15

- (2) Subject to section 53(3), the authority must decide the application within 40 business days after it is satisfied as mentioned in subsection (1). 31
32

(3)	However, a failure to comply with subsection (2) does not prevent the authority from deciding the application.	1 2
(4)	The authority must decide to—	3
(a)	grant all or part of the UDA development approval applied for; or	4 5
(b)	grant all or part of the UDA development approval applied for subject to conditions decided by the authority (each a <i>UDA development condition</i>); or	6 7 8

development scheme for the area; and
- (b) the proposed scheme was prepared after the
development scheme took effect;
- the authority may, subject to section 56, give the weight it
considers appropriate to the proposed scheme.
- (3) Subsection (1)(b) does not prevent the authority from
considering a submission about the application made to it
after the submission period has ended.
- (4) In this section—
- proposed development scheme*, for the area, means a
proposed development scheme, or a proposed amendment of a
development scheme, for the area published under section 25,

giving the local government written notice of the change. 18
- '(2) The local government must give any coordinating agency a 19
copy of the notice as soon as practicable after receiving it. 20
- '(3) The steps under this division must be repeated for the 21
application as changed. 22
- '(4) However, subsection (3) does not apply if— 23
 - (a) the change is— 24
 - (i) to correct or change a matter mentioned in 25
subsection (5); or 26
 - (ii) in response to a request for information; and 27
 - (b) the local government is satisfied the change would not 28
adversely affect the ability of a person to assess the 29
changed application. 30
- '(5) For subsection (4)(a)(i), the matters are any of the 31
following— 32

(a)	an explanatory matter about the proposed master plan;	1

'(1)	At any time before the master plan application is decided by the local government, the applicant may withdraw the application by giving written notice of the withdrawal to the local government.	11 12 13 14
'(2)	The local government must give any coordinating agency a copy of the notice as soon as practicable after receiving it.	15 16
'2.5B.56	Additional third party advice or comment	17
'(1)	The local government may, at any time before it decides the master plan application, ask any person for advice or comment about the application.	18 19 20
'(2)	However asking for and receiving advice or comment does not extend any period under this division.	21 22
'(3)	There is no particular way advice or comment may be asked for and received and the request may be by publicly notifying the application.	23 24 25
'(4)	To remove any doubt, it is declared that public notification under subsection (3) does not constitute a public notice of the application by the applicant.	26 27 28

‘2.5B.57 Public scrutiny of application and related material	1
‘(1) The local government must keep, for the master plan application, the following documents available for inspection and purchase—	2 3 4

(a) the application is withdrawn or lapses; or	18
(b) if paragraph (a) does not apply—the end of the last period during which an appeal may be made against a decision on the application.	19 20 21
‘(3) Subsection (1) does not apply to documents to the extent the local government is satisfied the documents contain sensitive security information.	22 23 24
‘(4) Also, the local government may remove the name, address and signature of each person who made a submission before making the submission available for inspection and purchase.	25 26 27

‘Division 6	Miscellaneous provisions about master plans	1 2
‘2.5B.58	Modified application of provisions about infrastructure for master plan	3 4
‘(1)	Chapter 5, parts 1 and 3 apply for a master plan and the relevant master plan application for it—	5 6
(a)	as if a reference in the parts to a development application were a reference to the master plan application; and	7 8 9
(b)	as if a reference in the parts to an applicant were a reference to a person who made the master plan application; and	10 11 12
(c)	as if a reference in the parts to a development approval were a reference to an approval of a master plan; and	13 14
(d)	as if a reference in the parts to a condition were a reference to a condition included in a master plan; and	15 16
(e)	as if a reference in the parts to a State infrastructure provider were a reference to a coordinating agency; and	17 18
(f)	as if a reference in the parts to an assessment manager were a reference to the local government; and	19 20
(g)	as if a reference in the parts to a concurrence agency were a reference to a coordinating agency; and	21 22
(h)	with other necessary changes.	23
‘(2)	However, the requirement under section 5.1.25(1) to give an acknowledgment notice under section 3.2.4 does not apply.	24 25
‘(3)	To remove any doubt, it is declared that subsection (1) does not affect the operation of chapter 5, parts 1 and 3, for a development application.	26 27 28
‘2.5B.59	Application to amend master plan	29
‘(1)	A person may apply to amend a master plan.	30

‘(2)	The application must be made and decided under division 5 in the same way as a master plan application as if the proposed amendment were a proposed master plan.	1 2 3
‘(3)	However, the written consent of an owner of land in the master planning unit is not required if, in the local government’s opinion, the proposed amendment does not materially affect the land.	4 5 6 7
‘(4)	Subject to subsection (3), the local government may accept the application even if it does not comply with the requirements applying for an application under division 5.	8 9 10
‘2.5B.60	Cancellation of master plan by local government	11
‘(1)	The local government may cancel a master plan only if—	12

‘(2)	If this division imposes a restriction on, or a requirement for, the granting of the development application, it can not be	28 29

granted if the restriction applies or if the requirement has not been complied with.	1 2
‘(3) If a provision of this division applying to the development application conflicts with a provision of IDAS, the provision of this division prevails to the extent of the inconsistency.	3 4 5
‘(4) If a provision of this division prevents the making of the proposed development application, it can not be made.	6 7
‘2.5B.63 Modified application of sch 8 if application relates to particular development	8 9

 ‘2.5B.64 Exclusion of particular agencies as a referral agency	 26
‘(1) An agency is not a referral agency for the development application to the extent that it has exercised a coordinating agency or participating agency’s jurisdiction for the structure plan or a master plan for the master planned area.	27 28 29 30
<i>Note—</i>	31
The jurisdiction arises from the relevant master planned area declaration and the structure plan. See sections 2.5B.3 and 2.5B.8.	32 33
‘(2) However, the agency is a referral agency for the application to the extent the development is assessable development under schedule 8 as it applies under section 2.5B.63.	34 35 36

‘(1)	A local government may enter into an agreement with owners or occupiers of land in a declared master planned area, or another person who has an interest in the matter, to fund the preparation of a structure plan.	3 4 5 6
‘(2)	However, the agreement may be entered into only if the local government has adopted a policy that prescribes the basis on which the funding is to be provided.	7 8 9
	<i>Note—</i>	10
