	‘Subdivision 3 Infrastructure agreements	22
‘77	Application of sdiv 3	23
‘(1)	This subdivision applies if—	24
(a)	a participating local government of a distributor-retailer is a party to an infrastructure agreement; and	25 26
(b)	either of the following apply—	27

- (i) a transition document transfers to the distributor-retailer water infrastructure subject to the infrastructure agreement; 1
2
3
 - (ii) the infrastructure agreement provides for water infrastructure in the distributor-retailer’s geographic area. 4
5
6
- ‘(2) This subdivision applies subject to any transition document relating to the distributor-retailer. 7
8
- ‘(3) If the infrastructure agreement relates to both the water infrastructure and another type of infrastructure, the agreement is a *bundled agreement*. 9
10
11

- ‘77A Novation for unbundled agreements 12**
- ‘(1) This section applies if the agreement relates only to the water infrastructure and not to any other type of infrastructure. 13
14
- ‘(2) The distributor-retailer— 15
 - (a) is taken to be a party to the agreement instead of the local government; and 16
17
 - (b) assumes all of the local government’s rights and liabilities under the agreement. 18
19
- ‘(3) The agreement may be enforced by the distributor-retailer as if it were the local government. 20
21
- ‘(4) The local government ceases to be bound by the agreement and is discharged from any further liability under it. 22
23

- ‘77B Bundled agreements—terms relating solely to water aspects 24
25**
- ‘(1) This section applies if— 26
 - (a) the agreement is a bundled agreement; and 27
 - (b) a term of the agreement solely relates to either or both of the following (each a *water aspect*)— 28
29
 - (i) the water infrastructure; 30

(ii) the carrying out of water infrastructure work.	1
‘(2) The distributor-retailer assumes the following under the term—	2 3
(a) the local government’s rights against another party to the agreement (each an <i>assumed right</i>);	4 5
(b) the local government’s liabilities to another party to the agreement (each an <i>assumed liability</i>).	6 7
‘(3) An assumed right—	8
(a) may be discharged only by the discharging of it to the distributor-retailer; and	9 10
(b) may only be enforced by the distributor-retailer.	11
‘(4) An assumed liability—	12
(a) may be discharged only by the discharging of it by the distributor-retailer; and	13 14
(b) may be enforced only against the distributor-retailer.	15
‘77C Bundled agreement—mixed rights	16
‘(1) This section applies if—	17
(a) the agreement is a bundled agreement; and	18
(b) a term of the agreement gives a right to the local government; and	19 20
(c) the right relates, or may relate, to—	21
(i) a water aspect; and	22
(ii) another matter.	23
‘(2) The right may be discharged only by the discharging of it to the local government.	24 25
<i>Example—</i>	26
The term requires another party to the agreement to give the local government security for the general performance of that party’s liabilities under the agreement. The term does not provide for any	27 28 29

particular amount for water aspects. The security must be given to the local government.	1 2
‘(3) Only the local government may enforce the right.	3
<i>Example—</i>	4
The term requires another party to the agreement to construct infrastructure to a particular standard. The standard is capable of applying to the water infrastructure and to other types of infrastructure. Only the local government may enforce the requirement.	5 6 7 8
‘(4) However, the local government must, at the distributor-retailer’s request, enforce the right to the extent it relates to water aspects.	9 10 11
‘(5) For any enforcement by the local government under subsection (3), any cost, damage or loss of the distributor-retailer relating to water aspects is taken to be a cost, damage or loss of the local government.	12 13 14 15
‘77D Bundled agreement—mixed liabilities	16
‘(1) This section applies if—	17
(a) the agreement is a bundled agreement; and	18
(b) a term of the agreement imposes a liability on the local government; and	19 20
(c) the liability relates, or may relate, to—	21
(i) a water aspect; and	22
(ii) another matter.	23
‘(2) The liability—	24
(a) may be discharged only by the discharging of it by the local government; and	25 26
(b) may be enforced only against the local government.	27
‘(3) For the enforcement of a liability against the local government under subsection (2), any interest or right of the distributor-retailer relating to water assets is taken to be an interest or right of the local government.	28 29 30 31

‘77E	Negotiation about mixed rights and liabilities	1
‘(1)	The local government and the distributor-retailer (each a <i>negotiation party</i>) must negotiate in good faith about the extent to which each of them are to share the following—	2 3 4
	(a) rights to which section 77C applies;	5
	(b) liabilities to which section 77D applies;	6
	(c) costs incurred because of enforcement mentioned in section 77C;	7 8
	(d) any costs, damage, liability or loss the local government incurs because of section 77D(2).	9 10
‘(2)	If, after the negotiation, the negotiation parties are in dispute about a matter mentioned in subsection (1), either negotiation party may refer the dispute to the Minister.	11 12 13
‘(3)	The Minister may resolve the dispute in any way the Minister considers appropriate that affords natural justice to the negotiation parties.	14 15 16
‘(4)	The Minister’s decision on the resolution of the dispute binds the negotiation parties.	17 18
‘(5)	The Minister may delegate the Minister’s functions and powers under subsection (3) to an appropriately qualified public service officer.	19 20 21
‘77F	Other necessary changes to be made for transition	22
‘(1)	This section applies subject to the other provisions of this subdivision.	23 24
‘(2)	References in the agreement to the local government are taken to be changed to reflect any necessary changes for the transition from the local government to the distributor-retailer.	25 26 27
‘77G	Other party’s rights and liabilities not affected	28
	‘To remove any doubt, it is declared that this subdivision does not create any greater right for, or impose any greater liability	29 30

on, a party to the agreement other than the local government or the distributor-retailer.	1 2
<i>Note—</i>	3
See also section 68 (Effect on legal relationships).	4
‘77H Provision for things done under agreement before the transfer	5 6
‘The transfer of the water infrastructure under the transition document does not affect the validity of any of the following done before the transfer—	7 8 9
(a) an infrastructure charge or cost levied by the local government under the Planning Act, chapter 8, part 1 or the repealed <i>Integrated Planning Act 1997 (repealed IPA)</i> , chapter 5, part 1;	10 11 12 13
(b) a condition imposed by the local government under the Planning Act, chapter 8, part 1 or section 848 or repealed IPA, chapter 5, part 1 or section 6.1.31;	14 15 16

‘Subdivision 3A Other matters under Acts about planning	20 21
‘77I Application of sdiv 3A	22
‘(1) This subdivision applies for a relevant action by a participating local government of a distributor-retailer if—	23 24
(a) under the relevant action a liability to the local government has accrued to it, or may at any time accrue to it; and	25 26 27
(b) all or part of the liability is for—	28

- (i) water infrastructure constructed or to be constructed in the distributor-retailer’s geographic area; or
 - (ii) a charge for the provision of water services or wastewater services.
- ‘(2) This subdivision applies subject to any transition document relating to the distributor-retailer.
- ‘(3) In this section—
relevant action means any of the following—
 - (a) a compliance permit, development approval, decision, charge, condition or contribution under the Planning Act decided, made, levied or imposed before 1 July 2010;
 - (b) a development approval under the Planning Act decided after 1 July 2010 if the relevant development application was made before 1 July 2010;
 - (c) a compliance permit under the Planning Act decided after 1 July 2010, if the relevant request for compliance assessment under that Act was made before 1 July 2010;
 - (d) an approval of a plan under the repealed *Integrated Planning Act 1997*, chapter 3, part 7, as continued in force under the Planning Act, section 815.
- ‘77J Transfer of liability in particular circumstance**
‘If all of the liability is for water infrastructure or for the charge for water services or wastewater services, the liability is taken to be a liability to the distributor-retailer instead of the local government.
- ‘77K Provisions for sharing benefit of liability not solely for water infrastructure**
‘(1) This section applies if—
 - (a) the liability is for the water infrastructure; and

- (b) under the relevant action there is also a liability for infrastructure other than water infrastructure; and 1
2
- (c) the terms of the relevant action do not attribute a specific part of the liability to the water infrastructure. 3
4
- ‘(2) The local government and the distributor-retailer (each a *negotiation party*) must negotiate in good faith about the extent to which each of them is to share the benefit of the liability. 5
6
7
8
- ‘(3) If, after the negotiation, the negotiation parties are in dispute about how to share the liability, either negotiation party may refer the dispute to the Minister. 9
10
11
- ‘(4) The Minister may resolve the dispute in any way the Minister considers appropriate that affords natural justice to the negotiation parties. 12
13
14
- ‘(5) The Minister’s decision on the resolution of the dispute binds the negotiation parties. 15
16
- ‘(6) The Minister may delegate the Minister’s functions and powers under this section to an appropriately qualified public service officer. 17
18
19
- ‘77L Changes in references under relevant action 20**
- ‘(1) A reference in the relevant action to the carrying out of water infrastructure work by the local government is taken to be a reference to the distributor-retailer carrying out the work. 21
22
23
- ‘(2) A reference in the relevant action to the person who bears the liability to do something relating to the local government concerning the water infrastructure is taken to be a reference to the person doing that thing relating to the distributor-retailer. 24
25
26
27
28
- ‘(3) Other references in the relevant action to the local government are taken to be changed to reflect any necessary changes for the transition from the local government to the distributor-retailer.’. 29

‘(2) The prescribed margin is 5%.	7
‘99AL Extent of inaccuracy	8
‘If a properly conducted test shows a meter registers incorrectly, it is taken to be registering incorrectly only to the extent to which the registration falls outside the prescribed margin.	9 10 11 12
‘99AM Notice of test results	13
‘(1) If a distributor-retailer test or independent test is carried out, the person who carried out the test must give the customer who requested the test notice of the test results as soon as practicable.	14 15 16 17

‘(1) A distributor-retailer may ask a residential customer of the distributor-retailer to give security only if it reasonably considers the customer has an unsatisfactory credit history.	19 20 21
‘(2) For subsection (1) a customer is a residential customer only if—	22 23
(a) the customer is a customer of the distributor-retailer for the water services and wastewater services; and	24 25

- (b) the services are provided to premises at which someone lives (the *resident*); and
- (c) no-one other than the resident is a customer of the distributor-retailer for water services and wastewater services provided to the premises.

‘99AR Non-residential customers
