 - (b) the investigator enters the place after obtaining the necessary consent or warrant. 15
16
- (2) If the investigator enters the place with the occupier’s consent, the investigator may seize a thing at the place if— 17
18
19
 - (a) the investigator reasonably believes the thing is evidence of an offence under this Act; and 20

- (3) If the investigator enters the place under a warrant, the investigator may seize the evidence for which the warrant was issued. 27

2
- (b) the seizure is necessary to prevent the thing being hidden, lost or destroyed. 3
4

62P Power to secure seized thing 5

- (1) Having seized a thing under this division, an investigator may— 6
7
 - (a) leave it at the place where it was seized (the *place of seizure*) and take reasonable action to restrict access to it; or 8
9
10
 - (b) move the thing from the place of seizure. 11
- (2) For subsection (1)(a), the investigator may, for example— 12
13
 - (a) seal the thing, or the entrance to the place of seizure, and mark the thing or place to show access to the thing or place is restricted; or 14
15
16
 - (b) for equipment—make it inoperable; or 17
 - (c) require a person the investigator reasonably believes is in control of the place or thing to do an act mentioned in paragraph (a) or (b) or anything else an investigator could do under subsection (1)(a). 18

**62S Receipt and information notice for seized
thing** 13
14

(1) This section applies if an investigator seizes anything under this division unless—	15 16
(a) the investigator reasonably believes there is no-one apparently in possession of the thing or it has been abandoned; or	17 18 19
(b) because of the condition, nature and value of the thing it would be unreasonable to require the investigator to comply with this section.	20 21 22
(2) The investigator must, as soon as practicable after seizing the thing, give an owner or person in control of the thing before it was seized—	23 24 25
(a) a receipt for the thing that generally describes the thing and its condition; and	26 27
(b) an information notice about the decision to seize it.	28 29
(3) However, if an owner or person from whom the thing is seized is not present when it is seized, the receipt and information notice may be given by	30 31 32

- leaving them in a conspicuous position and in a
reasonably secure way at the place at which the
thing is seized. 1
2
3
- (4) The receipt and information notice may— 4
- (a) be given in the same document; and 5
- (b) relate to more than 1 seized thing. 6
- (5) The investigator may delay giving the receipt and
information notice if the investigator reasonably
suspects giving them may frustrate or otherwise
hinder an investigation by the investigator under
this part. 7
8
9
10
11
- (6) However, the delay may be only for so long as the
investigator continues to have the reasonable
suspicion and remains in the vicinity of the place
at which the thing was seized to keep it under
observation. 12
13
14
15
16

62T Access to seized thing 17

- (1) Until a seized thing is forfeited or returned, the
investigator who seized the thing must allow an
owner of the thing— 18
19
20
- (a) to inspect it at any reasonable time and from
time to time; and 21
22
- (b) if it is a document—to copy it. 23
- (2) Subsection (1) does not apply if it is impracticable
or would be unreasonable to allow the inspection
or copying. 24
25
26
- (3) The inspection or copying must be allowed free of
charge. 27
28

62U Return of seized things 29

- (1) If a seized thing is not forfeited, the investigator
must return it to its owner— 30
31

-
- (a) at the end of 1 year; or 1
 - (b) if proceedings involving the thing are started 2
within 1 year, at the end of the proceedings 3
and any appeal from the proceedings. 4
 - (2) Despite subsection (1), unless a thing that has 5
been seized as evidence is forfeited, the 6
investigator must immediately return it to its 7
owner if the investigator stops being satisfied its 8
continued retention as evidence is necessary. 9

62V Forfeiture of seized things 10

- (1) The board may decide a thing that has been seized 11
under this division is forfeited to the board if the 12
board or an investigator— 13
 - (a) after making reasonable inquiries, can not 14
find an owner; or 15
 - (b) after making reasonable efforts, can not 16
return it to an owner; or 17
 - (c) reasonably believes it is necessary to keep 18
the thing to prevent it being used to commit 19
the offence for which it was seized. 20
- (2) However, for subsection (1)(a) and (b), the board 21
or investigator is not required to— 22
 - (a) make inquiries if it would be unreasonable 23
to make inquiries to find an owner; or 24
 - (b) make efforts if it would be unreasonable to 25
make efforts to return the thing to an owner. 26

Example for paragraph (b)— 27

The owner of the thing has migrated to another 28
country. 29
- (3) Regard must be had to the thing's condition, 30
nature and value in deciding— 31
 - (a) whether it is reasonable to make inquiries or 32
efforts; and 33

- (b) if inquiries or efforts are made—what 1
inquiries or efforts, including the period 2
over which they are made, are reasonable. 3

62W Information notice about forfeiture decision 4

- (1) If the board decides under section 62V(1) to 5
forfeit a seized thing, the board must as soon as 6
practicable give a person who owned the thing 7
immediately before the forfeiture (the *former* 8
owner) an information notice about the decision. 9
- (2) If the decision was made under section 62V(1)(a) 10
or (b), the information notice may be given by 11
leaving it at the place where the seized thing was 12
seized, in a conspicuous position and in a 13
reasonably secure way. 14
- (3) The information notice must state that the former 15
owner may apply for a stay of the decision if he or 16
she applies to the tribunal for a review of the 17
decision. 18
- (4) However, subsections (1) to (3) do not apply if— 19
- (a) the decision was made under section 20
62V(1)(a) or (b); and 21
- (b) the place where the seized thing was seized 22
is— 23
- (i) a public place; or 24
- (ii) a place where the notice is unlikely to 25
be read by the former owner. 26

- (3) The audited engineer must comply with the requirement, unless the audited engineer has a reasonable excuse.
- Maximum penalty—100 penalty units.
- (4) For subsection (3), it is a reasonable excuse for the audited engineer not to comply with the requirement if complying with the requirement might tend to incriminate the audited engineer or expose the audited engineer to a penalty.

	Division 7A Entry of places by investigators	13 14
	Subdivision 1 Power to enter	15
	62A General power to enter places	16
	(1) An investigator may enter a place if—	17
	(a) an occupier at the place consents under subdivision 2 to the entry and section 62D has been complied with for the occupier; or	18 19 20
	(b) it is a public place and the entry is made when the place is open to the public; or	21 22
	(c) the entry is authorised under a warrant and, if there is an occupier of the place, section 62I has been complied with for the occupier.	23 24 25
	(2) If the power to enter arose only because an occupier of the place consented to the entry, the	26 27

power is subject to any conditions of the consent 1
and ceases if the consent is withdrawn. 2

- (3) If the power to enter is under a warrant, the power 3
is subject to the terms of the warrant. 4

Subdivision 2 Entry by consent 5

62B Application of subdivision 6

This subdivision applies if an investigator intends 7
to ask an occupier of a place to consent to the 8
investigator or another investigator entering the 9
place under section 62A(1)(a). 10

62C Incidental entry to ask for access 11

For the purpose of asking the occupier for the 12
consent, an investigator may, without the 13
occupier's consent or a warrant— 14

(a) enter land around premises at the place to an 15
extent that is reasonable to contact the 16
occupier; or 17

(b) enter part of the place the investigator 18
reasonably considers members of the public 19
ordinarily are allowed to enter when they 20
wish to contact an occupier of the place. 21

62D Matters investigator must tell occupier 22

Before asking for the consent, the investigator 23
must— 24

(a) explain to the occupier the purpose of the 25
entry, including the powers intended to be 26
exercised; and 27

(b) tell the occupier that— 28

- (i) the occupier is not required to consent; 1
and 2
- (ii) the consent may be given subject to 3
conditions and may be withdrawn at 4
any time. 5

62E Consent acknowledgement 6

- (1) If the consent is given, the investigator may ask 7
the occupier to sign an acknowledgement of the 8
consent. 9
- (2) The acknowledgement must state— 10
 - (a) the purpose of the entry, including the 11
powers to be exercised; and 12
 - (b) that the occupier has been given an 13
explanation about the purpose of the entry, 14
including the powers intended to be 15
exercised; and 16
 - (c) that the occupier has been told— 17
 - (i) that the occupier is not required to 18
consent; and 19
 - (ii) that the consent may be given subject 20
to conditions and may be withdrawn at 21
any time; and 22
 - (d) that the occupier gives the investigator or 23
another investigator consent to enter the 24
place and exercise the powers; and 25
 - (e) the day and time the consent was given; and 26
 - (f) any conditions of the consent. 27
- (3) If the occupier signs the acknowledgement, the 28
investigator must immediately give a copy to the 29
occupier. 30
- (4) If— 31

-
- (a) an issue arises in a proceeding about whether the occupier consented to the entry; and
- (b) a signed acknowledgement complying with subsection (2) for the entry is not produced in evidence;
- the onus of proof is on the person relying on the lawfulness of the entry to prove the occupier consented.

Subdivision 3 Entry under warrant

62F Application for warrant

- (1) An investigator may apply to a magistrate for a warrant for a place.
- (2) The investigator must prepare a written application that states the grounds on which the warrant is sought.
- (3) The written application must be sworn.
- (4) The magistrate may refuse to consider the application until the investigator gives the magistrate all the information the magistrate requires about the application in the way the magistrate requires.

Example—

The magistrate may require additional information supporting the written application to be given by statutory declaration.

62G Issue of warrant

- (1) The magistrate may issue the warrant for the place only if the magistrate is satisfied there are reasonable grounds for suspecting there is at the place, or will be at the place within the next 7

days, a particular thing or activity that may provide evidence of an offence against this Act.	1 2
(2) The warrant must state—	3
(a) the place to which the warrant applies; and	4
(b) that a stated investigator or any investigator may with necessary and reasonable help and force—	5 6 7
(i) enter the place and any other place necessary for entry to the place; and	8 9
(ii) exercise the powers of the investigator; and	10 11
(c) particulars of the offence that the magistrate considers appropriate; and	12 13
(d) the name of the person suspected of having committed the offence unless the name is unknown or the magistrate considers it inappropriate to state the name; and	14 15 16 17
(e) the evidence that may be seized under the warrant; and	18 19
(f) the hours of the day or night when the place may be entered; and	20 21
(g) the magistrate's name; and	22
(h) the day and time of the warrant's issue; and	23
(i) the day, within 14 days after the warrant's issue, the warrant ends.	24 25
62H Defect in relation to a warrant	26
A warrant is not invalidated by a defect in—	27
(a) the warrant; or	28
(b) compliance with this subdivision;	29
unless the defect affects the substance of the warrant in a material particular.	30 31

62I Entry procedure	1
(1) This section applies if an investigator named in a warrant issued under this subdivision for a place is intending to enter the place under the warrant.	2 3 4
(2) Before entering the place, the investigator must do or make a reasonable attempt to do the following things—	5 6 7
(a) identify himself or herself to a person present at the place who is an occupier of the place by producing the investigator’s identity card or another document evidencing the investigator’s appointment;	8 9 10 11 12
(b) give the person a copy of the warrant;	13
(c) tell the person the investigator is permitted by the warrant to enter the place;	14 15
(d) give the person an opportunity to allow the investigator immediate entry to the place without using force.	16 17 18
(3) However, the investigator need not comply with subsection (2) if the investigator believes on reasonable grounds that immediate entry to the place is required to ensure the effective execution of the warrant is not frustrated.	19 20 21 22 23

Division 7B	General powers of investigators after entering places	24 25 26
--------------------	--	----------------

62J Application of division	27
(1) The powers under this division may be exercised if an investigator enters a place under section 62A.	28 29 30
(2) However, if the investigator enters a place to get	31

the occupier's consent to enter a place, this 1
division applies to the investigator only if the 2
consent is given or the entry is otherwise 3
authorised. 4

62K General powers 5

- (1) The investigator may do any of the following 6
(each a *general power*)— 7
- (a) search any part of the place; 8
 - (b) inspect, examine or film any part of the 9
place or anything at the place; 10
 - (c) take for examination a thing, or a sample of 11
or from a thing, at the place; 12
 - (d) take an extract from, or copy, a document at 13
the place, or take the document to another 14
place to copy; 15
 - (e) take into or onto the place any person, 16
equipment and materials the investigator 17
reasonably requires for exercising a power 18
under this division; 19
 - (f) remain at the place for the time necessary to 20
achieve the purpose of the entry. 21
- (2) The investigator may take a necessary step to 22
allow the exercise of a general power. 23
- (3) If the investigator takes a document from the 24
place to copy it, the investigator must copy the 25
document and return it to the place as soon as 26
practicable. 27
- (4) If the investigator takes from the place an article 28
or device reasonably capable of producing a 29
document from an electronic document to 30
produce the document, the investigator must 31
produce the document and return the article or 32
device to the place as soon as practicable. 33

(5) In this section—	1
<i>examine</i> includes analyse, test, account, measure, weigh, grade, gauge and identify.	2 3
<i>film</i> includes photograph, videotape and record an image in an other way.	4 5
<i>inspect</i> , a thing, includes open the thing and examine its contents.	6 7
62L Power to require reasonable help	8
(1) The investigator may make a requirement (a <i>help requirement</i>) of an occupier of the place or a person at the place to give the investigator reasonable help to exercise a general power, including, for example, to produce a document or to give information.	9 10 11 12 13 14
(2) When making the help requirement, the investigator must give the person an offence warning for the requirement.	15 16 17
62M Offence to contravene help requirement	18
(1) A person of whom a help requirement has been made must comply with the requirement unless the person has a reasonable excuse. Maximum penalty—50 penalty units.	19 20 21 22
(2) It is a reasonable excuse for an individual not to comply with a help requirement if complying might tend to incriminate the individual or expose the individual to a penalty.	23 24 25 26
Division 7C Power to seize evidence	27

62N Seizing evidence at a public place that may be entered without consent or warrant	1 2
(1) This section applies if an investigator enters a public place.	3 4
(2) The investigator may seize a thing at the public place if the investigator reasonably believes the thing is evidence of an offence against this Act.	5 6 7
62O Seizing evidence at a place that may only be entered with consent or warrant	8 9
(1) This section applies if—	10
(a) an investigator is authorised to enter a place under this part only with the consent of the occupier of the place or a warrant; and	11 12 13
(b) the investigator enters the place after obtaining the necessary consent or warrant.	14 15
(2) If the investigator enters the place with the occupier’s consent, the investigator may seize a thing at the place if—	16 17 18
(a) the investigator reasonably believes the thing is evidence of an offence under this Act; and	19 20 21
(b) seizure of the thing is consistent with the purpose of entry as explained to the occupier when asking for the occupier’s consent.	22 23 24 25
(3) If the investigator enters the place under a warrant, the investigator may seize the evidence for which the warrant was issued.	26 27 28
(4) The investigator may also seize anything else at the place if the investigator reasonably believes—	29 30
(a) the thing is evidence of an offence against this Act; and	31 32

-
- (b) the seizure is necessary to prevent the thing
being hidden, lost or destroyed. 1
2

62P Power to secure seized thing 3

- (1) Having seized a thing under this division, an
investigator may— 4
5
- (a) leave it at the place where it was seized (the
place of seizure) and take reasonable action
to restrict access to it; or 6
7
8
- (b) move the thing from the place of seizure. 9
- (2) For subsection (1)(a), the investigator may, for
example— 10
11
- (a) seal the thing, or the entrance to the place of
seizure, and mark the thing or place to show
access to the thing or place is restricted; or 12
13
14
- (b) for equipment—make it inoperable; or 15
- (c) require a person the investigator reasonably
believes is in control of the place or thing to
do an act mentioned in paragraph (a) or (b)
or anything else an investigator could do
under subsection (1)(a). 16
17
18
19
20

62Q Offence to contravene seizure requirement 21

A person must comply with a requirement made
of the person under section 62P(2)(c) unless the
person has a reasonable excuse. 22
23
24

Maximum penalty—50 penalty units. 25

62R Offence to interfere 26

- (1) If access to a seized thing is restricted under
section 62P, a person must not tamper with the
thing or with anything used to restrict access to
the thing without— 27
28
29
30

(a)	an investigator’s approval; or	1
(b)	a reasonable excuse.	2
	Maximum penalty—50 penalty units.	3
(2)	If access to a place is restricted under section 62P, a person must not enter the place in contravention of the restriction or tamper with anything used to restrict access to the place without—	4 5 6 7
(a)	an investigator’s approval; or	8
(b)	a reasonable excuse.	9
	Maximum penalty—50 penalty units.	10
62S	Receipt and information notice for seized thing	11 12
(1)	This section applies if an investigator seizes anything under this division unless—	13 14
(a)	the investigator reasonably believes there is no-one apparently in possession of the thing or it has been abandoned; or	15 16 17
(b)	because of the condition, nature and value of the thing it would be unreasonable to require the investigator to comply with this section.	18 19 20
(2)	The investigator must, as soon as practicable after seizing the thing, give an owner or person in control of the thing before it was seized—	21 22 23
(a)	a receipt for the thing that generally describes the thing and its condition; and	24 25
(b)	an information notice about the decision to seize it.	26 27
(3)	However, if an owner or person from whom the thing is seized is not present when it is seized, the receipt and information notice may be given by leaving them in a conspicuous position and in a reasonably secure way at the place at which the	28 29 30 31 32

thing is seized. 1

- (4) The receipt and information notice may— 2
- (a) be given in the same document; and 3
 - (b) relate to more than 1 seized thing. 4
- (5) The investigator may delay giving the receipt and 5
information notice if the investigator reasonably 6
suspects giving them may frustrate or otherwise 7
hinder an investigation by the investigator under 8
this part. 9
- (6) However, the delay may be only for so long as the 10
investigator continues to have the reasonable 11
suspicion and remains in the vicinity of the place 12
at which the thing was seized to keep it under 13
observation. 14

62T Access to seized thing 15

- (1) Until a seized thing is forfeited or returned, the 16
investigator who seized the thing must allow an 17
owner of the thing— 18
- (a) to inspect it at any reasonable time and from 19
time to time; and 20
 - (b) if it is a document—to copy it. 21
- (2) Subsection (1) does not apply if it is impracticable 22
or would be unreasonable to allow the inspection 23
or copying. 24
- (3) The inspection or copying must be allowed free of 25
charge. 26

62U Return of seized things 27

- (1) If a seized thing is not forfeited, the investigator 28
must return it to its owner— 29
- (a) at the end of 1 year; or 30

(b)	if proceedings involving the thing are started within 1 year, at the end of the proceedings and any appeal from the proceedings.	1 2 3
(2)	Despite subsection (1), unless a thing that has been seized as evidence is forfeited, the investigator must immediately return it to its owner if the investigator stops being satisfied its continued retention as evidence is necessary.	4 5 6 7 8
62V Forfeiture of seized things		9
(1)	The board may decide a thing that has been seized under this division is forfeited to the board if the board or an investigator—	10 11 12
(a)	after making reasonable inquiries, can not find an owner; or	13 14
(b)	after making reasonable efforts, can not return it to an owner; or	15 16
(c)	reasonably believes it is necessary to keep the thing to prevent it being used to commit the offence for which it was seized.	17 18 19
(2)	However, for subsection (1)(a) and (b), the board or investigator is not required to—	20 21
(a)	make inquiries if it would be unreasonable to make inquiries to find an owner; or	22 23
(b)	make efforts if it would be unreasonable to make efforts to return the thing to an owner.	24 25
	<i>Example for paragraph (b)—</i>	26
	The owner of the thing has migrated to another country.	27 28
(3)	Regard must be had to the thing's condition, nature and value in deciding—	29 30
(a)	whether it is reasonable to make inquiries or efforts; and	31 32

-
- (b) if inquiries or efforts are made—what 1
inquiries or efforts, including the period 2
over which they are made, are reasonable. 3

62W Information notice about forfeiture decision 4

- (1) If the board decides under section 62V(1) to 5
forfeit a seized thing, the board must as soon as 6
practicable give a person who owned the thing 7
immediately before the forfeiture (the *former* 8
owner) an information notice about the decision. 9
- (2) If the decision was made under section 62V(1)(a) 10
or (b), the information notice may be given by 11
leaving it at the place where the seized thing was 12
seized, in a conspicuous position and in a 13
reasonably secure way. 14
- (3) The information notice must state that the former 15
owner may apply for a stay of the decision if he or 16
she applies to the tribunal for a review of the 17
decision. 18
- (4) However, subsections (1) to (3) do not apply if— 19
- (a) the decision was made under section 20
62V(1)(a) or (b); and 21
- (b) the place where the seized thing was seized 22
is— 23
- (i) a public place; or 24
- (ii) a place where the notice is unlikely to 25
be read by the former owner. 26

62X When thing becomes property of the board 27

- A thing becomes the property of the board if the 28
thing is forfeited to the board under section 62V. 29

62Y How property may be dealt with

- | | |
|---|----------------------|
| | 1 |
| (1) This section applies if, under section 62X, a thing becomes the property of the board. | 2
3 |
| (2) The board may deal with the thing as the board considers appropriate, including, for example, by destroying it or giving it away. | 4
5
6 |
| (3) The board must not deal with the thing in a way that could prejudice the outcome of an appeal against the forfeiture under this part. | 7
8
9 |
| (4) If the board sells the thing, the board must, after deducting the costs of the sale, make reasonable efforts to return the proceeds of the sale to the former owner of the thing. | 10
