(2) Subsection (1) does not apply to references to a statutory body's members in section 5.

PART 2A—ENTITIES TO WHICH ACT APPLIES

Act applies to statutory bodies

5.(1) This Act applies to statutory bodies.²

(2) A statutory body is an entity established under an Act that—

- (a) has control of funds and consists of only 1 person appointed under an Act; or
- (b) has control of funds and has, or may have, at least 1 member appointed under an Act; or
- (c) has funds, or from time to time may have funds, and even though it does not have any members appointed under an Act, its decisions are made, or its funds are controlled, by—
 - (i) another person appointed under the same Act; or
 - (ii) another entity established under the same Act that has, or may have, at least 1 member who is appointed under the Act; or
- (d) is a corporation sole constituted by a Minister, or the chief executive or an officer of a department; or

² Part 2A sets out whether an entity is a statutory body. An entity that is a statutory body within the meaning of another Act, for example, the *Financial Administration and Audit Act 1977*, is not necessarily a statutory body under this Act, and vice versa.

Statutory Bodies Financial Arrangements Act
1982

- (e) is a local government; or
- (f) is declared under the Act to be a statutory body for this Act.

- (a) a person or member, who is appointed under an Act; or
- (b) a person or member, whose appointment is confirmed by the Governor in Council or a Minister under an Act.

Entities that are not statutory bodies

6.(1) The following entities are not statutory bodies—

- (a) a company incorporated under the Corporations Law;
- (b) a department or part of a department;
- (c) a GOC;
- (d) an entity whose only function under the Act under which it is established is to perform the role of a trustee of a superannuation fund;

- (g) Queensland Office of Financial Supervision;
- (h) The Public Trustee of Queensland as a corporation sole;
- (i) The Treasurer of Queensland under the *Financial Administration and Audit Act 1977*, section 43;

³ *Acts Interpretation Act 1954*, section 35E—

35E. In an Act, a reference to a type of statutory instrument is a reference to an instrument of that type made or in force under the Act in which the reference is used.

*Statutory Bodies Financial Arrangements Act
1982*

- (j) an entity declared under a regulation not to be a statutory body.⁴
- (2) Also, an entity is not a statutory body if—
- (a) all or some of its income is paid into the consolidated fund; or
 - (b) all or some of its expenses are paid out of the consolidated fund, other than a payment in the nature of an endowment, grant-in-aid or subsidy from the consolidated fund.
- (3) Subsection (2) is subject to a declaration about an entity under section 5(2)(f) or (3).

PART 2B—POWERS UNDER THIS ACT AND RELATIONSHIP WITH OTHER ACTS

Exercise of powers under this Act

7. A statutory body may exercise a power under this Act only if the body is satisfied, on reasonable grounds, that exercising the power is necessary or convenient for performing its functions under its authorising Act or another Act.

Status of general banking powers under pt 4

- 8.(1) A statutory body's powers under part 4⁵—
- (a) are additional to—
 - (i) its powers under the other parts of this Act; and
 - (ii) its powers under its authorising Act or another Act to operate a basic institutional account; and

⁴ *Acts Interpretation Act 1954*, section 35E—

35E. In an Act, a reference to a type of statutory instrument is a reference to an instrument of that type made or in force under the Act in which the reference is used.

⁵ Part 4 (General banking powers)

*Statutory Bodies Financial Arrangements Act
1982*

- (b) do not affect its express powers under its authorising Act or another Act to operate an overdraft institutional account.

(2) However, if there is no express power to operate an overdraft institutional account in the body's authorising Act or another Act, its powers to operate an overdraft institutional account are limited to the powers under this Act even though, for example, its authorising Act or another Act states the body has—

- (a) the powers of a body corporate or individual; or
- (b) the power generally to enter into contracts; or
- (c) the power to do all things necessary or convenient for, or in connection with, the performance of its functions.

(3) In this section—

“basic institutional account” means a deposit and withdrawal account with a financial institution without an overdraft facility.

“overdraft institutional account” means a deposit and withdrawal account with a financial institution with an overdraft facility.

Statutory bodies' borrowing powers under pt 5 and other Acts

9.(1) A statutory body's borrowing powers under part 5⁶ are additional to its powers under the other parts of this Act and its express borrowing powers under its authorising Act or another Act.

(2) However, if there is no express power to borrow in the body's authorising Act or another Act, its powers to borrow are limited to the powers under this Act even though, for example, its authorising Act or another Act states the body has—

- (a) the powers of a body corporate or individual; or
- (b) the power generally to enter into contracts; or
- (c) the power to do all things necessary or convenient for, or in connection with, the performance of its functions.

⁶ Part 5 (Borrowing powers)

Statutory bodies' investment powers under pt 6 and other Acts

10.(1) A statutory body's investment powers under part 6⁷ are additional to its powers under the other parts of this Act and its express investment powers under its authorising Act or another Act.

(2) However, if there is no express power to invest in the body's authorising Act or another Act, its powers to invest are limited to the powers under this Act even though, for example, its authorising Act or another Act states the body has—

- (a) the powers of a body corporate or individual; or
- (b) the power generally to enter into contracts; or
- (c) the power to do all things necessary or convenient for, or in connection with, the performance of its functions.

Relationship of pt 7 to other parts of Act and other Acts

11.(1) A statutory body's powers under part 7⁸ are additional to its powers under the other parts of this Act, its authorising Act or another Act.

(2) However, a statutory body's powers under this Act, other than part 7, division 1,⁹ must not be construed as including the power to enter into derivative transactions.

(3) Also, a statutory body does not have power under its authorising Act or another Act to enter into derivative transactions merely because it has—

- (a) the powers of a body corporate or individual; or
- (b) the power generally to enter into contracts; or
- (c) the power to do all things necessary or convenient for, or in connection with, the performance of its functions.

(4) A statutory body may not enter into a derivative transaction under

⁷ Part 6 (Investment powers)

⁸ Part 7 (Derivative transactions, funds managers and other financial arrangements)

⁹ Part 7 (Derivative transactions, funds managers and other financial arrangements), division 1 (Derivative transactions)

part 7, division 1 contrary to a restriction mentioned in this Act, its authorising Act or another Act.

Statutory bodies acting as trustees or otherwise holding property

12.(1) This section applies to a statutory body if the body—

- (a) is acting as a trustee of property, whether under a trust or under an Act (a “**trust-establishing Act**”); or
- (b) holds property on a condition but is not acting as a trustee in relation to the property.

(2) The statutory body may exercise powers under this Act in relation to the property but the exercise of the powers is subject to—

- (a) if the body is acting as a trustee under a trust—the trust and any directions or restrictions under the trust; and
- (b) if the body is acting as a trustee under a trust-establishing Act—the trust-establishing Act; and
- (c) if the body holds property on a condition but is not acting as a trustee—the condition.

(3) To remove any doubt, it is declared that nothing in this Act affects the body’s powers when it is acting as a trustee.

Application of future laws to statutory bodies

13. This Act has effect subject to a provision of an Act passed after the commencement that expressly provides that this Act, or a provision of this Act, is subject to it.

Conditions precedent to financial arrangements and other matters

14.(1) If a statutory body’s authorising Act, or another Act other than this Act, provides for it to perform or observe a condition before it may exercise a power to enter into a financial arrangement, the body must perform or observe the condition before it may exercise the power.

(2) Without limiting subsection (1), if the body’s authorising Act or the

*Statutory Bodies Financial Arrangements Act
1982*

other Act states the way in which the body must decide to exercise the power, the body must decide, under its authorising Act or the other Act, to exercise the power in that way before exercising it.

(3) However, if the body's authorising Act or the other Act does not state the way in which the body must decide to exercise the power, the body must decide to exercise the power and make a written record of the decision before exercising it.

(4) If, under this Act, the body must obtain the Treasurer's approval for the exercise of the power, it must decide to enter into the arrangement before it asks for the approval.

PART 3—GUARANTEE OF STATUTORY BODIES' FINANCIAL ARRANGEMENTS

Division 1—Guarantees by Treasurer about obligations of statutory bodies

State guarantee may only be given under this division

15.(1) A guarantee, by or for the State, of the performance of a statutory body's obligations under a financial arrangement entered into by the body under this Act or another Act may be given only under section 16.

(2) A provision in another Act requiring or allowing a Minister to guarantee the performance of a statutory body's obligations under a financial arrangement entered into by the body under this Act or another Act is taken to be a provision requiring or allowing the Treasurer only to guarantee the performance for the State under section 16.

(3) However, this section must not be construed as limiting the effect of an Act that itself guarantees anything.

Guarantees for the State

16.(1) For the State, the Treasurer may guarantee the performance of obligations of a statutory body under a financial arrangement entered into by the body under this Act or another Act.¹⁰

(2) The guarantee may—

- (a) apply generally to all statutory bodies, powers and matters or be limited in its application to—
 - (i) particular bodies, powers or matters; or
 - (ii) particular classes of bodies, powers or matters; or
- (b) otherwise apply generally or be limited in its application by reference to specified exceptions or factors.

(3) Also, the guarantee may—

- (a) make different provision for different statutory bodies, powers or matters, or different classes of bodies, powers or matters; or
- (b) apply differently to stated exceptions or factors.

(4) The guarantee must be in writing and, if it applies generally or the Treasurer considers it appropriate, may be given by gazette notice.

(5) In giving a guarantee, the Treasurer may do all things necessary for, or incidental to, giving the guarantee.

(6) To remove any doubt, it is declared that a guarantee under subsection (1) may apply to a statutory body even though the body was not established when the guarantee was given.

Treasurer may charge for a guarantee under s 16

16A.(1) The Treasurer may charge a statutory body for providing a guarantee under section 16, if the guarantee is given other than to QTC, by imposing a fee—

- (a) for each prescribed period, or part of a prescribed period,

¹⁰ Under section 76, the Treasurer may delegate the Treasurer's powers under this part to another Minister.

*Statutory Bodies Financial Arrangements Act
1982*

happening during the period of the guarantee; or

(b) at the end of the guarantee.

(2) The amount a statutory body may be charged under subsection (1) for a guarantee must not be more than the attributed amounts for which the statutory body would have been liable if the financial arrangements to which the guarantee relates were entered into with QTC under the *Queensland Treasury Corporation Act 1988*, section 19(1).¹¹

(3) The Treasurer may ask QTC to provide the Treasurer with a certificate about the rate that would have been applied to calculate the attributed amounts mentioned in subsection (2).

(4) In this section—

“prescribed period” means a period prescribed by the regulations under the *Queensland Treasury Corporation Act 1988* for calculating the performance dividend as mentioned in section 19A¹² of that Act.

Appropriation

17. All moneys payable by the Treasurer pursuant to a guarantee given under section 16 shall be a charge upon and be paid out of the consolidated fund, which is to the extent necessary appropriated accordingly.

Requirement for security

18.(1) Without limiting the power of the Treasurer with respect to the terms and conditions to which the Treasurer’s guarantee may be subject, the Treasurer may require a person with whom a statutory body has entered into or desires to enter into any financial arrangements to take security of a description specified in the guarantee.

(2) If a person required to take security pursuant to subsection (1)—

(a) fails to take security of the description specified; or

¹¹ *Queensland Treasury Corporation Act 1988*, section 19 (Lending powers of Corporation)

¹² *Queensland Treasury Corporation Act 1988*, section 19A (Performance dividend)

*Statutory Bodies Financial Arrangements Act
1982*

- (b) having taken such security, releases in whole or in part that security without the Treasurer's consent in writing first had and obtained; or
- (c) having taken such security, waives any right or remedy thereby secured to the person without the Treasurer's consent in writing first had and obtained;

the guarantee in connection with which the security was required shall be void and shall be deemed to have been void ab initio.

Guarantee may include waiver of immunity and other provisions

19.(1) A guarantee under section 16¹³ may include an express provision waiving the State's or the Treasurer's immunity, if any, from proceedings under an Act or other law.

(2) Also, the guarantee may include provisions that the guarantee continues to be enforceable despite an event that would or might at law—

- (a) otherwise end, or permit the ending of, the guarantee; or
- (b) excuse compliance with, or performance of, the guarantee; or
- (c) provide a defence to a proceeding to enforce the guarantee.

(3) A provision mentioned in subsection (1) or (2) operates in accordance with its terms, despite an Act or rule of law to the contrary, but is subject to an express provision in the guarantee.

Division 2—Miscellaneous provisions about guarantees

Guarantee not affected by transfer of liability

20.(1) This section applies if—

- (a) an obligation of a statutory body under a financial arrangement entered into under this Act or another Act is guaranteed under a guarantee section; and

¹³ Section 16 (Guarantees for the State)

*Statutory Bodies Financial Arrangements Act
1982*

- (b) the obligation is transferred from one statutory body to another statutory body (the “**receiving body**”).

(2) The transfer does not affect the guarantee continuing in force and the guarantee must be construed as a guarantee of the obligation of the receiving body under the financial arrangement to which the guarantee relates.

Loans from QTC to statutory bodies

21.(1) If, under part 5,¹⁴ a statutory body borrows from QTC, the Treasurer is taken, for the State, to have guaranteed the body’s obligations under the borrowing to make payments.

(2) The conditions applicable to the guarantee are the conditions approved by the Treasurer, by gazette notice, for guarantees under subsection (1) at the time the body borrows from QTC.

(3) However for a particular borrowing, the Treasurer may, by gazette notice—

- (a) direct that the borrowing is not guaranteed; or
- (b) change the conditions of the guarantee.

Division 3—Consequences if payment required under guarantee

Application of division

22. This division applies if, under a guarantee under a guarantee section, the Treasurer—

- (a) pays amounts payable under a financial arrangement entered into by a statutory body under this Act or another Act; or
- (b) otherwise incurs expenses in performing the obligations of the body under the financial arrangement.

¹⁴ Part 5 (Borrowing powers)

Treasurer entitled to recover guarantee amount, interest etc.

23. The Treasurer is entitled, under this division, to recover from the statutory body—

- (a) the guarantee amount; and
- (b) interest on the guarantee amount at the rate prescribed under a regulation; and
- (c) the costs and expenses of recovering the guarantee amount and interest.

Appointing a person to recover guarantee amount etc.

24.(1) A regulation may appoint a person as an appointee for the statutory body.

(2) If the Treasurer considers urgent action in relation to the statutory body is necessary to prevent losses or mismanagement that would limit the recovery of the recovery amounts, the Treasurer may, by gazette notice, appoint a person as an appointee for the body.

(3) The Treasurer may only recommend a person to the Governor in Council for appointment under subsection (1), or appoint a person under subsection (2), who, in the Treasurer's opinion, is a suitable person to exercise the powers of an appointee for the statutory body.

(4) The appointment by the Treasurer may not be longer than 28 days after the date of the gazette notice.

(5) However, if a regulation is made appointing an appointee for the statutory body before the appointment by the Treasurer ends, the appointment by the Treasurer is taken to have ended immediately before the appointment under the regulation starts.

(6) The regulation or notice may provide for the appointee's remuneration including the way in which the remuneration is to be calculated.

(7) Subsection (6) and section 25(3) do not limit the matters a regulation or notice may include.

Purpose of appointment and necessary powers of appointee

25.(1) The purpose of appointing an appointee is to ensure the Treasurer is paid all or part of the recovery amounts.

(2) An appointee for a statutory body may collect amounts payable to the statutory body and, for that purpose, is taken to be the body and may exercise the body's powers.

(3) However, the regulation or notice may provide the appointee is to take over and manage the affairs, or a stated part of the affairs, of the statutory body.

Exercise of powers by members of statutory bodies

26.(1) The members of a statutory body for which there is an appointee may continue to exercise their powers as members, in the ordinary course of performing the body's functions, unless the exercise of the powers is inconsistent with the appointee exercising the appointee's powers.

(2) Also, each member of the statutory body must help the appointee in the exercise of the appointee's powers if the appointee asks for the member's help.

Treasurer may give directions to appointee and members

27.(1) The Treasurer may give written directions to the appointee about the way the appointee may exercise the appointee's powers, including the powers of the statutory body.

(2) The Treasurer may give written directions to the members of a statutory body about the way the members may exercise their powers as members.

(3) A person to whom a written direction is given must comply with it.

Way amounts collected by appointee are to be dealt with

28. The appointee must pay amounts collected under this division as follows—

(a) firstly, in paying the costs and expenses of collecting the recovery

- amounts and the appointee's remuneration;
- (b) secondly, in paying the Treasurer the recovery amounts;
- (c) thirdly, in paying the remainder to the statutory body.

Recovery of amounts as debt from statutory body

29. For a guarantee under a guarantee section, the Treasurer may recover the recovery amounts as a debt due and owing by the statutory body to the Treasurer by action in a court of competent jurisdiction.

Treasurer may take security held by person paid guarantee amount

30.(1) This section applies if—

- (a) a statutory body enters into a financial arrangement with a person under this Act or another Act and gives security to the person for the performance of the body's obligations under the arrangement; and
- (b) the Treasurer, under a guarantee under a guarantee section for the financial arrangement, pays the person an amount payable by the body under the arrangement.

(2) The Treasurer is entitled to the benefit of the security to the extent of the guarantee amount.

(3) If the guarantee amount is the same as, or more than, the amount secured by the security—

- (a) the person must transfer and deliver the security to the Treasurer; and
- (b) the Treasurer may exercise all the powers conferred on the person by the security.

(3) If there is no gazette notice for the body's income encumbrances, the encumbrances rank equally with each other.

(2) The alternative provision has effect under its terms in place of sections 37 to 40, or the provisions of another Act that provide a remedy if the statutory body does not fulfil the obligation.

PART 6—INVESTMENT POWERS

Division 1—Categories of investment powers

Investment power depends on allocation under regulation

42.(1) A statutory body may invest under this part depending on whether a category 1, 2 or 3 investment power is allocated to the body.

(2) A regulation may allocate to a statutory body 1 of the following powers—

(3) However, if a statutory body has control of more than 1 fund (including, for example, as a trustee), a different category of investment

*Statutory Bodies Financial Arrangements Act
1982*

(4) Also, if no category of investment power is allocated under a regulation to a statutory body, the body does not have power to invest under this part.

Division 3—Duties of statutory body when investing

Statutory body to try to invest at most advantageous rate

47.(1) A statutory body must use its best efforts to invest its funds—

- (a) at the most advantageous interest rate available to it at the time of the investment for an investment of the proposed type; and
- (b) in a way it considers is most appropriate in all the circumstances.

(2) The statutory body must keep records that show it has invested in the way most appropriate in all the circumstances.

Investment documents to be held by statutory body or as approved

48. A security, safe custody acknowledgment or other document evidencing title accepted, guaranteed or issued for an investment arrangement must be held by the statutory body or in another way approved by the Treasurer.

Division 4—Secured investments

Division applies to secured investments

49. This division applies if a statutory body has invested in an investment arrangement as mentioned in section 44(1)(c) or 45(b)(iii).²⁰

²⁰ Section 44 (Category 1 investment power) or 45 (Category 2 investment power)

*Statutory Bodies Financial Arrangements Act
1982*

Division 5—Rated investment arrangements

Requirements if an investment arrangement’s rating changes

52.(1) This section applies if a statutory body has invested in an investment arrangement as mentioned in section 44(1)(e) or 45(c)²¹ and the rating of the investment arrangement is changed so it is no longer a rating prescribed under a regulation for the investment arrangement.

(2) As soon as practicable, but no later than 28 days, after the change becomes known to the statutory body, it must—

- (a) obtain the Treasurer’s approval for continuing with the investment arrangement; or
- (b) liquidate the investment arrangement, including, for example, withdrawing a deposit.

**PART 7—DERIVATIVE TRANSACTIONS, FUNDS
MANAGERS AND OTHER FINANCIAL
ARRANGEMENTS**

Division 1—Derivative transactions

Derivative transactions permitted only for certain statutory bodies

53.(1) A statutory body may enter into a derivative transaction under this division—

- (a) in its own name; or
- (b) in the name of a person who, with the Treasurer’s approval, has been appointed in writing by the body as its agent for this division.

²¹ Section 44 (Category 1 investment power) or 45 (Category 2 investment power)

- (2) The statutory body may enter into the derivative transaction only if—
- (a) the body is prescribed, under a regulation, as a statutory body that may enter into derivative transactions; and
 - (b) the Treasurer’s approval has been given for the body to enter into the derivative transaction, or derivative transactions of the type concerned.

Body to enter into derivative transaction only for hedging purposes

54. Also, the statutory body may enter into the derivative transaction only if the body does so to hedge against a risk to which the body is or will be exposed.

Requirement to report to Treasurer about derivatives

55.(1) For each derivative transaction entered into under this division by a statutory body, the body must give the Treasurer a report about the transaction at the times prescribed under a regulation.

- (2) Each report must contain the following—
- (a) details sufficient to identify the derivative transaction;
 - (b) a statement about the underlying exposure against which the statutory body is trying to hedge;
 - (c) the stated purpose of the derivative transaction, including details of the Treasurer’s approval under which the transaction was entered into and verification of compliance with the conditions of the approval;
 - (d) details of any realised or unrealised gains or losses from the derivative transaction.

(3) However, if a statutory body satisfies the Treasurer that, because of the number of derivative transactions entered into by the body, it is an undue burden on it to prepare a report under subsection (2) for each transaction, the report for subsection (1) may be a statement summarising the matters mentioned in subsection (2) for all of the body’s derivative transactions.

Requirement to report to relevant Minister about derivative

56.(1) On the day a statutory body must give the Treasurer a report about a derivative transaction, it must also give a copy of the report to the Minister who administers the body's authorising Act.

(2) If the Minister is the Treasurer, subsection (1) does not apply.

Statutory bodies' Minister must monitor derivative transactions

57.(1) The Minister who administers the authorising Act of a statutory body that has entered into a derivative transaction must monitor the transaction.

(2) Subsection (1) applies whether the derivative transaction is entered into under this division or otherwise.

Division 2—Appointment of funds managers

Application of division

58. This division applies to a statutory body allocated a category of investment power under part 6.²²

Appointment of funds managers with Treasurer's approval

59.(1) The statutory body may, in writing, appoint a person (the “**funds manager**”) to manage the investment of all or part of its funds if—

- (a) the body is satisfied, on reasonable grounds, the person is suitable to manage the investment of all or part of its funds; and
- (b) before appointing the person, the body obtains the Treasurer's approval of the appointment.

(2) The statutory body must ensure its appointment of the funds manager is subject to—

- (a) a condition to which the Treasurer's approval is subject (however

²² Part 6 (Investment powers)

*Statutory Bodies Financial Arrangements Act
1982*

expressed); and

(b) a subsequent amendment or repeal of the approval.²³

(3) The appointment is subject to the conditions of the Treasurer's approval, and a subsequent amendment or repeal of the approval, despite a contrary provision of the appointment.

Management of statutory body's funds by funds manager

60.(1) Subject to a condition of the appointment, the funds manager may, for managing the investment of the statutory body's funds, enter into a financial arrangement or derivative transaction.

(2) Subsection (1) does not authorise a funds manager to enter into a financial arrangement, or derivative transaction, that the manager may not lawfully enter into, including, for example, under the manager's trust deed or memorandum or articles of association.

Division 3—Other financial arrangements

Statutory body may enter into other financial arrangements

61.(1) A statutory body may, with the Treasurer's approval, enter into financial arrangements (the "**other financial arrangements**").

(2) Without limiting subsection (1), the other financial arrangements may include—

- (a) financial arrangements necessary for, or incidental to, the exercise of another power under this Act; and
- (b) financial arrangements not otherwise allowed under this Act, including, for example—
 - (i) investments for more than 3 years; and
 - (ii) investments other than in Australian money; and

²³ Under the *Acts Interpretation Act 1954*, section 24AA, the power to make an instrument or decision includes power to amend or repeal the instrument or decision.

- (iii) investments undertaken outside Australia; and
- (iv) loans by a statutory body; and
- (v) the giving of guarantees by a statutory body.

(3) However, if a statutory body may, with or without the Treasurer's approval, enter into a particular financial arrangement under part 4, 5 or 6, subsection (1) does not apply to the statutory body for the financial arrangement.

(4) To remove doubt, it is declared that parts 4, 5 and 6 do not limit the financial arrangements for which the Treasurer's approval may be given for subsection (1).

PART 8—OTHER PROVISIONS ABOUT FINANCIAL ARRANGEMENTS

Division 1—Documents for financial arrangements under this Act

Statutory body may sign necessary documents

62.(1) A statutory body may sign documents necessary for a financial arrangement that it may enter into under this Act.

(2) However, a statutory body may not sign a document that—

- (a) creates an encumbrance; or
- (b) otherwise transfers its property, or assigns its income, by way of security;

unless the Treasurer approves the creation of the encumbrance, transfer of the property or assignment of the income.

(3) Before signing a document mentioned in subsection (2), the statutory body must satisfy itself, on reasonable grounds, that the encumbrance, transfer or assignment does not prevent it from dealing with its property or income in the ordinary course of performing its functions.

(4) However, subsection (3) does not prevent a statutory body signing a document that states the rights of other parties to the arrangement in relation to the body's income or property if the body breaches an express condition of the document.

Conditions waiving immunity, rules of contract etc.

63.(1) A document forming part of a financial arrangement entered into under this Act by a statutory body may include a provision—

- (a) waiving an immunity of the body, if any, from proceedings under an Act or rule of law; and
- (b) continuing in force a condition requiring the body to make a payment, despite an event that would or might at law—
 - (i) otherwise end, or permit the ending of, the arrangement; or
 - (ii) excuse compliance with, or performance of, the arrangement; or
 - (iii) provide a defence to a proceeding to enforce the arrangement.

(2) Also, the document may include a provision that the financial arrangement must not be ended because of a matter or thing, or is enforceable despite a matter or thing, including, for example, a default, an event amounting to an irresistible compulsion or coercion or another event that would, or might at law—

- (a) otherwise end, or permit the ending of, the arrangement; or
- (b) excuse compliance with, or performance of, the arrangement; or
- (c) provide a defence to a proceeding to enforce the arrangement.

(3) The provisions mentioned in subsections (1) and (2) operate in accordance with their terms, despite an Act or rule of law to the contrary, but are subject to an express provision of the arrangement.

Conditions about buildings, structures or other fixtures

64.(1) A document forming part of a financial arrangement entered into

*Statutory Bodies Financial Arrangements Act
1982*

under this Act by a statutory body may provide that in relation to buildings, structures or other fixtures stated in the arrangement—

- (a) their ownership does not vest in the owner of the land on which they are situated; and
- (b) they are not realty; and
- (c) they are transferable to a person under the arrangement or another financial arrangement under this Act or another Act.

(2) A provision mentioned in subsection (1) operates in accordance with its terms, despite an Act or rule of law to the contrary, but is subject to an express provision of the arrangement.

Division 2—Matters about trusts

Notice of trusts not to be received

66.(1) A statutory body—

- (a) must not receive, and must be taken to have not received, notice of a trust (whether express, implied or constructive) in relation to a financial arrangement entered into by the body under this Act or another Act; and
- (b) is not bound to see to the execution of a trust that may affect the financial arrangement.

(2) Subsection (1) applies to a person acting for a statutory body in relation to the financial arrangement.

Statutory Bodies Financial Arrangements Act
1982

other financial accommodation provided by the other party to the body; and

- (b) is not responsible for the non-application or misapplication of the money, credit or other financial accommodation by the body; and
- (c) if the other party receives, in consideration for entering into the financial arrangement, a document creating an encumbrance that is apparently properly signed by the body—is not bound to inquire whether the body properly decided to authorise the signing of the document.

Illegal financial arrangements

68.(1) A person does not have a remedy or right to recover an amount from a statutory body in relation to a financial arrangement (the “**illegal financial arrangement**”) that the body entered into with the person otherwise than under—

- (a) this Act; or
- (b) another Act that applies to the body in relation to the arrangement.

(2) Subsection (1) does not limit the person’s remedies or rights to recover from any other person, including, for example, the right to recover under another Act that provides that a member of a statutory body may be liable for an illegal financial arrangement.

(3) Also, subsection (1) does not apply to a person who entered into a financial arrangement with a statutory body, including an arrangement under which the body created an encumbrance of its property or income, if the person received from the body a document stating that—

- (a) if the arrangement was entered into under this Act—the Treasurer has approved the body entering into the arrangement and, if an encumbrance was created, creating the encumbrance; or
- (b) if the arrangement was entered into under another Act that applied to the body—the body has obtained all approvals required under that Act for the body to enter into the arrangement and, if an encumbrance is created, to create the encumbrance.

70.(1) The Treasurer may, by gazette notice, approve the exercise of powers under this Act by statutory bodies.

(2) The approval may—

 - (i) particular bodies, powers or matters; or
 - (ii) particular classes of bodies, powers or matters; or
- (b) otherwise apply generally or be limited in its application by reference to specified exceptions or factors.

(3) Also, the approval may—

- (a) make different provision for different statutory bodies, powers or matters, or different classes of bodies, powers or matters; or
- (b) apply differently to stated exceptions or factors.

(4) To remove any doubt, it is declared that an approval may apply to a

statutory body even though the body was not established when the approval was given.

Division 3—Specific approvals

Way statutory body may apply for approval

71.(1) A statutory body may apply, in writing, for the Treasurer's approval of the exercise of a power under this Act.

(2) The application may relate to the exercise of the power generally or in relation to a particular matter.

(3) If the Treasurer considers the approval should be given under division 2 for all statutory bodies, particular bodies or particular classes of bodies, the Treasurer may deal with the application by giving an approval under the division that applies to the applicant.

(4) The Treasurer may exercise the power to amend or repeal²⁴ an approval under this division even if the statutory body does not apply for the amendment or repeal.

(5) However, the amendment or repeal of an approval under this division does not affect its previous operation.

Treasurer may ask for documents

72. The Treasurer may, by written notice to the statutory body, require it to give the Treasurer a document or information the Treasurer considers necessary for considering the body's application.

Approval to state conditions

73.(1) The Treasurer may approve the application, entirely or partly, or refuse the application.

²⁴ Under the *Acts Interpretation Act 1954*, section 24AA, the power to make an instrument or decision includes power to amend or repeal the instrument or decision.

*Statutory Bodies Financial Arrangements Act

Register about approvals for a statutory body

74. A statutory body must keep a register of the Treasurer's approvals under this division for the body's exercise of a power.

Division 4—Offences in relation to certain documents

False or misleading documents

75.(1) A person must not give a document under section 71 or 72²⁵ to the Treasurer containing information the person knows is false or misleading in a material particular.

Maximum penalty—50 penalty units.

(2) Subsection (1) does not apply to a person if the person, when giving the document—

- (a) advises the Treasurer, in writing, to the best of the person's ability, how it is false or misleading; and
- (b) if the person has, or can reasonably obtain, the correct information—gives the correct information.

(3) It is enough for a complaint against a person for an offence against subsection (1) to state that the document was to the person's knowledge false or misleading, without stating which.
