PART 6—INVESTIGATION AND ENFORCEMENT

Inspector to produce identity card

45. An inspector who is not a police officer is not entitled to exercise powers under this Part in relation to another person unless the inspector first produces the inspector's identity card for inspection by the person.

Entry and search—monitoring compliance

46.(1) Subject to subsection (2), an inspector may, for the purpose of finding out whether the requirements of this Act are being complied with—

- (a) enter or board any place; and
- (b) exercise the powers set out in section 48.

(2) An inspector must not enter or board a place, or exercise a power under subsection (1), unless—

- (b) a warrant under section 49 authorises the entry or exercise of the power; or
- (c) the place is premises, or that part of premises, to which the public are admitted (whether or not for consideration) and the entry is made when members of the public attend or the premises are open for admission by the public.

(3) An inspector who is permitted by this section to enter or board a vehicle, vessel or aircraft may, for the purpose of effecting the entry or boarding and for the purpose of exercising any powers that the inspector is permitted to exercise, stop and detain the vehicle, vessel or aircraft.

Entry and search—evidence of offences

47.(1) Subject to subsection (3), if an inspector has reasonable grounds for suspecting that there is in or on a place a particular thing (“**the evidence**”) that may afford evidence of the commission of an offence against this Act, the inspector may—

Classification of Films Act 1991

- (a) enter or board the place; and
- (b) exercise the powers set out in section 48.

(2) If an inspector enters or boards the place and finds the evidence, the following provisions have effect—

- (a) the inspector may seize the evidence;
- (b) subject to section 63,¹⁴ the inspector may keep the evidence for 1 year or, if a prosecution for an offence against this Act in the commission of which the evidence may have been used or otherwise involved is instituted within that period, until the completion of the proceedings for the offence and of any appeal from the decision in relation to the proceedings;
- (c) if the evidence is a document—while the inspector has possession of the document, the inspector may take extracts from and make copies of the document but must allow the document to be inspected at any reasonable time by a person who would be entitled to inspect it if it were not in the inspector's possession.

(3) An inspector must not enter or board the place or exercise a power under subsection (1) unless—

- (a) the occupier (if any) of the place consents to the entry or boarding or exercise of the power; or
- (b) a warrant under section 50 that was issued in relation to the evidence authorises the entry or boarding or exercise of the power.

- (a) finds a thing that the inspector believes, on reasonable grounds to be—
 - (i) a thing (other than the evidence) that will afford evidence of the commission of the offence mentioned in subsection (1); or
 - (ii) a thing that will afford evidence of the commission of

¹⁴ Section 63 (Return of seized films)

another offence against this Act; and

- (b) the inspector believes, on reasonable grounds, that it is necessary to seize the thing to prevent—
 - (i) its concealment, loss or destruction; or
 - (ii) its use in committing, continuing or repeating the offence mentioned in subsection (1), or the other offence, as the case may be;

subsection (2) applies to the thing as if it were the evidence.

(2) A person must not, without reasonable excuse, fail to comply with a requirement made under subsection (1)(e).

Maximum penalty—10 penalty units.

Monitoring warrants

49.(1) An inspector may apply to a Magistrate for a warrant under this

section in relation to a particular place (other than a dwelling or that part of premises used as a dwelling).

(2) Subject to subsection (3), the Magistrate may issue the warrant if the Magistrate is satisfied, by information on oath, that it is reasonably necessary that the inspector should have access to the place for the purpose of finding out whether the requirements of this Act are being complied with.

(3) If the Magistrate requires further information concerning the grounds on which the issue of the warrant is being sought, the Magistrate must not issue the warrant unless the inspector or some other person has given the information to the Magistrate in the form (either orally or by affidavit) that the Magistrate requires.

(4) The warrant must—

- (a) authorise the inspector, with such assistance and by such force as is necessary and reasonable—
 - (i) to enter the place; and
 - (ii) to exercise the powers set out in section 48; and
- (b) state whether the entry is authorised to be made at any time of the day or night or during specified hours of the day or night; and
- (c) specify the day (not more than 6 months after the issue of the warrant) on which the warrant ceases to have effect; and
- (d) state the purpose for which the warrant is issued.

Offence related warrants

50.(1) An inspector may apply to a Magistrate for a warrant under this section in relation to a particular place.

(2) Subject to subsection (3), the Magistrate may issue the warrant if the Magistrate is satisfied, by information on oath, that there are reasonable grounds for suspecting that there is, or there may be within the next 72 hours, in or on the place a particular thing (“**the evidence**”) that may afford evidence of the commission of an offence against this Act.

(3) If the Magistrate requires further information concerning the grounds on which the issue of the warrant is being sought, the Magistrate must not

issue the warrant unless the inspector or some other person has given the information to the Magistrate in the form (either orally or by affidavit) that the Magistrate requires.

(4) The warrant must—

- (a) authorise the inspector, with such assistance and by such force as is necessary and reasonable—
 - (i) to enter the place; and
 - (ii) to exercise the powers set out in section 48; and
 - (iii) to seize the evidence; and
- (b) state whether the entry is authorised to be made at any time of the day or night or during specified hours of the day or night; and
- (c) specify the day (not more than 7 days after the issue of the warrant) on which the warrant ceases to have effect; and
- (d) state the purposes for which the warrant is issued.

Offence related warrant may be granted by telephone

51.(1) If, because of circumstances of urgency, an inspector considers it necessary to do so, the inspector may, under this section, apply by telephone for a warrant under section 50.

(2) Before applying for the warrant, the inspector must prepare an information of the kind mentioned in section 50(2) that sets out the grounds on which the issue of the warrant is sought.

(3) If it is necessary to do so, an inspector may apply for the warrant before the information has been sworn.

(4) If the Magistrate is satisfied—

- (a) after having considered the terms of the information; and
- (b) after having received such further information (if any) as the Magistrate requires concerning the grounds on which the issue of the warrant is being sought;

that there are reasonable grounds for issuing the warrant, the Magistrate may, under section 50, complete and sign such warrant as the Magistrate would issue under that section if the application had been made under that

section.

(5) If the Magistrate completes and signs the warrant—

(a) the Magistrate must—

- (i) tell the inspector what the terms of the warrant are; and
- (ii) tell the inspector the day on which and the time at which the warrant was signed; and
- (iii) record on the warrant the reasons for granting the warrant; and

(b) the inspector must—

- (i) complete a form of warrant in the same terms as the warrant completed and signed by the Magistrate; and
- (ii) write on the form of warrant the name of the Magistrate and the day on which and the time at which the Magistrate signed the warrant.

(6) The inspector must also, not later than the day after the day of expiry or execution of the warrant (whichever is the earlier), send to the Magistrate—

- (a) the form of warrant completed by the inspector; and
- (b) the information mentioned in subsection (2), which must have been duly sworn.

(7) When the Magistrate receives the documents mentioned in subsection (6), the Magistrate must—

- (a) attach them to the warrant that the Magistrate completed and signed; and
- (b) deal with them in the way in which the Magistrate would have dealt with the information if the application for the warrant had been made under section 50.

(8) A form of warrant duly completed by the inspector under subsection (5) is authority for any entry, search, seizure or other exercise of a power that the warrant signed by the Magistrate authorises.

(9) If—

- (a) it is material, in a proceeding, for a court to be satisfied that an

entry, search, seizure or other exercise of power was authorised by this section; and

- (b) the warrant completed and signed by the Magistrate authorising the exercise of power is not produced in evidence;

the court must assume, unless the contrary is proved, that the exercise of power was not authorised by such a warrant.

Additional power of inspector to seize films

52.(1) If—

- (a) a complaint is made to the films classification officer about a film; and
- (b) the films classification officer reasonably believes that the film is an objectionable film;

the films classification officer may direct an inspector to seize the film from any place that the inspector may lawfully enter or board.

(2) The inspector may seize the film from any such place.

(3) An inspector who seizes a film under subsection (2) must, as soon as practicable, submit the film to the censor for classification.

(4) If a film seized under subsection (2) is classified and it is not an objectionable film, the inspector must immediately return the film.

Inspector may require name and address

53.(1) An inspector who—

- (a) finds a person committing, or finds a person that the inspector reasonably suspects of having committed, an offence against this Act; or
- (b) is making inquiries or investigations with a view to establishing whether or not an offence against this Act has been committed by a person; or
- (c) reasonably believes that the name and address of a person is required for the purpose of—

- (i) giving effect to a provision of this Act; or
- (ii) enabling the inspector to carry out the inspector's functions under this Act;

may require the person to state the person's name and address and, if the inspector has reasonable grounds to believe that the name or address given is false, may require evidence of its correctness.

(2) A person who is required under subsection (1) to state the person's name or address must not—

- (a) fail to comply with the requirement; or
- (b) state a false name or address.

Maximum penalty—50 penalty units.

- (c) give to an inspector a document containing information that the person knows is false, misleading or incomplete in a material particular without—

- (i) indicating to the inspector that the document is false, misleading or incomplete and the respect in which the document is false, misleading or incomplete; and
- (ii) providing correct information to the inspector if the person has, or can reasonably obtain, the correct information.

Maximum penalty—50 penalty units.
