- (h) Notwithstanding the granting of an extension of time to the Contractor by the Joint Venture under the Agreement, the Contractor shall not be entitled to any additional costs or expenses suffered or incurred by it by reason of the extension of time nor shall the Contractor be entitled to any amount by way of damages for any loss.

28. LIQUIDATED DAMAGES FOR DELAY IN REACHING PRACTICAL COMPLETION

If the Works fail to reach Practical Completion by the date for sixty-three (63) weeks from the Date of Acceptance, the Contractor shall be indebted to the Joint Venture for liquidated damages at the rate of \$1,500.00 for each day thereafter up to and including the date of Practical Completion or until the Joint Venture exercises its rights under Clause 46, whichever occurs first.

Liquidated damages may be deducted from any monies that may then be or thereafter become payable to the Contractor by the Joint Venture, and if such monies are insufficient for this purpose then from the Contractor's security or retention monies pursuant to Clauses 22 and 23.

If the date for Practical Completion is subsequently extended pursuant to Clause 27, the Joint Venture shall forthwith repay to the Contractor any liquidated damages deducted in respect of the period up to and including the date four (4) weeks from the revised date for Practical Completion.

29. USE OF PARTLY COMPLETED WORKS

Upon Practical Completion of a separable portion of the Works, the Joint Venture and the Contractor shall jointly inspect that separable portion and the Joint Venture shall list in writing any items required to be completed or rectified and provide same to the Contractor. Thereupon, subject to Clause 31, the Contractor shall be required to complete or rectify the items so listed.

The use or occupation by the Joint Venture of a separable portion of the Works shall not limit or affect the Contractor's rights and obligations under the Agreement.

30. FINAL COMPLETION

Within twenty eight (28) days after Final Completion, the Contractor shall lodge with the Joint Venture a final payment claim endorsed accordingly and including all monies which the Contractor considers to be due from the Joint Venture under or arising out of the Agreement including any alleged breach thereof, and after the expiration of this period any additional claim by the Contractor against the Joint Venture shall be barred.

Within twenty-eight (28) days after the issue of the Final Certificate the Joint Venture shall pay to the Contractor any amount payable and shall, subject to Clause 23, release to the Contractor any retention held by the Joint Venture.

- (i) fraud, dishonesty or deliberate concealment on the part of the Contractor or its employees, consultants, agents or subcontractors or their employees or agents; or
- (ii) any defect including any omission on the work under the Agreement which reasonable inspection at the time of issue of the Final Certificate would not have disclosed; or

All such replacements, corrections and removals shall be at no additional cost to the Joint Venture.

If the Contractor fails to comply with such a direction, the Joint Venture may have the work of replacement, correction or removal carried out by other persons and the cost thereof shall be a debt due from the Contractor to the Joint Venture which the Joint Venture may recover by deduction from payments due to the Contractor pursuant to Clause 21.2, by deduction from retention monies held or by receiving payment under the undertakings referred to in Clause 22 or from the Contractor as a debt due pursuant to Clause 23.

The policy shall be maintained until the Contractor ceases to be responsible under Clause 38.1.

42. PUBLIC LIABILITY INSURANCE

From the Date of Acceptance, the Contractor shall provide public liability insurance in the joint names of the Joint Venture and the Contractor which shall cover the Joint Venture and its representatives and all subcontractors employed from time to time in relation to the work under the Agreement for their respective rights and interests to cover their liabilities to third parties. The insurance shall also cover the Contractor's liability to the Joint Venture and the Joint Venture's liability to the Contractor for loss of or damage to property (other than property required to be insured by Clause 41) and the death of or injury to any person (other than liability which is required to be insured under Clause 43).

The insurance policy shall include a cross-liability clause in which the insurer agrees to waive all rights of subrogation or action against any of the persons comprising the insured and for the purpose of which the insurer accepts the term

Schedule 1 (continued)

“insured” as applying to each of the persons comprising the insured as if a separate policy of insurance had been issued to each of them (subject always to the overall sum insured not being increased thereby).

The insurance cover in respect of any one occurrence shall be for an amount not less than \$10,000,000.00 (Ten Million Dollars). The policy shall be maintained until the Final Certificate is issued pursuant to Clause 30.

43. INSURANCE OF EMPLOYEES

From the Date of Acceptance, the Contractor shall insure against liability for death of or injury to persons employed by the Contractor including liability by statute and at common law. The insurance cover shall be unlimited in amount and shall be maintained until all work under the Agreement including rectification work is completed.

The insurance shall be extended to indemnify the Joint Venture for the Joint Venture’s statutory liability to persons employed by the Contractor.

The Contractor shall ensure that every subcontractor is similarly insured.

44. PROFESSIONAL INDEMNITY INSURANCE

The Contractor shall take out and maintain professional indemnity insurance in an amount of not less than TEN MILLION DOLLARS (\$10,000,000.00) from the date hereof until the date six (6) years after the date the Final Certificate is issued pursuant to Clause 30.

45. INSPECTION AND PROVISION OF INSURANCE POLICIES

Prior to the Contractor being given possession of the Site and whenever requested in writing by the Joint Venture, the Contractor shall produce satisfactory evidence to the Joint Venture that all insurances are effected and maintained. If the

Schedule 1 (continued)

Contractor fails to produce evidence of compliance with insurance obligations under Clause 41, 42, 43 or 44 then the Joint Venture may effect and maintain the insurance and pay the premiums. The amount paid shall be a debt due from the Contractor to the Joint Venture.

The effecting of insurance shall not limit the liabilities or obligations of the Contractor under other provisions of the Agreement.

The Joint Venture's rights given by this clause are in addition to any other rights under the Agreement.

46. DEFAULT BY OR INSOLVENCY OF CONTRACTOR**46.1 Procedure on Default by Contractor**

- (a) If the Contractor:
- (i) suspends work, in breach of Clause 33.1; or
 - (ii) fails to proceed with the work under the Agreement with due expedition and without delay, in breach of Clause 33.1; or
 - (iii) fails to use the materials or standards of workmanship required by the Agreement, in breach of Clause 4; or
 - (iv) fails to comply with a direction of the Joint Venture; or
 - (v) fails to provide evidence of insurance, in breach of Clause 45; or
 - (vi) fails to lodge security, in breach of Clause 22.4; or
 - (vii) fails to complete the Works within the time specified in the Agreement as adjusted in accordance with the Agreement, in breach of Clause 25.2; or
 - (viii) defaults in the performance of any other obligations under the Agreement or in the observance of any of the provisions thereof;

Schedule 1 (continued)

then the Joint Venture may, in addition to any other rights under the Agreement, give the Contractor written notice to remedy such default and may suspend payments to the Contractor under the Agreement until such time as the default has been remedied or the Joint Venture exercises the right under Clause 46.1(c).

- (b) The written notice referred to in Clause 46.1(a) shall:
 - (i) state that it is a notice under this clause;
 - (ii) specify the default;
 - (iii) specify the period within which the default is required to be remedied; and
 - (iv) require the Contractor, within the specified period, to remedy the default or to show cause in writing why the Joint Venture should not exercise the right pursuant to Clause 46.1(c) should the default not be remedied.
- (c) If the Contractor fails within the period specified in the written notice to remedy the default or to show reasonable cause why the Joint Venture should not exercise the right under this clause, the Joint Venture may, without prejudice to any other right, power, remedy or claim of the Joint Venture under the Agreement, take the work under the Agreement remaining to be completed wholly or partly out of the hands of the Contractor.

46.2 Procedure When the Joint Venture Takes Over Work

- (a) If the Joint Venture elects to take work under the Agreement out of the hands of the Contractor pursuant to Clauses 46.1(c) or 46.3(a), the Project Control Group shall cease to function and the Joint Venture may:
 - (i) complete the whole or any part of that work or have other persons complete the whole or any part of the work; and
 - (ii) take possession of and permit other persons to use all materials, Constructional Plant and other goods on or in the vicinity of the Site as are owned by the

Schedule 1 (continued)

Contractor and are required by the Joint Venture to facilitate completion of the Work;

and the Contractor shall have no right to any compensation or allowance for any such action by the Joint Venture.

- (b) The Joint Venture shall maintain such Constructional Plant and, subject to Clause 46.2(c), shall return same to the Contractor on completion of the work.
- (c) On completion of the work, the Joint Venture shall ascertain the cost incurred in completing the work and shall issue a certificate to the Contractor certifying that cost.

If the cost incurred by the Joint Venture is greater than the amount which would have been paid to the Contractor if the work had been completed by the Contractor, the difference shall be a debt due from the Contractor to the Joint Venture. If the Contractor is indebted to the Joint Venture, the Joint Venture may, in addition to any other remedy under the Agreement or at common law, retain Constructional Plant and other goods taken under this clause until the debt is met. If after reasonable notice the Contractor fails to pay the debt, the Joint Venture may sell the Constructional Plant or other goods and apply the proceeds of such sale towards satisfaction of the debt. Any excess resulting therefrom shall be paid to the Contractor.

46.3 Insolvency of Contractor

- (a) If:
 - (i) the Contractor informs the Joint Venture in writing or creditors generally that the Contractor is insolvent; or
 - (ii) the Contractor commits an act of bankruptcy, receives a bankruptcy petition or is made bankrupt; or
 - (iii) the Contractor enters into a scheme of arrangement or composition with creditors; or

Schedule 1 (continued)

- (iv) the Contractor is placed under official management or a resolution is passed at a meeting of creditors to place the Contractor under official management; or
- (v) a receiver of the property or part of the property of the Contractor is appointed; or
- (vi) an application is made to a court for the winding up of the Contractor or a winding up order is made in respect of the Contractor; or
- (vii) execution is levied against the Contractor by creditors, debenture holders or trustees or under a floating charge; or
- (viii) a mortgagee takes possession of the business affairs of the Contractor; or
- (ix) the Contractor, due to insolvency, gives written notice to the Joint Venture that he is unable or unwilling to complete the work under the Agreement;

then the Joint Venture may, without giving a notice to show cause pursuant to Clauses 46.1(a) and (b), suspend payments to the Contractor under the Agreement and exercise the right under Clause 46.1(c) and the provisions of Clause 46.2 shall apply.

- (b) The rights given by this Clause 46 are in addition to any other rights of the Joint Venture and may be exercised notwithstanding that there has been no breach of the Agreement, and are subject to any limitations under the Bankruptcy Act or any other relevant Act.

47. DISPUTES

- (a) If a dispute or difference between the Joint Venture and the Contractor arises out of or in connection with the Agreement, either party may forward written notice of such dispute or difference to the other party accompanied by detailed particulars of the matter at issue.

Schedule 1 (continued)

- (b) Notwithstanding the existence of a dispute or difference the Contractor shall continue to execute the work under the Agreement.
- (c) At the expiration of 14 days of the issue of the notice of dispute, unless it shall be otherwise settled, the parties shall endeavour to solve the dispute by a conciliation process mediated by a mutually agreed person under the auspices of the Australian Commercial Disputes Centre Limited in Brisbane or by an alternate mediator agreed between parties. If the dispute is not settled within 28 days of the issue of the notice of dispute, or some extended period agreed by the parties then either party may give notice of its intention to submit the dispute to arbitration.
- (d) Arbitration shall be carried out by a mutually agreed single Arbitrator or, failing such an agreement by a person appointed by the chairperson of the Queensland chapter of the Institute of Arbitrators, Australia. Any request to appoint an Arbitrator shall indicate the appointee shall not be an employee of the Contractor or Joint Venture, or any person who has been involved in the project, or a person in respect of whom there has been a failure to agree by the Contractor and Joint Venture.
- (e) Arbitrator may award whatever interest the Arbitrator considers reasonable.
- (f) If one party has overpaid the other then the Arbitrator may order repayment together with interest.
- (g) The award made by the Arbitrator shall be final and binding on both Contractor and Joint Venture and neither party shall be entitled to commence or maintain any action upon any such dispute until such matter shall have been referred or determined as hereinbefore provided, and then only for the amount of relief to which the Arbitrator by his award finds either party is entitled, and the costs of the submission, reference and award shall be at the discretion of the said Arbitrator.

Schedule 1 (continued)**48. LIABILITY OF ANZ EXECUTORS & TRUSTEE COMPANY LIMITED**

- 48.1 Notwithstanding any other provision of the Agreement, and whether or not any such provision is expressed to be unconditional, the parties acknowledge that ANZ Executors & Trustee Company Limited enters into the Agreement in its capacity as trustee of the Breakwater Island Trust and the liability of ANZ Executors & Trustee Company Limited under the Agreement is limited to such of the Trust Fund as defined in the trust deed constituting the Breakwater Island Trust as is for the time being held by ANZ Executors & Trustee Company Limited and available for the purpose. No party shall be entitled to have recourse in satisfaction of any liability of ANZ Executors & Trustee Company Limited under the Agreement to any assets held by ANZ Executors & Trustee Company Limited in its personal capacity or in its capacity as trustee of any trust other than the Breakwater Island Trust.

49. DEFAULT BY THE JOINT VENTURE

- 49.1 If the Joint Venture commits a substantial breach of contract and the Contractor considers that damages may not be adequate remedy, the Contractor may give the Joint Venture a written notice to show cause.

Schedule 1 (continued)

- (b) failure by the Joint Venture to issue a Certificate of Practical Completion, in breach of Clause 26;
- (c) failing to give the Contractor possession of the Site, in breach of Clause 25.1, but only if the failure continues for longer than ninety (90) days.

49.2 A notice under Clause 49.1 shall

- (a) state that it is a notice under Clause 49.1;
- (b) specify the alleged substantial breach;
- (c) require the Joint Venture to show cause in writing why the Contractor should not exercise a right referred to in Clause 49.3;
- (d) specify the time and date by which the Joint Venture must show cause (which shall not be less than seven (7) clear days after the notice is given to the Joint Venture);
- (e) specify the place at which cause must be shown.

49.3 If by the time specified in a notice under Clause 49.1 the Joint Venture fails to show reasonable cause why the Contractor should not exercise a right referred to in Clause 49.3, the Contractor may by notice in writing to the Joint Venture suspend the whole or any part of the work under Agreement.

The Contractor shall lift the suspension if the Joint Venture remedies the breach but if within twenty eight (28) days after the date of suspension under Clause 49.3 the Joint Venture fails to remedy the breach or, if the breach is not capable of remedy, fails to make other arrangement to the reasonable satisfaction of the Contractor, the Contractor may by notice in writing to the Joint Venture terminate the Contract.

The Contractor shall be entitled to recover from the Joint Venture any damages flowing from the suspension.

50. TERMINATION FOR JOINT VENTURE'S CONVENIENCE

- (c) The Contractor shall ensure that a provision to like effect is included in any contract or agreement which the Contractor enters into with respect to the work under the Agreement.
