authority; and	17
(ii) used or intended to be used in connection with the	18
management, operation, development,	19
maintenance of, or access to, the port entity’s port.	20
‘(2) For subsection (1)(b), a lease or licence of land or facilities	21
granted, or other provision for the use of or access to land or	22
facilities made, by a port entity other than a port authority for	23
the benefit of a person is to be disregarded.	24
‘(3) Port facilities for a port entity other than a port authority also	25
include land or facilities prescribed by regulation to be port	26
facilities.	27
‘(4) Port facilities for a port entity other than a port authority do	28
not include land or facilities prescribed by regulation not to be	29
port facilities.	30
<i>Examples of port facilities</i> —	31
• wharf and port marine operational areas and shipping channels	32
within port limits	33

• marine and port structures	1

‘283J	Treasurer may declare land to be Brisbane core port land or balance port land	16 17
	‘The Treasurer may by gazette notice—	18
(a)	declare land to be Brisbane core port land for the first Brisbane port LUP; and	19 20
(b)	on or before the day Brisbane core port land is declared under paragraph (a), declare land to be balance port land.	21 22 23
‘283K	What is <i>Brisbane core port land</i>	24
	‘ <i>Brisbane core port land</i> means—	25
(a)	for the first Brisbane port LUP—land the Treasurer declares to be Brisbane core port land under section 283J; or	26 27 28
(b)	after the day the first Brisbane port LUP has effect—	29

[s 113]

(i)	land identified in the Brisbane port LUP as Brisbane core port land; or	1 2
(ii)	land that is subject to a table of assessment for a precinct, if the port lessee or port lessor has a registered interest in the land.	3 4 5
‘283L	What is <i>balance port land</i>	6
	‘ <i>Balance port land</i> means land the Treasurer declares to be balance port land under section 283J.	7 8
‘283M	Application of Planning Act	9
‘(1)	Subject to this part, the Planning Act applies for development on Brisbane core port land and balance port land.	10 11
‘(2)	If there is an inconsistency between this part and the Planning Act, this part prevails to the extent of the inconsistency.	12 13
‘(3)	If development is stated to be development of a particular type for the Planning Act under the Brisbane port LUP, the development is taken to be development of that type under that Act.	14 15 16 17
‘(4)	Other than as provided for under this part, a development application for development that is assessable development for the Planning Act under the Brisbane port LUP is not subject to a referral agency jurisdiction under that Act.	18 19 20 21
	<i>Note—</i>	22
	See sections 283ZQ to 283ZY for referral agencies, and their jurisdictions relating to development applications for development under the Brisbane port LUP.	23 24 25
‘283N	Brisbane core port land not subject to local planning instrument	26 27
	‘Brisbane core port land is not subject to a local planning instrument under the Planning Act.	28 29

‘Division 2	Particular provisions about balance port land and planning schemes	1 2
‘283O Balance port land is not strategic port land		3
	‘If strategic port land is declared to be balance port land under section 283L, it stops being strategic port land.	4 5
‘283P Amendment of planning schemes		6
‘(1)	The Treasurer may, by gazette notice on or before the day land is declared to be Brisbane core port land under section 283J, amend the planning schemes of the following local governments for the purpose of dealing with balance port land under the planning schemes—	7 8 9 10 11
	(a) Brisbane City Council;	12
	(b) Moreton Bay Regional Council.	13
‘(2)	The gazette notice may provide for an amendment of a planning scheme to deal with balance port land that—	14 15
	(a) is not a part of the area of a local government; and	16
	(b) adjoins the area of a local government.	17
‘(3)	The local government is the assessment manager for a development application for development on the balance port land dealt with by the gazette notice.	18 19 20
‘(4)	A planning scheme as amended under this section—	21
	(a) applies to the balance port land dealt with under the planning scheme; and	22 23
	(b) may be amended under the Planning Act.	24

[s 113]

‘Division 3	Plan for land use on Brisbane core port land	1 2
‘Subdivision 1	First Brisbane port LUP	3
‘283Q Notice of first plan		4
‘(1)	The Treasurer must, on or as soon as practicable after the completion day, publish notice in the gazette of the plan for land use (the <i>first Brisbane port LUP</i>) for Brisbane core port land.	5 6 7 8
‘(2)	Section 283S, other than section 283S(1)(h), applies to the first Brisbane port LUP.	9 10
‘(3)	The Treasurer may act under subsection (1) only if satisfied—	11
(a)	the first Brisbane port LUP satisfactorily deals with the core matters relevant to the plan; and	12 13
(b)	State interests will not be adversely affected by the plan.	14
‘(4)	The Treasurer must give a copy of the gazette notice and the first Brisbane port LUP to—	15 16
(a)	the port operator; and	17
(b)	Brisbane City Council.	18
‘(5)	On and from the day the notice mentioned in subsection (1) is published in the gazette—	19 20
(a)	the former land use plan is of no force or effect for Brisbane core port land; and	21 22
(b)	strategic port land that has been declared to be Brisbane core port land stops being strategic port land.	23 24
‘283R Status of first plan		25
‘The first Brisbane port LUP—		26

-
- (a) has effect as the Brisbane port LUP for Brisbane core port land on and from the day notice of the plan is published in the gazette (the *plan commencement day*); and
 - (b) is taken to be the Brisbane port LUP approved under this division until it is replaced or amended under the division.

‘Subdivision 2 Content and review of Brisbane port LUP

‘283S Content of plan—mandatory requirements

- ‘(1) The Brisbane port LUP must, for Brisbane core port land—
 - (a) include a part outlining, by way of concept plans and words, for a period of at least 20 years after the plan commencement day—
 - (i) planning for core port infrastructure and proposed port related development for the land; and
 - (ii) anticipated infrastructure requirements relating to development mentioned in subparagraph (i); and
 - (b) include a part identifying the strategic outcomes for the land and stating measures that facilitate achieving the strategic outcomes; and
 - (c) state details of the land and the current and intended uses of the land; and
 - (d) coordinate and integrate the core matters relevant to the plan; and
 - (e) integrate matters relevant to the land under the regional plan and State planning policies under the Planning Act; and
 - (f) outline existing land uses for land (*adjacent land*) adjoining or neighbouring Brisbane core port land and

[s 113]

- how the adjacent land is dealt with by the planning scheme for the adjacent land; and
- (g) include a schedule of charges (a *contributions schedule*) under which a contribution may be required by a condition imposed on a development approval under section 283ZZ; and
- (h) include a priority infrastructure interface plan for the land.
- Note—*
- Subsection (1)(h) does not apply to the first Brisbane port LUP. See section 283Q(2).
- ‘(2) The parts of the Brisbane port LUP mentioned in subsection (1)(a) and (b) are called the *strategic plan*.
- ‘(3) The other parts of the Brisbane port LUP must be consistent with the strategic plan.
- ‘(4) For subsection (1)(b), measures facilitating achievement of the strategic outcomes include the identification of—
- (a) exempt development, self-assessable development or development requiring compliance assessment for the Planning Act under the Brisbane port LUP; or
- (b) assessable development for the Planning Act under the Brisbane port LUP requiring code or impact assessment; or
- (c) port prohibited development.
- ‘(5) Without limiting subsection (1), the Brisbane port LUP may—
- (a) state that particular development is inconsistent with the plan, or a part of the plan relating to a particular precinct, for transport reasons; or
- (b) state that any part of Brisbane core port land is intended to be maintained as buffer land; or
- (c) include details of any land proposed to become part of Brisbane core port land.

‘283T Content of plan—matters about development	1
‘(1) The Brisbane port LUP may state that development on Brisbane core port land, or in a precinct, is port prohibited development.	2 3 4
‘(2) Also, the Brisbane port LUP may state—	5
(a) that development is consistent or inconsistent with the plan or a part of the plan relating to a particular precinct; and	6 7 8
(b) the reasons that development is inconsistent with the plan or the part.	9 10
‘(3) The Brisbane port LUP may state that development that is a material change of use of premises for core port infrastructure and is consistent with the plan for a precinct is, within that precinct, exempt development or self-assessable development for the Planning Act under the plan.	11 12 13 14 15
‘(4) The Brisbane port LUP may state that development that is a material change of use of premises for port related development and is consistent with the plan for a precinct is, within that precinct, exempt development, self-assessable development, development requiring compliance assessment, or assessable development requiring code assessment for the Planning Act under the plan.	16 17 18 19 20 21 22
‘(5) However, the Brisbane port LUP must not state that—	23
(a) port prohibited development stated in schedule 5B is exempt development, self-assessable development, development requiring compliance assessment or assessable development for the Planning Act; or	24 25 26 27
(b) development prescribed under the Planning Act, section 232(2) is self-assessable development, development requiring compliance assessment or assessable development for the Planning Act; or	28 29 30 31
(c) any of the following development is assessable development or port prohibited development for the Planning Act under the plan—	32 33 34

[s 113]

(i)	development that is a material change of use of premises for core port infrastructure and is consistent with the plan;	1 2 3
(ii)	self-assessable development prescribed under the Planning Act, section 232(1); or	4 5
(d)	development that is a material change of use of premises for port related development, and is consistent with the plan, is assessable development requiring impact assessment or port prohibited development under the plan.	6 7 8 9 10
‘(6)	Development prescribed under the Planning Act, section 232(2) is, for that Act, exempt from assessment against the Brisbane port LUP.	11 12 13
‘(7)	Self-assessable development prescribed under the Planning Act, section 232(1) is self-assessable development for the Brisbane port LUP.	14 15 16
‘283U Requirement to review plan		17
‘(1)	The port operator must complete a review of the Brisbane port LUP at least every 10 years after the plan commencement day.	18 19
‘(2)	The review must include an assessment of the achievement of the strategic outcomes identified in the plan.	20 21
‘283V Action port operator must take after review		22
‘After reviewing the Brisbane port LUP, the port operator must—		23 24
(a)	propose to prepare a new Brisbane port LUP; or	25
(b)	propose to amend the Brisbane port LUP; or	26
(c)	if the port operator is satisfied the Brisbane port LUP is suitable to continue without amendment—decide to take no further action.	27 28 29

‘283W Report about review if decision is to take no action	1
‘If the port operator decides to take no further action under section 283V(c), the port operator must—	2 3
(a) prepare a report stating the reasons the port operator decided to take no further action; and	4 5
(b) give a copy of the report to the planning Minister and the transport Minister.	6 7
‘283X When plan must include priority infrastructure interface plan	8 9
‘The port operator must ensure the Brisbane port LUP includes a priority infrastructure interface plan for Brisbane core port land by the earlier of the following—	10 11 12
(a) the day that is 3 years after the day the Brisbane City Council’s first priority infrastructure plan is included in its planning scheme;	13 14 15
(b) the day the port operator first prepares a new Brisbane port LUP under this division after the Brisbane City Council’s first priority infrastructure plan is included in its planning scheme.	16 17 18 19
‘Subdivision 3 Preparation and amendment of Brisbane port LUP by port operator	20 21
‘283Y Statement of proposal for preparation or amendment of Brisbane port LUP	22 23
‘(1) The port operator must prepare a statement (<i>statement of proposal</i>) about—	24 25
(a) the preparation of a new Brisbane port LUP; or	26
(b) an amendment of the Brisbane port LUP.	27
‘(2) However, subsection (1)(b) does not apply to an amendment of the Brisbane port LUP if the amendment—	28 29

[s 113]

(a)	is to remove land from the Brisbane port LUP; or	1
(b)	is a minor amendment (LUP).	2
‘(3)	The statement of proposal must—	3
(a)	identify matters the port operator anticipates the Brisbane port LUP will address; and	4 5
(b)	state how the port operator intends to address each relevant aspect of the core matters in the plan.	6 7
‘(4)	The port operator must give a copy of the statement of proposal to—	8 9
(a)	the Brisbane City Council; and	10
(b)	the planning Minister; and	11
(c)	the transport Minister.	12
‘283Z	Brisbane port LUP may be amended to identify additional land	13 14
‘(1)	The Brisbane port LUP may be amended to identify additional land as Brisbane core port land if the planning Minister and transport Minister are satisfied the additional land—	15 16 17
(a)	is land in which the port lessee or port lessor has a registered interest; and	18 19
(b)	is or may be used—	20
(i)	for core port infrastructure; or	21
(ii)	for port related development; or	22
(iii)	as buffer land.	23
	<i>Note—</i>	24
	Land identified in the Brisbane port LUP is Brisbane core port land. See section 283K.	25 26
‘(2)	Subsection (1) does not limit how the Brisbane port LUP may be amended.	27 28

‘283ZA Draft plan for preparation or amendment of Brisbane port LUP	1 2
‘After complying with section 283Y, and section 283ZB to the extent the section relates to a statement of proposal, the port operator must—	3 4 5
(a) take appropriate account of issues raised as a result of consultation under section 283ZB in relation to the statement of proposal; and	6 7 8
(b) prepare a draft (<i>draft plan</i>) of—	9
(i) if the statement of proposal is for the preparation of a new Brisbane port LUP—the plan; or	10 11
(ii) if the statement of proposal is for an amendment of the Brisbane port LUP—the amendment of the plan; and	12 13 14
(c) give a copy of the draft plan to—	15
(i) the Brisbane City Council; and	16
(ii) the planning Minister; and	17
(iii) the transport Minister.	18
‘283ZB Consultation on statement of proposal or draft plan	19
‘(1) This section applies if the port operator prepares a statement of proposal under section 283Y or a draft plan under section 283ZA.	20 21 22
‘(2) The port operator must publish, at least once in a newspaper circulating generally in the area to which the statement of proposal or the draft plan relates, a notice stating the following—	23 24 25 26
(a) the name of the port operator;	27
(b) that the statement of proposal or draft plan relates to Brisbane core port land;	28 29
(c) that the port operator has prepared a statement of proposal, or a draft plan, and that it is available for	30 31

[s 113]

inspection and purchase at the office of the port operator in Brisbane;	1 2
(d) a contact telephone number for information about the statement of proposal or draft plan;	3 4
(e) that any person may make a properly made submission about the statement of proposal or draft plan;	5 6
(f) the period (the <i>consultation period</i>) during which a submission mentioned in paragraph (e) may be made;	7 8
(g) the requirements for a properly made submission.	9
‘(3) The consultation period must be—	10
(a) for a statement of proposal—at least 20 business days after the notice is first published under subsection (2); or	11 12
(b) for a draft plan—at least 40 business days after the notice is first published under subsection (2).	13 14
‘283ZC Consideration of draft plan and submissions	15
‘(1) On receiving a copy of a draft plan, the planning Minister and the transport Minister must consider whether or not any State interests would be adversely affected by the draft plan.	16 17 18
‘(2) Also, before approving a draft plan or recommending approval of a draft plan to the Governor in Council under this subdivision, the planning Minister and the transport Minister must consider all properly made submissions.	19 20 21 22
‘283ZD Directions for amendment of draft plan	23
‘(1) The planning Minister and the transport Minister may return a draft plan prepared by the port operator for amendment in the way directed by the planning Minister and the transport Minister.	24 25 26 27
‘(2) A copy of the direction must be published in the gazette within 21 days after it is given.	28 29

‘283ZE Approval of plans	1
‘(1) The planning Minister and the transport Minister may jointly approve a draft plan if satisfied that—	2 3
(a) the draft plan, or Brisbane port LUP as amended by the draft plan, satisfactorily deals with the core matters relevant to the plan and the mandatory requirements of the plan under section 283S; and	4 5 6 7
(b) the port operator has taken appropriate account of issues raised in properly made submissions; and	8 9
(c) the Brisbane City Council does not have a substantial objection to the draft plan; and	10 11
(d) State interests will not be adversely affected by the draft plan.	12 13
‘(2) If the planning Minister and the transport Minister are satisfied about subsection (1)(a), (b) and (d) but are satisfied that the Brisbane City Council has a substantial objection to the draft plan, the draft plan may only be approved by the Governor in Council.	14 15 16 17 18
‘(3) Approval of the Brisbane port LUP, or an amendment of the plan, must be notified in the gazette within 21 days after it is given.	19 20 21
‘(4) The approval or amendment takes effect when it is notified in the gazette.	22 23
‘(5) As soon as practicable after the approval or amendment is notified in the gazette, the planning chief executive must give the port operator notice of the gazettal.	24 25 26
‘283ZF Port operator to publish approved plan	27
‘The port operator must ensure the Brisbane port LUP as approved under this division is published on its website.	28 29

‘283ZG Recovery of Ministers’ costs	1
‘The reasonable costs and expenses incurred by the planning Minister and the transport Minister in acting under this subdivision in relation to a draft plan are a debt payable by the port operator to the State.	2 3 4 5
‘Subdivision 4 Miscellaneous	6
‘283ZH Notification about Brisbane port LUP	7
‘If the Brisbane port LUP is approved or amended under subdivision 3, the planning chief executive must give written notice of the details of the plan or amendment to the Brisbane City Council.	8 9 10 11
‘283ZI Recording matters about Brisbane port LUP	12
‘(1) The Brisbane City Council must ensure there is a record—	13
(a) on each relevant map in its planning scheme identifying the land to which the Brisbane port LUP applies; and	14 15
(b) in the planning scheme stating that interested persons may obtain details of the Brisbane port LUP from the port operator.	16 17 18
‘(2) For the guideline made under the Planning Act, section 117(1), the making of the record is an administrative amendment to the planning scheme.	19 20 21
‘283ZJ Ministerial direction to port operator	22
‘(1) This section applies if the planning Minister and the transport Minister are satisfied—	23 24
(a) a minor amendment (LUP) is required for the Brisbane port LUP; or	25 26

(b)	the port operator has not complied with a requirement under subdivision 2 or 3 to make or amend the Brisbane port LUP.	1 2 3
‘(2)	The planning Minister and the transport Minister jointly may, by written notice, direct the port operator—	4 5
(a)	to make the minor amendment (LUP) within a stated reasonable period; or	6 7
(b)	comply with the requirement under subdivision 2 or 3 within a stated reasonable period.	8 9
‘(3)	The notice must state the reasons for deciding to give the direction.	10 11
‘(4)	Before giving a direction to the port operator under subsection (2), the Ministers must consult with the port operator.	12 13
‘(5)	The port operator must comply with the direction.	14
‘Division 4	Effect of land becoming or ceasing to be Brisbane core port land	15 16
‘283ZK	Effect of land becoming Brisbane core port land	17
‘(1)	This section applies if land becomes Brisbane core port land (<i>new port land</i>) at any time after the day the first Brisbane port LUP has effect.	18 19 20
‘(2)	The port operator must give written notice of the particulars of the new port land, including the date the land became Brisbane core port land, to—	21 22 23
(a)	the Brisbane City Council; and	24
(b)	the planning chief executive.	25
‘(3)	An entity given a notice under subsection (2) must ensure there is a record, on each relevant map in the council’s planning scheme held by the entity, indicating that the land is Brisbane core port land.	26 27 28 29

[s 113]

- ‘(4) If the new port land is land that is subject to a table of assessment for a precinct, the Brisbane port LUP applies to the land on and from the day it becomes Brisbane core port land. 1
2
3
4
- ‘(5) If subsection (4) does not apply to the new port land, the new port land continues to be subject to the planning scheme for the land until the Brisbane port LUP is amended to identify the land as Brisbane core port land. 5
6
7
8
- ‘(6) On and from the day land becomes Brisbane core port land— 9
- (a) the Brisbane City Council ceases to be the assessment manager in relation to the land; and 10
11
- (b) the planning chief executive is the assessment manager in relation to the land. 12
13

‘283ZL Effect of land ceasing to be Brisbane core port land 14

- ‘(1) This section applies if land (*former port land*) stops being Brisbane core port land. 15
16
- ‘(2) The port operator must give written notice of the particulars of the former port land, including the date it stopped being Brisbane core port land, to— 17
18
19
- (a) the Brisbane City Council; and 20
- (b) the planning chief executive. 21
- ‘(3) An entity given a notice under subsection (2) must ensure there is a record, on each relevant map in the council’s planning scheme held by the entity, indicating that the land is not Brisbane core port land. 22
23
24
25
- ‘(4) Subsections (5) to (7) apply if the former port land is, when it stops being Brisbane core port land, unzoned land. 26
27
- ‘(5) While the former port land is unzoned land— 28
- (a) the Brisbane port LUP continues to apply to the land and the land is taken to be a part of the Brisbane City Council’s planning scheme; and 29
30
31

(b)	the Brisbane City Council is the assessment manager for a development application for development on the land that is assessable development for the Planning Act under the Brisbane port LUP even if the land is not part of, but adjoins, the council’s local government area.	1 2 3 4 5
‘(6)	When the former port land stops being unzoned land, the Brisbane port LUP does not apply to the land.	6 7
‘(7)	To the extent subsection (5) is inconsistent with the standard planning scheme provisions under the Planning Act, subsection (5) prevails.	8 9 10
‘(8)	Subsection (6) applies to former port land even if the Brisbane port LUP has not been amended to show the former port land is not included in the plan.	11 12 13
‘(9)	In this section— <i>unzoned land</i> means land that is not zoned for a purpose or use under a planning scheme.	14 15 16

(a)	core port infrastructure;	25
(b)	transport infrastructure;	26
(c)	core port infrastructure and transport infrastructure.	27

[s 113]

‘(2) Despite the Planning Act, the development is exempt development under that Act.	1 2
‘(3) Subsections (4) to (6) apply to development that is reconfiguring a lot, other than for a stated purpose mentioned in subsection (1).	3 4 5
‘(4) The development is assessable development requiring code assessment under the Planning Act and there are no referral agencies for the development.	6 7 8
‘(5) If a development application is only for the reconfiguring of a lot on Brisbane core port land, the application must be decided within 20 business days after the application is made.	9 10 11
‘(6) A condition can not be imposed on a development approval for reconfiguring a lot on Brisbane core port land if the condition requires a monetary payment to anyone.	12 13 14
‘283ZN Port prohibited development	15
‘(1) A development application or request for compliance assessment can not be made for development on Brisbane core port land if the development is port prohibited development.	16 17 18
‘(2) If a development application or request for compliance assessment is made and any part of the development applied for is port prohibited development, the application or request is taken not to have been made and IDAS does not apply to it.	19 20 21 22
‘(3) In this section— <i>request for compliance assessment</i> means a request for compliance assessment under the Planning Act, section 401.	23 24 25
‘283ZO Code assessment under Brisbane port LUP	26
‘(1) This section applies to any part of a development application requiring code assessment under the Brisbane port LUP for port related development.	27 28 29

‘(2) Subject to any requirements of a concurrence agency for the part of the application, the assessment manager must approve the part of the application if the port related development—	1 2 3
(a) is consistent with the Brisbane port LUP; and	4
(b) complies with all applicable codes for the development.	5
‘Subdivision 2 Provisions about assessment manager and referral agencies	6 7
‘283ZP Planning chief executive is assessment manager for particular development	8 9
‘(1) The planning chief executive is the assessment manager for the following development—	10 11
(a) material change of use of premises completely or partly on Brisbane core port land if the development is assessable development for the Planning Act under the Brisbane port LUP;	12 13 14 15
(b) reconfiguring a lot completely or partly on Brisbane core port land if the development is assessable development for the Planning Act under this part;	16 17 18
(c) operational work completely on Brisbane core port land if the development is assessable development for the Planning Act under the Brisbane port LUP.	19 20 21
‘(2) If the planning chief executive is the assessment manager for development mentioned in subsection (1), the planning chief executive must assess the development against the Brisbane port LUP.	22 23 24 25
‘(3) Also, in assessing the development, the planning chief executive must have regard to each State planning instrument applicable to the development.	26 27 28

‘Division 6	Dealings with Brisbane port land	14
‘283ZZL Definitions for div 6		15
	‘In this division—	16
	<i>Minister</i> means the Minister administering the Land Act.	17
	<i>port land</i> means land that is, or is needed as, Brisbane core port land.	18 19
	<i>port lease</i> means a lease held under the Land Act by—	20
(a)	the Port of Brisbane Corporation; or	21
(b)	a subsidiary of the Port of Brisbane Corporation; or	22
(c)	the port lessor.	23
‘283ZZM Grant of port land		24
(1)	If land (including reclaimed land) above high-water mark is port land—	25 26

(a) the Governor in Council may issue to the port lessor, without competition, a deed of grant over all or part of the land; or	1 2 3
(b) the Minister may issue to the port lessor, without competition, a lease over all or part of the land for either a term of years or in perpetuity.	4 5 6
‘(2) If land below high-water mark is port land the Minister may issue to the port lessor, without competition, a lease over all or part of the land for either a term of years or in perpetuity.	7 8 9
‘(3) If tenure over port land is to be issued to the port lessor, the Governor in Council or the Minister may include that land with freehold land or a lease held by the port lessor.	10 11 12
‘(4) If a deed of grant is issued for reclaimed land under this division, or if reclaimed land is included in freehold land under this division, the purchase price for the land is nil.	13 14 15
‘(5) If reclaimed land is already held under a lease, the lease must be surrendered before a new lease or deed of grant is issued under this section.	16 17 18
‘(6) The following provisions of the Land Act do not apply if this section applies—	19 20
(a) section 16;	21
(b) chapter 4, part 1, division 1;	22
(c) section 127;	23
(d) section 155(1).	24
‘283ZZN Leases and licences under Land Act	25
‘(1) This section applies to any of the following dealings affecting land—	26 27
(a) a transfer under the Land Act, section 322 of a sublease;	28
(b) a sublease under the Land Act, section 332;	29
(c) an amendment under the Land Act, section 336 of a sublease;	30 31

[s 113]

- (d) the creation under the Land Act, section 362 of an easement that burdens or benefits a sublease; 1
2
- (e) the registration under the Land Act, section 363 of an easement that burdens or benefits a sublease; 3
4
- (f) an amendment under the Land Act, section 370 of a registered easement that burdens or benefits a sublease. 5
6
- ‘(2) If land affected by the dealing is held under a port lease or a sublease of a port lease, despite a provision of the Land Act mentioned in subsection (1) the Minister’s approval is not required for the dealing or the registration of a document for the dealing. 7
8
9
10
11
- ‘(3) If a port entity holds a lease under the Land Act of port land, or a sublease of a trade lease of land, the port entity may grant a licence to enter and use the land. 12
13
14
- ‘(4) Subsection (3) is subject to any condition of the lease that prohibits or restricts the grant of a licence. 15
16
- ‘(5) To remove any doubt, it is declared that the Minister’s approval under the Land Act is not required for the grant of a licence under this section. 17

‘283ZZO Amendment of area of subleases of port land 23

- ‘(1) An amendment to a sublease of a port lease may increase or decrease the subleased area. 24
25
- ‘(2) To remove any doubt, it is declared that an amendment under this section increasing the area of a sublease does not constitute the surrender of a lease or sublease, or create a new lease or sublease. 26
27
28
29
- ‘(3) To remove any doubt, it is declared that an amendment under this section decreasing the area of a sublease does not 30
31

constitute the surrender of a lease or sublease of the remaining 1
area of the sublease, or create a new lease or sublease. 2

‘283ZZP Delegation by Minister 3

’The Minister may delegate a function or power under this 4

‘289S Words have the same meaning as in the Water Supply Act	21 22
‘A word used in this part and defined in the Water Supply Act has the same meaning as in the Water Supply Act.	23 24

‘289T Port operator is service provider	1
‘(1) This section applies in relation to infrastructure for supplying water services or sewerage services owned by the port lessor in relation to the Port of Brisbane.	2 3 4
‘(2) For the purposes of the Water Supply Act—	5
(a) a port operator, other than the port lessor, is taken to be—	6 7
(i) a water service provider for infrastructure for supplying water services; and	8 9
(ii) a sewerage service provider for infrastructure for supplying sewerage services; and	10 11
(b) if there is a port operator other than the port lessor—the port lessor is taken not to supply water services or sewerage services.	12 13 14
‘289U Entry into service provider register	15
‘(1) If section 289T applies—	16
(a) as soon as practicable after an entity other than the port lessor becomes a port operator, the entity must give the regulator any information requested by the regulator for the purpose of registration as a service provider; and	17 18 19 20
(b) the regulator must—	21
(i) register the entity in the service provider register as a service provider for the relevant services; and	22 23
(ii) give the entity notice of the registration; and	24
(c) the Water Supply Act, sections 21 and 22 do not apply to the registration.	25 26
‘(2) The entity is a water service provider or sewerage service provider from the day it becomes a port operator, regardless of when it is registered.	27 28 29

‘289V Sewerage infrastructure for Port of Brisbane	1
‘(1) For the purposes of the Water Supply Act, chapter 2, part 3, division 4 and part 6, and sections 193, 330 and 331—	2 3
(a) the relevant distributor-retailer is taken to be a sewerage service provider in respect of sewerage infrastructure owned by the port lessor in relation to the Port of Brisbane; and	4 5 6 7
(b) sewerage infrastructure mentioned in paragraph (a) is taken to be part of the relevant distributor-retailer’s infrastructure.	8 9 10
‘(2) The port lessor or, if there is a port operator other than the port lessor, the port operator must give the relevant distributor-retailer information about the sewerage infrastructure mentioned in subsection (1)(a) reasonably requested by the relevant distributor-retailer in relation to the grant or administration of trade waste approvals.	11 12 13 14 15 16
‘(3) In this section—	17
<i>relevant distributor-retailer</i> means the Brisbane City Council or another entity that owns the infrastructure connected to the sewerage infrastructure mentioned in subsection (1)(a).	18 19 20
‘289W No affect on ownership	21
‘This part does not affect the ownership of any infrastructure for supplying water or sewerage services.	22 23
‘289X Port land trade waste approvals	24
‘(1) This section applies to instruments issued before the commencement of this section—	25 26
(a) purportedly as trade waste approvals for the purposes of the Water Supply Act, chapter 2, part 6; and	27 28
(b) by the Brisbane City Council to an occupant of land at the Port of Brisbane.	29 30

‘(2) The instruments are taken to be trade waste approvals issued on the commencement of this section for the purposes of the Water Supply Act.	1 2 3
‘Part 4E Port of Brisbane—other matters	4 5
‘289Y Declaration of port lessor and port lessees	6
‘(1) The Treasurer may, by gazette notice—	7
(a) declare an entity to be the port lessor for the Port of Brisbane; or	8 9
(b) if an entity holds any Brisbane core port land under a lease, sublease or licence from the port lessor—declare the entity to be a port lessee for the Port of Brisbane.	10 11 12
‘(2) For subsection (1)(b), it does not matter whether the entity enters into the lease, sublease or licence with the port lessor or is an assignee of that instrument.	13 14 15
‘289Z Delegation by port lessor to port lessee or port manager	16 17
‘(1) The port lessor may delegate a function under this chapter, other than under part 3A, to a port lessee or port manager.	18 19
<i>Note—</i>	20
See the <i>Acts Interpretation Act 1954</i> , section 27A.	21
‘(2) It is a condition of a lease of Brisbane core port land that the port lessee must comply with, or ensure a port manager complies with, the lawful directions of the port lessor in relation to the performance of delegated functions.	22 23 24 25
‘(3) A regulation or the conditions of a delegation may require the port lessee or port manager to establish a system for monitoring, and receiving and dealing with complaints about, the performance of delegated functions.	26 27 28 29

[s 122]

‘(4) In this section—	1
<i>delegated function</i> means a function of the port lessor delegated to a port lessee or port manager.	2 3
<i>function</i> includes power.	4
‘289ZA Appointment of port manager	5
‘(1) The port lessor may appoint an entity as a port manager for the Port of Brisbane.	6 7
‘(2) A port lessee may, with the written approval of the port lessor, appoint an entity as a port manager for the Port of Brisbane.	8 9
‘289ZB Liability for acts of authorised officers and others, and related matters	10 11
‘(1) If a person is appointed as an authorised officer by a delegate of the port lessor—	12 13
(a) the person is not an officer, employee or agent of the port lessor only because of that appointment; and	14 15
(b) the port lessor is not civilly liable for an act done, or omission made, by the person as an authorised officer.	16 17
‘(2) If subsection (1) prevents a civil liability attaching to the port lessor, the liability attaches instead to the delegate.	18 19
‘(3) An authorised officer is not civilly liable for an act done, or omission made, by the officer for a port operator honestly and without negligence.	20 21 22
‘(4) If subsection (3) prevents a civil liability attaching to an authorised officer, the liability attaches instead to the delegate that appointed the officer.	23 24 25
‘(5) An employee of the port lessor or person acting for the port lessor, is not civilly liable for an act done, or omission made, by the employee or person for the port lessor honestly and without negligence.	26 27 28 29

‘(6) If subsection (5) prevents a civil liability attaching to an employee or person, the liability attaches instead to the port lessor.	1 2 3
‘289ZC Application of particular local laws to Brisbane core port land	4 5
‘(1) The following local laws of the Brisbane City Council do not apply to Brisbane core port land—	6 7
(a) local laws 6 (Streets, bridges, culverts etc.), 11 (Sundry matters relating to structures), 13 (Foreshore and retaining walls) and 14 (Parking and control of traffic);	8 9 10
(b) Heavy and Long Vehicle Parking Local Law 1999.	11
‘(2) Also, a regulation may provide that a stated local law does not apply, or does not apply to a stated extent, or applies with stated changes, to Brisbane core port land.	12 13 14
‘(3) The regulation may fix, as the time of effect, the day fixed for another matter under a gazette notice made under another provision of this Act.	15 16 17
<i>Example—</i>	18
The regulation may fix, as the time of effect, the day on which notice is published of the first land use plan for Brisbane core port land.	19 20
‘(4) In this section—	21
<i>time of effect</i> means the day on which a stated local law stops applying, or stops applying to a stated extent, or starts applying with stated changes, to Brisbane core port land.	22 23 24
‘289ZD Delayed application of new local laws to Brisbane core port land	25 26

‘Subdivision 2	Franchised light rail	1
‘377B	Power to enter into light rail franchise agreements	2
‘(1)	The Minister may, for the State, enter into an agreement (a <i>light rail franchise agreement</i>) with a person under which, or as part of which, the person is to invest in 1 or more of the following—	3 4 5 6
	(a) works for, or associated with, establishing a light rail;	7
	(b) designing light rail transport infrastructure;	8
	(c) constructing light rail transport infrastructure;	9
	(d) maintaining light rail transport infrastructure;	10
	(e) managing light rail transport infrastructure;	11
	(f) operating light rail transport infrastructure;	12
	(g) operating a public passenger service using light rail transport infrastructure.	13 14
‘(2)	The agreement must be consistent with—	15
	(a) the coordination plan; and	16
	(b) the objectives of this Act; and	17
	(c) the current transport infrastructure strategies; and	18
	(d) the obligations about government supported transport infrastructure set out in section 9.	19 20
‘(3)	The agreement may include, for example, provisions about any or all of the following—	21 22
	(a) the ownership of the light rail transport infrastructure;	23
	(b) the transfer of rights under the light rail franchise agreement;	24 25
	(c) the granting of security in relation to the light rail transport infrastructure;	26 27
	(d) charges for the use of the light rail transport infrastructure;	28 29

(e)	administration charges in relation to the charges mentioned in paragraph (d);	1 2
(f)	the safety and standard of the light rail transport infrastructure;	3 4
(g)	for an agreement relating to operating a public passenger service using light rail transport infrastructure—	5 6 7
(i)	the level of the service that is to be provided; and	8
(ii)	performance measures relating to the operation of the service;	9 10
(h)	any other matter that the Minister considers necessary or desirable in the circumstances.	11 12
‘377C	Operating public passenger service under agreement	13 14
‘(1)	This section applies if a light rail franchise agreement relates to operating a public passenger service using light rail transport infrastructure.	15 16 17
‘(2)	The <i>Transport Operations (Passenger Transport) Act 1994</i> , chapter 6 does not apply to the light rail franchise agreement or the operation of the public passenger service.	18 19 20
‘(3)	The <i>Transport Operations (Passenger Transport) Regulation 2005</i> , part 8 does not apply in relation to the operation of the public passenger service or the operation of a light rail vehicle for the service.	21 22 23 24
‘377D	Tabling of light rail franchise agreements	25
‘(1)	The Minister must table each light rail franchise agreement and each amendment of a light rail franchise agreement in the Legislative Assembly as soon as practicable after it is entered into.	26 27 28 29

[s 178]

- ‘(2) However, subsection (1) does not require the Minister to table
a part of a light rail franchise agreement or amendment of a
light rail franchise agreement if—
- (a) the person with whom the State has entered the
agreement gives the Minister a written notice claiming
the part of the agreement or amendment should be
treated as confidential on the grounds of commercial
confidentiality; and
 - (b) the Minister reasonably considers the part of the
agreement or amendment would be—
 - (i) exempt information under the *Right to Information
Act 2009*; or
 - (ii) information disclosure of which could reasonably
be expected to cause a public interest harm as
mentioned in the *Right to Information Act 2009*,
schedule 4, part 4, item 7.’.
- ‘377E Report on operation of division**
- ‘Each annual report of the department must include a report
on the operation of this division during the financial year to
which the report relates.
- ‘377F Recovery of money**
- ‘If a light rail franchise agreement provides that the Minister
may recover an amount from a franchisee, the amount may be
recovered as a debt payable by the franchisee to the State.
- ‘377G Rateability of land**
- ‘(1) A regulation may provide that light rail franchise agreement
land is not rateable land under the *Local Government Act
1993* or *Local Government Act 2009*.
- ‘(2) In this section—

light rail franchise agreement land means land on which is situated a light rail or light rail transport infrastructure to which a light rail franchise agreement applies.

‘377H Guarantees and undertakings

‘For giving guarantees or undertakings to a franchisee, the *Statutory Bodies Financial Arrangements Act 1982* sections 14, 16, 18, 19 and 20 and part 3, division 3 apply, with all necessary changes and any changes prescribed under a regulation, to the franchisee as if the franchisee were a statutory body within the meaning of that Act.

Editor’s note—

Statutory Bodies Financial Arrangements Act 1982, sections 14 (Conditions precedent to financial arrangements and other matters), 16 (Guarantees for the State), 18 (Requirement for security), 19 (Guarantee may include waiver of immunity and other provisions) and 20 (Guarantee not affected by transfer under guarantee) and part 3, division 3 (Consequences if payment required under guarantee)

- (b) on which light rail transport infrastructure is situated. 30

‘377K Meaning and scope of <i>light rail interface agreement</i>	1
‘(1) A <i>light rail interface agreement</i> is an agreement that provides for the following—	2 3
(a) identifying light rail interface issues for the light rail interface covered by the agreement;	4 5
(b) measures for managing the identified light rail interface issues, and implementing the measures;	6 7
(c) the evaluation, testing and, if necessary, revision of the measures mentioned in paragraph (b);	8 9
(d) the roles and responsibilities of each party to the agreement in relation to the measures mentioned in paragraph (b);	10 11 12
(e) the procedures by which each party will monitor compliance with the obligations under the agreement;	13 14
(f) a process for keeping the agreement under review and how any review will be conducted and implemented;	15 16
(g) enforcing rights or obligations under the agreement, including, for example, a dispute resolution process.	17 18
‘(2) A light rail interface agreement—	19
(a) may provide for a matter by applying, adopting or incorporating a matter contained in another document (with or without modification); and	20 21 22
(b) may consist of 2 or more documents.	23
‘(3) A light rail interface agreement must be consistent with—	24
(a) the objectives of this Act mentioned in section 2; and	25
(b) the objectives of other transport laws.	26
‘377L Declaration of light rail interface management area	27
‘(1) The chief executive may, by gazette notice, declare land or part of land to be a light rail interface management area if—	28 29
(a) there is a light rail interface on the land or part; and	30

[s 178]

- (b) the chief executive reasonably believes— 1
- (i) the light rail interface creates or is likely to create 2
light rail interface issues; and 3
- (ii) light rail interface arrangements should be in place 4
to deal with the light rail interface issues or 5
potential light rail interface issues. 6
- ‘(2) Before making the declaration, the chief executive must— 7
- (a) give the persons the chief executive considers may be 8
affected by the declaration written notice of the chief 9
executive’s proposal to make the declaration; and 10
- Examples of persons who may be affected by the declaration—* 11
- a person who owns, manages, controls or is otherwise 12
responsible for a thing or place in relation to which the light rail 13
interface issues or potential light rail interface issues exist 14
- (b) give the persons a reasonable opportunity to make 15
submissions to the chief executive in relation to the 16
proposed declaration; and 17
- (c) have regard to any submissions made by the persons. 18
- ‘(3) Land declared to be a light rail interface management area 19
must be— 20
- (a) identified specifically in the gazette notice; or 21
- (b) identified generally in the gazette notice, and identified 22
specifically in documents described in the gazette notice 23
and available for perusal at an office of the department 24
mentioned in the gazette notice. 25
- ‘(4) The identification of land declared to be a light rail interface 26
management area may, but need not, be by reference to strata 27
occupied by the land. 28
- ‘(5) In this section— 29
- light rail interface arrangements* means— 30
- (a) light rail interface agreements; or 31
- (b) arrangements under section 377O. 32

‘377M Particular persons may enter into light rail interface agreement	1 2
‘(1) This section applies if—	3
(a) there is a light rail interface; and	4
(b) a person (<i>first person</i>) owns, manages, controls or is otherwise responsible for light rail, light rail land, light rail transport infrastructure or light rail transport infrastructure works the subject of the light rail interface; and	5 6 7 8 9
<i>Examples of persons for paragraph (b)—</i>	10
light rail manager, light rail operator, the chief executive	11
(c) another person (<i>second person</i>) owns, manages, controls or is otherwise responsible for a relevant thing or place the subject of the light rail interface; and	12 13 14
<i>Examples of persons for paragraph (c)—</i>	15
owner or occupier, a local government, chief executive, public utility plant provider	16 17
(d) the light rail interface is in a light rail interface management area.	18 19
‘(2) The first person and second person may enter into a light rail interface agreement for the light rail interface.	20 21
‘(3) In this section—	22
<i>relevant thing or place</i> means a thing or place mentioned in section 377J, definition <i>light rail interface</i> , paragraph (b)(i) or (ii).	23 24 25
‘377N Failure to enter into light rail interface agreement	26
‘(1) This section applies if the chief executive is satisfied—	27
(a) that, under section 377M, a person is seeking to enter into a light rail interface agreement with another person and the agreement has not been entered into because the other person—	28 29 30 31

[s 178]

- (i) is unreasonably refusing or failing to enter into a light rail interface agreement with the person; or
 - (ii) is unreasonably delaying the negotiation of a light rail interface agreement with the person; or
 - (b) that—
 - (i) section 377M applies in relation to persons for a light rail interface in a light rail management area; and
 - (ii) the persons have not made a reasonable attempt to enter into a light rail interface agreement for the interface.
- ‘(2) The chief executive may be satisfied for subsection (1)(b) only if it has been at least 60 days after the declaration of the light rail interface management area mentioned in the subsection.
- ‘(3) The chief executive may give the persons mentioned in subsection (1)(a) or (b) a written notice (a *preliminary notice*) that—
- (a) states the chief executive’s powers under this division, including that the chief executive may give a direction under section 377O at any time after a stated date that is at least 28 days after the preliminary notice is given; and
 - (b) includes copies of this section and section 377O; and
 - (c) identifies the light rail interface issues that the chief executive reasonably considers should be dealt with by a light rail interface agreement between the persons.
- ‘(4) The preliminary notice may contain suggested terms for inclusion in a light rail interface agreement to deal with the light rail interface issues mentioned in subsection (3)(c).
- ‘(5) The chief executive may, by written notice, ask a person to whom a preliminary notice was given for information the chief executive reasonably requires for giving a direction under section 377O.

-
- ‘(6) A person to whom a written notice is given under subsection 1
(5) must comply with the notice, unless the person has a 2
reasonable excuse. 3
Maximum penalty for subsection (6)—60 penalty units. 4

‘3770 Direction about arrangement that is to apply 5

- ‘(1) This section applies if— 6
- (a) the chief executive gives a preliminary notice under 7
section 377N to persons; and 8
 - (b) the persons have not entered into a light rail interface 9
agreement to deal with the light rail interface issues 10
identified in the preliminary notice by the date stated in 11
the preliminary notice. 12
- ‘(2) The chief executive may— 13
- (a) decide the arrangements that are to apply in relation to 14
the light rail interface issues identified in the 15
preliminary notice; and 16
 - (b) direct the persons to implement the arrangements by a 17
stated date. 18
- ‘(3) A direction under subsection (2)(b) may be given at any time 19
after a day that is at least 28 days after the preliminary notice 20
is given. 21
- ‘(4) A direction given under subsection (2)(b) must be written and 22
state the following— 23
- (a) the arrangements decided by the chief executive that are 24
to apply in relation to the light rail interface issues 25
identified in the preliminary notice; 26
 - (b) the date by which the arrangements must be 27
implemented. 28

[s 178]

‘(5) A person to whom a direction is given under subsection (2)(b) must comply with the direction, unless the person has a reasonable excuse.	1 2 3
Maximum penalty for subsection (5)—200 penalty units.	4
‘377P Guidelines about light rail interfaces etc.	5
‘(1) The chief executive may make guidelines about the following—	6 7
(a) how persons may identify light rail interface issues that may affect them;	8 9
(b) measures that may be implemented to deal with particular light rail interface issues;	10 11
(c) standard terms that may be included in light rail interface agreements.	12 13
‘(2) The chief executive must—	14
(a) publish the guidelines, and the provisions of any document applied, adopted or incorporated by the guidelines, on the department’s website; and	15 16 17
(b) make copies of the guidelines, and the provisions of any document applied, adopted or incorporated by the guidelines, available for inspection, without charge, during normal business hours, at the places the chief executive considers appropriate.	18 19 20 21 22
‘Subdivision 4 Miscellaneous	23
‘377Q Severance of light rail transport infrastructure	24
‘(1) The chief executive may decide to sever light rail transport infrastructure from light rail land on which it is situated.	25 26
‘(2) If the chief executive makes a decision under subsection (1), the severed infrastructure is taken to be, and must be dealt with as, personal property separate from the land.	27 28 29

-
- ‘(3) A decision under subsection (1) takes effect on the day stated
in a notice given, for the purposes of this subsection, by the
chief executive to—
- (a) the owner of the light rail transport infrastructure; and
 - (b) each other person the chief executive knows, or ought reasonably to know, has an interest in the light rail transport infrastructure.
- ‘(4) The severance of light rail transport infrastructure from land under this section—
- (a) does not affect the right of the infrastructure to be situated on the land; and
 - (b) does not affect a person’s rights or obligations under a light rail franchise agreement relating to the infrastructure, other than to the extent stated in the agreement; and
 - (c) does not affect any right to drain water or sewage from the infrastructure across and through the land or to use any means of drainage of water or sewage from the facility across and through the land.
- ‘(5) In this section—
- light rail land* includes land—
- (a) held by the chief executive on behalf of the State; and
 - (b) on which light rail transport infrastructure is situated.
- light rail transport infrastructure* includes any part of light rail transport infrastructure.
- ‘377R Limited compensation for easements etc. or damage relating to overhead wiring for a light rail**
- ‘(1) This section applies in relation to the following—
- (a) a light rail overhead wiring easement;
 - (b) light rail overhead wiring damage.
-

[s 178]

- ‘(2) Despite anything to the contrary in the *Acquisition of Land Act 1967* or a provision of this chapter, compensation is not payable for—
- (a) the taking of a light rail overhead wiring easement that is an easement or other interest in land relating to a road; or
 - (b) light rail overhead wiring damage that occurs on or in relation to a road.
- ‘(3) Also, despite anything to the contrary in the *Acquisition of Land Act 1967* or a provision of this chapter, compensation is payable for the following only in accordance with subsections (4) to (8)—
- (a) the taking of a light rail overhead wiring easement that is not an easement or other interest in land relating to a road (***compensable taking of overhead wiring easement***);
 - (b) light rail overhead wiring damage that occurs other than on or in relation to a road (***compensable overhead wiring damage***).
- ‘(4) A relevant person may apply in writing to the chief executive for compensation for—
- (a) compensable taking of overhead wiring easement; or
 - (b) compensable overhead wiring damage.
- ‘(5) An application under subsection (4) must be made—
- (a) within 1 year after—

‘476B Power to require works to stop 16

‘(1) A person must not, without the chief executive’s written approval, carry out works on land if the works threaten, or are likely to threaten, the safety or operational integrity of transport infrastructure. 17
18
19
20

Maximum penalty—100 penalty units. 21

‘(2) If— 22

(a) a person is carrying out, or proposes to carry out, works on land; and 23
24

(b) the chief executive reasonably believes the works threaten, or are likely to threaten, the safety or operational integrity of transport infrastructure; 25
26
27

-
- the chief executive may give the person a written direction to stop, alter or not to start the works. 1
2
- ‘(3) The person must comply with the direction, unless the person has a reasonable excuse. 3
4
Maximum penalty—100 penalty units. 5
- ‘(4) If works are carried out contrary to subsection (1) or a direction under subsection (2), the chief executive may, by written notice, require the owner of the land where the works are situated to alter, demolish or take away the works within a stated reasonable time. 6
7
8
9
10
- ‘(5) The person must comply with the requirement, unless the person has a reasonable excuse. 11
12
Maximum penalty—100 penalty units. 13
- ‘(6) If the person does not comply with the requirement, the chief executive may— 14
15
- (a) alter, demolish or take away the works; or 16
- (b) alter, demolish or take away the works and recover the cost of doing so from the land’s owner as a debt payable by the owner. 17
18
19
- ‘(7) For this section, a person authorised by the chief executive may enter land and inspect works— 20
21
- (a) after giving 3 days written notice to the land’s owner or occupier; or 22
23
- (b) with the written agreement of the land’s owner or occupier; or 24
25
- (c) without notice or approval, if the chief executive reasonably believes there is an immediate and significant threat to the safety or operational integrity of the transport infrastructure. 26
27
28
29
- ‘(8) This section binds all persons, including the State, the Commonwealth and the other States. 30

‘476C Compensation 3

- ‘(1) This section applies if a person enters land under section
476B(7). 4
5
- ‘(2) An owner or occupier of the land may, by written notice given
to the chief executive— 6
7
- (a) claim compensation for loss or damage caused by the
entry on the land; or 8
9
- (b) claim compensation for the taking or use of materials; or 10
- (c) require the chief executive to carry out works in
restitution for the damage; or 11
12
- (d) require the chief executive to carry out works in
restitution for the damage and then claim compensation
for any loss or damage not restituted. 13
14
15
- ‘(3) The notice must be given— 16
- (a) within 1 year after the entry ends; or 17
- (b) at a later time allowed by the chief executive. 18
- ‘(4) The amount of compensation is— 19
- (a) the amount agreed between the parties; or 20
- (b) if the parties can not agree within a reasonable
time—the amount decided by a court with jurisdiction
for the recovery of the amount of compensation
claimed. 21
22
23
24
- ‘(5) However, the amount of compensation for damage to the land
and its fixtures, and for taking or use of materials, can not be
more than the amount that would have been awarded if the
land had been acquired. 25

‘476D Registration of notice about nature of works	1
‘(1) This section applies if the chief executive reasonably believes works of a particular nature that may be conducted on land are likely to threaten the safety or operational integrity of transport infrastructure.	2 3 4 5
‘(2) The chief executive may give the registrar of titles a signed notice—	6 7
(a) identifying the land; and	8
(b) identifying the nature of works that may be conducted on the land the chief executive reasonably believes is likely to threaten the safety or operational integrity of transport infrastructure; and	9 10 11 12
(c) stating that the owner of the land must obtain the chief executive’s written approval under section 168 or 476B before conducting works of that nature on the land.	13 14 15
‘(3) The registrar of titles must ensure a notice appears in the relevant register kept under the <i>Land Act 1994</i> or the <i>Land Title Act 1994</i> so that a search of the register will show that an owner of the land must obtain the chief executive’s written approval under section 168 or 476B before conducting works of the nature identified in the notice on the land.	16 17 18 19 20 21
‘(4) No fee is payable for registration of the notice.’.	22

‘86A Power to give notice in relation to discharge or likely discharge of pollutant	1 2
‘(1) This section applies if an authorised officer is satisfied on reasonable grounds that a ship has discharged, or is likely to discharge, pollutant into coastal waters.	3 4 5
‘(2) The authorised officer may—	6
(a) by written notice given to the owner or master of the ship, require the owner or master—	7 8
(i) to take stated reasonable action within a stated reasonable time; and	9 10
(ii) not to operate the ship, other than in a way approved by the authorised officer, until the authorised officer is satisfied on reasonable grounds that the ship is not likely to discharge pollutant into coastal waters; or	11 12 13 14 15
(b) attach a notice to the ship requiring that the ship not be operated by any person, other than in a way approved by the authorised officer, until the authorised officer is satisfied on reasonable grounds that the ship is not likely to discharge pollutant into coastal waters.	16 17 18 19 20
‘(3) The authorised officer may make a requirement under subsection (2)(a) orally and confirm the requirement by written notice as soon as practicable.	21 22 23
‘(4) The owner or master of a ship to whom a notice is given under subsection (2)(a) must comply with the requirement stated in the notice unless the owner or master has a reasonable excuse. Maximum penalty—200 penalty units.	24 25 26 27
‘(5) A person must not contravene a requirement under subsection (2)(b) unless the person has a reasonable excuse. Maximum penalty—200 penalty units.	28 29 30
‘(6) A person does not contravene this Act in relation to a discharge or likely discharge of pollutant from the ship for which an authorised officer issued a notice under subsection	31 32 33

[s 231]

(2) merely because the person complies with a requirement in the notice. 1

‘39Q	Improvement notice	22
‘(1)	This section applies if an authorised officer reasonably believes a person has contravened, is contravening or is likely to contravene a provision of this Act relating to the operation of a heavy vehicle.	23
		24
		25
		26

-
- ‘(2) The authorised officer may give the person a written notice (an *improvement notice*) requiring the person to remedy the contravention or likely contravention, or the matters or activities occasioning the contravention or likely contravention, before the date stated in the notice.
- ‘(3) The date stated in the notice must be at least 7 days after the person is given the notice.
- ‘(4) However, the authorised officer may state an earlier date if satisfied it is reasonably practicable for the person to comply with the notice before the earlier date.
- ‘(5) The improvement notice must state each of the following—
- (a) that the authorised officer reasonably believes a person has contravened, is contravening or is likely to contravene a provision of this Act relating to the operation of a heavy vehicle;
 - (b) the reasons for the belief;
 - (c) the provisions of this Act in relation to which the belief is held;
 - (d) the prescribed review information for the decision;
 - (e) that the notice is given under this section.
- ‘(6) The improvement notice may state the way the alleged contravention or likely contravention, or the matters or activities occasioning the alleged contravention or likely contravention, are to be remedied.
- ‘39R Contravention of improvement notice**
- ‘(1) A person who is subject to an improvement notice must not engage in conduct that results in a contravention of a requirement of the notice, unless the person has a reasonable excuse.
- Maximum penalty—80 penalty units.

[s 257]

- ‘(2) In a proceeding for an offence of engaging in conduct that results in a contravention of a requirement of an improvement notice, it is a defence if the person charged establishes that—
- (a) the alleged contravention or likely contravention; or
 - (b) the matters or activities occasioning the alleged contravention or likely contravention;
- were remedied within the period stated in the notice, though in a different way from that stated in the notice.

‘39S Amendment of improvement notice

- ‘(1) An improvement notice given by an authorised officer who is not a police officer may be amended by any authorised person who is not a police officer.
- ‘(2) An improvement notice given by a police officer may be amended by any police officer.
- ‘(3) An amendment of an improvement notice is effected by giving written notice stating the terms of the amendment to the person who is subject to the improvement notice.
- ‘(4) An amendment of an improvement notice is ineffective if it purports to deal with a contravention of a provision of this Act that is different from a provision stated in the improvement notice as first given.
- ‘(5) A notice of an amendment of an improvement notice must state the following—
- (a) the reasons for the amendment;
 - (b) the prescribed review information for the decision to make the amendment;
 - (c) that the notice of the amendment is given under this section.

-
- ‘39T Cancellation of improvement notice** 1
- ‘(1) An improvement notice given to a person by an authorised officer who is not a police officer may be cancelled by the chief executive. 2
3
4
- ‘(2) An improvement notice given to a person by a police officer may be cancelled by— 5
6
- (a) the commissioner; or 7
- (b) a police officer who has been appointed to exercise the powers under this subdivision and who is more senior in rank to the police officer who gave the notice to the person. 8
9
10
11
- ‘(3) Written notice of the cancellation must be given to the person to whom the improvement notice was given. 12
13
- ‘39U Clearance certificate** 14
- ‘(1) An authorised officer may issue a certificate stating that all or any stated requirements of an improvement notice have been complied with (a *clearance certificate*). 15
16
17
- ‘(2) A requirement of an improvement notice stops having effect when the person to whom the notice was given receives a clearance certificate stating that— 18
19
20
- (a) the requirement has been complied with; or 21
- (b) all requirements of the notice have been complied with. 22
- ‘39V Formal warning** 23
- ‘(1) Instead of taking proceedings against a person for a contravention of a provision of this Act, an authorised officer may give a formal warning to the person if the officer believes— 24
25
26
27
- (a) the person took reasonable steps to prevent the contravention and was unaware of the contravention; 28
29
and 30

[s 258]

- (b) the contravention is appropriate to be dealt with by way of a formal warning under this section. 1
2
- ‘(2) A formal warning must be in writing. 3
- ‘(3) A formal warning can not be given for— 4
 - (a) a substantial risk breach, or severe risk breach, of a mass, dimension or loading requirement; or 5
6
 - (b) a substantial risk breach, severe risk breach or critical risk breach under the fatigue management regulation. 7
8
- ‘(4) In this section— 9
 - proceedings* includes action by way of an infringement notice. 10

‘39W Withdrawal of formal warning 11

- ‘(1) Within 21 days after a formal warning is given to a person under section 39V, it may be withdrawn by— 12
13
 - (a) for a warning given by an authorised officer who is not a police officer—the chief executive; or 14
15
 - (b) for a warning given by a police officer—the commissioner. 16
17
- ‘(2) Written notice of the withdrawal must be given to the person to whom the warning was given. 18
19
- ‘(3) After the formal warning has been withdrawn, proceedings may be taken against the person for the contravention. 20
21
- ‘(4) In this section— 22
 - proceedings* includes action by way of an infringement notice.’. 23

responsible entity means— 11

(a) in relation to a State-controlled road under the *Transport Infrastructure Act 1994*, means the chief executive; or 12
13

(b) in relation to a road under the control of a local government, means the local government. 14
15

‘164AB Road compensation order 16

‘(1) If a court convicts a person of a heavy vehicle offence, the court may make an order (*road compensation order*) requiring the offender to pay to the responsible entity an amount by way of compensation for damage caused to any road infrastructure as a consequence of the commission of the offence. 17
18
19
20
21
22

‘(2) The road compensation order may be made on application by the prosecutor and is in addition to any other penalty imposed for the offence. 23
24
25

‘(3) The court may make the road compensation order if satisfied on the balance of probabilities that the commission of the offence caused or contributed to the damage. 26
27
28

-
- ‘(4) The road compensation order may be made when the court
convicts the person of the heavy vehicle offence or at any time
afterwards, but not later than the period within which a
prosecution for the offence could have been started.

‘164AC Assessment of compensation

- ‘(1) In making the road compensation order, the court may assess
the amount of compensation, or any other matter relevant to
the assessment.
- Example of any other matter—*
- the estimated cost of remedying the damage the subject of the road
compensation order
- ‘(2) In assessing the amount of compensation, the court may take
into account the matters it considers relevant, including all or
any of the following—
- (a) any evidence adduced in connection with the
prosecution of the offence;
 - (b) any evidence not adduced in connection with the
prosecution of the offence but adduced in connection
with the making of the proposed order;
 - (c) any certificate of the responsible entity stating that the
responsible entity maintains the relevant road;
 - (d) any other certificate of the responsible entity, including,
for example, a certificate—
 - (i) estimating the monetary value of all or any part of
the road infrastructure or of the damage to it; or
 - (ii) estimating the cost of remedying the damage; or
 - (iii) estimating the extent of the offender’s contribution
to the damage.

 - ‘(2) The certificate can not be used in the proceedings unless a copy of the certificate has been given to the defendant under subsection (1).
 - ‘(3) If the defendant intends to challenge a statement in the certificate, the defendant must give the responsible entity notice in writing of the intention to challenge (the *notice of intention to challenge*), stating the matters in the certificate that are intended to be challenged.
 - ‘(4) The defendant must give the notice of intention to challenge to the responsible entity at least 14 business days before the day fixed for the hearing.
 - ‘(5) If the defendant intends to challenge the accuracy of any measurement, analysis or reading in the certificate, the notice of intention to challenge must state—
 - (a) the reason why the defendant alleges the measurement, analysis or reading is inaccurate; and
 - (b) the measurement, analysis or reading the defendant considers to be correct.
 - ‘(6) The defendant can not challenge any matter in the certificate if the defendant has not complied with subsections (3) to (5), unless the court gives leave to do so in the interests of justice.

‘164AE Limits on amount of compensation

- 28
29
30
31
32
- ‘(1) If, in making the road compensation order, the court is satisfied that—
 - (a) the commission of the heavy vehicle offence contributed to the damage the subject of the order; but

(b) other factors not connected with the commission of the offence also contributed to the damage;	1 2
the court must limit the amount of the compensation payable by the offender to the amount the court assesses as being the offender's contribution to the damage.	3 4 5
'(2) The maximum amount of compensation can not exceed the monetary limit to the court's jurisdiction in civil proceedings.	6 7
'(3) The court may not include in the road compensation order any amount for—	8 9
(a) personal injury or death; or	10
(b) loss of income, whether sustained by the State or any other entity; or	11 12
(c) damage to any property, including a vehicle, that is not part of the road infrastructure.	13 14
'164AF Costs	15
'The court has the same power to award costs in relation to the proceedings for the road compensation order as it has under the <i>Uniform Civil Procedure Rules 1999</i> in relation to civil proceedings, and those rules apply with any necessary changes to the proceedings for the road compensation order.	16 17 18 19 20
'164AG Enforcement of compensation order and costs	21
'The road compensation order, and any award of costs, are enforceable as if they were a judgment of the court in civil proceedings.	22 23 24
'164AH Relationship with orders or awards of other courts and tribunals	25 26
'(1) A road compensation order may not be made if another court or tribunal has awarded compensatory damages or	27 28

[s 263]

compensation in civil proceedings in relation to the damage 1
the subject of the order based on the same or similar facts. 2

‘(2) If a court purports to make a road compensation order in the 3
circumstances mentioned in subsection (1)— 4

(a) the order is void to the extent it covers the same matters 5
as those covered by the other award; and 6

(b) any payment made under the order to the extent to 7
which it is void must be repaid by the responsible entity. 8

‘(3) The making of a road compensation order does not prevent 9
another court or tribunal from afterwards awarding damages 10
or compensation in civil proceedings in relation to the damage 11
the subject of the order based on the same or similar facts, but 12
the court or tribunal must take the order into account when 13
awarding damages or compensation. 14

‘(4) Nothing in this division affects or limits any liability to pay 15
compensation under the *Transport Infrastructure Act 1994*, 16
section 48 other than as provided by this section.’ 17

‘(1) The supervisory intervention order may require the person, at	2
the person’s own expense and for a stated period not	3
exceeding 1 year, to do any or all of the following—	4
(a) do stated things that the court considers will improve the	5
person’s compliance with a transport Act in relation to a	6
heavy vehicle, including, for example, the following—	7
(i) appointing or removing employees to or from	8
particular activities or positions;	9
(ii) training and supervising employees;	10
(iii) obtaining expert advice about maintaining	11
appropriate compliance;	12
(iv) installing monitoring, compliance, managerial or	13
operational equipment, including, for example,	14
intelligent transport system equipment;	15
(v) implementing monitoring, compliance, managerial	16
or operational practices, systems or procedures;	17
(b) conduct specified monitoring, compliance, managerial	18
or operational practices, systems or procedures subject	19
to the direction of the chief executive;	20
(c) give compliance reports to the chief executive or the	21
court or both as stated in the order;	22
(d) appoint a person to have the following responsibilities—	23
(i) to assist the person in improving compliance with	24
all, or stated aspects of, a transport Act in relation	25
to a heavy vehicle;	26
(ii) to monitor the person’s performance in complying	27
with all, or stated aspects of, a transport Act in	28
relation to a heavy vehicle and in complying with	29
the requirements of the order;	30
(iii) to give compliance reports to the chief executive or	31
the court or both as stated in the order.	32

-
- ‘(2) The supervisory intervention order may state matters that are to be dealt with in compliance reports and the form, manner and frequency in which the reports are to be prepared and given. 1

11
12
- ‘(5) In this section— 13
compliance report, in relation to a person the subject of a supervisory intervention order, means a report relating to— 14
15
- (a) the person’s compliance with— 16
- (i) a transport Act, or aspects of it, as stated in the order; and 17
18
- (ii) the requirements of the order; and 19
- (b) without limiting paragraph (a)— 20
- (i) things done by the person to ensure that any failure by the person to comply with a transport Act, or aspects of it, as stated in the order does not continue; and 21
22
23
24
- (ii) the results of those things having been done. 25
