'59MA Counting the occasions	1
'(1) For sections 59LA, 59LD, 59LJ to 59LM, 59LP to 59LS and 59LU, for an occasion of the commission of an offence to be counted in addition to another occasion counted, an occasion must be a separate occasion, that is, an event or series of events that happened on an occasion separate to the event or series of events making up the other occasion.	2 3 4 5 6 7
'(2) However, if a series of events that would, apart from this subsection, be treated as a single occasion of the commission of an offence under subsection (1) includes the intervention in any way by a police officer between the commission of 1 vehicle related offence and another vehicle related offence or 1 motorbike noise offence and another motorbike noise offence in the course of the events, the events that happen after the police officer's intervention must be treated as a separate occasion.	8 9 10 11 12 13 14 15 16
<i>Example for subsection (2)—</i>	17
A driver commits a vehicle related offence at 10p.m. on 1 January. The driver is stopped by a police officer. Before the driver can be given a notice to appear in relation to the vehicle related offence, the driver continues to commit the offence but using another motor vehicle. A police officer again stops the driver. The police officer impounds both motor vehicles. Because a police officer has intervened between the happening of the first and second offences, the occasions must be treated as 2 separate occasions for this chapter.	18 19 20 21 22 23 24 25
'(3) In sections 59LA, 59LD, 59LE, 59LJ and 59LK, a reference to a vehicle related offence or a motorbike noise order offence committed on a previous occasion is a reference to a vehicle related offence or motorbike noise order offence committed on an occasion before the occasion on which the initiating impoundment offence was committed.	26 27 28 29 30 31
'(4) Subject to subsections (1) to (3), for a decision under sections 59LE, 59LG, 59LJ to 59LM, 59LP to 59LS and 59LU of whether or not a person has, or has previously, been charged with, or found guilty of, a vehicle related offence or motorbike noise order offence committed on a previous occasion or any occasion or occasions, the following do not matter—	32 33 34 35 36 37
(a) whether or not any finding of guilt relied on relates to a charge heard and decided together with another charge	38 39

*Police Powers and Responsibilities (Motorbike Noise)
Amendment Bill 2005*

- or other charges relating to another or other findings of
guilt being relied on;
- (b) whether or not findings of guilt relied on relate to
charges that were heard and decided in the order in
which the occasions of the commission of offences to
which they related happened;
- (c) whether or not any occasion of the commission of an
offence, or any charge or any finding of guilt, relied on
happened before or after any occasion of the
commission of an offence, charge or finding of guilt also
relied on.
- Example—*
- An offender commits vehicle related offences on 1 January (offence 1),
1 May (offence 2) and 1 June (offence 3). The offender is charged with
offence 1 on 1 January, offence 2 on 1 May and offence 3 on 1 June. The
offender is convicted of offence 3 on 15 June and offences 1 and 2 on 1
October. When a court or magistrate considers the application for
impoundment or forfeiture on 1 December, for the purpose of counting
the occasions mentioned in subsection (1), there are 3 occasions the
court may rely on to make an order.
- ‘(5) For a decision under section 59LR, 59LS, 59LT or 59LU, the
following do not matter—
- (a) whether or not any finding of guilt relied on is for an
offence in relation to which the application was
originally started;
- Example for paragraph (a)—*
- An application may relate to particular vehicle related offences
but before the application is decided, the driver is found guilty of
another vehicle related offence. The court may rely on the latter
finding of guilt when making an order under the sections
mentioned.
- (b) whether or not any finding of guilt relied on in an
application relates to an offence committed before or
after the application was started.’
