Part 4

Transitional provisions for Transport Legislation Amendment Regulation (No. 3) 2021

237 Definitions for part

In this part—

former standard means the National Standard for the Australian Builders Plate for Recreational Boats endorsed by the former Australian Transport Council and published on 23 May 2011 by the entity formerly known as the National Marine Safety Committee.

transitional period means the period starting on the commencement and ending at the end of 28 February 2022.

238 Application of s 30 during transitional period

During the transitional period, section 30(1)(a)(i) applies in relation to a safety management system for a ship as if a reference in the section to complying with the requirements mentioned in *Marine Order 504 (Certificates of operation and operation requirements — national law) 2018* (Cwlth) were a reference to either of the following—

- (a) complying with the requirements mentioned in *Marine Order 504 (Certificates of operation and operation requirements — national law) 2018* (Cwlth);
- (b) dealing with the matters mentioned in the NSCV, part E.

239 Application of s 32 during transitional period

For section 32(2), during the transitional period a builders plate fixed to a ship in accordance with the former standard is taken to be fixed to the ship in accordance with the ABP Standard.

240 Provision for particular offences during transitional period

- (1) This section applies if—
 - (a) during the transitional period, a person does an act, or omits to do an act, that would, but for this section, constitute an offence against a provision of this regulation; and
 - (b) the act or omission would, but for this section, constitute an offence against the provision only because, for applying the provision, the ABP Standard as modified by section 42 applies rather than the former standard as modified by section 42 as in

[s 13]

force immediately before the commencement.

- (2) The act or omission does not constitute an offence against the provision.

13 Amendment of sch 1 (Coastal bars)

Schedule 1, after entry for Round Hill Creek Bar—
insert—

Cawarral Creek Bar	the bar located near the town of Keppel Sands in the vicinity of where the Cawarral Creek and the Coral Sea meet
--------------------	--

14 Amendment of sch 9 (Dictionary)

Schedule 9, definition *ABP Standard*—
omit, insert—

ABP Standard means the standard entitled National Standard for the Australian Builders Plate for Recreational Boats endorsed by the entity formerly known as the Transport Infrastructure Council and published on 5 June 2020 by the Australian Recreational Boating Safety Committee on the Australia New Zealand Safe Boating Education Group's website, as amended from time to time.

Part 4 **Amendment of Transport Operations (Road Use Management—Vehicle Registration) Regulation 2021**

15 **Regulation amended**

This part amends the *Transport Operations (Road Use Management—Vehicle Registration) Regulation 2021*.

16 **Amendment of s 20 (Requirements for registration application)**

Section 20(2)(e)—

omit, insert—

- (e) if paragraph (d) does not apply to the vehicle—prescribed evidence that an inspection certificate is in effect for the vehicle, unless—
 - (i) the vehicle is a motorised wheelchair; or
 - (ii) both of the following apply—
 - (A) the vehicle has never previously been registered in Queensland, another State or a foreign country;
 - (B) when the registration application is made, the vehicle’s odometer displays a distance of 500km or less; or
 - (iii) the vehicle is a vehicle mentioned in the *Transport Operations (Road Use Management—Vehicle Standards and Safety) Regulation 2021*, section 69; or

- (iv) the application is for registration of the vehicle in the name of a dealer for the purpose of selling the vehicle; or
- (v) the proposed garage address for the vehicle is in an exempt area for the vehicle under the *Transport Operations (Road Use Management—Vehicle Standards and Safety) Regulation 2021*; or
- (vi) the vehicle is a light vehicle that will be maintained under an alternative compliance scheme approved by the chief executive;

17 Amendment of sch 8 (Dictionary)

Schedule 8—

insert—

light vehicle see the *Transport Operations (Road Use Management—Vehicle Standards and Safety) Regulation 2021*, section 5.
