SCHEDULE	11
DICTIONARY	

1998

A BILL

FOR

An Act to allow visiting health practitioners to provide health care services in the State for special events without becoming registered under State law, and for other purposes

The Parliament of Queensland enacts— 1

PART 1—PRELIMINARY 2

Short title 3

1. This Act may be cited as the *Health Practitioners (Special Events Exemption) Act 1998*. 4
5

Main purpose of Act 6

2. The main purpose of this Act is to allow for exempting visiting health 7
practitioners from having to register under State law when in the State for 8
particular sporting, cultural or other events. 9

PART 2—INTERPRETATION 10

Definitions 11

3. The dictionary in the schedule defines particular words used in this 12
Act. 13

Meaning of “visiting health practitioner” 14

4. A person is a “visiting health practitioner” if— 15

(a) the person is an individual who is a resident of another country; 16
and 17

(b) the person is appointed, employed, contracted or otherwise 18
engaged to provide health care services to a visitor; and 19

(c) notification is given of the person’s intention to provide the health 20
care services in the State to the visitor under the procedure stated 21
in the special event notice for the special event concerned. 22

Meaning of “visitor”	1
5. A person is a “visitor” if—	2
(a) the person is a resident of another country who is in the State to officially participate in, or prepare for, a special event; or	3 4
(b) the person is a resident of Australia who is in the State for a purpose mentioned in paragraph (a) and is a member of a group the majority of the members of which are persons mentioned in paragraph (a) who are in the State for the same purpose.	5 6 7 8

PART 3—SPECIAL EVENTS EXEMPTION FOR VISITING HEALTH PRACTITIONERS

Special events	11
6.(1) The Minister may, by gazette notice (a “special event notice”), declare a sporting, cultural or other event to be a special event for this Act.	12 13
(2) The notice must be for—	14
(a) an event taking place, or to take place, in the State that the Minister considers will attract a significant number of participants from other countries; or	15 16 17
(b) an event taking place, or to take place, in another State that the Minister considers will attract a significant number of participants from other countries some of whom are likely to come to this State to prepare for the event.	18 19 20 21
(3) The notice must state a period when an exemption under this Act has effect for the special event (the “exemption period”).	22 23
(4) The exemption period for the special event may include a period before or after the special event takes place.	24 25
(5) The notice must state a procedure for section 4(c) by which notification is to be given of a person’s intention to provide health care services in the State to a visitor.	26 27 28
(6) The stated procedure may require the giving of information.	29

Provision of health care services by visiting health practitioners 1

7.(1) A visiting health practitioner is authorised to provide health care services to a visitor if the health practitioner has been appointed, employed, contracted or otherwise engaged to provide the services for the visitor and the notification for the practitioner mentioned in section 4(c) relates to the visitor. 2
3
4
5
6

(2) Subsection (1) applies to a visiting health practitioner only— 7

(a) during the exemption period for the special event to which the notification relates; and 8
9

(b) while the health practitioner is complying with this Act and conditions imposed under this Act. 10
11

Conditions on provision of health care services by visiting health practitioners 12
13

8. A special event notice may impose conditions on the provision of health care services by a visiting health practitioner. 14
15

Issue of prescriptions and supply of certain substances 16

9.(1) A special event notice may— 17

(a) authorise a visiting health practitioner to issue prescriptions for a restricted or controlled drug in the course of providing health care services under this Act; and 18
19
20

(b) authorise a dispenser to dispense a restricted or controlled drug on a prescription issued under paragraph (a); and 21
22

(c) authorise a visiting health practitioner to be supplied with an S2 or S3 substance by wholesale for the practitioner to provide health care services under this Act; and 23
24
25

(d) authorise a wholesaler to supply an S2 or S3 substance by wholesale to a visiting health practitioner authorised under paragraph (c). 26
27
28

(2) However a special event notice must not contain an authorisation under subsection (1) unless the Minister is satisfied adequate arrangements are in place to ensure the substance concerned will only be prescribed for 29
30
31

Health Practitioners (Special Events Exemption)

and supplied to persons to whom visiting health practitioners are authorised to provide health care services under this Act. 1
2

(3) A special event notice may impose conditions on an authorisation under this section conferred by the notice. 3
4

Storage of restricted or controlled drugs 5

10. A visiting health practitioner must ensure a restricted or controlled drug in the visiting health practitioner's possession is kept— 6
7

- (a) in a secure place under the visiting health practitioner's personal control; and 8
9
- (b) in accordance with written directions given to the practitioner by the chief health officer. 10
11

Exemptions relating to offences 12

11.(1) A visiting health practitioner does not commit an offence under a health registration Act, the *Health (Drugs and Poisons) Regulation 1996*, or the *Drugs Misuse Act 1986* by¹— 13
14
15

- (a) providing health care services authorised under this Act; or 16
- (b) if a substance is a substance that may be lawfully possessed, supplied or administered by a local health practitioner—possessing, supplying or administering the substance in the course of providing the authorised health care services; or 17
18
19
20
21
- (c) prescribing under this Act a restricted or controlled drug in the course of providing the authorised health care services; or 22
23
- (d) holding himself or herself out as being able to provide the authorised health care services; or 24
25
- (e) using a title, reference to a qualification, description, word, letter 26

¹ A visiting health practitioner who provides health care services otherwise than in accordance with section 7 of this Act loses the exemption given by section 11 in relation to the commission of offences under a health registration Act, the *Health (Drugs and Poisons) Regulation 1996* or the *Drugs Misuse Act 1986*.

(2) A visitor does not commit an offence under the *Health (Drugs and Poisons) Regulation 1996* or the *Drugs Misuse Act 1986*, by doing any thing, or possessing a substance, as a result of being provided with health care services under this Act. 2
3
4
5

(3) A dispenser does not commit an offence under the *Health (Drugs and Poisons) Regulation 1996* by, under a prescription issued by a visiting health practitioner, dispensing a restricted or controlled drug if— 6
7
8

(a) the dispenser believes, on reasonable grounds, the health practitioner is authorised under this Act to issue the prescription; 9
and 10
11

(b) the dispenser is authorised under this Act to dispense the drug on the prescription of a visiting health practitioner authorised under this Act to issue the prescription. 12
13
14

(4) A wholesaler does not commit an offence under the *Health (Drugs and Poisons) Regulation 1996* or the *Drugs Misuse Act 1986*, by supplying an S2 or S3 substance by wholesale to a visiting health practitioner if— 15
16
17

(a) the wholesaler believes, on reasonable grounds, the visiting health practitioner is authorised under this Act to be supplied with the substance by wholesale; and 18
19
20

(b) the wholesaler is authorised under this Act to supply the substance by wholesale to a visiting health practitioner authorised under this Act to be supplied with the substance by wholesale; and 21
22
23
24

(c) the wholesaler is complying with the conditions to which the person's licence is subject under the *Health (Drugs and Poisons) Regulation 1996*. 25
26

PART 4—MONITORING

1

Monitoring the prescribing and supplying of certain substances

2

12. The chief health officer must monitor the prescribing of restricted and controlled drugs by visiting health practitioners, and the supplying of S2 and S3 substances by wholesalers, under a special event notice.

3

4

5

Dispensers to forward copies of prescriptions

6

13.(1) This section applies to a dispenser who, under a special event notice, dispenses a restricted or controlled drug.

7

8

(2) The dispenser must, within 14 days of dispensing the drug, give to the chief health officer a copy of the prescription on which the drug was dispensed.

9

10

11

Maximum penalty—40 penalty units.

12

(3) For subsection (2), the copy of the prescription must clearly show the type and quantity of the drug to which the prescription relates.

13

14

PART 5—MISCELLANEOUS

15

Complaints about visiting health practitioners

16

14.(1) A complaint may not be made about a visiting health practitioner under the *Health Rights Commission Act 1991* or a health registration Act and no disciplinary action may be taken against a visiting health practitioner under the Act.

17

18

19

20

(2) However, subsection (1) does not apply to a complaint for an offence or prevent the bringing of proceedings for an offence.

21

22

(3) Subsection (1) does not apply to a visiting health practitioner who is registered under a health registration Act.

23

24

Act does not limit the practice of local health practitioners

1

15. This Act does not prejudice or affect the lawful occupation, trade or business of a person in the person's capacity as a local health practitioner.

2

3

Proceedings for offences

4

16. A proceeding for an offence against this Act may be taken in a summary way under the *Justices Act 1886*.

5

6

Regulation-making power

7

17. The Governor in Council may make regulations under this Act.
