3 Amendment of s 37 (When EIS process applies)

(1) Section 37(1)(e)—

renumber as section 37(1)(f).

(2) Section 37(1)—

insert—

(e) the chief executive has, under part 3—

(i) decided that an EIS would be required under this Act for an application for an environmental authority for the project; or

(ii) approved the voluntary preparation of an EIS for the project; or

[s 4]

4 Insertion of new ch 3, pt 3

Chapter 3—

insert—

Part 3 Decision about whether EIS may be required

73 Main purpose of part and its achievement

- (1) The main purpose of this part is to allow a person who is considering applying for an environmental authority for a project to find out whether an EIS would be required for the application under this Act.
- (2) The main purpose is achieved by providing for a process for the chief executive to decide whether an EIS would be required under this Act for an application for an environmental authority (an *EA application*) for a project.

73A Proposed applicant may apply for decision about EIS

- (1) A person may apply to the chief executive—
 - (a) for a decision about whether an EIS would be required under this Act for an EA application for a project; and
 - (b) for approval to prepare an EIS for a project if the chief executive decides an EIS would not be required under this Act for an EA application for the project.
- (2) The application may be made—
 - (a) for only a decision under subsection (1)(a);
or

- (b) for a decision under subsection (1)(a) and, if applicable, an approval under subsection (1)(b).

73B Requirements for application

The application must be—

- (a) in the approved form; and
- (b) supported by enough information to allow the chief executive to decide whether an EIS would be required for an EA application for the project; and
- (c) if the application includes an application for an approval under section 73A(1)(b)—
 - (i) supported by enough documents or information to establish that the applicant may enter land to which the project relates to carry out any necessary studies for the EIS; and
 - (ii) the documents that, under section 41(3), must accompany a submitted draft terms of reference for an EIS; and
- (d) accompanied by the fee prescribed by regulation.

73C Deciding application

- (1) The chief executive must consider the application and decide—
 - (a) whether an EIS would be required under this Act for an EA application for the project; and
 - (b) if the application includes an application for an approval under section 73A(1)(b) and the chief executive decides an EIS would not be required under this Act for an EA

[s 5]

application for the project—to grant or refuse the approval.

- (2) In making a decision under subsection (1)(a), the chief executive must consider the standard criteria.
- (3) The chief executive may grant an approval under subsection (1)(b) only if the chief executive considers an EIS is appropriate for the project.
- (4) The chief executive must, within 10 business days after the decision is made, give the applicant a written notice stating the decision, and the reasons for it.

5 **Amendment of s 82 (Offence to contravene agricultural ERA standard)**

Section 82(1)—

omit, insert—

- (1) This section applies if an agricultural ERA standard applies to an agricultural ERA.

6 **Amendment of s 112 (Other key definitions for ch 5)**

Section 112—

insert—

Great Barrier Reef catchment waters means water in—

- (a) a river in the Great Barrier Reef catchment;
or
- (b) a tributary of a river mentioned in paragraph (a).

- (1) Section 125(1)(f), ‘entities’—

omit, insert—

persons

- (2) Section 125(1)(n), ‘that complies with this division’—

omit.

- (3) Section 125—

insert—

- (5) Despite subsection (1), if the application is a variation or site-specific application for the prescribed ERA mentioned in the *Environmental Protection Regulation 2019*, schedule 2, section 13A—

- (a) it need only include the matters mentioned in subsection (1)(l)(i)(A) to (D), (ii) and (iii)

-
- to the extent the matters relate to fine sediment, or dissolved inorganic nitrogen, entering the water of the Great Barrier Reef or Great Barrier Reef catchment waters; and
- (b) subsection (1)(l)(i)(E) does not apply for the application.
- (6) Subsection (1)(l) does not apply for a variation application or site-specific application, and subsection (1)(n) does not apply for a site-specific application for a mining activity relating to a mining lease, if—
- (a) the chief executive has, under chapter 3, part 2 or 3, approved the voluntary preparation of an EIS for the project the subject of the application and the applicant has—
- (i) started the EIS process for the application; or
- (ii) stated in the application that the applicant will prepare an EIS under chapter 3, part 1; or
- (b) the chief executive has, under chapter 3, part 3, decided that an EIS is required for the application; or
- (c) the Coordinator-General has, under the State Development Act, section 26(1)(a), declared that the project the subject of the application is a coordinated project for which an EIS under that Act is required.

13 Amendment of s 130 (Nomination of principal applicant)

- (1) Section 130(2), ‘entity’—

omit, insert—

person

- (2) Section 130(2) and (3), ‘accompanying’—

15 Amendment of s 136A (Administering authority must obtain report about public interest evaluation for particular applications)

(1) Section 136A(1)(a), ‘ends’—

omit, insert—

has ended

(2) Section 136A(1)(b)—

omit, insert—

(b) there is a proposed PRC plan for the application that includes a proposed PRCP schedule identifying an area of land as a non-use management area under section 126D(2)(b); and

(3) Section 136A(2), ‘the application stage ends’—

omit, insert—

the later of the application stage ending or the proposed PRC plan being submitted

16 Amendment of s 139 (Information stage does not apply if EIS process complete)

(1) Section 139(2)—

renumber as section 139(3).

(2) Section 139—

insert—

(2) However—

- (a) this section applies for a variation application or site-specific application only if the matters mentioned in section 125(1)(l) have been provided to the administering authority (whether with the application, through the EIS or in another way); and
- (b) this section applies for a site-specific application for a mining activity relating to a mining lease only if there is a proposed PRC plan for the application.

17 Amendment of s 143 (EIS may be required)

Section 143—

insert—

- (5) If the chief executive has made a decision under section 73C that an EIS would not be required for an application for an environmental authority for a project, the administering authority must not require an applicant for an environmental authority for the project to provide an EIS for the application.
- (6) Subsection (5) does not apply if the environmental risks of the activities proposed to be carried out under the project, and the way the activities are to be carried out, are different from the environmental risks and activities considered by the chief executive when making the decision under section 73C.

18 Insertion of new s 143A

After section 143—

[s 19]

insert—

143A Proposed PRC plan required for particular applications

- (1) This section applies for a site-specific application for a mining activity relating to a mining lease if there is no proposed PRC plan for the application.
- (2) Without limiting section 140(1), the administering authority must include in an information request a requirement that the applicant submit a proposed PRC plan for the application.
- (3) The proposed PRC plan must comply with part 2, division 3.

19 Amendment of s 144 (When information request must be made)

Section 144(a)(ii)—

omit, insert—

- (ii) otherwise, but subject to subparagraphs (iii) and (iv)—20 business days after the day the application stage ends for the application;
- (iii) if a proposed PRC plan is submitted before the end of the period mentioned in subparagraph (ii)—30 business days after the day the application stage ends for the application;
- (iv) if a proposed PRC plan is submitted after the end of the period mentioned in subparagraph (ii) in response to an information request made in that period—10 business days after the proposed PRC plan is submitted; or

20 Amendment of s 146 (Applicant responds to any information request)

Section 146—

insert—

- (3) Also, despite subsection (1), if the information request requires the applicant to submit a proposed PRC plan for the application under section 143A, a proposed PRC plan complying with part 2, division 3 must be submitted.

21 Amendment of s 150 (Notification stage does not apply to particular applications)

(1) Section 150(1)(a) and (b)—

omit, insert—

- (a) for an EIS under this Act—
- (i) the EIS for each relevant activity the subject of the application has been notified under section 51; and
 - (ii) for a site-specific application for a mining activity relating to a mining lease—the notification of the EIS for the mining activity under section 51 included a notification of a proposed PRC plan for the application; and
- (b) for an EIS under the State Development Act—
- (i) the EIS for each relevant activity the subject of the application has been notified under section 33 of that Act; and
 - (ii) for a site-specific application for a mining activity relating to a mining lease—the notification of the EIS for the mining activity under section 33 of

[s 22]

that Act included a notification of a proposed PRC plan for the application; and

- (2) Section 150(1)(d), from ‘, since’ to ‘or (b)’—

omit, insert—

notified with an EIS mentioned in paragraph (a) or (b), since the EIS

22 Amendment of s 151 (When notification stage can start)

- (1) Section 151, ‘as soon as’—

omit, insert—

at any time after

- (2) Section 151—

insert—

- (2) However, if the application is a site-specific application for a mining activity relating to a mining lease, the applicant may start the notification stage only if there is a proposed PRC plan for the application.

31 Amendment of s 222 (Exclusions from amendment under pt 7)

Section 222(c), ‘an entity’—

omit, insert—

a person

32 Amendment of s 223 (Definitions for part)

Section 223—

insert—

properly made amendment application see section 227AAA.

33 Amendment of s 225 (Amendment application can not be made in particular circumstances)

Section 225—

insert—

- (2) Also, despite section 224, an amendment application for an environmental authority can not be made if—
- (a) the proposed amendment is to add an environmentally relevant activity; and
 - (b) if the amendment application were approved, the addition of the activity would result in the environmental authority applying to activities that were not being carried out as an ERA project.

34 Insertion of new s 226AA

After section 226—

insert—

226AA Requirement for amendment application by holder of environmental authority and PRCP schedule

- (1) This section applies if—
- (a) the holder of an environmental authority and a PRCP schedule for the environmental

[s 35]

- authority (each a *relevant environmental requirement*) makes an amendment application; and
- (b) the application is to amend only 1 of the relevant environmental requirements; and
 - (c) the approval of the amendment application would result in the relevant environmental requirement to which the application relates being inconsistent with the other relevant environmental requirement.
- (2) The holder must make an amendment application to amend both relevant environmental requirements in a way that, if the amendment application were approved, would not result in 1 of the relevant environmental requirements being inconsistent with the other relevant environmental requirement.

35 Amendment of s 226A (Requirements for amendment applications for environmental authorities)

(1) Section 226A(2)(a) and (b)—

omit, insert—

- (a) either—
 - (i) the process under chapter 3 for an EIS for the proposed amendment has been completed; or
 - (ii) the Coordinator-General has evaluated an EIS for the proposed amendment and there are Coordinator-General's conditions that relate to the proposed amendment; and
- (b) an assessment of the environmental risk of the proposed amendment would be the same as the assessment in the EIS mentioned in

paragraph (a)(i) or the evaluation mentioned in paragraph (a)(ii).

(2) Section 226A—

insert—

(4) Despite subsection (1)(f), (g) and (h), if the amendment application is for an environmental authority for the prescribed ERA mentioned in the *Environmental Protection Regulation 2019*, schedule 2, section 13A—

- (a) it need only include the matters mentioned in subsection (1)(f)(i) to (iv), (g) and (h) to the extent the matters relate to fine sediment, or dissolved inorganic nitrogen, entering the water of the Great Barrier Reef or Great Barrier Reef catchment waters; and
- (b) subsection (1)(f)(v) does not apply for the amendment application.

36 Insertion of new s 227AAA

After section 227AA—

insert—

227AAA When amendment application is a properly made amendment application

An amendment application under section 224 is a *properly made amendment application* if it complies with this division.

37 Insertion of new ch 5, pt 7, div 2AA

Chapter 5, part 7, before division 2A—

insert—

Division 2AA Notices about not properly made amendment applications

227AAB Notice about amendment application that is not a properly made amendment application

- (1) This section applies if an amendment application is not a properly made amendment application.
- (2) The administering authority must, within 10 business days after receiving the amendment application, give the applicant a notice stating the following—
 - (a) it is not a properly made amendment application;
 - (b) the reasons the administering authority is satisfied it is not a properly made amendment application;
 - (c) the action the administering authority is satisfied the applicant must take for the application to be a properly made amendment application;
 - (d) the period of at least 20 business days after the notice is given within which the applicant must give written notice to the administering authority that the action has been taken;
 - (e) that, if the applicant does not give the notice mentioned in paragraph (d) within the stated period, the amendment application will lapse under section 227AAC.

227AAC When amendment application lapses

- (1) This section applies if the applicant is given a notice under section 227AAB(2).

-
- (2) The amendment application lapses if the applicant does not, within the stated period or the further period agreed between the administering authority and the applicant—
- (a) take the action mentioned in section 227AAB(2)(c); and
 - (b) give the administering authority written notice that the action has been taken.

38 Amendment of s 228 (Assessment level decision for amendment application)

Section 228(1)—

omit, insert—

- (1) The administering authority must, after receiving an amendment application, decide whether the proposed amendment is a major or minor amendment—
- (a) if the administering authority gives the applicant a notice under section 227AAB(2)—within 10 business days after the applicant gives the administering authority the notice mentioned in section 227AAB(2)(d); or
 - (b) otherwise—within 10 business days after receiving the amendment application.

39 Amendment of s 230 (Administering authority may require public notification for particular amendment applications)

(1) Section 230—

insert—

- (2A) Also, the notice given under section 229 may state that part 4 applies to the amendment application if the application is for an environmental authority

[s 40]

for a new mining lease.

- (2) Section 230(2A) to (4)—
renumber as section 230(3) to (5).

40 Amendment of s 232 (Relevant application process applies)

- (1) Section 232(2)(a), ‘is a change to’—
omit, insert—

application is for

- (2) Section 232—

insert—

- (2A) Also, the following provisions do not apply for an amendment application for an environmental authority for a mining activity relating to a mining lease—

- (a) sections 139(2)(b) and 143A;
(b) sections 150(1)(a)(ii) and (b)(ii) and 151(2).

41 Amendment of s 236 (Changing amendment application)

Section 236—

insert—

- (2) An applicant can not change an amendment application if the change would, if the application were remade including the change, result in the application not being a properly made amendment application.
- (3) Subsection (2) does not apply to the applicant if the applicant takes the action that would be necessary to make the application a properly made amendment application if it were remade.

42 Amendment of s 239 (Application of div 5)

Section 239, from ‘if’—

omit, insert—

if—

- (a) the assessment level decision for an amendment application is that the proposed amendment is a minor amendment; or
- (b) an amendment application is for a condition conversion for an environmental authority.

43 Amendment of s 240 (Deciding amendment application)

Section 240(1)(b)—

omit, insert—

(b) otherwise—

- (i) within 10 business days after notice of the assessment level decision is given to the applicant; or
- (ii) if the applicant agrees to extend the period mentioned in subparagraph (i) by no more than 20 business days—within the extended period.

44 Amendment of s 245 (Who may apply)

Section 245(2), ‘entities’—

omit, insert—

persons

45 Amendment of s 246 (Requirements for amalgamation application)

(1) Section 246—

insert—

[s 46]

- (da) if the application is for an amalgamated corporate authority—be accompanied by an application under section 316L to change the anniversary day for each of the existing environmental authorities to a new day that is the same for all of the authorities; and
 - (db) if the application is for an amalgamated local government authority or amalgamated project authority and the highest annual fee is the same for 2 or more of the existing environmental authorities—nominate the anniversary day for 1 of the authorities with the highest annual fee as the anniversary day for the amalgamated environmental authority; and
- (2) Section 246(da) to (e)—
renumber as section 246(e) to (g).

46 Insertion of new s 247A

Before section 248—

insert—

247A Anniversary day for amalgamated local government authority or amalgamated project authority

- (1) This section applies if the administering authority decides to approve an amalgamation application for an amalgamated local government authority or amalgamated project authority.
- (2) The anniversary day for the amalgamated environmental authority is—
 - (a) if the highest annual fee is the same for 2 or more of the existing environmental authorities immediately before the approval of the amalgamation application—the

anniversary day nominated by the applicant under section 246(f); or

- (b) otherwise—the anniversary day for the existing environmental authority that had the highest annual fee immediately before the approval of the amalgamation application.

47 Amendment of s 248 (Steps after deciding amalgamation application)

- (1) Section 248—

insert—

- (ba) if the administering authority issues an amalgamated local government authority or amalgamated project authority—give the applicant written notice of the anniversary day for the amalgamated environmental authority; and

- (2) Section 248(ba) to (d)—

renumber as section 248(c) to (e).

48 Amendment of s 250B (Requirements for de-amalgamation application)

- (1) Section 250B—

insert—

- (ca) if an ERC decision is, or has been, in effect for the environmental authority—be accompanied by an application under section 298 for an ERC decision for each of the proposed de-amalgamated environmental authorities; and

- (2) Section 250B(ca) and (d)—

renumber as section 250B(d) and (e).

[s 49]

49 Amendment of s 250C (De-amalgamation)

Section 250C—

insert—

- (3) Despite subsection (1), if an ERC decision is, or has been, in effect for the environmental authority, the administering authority may only do the things mentioned in subsection (1)(a) to (e) after the administering authority makes an ERC decision for each of the proposed de-amalgamated environmental authorities.

50 Amendment of s 250D (When de-amalgamation takes effect)

Section 250D(a)—

omit, insert—

- (a) if it relates to a transfer tenure—when both of the following things have happened—
- (i) the transfer tenure is transferred;
 - (ii) the proposed holder of each de-amalgamated environmental authority has paid a contribution to the scheme fund or given a surety for the authority under the *Mineral and Energy Resources (Financial Provisioning) Act 2018*; or

51 Amendment of s 252 (Who may apply for transfer)

- (1) Section 252, ‘an entity’—

omit, insert—

a person

- (2) Section 252, examples, ‘entity’—

omit, insert—

53 Amendment of s 262 (Requirements for surrender application)

(1) Section 262(1)(d)(ii)—

omit, insert—

(ii) if the environmental authority is for a resource activity, whether or not a PRCP schedule applies for the activity—a post-surrender management report for land the subject of the application that complies with section 264A; and

(2) Section 262(2)(b)—

insert—

(iii) if a post-surrender management report is required for the application—the extent to which the report is accurate; and

(3) Section 262(2)(c)(iii)—

omit.

54 Amendment of s 264 (Requirements for final rehabilitation report)

(1) Section 264(1)(c), before ‘describe’—

[s 55]

insert—

for an environmental authority other than for a resource activity,

(2) Section 264(1)(d)—

omit, insert—

(d) for an environmental authority for a resource activity, state details of—

(i) the monitoring program and the results of monitoring rehabilitation indicators required under any condition of the environmental authority; and

(ii) any consultation with affected owners and occupiers, members of the public, community groups, government agencies, and other bodies about any completion criteria for rehabilitation stated in the environmental authority; and

(3) Section 264(2)—

omit.

55 Replacement of s 264A (Requirements for post-mining management report)

Section 264A—

omit, insert—

264A Requirements for post-surrender management report

(1) A post-surrender management report for land the subject of a surrender application must—

(a) be in the approved form; and

(b) include a map of the land showing the location of—

- (i) where the resource activities were carried out on the land; and
 - (ii) the site features of the land; and
 - (c) state—
 - (i) whether the particulars of any part of the land are included in the environmental management register or contaminated land register; and
 - (ii) whether a site management plan under chapter 7, part 8 exists for any part of the land; and
 - (d) state any assumptions made in relation to the rehabilitation or future use of the land; and
 - (e) include a risk assessment of the land that complies with the residual risk assessment guideline; and
 - (f) include a risk management plan for the land that complies with subsection (2) if—
 - (i) the risk assessment of the land identifies residual risks for the land for which remedial action or ongoing management activities may need to be carried out in relation to the land; and
 - (ii) the residual risk assessment guideline requires the estimated costs and expenses that may be incurred in carrying out the remedial action or ongoing management activities to be worked out in a stated way; and
 - (g) include any other matters prescribed by regulation.
- (2) A risk management plan for land the subject of a surrender application must be in the approved form and include—

[s 55]

- (a) spatial information about the site features of the land, including the location, size and type of the features; and
- (b) details of the consultation with affected owners and occupiers about—
 - (i) any assumptions made in relation to the rehabilitation or future use of the land; and
 - (ii) the remedial action or ongoing management activities that may need to be carried out in relation to the land; and
- (c) a statement of any assumptions made in relation to the remedial action or ongoing management activities that may need to be carried out in relation to the land; and
- (d) an activity schedule outlining details of any remedial action or ongoing management activities that may need to be carried out in relation to the land; and
- (e) if a site management plan under chapter 7, part 8 for any part of the land provides for carrying out activities that are the same, or substantially the same, as remedial action or ongoing management activities mentioned in the activity schedule—details of how those activities are to be carried out and managed in perpetuity; and
- (f) the estimated amount of the costs and expenses that may be incurred in carrying out remedial action or ongoing management activities mentioned in the activity schedule, worked out as stated in the residual risk assessment guideline.

56 Amendment of s 267 (Advice from MRA chief executive about surrender application)

- (1) Section 267, heading, ‘MRA’—

omit, insert—

relevant resource legislation

- (2) Section 267(1), ‘MRA department’—

omit, insert—

department in which the Mineral Resources Act is administered

- (3) Section 267(2) and (3)—

renumber as section 267(3) and (4).

- (4) Section 267—

insert—

- (2) Also, the administering authority may, before it decides a surrender application for an environmental authority for a resource activity, seek advice from the chief executive administering the relevant resource legislation about the post-surrender management report for land the subject of the application.

57 Amendment of s 268 (Criteria for decision generally)

- (1) Section 268(b)(iii)—

omit, insert—

(iii) a final rehabilitation report and post-surrender management report accompanying the application;

- (2) Section 268(b)(v)—

omit, insert—

[s 58]

(v) any advice given under section 267 by the chief executive administering the resource legislation;

(3) Section 268(c)(i), ‘rehabilitated’—
omit.

58 Amendment of s 271 (Payment may be required for residual risks of rehabilitation)

(1) Section 271, heading, ‘of rehabilitation’—
omit.

(2) Section 271(2)—
omit, insert—

(2) The administering authority may, by written notice, require the applicant to pay the administering authority, or another entity that performs functions under this Act, a stated amount within a stated reasonable period for the residual risks of land the subject of the surrender application.

Example of another entity—

the scheme manager under the *Mineral and Energy Resources (Financial Provisioning) Act 2018*

(3) Section 271(4), from ‘the payment’—
omit, insert—

the payment, confirm that the area of the relevant tenure still meets the criteria under section 318ZI against which it was certified.

59 Amendment of s 273 (Amount and form of payment)

(1) Section 273(2)—
omit, insert—

(2) The administering authority must have regard to

the residual risk assessment guideline in deciding the amount of the payment.

- (2) Section 273(3), ‘rehabilitation’—

omit, insert—

management

- (3) Section 273(4), definition *likely rehabilitation costs*—

omit, insert—

likely management costs, in relation to land the subject of a surrender application, means all likely costs and expenses that may be incurred in carrying out remedial action or ongoing management activities in relation to the land because of residual risks of the land.

60 **Amendment of s 275 (Steps after deciding surrender application)**

- (1) Section 275(a)(i)—

omit, insert—

- (i) record, in the relevant register, the surrender and, if there is a post-surrender management report for land the subject of the application, the existence of the report; and

- (2) Section 275(a)(iii), ‘; or’—

omit, insert—

; and

- (iv) if there is a post-surrender management report for land the subject of the application—give written notice of the existence of the report to each owner or occupier of the land; or

[s 61]

61 Insertion of new s 275B

After section 275A—

insert—

275B Recording of residual risks

- (1) This section applies if the administering authority approves a surrender application for which there is a post-surrender management report that includes a risk management plan for land the subject of the surrender application.
- (2) As soon as practicable after approving the surrender application, the administering authority must give the registrar of titles written notice of the following—
 - (a) each lot (each an *affected lot*), comprising or included in the land, in relation to which remedial action or ongoing management activities may need to be carried out;
 - (b) the existence of the relevant post-surrender management report for each affected lot.
- (3) The notice must include particulars of each affected lot.
- (4) The registrar must keep records that—
 - (a) show each affected lot is subject to residual risks; and
 - (b) state the places where the relevant post-surrender management report for each affected lot may be inspected.
- (5) The registrar must keep the records in a way that a search of the register kept by the registrar under any Act relating to title to an affected lot will show—
 - (a) the affected lot is subject to residual risks; and

-
- (b) the existence of the relevant post-surrender management report for the affected lot.
 - (6) If the administering authority forms the belief that an affected lot is not or is no longer subject to residual risks—
 - (a) the administering authority must, as soon as practicable after forming the belief, give the registrar written notice of the belief; and
 - (b) the registrar must, as soon as practicable after receiving the notice under paragraph (a), remove the details mentioned in subsection (5)(a) and (b) for the affected lot from the registrar's records.
 - (7) In this section—

lot means—

 - (a) a lot under the *Land Title Act 1994*; or
 - (b) a separate, distinct parcel of land for which an interest is recorded in a register under the *Land Act 1994*.

relevant post-surrender management report, for an affected lot, means the post-surrender management report for the land, the subject of a surrender application, comprising or including the affected lot.

62 Insertion of new s 284AA

After section 284—

insert—

284AA Cancellation after suspension if annual fee not paid

- (1) This section applies if—
 - (a) the proposed action decision is to take action and the decision has taken effect; and

[s 63]

- (b) the action is suspension of an environmental authority for a suspension period ending when the annual fee for the environmental authority is paid; and
 - (c) the annual fee for the environmental authority is not paid within 20 business days after the proposed action decision takes effect.
- (2) The administering authority may cancel the environmental authority if the procedure under division 2 is followed.
 - (3) The suspension period for the environmental authority continues until the earlier of the following—
 - (a) the end of the suspension period for the environmental authority;
 - (b) the cancellation of the environmental authority.

63 Amendment of s 291 (Plan of operations required before acting under petroleum lease)

- (1) Section 291, heading, ‘before acting’—

omit, insert—

to act

- (2) Section 291, from ‘unless’ to ‘section 292.’—

omit, insert—

unless either—

- (a) all of the following apply—
 - (i) the holder has given the administering authority a plan of operations for the petroleum activities;
 - (ii) at least 20 business days, or a shorter period agreed in writing by the

-
- administering authority and the holder, have passed since the plan was submitted;
- (iii) the plan complies with section 292;
 - (iv) the petroleum activity is carried out in the plan period; or
- (b) all of the following apply—
- (i) the holder has given the administering authority a replacement plan for the petroleum activities under section 293 at least 20 business days, or a shorter period agreed in writing by the administering authority and the holder, before the original plan ends;
 - (ii) the replacement plan complies with section 293;
 - (iii) the petroleum activity is carried out in the period for the replacement plan mentioned in section 293(7).

64 Amendment of s 293 (Amending or replacing plan)

- (1) Section 293(2)(b)(i), ‘the replacement plan’—

omit, insert—

a replacement plan, in the approved form, that complies with section 292(1)(b) to (d)

- (2) Section 293(2)—

insert—

Note—

See section 291(b) for conditions about when the holder of an environmental authority for a petroleum activity may carry out, or allow the carrying out of, the activity under the petroleum lease.

[s 65]

65 Amendment of s 300 (Making ERC decision)

(1) Section 300—

insert—

(3A) However, if the decision is for an application that accompanied a de-amalgamation application, the decision must be made—

- (a) within the longer of the periods mentioned in subsection (3) that applies to a decision for any of the proposed de-amalgamated environmental authorities to which the application relates; and
- (b) at the same time as the decision under this section for each of the proposed de-amalgamated environmental authorities to which the application relates.

(2) Section 300(5)(a)—

omit, insert—

(a) takes effect on—

- (i) if the decision is for an application that accompanied a de-amalgamation application—the day the de-amalgamation takes effect under section 250D; or
- (ii) otherwise—the day the decision is made; and

(3) Section 300(3A) to (5)—

renumber as section 300(4) to (6).

66 Amendment of s 303 (Administering authority may direct holder to re-apply for ERC decision)

(1) Section 303(1)(c)—

omit, insert—

(c) becomes aware an ERC decision was made on the basis of materially incorrect or misleading information.

318ZF Requirements for progressive certification report

The progressive certification report must—

- (a) contain the following information—
 - (i) if a PRCP schedule applies for the relevant activities carried out in the proposed certified area—
 - (A) information showing how the rehabilitation milestones and management milestones under the PRCP schedule have been achieved; and
 - (B) information about the extent to which the relevant conditions stated in the PRCP schedule have been complied with;
 - (ii) otherwise—information required under section 264, as if a reference in the section to land were a reference to the proposed certified area; and
- (b) include—
 - (i) a map of an appropriate scale that shows the proposed certified area; and
 - (ii) relevant information to locate the proposed certified area, including, for example, GPS information or a survey; and
- (c) if progressive certification has previously been given for a relevant tenure for the environmental authority—
 - (i) state when the certification was given; and
 - (ii) identify the certified area the subject of the certification.

76 Amendment of s 318ZI (Criteria for decision)

(1) Section 318ZI(1)(b)(ii)—

Chapter 8A Rehabilitation commissioner

Part 1 Appointment

444A Appointment

(1) The Governor in Council may, on the

[s 81]

recommendation of the Minister, appoint a rehabilitation commissioner.

- (2) The Minister may recommend a person for appointment only if the Minister is satisfied the person is appropriately qualified to perform the functions of the rehabilitation commissioner.
- (3) The rehabilitation commissioner is appointed under this Act and not the *Public Service Act 2008*.
- (4) The rehabilitation commissioner may be appointed on a full-time or part-time basis.

444B Term of appointment

- (1) The rehabilitation commissioner holds office for the term decided by the Governor in Council.
- (2) However, the term can not be—
 - (a) less than 1 year; or
 - (b) more than 5 years.
- (3) The rehabilitation commissioner may be reappointed.

444C Remuneration and conditions

- (1) The rehabilitation commissioner is to be paid the remuneration and other allowances decided by the Governor in Council.
- (2) The remuneration must not be reduced during the rehabilitation commissioner's term of office without the rehabilitation commissioner's written consent.
- (3) The rehabilitation commissioner holds office on the terms and conditions, not provided for by this Act, that are decided by the Governor in Council.

444D Leave of absence

The Minister may approve a leave of absence for the rehabilitation commissioner.

444E Vacancy in office

- (1) The office of the rehabilitation commissioner becomes vacant if the rehabilitation commissioner—
 - (a) completes a term of office and is not reappointed; or
 - (b) resigns office by signed notice given to the Minister; or
 - (c) is convicted of an indictable offence; or
 - (d) is removed from office by the Governor in Council under section 444F(1).
- (2) Also, if the rehabilitation commissioner is suspended by the Minister under section 444F(3), the office is vacant during the period of suspension.

444F Removal from office

- (1) The Governor in Council may, at any time, remove the rehabilitation commissioner from office on the recommendation of the Minister.
- (2) The Minister may recommend the rehabilitation commissioner's removal from office only if the Minister is satisfied the rehabilitation commissioner—
 - (a) has been guilty of misconduct, including contravention of the *Integrity Act 2009*, section 72D; or
 - (b) is incapable of performing his or her duties; or

[s 81]

- (c) has neglected his or her duties or performed them incompetently.
- (3) The Minister may suspend the rehabilitation commissioner for up to 60 days by signed notice to the rehabilitation commissioner if—
 - (a) there is an allegation of misconduct against the rehabilitation commissioner; or
 - (b) the Minister is satisfied a matter has arisen in relation to the rehabilitation commissioner that may be grounds for removal from office under this section.

444G Acting rehabilitation commissioner

- (1) The Minister may appoint an appropriately qualified person to act as rehabilitation commissioner—
 - (a) during a vacancy in the office; or
 - (b) during any period, or during all periods, when the rehabilitation commissioner is absent from duty or from the State or can not, for another reason, perform his or her duties.
- (2) The acting rehabilitation commissioner is appointed under this Act and not the *Public Service Act 2008*.

444H Preservation of rights

- (1) This section applies if a public service officer is appointed as the rehabilitation commissioner.
- (2) The person is entitled to retain all accrued or accruing rights as if service as the rehabilitation commissioner were a continuation of service as a public service officer.
- (3) At the end of the person's term of office or

resignation as the rehabilitation commissioner, the person's service as the rehabilitation commissioner is taken to be service of a like nature in the public service for deciding the person's rights as a public service officer.

Part 2 Functions and powers

97 Insertion of new ss 765A and 765B

After section 765—

insert—

765A Application of part if holder of environmental authority changes

- (1) This section applies if, on or after the commencement of a provision of this part (the *relevant provision*)—
 - (a) a mining EA holder for an environmental authority stops being the holder of the environmental authority; and
 - (b) another person (the *transferee*) becomes the holder of the environmental authority.
- (2) From the day the transferee becomes the holder of the environmental authority (the *transfer day*), a reference in the relevant provision to the mining EA holder is taken to include a reference to the transferee.
- (3) If, before the transfer day, the administering authority gave a notice under section 754(1) to the mining EA holder, from the transfer day—
 - (a) the notice is taken to have been given to the transferee; and
 - (b) anything done by the mining EA holder to comply with the notice is taken to have been done by the transferee.

765B Application of s 431A for particular mining EA holders

- (1) This section applies—
 - (a) to a mining EA holder for a mining lease who was required to have a plan of operations under the pre-amended Act if, before 1 April 2019—

[s 97]

- (i) the holder gave a plan of operations for the mining lease to the administering authority; and
 - (ii) the plan period for the holder's plan of operations ended; and
 - (iii) a new plan of operations was not given to the administering authority; or
- (b) to a mining EA holder for a mining lease who was required to have a plan of operations under the pre-amended Act but, at the beginning of 1 April 2019, had not complied with the requirement; or
 - (c) to a mining EA applicant who became or becomes a mining EA holder on or after 1 April 2019.
- (2) However, this section applies only if section 431A has not started to apply to the holder before the commencement.
 - (3) Section 431A does not apply to the holder until the earlier of the following days—
 - (a) the day the holder fails to give the administering authority a proposed PRC plan in compliance with a notice given to the holder under section 754;
 - (b) the day a PRCP schedule is approved for the holder.
 - (4) However, subsection (5) applies if the holder fails to comply with a notice given to the holder under section 754 because—
 - (a) the holder purported to give the administering authority a proposed PRC plan in compliance with the notice; and
 - (b) the administering authority has given the holder written notice for a decision to refuse

to approve the proposed PRCP schedule for the proposed PRC plan.

- (5) Section 431A does not apply to the holder until—
- (a) if the holder reapplies for approval of another proposed PRCP schedule within 40 business days after the written notice mentioned in subsection (4)(b) was given, the day the administering authority—
 - (i) issues a PRCP schedule under section 195; or
 - (ii) gives the holder written notice refusing to approve the other PRCP schedule; or
 - (b) otherwise—40 business days after the written notice mentioned in subsection (4)(b) was given.

After part 3—

insert—

Part 3A Administration of residual risks fund

76A Application of part

This part applies if a chief executive (resources) (the *requesting entity*) incurs, or might

reasonably incur, costs and expenses to carry out residual risk activities for the State.

76B Requesting entity may ask for payment from residual risks fund

- (1) The requesting entity may ask the scheme manager for payment of the costs and expenses from the residual risks fund.
- (2) The request must—
 - (a) be in writing; and
 - (b) state the details of the costs and expenses; and
 - (c) include the other information prescribed by regulation.

76C Decision of scheme manager

- (1) The scheme manager must decide to authorise or not to authorise payment of the costs and expenses from the residual risks fund.
- (2) The scheme manager must decide to authorise payment of an amount for the costs and expenses unless the payment would adversely affect the financial viability of the residual risks fund.
- (3) To ensure the authorisation of a payment does not adversely affect the financial viability of the residual risks fund, the scheme manager may decide to—
 - (a) authorise payment of an amount for only a part of the costs and expense; or
 - (b) authorise payment of an amount for all or a part of the costs and expenses in instalments.
- (4) If the scheme manager decides to authorise

[s 114]

payment of an amount for all or part of the costs and expenses, the scheme manager must give the amount decided to the requesting entity.

- (5) In making a decision under this section, the scheme manager must have regard to any guidelines made under section 76D.

76D Guidelines

- (1) The scheme manager may make guidelines about the administration of the residual risks fund.
- (2) The guidelines may be amended or replaced by later guidelines made under this section.
- (3) The guidelines are a statutory instrument under the *Statutory Instruments Act 1992*.

76E Investigation of actuarial sustainability of residual risks fund

- (1) The scheme manager must, within the prescribed period, investigate the actuarial sustainability of the residual risks fund.
- (2) For subsection (1), the scheme manager may ask an appropriately qualified actuary to give the scheme manager a report about the actuarial sustainability of the residual risks fund.
- (3) If the scheme manager decides to ask an appropriately qualified actuary to give the scheme manager a report under subsection (2)—
 - (a) the scheme manager may ask the chief executive (environment) or a chief executive (resources) to provide information that may be relevant to the actuary's report; and
 - (b) the chief executive (environment) or the chief executive (resources) must provide the information requested.

- (4) The actuary's report must include the actuary's opinion about—
- (a) whether the amount of the residual risks fund is adequate to meet the State's costs and expenses to carry out residual risk activities; and
 - (b) whether any changes need to be made in relation to deciding residual risk payment amounts to ensure the amount of the residual risks fund is adequate to meet the State's costs and expenses to carry out residual risk activities.
- (5) After the scheme manager completes the investigation, the scheme manager must give the Minister—
- (a) the actuary's report; and
 - (b) the scheme manager's recommendations about—
 - (i) the actuary's opinion under subsection (4)(b); and
 - (ii) any other matter relating to the administration of the residual risks fund.
- (6) This section does not limit the scheme manager's ability to make other inquiries about the administration of the residual risks fund.
- (7) In this section—
- prescribed period*** means—
- (a) for the first investigation—5 years after the first residual risk payment amount is paid into the residual risks fund; or
 - (b) for each investigation after the first investigation—3 years after the date of the

[s 115]

report for the immediately preceding investigation.

Division 5 Validation provisions for Environmental Protection and Other Legislation Amendment Act 2020

52 Validation provision relating to purposes for which land may be taken

Schedule 1, part 2, as amended by the *Environmental Protection and Other Legislation Amendment Act 2020*, applies, and is taken to have applied, from the commencement of the *Building and Other Legislation Amendment Act 2009*, part 12.

Note—

The *Building and Other Legislation Amendment Act 2009*, part 12 commenced on 19 November 2009.

53 Validation of taking of particular land

- (1) This section applies if, before the commencement, land was taken under this Act for a purpose that included the conservation of koalas on land in a ‘Regional Landscape and Rural Protection Area’.
- (2) The taking of the land is, and is taken to have always been, as valid as it would have been if the land had been taken under this Act for a purpose that included the conservation of koalas on land in a ‘Regional Landscape and Rural Production Area’.
- (3) Anything done, or omitted to be done, in relation to the taking of the land is, and is taken to have always been, as valid as it would have been if the land had been taken under this Act for a purpose that included the conservation of koalas on land in a ‘Regional Landscape and Rural Production Area’.

54 Validation of particular notices of intention to resume and resumption agreements

- (1) This section applies if, before the commencement—
 - (a) a constructing authority—
 - (i) served on a person a notice of intention to resume for land that stated a purpose for which the land was to be taken included the conservation of koalas on land in a ‘Regional Landscape and Rural Protection Area’; or

[s 117C]

- (ii) entered into a resumption agreement for land that stated a purpose for which the land was to be taken included the conservation of koalas on land in a ‘Regional Landscape and Rural Protection Area’; and
 - (b) a gazette resumption notice for the land was not published.
- (2) After the commencement, the constructing authority may continue to take the land as if the notice of intention to resume or resumption agreement stated, and had always stated, a purpose for which the land was to be taken included the conservation of koalas on land in a ‘Regional Landscape and Rural Production Area’.
- (3) Anything done, or omitted to be done, in relation to the notice of intention to resume or resumption agreement is, and is taken to have always been, as valid as it would have been if the notice of intention to resume or resumption agreement had stated a purpose for which the land was to be taken included the conservation of koalas on land in a ‘Regional Landscape and Rural Production Area’.
