‘Division 2	Access approval order for registered digital photo	19 20
‘195B Access approval order		21
‘(1)	This section applies if a police officer considers it is reasonably necessary for the investigation, prosecution or enforcement of the criminal law for a police officer to access a registered digital photo.	22 23 24 25
‘(2)	The police officer may apply to a justice for an order authorising a police officer to access the registered digital photo (<i>access approval order</i>).	26 27 28
‘(3)	The application must—	29
(a)	be sworn; and	30

[s 5]

(b)	identify the registered digital photo for which the access approval order is sought; and	1 2
(c)	state the purpose for which the access is sought; and	3
(d)	state why the police officer considers it is reasonably necessary to access the registered digital photo for the purpose mentioned in paragraph (c).	4 5 6
‘195C	Making access approval order	7
‘(1)	The justice may make the access approval order if satisfied it is reasonably necessary for a police officer to access the registered digital photo for which the order is sought for the purpose for which the access is sought.	8 9 10 11
‘(2)	The access approval order must identify the registered digital photo and the purpose for which the approval is given.	12 13
‘195D	What access approval order authorises	14
	‘An access approval order authorises a police officer to access the registered digital photo identified in the order for the purpose stated in the order.	15 16 17
‘Division 3	Accessing registered digital photo in an emergency	18 19
‘195E	Accessing registered digital photo in an emergency	20
‘(1)	This section applies if a police officer—	21
(a)	reasonably suspects there is an actual or imminent serious risk to a person’s life or health or to public health or safety; and	22 23 24
(b)	reasonably believes immediate access to a registered digital photo of a particular person is likely to enable a police officer to take action to reduce the risk.	25 26 27

‘(2)	The fact that a person is missing is not, for that reason only, an actual or imminent serious risk to the person’s life or health for subsection (1)(a).	1 2 3
‘(3)	A police officer may access the registered digital photo for the purpose of reducing the risk.	4 5
‘195F	Post-access approval order	6
‘(1)	As soon as reasonably practicable after accessing a registered digital photo under section 195E(3), the police officer must apply to a justice in writing for an order approving the access (<i>post-access approval order</i>).	7 8 9 10
‘(2)	The application must be sworn and state the grounds on which the post-access approval order is sought.	11 12
‘(3)	The applicant need not appear at the consideration of the application, unless the justice otherwise requires.	13 14
‘(4)	The justice may refuse to consider the application until the police officer gives the justice all the information the justice requires about the application in the way the justice requires.	15 16 17
	<i>Example—</i>	18
	The justice may require additional information supporting the application to be given by statutory declaration.	19 20
‘195G	Making of post-access approval order	21
	‘The justice may make the post-access approval order only if satisfied of each of the following—	22 23
(a)	in the circumstances existing before the police officer accessed the registered digital photo under section 195E(3), the police officer had the suspicion and belief required under that section for accessing the photo;	24 25 26 27
(b)	there was no other way for the police officer to obtain immediately a current photo of the person whose registered digital photo was accessed.	28 29 30

[s 5]

‘195H Appeal	1
‘(1) This section applies if the justice refuses to make the post-access approval order.	2 3
‘(2) Within 28 days after the justice refuses to make the post-access approval order, the commissioner may appeal against the justice’s order to a Magistrates Court.	4 5 6
‘(3) The Magistrates Court hearing the appeal may—	7
(a) confirm the justice’s order; or	8
(b) set aside the justice’s order and make a post-access approval order for the access.	9 10
‘Division 4 Accessing information stored electronically on a smartcard transport authority	11 12 13
‘195I Accessing information stored electronically on a prescribed document	14 15
‘(1) A police officer may, without the consent of the holder of a prescribed document, access information (other than emergency contact information) stored electronically on the document for the purpose of exercising a power—	16 17 18 19
(a) under a prescribed transport Act; or	20
(b) in relation to the Criminal Code, section 328A.	21
<i>Note—</i>	22
The Criminal Code, section 328A creates offences for the dangerous operation of a vehicle.	23 24
‘(2) A police officer may, without the consent of the holder of a prescribed document, access emergency contact information stored electronically on the document if the police officer reasonably believes—	25 26 27 28
(a) there is an immediate risk to the holder’s life or health; and	29 30

-
- (b) immediate access to the information is likely to enable a police officer to take action to reduce the risk; and
- (c) the holder is unable, for any reason, to give the police officer the holder's emergency contact information.
- Example—*
- The holder is incoherent or unconscious.
- '(3) Also, a police officer may access emergency contact information stored electronically on a prescribed document if emergency circumstances exist in which—
- (a) the holder of the prescribed document has died; and
- (b) a person with, or near, the holder is a person whom the police officer reasonably believes—
- (i) is a minor or has, or appears to have, a mental, intellectual or physical impairment; and
- (ii) is a dependant of the holder because of an attribute mentioned in subparagraph (i); and
- (iii) because of the attribute, is unable to give the police officer the holder's emergency contact information.
- '(4) A police officer may only use the emergency contact information accessed under subsection (3) for giving reasonable help to the person who is with, or near, the deceased holder of the prescribed document.
- '(5) In this section—
- intellectual impairment*** means a condition of a person that—
- (a) is attributable to an intellectual, psychiatric, cognitive or neurological impairment of the person or a combination of those impairments; and
- (b) results in—
- (i) a substantial reduction of the person's capacity for communication, social interaction or learning; and
- (ii) the person needing support.

[s 5]

‘Division 5	Other provisions about accessing registered digital photos and other information	1 2 3
‘195J Giving copy of access approval order to relevant entity		4 5
	‘As soon as practicable after an access approval order or post-access approval order is made in relation to a prescribed document, the commissioner must give the relevant entity a copy of the order.	6 7 8 9
‘195K Using registered digital photo and information		10
	‘A police officer may only use a registered digital photo, or information stored electronically on a smartcard transport authority, that has been accessed under this part for the purpose for which the access was allowed.	11 12 13 14
‘195L Destruction of registered digital photo		15
	‘(1) As soon as practicable after a registered digital photo accessed by a police officer under this part or a prescribed smartcard Act is no longer required for the purpose for which it was accessed, the police officer who accessed the photo must destroy all copies of it obtained from the access.	16 17 18 19 20
	‘(2) If a registered digital photo is accessed under section 195E and a post-access approval order is not obtained for the photo, the police officer who accessed the photo must destroy all copies of it obtained from the access as soon as practicable after—	21 22 23 24 25
	(a) unless paragraph (b) applies, the 28 days mentioned in section 195H(2) ends; or	26 27
	(b) if the commissioner starts an appeal under that section in relation to the access—the appeal is finally decided.	28 29
	‘(3) The destruction of a registered digital photo under this section must be carried out in the presence of a justice.’.	30 31

Clause 9	Insertion of new pt 3, divs 2 and 3	9
	Part 3, after section 19—	10
	<i>insert—</i>	11
	‘Division 2 Biometric data and other information relating to driver’s certificate or assistant’s certificate	12 13 14
	‘19A Obtaining digital photo and digitised signature	15
	‘(1) A person who applies for the grant or renewal of a driver’s certificate or assistant’s certificate (the <i>authority applied for</i>), or for a duplicate of a driver’s certificate or assistant’s certificate, must allow the chief executive to take and keep a digital photo and digitised signature of the person.	16 17 18 19 20
	‘(2) If the person does not comply with subsection (1), the chief executive must refuse to consider the application.	21 22
	‘(3) Subsection (1) does not apply to the person if—	23
	(a) as allowed under this Act or a prescribed smartcard Act, the chief executive is keeping the person’s most recent digital photo and digitised signature; and	24 25 26

(b)	the chief executive is satisfied the person’s most recent digital photo is still a true likeness of the person; and	1 2
(c)	the shelf life of the person’s most recent digital photo and digitised signature, or the most recent extension of the shelf life under subsection (4), has not ended and will not end before—	3 4 5 6
(i)	the term of the authority applied for ends; or	7
(ii)	if a duplicate of the person’s driver’s certificate or assistant’s certificate is applied for—the term of the driver’s certificate or assistant’s certificate ends.	8 9 10 11
‘(4)	The chief executive may, for this Act, extend the shelf life of the person’s most recent digital photo and digitised signature.	12 13
‘(5)	The period for which the shelf life may be extended under subsection (4) must not result in the shelf life being extended under the subsection for periods totalling more than 6 months.	14 15 16
	<i>Example—</i>	17
	If the shelf life has been extended previously under subsection (4) for 2 months, the next extension under the subsection must not be for more than 4 months.	18 19 20
‘(6)	In this section—	21
	<i>shelf life</i> , of a digital photo and digitised signature, means 10 years after the photo and signature are taken.	22 23
‘19B	Using digital photo and digitised signature	24
‘(1)	The chief executive may, with a person’s consent, use the person’s most recent digital photo and digitised signature for any of the following purposes—	25 26 27
(a)	to help identify the person for deciding whether or not to grant an application for a relevant certificate;	28 29
(b)	to reproduce the person’s digital photo and digitised signature on a relevant certificate;	30 31
(c)	to verify the person’s identity for security purposes relating to the relevant certificate.	32 33

[s 9]

<i>Example of security purposes—</i>	1
the obtaining or resetting of a PIN for the relevant certificate	2
‘(2) The chief executive may use a person’s most recent digital photo and digitised signature to help in an investigation of, or proceeding for, an offence that—	3 4 5
(a) happens—	6
(i) in making the application for which the person’s digital photo and digitised signature are taken under section 19A(1); or	7 8 9
(ii) during the retention period for the digital photo and digitised signature; and	10 11
(b) involves a person obtaining or attempting to obtain any of the following by a false statement, misrepresentation or any other dishonest way—	12 13 14
(i) a relevant certificate or its renewal;	15
(ii) a PIN or other security for a relevant certificate.	16
‘(3) In this section—	17
<i>relevant certificate</i> means—	18
(a) a driver’s certificate or assistant’s certificate; or	19
(b) a duplicate of a driver’s certificate or assistant’s certificate.	20 21
‘19C Restricted access to a digital photo	22
‘(1) The chief executive may allow a person to access a digital photo kept by the chief executive under this Act if each of the following applies—	23 24 25
(a) the person’s facial image is encoded on the digital photo;	26 27
(b) the person applies to the chief executive, in the approved form, for the access;	28 29
(c) the person establishes, to the chief executive’s reasonable satisfaction, the person’s connection to the	30 31

digital photo by other evidence of his or her identity, or by facial recognition technology.	1 2
<i>Example of other evidence for paragraph (c)—</i>	3
a valid Australian passport	4
‘(2) An application mentioned in subsection (1)(b) may be made by electronic communication.	5 6
‘(3) The chief executive must allow a police officer to access a digital photo kept by the chief executive under this Act if either of the following applies—	7 8 9
(a) the access is for exercising a power in relation to this Act or the Criminal Code, section 328A;	10 11
<i>Note—</i>	12
The Criminal Code, section 328A creates offences for the dangerous operation of a vehicle.	13 14
(b) the access is authorised under the <i>Police Powers and Responsibilities Act 2000</i> .	15 16
‘(4) In this section—	17
<i>access</i> , a digital photo, means obtain a copy of the digital photo, including by electronic communication.	18 19
‘19D Deleting digital photo and digitised signature from register or similar record	20 21
‘When the retention period for a digital photo and digitised signature taken under this Act ends, the chief executive must delete the photo and signature from any register or similar record kept by the chief executive under this Act.	22 23 24 25
‘19E Restricted access to information stored electronically on a smartcard certificate	26 27
‘(1) A person must not access information stored electronically on a smartcard certificate, unless the person is—	28 29
(a) the holder of the smartcard certificate; or	30

[s 9]

(b)	a person who has the holder’s consent to access the information; or	1 2
(c)	an authorised officer, including a police officer, and the access is for exercising a power under this Act; or	3 4
(d)	a police officer who is authorised under the <i>Police Powers and Responsibilities Act 2000</i> to access the information.	5 6 7
	Maximum penalty—20 penalty units.	8
‘(2)	In this section—	9
	<i>access</i> , in relation to information stored electronically on a smartcard certificate, means view or take a copy of the information.	10 11 12
	<i>smartcard certificate</i> means a smartcard driver’s certificate or a smartcard assistant’s certificate.	13 14
‘19F	Retention period for digital photo and digitised signature	15 16
‘(1)	Subject to subsections (2) to (5), the retention period for a digital photo and digitised signature is 30 years after the day on which the digital photo and digitised signature are taken under this Act or a prescribed smartcard Act.	17 18 19 20
‘(2)	Unless subsection (4) or (5) applies, the retention period for a digital photo and digitised signature taken under section 19A(1), if the relevant certificate mentioned in that subsection was not granted or renewed, is—	21 22 23 24
(a)	6 months after the day on which the digital photo and digitised signature are taken; or	25 26
(b)	the period decided by the chief executive;	27
	whichever is the shorter period.	28
‘(3)	Unless subsection (4) or (5) applies, the retention period for a digital photo and digitised signature taken under a regulation for verification of a person’s identity as mentioned in section 43(3)(c) is 24 hours after the digital photo and digitised signature are taken.	29 30 31 32 33

‘(4) Despite subsections (2) and (3), if—	1
(a) an investigation as mentioned in section 19B(2) is started before the end of the retention period worked out under subsection (2) or (3) for a digital photo and digitised signature; and	2 3 4 5
(b) the chief executive reasonably requires the digital photo and digitised signature to be kept for a longer period for the investigation or a proceeding resulting from the investigation;	6 7 8 9
the retention period for the digital photo and digitised signature is the longer period mentioned in paragraph (b).	10 11
‘(5) Despite subsections (2) to (4), if a prescribed smartcard Act provides for a shorter retention period for the digital photo and digitised signature than the period worked out under those subsections, the retention period for the photo and signature for this Act is the shorter period.	12 13 14 15 16
‘19G Annual report about access to digital photos	17
‘(1) Not later than 4 months after the end of each financial year, the chief executive must prepare and give to the Minister an annual report stating the number of occasions on which access within the meaning of section 19C was allowed under section 19C(3) during the financial year to digital photos kept under this Act.	18 19 20 21 22 23
‘(2) The Minister must cause a copy of the report to be laid before the Legislative Assembly within 14 days after the Minister receives it.	24 25 26

‘Division 3A	Biometric data and other information relating to marine licences	1 2 3
‘63A	Obtaining digital photo and digitised signature	4
‘(1)	A person who applies for the grant or renewal of a marine licence (the <i>authority applied for</i>), or an amendment of the person’s marine licence, must allow the chief executive or general manager to take and keep a digital photo and digitised signature of the person.	5 6 7 8 9
‘(2)	If the person does not comply with subsection (1), the chief executive or general manager must refuse to consider the application.	10 11 12
‘(3)	Subsection (1) does not apply to the person if—	13
(a)	as allowed under this part or a prescribed smartcard Act, the chief executive or general manager is keeping the person’s most recent digital photo and digitised signature; and	14 15 16 17
(b)	the chief executive or general manager is satisfied the person’s most recent digital photo is still a true likeness of the person; and	18 19 20
(c)	the shelf life of the person’s most recent digital photo and digitised signature, or the most recent extension of the shelf life under subsection (4), has not ended and will not end before—	21 22 23 24
(i)	the term of the authority applied for ends; or	25
(ii)	if an amendment of the person’s marine licence is applied for—the term of the marine licence indicator ends.	26 27 28
‘(4)	The chief executive or general manager may, for this Act, extend the shelf life of a person’s most recent digital photo and digitised signature.	29 30 31

-
- ‘(5) The period for which the shelf life may be extended under subsection (4) must not result in the shelf life being extended under the subsection for periods totalling more than 6 months.
- Example—*
- If the shelf life has been extended previously under subsection (4) for 2 months, the next extension under the subsection must not be for more than 4 months.
- ‘(6) In this section—
- shelf life***, of a digital photo and digitised signature, means years after the photo and signature are taken.

‘63B Using digital photo and digitised signature

- ‘(1) The chief executive or general manager may, with a person’s consent, use the person’s most recent digital photo and digitised signature for any of the following purposes—
- (a) to help identify the person for deciding whether or not to grant an application for a marine licence;
 - (b) to reproduce the person’s digital photo and digitised signature on a smartcard marine licence indicator;
 - (c) to verify the person’s identity for security purposes relating to the smartcard marine licence indicator.
- Example of security purposes—*
- the obtaining or resetting of a PIN for the marine licence indicator
- ‘(2) The chief executive or general manager may use a person’s most recent digital photo and digitised signature to help in an investigation of, or proceeding for, an offence that—
- (a) happens—
 - (i) in making the application for which the person’s digital photo and digitised signature are taken under section 63A(1); or
 - (ii) during the retention period for the digital photo and digitised signature; and

[s 15]

- (b) involves a person obtaining or attempting to obtain any of the following by a false statement, misrepresentation or any other dishonest way—
 - (i) a marine licence;
 - (ii) a marine licence indicator or its renewal;
 - (iii) a PIN or other security for a marine licence indicator.

‘63C Restricted access to a digital photo

- ‘(1) The chief executive or general manager may allow a person to access a digital photo kept by the chief executive or general manager under this Act if each of the following applies—
 - (a) the person’s facial image is encoded on the digital photo;
 - (b) the person applies to the chief executive or general manager, in the approved form, for the access;
 - (c) the person establishes, to the chief executive’s or general manager’s reasonable satisfaction, the person’s connection to the digital photo by other evidence of his or her identity, or by facial recognition technology.
 - Example of other evidence for paragraph (c)—*
 - a valid Australian passport
- ‘(2) An application mentioned in subsection (1)(b) may be made by electronic communication.
- ‘(3) The chief executive or general manager must allow a police officer to access a digital photo kept by the chief executive or general manager under this Act if either of the following applies—
 - (a) the access is for exercising a power in relation to this Act or the Criminal Code, section 328A;

<i>Editor's note—</i>	1
The Criminal Code, section 328A creates offences for the dangerous operation of a vehicle (which is defined under the Criminal Code, section 1 to include a vessel).	2 3 4
(b) the access is authorised under the <i>Police Powers and Responsibilities Act 2000</i> .	5 6
‘(4) In this section—	7
<i>access</i> , a digital photo, means obtain a copy of the digital photo, including by electronic communication.	8 9
‘63D Deleting digital photo and digitised signature from register or similar record	10 11
‘When the retention period for a digital photo and digitised signature taken under this Act ends—	12 13
(a) the chief executive must delete the photo and signature from any register or similar record kept by the chief executive under this Act; and	14 15 16
(b) if the general manager keeps a register or similar record containing digital photos and digitised signatures taken and kept by the general manager under this Act—the general manager must delete the photo and signature from the register or similar record.	17 18 19 20 21
‘63E Storing emergency contact information electronically on a smartcard marine licence indicator	22 23
‘(1) An applicant for a marine licence, or the holder of a marine licence, may apply to the chief executive or general manager, in the approved form, to have the person’s emergency contact information stored electronically on any smartcard marine licence indicator given to the person.	24 25 26 27 28
‘(2) After receiving the application, the chief executive or general manager must electronically store the emergency contact information on the smartcard marine licence indicator.	29 30 31

‘63G	Retention period for digital photo and digitised signature	23 24
‘(1)	Subject to subsections (2) to (5), the retention period for a digital photo and digitised signature is 30 years after the day on which the digital photo and digitised signature are taken under this Act or a prescribed smartcard Act.	25 26 27 28
‘(2)	Unless subsection (4) or (5) applies, the retention period for a digital photo and digitised signature taken under section 63A(1), if the marine licence mentioned in that subsection was not granted or renewed, is—	29 30 31 32

(a)	6 months after the day on which the digital photo and digitised signature are taken; or	1 2
(b)	the period decided by the chief executive; whichever is the shorter period.	3 4
‘(3)	Unless subsection (4) or (5) applies, the retention period for a digital photo and digitised signature taken under a regulation for verification of a person’s identity as mentioned in section 62(4)(c) is 24 hours after the digital photo and digitised signature are taken.	5 6 7 8 9
‘(4)	Despite subsections (2) and (3), if—	10
(a)	an investigation as mentioned in section 63B(2) is started before the end of the retention period worked out under subsection (2) or (3) for a digital photo and digitised signature; and	11 12 13 14
(b)	the chief executive or general manager reasonably requires the digital photo and digitised signature to be kept for a longer period for the investigation or a proceeding resulting from the investigation;	15 16 17 18
	the retention period for the digital photo and digitised signature is the longer period mentioned in paragraph (b).	19 20
‘(5)	Despite subsections (2) to (4), if a prescribed smartcard Act provides for a shorter retention period for the digital photo and digitised signature than the period worked out under those subsections, the retention period for the photo and signature for this Act is the shorter period.	21 22 23 24 25
‘63H	Annual report about access to digital photos	26
‘(1)	Not later than 4 months after the end of each financial year, the chief executive must prepare and give to the Minister an annual report stating the number of occasions on which access within the meaning of section 63C was allowed under section 63C(3) during the financial year to digital photos kept under this Act.	27 28 29 30 31 32

photo kept by the chief executive under this Act if each of the 5
following applies— 6
- (a) the person’s facial image is encoded on the digital 7
photo; 8
 - (b) the person applies to the chief executive, in the approved 9
form, for the access; 10
 - (c) the person establishes, to the chief executive’s 11
reasonable satisfaction, the person’s connection to the 12
digital photo by other evidence of his or her identity, or 13
by facial recognition technology. 14
- Example of other evidence for paragraph (c)— 15*
- a valid Australian passport 16
- ‘(2) An application mentioned in subsection (1)(b) may be made 17
by electronic communication. 18
- ‘(3) The chief executive must allow a police officer to access a 19
digital photo kept by the chief executive under this Act if 20
either of the following applies— 21
- (a) the access is for exercising a power in relation to this 22
Act or the Criminal Code, section 328A; 23
- Note— 24*
- The Criminal Code, section 328A creates offences for the 25
dangerous operation of a vehicle. 26
- (b) the access is authorised under the *Police Powers and 27
Responsibilities Act 2000*. 28
- ‘(4) In this section— 29
- access***, a digital photo, means obtain a copy of the digital 30
photo, including by electronic communication. 31

‘35D	Deleting digital photo and digital signature from register or similar record	1 2

‘35F	Retention period for digital photo and digitised signature	26 27
‘(1)	Subject to subsections (2) to (5), the retention period for a digital photo and digitised signature is 30 years after the day on which the digital photo and digitised signature are taken under this Act or a prescribed smartcard Act.	28 29 30 31

[s 22]

- ‘(2) Unless subsection (4) or (5) applies, the retention period for a digital photo and digitised signature taken under section 35A(1), if the driver authorisation mentioned in that subsection was not granted or renewed, is—
- (a) 6 months after the day on which the digital photo and digitised signature are taken; or
 - (b) the period decided by the chief executive;
- whichever is the shorter period.
- ‘(3) Unless subsection (4) or (5) applies, the retention period for a digital photo and digitised signature taken under a regulation for verification of a person’s identity as mentioned in section 29(3)(c) is 24 hours after the digital photo and digitised signature are taken.
- ‘(4) Despite subsections (2) and (3), if—
- (a) an investigation as mentioned in section 35B(2) is started before the end of the retention period worked out under subsection (2) or (3) for a digital photo and digitised signature; and
 - (b) the chief executive reasonably requires the digital photo and digitised signature to be kept for a longer period for the investigation or a proceeding resulting from the investigation;
- the retention period for the digital photo and digitised signature is the longer period mentioned in paragraph (b).
- ‘(5) Despite subsections (2) to (4), if a prescribed smartcard Act provides for a shorter retention period for the digital photo and digitised signature than the period worked out under those subsections, the retention period for the photo and signature for this Act is the shorter period.

‘35G Annual report about access to digital photos

- ‘(1) Not later than 4 months after the end of each financial year, the chief executive must prepare and give to the Minister an annual report stating the number of occasions on which access

within the meaning of section 35C was allowed under section 35C(3) during the financial year to digital photos kept under this Act.	1 2 3
‘(2) The Minister must cause a copy of the report to be laid before the Legislative Assembly within 14 days after the Minister receives it.	4 5 6
