Holding of referendum

92.(1) A referendum (a “**compulsory referendum**”) must be held in relation to the commission’s proposed determination of the reviewable local government matter if—

- (a) the matter is a reviewable local government matter mentioned in section 64(1)(a) or (f); and

determination of the matter—the final result of the referendum for the matter is notified; or

- (b) if a referendum is not held for the commission's proposed determination of the matter—the commission completes its consideration of submissions properly made about the matter.

(2) If the matter is the subject of a delayed implementation reference and the commission makes a determination to implement the matter, the commission—

(3) If the matter is a reviewable local government matter mentioned in section 64(1)(c) (other than a matter the subject of a delayed implementation reference) for a local government area that is divided, the commission may determine the matter be implemented on the conclusion of the election, at the next triennial elections, of all councillors for the local governments affected by the determination only if—

- (a) the commission is satisfied it is appropriate to delay implementing the matter having regard to the delayed implementation issues for the matter; and
- (b) the commission determines not to implement a reviewable local government matter mentioned in section 64(1)(g), (h), (i) or (k) for the local governments or the local governments' areas.

(4) Also, if the matter is a matter mentioned in section 64(1)(c) (the **“first matter”**) and the commission makes a determination to implement the first matter, the commission may, if it is satisfied it is appropriate for another reviewable local government matter mentioned in section 64(1)(g) or (h) included in the reference of the first matter, make a determination to implement the other matter only so far as the other matter relates to all of the divisions of a local government area directly affected by the determination of the first matter.

(5) However, subsection (4) does not apply if the commission makes a determination of a matter mentioned in section 64(1)(i) or (k) included in the reference of the first matter.

(6) For subsection (4), a division of a local government area is directly affected by the determination of the first matter only if, under the determination—

(8) Also, if a referendum is held for the commission's proposed determination of the matter, the report must—

- (a) state the final result of the referendum; and
- (b) if the referendum is a compulsory referendum and the referendum question is not approved—be accompanied by a copy of the commission's proposed determination and, if applicable, its recommendations on implementation issues for the matter and the reasons for them.

¹⁶ Section 88 (Preliminary procedures for certain references)

(9) If a compulsory referendum has been held for the commission's proposed determination of the matter, the commission—

- (a) must determine that the matter be implemented if the referendum question is approved by the affected area for the matter; but
- (b) must determine that the matter not be implemented if the referendum question is not approved by the affected area for the matter.

(10) If a non-compulsory referendum has been held for the commission's proposed determination of the matter, the commission may determine that the matter be implemented regardless of whether the referendum question is approved by the affected area for the matter.

Notification of determination and report to Minister

94.(1) The commission must—

- (a) give notification of its final determination, or its determination under section 89—
 - (i) by gazette notice; and
 - (ii) by advertisement published in a newspaper circulating generally in the local government areas affected by the determination; and
- (b) give to the Minister a copy of the gazette notice and the commission's report on the matter; and
- (c) give a copy of the report to the local government affected by the determination.

(2) The notification must—

- (a) contain a summary of the determination; and

 - (ii) available for purchase at the electoral commission's office at Brisbane; and
- (c) if the commission determines the matter be implemented—state that the matter is to be implemented by regulation; and

- (d) if the commission makes a delayed implementation determination for the matter—state in general terms the effect of the determination; and
- (e) if section 96 applies to the matter—state in general terms the effect of the section.

Implementation of matter on commission's report

95.(1) If the commission determines that the reviewable local government matter be implemented, the Governor in Council must implement the matter as soon as practicable after the Minister receives a copy of the gazette notice and the commission's report on the matter.

(2) However, if the commission makes a delayed implementation determination for the matter—

- (a) the Governor in Council must implement the matter to commence on the conclusion of the election, at the next triennial elections, of all councillors for the local governments affected by the determination; and
- (b) a regulation implementing the matter must provide for the conduct of the next triennial elections of the local governments as if the matter were implemented.

(3) If a regulation is made to implement the matter and the regulation is to commence on a later day fixed in it, for subsection (1), the matter must not be taken not to have been implemented as soon as practicable merely because of the later commencement.

Examples of subsection (3)—

1. Because of the holding of triennial elections under this Act, or fresh elections under the regulation, the regulation may commence after its notification.

2. Because of financial implications, the regulation may commence at the start of a financial year.

(4) Subsection (1) has effect subject to section 158.¹⁷

¹⁷ Section 158 (Requirement before implementation)

96.(1) This section applies if—

- (a) a compulsory referendum has been held for the commission's proposed determination of the reviewable local government matter; and
- (b) the commission determines that the matter not be implemented because the referendum question was not approved by the affected area for the matter.

(2) Within 7 sitting days after the Minister tables the commission's report on the matter, the Legislative Assembly may resolve that the Governor in Council be asked to make a regulation implementing the matter.

(3) If the Legislative Assembly resolves that the Governor in Council be asked to implement the matter, the Governor in Council must implement the matter as soon as practicable after the resolution is passed.

(4) If a regulation is made to implement the matter and the regulation is to commence on a later day fixed in it, for subsection (3), the matter must not be taken not to have been implemented as soon as practicable merely because of the later commencement.

Examples of subsection (4)—

1. Because of the holding of triennial elections under this Act, or fresh elections under the regulation, the regulation may commence after its notification.

2. Because of financial implications, the regulation may commence at the start of a financial year.

- (d) a day (the “**stated day**”) on or before which the particulars may be inspected and submissions made.

(3) If, in the proposed determination of the matter, the commission proposes to adopt a margin of allowance under section 286(3) for the quota of voters for each councillor for a division of a local government, the notice must also state the margin of allowance to be adopted.

(4) If the commission proposes to make a delayed implementation determination for the matter, the notice must also state—

(3) If the matter is a reviewable local government matter mentioned in section 64(1)(c) (other than a matter the subject of a delayed implementation reference) for a local government area that is divided, the commission may determine the matter be implemented on the conclusion of the election, at the next triennial elections, of all councillors for the local governments affected by the determination only if—

- (a) the commission is satisfied it is appropriate to delay implementing the matter having regard to the delayed implementation issues for the matter; and
- (b) the commission determines not to implement a reviewable local government matter mentioned in section 64(1)(g), (h), (i) or (k) for the local governments or the local governments' areas.

(4) Also, if the matter is a matter mentioned in section 64(1)(c) (the “**first matter**”) and the commission makes a determination to implement the first matter, the commission may, if it is satisfied it is appropriate for

another reviewable local government matter mentioned in section 64(1)(g) or (h) included in the reference of the first matter, make a determination to implement the other matter only so far as the other matter relates to all of the divisions of a local government area directly affected by the determination of the first matter.

(5) However, subsection (4) does not apply if the commission makes a determination of a matter mentioned in section 64(1)(i) or (k) included in the reference of the first matter.

(6) For subsection (4), a division of a local government area is directly affected by the determination of the first matter only if, under the determination—

- (a) the division's boundaries are to be changed because of the exclusion of part of the local government area (the "**excluded part**") and including the excluded part in another local government area; or
- (b) the division adjoins the excluded part; or
- (c) the division adjoins a division mentioned in paragraph (a) or (b).

(7) The report must—

104.(1) If the commission determines that the reviewable local government matter be implemented, the Governor in Council must implement the matter as soon as practicable after the Minister receives a copy of the gazette notice and the commission's report on the matter.

(2) However, if the commission makes a delayed implementation determination for the matter—

- (a) the Governor in Council must implement the matter to commence on the conclusion of the election, at the next triennial elections, of all councillors for the local governments affected by the determination; and
- (b) a regulation implementing the matter must provide for the conduct of the next triennial elections of the local governments as if the matter were implemented.

(3) If a regulation is made to implement the matter and the regulation is to commence on a later day fixed in it, for subsection (1), the matter must not be taken not to have been implemented as soon as practicable merely

because of the later commencement.

Examples of subsection (3)—

1. Because of the holding of triennial elections under this Act, the regulation may commence after its notification.
2. Because of financial implications, the regulation may commence at the start of a financial year.

(4) Subsection (1) has effect subject to section 158.¹⁸

108.(1) This section applies if a local government that would be affected by the limited reviewable local government matter if it were implemented is divided.

(2) If a regulation is made to implement the matter and the regulation is to commence on a later day fixed in it, for subsection (1), the matter must not be taken not to have been implemented as soon as practicable merely because of the later commencement.

Examples of subsection (2)—

1. Because of the holding of triennial elections under this Act, the regulation may commence after its notification.

PART 2A—REINSTATEMENT OF CERTAIN AREAS***Division 1—Preliminary***³¹***Purpose of pt 2A***

137A.(1) *The purpose of this part is to specify a process for the possible reinstatement of certain local government areas and external boundaries affected by the implementation of reviewable local government matters under amalgamation regulations in 1993, 1994 and 1995.*

(2) *The complete process includes—*

- *petition for a referendum*
- *referendum*
- *approval by the Legislative Assembly*
- *regulation providing for reinstatement, including arrangements for fresh elections.*

(3) *The process also includes the possibility of triennial elections in 1997 for the councillors of the local governments of the cities of Cairns, Gold Coast and Ipswich.*

Basic concepts—affected areas and amalgamated areas

137B.(1) *The affected area and the amalgamated area are basic concepts for understanding this part.*

(2) *There were 7 local government amalgamation regulations over the years 1993, 1994 and 1995, and accordingly there are 7 affected areas.*

(3) *In general terms, an affected area is made up of all the areas and parts of areas directly affected by an amalgamation regulation.*

³¹ Part 2A, division 1 (ss 137A–137E) has expired and is included in this reprint for informational purposes only. It will be omitted in the next reprint. The provisions have not been renumbered under the *Local Government Act 1993*, section 793C.

(4) *Division 2³² deals with each affected area in turn, but, again in general terms, each affected area is made up of—*

- (a) *the local government areas (usually 2) that were abolished and then combined to form a new amalgamated area; and*
- (b) *in some cases³³—parts of other adjoining local government areas that were included in the amalgamated area; and*
- (c) *in some cases³⁴—a part or parts of the amalgamated area excluded from it and included in an adjoining local government area.*

(5) *The amalgamated area is the new local government area formed under the amalgamation regulation.³⁵*

(6) *The distinction between an affected area and an amalgamated area can be seen in the following—*

- *a petition is for an entire affected area, and asks for a referendum for the affected area*
- *if the petition succeeds, a referendum is held on the question of reinstatement for the entire affected area*
- *if the referendum succeeds, a resolution of the Legislative Assembly leads to a reinstatement regulation that effectively reverses the relevant amalgamation regulation*
- *for Cairns, a second referendum, on the question of the holding of triennial elections in 1997 instead of 2000, is held when the first referendum is held*
- *for Gold Coast or Ipswich, a second referendum, on the question of the holding of triennial elections in 1997 instead of 2000, is held when the first referendum is held, but only for electors in the amalgamated area, not the wider affected area*

³² Division 2 (Specific information about affected areas and amalgamated areas and other important concepts)

³³ Cairns, Gold Coast, and Ipswich

³⁴ Burnett, Gold Coast and Ipswich

³⁵ For Cairns, Cooloola, Mackay and Warwick, the amalgamated areas are identical to the affected areas.

- *for Cairns, Gold Coast or Ipswich, if the first referendum does not succeed (or, if it does, but the Legislative Assembly does not approve reinstatement), the answer to the question for the second referendum becomes relevant.*

(7) In division 2, each affected area and amalgamated area is defined more precisely, and some other important concepts for understanding this part are established.

 - (ii) was enrolled under that Act on an electoral roll for the district or part; or*

(2) An individual who is not a current employee of the local government cannot be appointed as returning officer for an election unless the chief executive officer—

- (a)** has to the extent practicable, by public notice in a newspaper circulating generally in the local government area and in any other newspaper the chief executive officer considers appropriate, invited expressions of interest from individuals who are suitably qualified to conduct elections; and
- (b)** if the chief executive officer considers it appropriate—has invited submissions for appointment as returning officer from any individual the chief executive officer considers may be suitably qualified to conduct elections; and
- (c)** has taken into account—
 - (i)** the individual's qualifications to be a returning officer; and
 - (ii)** information supplied by the individual and any referees; and
 - (iii)** the cost of the individual providing the services required.

(3) Subsections (4) to (6) apply if a returning officer appointed by the chief executive officer is, for any reason, unable to perform the duties of the returning officer.

(4) If possible, the returning officer must immediately inform the chief executive officer.

(5) The chief executive officer may become the returning officer or appoint another individual to be the returning officer for the election.

(6) To the extent practicable, subsection (2) applies to the appointment of a returning officer under subsection (5) who is not a current employee of the local government.

(7) If the chief executive officer believes he or she cannot properly perform the duties of returning officer for an election because of a possible conflict of interest, the chief executive officer must ask the Minister to appoint another individual as returning officer for the election.

(8) The Minister may appoint another individual as returning officer for the election.

Returning officer's duty for by-election

274. As soon as practicable after fixing the day for holding a by-election, the returning officer must—

- (a) publish, in a newspaper circulating generally in the local government area and in the other ways that the officer may consider appropriate, notice of—
 - (i) the day fixed; and
 - (ii) the cut off day for the voters roll for the by-election; and
- (b) take the steps required by this Act for holding the by-election.

PART 3—VOTERS ROLL

Returning officer must compile voters roll

275. The returning officer for a local government election must compile the roll of persons entitled to vote at the election (the “**voters roll**”).

Qualification for enrolment on voters roll

276. A person is entitled to vote at a local government election if the person is an elector under the *Electoral Act 1992* for an electoral district, or a part of an electoral district, included—

- (a) for an election for the whole of the local government's area—in the area; or
- (b) for an election for a division of the local government's area—in the division.

Cut off day for voters roll

277. A voters roll must be compiled to 1 of the following dates—

- (a) for a triennial election for a local government area, or a division of a local government area, in which a postal ballot is to be taken in any part of the area or division—31 December in the year before the year of the election;
- (b) for another triennial election—31 January in the year of the election;
- (c) for a by-election to fill a vacancy in the office of a local government councillor—at least 5 days, and not more than 7 days, after the publication in a newspaper, under section 274 (Returning officer's duty for by-election), of notice of the day of the by-election.

Use of electoral roll when practicable

278.(1) The voters roll for an election for a local government must consist of the persons enrolled on an electoral roll for an electoral district, or a part of an electoral district, included—

- (a) for an election for the whole of the local government's area—in the area; or
- (b) for an election for a division of the local government's area—in the division.

(2) However, the returning officer may make the changes to the electoral roll, compiled to the cut off day for the voters roll, that are necessary

because the boundaries of the area or its divisions are not identical with the boundaries of the electoral district.

Requirements of voters roll

279.(1) A voters roll for an election must—

- (a) show the names of all persons entitled to vote at the election; and
- (b) be in the form of the electoral roll used for elections of the Legislative Assembly.

(2) The returning officer must not include in a voters roll an elector's address that, under the *Electoral Act 1992*, is excluded from the publicly available part of an electoral roll.

Voters roll to be open to inspection and purchase

280.(1) A voters roll for an election is open to inspection.

(2) Copies of the voters roll must be available for purchase at the local government's public office.

(3) The price of a copy of the voters roll must be no more than the cost to the local government of having the copy available for purchase and, if the copy is posted to the purchaser, the postage cost.

Electoral registrars to help returning officers

281. An electoral registrar under the *Electoral Act 1992* must give a returning officer the assistance that the returning officer reasonably requires to compile a voters roll for a local government election.

PART 4—VOTING

Compulsory voting

282. Voting at an election for a local government is compulsory and each elector is entitled to 1 vote only.

System of voting

283. The system of voting at an election for a councillor is—

- (a) for a local government area divided into single-member divisions—optional-preferential voting; and
- (b) in any other case—first-past-the-post voting.

PART 5—DIVISION OF LOCAL GOVERNMENT AREAS**Application of part to Brisbane City Council**

284. This part applies to the Brisbane City Council.

Equitable division of local government areas

285.(1) For each divided local government area and each local government area, or proposed local government area, that is proposed to be divided, there must be a quota of voters for each councillor to be elected for a division of the area.

(2) The quota is worked out by dividing the total number of electors, as nearly as can be found out, by the number of councillors (other than the mayor) of the local government.

Quota to be complied with in division of local government area and assignment of councillors

286.(1) The quota worked out for a local government area or proposed local government area under section 285 (Equitable division of local government areas) must be complied with in the determination of—

- (a) a reviewable local government matter (other than a limited reviewable local government matter); or
- (b) a limited reviewable local government matter.

(2) However, a margin of allowance may be adopted if necessary, but the

quota must not be departed from—

- (a) for a local government area with more than 10 000 electors—by more than 10%; or
- (b) for another local government area—by more than 20%.

(3) Also, an electoral and boundaries review commission may, if it is satisfied it is appropriate in its determination, under section 93(4) or 102(4), of a reviewable local government matter, adopt a margin of allowance, but the quota must not be departed from—

- (a) for a local government area with more than 10 000 electors—by not more than 20%; or
- (b) for another local government area—by not more than 40%.

(4) However, a commission must not make a determination under subsection (3) in the period starting on the information date mentioned in section 287 for a local government and ending on the date of the next triennial elections.

(5) Also, subsection (3) does not apply if—

- (a) the reference for the matter includes a reviewable local government matter mentioned in section 64(1)(a) or (f); or
- (b) the matter is referred to the commissioner under section 288.

(6) For subsection (2), the quota must be worked out as near as practicable to—

- (a) if the matter is a reviewable local government matter (other than a limited reviewable local government matter)—the time notice of the proposed determination of the matter is given under section 90 or 100; or
- (b) if the matter is a limited reviewable local government matter—the time notification in the gazette of the determination of the matter is given under section 109.

(7) For subsection (3), the quota must be worked out as near as practicable to the time notice of the proposed determination of the matter is given under section 90 or 100.

Disclosure of compliance or noncompliance with quota requirements

287.(1) Not later than the information date, each local government whose area is divided must inform the Minister, in writing, whether each division of its area is consistent with the basis specified in section 286(2) (Quota to be complied with in division of local government area and assignment of councillors).

(2) The information must be based on the roll of electors in each division available as near as practicable to the information date.

(3) However, subsection (1) does not apply to a local government, if—

- (a) an electoral and boundaries review commission has made a delayed implementation determination for a reviewable local government matter for the local government's area; and
- (b) the determination was made after the conduct of the last election of all councillors for the local governments affected by the determination.

(4) In this section—

“information date” means—

- (a) for Brisbane City Council—1 October in the year that is 2 years before the year of the triennial elections for local governments; or
- (b) for another local government—1 March in the year before the year of the triennial elections for local governments.

Matter of area's division referred to commissioner

288.(1) The Minister must refer the matter of the division of a local government's area to the commissioner if—

- (a) the local government informs the Minister that a division of its area is not consistent with the basis specified in section 286(2) (Quota to be complied with in division of local government area and assignment of councillors); or
- (b) the local government fails to inform the Minister as required by section 287 (Disclosure of compliance or noncompliance with quota requirements) about its area; or
- (c) the Minister suspects that information given under section 287 is

incorrect.

(2) Also, the Minister must refer the matter of the division of a local government's area to the commissioner—

(a) if—

- (i) an electoral and boundaries review commission has made a determination, under section 93(4) or 102(4), for a reviewable local government matter for the area; or
- (ii) an electoral and boundaries review commission has made a delayed implementation determination for a reviewable local government matter for the area; and

(b) the determination was made since the conduct of the last election of all councillors for the local governments affected by the determination.

(3) A reference under subsection (2) must be made as soon as practicable after the information date for the local government.

- (c) if the system of voting at the election is first-past-the-post voting—the number of votes received by the candidate is more than 4% of the total number of formal votes cast in the election.

(2) Despite subsection (1), a candidate's deposit must not be refunded until the candidate has given the chief executive officer of the local

government the return the candidate is required to give under section 427⁸⁷ in relation to the candidate's disclosure period for the election.

(3) All other candidates' deposits become the property of the local government and must be paid into its operating fund.

(3) The returning officer—

- (a) may arrange for a polling booth within or outside the local government area, or division of the local government area, to be used in an election; and

(4) The returning officer may arrange for all polling booths or specified polling booths for an election in a division of the local government area to also be used for any other election conducted at the same time for, or for a division of, the local government area.

(2) In the conduct of the polls—

- (a) only 1 declaration envelope may be distributed to a declaration voter with the ballot papers for use in the polls; and
- (b) this part, other than this section, applies (with any necessary changes) as if the references to the distribution, marking and other dealing with a ballot paper were a reference to all or each of the ballot papers in the polls, as the case requires.

Division 11—Marking of ballot papers

Optional-preferential voting

354.(1) For an election of a councillor if the local government area is divided into single-member divisions, a vote is validly cast if the elector votes in accordance with subsection (2) or (3).

(2) An elector may vote by marking on a ballot paper the numeral 1, or a tick or a cross, in the square opposite the name of the candidate whom the elector prefers.

(3) Instead of voting in accordance with subsection (2), an elector may vote by—

- (a) marking on a ballot paper the numeral 1, or a tick or a cross, in the square opposite the name of a candidate to record the elector's first preference for the candidate; and
- (b) marking—
- (i) the numeral 2 in another square; or

First-past-the-post voting

355.(1) For an election other than one mentioned in section 354 (Optional-preferential voting), a vote is validly cast if the elector votes in accordance with this section.

(2) For an election of mayor, the elector must mark on the ballot paper the numeral 1, or a tick or cross, in the square opposite the name of the candidate whom the elector prefers.

(3) For an election of other councillors, the elector must mark on the ballot paper—

- (a) if 1 candidate is to be elected—the numeral 1, or a tick or cross, in the square opposite the name of the candidate whom the elector prefers; or
- (b) if 2 or more candidates are to be elected—
 - (i) the numeral 1, or a tick or a cross, in the square opposite the name of 1 candidate for whom the elector wishes to vote; and
 - (ii) the numeral 2, or the numerals 2, 3 and so on (in regular arithmetical sequence by intervals of 1 whole numeral), as the case may be, in the squares opposite the names of the other candidate or candidates for whom the elector wishes to vote, up to the number of candidates to be elected.

Division 12—Replacement ballot papers

Use of replacement ballot papers

356.(1) If, while voting at a polling booth or voting under section 338 (Arrangements for electors with disability) or 340 (Arrangements for electoral visitor voting), a ballot paper given to an elector is accidentally defaced or destroyed, an issuing officer must give to the elector a replacement ballot paper for use in the poll.

(2) However, before a replacement ballot paper can be given—

- (a) the ballot paper it replaces (the **“replaced ballot paper”**) must not have been already put in a ballot box in use in the poll; and
- (b) the elector must declare, in the approved declaration form, before the issuing officer that—
 - (i) the replaced ballot paper has been accidentally defaced or destroyed; and
 - (ii) the elector has not voted in the election; and
- (c) if the replaced ballot paper has been accidentally defaced—the elector must give the defaced ballot paper to the issuing officer; and
- (d) if the replaced ballot paper has been accidentally destroyed—the elector must give to the issuing officer, if practicable, the remains of the ballot paper; and
- (e) the issuing officer must put the defaced ballot paper, or any remains of the destroyed ballot paper, in an envelope, seal the envelope and set it aside in the officer’s custody for separate identification under section 363(1)(g)(ii) (Preliminary counting by presiding officer).

(3) If a ballot paper given to an elector under section 347 (Distribution of ballot papers to electors who may or must cast declaration vote), or 349 (Distribution of ballot papers to electors for postal ballot election) is lost in transit or is accidentally defaced or destroyed, the returning officer for the election must, before 6 p.m. on polling day, give to the elector a replacement ballot paper and the approved declaration envelope for use in the election.

(4) However, before a replacement ballot paper can be given—

- (a) the elector must declare, in the approved declaration form, before the issuing officer or an adult witness that—
 - (i) the ballot paper it replaces (the **“replaced ballot paper”**) has not been received by the elector or has been accidentally defaced or destroyed; and
 - (ii) the elector has not voted in the election; and

Local Government Act 1993

- (b) if the replaced ballot paper has been accidentally defaced—the elector must put the defaced ballot paper into the elector’s original declaration envelope or a replacement declaration envelope, seal the envelope and give the envelope to the issuing officer; and
 - (c) if the replaced ballot paper has been accidentally destroyed—the elector must, if practicable, put the remains of the destroyed ballot paper into the elector’s original declaration envelope or a replacement declaration envelope, seal the envelope and give the envelope to the issuing officer; and
 - (d) the issuing officer must set aside the elector’s declaration envelope in the officer’s custody for separate identification under section 363(1)(g)(ii) (Preliminary counting by presiding officer).
- (5) The returning officer must record, in the approved form, the name and place of residence of each person to whom a replacement ballot paper is given.
- (6) If a replacement ballot paper is used for voting—
- (a) the voting must take place under the appropriate provisions of division 9 (Voting generally) or 10 (Declaration voting); and

 - (iii) if the declaration envelope is posted to the returning officer—it must be received by the returning officer within 10 days after polling day.

(3) If a ballot paper shows 2 or more squares in which the same numeral is marked, those numerals and any higher numerals marked in other squares must be disregarded.

(4) If a ballot paper shows a break in the sequence of numerals marked in the squares on the ballot paper to indicate preferences, the numeral that breaks the sequence and any higher numerals marked in other squares must be disregarded.

(3) A ballot paper must not be rejected merely because it indicates the elector's intention to vote for a number of candidates greater than the number to be elected.

Posted vote presumed valid until contrary proved

359. If a declaration envelope and ballot paper to which section 351 (Casting a declaration vote by post) applies is received by a returning officer by post, it must be presumed the provisions of section 351(1) have been complied with in relation to the declaration on the envelope until the contrary is proved.

Formal and informal ballot papers

360.(1) A ballot paper that has effect to record a vote is a formal ballot paper.

(2) A ballot paper that has no effect to record a vote is an informal ballot paper.

Ballot paper partly formal and partly informal

361.(1) This section applies if—

- (a) an election for mayor and an election for the other councillors of the local government are held at the same time and 1 ballot paper is used for both elections; and
- (b) the ballot paper, as completed for an election, is informal but, as completed for the other election, is formal.

(2) The informal part of the ballot paper must be rejected and the formal part of the ballot paper must be counted under division 14 (Counting of votes).

- (d) prepare a written statement in duplicate in the approved form that—
 - (i) sets out, in words and numerals, the number of votes for each candidate if subsection (1)(c)(ii) applies, or the number of first preference votes for each candidate if subsection (1)(c)(iii) applies; and

(3) The returning officer or other person who receives things from the presiding officer under subsection (2) must give to the presiding officer a receipt for the things.

(4) The presiding officer may do anything required under subsection (1) or (2) through an issuing officer authorised by the presiding officer for that purpose.

Example for subsection (4)—

An issuing officer could be authorised to sort and bundle ballot papers and prepare a reconciliation statement for the presiding officer.

Preliminary processing of declaration votes by returning officer

364.(1) After 8 a.m. on polling day, the returning officer may open all ballot boxes containing only declaration votes and examine the declaration envelopes to decide whether the ballot papers in the envelopes are to be accepted for counting.

(2) As soon as practicable after 6 p.m. on polling day, the returning officer may open all other ballot boxes containing declaration votes and examine the declaration envelopes to decide whether the ballot papers in the envelopes are to be accepted for counting.

(3) As soon as practicable after receipt by the returning officer of a parcel of declaration votes from a polling booth, the returning officer may open the parcel and examine the declaration envelopes to decide whether the ballot papers in the envelopes are to be accepted for counting.

Procedure for processing declaration envelopes

365.(1) The returning officer must inform all candidates for election of the times when, and the places where, declaration envelopes will be examined by the returning officer and allow them, or their scrutineers, to attend at the processing of declaration votes.

(2) On examining the declaration envelopes, if the returning officer is satisfied the declaration has been properly completed, the envelope is sealed and the declarant on the envelope is entitled to cast a declaration vote, the returning officer must—

- (a) detach the elector's declaration from the envelope; and

- (b) either—
- (i) place a mark in ink against the declarant’s name on the voters roll; or
 - (ii) if the voters roll is kept in an electronic form—record in a way approved by the returning officer that the declarant has voted; and
- (c) place the envelope containing the ballot paper (the **“accepted envelope”**) in a locked or sealed ballot box; and
- (d) keep the accepted envelope in the ballot box until dealt with under subsection (3) or section 366.⁹⁹

(3) The returning officer may take the accepted envelopes from the locked or sealed ballot box and remove the ballot papers from the envelopes, without unfolding them, or allowing anyone else to unfold them, and keep them in a locked or sealed ballot box until dealt with under section 366.¹⁰⁰

(4) The returning officer must—

- (a) put all ballot papers (not in declaration envelopes) that are in a ballot box opened under section 364(2) (Preliminary processing of declaration votes by returning officer) into a locked or sealed ballot box, without unfolding them, or allowing anyone else to unfold them; and
- (b) keep them there until they are dealt with in the official counting of votes.

(5) If a declaration envelope is rejected, the returning officer must set it aside in the officer’s custody for separate identification.

(6) The returning officer must seal up in separate parcels, and keep in the officer’s custody for separate identification, all rejected declaration envelopes, accepted envelopes from which ballot papers have been removed and elector’s declarations that have been removed from declaration envelopes.

⁹⁹ Section 366 (Official counting of votes)

¹⁰⁰ Section 366 (Official counting of votes)

Official counting of votes

366.(1) As soon as practicable after close of the poll in an election, the returning officer must follow the procedures set out in this section, in the presence of candidates for election, or scrutineers, who wish to attend.

(2) First, the returning officer must ascertain from the presiding officers' statements under section 363(2) (Preliminary counting by presiding officer)—

- (a) if the system of voting is first-past-the-post voting—the number of votes cast for each candidate; or
- (b) if the system of voting is optional-preferential voting—the number of first preference votes cast for each candidate.

(3) Second, the returning officer must—

- (a) open all sealed parcels of ballot papers given to the returning officer under section 363(2); and
- (b) examine all ballot papers that are not in declaration envelopes and—
 - (i) if the system of voting is first-past-the-post voting—count the number of votes cast for each candidate on formal ballot papers, and keep the ballot papers in a separate parcel; or
 - (ii) if the system of voting is optional-preferential voting—arrange all formal ballot papers under the names of the candidates by putting in a separate parcel the formal ballot papers on which a first preference vote is indicated for the same candidate, and count the number of first preference votes for each candidate on the formal ballot papers.

(4) Third, the returning officer must—

- (a) open all other ballot boxes on hand; and
- (b) open all accepted envelopes mentioned in section 365(2)(d)¹⁰¹ that have not yet been opened and remove the ballot papers; and
- (c) identify, and keep in a separate parcel, all informal ballot papers; and

¹⁰¹ Section 365 (Procedure for processing declaration envelopes)

- (d) examine all formal ballot papers and—
- (i) if the system of voting is first-past-the-post voting—count the number of votes cast for each candidate on the ballot papers, and keep the ballot papers in a separate parcel; or
 - (ii) if the system of voting is optional-preferential voting—arrange the ballot papers under the names of the candidates by putting in a separate parcel the ballot papers on which a first preference vote is recorded for the same candidate, and count the number of first preference votes for each candidate on the ballot papers.

(5) Fourth, the returning officer must add together—

- (a) if the system of voting is first-past-the-post voting—the number counted under subsections (3)(b)(i) and (4)(d)(i); or
- (b) if the system of voting is optional-preferential voting—the number counted under subsections (3)(b)(ii) and (4)(d)(ii).

(6) Fifth, the returning officer must reapply subsections (4) and (5) as more declaration envelopes are received by the returning officer under section 351 (Casting a declaration vote by post) after close of the poll.

Treatment of ballot paper to which objection is made

367.(1) If, while a presiding officer or returning officer is complying with section 363 (Preliminary counting by presiding officer) or 366 (Official counting of votes), a candidate or scrutineer objects to treatment of a ballot paper as informal, the officer must mark on the back of it ‘formal’ or ‘informal’ according to whether the officer’s decision is to treat it as formal or informal.

(2) If, while a presiding officer or returning officer, is complying with section 363 or 366, a candidate or scrutineer objects to the counting of a vote for a particular candidate, the officer must mark on the back of the relevant ballot paper the name of the candidate for whom it is counted.

Counting of votes for optional-preferential system

368.(1) This section applies to the counting of votes in an election in which the system of voting is optional-preferential voting.

Local Government Act 1993

(2) If, on final counting under section 366 (Official counting of votes), a majority of the first preference votes is for 1 candidate, that candidate is elected.

(3) If not, a second count must take place.

(4) On the second count—

- (a) the candidate who has the fewest first preference votes must be excluded; and
- (b) each ballot paper that records a first preference vote for the excluded candidate, and is not an exhausted ballot paper, must be transferred to the candidate next in the order of the elector's preference; and
- (c) the ballot paper must be counted as recording a vote for the candidate to whom it is transferred.

(5) If, on the second count, a candidate has a majority of the votes remaining in the count, the candidate is elected.

(6) If not, the process of—

- (a) excluding the candidate who has fewest votes; and
- (b) transferring each ballot paper that records a vote for the excluded candidate, and is not an exhausted ballot paper, to the continuing candidate next in order of the elector's preference; and
- (c) counting the ballot paper as recording a vote for the candidate to whom it is transferred;

must be repeated until 1 candidate has a majority of the votes remaining in the count.

(7) The candidate who under subsection (6) has a majority of the votes remaining in the count is elected.

(8) If, 2 or more candidates have an equal number of votes and 1 of them must be excluded—

- (a) if there has been an earlier count—the candidate who had the fewest votes at the last count at which the candidates did not have an equal number of votes must be excluded; or
- (b) if there has not been an earlier count or the candidates had an

equal number of votes at all earlier counts—the candidate whose name is on a slip chosen under subsection (9) must be excluded.

(9) For the purposes of subsection (8)(b), the returning officer must—

- (a) write the names of the candidates who have an equal number of votes on similar slips of paper; and
- (b) fold the slips, concealing the names; and
- (c) put the slips in an opaque container and shuffle them; and
- (d) raise the container so that its contents cannot be seen and choose a slip at random.

(10) If, after a count at which the candidate with fewest votes must be excluded, 2 candidates have an equal number of votes and are the only candidates not excluded, the returning officer must decide, by way of a casting vote, which candidate is elected.

(11) In casting a vote under subsection (10), the returning officer need not complete a ballot paper.

(12) Subsection (10) has effect despite section 334 (Who may vote).

Counting of votes for first-past-the-post system

369.(1) This section applies to the counting of votes in an election in which the system of voting is first-past-the-post voting.

(2) If the election is for mayor of the local government, the candidate who receives the greatest number of votes is elected.

(3) If the election is for councillors (other than the mayor) of the local government—

- (a) if 1 person only is to be elected—the candidate who receives the greatest number of votes is elected; and
- (b) if 2 or more persons are to be elected—the candidates elected are—
 - (i) the candidate who receives the greatest number of votes; and
 - (ii) the candidate who receives the next highest number of votes; and

(iii) the candidate who receives the next highest number of votes; and so on, up to the number of persons to be elected.

(4) If 2 or more candidates receive the same number of votes so that subsection (2) or (3)(a) or (b) cannot be applied, the returning officer must decide, by way of a casting vote, which candidate is elected.

(5) In casting a vote under subsection (4), the returning officer need not complete a ballot paper.

(6) Subsection (4) has effect despite section 334 (Who may vote).

Returning officer's duty after counting votes

370.(1) When the result of the poll for the election is known, the returning officer must—

- (a) seal up all of the formal ballot papers, informal ballot papers, rejected declaration envelopes, accepted envelopes from which ballot papers have been removed, electors' declarations that have been removed from declaration envelopes, defaced ballot papers, remains of destroyed ballot papers, unused ballot papers, books and papers (other than the voters roll) of each presiding officer used in the poll; and
- (b) endorse on each parcel a description of its contents and sign the endorsement; and
- (c) allow any scrutineers, who wish to do so, to countersign the endorsement.

(2) The returning officer must then—

- (a) examine the voters rolls used in the election and marked by issuing officers to ascertain whether any elector has voted more than once; and
- (b) make a list in the approved form of the names and numbers on the voters roll of all electors who appear to have voted more than once in the election, enclose the original of the list with the voters rolls in a sealed up parcel, and give a copy of the list to each person who was a candidate in the election.

Division 15—Actions following poll**Declaration of poll**

(2) The returning officer must—

- (a) display the notice in a conspicuous place in the local government's public office; and
- (b) publish the notice in a newspaper circulating generally in the local government area, or the division of the local government area, for which the election was held.

(3) The returning officer must not delay complying with subsection (1) or (2) merely because some ballot papers have not been received by the returning officer, if it is clear the votes recorded on the ballot papers could not affect the result of the election.

Notice of final result of poll

372.(1) The returning officer must give notice of the final result of the poll to each candidate as soon as practicable after—

- (a) all ballot papers used in the poll have been examined; and

(2) The returning officer must make a list of the names and addresses, and the numbers shown on the voters roll, of all electors who—

 - (ii) if the elector does not intend paying the penalty by the appropriate day—to state, in the approved form included in or with the notice, whether the elector voted and, if not, the reason for failing to vote and to sign the form and post or give it to the local government so it is received by the appropriate day.

(3) The elector must comply with the requirements of the notice.

(4) If—

- (a) the elector is absent, or unable, because of physical incapacity, to comply with the requirements of the notice; and

the first elector is taken to have complied with the notice's requirements.

Payments for failure to vote

376.(1) If the local government sends an elector a notice under section 375(1) for an election and payment is made to the local government under section 375(2) to (4), the local government must—

Division 2—Purchasing

When tenders are required

484.(1) A local government must invite tenders before making a contract for the carrying out of work, or the supply of goods or services, involving a cost of more than \$100 000 or, if a greater amount is prescribed by regulation, the greater amount.

- (2) The invitation must—
- (a) be by an advertisement in a newspaper circulating generally in the local government's area; and

(2) The invitation must be given to at least 3 persons who the local government considers can meet its requirements at competitive prices.

(3) This section applies subject to section 486 (Exceptions to the requirement to seek tenders or quotations).

Exceptions to the requirement to seek tenders or quotations

486.(1) A local government may enter into a contract without complying with section 484 (When tenders are required) or 485 (When quotations are required) if—

 - (ii) another Australian government, an entity of another Australian government or a local government of another State or a Territory.

(2) A local government also may enter into a contract for the supply of services without complying with section 484 or 485 if—

- (a) the contract is made with a person on the panel mentioned in section 487 (Panel of suitable providers); or
- (b) it resolves that it is satisfied that the services to be supplied are of such a specialised or confidential nature that it would be impractical or disadvantageous to the local government to invite tenders or quotations.

Panel of suitable providers

487.(1) A local government may compile a panel of the names of persons suitably qualified to provide a service.

(2) A panel must be compiled by—

- (a) inviting expressions of interest from persons to be included on the panel in the way provided for inviting tenders under section 484 (When tenders are required); and
- (b) selecting persons on the basis of the principles mentioned in section 481 (Principles governing the making of contracts).

Changes to tenders

- (a) a local government invites tenders for a contract; and
- (b) the invitation to tender states that the local government might later invite all tenderers to change their tenders.

(2) Before making a decision on the tenders, the local government may invite all the persons who have submitted a tender to change their tender to take account of a change in the tender specifications.

Short listing after calling for expressions of interest

489.(1) A local government may invite expressions of interest under this section before inviting tenders if it resolves that it is satisfied that it would be in the public interest.

(2) The local government must record its reasons for making the resolution.

(3) Expressions of interest must be invited in the way provided for inviting tenders under section 484 (When tenders are required).

(4) The local government may prepare a short list from the persons who responded to the invitation and invite tenders from the persons on the short list.

(5) If a local government makes a contract after inviting tenders under subsection (4), section 484 does not apply to the contract.

Acceptance of tender or quotation

490.(1) If a local government decides to accept a tender or quotation, it must accept the tender or quotation most advantageous to it.

(2) In deciding the tender or quotation most advantageous to it, the local government must have regard to the principles mentioned in section 481 (Principles governing the making of contracts).

(3) However, a local government may decide not to accept any tender or quotation available to it.

Division 3—Disposal of land or goods**When tenders or auctions are required**

491.(1) This section applies to—

(2) A local government may dispose of the land or goods only—

- (a) by auction; or
- (b) after inviting tenders in the way mentioned in section 484(2) (When tenders are required).

(3) If it invites tenders, sections 488 (Changes to tenders) and 490(1) and (3) (Acceptance of tender or quotation) apply.

(4) This section is subject to section 492 (Exemptions).

Exemptions

 - (c) the Minister exempts the local government from complying with the section; or
 - (d) the land or goods were previously offered for sale under section 491 and were not sold; or
 - (e) the disposal is declared by regulation to be a disposal to which this division does not apply.

(2) An exemption under subsection (1)(c) may be given subject to conditions.

(3) If subsection (1)(d) applies, the land or goods must not be sold for less than the highest bid or tender received.

(4) In this section—

(2) The matters that may be of benefit to a local government area include, for example—

Application of part

495.(1) This part does not apply to an enterprise (an “**exempt enterprise**”) declared by regulation to be an exempt enterprise.

(2) However, if the exempt enterprise is undertaken as a joint venture with someone else, this part applies to the enterprise unless—

- (a) the local government is authorised to conduct the enterprise under another Act; or
- (b) the joint venture is with any of the following—
 - (i) the State;
 - (ii) a government entity;
 - (iii) another local government;
 - (iv) another Australian government, an entity of another

Australian government or a local government of another State or a Territory.

Division 2—Enterprise powers

Engagement in or help to enterprises

496.(1) A local government may engage in or help an enterprise if the enterprise concerns a matter that, in its opinion, is directed to benefiting, and can reasonably be expected to benefit, its area or a part of its area.

(2) A local government may exercise a power under subsection (1) (the **“enterprise power”**) either alone or with another entity.

(3) A local government may do all things necessary or convenient to be done to exercise an enterprise power.

Specific enterprise powers

497.(1) For the purpose of exercising an enterprise power, a local government may—

- (c) be a member of a partnership or other association of persons and take part in the management of the business of a partnership or association of persons; or
- (d) commercially exploit its property rights (whether tangible or intangible).

(2) In subsection (1)—

Division 3—Safeguards

Requirements for exercise of enterprise powers

498.(1) A local government may exercise an enterprise power only by resolution.

(2) Before exercising an enterprise power, a local government must consult with, and have proper regard to the advice of, persons who, in its opinion, possess relevant competence about—

- (a) the end to which the exercise of the power is, or would be, directed; and
- (b) the ways of achieving the end; and
- (c) the lawfulness of the exercise of the power.

Restrictions on exercise of enterprise powers

499. In exercising, or before exercising, an enterprise power, a local government must not—

- (a) engage in or help enterprises in a financial year to an extent that requires the local government to commit in the year an amount that is more than the amount calculated under section 500 (Establishing enterprise powers limits); or
- (b) borrow or provide a guarantee for a borrowing; or
- (c) form, take part in forming, be a member of, or take part in the management of, a company other than a permissible company; or
- (d) be a member of a partnership other than as a limited partner; or
- (e) enter into an agreement or arrangement that does not restrict the liability of the local government, as between the parties, to the amount committed by the local government under the agreement or arrangement.

Establishing enterprise powers limits

500.(1) The amount of commitment to enterprises in a financial year to which a local government is limited includes the value of all property committed by the local government to any enterprise.

(2) A regulation may prescribe for the purposes of this part—

- (a) the components of a local government's own source revenue; and
- (b) the percentage of its own source revenue by reference to which the maximum amount of commitment to enterprises in a financial year to which a local government is limited by section 499(a) (Restrictions on exercise of enterprise powers) is to be established.

(3) If, in a financial year, a local government does not commit to enterprises an amount provided for in its budget for the purpose, the uncommitted amount may be carried forward to be committed to enterprises in a later financial year.

(4) However, if a maximum number of years for which local governments may carry forward uncommitted amounts under subsection (3) is prescribed by regulation, a local government must not exercise the power under the subsection for a financial year beyond the maximum number until the local government has lawfully applied the total amount carried forward by it.

(5) An amount carried forward under subsection (3), an accumulation of amounts carried forward under the subsection, or assets to the value of the amount or accumulation, may be committed (in whole or part) to enterprises by the local government in a financial year in addition to the amount of commitment permitted to the local government in the year under section 499(a).

(6) An amount carried forward under subsection (3) must be held in a reserve established by the local government in its operating fund until it is lawfully applied by it.

Register of enterprises

501.(1) A local government that exercises an enterprise power must keep a register that includes a record of—

- (a) each enterprise engaged in, or helped by, the local government; and
- (b) the identity of any entity with which the local government has engaged in, or helped, an enterprise as a joint venture; and
- (c) particulars of the purpose to be achieved by the engagement or help; and
- (d) the value of property committed by the local government to each enterprise engaged in, or helped by, the local government; and
- (e) for each enterprise—the identity of the persons of relevant competence with whom the local government has consulted in exercising an enterprise power.

(2) Subsection (1)(d) is complied with if the value of property committed to an enterprise is shown as the market value of the property when it is committed.

(3) The register is open to inspection.

(4) A local government must give to the chief executive of the department and the auditor-general written notice of—

- (a) the establishment of a register as soon as practicable after it is established; and
- (b) each entry in the register as soon as practicable after it is made.

- (b) have not previously been identified as being significant business activities.

(2) For subsection (1), a business activity is a new type 1 or 2 business activity of a local government, if, based on financial information presented to the local government’s budget meeting for the relevant year, the activity had expenditure for the preceding financial year greater than the threshold amount decided for the activity in that preceding financial year.

(3) A notice under section 546(5) may state matters in financial information presented to the budget meeting for a financial year, the local

- (a) reviewing the appropriateness of each of the following reforms for the activity—
 - (i) corporatisation of the activity;
 - (ii) commercialisation of the activity;
 - (iii) full cost pricing for the activity; and
 - (b) concluding whether or not and, if so, to what extent, the benefits that would be realised from implementation of the reforms mentioned in paragraph (a) would outweigh the costs.
- (2)** An assessment may, and it is declared always could, consider—
- (a) different reforms for separate parts of the activity; and
 - (b) sequential reforms for the whole or part of the activity.

Example for subsection (2)—

An assessment may consider whether the whole or part of an activity should be reformed and, in recommending reform of part of the activity, the public benefit assessment report could recommend that for the part—

- (a) full cost pricing be implemented by 1 July 1999; and
- (b) commercialisation be implemented by 1 July 2000; and
- (c) the activity be corporatised by 1 July 2002.

Matters to be addressed by public benefit assessment for type 2 or new type 2 business activity

(2) An assessment may, and it is declared always could, consider—

- (a) different reforms for separate parts of the activity; and
- (b) sequential reforms for the whole or part of the activity.

Example for subsection (2)—

An assessment may consider whether the whole or part of an activity should be reformed and, in recommending reform of part of the activity, the public benefit assessment report could recommend that for the part—

- (b) the entity providing goods and services on a commercial basis; and
- (c) the entity receiving subsidies to provide goods and services, as community service obligations, that it would not otherwise be in the commercial interests of the entity to provide.

(2) Implications of corporatisation include—

 - (ii) retention by the local government of amounts equivalent to debt guarantee fees for State guarantees; and
- (b) compliance with Commonwealth, State and local government requirements that apply only if the activity is carried on by a private sector business, such as those relating to the protection of the environment and planning and approval processes.

(3) If, before corporatisation of a significant business activity by a local government, the local government is not liable to pay a State tax that would be payable if the activity were corporatised, an amount equivalent to the tax is to be payable by the entity to the local government in place of payment of the tax to the State.

(4) Part 7 applies to the implementation of corporatisation for a significant business activity of a local government.

What is commercialisation

(3) Part 6 applies to the commercialisation of a significant business activity of a local government.

What is full cost pricing

553.(1) For a public benefit assessment, full cost pricing for a significant business activity means prices are charged for goods and services taking into account the full cost of providing the goods or services including estimates of the amounts mentioned in section 552(2)(a).¹³⁸

(2) Part 5 applies to the application of full cost pricing for a significant business activity of a local government.

Meaning of “key principles of corporatisation”

- (4)** The elements of principle 3 are that—
- (a) the board of the corporatised corporation will be accountable to the shareholder for the corporation's performance; and
 - (b) the corporation's statement of corporate intent will form the basis for accountability; and
 - (c) performance will be monitored by the shareholder against performance targets stated in the statement of corporate intent; and
 - (d) shareholder monitoring of the corporation is intended to compensate for the absence of the wide range of monitoring to which listed corporations are subject by, for example, the sharemarket and Commonwealth regulatory agencies.

(5) The elements of principle 4 are that—

- (a) the efficiency of overall resource use is promoted by ensuring markets are not unnecessarily distorted; and
- (b) to ensure, wherever possible, the removal of advantages and disadvantages accruing to the corporatised corporation as a result of local government ownership; and
- (c) if a corporation has monopoly or near monopoly power—
 - (i) if a local government decides it is appropriate to increase competition, there may be reform of the business activity; and
 - (ii) special monitoring may be necessary to prevent abuse of this power.

- (b) its reasons for the opinion.

(3) The notice must state that it is given under this section.

(4) The giving of the notice operates to suspend the direction until—

- (d) that a document has been properly sealed by the corporation if—
 - (i) it bears what appears to be an imprint of the corporation’s seal; and
 - (ii) the sealing of the document appears to be authenticated by a person who, because of paragraph (b), may be assumed to be a director of the corporation or the corporation’s chief executive officer; and
- (e) that the corporation’s directors, chief executive officer, employees and agents have properly performed their duties to the corporation.

(5) However, a person is not entitled to assume a matter mentioned in subsection (4) if—

791. This part does not apply to an activity carried on by a local government business entity to the extent that, and for so long as, there is a current accreditation for the activity by the Queensland Competition Authority granted to the entity under part 4.

Affected persons

792.(1) In this part, an “**affected person**” is a person who—

- (a) is, or may be, adversely affected by the competitive advantage alleged by the person to be enjoyed by the local government business entity in carrying on an activity; and
- (b) in relation to the activity mentioned in paragraph (a)—satisfies a competition requirement.

(2) For subsection (1), a person satisfies a competition requirement in relation to an activity carried on by the entity if the person—

- (a) competes with the local government business entity in relation to the activity; or
- (b) seeks to compete with the local government business entity in relation to the activity but is being hindered from doing so by the competitive advantage alleged by the person to be enjoyed by the entity.

Division 2—Complaints about competitive neutrality

Local government to establish complaint process

793.(1) Each local government must establish a process for resolving

complaints by affected persons about failures of its local government business entities to carry on activities in a way that complies with the competitive neutrality principles applying to the activities.

(2) The process must be adopted by resolution of the local government.¹⁸¹

Requirements for complaint process

794.(1) The complaint process must include the following elements—

- (a) the process for selecting and appointing referees to investigate complaints;
- (b) preliminary procedures before an affected person makes a complaint—

- (g) giving the applicant an opportunity to give to the referee further details about the applicant's complaint;
- (h) times in which the referee must give reports to the local government;
- (i) any other matters the local government considers appropriate.

¹⁸¹ Under division 6, a local government may resolve that the Queensland Competition Authority be the referee for its complaint process for certain activities. The division contains provisions about the application of this part, and certain provisions of the *Queensland Competition Authority Act 1997*, to the complaint process.

(2) Also, the process mentioned in subsection (1)(a) must require that the person appointed to be a referee to investigate a complaint must not be involved with the carrying on of the activity the subject of the complaint.

(3) The fee charged by a local government for making a complaint must not be more than the maximum fee prescribed under a regulation for making a complaint.

Grounds for complaints

795. The grounds for a complaint must be the failure of a local government business entity to carry on an activity in a way that complies with the competitive neutrality principles applying to the activity.

Effect of complaint on activities

796. A complaint about an activity of a local government business entity does not prevent the entity from continuing to carry on the activity pending a decision by the local government on the referee's report and recommendation on the complaint.

Referee to act fairly

797. In investigating a complaint and making a report, the referee must act fairly and impartially.

Matters to be considered by referee on complaint

- (b) the need for efficient resource allocation;
- (c) the need to promote competition;

 - (i) any directions about the application of competitive neutrality

 - (iv) policies on economic and regional development issues, including employment and investment growth;
- (e) any law or local government policies relating to ecologically sustainable development;
- (f) any law or local government policies relating to occupational health and safety or industrial relations.

(2) In investigating a complaint, the referee may also have regard to the interests of consumers or any class of consumers.

(3) However, in deciding whether a complaint has been substantiated, the referee must not accept that any competitive advantage enjoyed by the local government business entity solely because of local government ownership of the entity is justified because of the existence of a competitive disadvantage suffered by the entity because of the local government ownership of the entity.

(4) Subsections (1) and (2) do not limit the matters the referee may have regard to in investigating a complaint.

Division 3—Investigation of complaints

Requirement of referee to investigate

799.(1) The referee must investigate a complaint unless—

- (a) the referee reasonably believes the applicant is not, or could not be, in competition with the local government business entity

carrying on the activity; or

- (b) the referee reasonably believes the applicant is not, or is unlikely to be, adversely affected by the failure alleged in the complaint of the local government business entity to carry on the activity in a way that complies with the competitive neutrality principles applying to the activity; or
- (c) the referee reasonably believes the applicant has not shown the applicant has made a genuine attempt to resolve the subject matter of the complaint through the preliminary procedure of the complaint process mentioned in section 794(1)(b);¹⁸² or
- (d) the applicant has failed, without reasonable excuse, to give relevant information asked for by the referee within the reasonable time stated by the referee; or
- (e) the local government business entity carrying on the activity has a current accreditation for the activity granted by the Queensland Competition Authority under part 4; or
- (f) the referee reasonably believes the complaint is frivolous or vexatious.

(2) In forming a belief for subsection (1)(a), the referee must have regard to the following—

- (a) laws governing competition applicable to the activities of the local government business entity;
- (b) whether the applicant is supplying, or could supply, goods or services similar to the goods or services the subject of the activity carried on by the local government business entity;
- (c) any other matter the referee considers appropriate.

(3) If the referee decides not to investigate a complaint, the referee must, within 14 days after making the decision, give a written notice stating the decision and the reasons for the decision to—

- (a) the applicant; and
- (b) the local government.

¹⁸² Section 794 (Requirements for complaint process)

- (a) the relevant local government; and
- (b) the applicant; and
- (c) if the local government business entity carrying on the activity is a corporatised corporation—the corporation; and

(3) The referee may—

- (a) require information or submissions to be presented in writing; and
- (b) decide the matters on which information or submissions may be presented orally.

Consideration of submissions

803.(1) In an investigation, the referee must consider all submissions that—

- (a) are made in response to an investigation notice; and

2. If a local law on libraries states that the local government may make a local law policy on a specific issue, for example, the restriction of borrowing rights or suspension of membership if a member retains borrowed items for substantially longer than permitted by the library rules, the local government cannot, without specific authority in the local law, make a local law policy about other library matters, including, for example, the hours of operation of the library.

(2) A local law or a local law policy, to the extent the law or policy is contrary to subsection (1), is of no effect.

(3) If a provision of a local law or a local law policy made before the commencement of the *Integrated Planning Act 1997*, chapter 3 deals with development, within the meaning of that Act, the provision may not be amended but may be repealed.

PART 2—MAKING LOCAL LAWS AND LOCAL LAW POLICIES

Division 1—Making model local laws

Application of division

855. This division applies subject to division 5.¹⁹¹

Model local law process

856.(1) The process stated in this division or division 3 (Making other local laws) must be used to make a model local law.

(2) If a local government purports to make a model local law in contravention of subsection (1), the purported law is of no effect.

Step 1—make a law

857.(1) A local government makes a model local law if, by resolution, it—

- (a) adopts a model local law about a matter; and
- (b) if there is an existing local law about the matter that is inconsistent with what is adopted—amends or repeals the existing local law so that there is no inconsistency.

(2) The local government's chief executive officer must certify the required number of copies of the local law to be the local law as made by the local government.

(3) For subsection (1)(a), the adoption of a model local law with changes about an anti-competitive provision consistent with a resolution of the local government made under section 891 in relation to the local law is the adoption of a model local law.

(4) A local government must not adopt a model local law with an

¹⁹¹ Division 5 (Anti-competitive provisions of proposed local laws and proposed local law policies)

anti-competitive provision (whether or not in an amended form) unless the local government has complied with division 5 in relation to the proposed model local law.

- (c) that a certified copy of the local law is open to inspection at the local government's public office and at the department's State office;
- (d) that a copy of the certified copy of the local law may be purchased at the local government's public office.

(3) If the local law is not notified within 1 year of the date of the local government's resolution making the local law (or a longer period decided by the Minister), the process stated in this division must be used again before the local law is notified in the gazette.

(4) On the day of notification (or as soon as practicable after the day), the local government must give the Minister—

- (a) a copy of the notice; and
- (b) the required number of certified copies of the local law; and
- (c) advice of any anti-competitive provisions included in the local law and reasons for their inclusion.

- (a) advise the Minister of the proposed local law and state why it is necessary or desirable for the local law to be made on an interim basis; and
- (b) give the Minister information about the proposed local law required by the Minister or by regulation.

(2) If the Minister agrees the local law should be made on an interim basis, the Minister must advise the local government of this.

(3) The Minister's agreement may be subject to conditions the Minister considers appropriate.

(4) Before proceeding to step 3, the local government must—

- (a) get an advice under subsection (2); and
- (b) agree to satisfy any condition imposed by the Minister; and
- (c) agree to immediately begin the process stated in division 3 (Making other local laws) to make the proposed interim local law as a local law under that division.

(5) The local government must satisfy any agreed conditions and begin the process stated in division 3 to make the proposed interim local law as a local law under that division.

Step 3—make proposed law

862.(1) The local government must, by resolution, make the proposed interim local law.

(2) The local government's chief executive officer must certify the required number of copies of the local law to be the local law as made by the local government.

(2) If the Minister considers State interests are satisfactorily dealt with by the proposed local law, the Minister must advise the local government that it may proceed further in making the law.

(3) Alternatively, if the Minister considers State interests would be satisfactorily dealt with by the proposed local law if the local government satisfied particular conditions, the Minister—

- (a) may impose conditions on the local government that the Minister considers appropriate; and
- (b) must advise the local government that it may proceed further in making the law if it—
 - (i) satisfies any conditions about the content of the proposed local law; and
 - (ii) agrees to satisfy any other conditions.

(4) If the Minister considers that the proposed local law only makes a minor amendment of an existing law (including, for example, the correction of a minor error), the advice of the Minister also may state that the local government may proceed to step 8 without satisfying steps 3 to 7.

(5) Steps 3 to 7 do not apply if the Minister's advice to the local

- (b) states—
 - (i) the grounds of the submission; and
 - (ii) the facts and circumstances relied on in support of the grounds; and
- (c) is given to the local government on or before the last day of the consultation period.

Step 6—decide whether to proceed with making proposed law

871. After considering every submission properly made to it, the local government must, by resolution, decide whether to—

Local law and local law policy presumed to be within jurisdiction

899. In a proceeding, the competence of a local government to make a particular local law or local law policy is presumed unless the issue is raised.

CHAPTER 13—LOCAL GOVERNMENT INFRASTRUCTURE

PART 1—EXTENDED APPLICATION OF CHAPTER

Application of chapter to Brisbane City Council

900. This chapter applies to the Brisbane City Council.

PART 2—ROADS

Division 1—Control of roads

Local governments' control of roads

901.(1) A local government has control of all roads in its area.

(2) Control of roads includes capacity to take all necessary steps for—

- (a) survey and resurvey of roads; and
- (b) construction, maintenance and improvement of roads; and
- (c) regulation of use of roads; and
- (d) regulation of movement of traffic and parking vehicles on roads.

(3) Subsection (2)(d) is subject to the *Traffic Act 1949*.

(4) Regulation of use of roads includes—

- (a) requiring, by local law, an owner of land adjoining a road to fence the land to prevent animals escaping from the land onto the road; and
- (b) specifying, by local law, the obligations of the owner of the land.

Division 2—Realignment and widening of roads**Realignment of roads**

902.(1) A local government may realign a road to widen it.

(2) A road may be realigned—

- (a) by acquisition of land necessary for the purpose; or
- (b) if a structure or part of a structure is on land affected by the realignment between the existing and proposed alignments—under a notice of realignment.

(3) A local government must serve a notice (the “**notice of realignment**”) on the owner of land affected by a realignment.

(4) The notice must inform the owner in general terms of this section and section 904 (Compensation for realignment of road).

(5) The local government must lodge a copy of the notice of realignment with the registrar of titles for the registration on the instrument of title to the land.

Effect of notice of realignment

903.(1) The owner of land that is the subject of a notice of realignment must not erect, place, re-erect, replace or repair any structure or part of a structure on the land between the existing and proposed alignments of the road without the permission of the local government.

(2) Despite service of the notice, land between the existing and proposed alignments of a road does not form part of the road until it has been acquired by the local government and dedicated to public use as a road.

(3) The registrar of titles may register the notice despite the non-production of a relevant instrument of title.

Compensation for realignment of road

904.(1) A person who would be entitled to claim compensation on acquisition by a local government of land affected by a notice of realignment situated between the existing and proposed alignments of a

road is entitled to compensation from the local government for injurious affection to the person's interest in the land because of—

- (a) service of the notice; or
- (b) refusal by the local government of permission mentioned in section 903(1) (Effect of notice of realignment).

(2) However, compensation is not payable on service of the notice until—

- (a) the land is first sold after service of the notice; or
- (b) the owner of the land has, after service of the notice, offered the land for sale in good faith, but cannot sell the land for a fair and reasonable price.

Claims for compensation

905.(1) A claim for compensation must—

- (a) be made to the chief executive officer of the local government in a form approved by the chief executive officer; and
- (b) be made within 3 years after the entitlement to compensation arose.

(2) The claim is taken to have been properly made when the claimant has given the local government all information reasonably required by it to decide the claim.

(3) If, within 40 days after the claim is made, the local government has not given to the claimant written notice of its decision on the claim, it is taken to have refused compensation to the claimant on the 41st day after the claim is made.

Appeals

906.(1) A claimant aggrieved by the decision of a local government made on a claim for compensation may appeal against the decision to the Planning and Environment Court.

(2) The appeal must be started within 30 days after notice of the decision is given to the claimant or the decision is taken to have been made.

Assessment of compensation

907. Assessment of compensation for injurious affection of an interest in land because of a notice of realignment must be consistent with the following principles—

- (a) the amount of compensation must represent the difference between the market value of the interest immediately after service of the notice and what would be the market value of the interest at that time if the notice had not been served;
- (b) any benefit that may accrue, because of the realignment, to land adjacent to the land affected by the realignment, and in which the claimant has an interest, must be taken into account;
- (c) the amount of compensation must not be increased because the land affected by the realignment has, since the service of the notice, become or ceased to be separate from other land.

Award of compensation

908. Before awarding compensation for injurious affection, the Planning and Environment Court must be satisfied—

- (a) if the land has been sold—
 - (i) the sale price is less than the seller might reasonably have expected to receive had there been no notice of realignment; and
 - (ii) the seller sold the land in good faith; and
 - (iii) the seller took reasonable steps to obtain a reasonable price for the land; or
- (b) if a local government has refused permission mentioned in section 903(1) (Effect of notice of realignment)—the permission was applied for in good faith.

Acquisition of land instead of compensation

909.(1) Unless land between the existing and proposed alignments of a road has been sold, a local government may acquire the land instead of paying compensation for injurious affection.

(2) If, after a notice of realignment is served, land between the existing and proposed alignments of a road has been cleared of all structures, a local government may, and, if required by the owner of the land, must, acquire the land.

(3) Land acquired under subsection (1) or (2) must be dedicated for public use as a road within 3 months after its acquisition.

(4) Compensation for the compulsory acquisition of land under subsection (1) or (2), if not agreed between the parties, must be assessed as at the date of the acquisition.

Notice of realignment not effective in certain circumstances

910.(1) A local government cannot, without the consent of the Planning and Environment Court, serve notice of realignment on an owner of land after the owner has applied to it—

- (a) for its approval of subdivision of the land; or
- (b) for its approval, consent or permission—
 - (i) to erect or use a structure on the land; or
 - (ii) to use the land for any purpose.

(2) The court may consent to service of the notice only if it is satisfied the purpose of the notice is to enable the local government to make, in good faith, a reasonable widening of the road.

Realignment not carried out

911.(1) This section does not apply to a realignment of road necessary to comply with the requirements of a local government under a planning scheme in its application to particular developments in the local government's area.

(2) A local government may, before a realignment of a road has been carried out, decide not to proceed with the realignment or with a part of it.

(3) The local government must serve notice of its decision on—

- (a) all owners of land who were served with notice of the realignment; and

(b) all owners of land that, after the realignment has been carried out in part, adjoins the realigned boundary of the road.

(4) The notice must inform the owners in general terms of this section and section 912 (Compensation if realignment not carried out).

(5) The local government must—

(a) withdraw all notices of realignment, or, if the decision relates to part only of a realignment, all notices of realignment for the part, lodged with the registrar of titles but not registered; and

(b) lodge with the registrar of titles a notice of its decision on all instruments of title on which notice of realignment has been registered, or, if the decision relates to part only of a realignment, on which notice of realignment for the part has been registered.

Compensation if realignment not carried out

912.(1) This section applies if—

(a) a local government decides not to proceed with a realignment, or part of a realignment, of a road; and

(b) structural improvements are made on land adjoining the road on the basis of the proposed realignment being effected.

(2) The local government must pay the owner of the land reasonable compensation for the decrease in value of the land because of the decision.

(3) The amount of compensation is the difference between the value of the land before and after the decision.

(4) If the local government and the owner fail to agree on the amount of compensation, the amount is to be decided by the Land Court.

(5) The provisions of the *Acquisition of Land Act 1967* about the making, hearing and deciding of claims for compensation for land taken under that Act apply, with any necessary changes and any changes prescribed by regulation, to claims for compensation under this section.

(6) A decision by a local government not to proceed with a realignment, or part of a realignment, of a road does not give rise to an entitlement to compensation or a cause of action in any owner or occupier of land or other person other than under this section.

Acquisition of land for use as footpath

913.(1) A local government may widen a road by acquiring from the owner of land adjoining the road land for use as a footpath.

(2) The acquisition of land may be subject to a reservation in favour of the owner of any of the following rights as the local government decides, at or before the acquisition, to be appropriate—

- (a) a right to ownership, possession, occupation and use of any existing structure, room or cellar at a specified height above or depth below the level of the new footpath, subject to the local government's right to enter, and make structural alterations to, the structure, room or cellar as it considers to be necessary;
- (b) a right to erect a structure, in accordance with law, at a specified height above and extending over the new footpath and to the ownership, possession, occupation and use of the structure;
- (c) a right of support for a structure mentioned in paragraph (a) or (b).

Division 3—Opening and closure of roads**Notice to local government of opening or closure of roads**

914.(1) If an application is made under the *Land Act 1994* for the opening or closure of a road in a local government's area by a person (other than the local government), the Minister administering that Act must give written notice of the application to the local government.

(2) The notice must specify a date (no earlier than 1 month or later than 2 months after the local government is given the notice) on or before which the local government may object to the opening or closure of the road.

(3) An objection must state fully the reasons for the objection.

(4) The Minister must have regard to any objections properly made by the local government.

(5) If the Minister decides the road should be opened or closed, the Minister must give written notice to the local government of the decision

and, if the decision is contrary to the local government's objection, the reasons for it.

Limited closure of roads by local government

915.(1) A local government may, by public notice, close a road, or part of a road, permanently or temporarily, to particular traffic, if there is another road, or route, reasonably available for use by the traffic.

(2) A local government may, by public notice, close a road to all traffic or particular traffic—

- (a) during a temporary obstruction to traffic; or
- (b) if it is necessary or desirable to close the road for—
 - (i) a temporary purpose; or
 - (ii) in the interests of public safety.

(3) Notice under subsection (1) or (2) may be published in the way the local government considers appropriate in each particular case.

(4) If a road, or part of a road, in a local government's area is closed to traffic under subsection (1) or (2), the local government may do everything necessary to stop traffic using the road or the part of the road.

Division 4—Miscellaneous

Temporary roads

916.(1) A local government may, to remake or repair part of a road, make a temporary road through land adjoining the road, to be used while the part is being remade or repaired.

(2) However, the temporary road may be made only if it is not reasonably practicable to temporarily close the part of the road to traffic while it is remade or repaired.

Fixing road levels

917.(1) The owner or occupier of land adjoining a road may give written

notice to the local government requiring it to advise the owner or occupier of the permanent level fixed or to be fixed for the road.

(2) If the local government has not, within 6 months after receiving the notice, given to the owner or occupier written advice about the permanent level of the road, the local government is taken to have fixed the apparent level of the road when the notice was given as the permanent level of the road.

Compensation for change in road level

918.(1) This section applies if—

- (a) after a local government has fixed the permanent level of a road, the local government changes the level of the road; and
- (b) the owner or occupier of land adjoining the road is injuriously affected by the change.

(2) The owner or occupier, or the person's successor in title, is entitled to the reasonable compensation because of the injurious affection that is agreed between the local government and the person or, failing agreement, decided by the Planning and Environment Court.

Ancillary works and encroachments on roads

919.(1) In this section—

“ancillary works and encroachments” means—

- (a) gates or grids; or
- (b) private railways; or
- (c) tramways, including sugar cane tramways; or
- (d) viaducts; or
- (e) cellars.

(2) A local government may, by local law, regulate the construction, maintenance and operation of ancillary works and encroachments in, on, along, across, under or over roads in its area.

(3) However, a local government cannot make a local law about a

railway to which the *Transport Infrastructure Act 1994*, chapter 6¹⁹⁶ applies.

Categorisation of roads

920. A local government must categorise roads in its area according to the surface of the road.

Roads map and register

921.(1) A local government must prepare and keep up-to-date a map and a register of roads in its area.

(2) The map of roads must show every road in its area.

(3) The register of roads must show—

- (a) the category of every road in its area; and
- (b) the level of every road of which the level is fixed; and
- (c) other particulars prescribed by regulation.

(4) The register of roads also may show other particulars the local government considers appropriate.

(5) The map and register are open to inspection.

(6) On application and payment of a reasonable fee fixed by resolution or local law, a person may obtain—

- (a) a copy of, or an extract from, a map or register of roads; or
- (b) a certificate of an employee of the local government authorised for the purpose—
 - (i) about the category, alignment and levels of roads in its area; or
 - (ii) about the fact that the alignment or level of a road in its area has not been fixed.

Closure of roads to traffic

923.(1) For the purpose of establishing a mall in a road, the Governor in Council may, by gazette notice, and a notice published in a newspaper circulating generally in the locality of the road, temporarily close a road to traffic for the proposed mall.

(2) The Governor in Council may, by gazette notice, amend or revoke the road closure.

(3) A notice of a road closure or amendment of a road closure must specify the day it becomes effective.

Provision of works for mall

924.(1) A local government may undertake and provide the works necessary or desirable for establishing a mall in a road.

(2) The local government also may do everything incidental to undertaking or providing the works.

Establishment of mall

925. The Governor in Council may, by gazette notice, nominate a day (the “**mall opening day**”) on which a road closed to traffic for a proposed mall is to reopen as a mall.

(4) The local government may exercise any of its powers in relation to the mall before the mall opening day if it is necessary or desirable for the mall's benefit immediately on its establishment.

Control of vehicles and animals in malls

928. A local government may, by local law, regulate the entry of vehicles and animals into, and the presence and use of vehicles and animals in, malls.

No entitlement to compensation for mall

929. A person has no entitlement at law to compensation for injurious affection to any right or interest of a business, commercial or industrial nature because of—

- (a) the existence of a mall; or

930. A local government has the exclusive right to provide a ferry service

across a watercourse at a place where the land forming both banks of the watercourse is in its area.

Ferry service on boundary of local government areas

931. If a watercourse is the boundary between 2 or more local government areas, the Governor in Council may, by regulation, declare that a specified local government has exclusive control of—

- (a) provision of a service by ferry across the watercourse at a place where it forms the boundary; and
- (b) all proper approaches to the ferry and the part of either bank of the watercourse that, in the Governor in Council's opinion, is necessary for the convenient construction and use of the ferry and the proper approaches to it.

Lease of ferries

932. A local government may lease the right to operate a ferry, alone or with the land under its control that is required for the use of the ferry, for the period and on the terms it considers appropriate.

(3) A local government may occupy and use foreshore, tidal land or tidal

waters to undertake work in exercising the powers.

(4) While the local government occupies or uses foreshore, tidal land or tidal waters, the foreshore, land or waters are taken to be in its area.

(5) This section has effect subject to the *Land Act 1994*.

- (a) the decision on appeal confirms the giving of permission, with or without conditions, or changed conditions, applying to the permission; or
- (b) the appeal is struck out or is discontinued.

(4) An issued permit is subject only to the conditions stated in the permit.

Application for permission for existing levee banks

941.(1) If, when a local law mentioned in section 938 (Regulation of levee banks etc.) commences, there is on land to which the local law applies a levee bank that, in the local government's opinion, affects or is likely to affect natural drainage to an extent that it causes or may cause damage to land or a public work, service or undertaking, the local government may, by written notice, require the owner of the land to apply to it within a specified reasonable period for permission to keep the levee bank or part of the levee bank.

(2) This part applies to an application made in response to a requirement under subsection (1) as if the application were an application for permission to construct the levee bank or part concerned.

(3) A person must not keep on the person's land, or allow another person to keep on the person's land, a levee bank or part of a levee bank to which a requirement under subsection (1) applies—

- (a) after the end of the period allowed by the request for applying for the local government's permission to keep the levee bank or part of the levee bank, if the application has not been properly made; or

Duties of appeal tribunal

(2) A document purporting to be a copy of an order of an appeal tribunal for payment of a stated amount of costs may be filed in the registry of a court having jurisdiction in an action for debt in the amount stated in the order, and enforced as an order of the court.

(3) If an order of an appeal tribunal for payment of costs does not state the amount to be paid, the costs payable may be recovered by action in a court of competent jurisdiction as a debt payable by the person by whom the costs are ordered to be paid to the person to whose benefit the order was made.

Division 4—Effect of part

Effect of part on legal rights and remedies

955. A permission given on an application under this part does not affect a right or remedy a person had about a levee bank the subject of the permission.

*Division 5—Expiry of part***Expiry of part**

956. This part expires on 31 March 1999.

CHAPTER 14—RATES AND CHARGES**PART 1—GENERAL***Division 1—Rateable land***What land is rateable?**

- (c) land in a state forest or timber reserve, other than land occupied under an occupation permit or stock grazing permit under the *Forestry Act 1959* or under a lease under the *Land Act 1994*; and
- (d) Aboriginal land under the *Aboriginal Land Act 1991* or Torres Strait Islander land under the *Torres Strait Islander Land Act 1991*, other than land used for commercial or residential purposes; and
- (e) the following land under the *Transport Infrastructure Act 1994*—
 - (i) strategic port land occupied by a port authority, the State, or a government entity;
 - (ii) existing or new rail corridor land;
 - (iii) commercial corridor land that is not subject to a lease; and

(f) land exempt from rating under an Act or a regulation made under this Act.

(2) A regulation under subsection (1)(f) may, for example, exempt from rating land used for religious, charitable, educational or public purposes.

(3) If part of a parcel of land mentioned in subsection (1)(d) is used for commercial or residential purposes and another part (the “**remainder**”) of the parcel is used for other purposes, the remainder is not rateable land, even though the other part of the parcel is rateable land.

(4) In this section—

“**non-exempt GOC**” means a GOC, or a subsidiary of a GOC, within the meaning of the *Government Owned Corporations Act 1993* other than a GOC or subsidiary that is exempt from rating under an Act in relation to the relevant land.

“**private person**” means a person other than the State or a government entity.

Division 2—Averaging of valuations

Application to Brisbane City Council

958. This division applies to the Brisbane City Council.

Local government may decide to average land values for rating purposes

959.(1) A local government may decide by resolution that, for the purpose of making and levying rates for a financial year on rateable land in its area, the unimproved value of the land is to be its averaged value under this division.

(2) The resolution must specify whether the averaged value must be calculated under section 960 (Averaging over 3 years) or section 961 (Averaging over 2 years).

Averaging over 3 years

960.(1) If this section applies to a financial year, the averaged value of rateable land for the financial year is the lesser of—

- (a) the land's effective value for the financial year; or
- (b) the amount calculated as follows—
 - (i) if the land has effective values for the financial year and each of the previous 2 financial years—the average of the 3 effective values;
 - (ii) in any other case—an amount equal to the land's effective value for the financial year multiplied by the averaging factor.

(2) In subsection (1)—

“averaging factor”, for a financial year, means the number calculated, to 2 decimal places, using the formula—

$$\frac{T}{3V}$$

where—

“T” means the total of the effective values of all rateable land in the local government's area for the financial year and the previous 2 financial years.

“V” means the effective value of all rateable land in the local government's area for the financial year.

Averaging over 2 years

961.(1) If this section applies to a financial year, the averaged value of rateable land for the financial year is the lesser of—

- (a) the land's effective value for the financial year; or
- (b) the amount calculated as follows—
 - (i) if the land has effective values for the financial year and the previous financial year—the average of the 2 effective values;

- (ii) in any other case—an amount equal to the land’s effective value for the financial year multiplied by the averaging factor.

(2) In subsection (1)—

“**averaging factor**”, for a financial year, means the number calculated, to 2 decimal places, using the formula—

$$\frac{T}{2V}$$

where—

“**T**” means the total of the effective values of all rateable land in the local government’s area for the financial year and the previous financial year.

“**V**” means the effective value of all rateable land in the local government’s area for the financial year.

Information available to calculate “averaging factor”

962. A local government may calculate the averaging factor using only the effective values of which it is aware at the time of making its resolution.

PART 2—MAKING AND LEVYING RATES AND CHARGES

Power to make and levy rates and charges

963.(1) A local government may, for a financial year, make and levy—

- (a) a general rate or differential general rates; and
- (b) minimum general rate levies; and
- (c) separate rates and charges; and
- (d) special rates and charges; and

(e) utility charges.

(2) A local government also may fix general charges.

Making of rates and charges

964. A rate or charge mentioned in section 963(1) (Power to make and levy rates and charges) may only be made for a financial year by resolution at the local government's budget meeting for the year.

General rate or differential general rates must be made each year

965. A local government must make a general rate or differential general rates for each financial year.

Differential general rate

966.(1) Before a differential general rate is made and levied, rateable land must be categorised into 2 or more categories under part 3 (Categorisation of land for differential rating).

(2) A differential general rate made and levied on rateable land in a category may be the same as or different to the differential general rate made and levied on land in another category.

(3) If a local government makes and levies a differential general rate for rateable land for a financial year, the local government must not make and levy a general rate for the land for the year.

(4) A differential general rate may be made and levied on a lot under a community titles Act as if it were a parcel of rateable land.

(5) To avoid doubt, it is declared that a differential general rate may be made and levied on a lot included in a community titles scheme under the *Body Corporate and Community Management Act 1997*.

Minimum general rate levy

967.(1) A local government may identify rateable land for the purpose of making and levying a minimum general rate levy in any way it considers appropriate.

(2) If a local government makes and levies a differential general rate, it may make and levy different minimum general rate levies on rateable land in different categories.

Minimum general rate levy on time shared property

968.(1) This section applies to a local government levying a minimum general rate levy on—

- (a) rateable land where there is a structure wholly or partially subject to a time share scheme; or
- (b) a lot within the meaning of a community titles Act, or a lot included in a community titles scheme under the *Body Corporate and Community Management Act 1997*, where there is a structure wholly or partially subject to a time share scheme.

(2) The local government may decide that the minimum general rate levy is to be worked out using the formula—

$$L \times RU$$

where—

“**L**” means the minimum general rate levy that would, apart from this section, be payable for the rateable land or the lot.

“**RU**” means the number of units of the structure that are subject to the time share scheme and are available at any time for separate exclusive occupation.

Minimum general rate levy on mining tenements

969.(1) A local government may decide that the minimum general rate levy on land mentioned in subsection (2) is different to the minimum general rate levy on other rateable land in its area.

(2) Subsection (1) applies to rateable land if the land is—

- (a) a mining claim; or
- (b) a mining lease granted for mining for minerals of not more than 2 ha; or
- (c) a mining lease granted for a purpose associated with mining for

minerals of not more than 4 ha.

(3) A local government also may decide that different minimum general rate levies apply to—

- (a) a mining claim of not more than 900 m²; and
- (b) a mining claim of more than 900 m²; and
- (c) a mining lease mentioned in subsection (2).

Unimproved value of mining claims

970. The unimproved value of a mining claim is—

- (a) for a mining claim of not more than 900 m²—\$150 or, if a greater amount is prescribed by regulation, the greater amount; or
- (b) for a mining claim of more than 900 m²—\$450 or, if a greater amount is prescribed by regulation, the greater amount.

Special rates and charges

971.(1) A local government may make and levy a special rate or charge on rateable land if—

- (a) the rate or charge is for a service, facility or activity; and
- (b) in the local government's opinion, the land has or will specially benefit from, or has or will have special access to, the service, facility or activity.

(2) The special rate or charge may be made and levied on the bases the local government considers appropriate.

(3) Without limiting subsection (2), the amount of the special rate or charge may vary according to the extent to which, in the local government's opinion, the land has or will specially benefit from, or has or will have special access to, the service, facility or activity.

(4) The local government's resolution making the special rate or charge must identify the rateable land to which the rate or charge applies.

(5) The local government may identify parcels of rateable land to which the rate or charge applies in any way it considers appropriate.

(6) Subsection (1) is taken to have been complied with if the special rate or charge is made and levied on—

- (a) all rateable land that, at the time of making and levying the rate or charge, could reasonably be identified as land on which the rate or charge may be made and levied; or
- (b) all rateable land on which the rate or charge may be made and levied, other than land accidentally omitted.

(7) To remove any doubt, it is declared that a local government may make and levy a special rate or charge under subsection (1) for a service, facility or activity whether or not the service, facility or activity is supplied by the local government itself.

Separate rates and charges

972.(1) A local government may make and levy a separate rate or charge for a service, facility or activity.

(2) To remove any doubt, it is declared that a local government may make and levy a separate rate or charge for a service, facility or activity whether or not the service, facility or activity is supplied by the local government itself.

Utility charges

973.(1) A local government may make and levy a utility charge on—

- (a) any land, whether vacant or occupied, and whether or not it is rateable land; or
- (b) a structure.

(2) A utility charge may be for—

- (a) supplying water, gas or sewerage services; or
- (b) occupied land or a structure—supplying cleansing services.

(3) A utility charge may be made and levied for supplying water or sewerage services while the facilities for supplying the services are being constructed.

(4) A utility charge may be made and levied on the bases a local

government considers appropriate.

(5) Without limiting subsection (4), the amounts of utility charges may differ on the basis of—

- (a) the use made of particular land, or a particular structure or a class of land or structure; or
- (b) the unimproved value of particular land; or
- (c) any other circumstances peculiar to the supply of the relevant service to particular land, a particular structure or a class of land or structure.

(6) To remove any doubt, it is declared that a local government may make and levy a utility charge for a service whether or not the service is supplied by the local government itself.

(7) A local government may, and it is declared always could from the commencement of this section, do 1 or more of the following—

- (a) make and levy a utility charge for services supplied or to be supplied during part of the financial year and part of another financial year;
- (b) make and levy differing charges for services supplied or to be supplied during various periods in 1 or more financial years;
- (c) in making and levying differing charges under paragraph (b), decide the way the charges are to be apportioned.

Examples of application of subsection (7)—

1. For water used between 30 April 1998 and 31 July 1998, the local government may resolve to charge—

- (a) for water used (as measured) during the period 30 April 1998 to 31 July 1998 on the basis of the charge made at the budget meeting for the 1997-1998 financial year; or
- (b) for water used (as measured) during the period 30 April 1998 to 31 July 1998 on the basis of the charge made at the budget meeting for the 1998-1999 financial year; or
- (c) for—
 - (i) water used (as measured) during the period 30 April 1998 to 30 June 1998 on the basis of the charge made at the budget meeting for the 1997-1998 financial year; and

Local Government Act 1993

- (ii) water used (as measured) during the period 1 July 1998 to 31 July 1998 on the basis of the charge made at the budget meeting for the 1998-1999 financial year; or
 - (d) an apportioned charge for water used during the 2 periods (30 April 1998 to 30 June 1998 and 1 July 1998 to 31 July 1998) on the basis of—
 - (i) the total amount of water used (as measured) during the period 30 April 1998 to 31 July 1998—93 days—being apportioned to each period according to the respective lengths of the periods—62 days and 31 days respectively; or
 - (ii) another basis set out in the resolution.
2. The local government may resolve to charge for water supplied between 1 July 1998 and 30 June 1999—
- (a) for the period 1 July 1998 to 28 February 1999—a flat charge of \$300 with an excess charge of \$1 per kL of water used greater than 350 kL; and
 - (b) for the period 1 March 1999 to 30 June 1999—an amount based on the actual consumption of water during the period.

(8) Despite subsection (7) a local government must not for a financial year make and levy a utility charge for services supplied or to be supplied other than in that, the previous or the next financial year.

(9) Charges made and levied in accordance with a decision under subsection (7) are lawfully made and levied under this Act.

(10) Subsections (7) to (9) apply despite the reference in sections 963 and 964¹⁹⁷ to the making and levying of rates and charges for a financial year.

(11) If—

- (a) a meter or other measuring device is to be read on a particular day for working out the amount of a charge to be levied by a local government for a service; and
- (b) the local government resolves to apply this subsection to the reading of meters or other measuring devices;

it is taken to have been read on that day if it is read within a period of 2 weeks before or after that day.

¹⁹⁷ Sections 963 (Power to make and levy rates and charges) and 964 (Making of rates and charges)

Example for subsection (11)—

If a local government resolves to apply this subsection to the supply of water that is to be charged on the basis of usage for a period ended 30 April and a meter is read on 10 May, that reading is taken to be the reading at 30 April for the purposes of calculating the water usage during the period.

(12) Subsection (11) does not restrict a local government's power to make local laws relating to other aspects of the administration of metered consumption for a utility service.

Example for subsection (12)—

A local law may be made to provide for water consumption to be estimated on the basis of the best information reasonably available if a water meter is found to be malfunctioning or inoperative during any period of consumption.

General charges

974.(1) A local government may, by local law or resolution, fix charges for services and facilities supplied by it, including for example—

- (a) supplying an entitlement, facility, service or thing; or
- (b) giving an approval, consent, licence, permission or registration; or
- (c) giving information; or
- (d) admitting a person to a structure or place; or
- (e) receiving an application; or
- (f) recording a change of ownership.

(2) A charge mentioned in subsection (1) is a general charge.

(3) A local government may fix a general charge by resolution despite the fact that a corresponding charge had previously been fixed by local law.

Register of charges

975.(1) A local government must keep a register of its general charges.

(2) The register is open to inspection.

PART 3—CATEGORISATION OF LAND FOR DIFFERENTIAL RATING

Division 1—Categorisation of land

Land must be categorised for differential general rates

976. A local government may make and levy a differential general rate for a financial year only if all the rateable land in its area has been categorised under this part.

Establishing criteria and categories

977. Before making and levying a differential general rate for a financial year, a local government must decide by resolution—

- (a) the categories into which rateable land in its area is to be categorised; and
- (b) the criteria by which land is to be categorised.

Identification of categories for parcels of land

978.(1) After the categories and criteria have been decided, all rateable land in the local government's area must be categorised by—

- (a) the local government identifying the category in which each parcel of rateable land is included; or
- (b) the valuation authority, at the local government's request, identifying the category in which each parcel of rateable land is included.

(2) If the valuation authority identifies the category in which a parcel of rateable land is included, the valuation authority must give written notice to the local government of the category of the parcel.

(3) If the valuation authority cannot identify the category in which a parcel of rateable land is included, the valuation authority must give written notice to the local government.

(4) The category in which a parcel of rateable land is included may be identified in any way the valuation authority or local government considers appropriate.

Specification of categories for parcels of land

979.(1) If a local government resolves to make and levy a differential general rate, the resolution must specify the categories in which rateable land is to be included.

(2) The rateable land included in a category may be identified in any way the local government considers appropriate.

(3) The accidental omission from categorisation of parcels of rateable land does not prevent the making and levying of the differential general rate.

Division 2—Entry on land for categorisation

Meaning of “authorised person” for division

980. In this division—

“authorised person” means—

- (a) a person authorised by a local government for this division; or
- (b) the valuation authority; or
- (c) a person authorised by the valuation authority for this division; or
- (d) a member of the Land Court; or
- (e) a person authorised by a member of the Land Court for this division.

Purposes for which powers may be exercised

981. An authorised person may exercise the powers mentioned in section 982 (Power of entry) only for the purpose of—

- (a) deciding the categories into which rateable land in a local government area is to be categorised or the criteria by which it is to be categorised; or

- (b) identifying the category in which a parcel of rateable land should be included; or
- (c) deciding an objection or appeal about the categorisation of land.

Power of entry

982.(1) An authorised person may—

- (a) enter on land at any reasonable time; and
- (b) inspect the land and the uses made of the land; and
- (c) do anything reasonable and necessary to exercise powers under paragraphs (a) and (b).

(2) Before entering on the land, the authorised person must—

- (a) obtain the agreement of the occupier or, if there is no occupier, an owner of the land; or
- (b) give at least 14 days notice to the person mentioned in paragraph (a) of—
 - (i) the person's intention to enter on the land; and
 - (ii) the proposed purpose in entering on the land; and
 - (iii) the day and time when the person proposes to enter the land.

(3) In exercising a power under subsection (1), an authorised person must take all reasonable steps to ensure the person causes as little inconvenience, and does as little damage, as is practicable.

Division 3—Notice of categorisation

Notice to owner of categorisation

983.(1) If a local government resolves to make and levy a differential general rate on land, a rate notice given to the owner of the land must contain, or be accompanied by, a statement that complies with subsection (2).

(2) The statement must—

Local Government Act 1993

- (a) specify the categories of rateable land in its area (the “**rating categories**”) and the criteria by which land is categorised; and
- (b) specify the rating category in which the owner’s land is included; and
- (c) inform the owner—
 - (i) whether the rating category in which the land is included was identified by the local government or valuation authority (the “**decision maker**”); and
 - (ii) that the owner may object to the categorisation of the land by giving to the decision maker notice of objection, in the form approved by the decision maker, within 30 days after the date of issue of the rate notice or any further period the decision maker allows; and
 - (iii) that the sole ground on which the owner may object is that, having regard to the criteria decided by the local government by which rateable land is categorised, the land should have been included, as at the date of issue of the rate notice, in another of the rating categories; and
 - (iv) that giving a notice of objection will not, in the meantime, affect the levy and recovery of rates; and
 - (v) that, if the owner’s land is included in another rating category because of the objection, an adjustment of rates will be made.

*Division 4—Objections and appeals***Owner’s objection to categorisation**

984.(1) An owner of rateable land categorised under division 1 (Categorisation of land) may object to the categorisation of the land on the sole ground that, having regard to the criteria decided by the local government by which rateable land is categorised, the land should have been included, as at the date of issue of the relevant rate notice, in another rating category.

- (2) The objection must be made by giving notice of the objection to the

decision maker.

(3) The notice of the objection must—

- (a) be given within 30 days after the date of issue of the rate notice or any further period the decision maker allows; and
- (b) be in the form approved by the decision maker; and
- (c) nominate the rating category in which the owner claims the land should have been included; and
- (d) specify the facts and circumstances on which the claim is based.

Decision on owner's objection

985.(1) If the owner of rateable land objects to the categorisation of the land, a person authorised by the decision maker for the purpose must—

- (a) consider the categorisation of the land; and
- (b) consider the facts and circumstances on which the claim is based.

(2) The person may—

- (a) allow the objection; or
- (b) disallow the objection; or
- (c) decide that the land should be included in another rating category.

(3) The person must decide the objection, and give written notice of the decision to the owner, within 60 days after the end of the period within which the objection had to be made.

(4) The notice must include the reasons for the decision.

Effect of decision on objections

986.(1) Unless it is set aside on appeal, the decision on an objection to the categorisation of land has effect under this section.

(2) If the decision allows the objection, the land is taken to be included, for the period for which the relevant rate notice is issued, in the category nominated by the objector in the notice of objection.

(3) If the decision disallows the objection, the land continues to be

included in the category specified in the relevant rate notice.

(4) If the decision is that the land should be in another rating category, the land must be included in the category for the period for which the relevant rate notice is issued.

Right of appeal against decision

987. If the owner of rateable land is aggrieved by—

- (a) the decision on an objection to the categorisation of the land; or
- (b) the failure by the decision maker to allow a further period to give a notice of objection;

the owner may appeal to the Land Court against the decision or failure.

Where and how to start appeal

988.(1) The appeal must be started by filing a notice of appeal in the Land Court registry.

(2) The notice of appeal must—

- (a) be filed within 30 days after the owner received notice of the decision or failure; and
- (b) be in a form approved by the Land Court.

(3) The owner must give a copy of the notice of appeal to the decision maker within 7 days after the notice of appeal is filed in the Land Court registry.

(4) Failure to comply with subsection (3) does not affect the making of the appeal or the jurisdiction of the Land Court to decide the appeal, but costs of any adjournment caused by the failure may be awarded against the owner of the land.

Constitution and procedure of Land Court

989.(1) When exercising jurisdiction in an appeal under this division, the Land Court—

- (a) is constituted by 1 member; and

- (b) may sit in chambers; and
- (c) is not bound by rules of evidence.

(2) The appeal must be conducted as directed by the Land Court with a view to its prompt disposal.

Decision on appeal by Land Court

990.(1) In deciding an appeal against a decision on an objection to the categorisation of land, the Land Court may—

- (a) set aside the decision and decide that the land should be included in a different rating category; or
- (b) disallow the appeal.

(2) In deciding an appeal against a failure to allow a further period to give a notice of objection, the Land Court may—

- (a) allow a further period to give the notice; or
- (b) disallow the appeal.

(3) If the Land Court sets aside the decision on the objection, the land is taken to be included in the category decided by the Land Court for the period for which the relevant rate notice is issued.

Levy and recovery of rate unaffected by objection or appeal

991. The making of an objection, or the starting of an appeal, about the categorisation of land does not affect the levy and recovery of rates on the land.

Division 5—Late categorisation

Late categorisation

992. If rateable land in a local government area has been categorised and—

- (a) the decision maker is later satisfied, having regard to the criteria decided by the local government, that the land should be included

- in a different rating category; or
- (b) rateable land is not categorised by the decision maker because of accidental omission; or
 - (c) land later becomes rateable land; or
 - (d) land that was included in 2 or more parcels of rateable land, either in the same rating category or different rating categories, is later amalgamated into a single parcel;

the decision maker must decide that the land should be included in a specified rating category.

Time of effect of late categorisation

993. A decision under section 992 (Late categorisation) has effect—

- (a) if the decision is made because of section 992(a)—for rates levied after the decision is made; or
- (b) if the decision is made because of section 992(b)—from the start of the relevant financial year; or
- (c) if the decision is made because of section 992(c)—from when the land became rateable land; or
- (d) if the decision is made because of section 992(d)—from the day of registration in the office of the registrar of titles of the survey plan of the amalgamation.

PART 4—LAND RECORD OF LOCAL GOVERNMENT

Division 1—Land record

Land record to be kept

994.(1) A local government must keep a record of every parcel of

rateable land in its area.

- (2) A land record must comply with the regulations.

Land record open to inspection

995.(1) A land record is open to inspection.

(2) A person may inspect particulars of land in a land record free of charge if the person is, or is the agent of a person who is—

- (a) an owner, lessee or occupier of the land; or
- (b) an owner, lessee or occupier of adjoining land.

(3) For the purposes of subsection (2), the appointment of an agent must be evidenced in writing.

(4) A person may otherwise inspect a land record on payment of the fee decided by the local government.

Amendment of land record

996.(1) The chief executive officer of a local government must ensure the particulars contained in its land record are amended whenever necessary to make the record comply with the regulations.

(2) If an amendment of a land record (other than an amendment made because of a general valuation of all rateable land in a local government area by the valuation authority) changes a rate that is or may be levied on land, the chief executive officer of the local government must immediately give written notice of the amendment to the owner of the land.

Resolution to remove valueless land from land record

997.(1) A reference to a particular parcel of rateable land in the land record of a local government may be removed, on the local government's resolution, if—

- (a) rates levied on the land by the local government for at least 3 years are overdue; and
- (b) the overdue rates total more than the unimproved value of the land; and

- (c) the land is considered to be—
 - (i) valueless; or
 - (ii) of so little value that, if offered for sale, it would not realise the overdue rates.

(2) If a local government resolves to remove a reference to rateable land from its land record, the local government must acquire the land under part 7 (Recovery of rates), division 4 (Acquisition by local government of valueless land).

(3) This section does not apply to an interest in land held on a tenure that prohibits a corporation from holding an interest in the land.

Restoration of valueless land to land record

998. If—

- (a) a local government gives a notice of intention to acquire land under section 1052(1) (Local government must first give notice); and
- (b) before the end of 6 months after the giving of the notice to the owner of the land, the overdue rates for the land are paid to the local government;

the local government must restore reference to the land in the land record.

Division 2—Appeal against amendment of land record

Right of appeal

999. A person aggrieved by an amendment of a land record, other than a removal of land under section 997 (Resolution to remove valueless land from land record), may appeal to a Magistrates Court against the amendment.

Where and how to start appeal

1000.(1) An appeal must be made to the Magistrates Court nearest the relevant land.

- (2) The appeal is started by—
- (a) filing a written notice of appeal with the clerk of the court of the Magistrates Court; and
 - (b) giving a copy of the notice to the chief executive officer of the local government.
- (3) The notice must state the grounds of the appeal.

Hearing procedures

1001.(1) The power to make rules of court under the *Magistrates Courts Act 1921* includes power to make rules of court for appeals to Magistrates Courts under this division.

(2) The procedure for an appeal to a Magistrates Court under this division is to be—

- (a) in accordance with the rules made under the *Magistrates Courts Act 1921*; or
- (b) in the absence of relevant rules, as directed by a magistrate.

(3) In deciding the appeal, the Magistrates Court—

- (a) is not bound by the rules of evidence; and
- (b) must observe natural justice; and
- (c) may hear the appeal in court or in chambers.

Powers of Magistrates Courts on appeal

1002. In deciding the appeal, the Magistrates Court may—

- (a) confirm the amendment; or
- (b) set aside the amendment and order the particulars previously contained in the land record be restored.

Appeal to District Court on question of law only

1003. A party aggrieved by a decision of the Magistrates Court may appeal to a District Court, but only on a question of law.

Division 5—Changes to land that affect rates

Subdivision 1—General

Different period starts on day of change

1024. For this division, the period after a change is taken to start on the day the change happens.

Basis on which a rate is levied

1025.(1) Despite subdivision 2 (Changes affecting rates), a local government may levy a rate on rateable land on the basis of the relevant information of which it has been notified on or before the day it levies the rate.

(2) However, if a change mentioned in subdivision 2 happens, section 1026 (Rate levied for a period in which a change takes effect) applies.

Rate levied for a period in which a change takes effect

1026.(1) This section applies if—

- (a) a local government becomes aware that a change has happened to which a section of subdivision 2 applies; and
- (b) a rate has already been levied on the relevant land for the period in which the change takes effect.

(2) The local government must adjust the rate in accordance with the section.

²⁰⁰ These provisions have expired and are included for informational purposes only. They will be omitted in the next reprint.

(3) If the owner or occupier has already paid the rate at the time it is adjusted, the local government—

- (a) if the amount of the rate has decreased—must refund the overpaid amount; or
- (b) if the amount of the rate has increased—may recover the underpaid amount.

Subdivision 2—Changes affecting rates

Change in unimproved value of land

1027.(1) This section applies if the unimproved value of rateable land changes.

(2) A rate levied on the land after the change must be calculated on the basis of—

- (b) for the period after the change—the new unimproved value.

Land becomes or ceases to be rateable land

1028.(1) This section applies if land becomes or ceases to be rateable land.

(2) A rate levied on the land after the change must be calculated only on the proportion of the relevant period for which the land was rateable land.

- section 986 (Effect of decision on objections)
- section 990 (Decision on appeal by Land Court)

- (a) for the period before the inclusion—any previous categorisation that applied to the land; and
- (b) for the period after the inclusion—the new rating category.

Entitlement to occupy land is ended

1030.(1) This section applies if—

- (a) a person is entitled to occupy land—
 - (i) that is a holding; or
 - (ii) under a licence or permission given by the State; and
- (b) the person loses the entitlement because of expiry, surrender or forfeiture of the relevant lease, licence or permission, or for some other reason.

(3) If land is occupied by pensioners and other persons, the local government may remit the payment of a rate only—

- (a) for the part of the rate that, in its opinion, is fairly attributable to the parts of the land where a pensioner has rights to exclusive occupancy; and
- (b) if the owner of the land has given a binding undertaking to the local government that the benefit of the remission will be extended to each pensioner.

(4) This section is subject to section 1035 (Conditions on exercise of concession powers).

Power of sale

1040.(1) The local government may, under this division, sell the land on which the rate was levied.

(2) However, the local government may not sell land if the liability of the owner of the land to pay the overdue rate is the subject of a proceeding pending in a court.

(3) A decision to sell the land may only be made by resolution.

(4) This section is also subject to section 1056 (Restrictions on local government dealing with land).

(2) The required period is from 3 to 6 months after giving the notice or, for a mining claim, 1 to 6 months after giving the notice.

(3) The local government may only end, and must end, procedures for selling the land if the amount of all overdue rates levied on the land, and all expenses incurred by it for the intended sale, are paid to it.

Procedures for sale

1043.(1) Land intended for sale under this division must first be offered for sale by auction.

(2) The local government must prepare a notice containing—

(2) This section applies subject to section 1056 (Restrictions on local government dealing with land).

- (d) fourth, in payment of other amounts that may be payable to the local government by the former owner.

(2) After application of the proceeds of sale under subsection (1), any remainder must be paid to the person who was entitled to the rents and profits of the land immediately before its sale.

(3) Any part of the proceeds of sale that remains unclaimed for 2 years must be paid to the public trustee as unclaimed money.

(4) Subsection (1) is subject to section 1057 (Priority of State debts preserved).

Sale operates as a discharge

Costs of appeal

1168.(1) An appeal tribunal may make an order for payment of costs of an appeal as it considers just.

(2) Unless an appeal tribunal's order states otherwise, costs of a proceeding on an appeal are on the scale that applies to taxation of costs in the District Court.
