5 Replacement of s 84 (Definition for Pt 3.3)

Section 84—
omit, insert—

84 Definition for Pt 3.3

In this Part—

modification, of a heavy vehicle, means—

[s 6]

- (a) the addition of a component to, or the removal of a component from, the vehicle;
or
 - (b) a change to the vehicle from the manufacturer's specification for the vehicle;
- but does not include a modification to the vehicle that has been approved under the *Motor Vehicle Standards Act 1989* of the Commonwealth.

6 Amendment of s 85 (Modifying heavy vehicle requires approval)

Section 85, at the end—

insert—

- (3) This section does not apply to a modification that complies with a code of practice prescribed by the national regulations for the purposes of this section, section 86 or 87 that expressly states that a modification of that type does not require approval.

7 Insertion of new s 87A

After section 87—

insert—

87A Person must not tamper with plate or label

- (1) A person must not tamper with a plate or label fitted or affixed to a heavy vehicle under section 86(2) or 87(3).
Maximum penalty—\$3000.
- (2) In a proceeding for an offence against subsection (1), it is a defence for the person to prove that the tampering was done with the written approval of the Regulator.
- (3) In this section—

tamper means alter, damage, remove or otherwise interfere with.

8 Amendment of s 94 (Main purposes of Ch 4)

- (1) Section 94(2)(a), ‘mass limits’—

omit, insert—

mass requirements

- (2) Section 94(2)(b)—

omit, insert—

- (3) Section 94(2)(d) and (3), ‘mass limits, restrictions and requirements’ —

omit, insert—

mass requirements, dimension requirements and other requirements

9 Amendment of s 119 (Conditions of mass or dimension exemption (notice))

- (1) Section 119(1)(c), from ‘by’ to ‘161’—

omit, insert—

for the exemption

- (2) Section 119(5) and (6)—

renumber as section 119(6) and (7).

- (3) Section 119(2) to (4)—

omit, insert—

- (2) Without limiting subsection (1)(a), the condition under the subsection about areas or routes may be imposed by—

[s 9]

- (a) applying by reference a stated map or stated list, not in the notice, prepared and published by the relevant road authority or the Regulator; and
 - (b) referring to the areas or routes shown on the stated map or stated list.
- (3) Without limiting subsection (1)(c), road conditions or travel conditions under the subsection may be imposed by referring to road conditions or travel conditions shown on a stated map or stated list applied under subsection (2)(a).
- (4) If the notice applies a stated map or stated list—
 - (a) the Regulator may amend the stated map or stated list prepared and published by it and the relevant road authority may amend the stated map or stated list prepared and published by it, but only by omitting, varying or extending—
 - (i) the areas or routes mentioned in subsection (2)(b); or
 - (ii) the road conditions or travel conditions mentioned in subsection (3);including by adding additional areas, routes, road conditions or travel conditions; and
 - (b) the Regulator must ensure a copy of the stated map or stated list as in force from time to time is—
 - (i) made available for inspection, without charge, during normal business hours at each office of the Regulator; and
 - (ii) published on the Regulator’s website or published by way of a reference or link published on the Regulator’s website.

Note—

The Regulator must publish a stated map or stated list whether the Regulator or a relevant road authority originally prepared and published it as mentioned in subsection (2).

- (5) Despite subsection (4)(a), a road authority may only amend a map or list in a way that affects a particular road if—
- (a) the road authority is the road manager for the road; or
 - (b) the road authority is not the road manager for the road and has been advised by the Regulator that the Regulator has obtained the consent of the road manager for the amendment.
- (4) Section 119(7), as renumbered, at the end—

insert—

road conditions means road conditions required by the relevant road manager under section 160.

travel conditions means travel conditions required by the relevant road manager under section 161.

10 Insertion of new s 119A

After section 119—

insert—

119A Process for amending a stated map or stated list

- (1) This section applies to the amendment of a stated map or stated list mentioned in section 119.
- (2) For the purpose of an amendment by the Regulator only adding an additional area or route to a stated map or stated list—
 - (a) section 118 applies; and

[s 10]

- (b) Division 2 of Part 4.7 applies to the extent the division relates to the grant of a mass or dimension exemption (notice); and
 - (c) Division 3 of Part 4.7 does not apply.
- (3) For the purpose of subsection (2), section 118 and Division 2 of Part 4.7 apply as if—
 - (a) a reference to the grant of a mass or dimension exemption (notice) or a mass or dimension authority were a reference to the adding of the additional area or route; and
 - (b) a reference to the relevant road manager for a mass or dimension exemption (notice) or a mass or dimension authority were a reference to the relevant road manager for the exemption or authority that applies the stated map or stated list.
- (4) For the purpose of an amendment by the relevant road authority only adding an additional area or route to, or only removing a road condition or travel condition from, a stated map or stated list, section 118 and Part 4.7 do not apply.
- (5) For the purpose of an amendment by the Regulator or a relevant road authority if subsections (2) to (4) do not apply, Division 3 of Part 4.7 applies to the extent the Division relates to the amendment of a mass or dimension exemption (notice).
- (6) For subsection (5), Division 3 of Part 4.7 applies as if—
 - (a) a reference to the amendment of a mass or dimension authority were a reference to the amendment of the stated map or stated list; and
 - (b) a reference to the Regulator were a reference to the Regulator or the relevant

road authority, whichever is amending the stated map or stated list; and

- (c) a reference to the relevant road manager for a mass or dimension authority were a reference to the relevant road manager for the authority that applies the stated map or stated list.

11 Replacement of s 140 (Conditions of class 2 heavy vehicle authorisations (notice))

Section 140—

omit, insert—

140 Conditions of class 2 heavy vehicle authorisation (notice)

A class 2 heavy vehicle authorisation (notice)—

- (a) must be subject to the road conditions or travel conditions required by a road manager for the authorisation under section 160 or 161; and

Note—

Under sections 160(1)(b) and (4), a road manager may only require road conditions of a type prescribed by the national regulations.

- (b) may be subject to other conditions the regulator considers appropriate, including, for example, a condition that the driver of a class 2 heavy vehicle who is driving the vehicle under the authorisation must keep in the driver's possession a copy of—
 - (i) the Commonwealth Gazette notice for the authorisation; or
 - (ii) an information sheet about the authorisation published by the Regulator on the Regulator's website.

[s 12]

12 Amendment of s 142 (Requirements about Commonwealth Gazette notice etc.)

- (1) Section 142(6)—
renumber as section 142(7).
- (2) Section 142(2) to (5)—
omit, insert—
 - (2) Without limiting subsection (1)(b), the notice may state the areas or routes under the subsection by—
 - (a) applying by reference a stated map or stated list, not in the notice, prepared and published by the relevant road authority or the Regulator; and
 - (b) referring to the areas or routes shown on the stated map or list.
 - (3) Without limiting subsection (1)(d), the notice may state road conditions or travel conditions under the subsection by referring to road conditions or travel conditions shown on a stated map or stated list applied under subsection (2)(a).
 - (4) The Regulator must publish a copy of the notice on the Regulator’s website.
 - (5) If the notice applies a stated map or stated list—
 - (a) the Regulator may amend the stated map or stated list prepared and published by it and the relevant road authority may amend the stated map or stated list prepared and published by it, but only by omitting, varying or extending—
 - (i) the areas or routes mentioned in subsection (2)(b); or
 - (ii) the road conditions or travel conditions mentioned in subsection (3);

including by adding additional areas, routes, road conditions or travel conditions; and

- (b) the Regulator must ensure a copy of the stated map or stated list as in force from time to time is—
 - (i) made available for inspection, without charge, during normal business hours at each office of the Regulator; and
 - (ii) published on the Regulator’s website or published by way of a reference or link published on the Regulator’s website.

Note—

The Regulator must publish a stated map or stated list whether the Regulator or a relevant road authority originally prepared and published it as mentioned in subsection (2).

- (6) Despite subsection (5)(a), a road authority may only amend a map or list in a way that affects a particular road if—
 - (a) the road authority is the road manager for the road; or
 - (b) the road authority is not the road manager for the road and has been advised by the Regulator that the Regulator has obtained the consent of the road manager for the amendment.

- (3) Section 142(7), as renumbered, at the end—

insert—

road conditions means road conditions required by the relevant road manager under section 160.

travel conditions means travel conditions required by the relevant road manager under section 161.

[s 13]

13 Insertion of new s 142A

Division 3 of Part 4.6, after section 142—

insert—

142A Process for amending stated map or stated list

- (1) This section applies to the amendment of a stated map or stated list mentioned in section 142.
- (2) For the purpose of an amendment by the Regulator only adding an additional area or route to a stated map or stated list—
 - (a) section 139 applies; and
 - (b) Division 2 of Part 4.7 applies to the extent the division relates to the grant of a class 2 heavy vehicle authorisation (notice); and
 - (c) Division 3 of Part 4.7 does not apply.
- (3) For the purpose of subsection (2), section 139 and Division 2 of Part 4.7 apply as if—
 - (a) a reference to the grant of a class 2 heavy vehicle authorisation (notice) or a mass or dimension authority were a reference to the adding of the additional area or route; and
 - (b) a reference to the relevant road manager for a class 2 heavy vehicle authorisation (notice) or a mass or dimension authority were a reference to the relevant road manager for the authorisation or authority that applies the stated map or stated list.
- (4) For the purpose of an amendment by the relevant road authority only adding an additional area or route to, or only removing a road condition or travel condition from, a stated map or stated list, section 139 and Part 4.7 do not apply.
- (5) For the purpose of an amendment by the Regulator or a relevant road authority if

subsections (2) to (4) do not apply, Division 3 of Part 4.7 applies to the extent the division relates to the amendment of a class 2 heavy vehicle authorisation (notice).

- (6) For the purpose of subsection (5), Division 3 of Part 4.7 applies as if—
- (a) a reference to the amendment of a mass or dimension authority were a reference to the amendment of the stated map or stated list; and
 - (b) a reference to the Regulator were a reference to the Regulator or the relevant road authority, whichever is amending the stated map or stated list; and
 - (c) a reference to the relevant road manager for a mass or dimension authority were a reference to the relevant road manager for the authority that applies the stated map or stated list.

14 Insertion of new Pt 4.6A

After section 153—

insert—

Part 4.6A Restricted access vehicles

153A Using restricted access vehicle

- (1) A person must not use a restricted access vehicle, or permit a restricted access vehicle to be used, on a road unless the road is one on which the vehicle is allowed to be used under a mass or dimension authority applying to the vehicle.

Maximum penalty—\$6000.

- (2) In this section—

[s 15]

restricted access vehicle means a heavy vehicle that (together with its load) is—

- (a) higher than 4.3m; or
 - (b) wider than 2.5m; or
 - (c) longer than—
 - (i) if a single vehicle other than an articulated bus—12.5m;
 - (ii) if an articulated bus—18m; or
 - (iii) if a combination—19m.
- (3) This section does not apply to a class 2 heavy vehicle.

15 Amendment of s 189 (Meaning of *complying container weight declaration*)

Section 189(b) and (c)—

omit, insert—

- (b) it is written and easily legible.

16 Amendment of s 190 (Duty of responsible entity)

Section 190(1), after ‘declaration for the freight container’—

insert—

containing information in the form required under section 192A

17 Amendment of s 191 (Duty of operator)

- (1) Section 191(1), after ‘for the freight container’—

insert—

containing information in the form required under section 192A

- (2) Section 191(3)—

omit, insert—

- (3) If the freight container is to be transported by another carrier, an operator of a heavy vehicle must not give the freight container to the carrier unless the carrier has been provided with—
- (a) a complying container weight declaration for the freight container containing information in the form required under section 192A; or
 - (b) the prescribed particulars contained in a complying container weight declaration for the freight container.

Maximum penalty—\$6000.

- (3) Section 191(6), before definition *prescribed particulars—*
insert—

another carrier means another operator of a heavy vehicle or another person who is to transport the freight container other than by road.

18 Amendment of s 192 (Duty of driver)

Section 192(2)(b)—

omit, insert—

- (b) in a way that ensures information in the declaration is in the form required under section 192A.

19 Insertion of new s 192A

Division 4 of Part 4.9, after section 192—

insert—

[s 20]

192A Form of information in container weight declaration

- (1) This section applies for the purposes of sections 190(1), 191(1) and (3)(a) and 192(2)(b).
- (2) The responsible entity, operator or driver must ensure the information in the container weight declaration is in a form readily available to an authorised officer who seeks to ascertain it while in the presence of the freight container, including, for example, by—
 - (a) examining documents located in the heavy vehicle on which the freight container is loaded or to be loaded; or
 - (b) obtaining information by radio or mobile telephone or by other means.

20 Amendment of s 221 (Definitions for Ch 6)

- (1) Section 221, definitions *electronic work diary* and *electronic work diary label*—
omit.
- (2) Section 221, after definition *electronic recording system*—
insert—

electronic work diary, in relation to a fatigue-regulated heavy vehicle, means all or part of an approved electronic recording system that is fitted to or used in relation to the vehicle to record information a driver of the vehicle is required by this Law to record in a work diary for the purposes of this Law.
- (3) Section 221, definition *entry*, after ‘written’—
insert—

or otherwise recorded

21 Amendment of s 246 (Counting periods of less than 15 minutes)

- (1) Section 246, heading, after ‘minutes’—

insert—

—written work diaries

- (2) Section 246(1) to (4)—

renumber as section 246(2) to (5).

- (3) Section 246, before subsection (2), as renumbered—

insert—

- (1) This section applies if a driver uses a written work diary.

- (4) Section 246(3), as renumbered, example heading, ‘subsection (2)’—

omit, insert—

subsection (3)

- (5) Section 246(5), as renumbered, example heading, ‘subsection (4)’—

omit, insert—

subsection (5)

22 Insertion of new s 246A

After section 246—

insert—

246A Counting periods of less than 15 minutes—electronic work diaries

- (1) This section applies if a driver uses an electronic work diary.
- (2) Work time and rest time must be counted in 1 minute periods.

[s 23]

- (3) A period of work time or rest time of less than 1 minute must not be counted.
- (4) A period of rest time of less than 15 minutes does not count towards a minimum rest time.

Examples for the purposes of subsection (4)—

- 1 A period of not working for 10 minutes does not count towards a minimum rest time because 10 minutes is less than 15 minutes.
- 2 A period of not working on 3 separate occasions for 14 minutes, 24 minutes and 22 minutes does not count as 60 minutes rest time because the period of 14 minutes, being less than 15 minutes, is disregarded.

Note—

This section relates to calculating whether a driver has complied with maximum work requirements and minimum rest requirements applying to the driver. It does not matter if the technology used by an electronic work diary counts a period less than 1 minute mentioned in subsections (2) and (3) in the course of arriving at calculations that comply with the subsections.

23 Amendment of s 249 (Standard hours)

- (1) Section 249(2)(b), ‘buses.’—

omit, insert—

buses; and

- (2) Section 249, after subsection (2)(b)—

insert—

- (c) that a minor risk breach of a maximum work requirement prescribed in the regulations is not to be treated as a minor risk breach.

- (3) Section 249, after subsection (2)—

insert—

- (3) A minor risk breach prescribed for the purposes of subsection (2)(c) is not a contravention of section 250 or 251.

24 Amendment of s 253 (BFM hours)

Section 253(2)—

omit, insert—

- (2) Without limiting subsection (1), the national regulations may prescribe—
- (a) different BFM hours for solo drivers and drivers who are a party to a two-up driving arrangement; and
 - (b) that a minor risk breach of a maximum work requirement prescribed in the regulations is not to be treated as a minor risk breach.
- (3) A minor risk breach prescribed for the purposes of subsection (2)(b) is not a contravention of section 254 or 256.

25 Amendment of s 292 (Meaning of *work diary* for Sdiv 1)

(1) Section 292(1)(b)—

omit, insert—

- (b) if the driver has used only 1 or more electronic work diaries in the last 28 days—information in each electronic work diary relating to any period during the last 28 days;

(2) Section 292(1)(c)—

omit, insert—

- (c) if the driver has used a combination of 1 or more written work diaries and 1 or more electronic work diaries in the last 28 days—

[s 26]

- (i) each of the written work diaries the driver is using or has used during the last 28 days; and
- (ii) the information in each of the electronic work diaries the driver is using or has used during the last 28 days that relates to any period during the last 28 days.

26 Amendment of s 302 (Recording information in electronic work diary)

Section 302(b), after ‘manufacturer’s instructions’—

insert—

, if any,

27 Amendment of s 305 (Driver must make supplementary records in particular circumstances)

Section 305(4)(b)(iii), from ‘days after’ to ‘under that section’—

omit, insert—

days after the day on which the driver starts recording information under this section

28 Amendment of s 307 (Driver must notify Regulator if electronic work diary filled up etc.)

(1) Section 307, heading, after ‘Driver’—

insert—

who is record keeper

(2) Section 307(1), after ‘vehicle’—

insert—

who is his or her own record keeper

(3) Section 307, after subsection (2)—

insert—

- (3) Within a period required by the Regulator, the driver must ensure the electronic work diary is examined and brought into working order.

Maximum penalty—\$3000.

29 Amendment of s 311 (What record keeper must do if electronic work diary filled up)

- (1) Section 311(1)(c)—

omit, insert—

- (c) the record keeper becomes aware or has reason to suspect that the electronic work diary has been filled up.

- (2) Section 311(2), ‘after being informed of the matter’—

omit, insert—

after becoming aware of the matter or having reason to suspect the matter

- (3) Section 311(2)(b), ‘a printout of the removed information.’—

omit, insert—

the removed information in a way that makes the information readily available to the driver; and

- (4) Section 311(2), after paragraph (b)—

insert—

- (c) notify the Regulator in the approved form that the electronic work diary has been filled up.

30 Amendment of s 312 (What record keeper must do if electronic work diary destroyed, lost or stolen)

- (1) Section 312(1)(c)—

omit, insert—

[s 30]

(c) the record keeper becomes aware or has reason to suspect that the electronic work diary has been destroyed, lost or stolen.

(2) Section 312(3) to (5)—

renumber as section 312(4) to (6).

(3) Section 312(2)—

omit, insert—

(2) The record keeper must, as soon as reasonably practicable after becoming aware of the matter or having reason to suspect the matter—

(a) inform the driver that the electronic work diary has been destroyed, lost or stolen unless the driver informed the record keeper about the fault under section 309; and

(b) give the driver an electronic work diary that is in working order; and

(c) give the driver any information, in a way that makes the information readily available to the driver, that was in the destroyed, lost or stolen electronic work diary that—

(i) is accessible to the record keeper; and

(ii) relates to any period during the last 28 days; and

(iii) is not stored in the new electronic work diary.

Maximum penalty—\$6000.

(3) The record keeper must within 2 business days notify the Regulator in the approved form that the electronic work diary has been destroyed, lost or stolen.

Maximum penalty—\$6000.

(4) Section 312(4) to (6) as renumbered, after ‘subsection (2)’ (wherever appearing)—

insert—

or (3)

31 Amendment of s 313 (What record keeper must do if electronic work diary not in working order or malfunctioning)

(1) Section 313(1)(c)—

omit, insert—

(c) the record keeper becomes aware of, or has reason to suspect, either of the following matters—

(i) that the electronic work diary is not in working order;

(ii) that the electronic work diary is malfunctioning or has malfunctioned.

Note—

The record keeper may become aware as mentioned in paragraph (c) whether or not the record keeper has been informed by the driver under section 309 or an intelligent access reporting entity under section 310.

(2) Section 313(3) to (6)—

renumber as section 313(6) to (9).

(3) Section 313(2)—

omit, insert—

(2) The record keeper must as soon as reasonably practicable after becoming aware of the matter or having reason to suspect the matter inform the driver about the matter unless the driver informed the record keeper about the matter under section 309.

Maximum penalty—\$6000.

[s 31]

- (3) The record keeper must, after becoming aware of the matter or having reason to suspect the matter—
- (a) as soon as reasonably practicable, direct the driver in the approved form to use a supplementary record in compliance with section 305; and
 - (b) as soon as reasonably practicable, give the driver information that was in the electronic work diary, in a way that makes the information readily available to the driver, that—
 - (i) is accessible to the record keeper; and
 - (ii) relates to any period during the last 28 days; and
 - (iii) is not stored in the electronic work diary because the electronic work diary is not in working order or is malfunctioning or has malfunctioned; and
 - (c) within 2 business days, notify the Regulator in the approved form that the electronic work diary is not in working order or is malfunctioning or has malfunctioned; and
 - (d) within a period required by the Regulator, ensure the electronic work diary is examined and brought into working order and is not malfunctioning.

Maximum penalty—\$6000.

- (4) Subsection (5) applies if the driver of the vehicle changes during any period that is relevant to the duties imposed on the record keeper by subsection (2) or (3).

-
- (5) Each reference to the driver in subsection (2) or (3) is a reference to the driver of the vehicle when the record keeper acts under the subsection.
- (4) Section 313(6), (8) and (9), as renumbered, ‘subsection (2)’ (wherever appearing)—
omit, insert—
subsection (2) or (3)

renumber as section 321(3) to (8).
- (3) Section 321, after subsection (1)—
insert—
 - (2) The requirement imposed on the record keeper by subsection (1)(a)(ii) is taken to be satisfied if an electronic work diary used by the driver, the information in which is maintained by the record keeper, includes the information mentioned in the provision.
- (4) Section 321(4) to (6), as renumbered, ‘or (2)’ (wherever appearing)—
omit, insert—
 - or (3)

34 Amendment of s 322 (General requirements about driver giving information to record keeper)

Section 322(3)—

omit, insert—

- (3) The requirement imposed on the driver by subsection (2) is taken to be satisfied if an electronic work diary used by the driver, the information in which is maintained by the record keeper, includes the information mentioned in the provision.

35 Amendment of s 323 (Requirements about driver giving information to record keeper if driver changes record keeper)

- (1) Section 323(4) to (6)—
renumber as section 323(5) to (7).
- (2) After section 323(3)—

insert—

- (4) The requirement imposed on the driver or the record keeper by subsection (2) or (3) is taken to be satisfied if an electronic work diary used by the driver, the information in which is maintained by the record keeper, includes the information mentioned in the subsection.

36 Amendment of s 324 (Record keeper must give printouts of information from electronic work diary)

- (1) Section 324, heading, ‘printouts of’—

omit.

- (2) Section 324(2), ‘a printout of the information recorded in the work diary’—

omit, insert—

, in a way that makes the information readily available to the driver, the information recorded in the work diary

37 Insertion of new s 324A

Subdivision 3 of Division 3 of Part 6.4, after section 324—

insert—

324A Record keeper must give record to driver if requested

- (1) This section applies if—
 - (a) the driver of a fatigue-regulated heavy vehicle is required to record information in the driver’s work diary under Division 2; and
 - (b) the driver’s record keeper is a person other than the driver; and
 - (c) the driver requests a record held under this Division by the record keeper.

[s 38]

- (2) The driver's record keeper must, as soon as reasonably practicable—
- (a) give the driver a copy of the record, or make the record available to the driver; or
 - (b) if the information is recorded in an electronic work diary—give the driver, in a way that makes the information readily available to the driver, the information recorded in the work diary.

Maximum penalty—\$1500.

38 Amendment of s 326 (Keeping 2 work diaries simultaneously prohibited)

Section 326, heading—

omit, insert—

326 When possessing, or recording information in, more than 1 work diary relating to the same period is prohibited

39 Insertion of new s 336A

After section 336—

insert—

336A Reporting tampering or suspected tampering with electronic work diary

- (1) If the record keeper for the driver of a fatigue-regulated heavy vehicle knows, or has reasonable grounds to suspect, an electronic work diary has been tampered with, the record keeper must report the matter to the Regulator—
- (a) within 2 business days; and
 - (b) in the approved form.

Maximum penalty—\$6000.

-
- (2) If the record keeper has engaged another person under a contract for services to comply with subsection (1) for the record keeper—
 - (a) the record keeper remains liable for an offence against subsection (1); and
 - (b) the other person is also liable for an offence against subsection (1) as if the other person were the record keeper mentioned in the subsection.
 - (3) A person charged with an offence against subsection (1) does not have the benefit of the mistake of fact defence for the offence.
 - (4) However, in a proceeding for an offence against subsection (1), the person charged has the benefit of the reasonable steps defence for the offence.

Note—

See Divisions 1 and 2 of Part 10.4 for the reasonable steps defence.

40 Amendment of s 341 (Period for which, and way in which, records must be kept)

- (1) Section 341(6) to (8)—
renumber as section 341(8) to (10).
- (2) After section 341(5)—
insert—
 - (6) A reference in subsection (1) to keeping a record of information required to be made or kept under Division 3 includes a reference to maintaining a record of the information that is in an electronic work diary, if that record is taken to have satisfied the requirement under Division 3.
 - (7) If the driver's work diary is an electronic work diary, the driver's record keeper must maintain a

[s 41]

record of the information that is recorded in the work diary in a way complying with—

- (a) if the Regulator has, when approving the electronic recording system constituting the work diary, or of which the work diary is a part, imposed any conditions in relation to the way information must be recorded in the work diary—those conditions; and
- (b) the manufacturer’s instructions, if any, for recording information in the electronic work diary, to the extent the instructions are consistent with the conditions mentioned in paragraph (a).

Maximum penalty—\$1500.

Note—

The Regulator may impose conditions on the use of an electronic recording system under section 343.

- (3) Section 341(8), (9) and (10), as renumbered, ‘or (5)’ (wherever appearing)—

omit, insert—

, (5) or (7)

41 Amendment of s 343 (Deciding application for approval)

renumber as section 343(2)(h) and (i).

- (2) Section 343(2)(f)—

omit, insert—

- (f) is capable of enabling the driver of the fatigue-regulated heavy vehicle to which it or a part of it is fitted, or in which it or a part of it is used, to send information to the driver’s record keeper; and

- (g) has a mechanism that, at least once each day, readily indicates to the driver whether information has or has not been sent to the record keeper; and

42 Amendment of s 344 (Steps after decision to grant approval)

Section 344(1)—

omit, insert—

- (1) If the Regulator grants an approval under section 343, the Regulator must give the applicant a numbered certificate of approval.

43 Replacement of Pt 6.4, Div 7, Sdiv 2 (Provisions about electronic work diary labels)

Subdivision 2 of Division 7 of Part 6.4—

omit, insert—

Subdivision 2 Using unapproved electronic recording system

347 Prohibition on using electronic work diary if it is not, and is not a part of, an approved electronic recording system

A person must not use as an electronic work diary for the purposes of this Law an electronic recording system constituting an electronic work diary, or of which an electronic work diary is a part, if the person knows, or ought reasonably to know, the electronic recording system is not an approved electronic recording system.

Maximum penalty—\$10000.

[s 44]

Note—

See section 632 for the matters a court may consider when deciding whether a person ought reasonably to have known something.

44 Amendment of s 355 (Requirements if approval cancelled)

(1) Section 355(2) and (3)—

omit, insert—

(2) If the electronic recording system constitutes an electronic work diary, or if part of the electronic recording system is an electronic work diary, the holder of the approval must, within the period stated by the Regulator in the notification, remove any electronic message on the system's visual display stating the system is or includes an electronic work diary.

Maximum penalty—\$6000.

(3) The Regulator may, by notice, direct the holder of the approval to give each person to whom the holder has supplied an electronic recording system the subject of the approval that constitutes an electronic work diary, or of which an electronic work diary is a part, a notice stating that the approval has been cancelled.

(2) Section 355(6) and example—

omit, insert—

(6) If, under subsection (4), the holder of the approval gives a person a notice that the approval has been cancelled, the person must give a notice to each other person to whom the person has supplied an electronic recording system the subject of the approval that constitutes an electronic work diary, or of which an electronic work diary is a part, stating that the approval has been cancelled.

Example for the purposes of subsection (6)—

The holder of an approval is a service provider who has supplied to the operator of a fatigue-regulated heavy vehicle an approved electronic recording system constituting an electronic work diary or of which an electronic work diary is a part. If, under subsection (4), the service provider gives the operator a notice stating the approval has been cancelled, the operator must give the driver of the vehicle a notice stating the approval has been cancelled.

Maximum penalty—\$6000.

(3) Section 355(8)—

omit.

(4) Section 355(9)—

renumber as section 355(8).

45 Replacement of s 458 (Regulator’s power to grant heavy vehicle accreditation)

Section 458—

omit, insert—

458 Regulator’s power to grant heavy vehicle accreditation

The Regulator may grant heavy vehicle accreditation.

46 Amendment of s 463 (Period for which heavy vehicle accreditation applies)

Section 463, at the end—

insert—

- (3) The maximum period for which the Regulator may grant heavy vehicle accreditation is 3 years.

After section 529—

insert—

529A Permission by authorised officer to use vehicle the subject of a vehicle defect notice

(1) An authorised officer may, on request made by the operator of a heavy vehicle that is the subject of a vehicle defect notice, give written permission for the vehicle to be used on a road during a period stated in the permission.

(2) The authorised officer may only give the permission if the officer—

(a) is satisfied—

(i) that the vehicle will be used only for the purpose of driving the vehicle to and from a place where repairs are to be carried out; or

(ii) that the relevant repairs have been carried out and the vehicle will be taken within the stated period to be inspected for the purpose of enabling the vehicle defect notice to be cleared under section 530; and

(b) is satisfied that the request is necessary and reasonable; and

(c) is satisfied that the use of the vehicle will not pose a safety risk.

[s 55]

- (3) For the purposes of subsection (2)(c), an authorised officer may require evidence of adequate repairs or other measures.
- (4) The permission is subject to conditions that—
 - (a) the use of the vehicle will be as mentioned in subsection (2)(a) and (c); and
 - (b) in relation to the use of the vehicle mentioned in subsection (2)(a)(i)—the vehicle will not be used to carry goods or passengers.
- (5) The authorised officer may also impose other reasonable conditions on the permission.
- (6) The use of the vehicle under the permission is not a contravention of the vehicle defect notice.
- (7) The use of a vehicle in contravention of a condition under subsection (4) or (5) is a contravention of the vehicle defect notice.

529B Permitted use of vehicle the subject of a vehicle defect notice without permission of authorised officer

- (1) A heavy vehicle that is the subject of a vehicle defect notice may be used on a road if—
 - (a) the relevant repairs have been carried out; and
 - (b) the vehicle is being taken to a place to be inspected for the purpose of enabling the vehicle defect notice to be cleared under section 530; and
 - (c) the vehicle is not carrying goods or passengers; and
 - (d) the use of the vehicle does not pose a safety risk.

- (2) An authorised officer may require a driver of the heavy vehicle to produce evidence of the relevant repairs to the authorised officer within a reasonable time, and in a reasonable way, stated by the officer.
- (3) Subsection (1) stops applying to the vehicle if the driver fails to comply with the requirement.
- (4) The use of the heavy vehicle under subsection (1) is not a contravention of the vehicle defect notice.

56 Amendment of s 531 (Amendment or withdrawal of vehicle defect notices)

- (1) Section 531(3), from ‘the Regulator’—

omit, insert—

—

- (a) the Regulator; and
 - (b) one of the following—
 - (i) the person to whom the vehicle defect notice was given;
