Schedule	Dictionary	29

Part 1 Preliminary

1 Short title

These rules may be cited as the *Planning and Environment Court Rules 2010*.

2 Definitions

The dictionary in the schedule defines terms used in these rules.

3 Application of rules

- (1) These rules apply to proceedings in the court.
- (2) If these rules do not provide for a matter in relation to a proceeding, or proceedings, in the court and the rules applying in the District Court would provide for the matter in relation to a proceeding, or proceedings, in the District Court, the rules applying in the District Court apply for the matter in the court with necessary changes.

Notes—

- 1 Under section 445(4) of the Act, the rules may be uniform rules that apply to other courts.
- 2 See section 446(4) of the Act for when an order or direction of the court or the Chief Judge prevails over these rules.

4 Philosophy—overriding obligations of parties and court

- (1) The purpose of these rules is to facilitate the just and expeditious resolution of the real issues in proceedings at a minimum of expense.
- (2) Accordingly, these rules are to be applied by the court with the objective of avoiding undue delay, expense and technicality and facilitating the purpose of these rules.

-
- (3) In a proceeding in the court, a party impliedly undertakes to the court and to the other parties to proceed in an expeditious way.

5 Compliance with rules or an order of the court

The court may—

- (a) waive compliance with a provision of these rules if the court considers compliance would be likely to cause injustice, unreasonable expense or inconvenience or otherwise considers waiving compliance appropriate; or
- (b) excuse noncompliance with a provision of these rules; or
- (c) impose appropriate sanctions if a party does not comply with these rules or an order of the court.

Examples for paragraph (c)—

- 1 The court may impose a sanction as to costs if, in breach of an implied undertaking under rule 4(3), a party does not proceed in an expeditious way.
- 2 The court may dismiss a proceeding if a party fails to proceed as required by these rules or an order of the court.

Part 2 Conduct of proceedings

Division 1 Starting proceedings

6 Starting proceeding other than appeal

A proceeding, other than an appeal, is started by filing an originating application.

Example of a proceeding started by an originating application—
