### **‘115B Water heaters—registration and labelling**

‘(1) A person must not display for sale or sell a gas device that is a water heater (the *sale device*) unless a gas device of the same type as the sale device (an *alike device*)—

- (a) is registered; or
- (b) was registered when the sale device was manufactured in or imported into Queensland.

Maximum penalty—20 penalty units.

‘(2) A person must not display for sale or sell a sale device with an energy efficiency label attached to, or accompanying, the device unless the label—

- (a) complies with requirements about labelling the device stated in AS 4552 ‘Gas fired water heaters for hot water supply and/or central heating’; and
- (b) contains no figures, symbols or other words likely to mislead the public about the device’s comparative energy efficiency rating or performance characteristics.

Maximum penalty—20 penalty units.

‘(3) For subsection (1), an alike device is *registered* if—

- (a) the device is registered under a law of another State or the Commonwealth; and

- (b) a requirement of registration under the law is compliance with AS/NZS 4552.2, ‘Gas fired water heaters for hot water supply and/or central heating, part 2, minimum energy performance standards for gas water heaters’.

‘(4) This section does not apply to the display or sale of—

- (a) a second-hand sale device; or
  - (b) a sale device manufactured in or imported into Queensland before the commencement of this section.’.
