The following entities may be registered under this part— 20

• a housing service provided during the term of an assistance agreement, under which the chief executive makes periodic payments to the registered provider for the stated purpose of enabling the provider to provide the service	9 10 11
(2) For subsection (1), it does not matter—	12
(a) if other resources are also used to provide the service; or	13
(b) for a service that is still being provided using assistance from the chief executive under this part, that the agreement under which the assistance was provided has ended.	14 15 16

The chief executive may give assistance to a registered provider in a way the chief executive considers appropriate, including, for example—	19 20

- (b) that the registered provider may, within a stated time of at least 7 days, give the chief executive a written response about the proposed demand.

(3) After considering any written response received from the registered provider within the stated time, the chief executive may demand repayment of all or some of the amount stated in the show cause notice.

(4) If the chief executive decides not to demand repayment of any of the amount, the chief executive must give the registered provider notice of the decision.
