6.(1) A person must not conduct a lottery unless the person is authorised to do so under a lottery licence.

Maximum penalty—200 penalty units or 2 years imprisonment.

- (2) A person must not conduct a gaming scheme that is not a lottery if—
- (a) the gaming scheme may reasonably be confused with a lottery; or
 - (b) because of the scheme’s similarity to a lottery, it may reasonably be taken to be in direct competition with a lottery.

Maximum penalty—200 penalty units or 2 years imprisonment.

(3) Subsection (2) does not apply if the gaming scheme is conducted under a Gaming Act.

(4) A person must not participate in a lottery, or a gaming scheme mentioned in subsection (2), knowing the person who is conducting the lottery or scheme is not authorised under this Act or a Gaming Act to conduct the lottery or scheme.

Maximum penalty—40 penalty units.

(5) A person must not conduct a gaming scheme (other than an approved lottery) under a name that—

- (a) is a name by which an approved lottery is conducted; or

- (a) the applicant is a suitable person to hold a lottery licence; and
- (b) each business or executive associate of the applicant is a suitable person to be associated with a lottery licensee's operations.

(2) However, the Minister may refuse to grant an application even if the Minister is satisfied of the matters mentioned in subsection (1).

Suitability of applicant to hold lottery licence

12.(1) In deciding whether an applicant for a lottery licence is a suitable person to hold a lottery licence, the Minister may have regard to the following matters—

“appropriate services” means the services of persons who have appropriate experience to ensure the proper and successful conduct of lotteries.

Suitability of business and executive associates

13. In deciding whether a business or executive associate of an applicant for a lottery licence is a suitable person to be associated with a lottery licensee’s operations, the Minister may have regard to the following matters—

(2) The chief executive may investigate a business or executive associate of an applicant for a lottery licence to help the Minister decide whether the business or executive associate is a suitable person to be associated with a lottery licensee's operations.

Decision on application

15.(1) If the Minister decides to grant an application for a lottery licence, the Minister must promptly issue a lottery licence to the applicant.

(2) If the Minister decides to refuse to grant an application for a lottery licence, the Minister must promptly give the applicant written notice of the decision.

Conditions of licence

16. The Minister may issue a lottery licence—

- (a) on conditions the Minister considers necessary or desirable for the proper conduct of lotteries; and

18.(1) The Minister may decide to change the conditions of a lottery licence, if the Minister considers it is necessary or desirable to make the change for the proper conduct of lotteries by the lottery licensee or otherwise in the public interest.

(2) However, if a condition of a lottery licence is designated in the licence as a condition that may be changed only by agreement between the Minister and the lottery licensee, the condition may be changed only by agreement between those persons.

(3) If the Minister decides to change conditions of a lottery licence under this section, the Minister must promptly give the lottery licensee written notice of the change (a “**condition notice**”) and the reasons for the change.

(4) The power of the Minister under subsection (1) includes the power to add conditions to an unconditional licence.

Return of licence for endorsement of changed conditions

19.(1) The lottery licensee must return the lottery licence to the Minister within 7 days of receiving the condition notice notifying a change of conditions, unless the licensee has a reasonable excuse.

Maximum penalty—40 penalty units.

(2) On receiving the lottery licence, the Minister must—

- (a) amend the licence in an appropriate way and return the amended licence to the lottery licensee; or
- (b) if the Minister does not consider it is practicable to amend the licence—issue a replacement licence, incorporating the changed conditions, to the lottery licensee.

(3) A change of conditions takes effect when the condition notice notifying the change is given to the lottery licensee and does not depend on the lottery licence being amended to record the change or a replacement licence being issued.

Amendment of lottery licence

20.(1) The Minister may amend a lottery licence only with the written approval of the lottery licensee.

(2) Subsection (1) does not limit section 18.

Division 4—General provisions about lottery licences

Lottery licence not to be transferable

21.(1) A lottery licence cannot be transferred.

(2) However, if a lottery licence is mortgaged, charged or encumbered with the written approval of the Minister, this section does not prevent the transfer of the licence, subject to section 22, by way of enforcement of the security.

Mortgage and assignment of lottery licence

22.(1) A lottery licensee must not mortgage, charge or otherwise encumber the licence except with the written approval of the Minister.

(2) If a person has a right to sell and transfer a lottery licence under or because of a mortgage, charge or encumbrance, the licence may only be sold and transferred to a person approved by the Minister.

(3) Before the Minister approves the transfer of a lottery licence under this section, the Minister must be satisfied that—

- (a) the proposed transferee is a suitable person to hold a lottery licence; and
- (b) each business and executive associate of the proposed transferee is a suitable person to be associated with a lottery licensee's operations.

(4) The Minister may require the proposed transferee of the lottery licence to submit an application for the licence and may deal with the application, and investigate the suitability of the proposed transferee and the proposed transferee's business and executive associates, in the same way as if the application were an application for a new lottery licence.

(5) If a person has, under or because of, a mortgage, charge or encumbrance, a power to appoint a receiver or manager of the business conducted under a lottery licence, the power may only be exercised if the Minister first approves the proposed receiver or manager in writing.

Surrender of lottery licence

23.(1) A lottery licensee may surrender the lottery licence by written notice given to the Minister.

(2) The surrender takes effect—

- (a) if paragraph (b) does not apply—
 - (i) 3 months after the notice is given; or
 - (ii) if a later day of effect is stated in the notice—on the later day; or
- (b) if the Minister, by written notice, approves a day of effect that is earlier than 3 months after the notice is given—on the day of effect approved by the Minister.

Division 5—Suspension and cancellation of lottery licences**Grounds for suspension or cancellation**

- (c) the lottery licensee has been convicted of an offence against this Act or a Gaming Act;
- (d) the lottery licensee has been convicted of an indictable offence;
- (e) the lottery licensee has contravened a condition of the lottery licence;
- (f) the lottery licensee has contravened a provision of this Act (being a provision a contravention of which does not constitute an offence against this Act);
- (g) the lottery licensee has failed to discharge the licensee's financial commitments for the licensee's operations;
- (h) the lottery licensee is bankrupt, has compounded with creditors or otherwise taken, or applied to take, advantage of any law about bankruptcy;
- (i) the lottery licensee is affected by control action under the Corporations Law;
- (j) the lottery licence was issued because of a materially false or misleading representation or declaration.

(2) For forming the belief that the ground mentioned in subsection (1)(a) exists, the Minister may have regard to the same matters to which the Minister may have regard in deciding whether an applicant is a suitable person to hold a lottery licence.

(3) For forming the belief that the ground mentioned in subsection (1)(b) exists, the Minister may have regard to the same matters to which the

Minister may have regard in deciding whether a business or executive associate of an applicant is a suitable person to be associated with a lottery licensee's operations.

(4) For subsection (1)(i), a lottery licensee is affected by control action under the Corporations Law if the licensee—

- (a) has executed a deed of company arrangement under the Law; or
- (b) is the subject of a winding-up (whether voluntarily or under a court order) under the Law; or
- (c) is the subject of an appointment of an administrator, liquidator, receiver or receiver and manager under the Law.
