Continuation of eligibility for membership after ceasing to be an employee or spouse

13B.(1) To remove doubt, it is declared that, if a person’s contributory membership has ended, the person continues to be eligible for membership of the scheme while the person is entitled to a benefit, under the scheme, relating to the person’s contributory membership.

- (i) an award made under chapter 5 or continued in force under this Act;
or
- (ii) an award as amended under chapter 5;

“old award”, for a declared employee, means the award declared under a regulation to be the old award for the employee.

Special provisions for regulation-making power under division

15B.(1) A regulation may declare an employee to be a declared employee only if—

- (a) the employee was bound by an award that—
 - (i) was properly varied; or
 - (ii) was rescinded and a fresh award binding on the employee was made in substitution for it; and
- (b) the employee’s salary has changed under the varied or fresh award; and
- (c) the Governor in Council declares under the regulation that the Governor in Council is satisfied that, because of the making of the varied or fresh award, the employee’s benefits under the scheme were changed in an unintended way in relation to the employee’s employment before the making of the varied or fresh award.

(2) To remove any doubt, it is declared that a regulation made under the definition “fresh award” may declare an award that commenced before the regulation commences to be the fresh award for the employee.

(3) A regulation made under this section expires 1 year after it is made, unless it is earlier repealed.

Benefits payable to declared employees

15C. Despite the deed, benefits payable under the scheme for a declared employee are the benefits calculated as if the employee were still employed under the old award.

Restitution if regulation stops applying

15D.(1) This section applies if—

- (a) a benefit becomes payable to a declared employee; and
- (b) the amount of the benefit is different to the amount (the “**notional amount**”) that would have been payable if the employee were not a declared employee; and
- (c) after the benefit is paid, the regulation declaring the employee to be a declared employee expires or otherwise stops applying to the employee.

(2) If the amount of the benefit paid to the employee is less than the notional amount, the board must pay to the employee the difference between the amount of the benefit paid and the notional amount, together with interest at the rate fixed by regulation.

(3) If the amount of the benefit paid to the employee is more than the notional amount, the board may, by written notice, require the employee to pay to the board the difference between the amount of the benefit paid and the notional amount.

(4) The notice must state a reasonable time, not less than 30 days after the notice is given, by which the employee must pay the amount.

(5) If the employee does not comply with the notice, the board may recover the amount as a debt, together with interest at the rate fixed by regulation.

Division 4—Superannuation contributions surcharge**References in div 4 to benefits payable to members**

15E. In this division, a reference to a benefit payable under the deed to a member of the scheme includes a reference to a benefit payable under the deed to someone else who has derived an entitlement to the benefit through the member.

Amount to be deducted from benefits

15F.(1) If a benefit is payable under the deed to a member of the scheme, the board must deduct from the employer-financed component of the benefit an amount equal to the balance of the member's surcharge debt account.

(2) This section applies subject to sections 15G and 15H.

Limit on deduction on refund of certain contributions

15G.(1) This section applies if a benefit is payable, to a police 74 member or State 72 member, as a refund of contributions.

- (a) a benefit is payable to a member of the scheme on ceasing to be an employee of a unit of the State public sector; and
- (b) the benefit is payable in the form of a pension.

(2) However, this section does not apply to the payment of a pension to a child who has derived an entitlement to the pension through a member.

(3) The board must comply with section 15F by reducing the pension, by an amount equal to the balance of the member's surcharge debt account, in the way decided by the Minister on the advice of an actuary.

PART 4—ADMINISTRATION**Returns**

(3) Where the board makes a determination under this section in respect of a member whereby the member is precluded from contributing to the fund for a time only, any period of employment by the member during that time is to be disregarded in the calculation of a period of employment for the purpose of determining a member's entitlement, or that of a person deriving an entitlement through that member, to benefits under this Act or the scheme.
