

# **Electricity (Early Termination) Amendment Bill 2012**

## **Erratum To Explanatory Notes**

### **Title of the Bill**

Electricity (Early Termination) Amendment Bill 2012

### **Reason for Erratum**

To clarify that discounts provided under market contracts are to be excluded when determining whether increased charges exceed notified prices.

## **Notes on Provisions**

Page 2, paragraph 1 – Insert after the first sentence - The charges do not need to include discounts or other benefits offered by the retailer.

Page 2, paragraph 1 – Delete “without penalty” from the sentence – The retail entity must also inform customers they are entitled to exit the contract without penalty.

Page 2, final paragraph – Insert into the second sentence “(excluding discounts)” between charges and above.
