract means a contract for the supply of non-potable water between an SEQ service provider and a person that is in effect immediately before the commencement of the amending Act, section 51.

existing grid contract means—

- (a) a grid contract document made under previous section 360ZDD(1) that is in effect immediately before the repeal of that section under the amending Act; or
- (b) a new contract under the *South-East Queensland Water (Distribution and Retail Restructuring) Act 2009*, section 92CU, that is in effect immediately before the commencement of the amending Act, section 51.

market rules means the market rules made under previous section 360ZCX and in effect immediately before the repeal of that section under the amending Act, section 51.

non-potable water means water that has not been treated by a service provider.

transitional regulation see section 1225(1).

‘1221 Existing grid contracts

‘(1) An existing grid contract—

- (a) continues to have effect after the commencement of the amending Act, section 51; and
- (b) ends on the day a bulk water supply agreement is made by the Minister under section 360G for each party to the existing contract that is a bulk water party for the bulk water supply agreement.

[s 77]

‘(2) Despite subsection (1)(b), a term of an existing grid contract continues to have effect if the term—

- (a) states it survives the ending of the contract; or
- (b) is prescribed to survive the ending of the contract under a transitional regulation.

Example for paragraph (a)—

An existing grid contract may state that a party to the contract must maintain an insurance policy for a particular period after the ending of the contract.

‘(3) Previous section 360ZDI continues to apply in relation to a term in an existing grid contract that continues to have effect under subsection (2) as if the amending Act had not been enacted.

‘1222 Existing customer contracts

‘An existing customer contract—

- (a) continues to have effect after the commencement of the amending Act, section 51; and
- (b) ends on the day a contract for the supply of non-potable water is executed between the person and the bulk water supply authority to replace the existing customer contract.

‘1223 Market rules

‘The market rules—

- (a) continue to have effect after the commencement of the amending Act, section 51; and
- (b) cease to have effect on the day the bulk water supply code takes effect under section 360P.

‘1224 Consultation for first code

‘(1) This section applies to the first bulk water supply code made by the Minister under section 360M.

-
- ‘(2) Despite section 360M, the Minister may make the first code if the Minister is satisfied that each entity to be affected by the first code has been sufficiently consulted about the proposed first code even if the consultation happened before the commencement of section 360M.

‘1225 Transitional regulation-making power for market rules and contracts

- ‘(1) A regulation (a *transitional regulation*) may make provision of a saving or transitional nature about a matter—
- (a) necessary or convenient to give effect to the transition from—
 - (i) the market rules to the bulk water supply code; or
 - (ii) an existing grid contract to a bulk water supply agreement; or
 - (iii) an existing customer contract to a contract for the supply of non-potable water; and
 - (b) for which this Act does not make provision or sufficient provision.
- ‘(2) A transitional regulation may have retrospective operation to a day that is not earlier than the day on which this section commences.
- ‘(3) A transitional regulation must declare it is a transitional regulation.
- ‘(4) This section and any transitional regulation expire 1 year after this section commences.

‘Subdivision 5 Miscellaneous provisions

‘1226 Continuation of system operating plan

- ‘(1) This section applies until a regulation is first made under section 344 to prescribe the desired level of service objectives

[s 77]

for water security for the SEQ region or part of the SEQ region.

- ‘(2) The system operating plan as in effect on 31 December 2012 continues to have effect for the SEQ region.
- ‘(3) Each entity to which the system operating plan applies must ensure the plan is complied with to the extent it applies to the entity.
- ‘(4) In this section—

system operating plan means the system operating plan for the SEQ region made under previous chapter 2A, part 5, division 2.

‘1227 Delayed application of ss 350–352

‘Sections 350, 351 and 352 do not apply to a designated water security entity until the day that is 1 year after a regulation is first made under section 344.

‘1228 Notice to prepare water efficiency management plan given before commencement of no effect

- ‘(1) This section applies if, before the commencement, the former commission gave a customer a notice under previous section 360ZCB(4) to prepare a water efficiency management plan.
- ‘(2) On the commencement—
 - (a) the notice ceases to have effect; and
 - (b) the customer is not required to—
 - (i) prepare a water efficiency management plan; or
 - (ii) give the plan to the former commission.

‘1229 Water efficiency management plan made before commencement of no effect

- ‘(1) This section applies to a water efficiency management plan prepared before the commencement by a customer, or type of

customer, as required by the former commission under previous section 360ZCB(4).

- ‘(2) On the commencement, the water efficiency management plan ceases to have effect.

‘1230 Commission water restriction imposed before commencement of no effect

- ‘(1) This section applies to a commission water restriction imposed by the former commission under previous section 360ZD.
- ‘(2) On the commencement, the commission water restriction ceases to have effect.

‘1231 Particular underground water impact reports taken to have been given by the office

- ‘(1) This section applies to an underground water impact report that was, before the commencement—
- (a) given to the chief executive by the former commission under section 370; and
 - (b) approved by the chief executive under section 385(1).
- ‘(2) The underground water impact report is taken to have been given to the chief executive by the office.

‘1232 Expenditure Advisory Committee

‘An advisory body called the Expenditure Advisory Committee, established by the former commission under previous section 360C and in existence immediately before the commencement, is taken to be, on the commencement, an advisory body established under section 461—

- (a) with the same name as the former committee; and
- (b) to perform the same functions in relation to the office as the former committee performed for the former commission.

[s 77]

‘1233 First manager of the office

- ‘(1) This section applies to the person who, immediately before the commencement, held office as the commission’s General Manager, Coal Seam Gas Water (the *old office*).
- ‘(2) On the commencement—
 - (a) the old office ends; and
 - (b) the person is taken to have been appointed as the manager of the office.
- ‘(3) The person holds the office of manager for a term of 5 years from when the person was most recently appointed to the old office.
- ‘(4) The person’s conditions of employment for the office of manager are the conditions of employment for the old office immediately before the commencement.
- ‘(5) Subsection (4) applies subject to subsection (3) and any necessary changes from the old office to the office of manager.
- ‘(6) Subject to subsections (3) to (5), chapter 3A, part 1, division 4, subdivision 1 applies to the person for the person’s holding of the office of manager.
- ‘(7) In this section—

commencement means the commencement of the amending Act, section 42.

conditions of employment includes allowances for variations to remuneration.

‘1234 Transitional regulation-making power for former commission and office

- ‘(1) A regulation (a *transitional regulation*) may make provision of a saving or transitional nature about a matter—
 - (a) necessary or convenient to give effect to the transition from the former commission to the office; or

- (b) for which this Act does not make provision or sufficient provision.
- ‘(2) A transitional regulation may have retrospective operation to a day that is not earlier than the day on which this section commences.
- ‘(3) A transitional regulation must declare it is a transitional regulation.
- ‘(4) This section and any transitional regulation expire 1 year after this section commences.’.

82 Replacement of ss 7–11

Sections 7 to 11—

omit, insert—

‘7 Decisions about fluoridation of public potable water supplies

- ‘(1) A local government may decide that fluoride be added to the water supply that supplies potable water to the community in

[s 82]

its local government area if it is satisfied the decision is in the best interests of the community.

- ‘(2) If a local government makes a decision under subsection (1)—
- (a) if the local government is not the public potable water supplier for the potable water supply that supplies potable water to the community—the local government must give the water supplier notice of the decision; and
 - (b) the water supplier must add fluoride, or continue to add fluoride, to the water supply.
- ‘(3) A local government may decide that fluoride not be added to the water supply that supplies potable water to the community in its local government area if it is satisfied the decision is in the best interests of the community.
- ‘(4) If a local government makes a decision under subsection (3)—
- (a) if the local government is not the public potable water supplier for the potable water supply that supplies potable water to the community—the local government must give the water supplier notice of the decision; and
 - (b) the water supplier must not add fluoride, or must cease to add fluoride, to the water supply.
- ‘(5) A local government may, before making a decision under subsection (1) or (3), consult with the public potable water supplier for the potable water supply about cost implications, infrastructure arrangements and potential impact on water supply inside or outside the local government area.
- ‘(6) In this section—
- community*, of a local government, includes part of the community of the local government.

‘8 Requirement for public potable water supplier not to impact on another local government

- ‘(1) This section applies to a public potable water supplier for a public potable water supply that is required under section 7 to add fluoride, or cease to add fluoride, to the water supply that

supplies potable water to a community in a local government area.

- ‘(2) The public potable water supplier must not, when adding fluoride, or ceasing to add fluoride, to the water supply, affect another local government’s water security or water supply or the fluoridation of another local government’s water supply without the other local government’s agreement.

‘9 **Costs**

‘If—

- (a) a local government makes a decision under section 7 to add fluoride, or cease to add fluoride, to the water supply that supplies potable water to the community in its local government area; and
- (b) the local government is not the public potable water supplier for the potable water supply; and
- (c) the public potable water supplier for the potable water supply incurs costs (*compliance costs*) in complying with the local government’s decision;

the local government must pay the public potable water supplier’s compliance costs.’.

83 **Replacement of s 13 (Notification of intention to add fluoride to public potable water supply)**

Section 13—

omit, insert—

‘13 **Notification of intention relating to fluoridation of public potable water supply**

- ‘(1) This section applies if a local government makes a decision (a *fluoridation decision*) to add fluoride, or cease to add fluoride, to the public potable water supply that supplies potable water to the community, or part of its community, in its local government area.
- ‘(2) The local government must—

[s 84]

- (a) give the chief executive a notice stating that the local government has made a fluoridation decision and the nature of the decision; and
 - (b) publish the notice at least once in a newspaper circulating in the area of the State serviced by the water supply.
- ‘(3) The public potable water supplier for the public potable water supply must, at least 30 days before adding fluoride or ceasing to add fluoride to the water supply—
- (a) give a fluoridation notice to the chief executive; and
 - (b) publish the fluoridation notice at least once in a newspaper circulating in the area of the State serviced by the water supply.
- ‘(4) In this section—
- fluoridation notice*** means a notice stating—
- (a) that the local government has made a fluoridation decision; and
 - (b) that the public potable water supplier for the public potable water supply intends to add fluoride or cease to add fluoride to the water supply from a stated day.’

84 Amendment of s 14 (Only certain persons may add fluoride to a public potable water supply)

Section 14(c), ‘section 21 or 60’—

amending Act means the *South East Queensland Water (Restructuring) and Other Legislation Amendment Act 2012*.

commencement means the commencement of this section.

former, in relation to a provision, means the provision as in force immediately before the repeal or amendment of the provision under the amending Act.

relevant public potable water supply see former section 6.

‘103 **Adding fluoride to relevant public potable water supply continues**

- ‘(1) This section applies to a public potable water supplier for a public potable water supply that is, immediately before the commencement, adding fluoride to the water supply.
- ‘(2) From the commencement, the public potable water supplier must continue to add fluoride to the water supply until the local government in whose area the potable water is supplied makes a decision under section 7 to cease to add fluoride to the water supply.
- ‘(3) This section applies despite the repeal of former sections 7 and 11.

[s 86]

‘104 Exemptions and applications for exemptions from requirements to add fluoride to relevant public potable water supply

- ‘(1) Subsection (2) applies to an exemption given under former section 8 from the requirement under former section 7 for a public potable water supplier for a relevant public potable water supply to add fluoride to the water supply.
- ‘(2) On the commencement, the exemption is of no effect.
- ‘(3) An application for an exemption, made under former section 8 but not decided before the commencement, is taken never to have been made.

‘105 Dissolution of committee

- ‘(1) This section applies to the Queensland Fluoridation Committee established under former section 76.
- ‘(2) On the commencement, the committee is dissolved and each person who, immediately before the commencement, was a member of the committee goes out of office.
- ‘(3) No compensation is payable to a member because of subsection (2).’.
