

Transport Legislation (Road Safety and Other Matters) Amendment Bill 2022

Erratum to Explanatory Notes

Transport Legislation (Road Safety and Other Matters) Amendment Bill 2022

Reason for Erratum

The *Notes on provisions* contains a referencing error in *Part 5 - Amendment of the Transport Operations (Road Use Management) Act 1995* (the Act). The description for clause 14 refers to clause 7(1) as the clause of the Bill that amends paragraph (a) of the definition of *driver* in section 93 of the Act. The correct reference should be clause 14(1).

Notes on provisions

On page 14, clause 14, replace the reference to 'Clause 7(1)' with a reference to 'Clause 14(1)'.

The correction will clarify that it is clause 14(1) of the Bill that amends paragraph (a) in the definition of *driver* in section 93 of the Act.
