Division 1—Local fire bans

Imposing local fire ban

86A.(1) If the chief commissioner considers a fire emergency exists in a local government’s area, the chief commissioner may impose a fire ban (a “**local fire ban**”) in the area.

(2) A local fire ban may—

- (a) by notice (a “**newspaper notice**”) published in a newspaper circulating in the fire ban area; or
- (b) by notice (a “**broadcast notice**”) transmitted by a broadcasting service generally able to be received by persons in the fire ban area.

(2) However, a local fire ban may be imposed by a broadcast notice only if the chief commissioner considers—

- (a) it is necessary because of urgent circumstances relating to the fire emergency; and
- (b) imposing the ban by a newspaper notice would result in a delay that was undesirable, having regard to the urgent circumstances.

(3) The newspaper or broadcast notice must—

- (b) state the fires the lighting of which is prohibited; and
- (c) state the period of the ban (not longer than 14 days).

(4) As well as using a newspaper or broadcast notice to impose a local fire ban, the chief commissioner may cause the ban to be publicised in any other way the chief commissioner considers appropriate.

Cancelling local fire ban

86C.(1) If, while a local fire ban is in force, the chief commissioner considers the fire emergency for which the ban was imposed has ceased to exist, the chief commissioner must cancel the ban.

(2) The cancellation may be made—

- (a) by notice (a “**newspaper notice**”) published in a newspaper circulating in the fire ban area; or
- (b) by notice (a “**broadcast notice**”) transmitted by a broadcasting service generally able to be received by persons in the fire ban area.

(3) However, a local fire ban may be cancelled by a broadcast notice only if the chief commissioner considers a newspaper notice would unnecessarily delay the cancellation of the ban.

(4) As well as using a newspaper or broadcast notice to cancel a local fire ban, the chief commissioner may cause the cancellation of the ban to be publicised in any other way the chief commissioner considers appropriate.

Period of local fire ban

86D.(1) A local fire ban imposed by a notice published in a newspaper takes effect from the day the notice is published.

the fire ban area if the lighting of the fire is prohibited under the ban.

- (a) where a period for which it is to remain in force is specified in the declaration, until that period expires unless the declaration is sooner amended by extending that period or revoked; or

(8A) The notice must state the grounds of the refusal and any steps required to be taken by the applicant before any further application will be

granted.

(9) A notice under subsection (7) or (8) to the extent that it specifies that an alteration is to be made to the structure of a building before an application will be granted is not valid unless the authorised fire officer who issues the notice first consults the local government in whose area the building is situated.

(10) If an authorised officer—

- (a) fails to issue a certificate of compliance or any notice under this section before a date 30 days after the receipt by the chief commissioner of an application; or
- (b) in a case where a notice under subsection (7) has been given to the applicant—fails to issue a certificate of compliance or a notice of refusal before a date 30 days after the expiration of the time allowed by the notice to take steps specified in the notice;

the provisions of division 4 apply as if the authorised officer had given to the applicant on that date a notice of refusal.

Form of certificate of compliance

104J. A certificate of compliance—

- (a) subject to this Act, may be issued in any convenient form and if convenient be in respect of more than 1 building or building use;
- (b) must state specifically or by reference the fire safety installations the maintenance of which were required for the issue of the certificate.

Certificate of compliance—limitations on requirements

104K. An authorised fire officer who inspects a building for the purposes of section 104I must not impose—

- (a) more onerous requirements for the maintenance of fire safety installations than the occupier was required to maintain pursuant to section 104D immediately before the inspection; or
- (b) in relation to any particular matter provided for by the regulations—more onerous requirements than those imposed in

relation to the matter by the regulations;
as a prerequisite to the officer being satisfied that adequate fire safety measures and fire prevention measures generally have been taken or are being maintained by the occupier.

Division 4—Objection to notices

Persons aggrieved by notice may object

104L.(1) A person who is aggrieved because the person has been given a notice under this part or by the terms of such a notice within 21 days may object in writing to the regional commander.

(2) An objection is not valid unless it is accompanied by the fee prescribed under a regulation.

(3) For the purposes of this section the regional commander is the person who, pursuant to this Act, holds that office for the region in which is situated the building to which the notice in question relates or a person who is performing the duties of the office for the time being.

Panel of referees to be convened

104M. Upon receipt by a regional commander of an objection under this division, the chief commissioner or a person nominated by the chief commissioner must convene within 30 days a panel of referees to determine the objection.

Membership of panel of referees

104N.(1) A panel of referees is to consist of—

- (a) a chair referee who is to be a person nominated by the convenor of the panel; and
- (b) 1 person nominated by the local government in whose area is situated the building to which the notice objected to relates; and
- (c) 1 person nominated by the chairperson of the Building Advisory Committee.

(2) No objection is to be taken or allowed to the nomination of a chair referee on the ground that the person nominated is a fire authority officer unless the person was involved in the decision to issue the notice in question.

(3) The referee nominated pursuant to subsection (1)(b)—

- (a) if the local government is not the person objecting—is to be a person appointed to be a building surveyor by the local government; and
- (b) if the local government is the person objecting—is to be a person appointed to be a building surveyor by a local government other than the objector.

(4) For the purposes of the nomination referred to in subsection (1)(c), the chairperson of the Building Advisory Committee must request 1 or more of the bodies represented on the committee to nominate a person for appointment.

(4A) The person nominated by the chairperson for the appointment must be a person nominated by 1 of the bodies represented on the committee.

(5) In the event of a failure of a local government or the chairperson of the Building Advisory Committee for any reason to nominate a person to be a referee for the purposes of subsection (1)(b) or (c), in the stead of that person the convenor of the panel may appoint any person to be a referee.

(6) Referees are entitled to such fees and expenses for attendance at meetings of a panel as may be approved by the Governor in Council, with the exception that an officer of the public service of the State is not to receive fees for attendance as a referee during ordinary hours of duty.

Determination of objection

104O.(1) A person who convenes a panel of referees pursuant to section 104M, as soon as practicable thereafter and upon consultation with the chair referee, must give a notice in writing to each referee and the objector appointing a time and place when and where the panel is to consider the objection and any further representations.

(2) At the time and place so appointed, or at any time and place to which the matter is adjourned from time to time, the panel must consider and

determine the objection.

(3) A panel is not bound by the rules or the practice of any court or tribunal as to evidence or procedure in the consideration and determination of an objection, but, subject to this Act, may inform itself on any matter and conduct its proceedings in such manner as it thinks proper.

(4) A panel may authorise a person to be represented before it by an agent with the exception that a person is not to be represented by counsel or solicitor.

(5) A determination of the panel is to be decided by majority vote of its members.

(6) In determining the objection, a panel may—

- (a) confirm, cancel or vary the notice to which objection is made in such a manner and to such an extent as it thinks fit; and
- (b) give such directions as are necessary to give effect to its determination.

(7) If the panel confirms or varies a notice it may extend any period for compliance with the notice.

(8) The convenor of the panel must give written notification of the determination of the panel to the objector within 7 days of the determination being made.

Relief from penalty pending determination of objection

104P. If an objection is validly made pursuant to section 104L to a notice given under this part, the objector is not liable to a penalty under this Act—

- (a) in the case of a notice given under section 104G—for any failure on the objector's part to comply with the notice on and before the date on which the objector is given notice of the determination of the objection; and
- (b) in the case of a notice given under section 104I(8)—for any use of a building, being a building use to which the notice relates, on and from the date the objector is given the notice to and including the date the objector is given notice of the determination of the objection.

Appeal from panel of referees

104Q.(1) A person aggrieved by a determination of a panel of referees notified to the person pursuant to section 104O, may appeal against the determination within 7 days of being so notified to a stipendiary magistrate sitting as a Magistrates Court in the district appointed for such courts under the *Justices Act 1886* within which is situated the building to which the determination relates.

(2) In order to institute an appeal, an aggrieved person must file a notice of appeal specifying the grounds of appeal in the office of the registrar of the Magistrates Court and give a copy of the notice to the convenor of the panel of referees.

(3) An appeal is to be limited to 1 or both of the grounds of—

- (a) denial of natural justice; or
- (b) error of law.

(4) The stipendiary magistrate has jurisdiction—

- (a) to hear and determine the appeal, to dismiss or allow it, or to strike it out for want of prosecution;
- (b) upon allowing the appeal—
 - (i) to remit the matter to the panel of referees, or to the convenor of the panel of referees for rehearing by another panel, in either case with such directions as the magistrate thinks fit; and
 - (ii) to make such other orders, including relating to costs, as are necessary to dispose of the appeal.

Division 5—Injunctions relating to high risk buildings**Injunctions**

104R.(1) Where the chief commissioner is satisfied in relation to any building that the risk to persons in the event of fire or the risk of spread of fire is so serious that the use of the building should be prohibited or restricted until steps have been taken to reduce the risk to a reasonable level, the chief commissioner, by action in the Supreme Court, may claim against

the occupier of the building an injunction prohibiting or restricting the use of the building.

(2) Jurisdiction is hereby conferred upon the Supreme Court and a judge thereof to hear and determine any such action and to grant an injunction to prohibit or restrict the use of the building.

(3) An injunction may be—

- (a) for a limited period of time specified in the order or for an indefinite period of time;
- (b) in respect of every use of a building or for a use or uses specified in the order.

(4) Unless the contrary intention appears in the terms of the injunction, an injunction against any occupier of a building is taken to be made against all the occupiers from time to time of the building.

Division 6—Regulations

PART 10—FUNDING

Division 1—Interpretation

Definitions

105. In this part—

“component local government” means a local government whose area, or part of whose area, comprises an urban district or part of an urban district.

“owner”, used with reference to real property, means the person (other than the Crown) who is entitled to receive the rent of property or who, if the property were let, would be entitled to receive the rent, and includes—

- (a) any lessee or licensee from the Crown; and
- (b) a purchaser (including a purchaser from the Crown) under any agreement giving possession of the property; and
- (c) a statutory corporation (whether or not representing the Crown).

“prescribed property” means real property, whether or not occupied by any person, that is within an urban district and that is—

- (a) a parcel of land separately held by an owner except either a parcel to which paragraph (b) applies or a parcel on which is situated a building containing lots (within the meaning of the *Building Units and Group Titles Act 1980*); or
- (b) a portion of a parcel of land separately held by an owner, where the local government for the local government area in which the portion is situated determines that the portion should be classed as a separate parcel for the purposes of this part; or
- (c) a lot within the meaning of the *Building Units and Group Titles Act 1980*;

the term does not include—

- (d) property vested in the Aboriginal and Islander Affairs Corporation; or
- (e) property belonging to any class of property prescribed under a regulation not to be prescribed property.

Division 2—Funding for urban fire brigades

Constitution of urban districts

106.(1) A regulation may—

Fire and Rescue Authority Act 1990

- (a) constitute any portion of the State an urban district for the purposes of this Act;
- (b) assign a name to or alter the name of an urban district;
- (c) abolish an urban district;
- (d) alter the boundaries of an urban district;
- (e) amalgamate 2 or more urban districts;
- (f) divide an urban district into 2 or more urban districts.

(2) In any proceeding the production of any map purporting to be certified by the chief commissioner as showing the boundary of any urban district or alteration of the boundary of any urban district is evidence of the matters shown or stated.

(3) Each district constituted under the *Fire Brigades Act 1964* and in existence immediately before the appointed day shall, on that day, be taken to be an urban district constituted under subsection (1).

Liability to contribute

107.(1) For each financial year the owners of prescribed properties must contribute in accordance with this part to the cost of administering and giving effect to this Act.

(1A) An owner of prescribed property is not liable to contribute unless a fire brigade operated by fire officers provides services to prescribed properties in the urban district in which that prescribed property is situated or provided those services at the time when the liability to contribute arose.

(2) For each financial year there must be paid from the consolidated fund to the authority—

- (a) an amount representing one-seventh of the estimates for the financial year in question (as established by the budget of the authority approved for that year) of the amount to be received from the owners of prescribed properties other than prescribed properties owned by a Commonwealth public trading enterprise; and
- (b) such further amount as the Treasurer may authorise.

(3) If, for any financial year, the Treasurer believes that any anticipated

reduction by the Commonwealth in financial assistance payments to the State (not including any grant related to the provision of fire services to properties owned by the Commonwealth) will be attributable to the amount payable under this part by Commonwealth public trading enterprises as owners of prescribed properties, the Treasurer may make a corresponding reduction in the amount payable under subsection (2)(a).

(4) In this section—

“**Commonwealth public trading enterprises**” means instrumentalities of the Commonwealth liable to pay the taxes and other charges of the State.

Annual contributions of owners of prescribed properties

108.(1) A regulation may prescribe the amounts of the contributions to be paid by owners of prescribed properties for a financial year.

(2) A regulation under subsection (1) shall prescribe the amounts of the contributions by categorising prescribed properties and prescribing differing amounts of contributions in accordance with those categories.

(3) Categorisation of prescribed properties is to be on the bases stated in the regulation.

Examples of the bases on which prescribed properties may be categorised—

1. The purposes for which properties are used.
2. The nature and availability of services supplied by fire service entities servicing properties.
3. The nature and availability of facilities of fire service entities servicing properties.
4. The urban district or class of urban districts in which properties are located.
5. A combination of all or any of examples 1, 2, 3 and 4.

(4) As soon as is practicable after a regulation is made under this section, the authority must give notice in writing to each component local government of the amounts of contributions payable by owners of prescribed properties in respect of the financial year to which the regulation relates.

Annual returns by component local governments

109.(1) To enable the amounts of contributions payable by owners of prescribed properties to be assessed in respect of each financial year, each component local government must furnish to the authority a return disclosing the particulars prescribed under a regulation relating to properties that—

- (a) are within its area and within an urban district; and
- (b) are or will be prescribed properties during the financial year to which the return relates.

(2) A return must be furnished—

- (a) before the last day of April immediately preceding the financial year to which it relates; or
- (b) before such other date as the authority appoints, by notification published in the gazette.

Discount for pensioners

110.(1) In this section—

“pensioner” means a person in receipt of a pension under any law of the Commonwealth or of the State declared, or belonging to a class of pension declared, under a regulation for the purposes of this section.

(2) The Governor in Council may by regulation declare that each pensioner, who is the owner of a prescribed property that is the principal place of residence of that pensioner, be granted a discount on the contributions payable pursuant to this part in respect of that property at such rate as is specified in the regulation.

(3) If a pensioner entitled to a discount in respect of prescribed property is not the sole owner, the discount is an amount that bears to the amount of the discount to which the pensioner would have been entitled as the sole owner, the same proportion as the pensioner’s interest in the property bears to the total of the interests of all owners of the property.

(4) For the purposes of subsection (3)—

- (a) owners who hold interests in a property as joint tenants are taken to hold interests in the property as tenants in common in equal

shares; and

- (b) a pensioner who holds an interest in a property is taken to also hold any interest in the property held by the spouse of the pensioner.

Duties of owner of prescribed property and component local government

111.(1) An owner of prescribed property must, in accordance with this part, pay to the component local government in whose area the property is situated the annual contributions in respect of the property and any other amounts the local government is authorised to impose pursuant to this part.

(2) Subject to this part a component local government must collect those annual contributions and other amounts.

Determinations and notifications of contributions

112.(1) In respect of each financial year, a component local government as at the first day of the financial year—

- (a) must determine the prescribed properties within its area; and
- (b) must determine the annual contributions payable in respect of prescribed properties by reference to the categories prescribed under a regulation made under section 108.

(2) After a local government makes its determinations for any financial year, it must give the owner of each prescribed property within its area a fire levy notice stating—

- (a) the annual contribution in respect of the property; and
- (b) the amount of any arrears (including interest and other charges) of annual contribution in respect of the property.

Appeal against local government's determination

113.(1) An owner of property to whom a fire levy notice is given may appeal to the chief commissioner on any of the following grounds and on no other grounds—

Fire and Rescue Authority Act 1990

- (a) that the property is not prescribed property;
- (b) that an amount shown in the notice is incorrect because of typographical or similar error, mathematical error or because the local government wrongly categorised the property in terms of a regulation made under section 108;
- (c) that, for the purpose of determining the contributions payable, the prescribed property should in the circumstances be taken to be within a category (prescribed under a regulation made under section 108) other than that on which the local government based its determination.

(2) A person wishing to appeal must lodge a notice to that effect with the chief commissioner setting out the grounds of the appeal within 30 days after the fire levy notice is given.

(3) The chief commissioner may require an appellant or the local government concerned to provide information relevant to the determination of the appeal.

(4) The chief commissioner may allow or reject an appeal.

(5) If the chief commissioner allows an appeal, the relevant local government must—

- (a) amend the levy notice; or
- (b) revoke the levy notice; or
- (c) revoke the levy notice and give a new levy notice;

in accordance with the determination of the chief commissioner.

(6) If the chief commissioner allows an appeal, the relevant local government must refund to the appellant any amount paid in respect of contributions, for the financial year to which the notice relates and for any previous financial year, in excess of the amount calculated in accordance with the chief commissioner's determination.

(6A) If the local government has already made payments to the chief commissioner in respect of those contributions, the amount refundable must be paid to the appellant by the chief commissioner.

(7) The determination of the chief commissioner in respect of an appeal is final.

Manner of giving notification

114.(1) A fire levy notice may be given to the owner of prescribed property—

- (a) as an item on a rate notice given to the owner in respect of that property; or
- (b) as a separate notice given before 1 January of the financial year to which the notice relates.

(2) Where for any financial year a component local government gives to the owner of prescribed property in respect of that property 2 or more rate notices, each relating to part of that financial year, a fire levy notice is taken to be given to the owner in accordance with subsection (1)(a) if each rate notice contains an item for the payment in respect of that property of—

- (a) such amount as bears to the total of the annual contribution for the financial year the same proportion as the period (in months) for which the rate notice is given bears to 12; and
- (b) the amount of any arrears of annual contribution.

(3) Where notification is given as a separate notice, that notice is taken to be a rate notice under the *Local Government Act 1993* or, in the case of Brisbane City Council, the *City of Brisbane Act 1924*.

(4) A notification must not be given as an item on a rate notice unless—

- (a) where only 1 rate notice is given for a financial year—that rate notice is given before 1 January of that financial year;
- (b) where 2 or more rate notices are given for a financial year—the first of those notices is given before 1 January of that financial year.

Annual contribution etc. deemed to be rates

115.(1) An amount shown in a fire levy notice, whether given by way of a separate notice or an item on a rate notice, is taken to be a general rate levied by the local government and the relevant provisions relating to general rates apply with all necessary modifications.

(2) In this subsection—

“**relevant provisions**” means—

- (a) the *Local Government Act 1993*, chapter 10 (Rates and charges) other than the following provisions—

 - part 7 (Recovery of rates), division 4 (Acquisition by local government of valueless land); and
- (b) for the Brisbane City Council—any corresponding provisions of the *City of Brisbane Act 1924*, part 3 (Rates and charges).

(3) Notwithstanding subsections (1) and (2), rates made and levied under either Act mentioned in subsection (2) are in priority to amounts that, pursuant to subsection (1), are taken to be general rates.

Payments by component local governments to authority

118.(1) A component local government must from time to time make payments to the authority out of its general fund (or, in the case of Brisbane City Council, out of the city fund) from moneys received or recovered by the local government pursuant to this part.

(2) The amount of a payment shall be the total of the moneys received or recovered by the local government during the relevant financial year or declared period less the total of all amounts retained by the local government pursuant to section 117.

(3) An amount payable under this section must be paid within 30 days after the expiration of the financial year or declared period to which the amount relates or within such further time as the authority may allow.

Failure by component local government to make payment

119.(1) Where a component local government fails to pay to the authority any amount payable pursuant to section 118 within the required period, the local government, from the day on which the period expires, is liable to pay to the authority interest on the amount at a rate declared under a regulation, but not exceeding in any case the maximum rate of interest for the time being prescribed under the *Local Government Act 1993* in respect of unpaid rates.

(2) Any interest not paid by a component local government to the authority within the time specified in a written demand for payment given

by the authority is recoverable, together with expenses of recovery, in a court of competent jurisdiction.

Payments and interest to be debt

120. All payments required to be paid to the authority pursuant to section 118 and all interest payable by a local government pursuant to section 119 constitute a debt due to the authority and may be sued for and recovered by the authority in any court of competent jurisdiction.

(2) In a case referred to in subsection (1)(b), a notice may be given by the authority whether or not the amount as calculated by the local government has been paid.

Recovery of arrears

123.(1) Where any amount relating to contributions remains unpaid at

the expiration of the period specified for payment in a fire levy notice or a notice given pursuant to section 122 and proceedings for recovery of the amount have not been instituted or have not been completed by the component local government in whose area the relevant prescribed property is situated, the authority may take action in a court of competent jurisdiction to recover that amount and interest on that amount at the prescribed rate.

(2) In subsection (1)—

“prescribed rate” means the rate declared under a regulation, but not exceeding in any case the maximum rate of interest for the time being prescribed under the *Local Government Act 1993* in respect of unpaid rates.

(3) For the purpose of subsection (1), the authority may take any action (including the selling of land) that a local government may take to recover unpaid rates and for that purpose—

- (b) the authority is taken to be the mayor of that local government; and

(3) Where any question arises as to whether a person's liability for any act or omission, the subject of any proceedings, is negatived under subsection (1) and the person claims to have acted pursuant to or for the purposes of this Act, the burden of proof of negligence and the absence of good faith lies upon the person alleging to the contrary.

(4) If a person against whom proceedings are taken in any court for an act or omission alleges that the act was done or omission made for the purposes of this Act, the court may, on application, order a stay of proceedings if satisfied—
