### **Entry and search—monitoring compliance**

22.(1) Subject to subsection (2), an inspector may, for the purpose of finding out whether the requirements of this Act are being complied with—

- (a) enter or board any place; and
- (b) exercise the powers set out in section 24.

(2) An inspector must not enter or board a place, or exercise a power under subsection (1), unless—

(3) An inspector who is permitted by this section to enter or board a vehicle, vessel or aircraft may, for the purpose of effecting the entry or boarding and for the purpose of exercising any powers that the inspector is permitted to exercise, stop and detain the vehicle, vessel or aircraft.

### **Entry and search—evidence of offences**

**23.(1)** Subject to subsection (3), if an inspector has reasonable grounds for suspecting that there is in or on a place a particular thing (“**the evidence**”) that may afford evidence of the commission of an offence against this Act, the inspector may—

- (a) enter or board the place; and
- (b) exercise the powers set out in section 24.

(2) If an inspector enters or boards the place and finds the evidence, the following provisions have effect—

*Classification of Publications Act 1991*

---

- (c) if the evidence is a document—while the inspector has possession of the document, the inspector may take extracts from and make copies of the document but must allow the document to be inspected at any reasonable time by a person who would be entitled to inspect it if it were not in the inspector's possession.

**(3)** An inspector must not enter or board the place or exercise a power under subsection (1) unless—

- (a) the occupier (if any) of the place consents to the entry or boarding or exercise of the power; or

subsection (2) applies to the thing as if it were the evidence.

- (b) to inspect or examine anything in or on the place;
- (c) to take extracts from, and make copies of, any documents in or on the place;
- (d) to take into or onto the place such equipment and materials as the inspector requires for the purpose of exercising any powers in relation to the place;
- (e) to require the occupier or any person in or on the place to give to the inspector reasonable assistance in relation to the exercise of the inspector's powers mentioned in paragraphs (a) to (d).

(2) A person must not, without reasonable excuse, fail to comply with a requirement made under subsection (1)(e).

Maximum penalty—10 penalty units.

(3) It is a reasonable excuse for a person to fail to answer a question or produce a document if answering the question, or producing the document, might tend to incriminate the person.

### **Monitoring warrants**

**25.(1)** An inspector may apply to a Magistrate for a warrant under this section in relation to a particular place (other than a dwelling or that part of premises used as a dwelling).

(2) Subject to subsection (3), the Magistrate may issue the warrant if the Magistrate is satisfied, by information on oath, that it is reasonably necessary that the inspector should have access to the place for the purpose of finding out whether the requirements of this Act are being complied with.

(3) If the Magistrate requires further information concerning the grounds on which the issue of the warrant is being sought, the Magistrate must not issue the warrant unless the inspector or some other person has given the information to the Magistrate in the form (either orally or by affidavit) that the Magistrate requires.

(4) The warrant must—

- (a) authorise the inspector, with such assistance and by such force as is necessary and reasonable—

- (i) to enter the place; and
- (ii) to exercise the powers set out in section 24; and
- (b) state whether the entry is authorised to be made at any time of the day or night or during specified hours of the day or night; and
- (c) specify the day (not more than 6 months after the issue of the warrant) on which the warrant ceases to have effect; and
- (d) state the purpose for which the warrant is issued.

### **Offence related warrants**

**26.(1)** An inspector may apply to a Magistrate for a warrant under this section in relation to a particular place.

**(2)** Subject to subsection (3), the Magistrate may issue the warrant if the Magistrate is satisfied, by information on oath, that there are reasonable grounds for suspecting that there is, or there may be within the next 72 hours, in or on the place a particular thing (“**the evidence**”) that may afford evidence of the commission of an offence against this Act.

**(3)** If the Magistrate requires further information concerning the grounds on which the issue of the warrant is being sought, the Magistrate must not issue the warrant unless the inspector or some other person has given the information to the Magistrate in the form (either orally or by affidavit) that the Magistrate requires.

**(4)** The warrant must—

- (a) authorise the inspector, with such assistance and by such force as is necessary and reasonable—
  - (i) to enter the place; and
  - (ii) to exercise the powers set out in section 24; and
  - (iii) to seize the evidence; and
- (b) state whether the entry is authorised to be made at any time of the day or night or during specified hours of the day or night; and
- (c) specify the day (not more than 7 days after the issue of the warrant) on which the warrant ceases to have effect; and
- (d) state the purposes for which the warrant is issued.

**Offence related warrant may be granted by telephone**

**27.(1)** If, because of circumstances of urgency, an inspector considers it necessary to do so, the inspector may, under this section, apply by telephone for a warrant under section 26.

(2) Before applying for the warrant, the inspector must prepare an information of the kind mentioned in section 26(2) that sets out the grounds on which the issue of the warrant is sought.

(3) If it is necessary to do so, an inspector may apply for the warrant before the information has been sworn.

(4) If the Magistrate is satisfied—

- (a) after having considered the terms of the information; and
- (b) after having received such further information (if any) as the Magistrate requires concerning the grounds on which the issue of the warrant is being sought;

that there are reasonable grounds for issuing the warrant, the Magistrate may, under section 26, complete and sign such warrant as the Magistrate would issue under that section if the application had been made under that section.

(5) If the Magistrate completes and signs the warrant—

- (a) the Magistrate must—
  - (i) tell the inspector what the terms of the warrant are; and
  - (ii) tell the inspector the day on which and the time at which the warrant was signed; and
  - (iii) record on the warrant the reasons for granting the warrant; and
- (b) the inspector must—
  - (i) complete a form of warrant in the same terms as the warrant completed and signed by the Magistrate; and
  - (ii) write on the form of warrant the name of the Magistrate and the day on which and the time at which the Magistrate signed the warrant.

(6) The inspector must also, not later than the day after the day of expiry

or execution of the warrant (whichever is the earlier), send to the Magistrate—

- (a) the form of warrant completed by the inspector; and
- (b) the information mentioned in subsection (2), which must have been duly sworn.

(7) When the Magistrate receives the documents mentioned in subsection (6), the Magistrate must—

- (a) attach them to the warrant that the Magistrate completed and signed; and
- (b) deal with them in the way in which the Magistrate would have dealt with the information if the application for the warrant had been made under section 26.

(8) A form of warrant duly completed by the inspector under subsection (5) is authority for any entry, search, seizure or other exercise of a power that the warrant signed by the Magistrate authorises.

(9) If—

- (a) it is material, in a proceeding, for a court to be satisfied that an entry, search, seizure or other exercise of power was authorised by this section; and
- (b) the warrant completed and signed by the Magistrate authorising the exercise of power is not produced in evidence;

the court must assume, unless the contrary is proved, that the exercise of power was not authorised by such a warrant.

### **Additional power of inspector to seize publications**

**28.(1)** If—

- (a) a complaint is made to the publications classification officer about a publication; and
- (b) the publications classification officer reasonably believes that the publication is a prohibited publication;

the publications classification officer may direct an inspector to seize the publication from any place that the inspector may lawfully enter or board.

(2) The inspector may seize the publication from any such place.

(3) An inspector who seizes a publication under subsection (2) must, as soon as practicable, submit the publication to the publications classification officer for classification.

(4) If a publication seized under subsection (2) is classified as an unrestricted publication, the inspector must immediately return the publication.

### **Inspector may require name and address**

**29.(1)** An inspector who—

- (a) finds a person committing, or finds a person that the inspector reasonably suspects of having committed, an offence against this Act; or
- (b) is making inquiries or investigations with a view to establishing whether or not an offence against this Act has been committed by a person; or
- (c) is reasonably of the opinion that the name and address of a person is required for the purpose of—
  - (i) giving effect to a provision of this Act; or
  - (ii) enabling the inspector to carry out the inspector's functions under this Act;

may require the person to state the person's name and address and, if the inspector has reasonable grounds to believe that the name or address given is false, may require evidence of its correctness.

(2) A person who is required under subsection (1) to state the person's name or address must not—

- (a) fail to comply with the requirement; or
