(5) However, subsection (4) does not apply if the commission makes a determination of a matter mentioned in section 64(1)(i) or (k) included in the reference of the first matter.

(6) For subsection (4), a division of a local government area is directly affected by the determination of the first matter only if, under the determination—

- (a) must determine that the matter be implemented if the referendum question is approved by the affected area for the matter; but
- (b) must determine that the matter not be implemented if the referendum question is not approved by the affected area for the matter.

(10) If a non-compulsory referendum has been held for the commission's proposed determination of the matter, the commission may determine that the matter be implemented regardless of whether the referendum question is approved by the affected area for the matter.

94 Notification of determination and report to Minister

- (1)** The commission must—

32 Section 88 (Preliminary procedures for certain references)

- (a) give notification of its final determination, or its determination under section 89—

(2) However, if the commission makes a delayed implementation determination for the matter—

- (a) the Governor in Council must implement the matter to commence on the conclusion of the election, at the next

quadrennial elections, of all councillors for the local governments affected by the determination; and

- (b) a regulation implementing the matter must provide for the conduct of the next quadrennial elections of the local governments as if the matter were implemented.

(3) If a regulation is made to implement the matter and the regulation is to commence on a later day fixed in it, for subsection (1), the matter must not be taken not to have been implemented as soon as practicable merely because of the later commencement.

Examples of subsection (3)—

1. Because of the holding of quadrennial elections under this Act, or fresh elections under the regulation, the regulation may commence after its notification.
2. Because of financial implications, the regulation may commence at the start of a financial year

(4) Subsection (1) has effect subject to section 158.³³

97 Application of subdivision

This subdivision applies for a reviewable local government matter, the subject of a minor reference, being considered by a commission.

98 Commission may make inquiries

In considering the reviewable local government matter, the commission may make the inquiries it considers appropriate.

99 Determination not to implement matter

(1) If after considering the reviewable local government matter, the commission determines that the reviewable local government matter not be implemented, the commission must prepare a report on the matter.

(2) The report must state the determination and reasons for it.

100 Notice of proposed determination to implement matter and recommendations

(1) If the commission proposes to determine that the reviewable local government matter be implemented, the commission—

- (a) must give written notice to—
 - (i) each local government that would be affected by the matter if it were implemented; and
 - (ii) if the matter is a reviewable local government matter mentioned in section 64(1)(c) or (e)—each owner of land in the part the subject of the matter; and

- (b) may give written notice to anyone else the commission considers would be directly affected by the matter if it were implemented.

(2) The notice must state—

- (a) the general effect of the proposed determination; and
- (b) that particulars of the proposed determination and recommendations on implementation issues for the matter, including reasons and any relevant maps, are open to inspection; and
- (c) that submissions about the proposed determination and recommendations—
 - (i) may be made, in writing, to the commission at a stated address; and
 - (ii) must state the grounds of the submission and the facts and circumstances relied on in support of the grounds; and
- (d) a day (the “**stated day**”) on or before which the particulars may be inspected and submissions made.

(3) If, in the proposed determination of the matter, the commission proposes to adopt a margin of allowance under section 286(3) for the quota of voters for each councillor for a division of a local government, the notice must also state the margin of allowance to be adopted.

(4) If the commission proposes to make a delayed implementation determination for the matter, the notice must also state—

- (a) the matter is to be implemented on the conclusion of the election, at the next quadrennial elections, of all councillors for the local governments affected by the determination to implement the matter; and
- (b) the elections are to be conducted as if the determination were implemented.

(5) The stated day must be at least 30 days after the particulars mentioned in subsection (2)(b) are first open to inspection at the electoral commission’s office at Brisbane.

(6) The notice given to the local governments must be accompanied by a copy of the particulars mentioned in subsection (2)(b).

(7) The particulars are to be open to inspection until the day after the stated day.

(4) Section 100 and this section apply to the amended proposed determination as if it were the proposed determination.

102 Making final determination and preparation of report

(1) As soon as practicable after completing its consideration of the submissions, the commission must make a final determination of the matter, and prepare a report for the Minister on the reviewable local government matter.

(2) If the matter is the subject of a delayed implementation reference and the commission makes a determination to implement the matter, the commission—

- (a) must determine the matter be implemented on the conclusion of the election, at the next quadrennial elections, of all councillors for the local governments affected by the determination to implement the matter; and
- (b) must determine not to implement a reviewable local government matter mentioned in section 64(1)(g), (h), (i) or (k) for the local governments or the local governments' areas.

(3) If the matter is a reviewable local government matter mentioned in section 64(1)(c) (other than a matter the subject of a delayed implementation reference) for a local government area that is divided, the commission may determine the matter be implemented on the conclusion of the election, at the next quadrennial elections, of all councillors for the local governments affected by the determination only if—

- (a) the commission is satisfied it is appropriate to delay implementing the matter having regard to the delayed implementation issues for the matter; and

- (b) the commission determines not to implement a reviewable local government matter mentioned in section 64(1)(g), (h), (i) or (k) for the local governments or the local governments' areas.

(4) Also, if the matter is a matter mentioned in section 64(1)(c) (the “**first matter**”) and the commission makes a determination to implement the first matter, the commission may, if it is satisfied it is appropriate for another reviewable local government matter mentioned in section 64(1)(g) or (h) included in the reference of the first matter, make a determination to implement the other matter only so far as the other matter relates to all of the divisions of a local government area directly affected by the determination of the first matter.

(5) However, subsection (4) does not apply if the commission makes a determination of a matter mentioned in section 64(1)(i) or (k) included in the reference of the first matter.

(6) For subsection (4), a division of a local government area is directly affected by the determination of the first matter only if, under the determination—

- (b) the division adjoins the excluded part; or
- (c) the division adjoins a division mentioned in paragraph (a) or (b).

As soon as practicable after deciding a business activity is a new type 1 or 2 business activity, a local government must give written notice to the Minister.

PART 4—PUBLIC BENEFIT ASSESSMENT OF SIGNIFICANT BUSINESS ACTIVITIES

Division 1—Subject matter of public benefit assessments

549 Matters to be addressed by public benefit assessment for type 1 or new type 1 business activity

(1) A public benefit assessment for a type 1 or new type 1 business activity must consider how the activity should be carried on by—

- (a) reviewing the appropriateness of each of the following reforms for the activity—
 - (i) corporatisation of the activity;
 - (ii) commercialisation of the activity;
 - (iii) full cost pricing for the activity; and
- (b) concluding whether or not and, if so, to what extent, the benefits that would be realised from implementation of the reforms mentioned in paragraph (a) would outweigh the costs.

(2) An assessment may, and it is declared always could, consider—

- (a) different reforms for separate parts of the activity; and
- (b) sequential reforms for the whole or part of the activity.

Example for subsection (2)—

An assessment may consider whether the whole or part of an activity should be reformed and, in recommending reform of part of the activity, the public benefit assessment report could recommend that for the part—

- (a) full cost pricing be implemented by 1 July 1999; and
- (b) commercialisation be implemented by 1 July 2000; and
- (c) the activity be corporatised by 1 July 2002.

550 Matters to be addressed by public benefit assessment for type 2 or new type 2 business activity

- (2) An assessment may, and it is declared always could, consider—
- (a) different reforms for separate parts of the activity; and
 - (b) sequential reforms for the whole or part of the activity.

Example for subsection (2)—

An assessment may consider whether the whole or part of an activity should be reformed and, in recommending reform of part of the activity, the public benefit assessment report could recommend that for the part—

- (a) full cost pricing be implemented by 1 July 1999; and

- (b) the entity providing goods and services on a commercial basis; and
- (c) the entity receiving subsidies to provide goods and services, as community service obligations, that it would not otherwise be in the commercial interests of the entity to provide.

 - (i) payment of government taxes or retention by the local government of amounts equivalent to taxes or rates; and

- (ii) retention by the local government of amounts equivalent to debt guarantee fees for State guarantees; and
- (b) compliance with Commonwealth, State and local government requirements that apply only if the activity is carried on by a private sector business, such as those relating to the protection of the environment and planning and approval processes.

(3) If, before corporatisation of a significant business activity by a local government, the local government is not liable to pay a State tax that would be payable if the activity were corporatised, an amount equivalent to the tax is to be payable by the entity to the local government in place of payment of the tax to the State.

(4) Part 7 applies to the implementation of corporatisation for a significant business activity of a local government.

552 What is commercialisation

(1) For a public benefit assessment, commercialisation of a significant business activity of a local government involves—

- (a) the activity being carried on by a business unit of the local government that is not a legal entity separate from the local government; and
- (b) the unit providing goods and services on a commercial basis; and
- (c) the unit receiving subsidies to provide goods and services, as community service obligations, that it would not otherwise be in the commercial interests of the unit to provide.

(2) Implications of commercialisation include—

- (a) the question of retention by the local government of—
 - (i) amounts equivalent to government taxes that are not otherwise payable to the Commonwealth, State or local government; and
 - (ii) amounts equivalent to debt guarantee fees for State guarantees; and
- (b) compliance with Commonwealth, State and local government requirements that apply only if the activity is carried on by a private sector business, such as those relating to the protection of the environment and planning and approval processes.

(3) Part 6 applies to the commercialisation of a significant business activity of a local government.

553 What is full cost pricing

(1) For a public benefit assessment, full cost pricing for a significant business activity means prices are charged for goods and services taking into account the full cost of providing the goods or services including estimates of the amounts mentioned in section 552(2)(a).¹⁰⁸

- (a) competes with the local government business entity in relation to the activity; or
- (b) seeks to compete with the local government business entity in relation to the activity but is being hindered from doing so by the competitive advantage alleged by the person to be enjoyed by the entity.

Division 2—Complaints about competitive neutrality

793 Local government to establish complaint process

(1) Each local government must establish a process for resolving complaints by affected persons about failures of its local government business entities to carry on activities in a way that complies with the competitive neutrality principles applying to the activities.

(2) As soon as practicable after receiving the request, the chief executive officer must give the documents held under the section to the authority.

825 Further information to support reference

(1) The Queensland Competition Authority may, by written notice given to an applicant, require the applicant to give the authority further information about the reference within the reasonable time stated in the notice.

(2) A notice under subsection (1) must relate to information that is necessary and reasonable to help the authority decide whether or not to deal with the reference.

826 Matters to be considered by Queensland Competition Authority in considering reference

(1) In considering a reference on a ground mentioned in section 822(2)(b), (c) or (d), the Queensland Competition Authority—

- (b) may have regard to the interests of consumers or any class of consumers.

(2) Subsection (1) does not limit the matters the authority may have regard to in considering a reference.

827 Procedures for dealing with references

(1) Sections 796, 797, 799, 800 and 801 apply, with all necessary changes, to the Queensland Competition Authority considering a reference as if a reference in the sections to—

- (c) if the authority considers the reference has been substantiated—include its recommendations on how the local government business entity’s failure to carry on an activity in a way that complies with the competitive neutrality principles applying to the activities could be overcome; and
- (d) if the authority considers the local government business entity suffers a competitive disadvantage because of the local government ownership of the entity—
 - (i) include comments about the competitive disadvantage (including comments about the effect of the disadvantage on the local government business entity); and
 - (ii) include recommendations on how the disadvantage suffered by the local government business entity could be overcome; and
- (e) state its reasons for its recommendations.

(1) As soon as practicable after the local government receives the report, the local government must ensure a copy of it is open to inspection.

(2) For section 7,¹⁶² the report is a document of the local government.

(1) The local government must decide, by resolution, whether to implement the recommendations in the report.

162 Section 7 (Meaning of “open to inspection”)

(2) The resolution must include reasons for the decision.

(3) The local government must make the resolution—

PART 4—ACCREDITATION

832 Application of pt 4

This part applies to—

- (a) a significant business activity, under chapter 8, carried on by a local government business entity; and
- (b) a business activity, or roads business activity, under chapter 9.

833 Purpose of accreditation

The purpose of accreditation under this part is to remove doubt for a local government business entity carrying on an activity about whether it carries on the activity in accordance with the relevant principles of competitive neutrality.

834 Application for accreditation

(1) A local government business entity carrying on an activity may apply to the Queensland Competition Authority for an accreditation of the activity for the entity.

(2) An application must be made in the form approved by the authority.

(2) In conducting an investigation, the authority may also have regard to the interests of consumers or any class of consumers.

(3) However, in deciding whether an activity carried on by the local government business entity be accredited, the authority must not accept that any competitive advantage enjoyed by the entity solely because of local government ownership of the entity is justified because of the existence of a competitive disadvantage suffered by the entity because of the local government ownership of the entity.

(4) Subsections (1) and (2) do not limit the matters the authority may have regard to in conducting an investigation.

837 Procedures for investigations

(1) The following provisions of the *Queensland Competition Authority Act 1997* (the “**provisions**”) apply, with all necessary changes and the changes prescribed in subsection (2), to an investigation under this part—

- (a) if the authority is satisfied the applicant carries on the activity in accord with the principles—the authority must grant the accreditation; or
- (b) if the authority is not satisfied the applicant carries on the activity in accord with the principles—the authority must refuse to grant the accreditation.

(3) Also, the authority may refuse to grant the accreditation if—

- (a) under an investigation notice the authority has sought further information about the application; and
- (b) the applicant has failed, without reasonable excuse, to give the information to the authority within the time stated in the relevant notice.

839 Conditions on grant of accreditation

(1) If the Queensland Competition Authority decides to grant an accreditation, the grant is subject to the following conditions—

- (a) a condition that the local government business entity must continue to comply with the relevant competitive neutrality principles;
- (b) a condition that the local government business entity must inform the authority of any change in the entity's structure or operations that may affect the entity's continued compliance with the relevant competitive neutrality principles.

(2) The authority may impose any other conditions it considers are necessary and reasonable for ensuring compliance with the accreditation.

(3) Without limiting subsection (2), a condition may relate to requirements of the local government business entity to give relevant information to the authority that is necessary and reasonable to enable the authority to decide whether it is appropriate to maintain the accreditation.

(4) For a condition mentioned in subsection (3), the information may be required to be given to the authority either—

- (a) from time to time, at reasonable intervals; or

If the Queensland Competition Authority decides to grant an accreditation, the authority must publish in the gazette a notice of the grant.

842 Period of effect of accreditation

(1) An accreditation remains in force until the end of the period stated in the authority's accreditation notice, unless it is sooner surrendered or cancelled.

(2) In this section—

“**authority's accreditation notice**” means a notice given to an applicant for an accreditation by the Queensland Competition Authority advising the applicant of the grant of the accreditation.

843 Surrender of accreditation

(1) A local government business entity that has been granted an accreditation may surrender the accreditation by written notice given to the Queensland Competition Authority.

- (d) invites the entity to show, in writing, within the show cause period why the proposed action should not be taken.

(3) If, after considering all written representations made within the show cause period, the authority still believes the grounds exist to cancel the accreditation, the authority may cancel the accreditation.

(4) The authority must give a written notice stating its decision and the reasons for the decision to—

- (a) the local government; and
- (b) if the entity is a corporatised corporation—the corporation.

(5) The decision takes effect—

- (a) the day the notice is given to the local government business entity; or
- (b) if a later day of effect is stated in the notice—the later day.

(6) In this section—

“**show cause period**”, for a notice given to a local government business entity under subsection (2), means the period ending not less than 14 days, and not more than 21 days, after the notice is given to the entity.

845 Lists of accreditations

The Queensland Competition Authority must keep a list of all current accreditations granted under this part available for inspection by any person.

CHAPTER 12—LOCAL LAWS AND SUBORDINATE LOCAL LAWS

PART 1—PRELIMINARY

Division 1—Object and application

848 Object

(1) A local government's jurisdiction to make laws is stated in chapter 2, part 1, division 3.

(2) This chapter provides a common law-making process for all laws made by local governments.

(3) It also provides for subordinate local laws to assist the detailed implementation of a local law's objects.

Examples for subsections (2) and (3)—

1. If a local law on libraries states that the local government may make a subordinate local law about the management and use of library resources, the local government has a general power to make a subordinate local law about a variety of issues, including, for example, the hours of operation of the library, use of its facilities and restrictions on borrowing books.
2. If a local law on libraries states that the local government may make a subordinate local law on a specific issue, for example, the restriction of borrowing rights or suspension of membership if a member retains borrowed items for substantially longer than permitted by the library rules, the local government can not, without

specific authority in the local law, make a subordinate local law about other library matters, including, for example, the hours of operation of the library.

849 Application of chapter to Brisbane City Council

This chapter applies to the Brisbane City Council.

Division 2—Local laws and related concepts

850 Meaning of “local law”

A “**local law**” is a law made by a local government.

851 Meaning of “model local law”

(2) A model local law must be gazetted.

852 Meaning of “interim local law”

An “**interim local law**” of a local government is a local law that the local government and Minister agree may be made using the process stated in part 2, division 2 because of the nature of the law.

853 Meaning of “subordinate local law”

A “**subordinate local law**” is a law made by a local government about a matter that a local law expressly states that the local government may make about the matter.

854 Local laws and subordinate local laws about development

(1) A local government must not, on or after 30 March 1998, pass a resolution to propose to make a local law, or a subordinate local law, establishing a process about development, within the meaning of the *Integrated Planning Act 1997*, if the process would be similar to or duplicate all or part of the processes in chapter 3 of that Act.¹⁶⁴

(2) A local law or a subordinate local law, to the extent the law or subordinate local law is contrary to subsection (1), is of no effect.

(3) If a provision of a local law or a subordinate local law deals with development, within the meaning of the *Integrated Planning Act 1997*—

- (a) until a new planning scheme (other than a transitional planning scheme within the meaning of chapter 6 of that Act) has effect in the local government's area, the provision may be amended or repealed; or
- (b) on or after a new planning scheme (other than a transitional planning scheme within the meaning of chapter 6 of that Act) has effect in the local government's area, the provision may not be amended but may be repealed.

(4) Subsection (3) also applies to a local law of a local government if—

- (a) the area or part of the area of the local government (the **“first local government”**) has been amalgamated with another local government's area; and
- (b) the local law—
 - (i) under a regulation, continues to apply in what was the first local government's area; or
 - (ii) has, by another local law, been applied, with or without amendment, to the entire area of the amalgamated local government areas.

(5) For subsection (1)—

“development”, until 1 July 2001, does not include the clearing of vegetation on freehold land.

¹⁶⁴ See *Local Government Act 1993*, sections 866 (Step 1—propose a law) and 877 (Step 1—propose a subordinate local law).

(6) A local law, whether the law is made before or after the commencement of this section, is void to the extent it regulates a subscriber connection.

(7) In subsection (6)—

“subscriber connection” means an installation for the sole purpose of connecting a building, structure, caravan or mobile home to a line that forms part of an existing telecommunications network.

854A No jurisdiction to make local laws and subordinate local laws about distributing how-to-vote cards

165 Division 5 (Anti-competitive provisions of proposed local laws and proposed subordinate local laws)

856 Model local law process

(1) The process stated in this division or division 3 must be used to make a model local law.

(2) If a local government purports to make a model local law in contravention of subsection (1), the purported law is of no effect.

856A Step 1—propose a law

Before making a model local law, a local government must, by resolution, propose to adopt the model local law.

857 Step 2—make a law

(1) A local government makes a model local law if, by resolution, it—

- (a) adopts a model local law about a matter; and
- (b) if there is an existing local law about the matter that is inconsistent with what is adopted—amends or repeals the existing local law so that there is no inconsistency.

(2) The local government's chief executive officer must certify the required number of copies of the local law to be the local law as made by the local government.

(3) For subsection (1)(a), the adoption of a model local law with changes about an anti-competitive provision consistent with a resolution of the local government made under section 891 in relation to the local law is the adoption of a model local law.

(4) A local government must not adopt a model local law with an anti-competitive provision (whether or not in an amended form) unless the local government has complied with division 5 in relation to the proposed model local law.

858 Step 3—give public notice of law

(1) A notice of the making of the model local law must be published in the gazette stating the following—

- (a) the name of the local government making the local law;
- (b) the name of the local law;

- (c) the date of the local government's resolution making the local law;

(3) If the local law is not notified within 1 year of the date of the local government's resolution making the local law (or a longer period decided by the Minister), the process stated in this division must be used again before the local law is notified in the gazette.

(4) On the day of notification (or as soon as practicable after the day), the local government must give the Minister—

- (a) a copy of the notice; and
- (b) the required number of certified copies of the local law; and
- (c) advice of any anti-competitive provisions included in the local law and reasons for their inclusion.

Division 2—Making interim local laws

859 Interim local law process

(1) The process stated in this division must be used to make an interim local law.

(2) If a local government purports to make an interim local law in contravention of subsection (1), the purported law is of no effect.

860 Step 1—propose a law

(1) Before making an interim local law, the local government must, by resolution, propose to—

- (a) make a law; and
- (b) get the Minister's agreement to make the law as an interim local law.

(2) The proposed local law must include a sunset provision stating the law will expire—

- (b) advise the Minister why it is necessary or desirable for the local law to be made on an interim basis; and
- (c) give the Minister the following information about the proposed interim local law—
 - (i) any provision of the proposed interim local law that, under division 5, is a possible anti-competitive provision and actions taken or proposed to be taken by the local government under the division about the provision;
 - (ii) information required by the Minister or under a regulation.

(2) The Minister must advise the local government that it may proceed further in making the interim local law if the Minister—

- (a) agrees the proposed local law may be made on an interim basis; and

- (b) considers State interests are satisfactorily dealt with by the proposed local law; and
- (c) considers the proposed local law is drafted substantially in accordance with drafting standards prescribed under a regulation.

(3) The Minister's agreement may be given on conditions the Minister considers appropriate.

(4) If the Minister agrees the proposed local law may be made on an interim basis but considers State interests would be satisfactorily dealt with by the proposed local law if the local government satisfied particular conditions, the Minister—

- (a) may impose the conditions on the local government the Minister considers appropriate; and
- (b) must advise the local government that it may proceed further in making the interim local law if it—
 - (i) satisfies any conditions about the content of the proposed local law; and
 - (ii) agrees to satisfy any other conditions.

(5) Without limiting subsection (4)(a), the Minister may impose a condition about a longer consultation period for making the interim local law as a local law under division 3.

(6) Also, the Minister's advice may state that the local government may proceed without satisfying step 7 of division 3 if it agrees to satisfy particular conditions.

(7) Before proceeding to step 3, the local government must—

- (a) get an advice under subsection (2) or (4); and
- (b) satisfy any condition about the content of the proposed local law; and

(1) A notice of the making of the interim local law must be published in the gazette stating the following—

- (a) the name of the local government making the local law;
- (b) the name of the local law;
- (c) the date of the local government's resolution making the local law;
- (d) the name of any existing local law amended or repealed by the new local law.

(2) The notice also may state the following—

(3) If a local government purports to make a local law in contravention of subsection (1), the purported law is of no effect.

866 Step 1—propose a law

Before making a local law, the local government must, by resolution, propose to make a law.

867 Step 2—ensure proposed law satisfactorily deals with any State interest

(1) The local government must give the Minister the following—

¹⁶⁶ Division 5 (Anti-competitive provisions of proposed local laws and proposed subordinate local laws)

- (a) a copy of the proposed local law;
- (aa) a drafting certificate for the proposed local law;
- (b) the following information about the proposed local law—
 - (i) any provision of the proposed local law that, under division 5, is a possible anti-competitive provision and actions taken or proposed to be taken by the local government under the division about the provision;
 - (ii) information required by the Minister or under a regulation.

(2) The Minister must advise the local government that it may proceed further in making the law if the Minister considers—

- (a) State interests are satisfactorily dealt with by the proposed local law; and
- (b) the proposed local law is drafted substantially in accordance with drafting standards prescribed under a regulation.

(3) Alternatively, if the Minister considers State interests would be satisfactorily dealt with by the proposed local law if the local government satisfied particular conditions, the Minister—

- (a) may impose conditions on the local government that the Minister considers appropriate; and
- (b) must advise the local government that it may proceed further in making the law if it—
 - (i) satisfies any conditions about the content of the proposed local law; and
 - (ii) agrees to satisfy any other conditions.

(4) If the Minister considers that the proposed local law only makes a minor amendment of an existing law (including, for example, the correction of a minor error), the advice of the Minister also may state that the local government may proceed to step 8 without satisfying steps 3 to 7.

(5) Steps 3 to 7 do not apply if the Minister's advice to the local government includes the statement mentioned in subsection (4).

(6) The advice of the Minister also may state that the local government may proceed without satisfying step 7 if the local government agrees to satisfy particular conditions.

(7) Before proceeding further in making a proposed local law, the local government must—

- (a) get an advice under subsection (2) or (3); and
- (b) satisfy any condition about the content of the proposed local law; and
- (c) agree to satisfy any other conditions.

868 Step 3—consult with public about proposed law

(1) The local government must consult with the public about the proposed local law for at least 21 days (the “**consultation period**”).

(2) However, a longer consultation period may be—

- (a) fixed by a condition agreed by the Minister and the local government in step 2 of this division or division 2; or
- (b) prescribed by regulation.

(3) The consultation period begins on the day when the notice mentioned in subsection (4) is first published.

(4) A notice about the proposed local law must be—

- (a) published at least once in a newspaper circulating generally in the local government’s area; and
- (b) displayed in a conspicuous place in the local government’s public office from the first day of the consultation period until the end of the last day of the consultation period.

(5) The notice must state the following—

- (a) the name of the local government proposing to make the local law;
- (b) the name of the proposed local law;
- (c) the purposes and general effect of the proposed local law;
- (d) the length of the consultation period and the first and last days of the period;
- (e) that a copy of the proposed local law is open to inspection at the local government’s public office on or before the last day;
- (f) that a copy of the proposed local law may be purchased at the local government’s public office on or before the last day at a stated price;

- (g) that written submissions by any person supporting or objecting to the proposed local law may be made and given to the local government on or before the last day stating—
 - (i) the grounds of the submission; and
 - (ii) the facts and circumstances relied on in support of the grounds.

(6) The price of a copy of the proposed local law must be no more than the cost to the local government of having the copy available for purchase, and, if the copy is posted to the purchaser, the postage cost.

869 Step 4—give public access to proposed law

On the first day of the consultation period and until the end of the last day of the consultation period—

- (a) a copy of the proposed local law must be open to inspection at the local government’s public office; and
- (b) copies of the proposed local law must be available for purchase at the local government’s public office at the price stated in the notice about the proposed local law.

870 Step 5—accept and consider all submissions

(1) The local government must consider every submission properly made to it.

(2) A submission is properly made to the local government if it—

- (a) is the written submission of any person about the proposed local law; and
- (b) states—
 - (i) the grounds of the submission; and
 - (ii) the facts and circumstances relied on in support of the grounds; and
- (c) is given to the local government on or before the last day of the consultation period.

871 Step 6—decide whether to proceed with making proposed law

After considering every submission properly made to it, the local government must, by resolution, decide whether to—

- (a) proceed with the making of the proposed local law as advertised (the “**advertised proposed law**”); or
- (b) proceed with the making of the proposed local law with amendments (the “**amended proposed law**”); or
- (c) not proceed with the making of the proposed local law.

872 Step 7—again ensure proposed law satisfactorily deals with any State interest

(1) This step does not apply in the following cases—

- (a) if the local government got an advice under section 861(6) or 867(4) or (6) and has satisfied any agreed conditions;
- (b) if the local government decides not to proceed with the proposed local law;
- (c) if a regulation states the step does not apply.

(2) The local government must—

- (a) advise the Minister of its decision under step 6; and
- (b) give the Minister information about the proposed local law required by the Minister or by regulation.

(3) If the Minister considers that State interests are satisfactorily dealt with by the proposed local law, the Minister must advise the local government it may proceed to step 8.

(4) Alternatively, if the Minister considers that State interests would be satisfactorily dealt with by the proposed local law if the local government satisfied particular conditions, the Minister—

- (a) may impose conditions on the local government that the Minister considers appropriate; and
- (b) must advise the local government that it may proceed to step 8 if it—
 - (i) satisfies any conditions about the content of the proposed local law; and

(ii) agrees to satisfy any other conditions.

(5) Before proceeding further in making a proposed local law, the local government must—

- (a) get an advice under subsection (3) or (4); and
- (b) satisfy any condition about the content of the proposed local law; and
- (c) agree to satisfy any other conditions.

(6) A local government must not act under subsection (2) unless the local government has complied with division 5¹⁶⁷ in relation to the proposed local law.

873 Step 8—make proposed law

(1) The local government must, by resolution, make—

- (a) the advertised proposed law; or
- (b) the amended proposed law; or
- (c) the proposed law for which the local government received advice from the Minister that it could proceed to this step without satisfying steps 3 to 7.

(2) The local government's chief executive officer must certify the required number of copies of the local law to be the local law as made by the local government.

874 Step 9—give public notice of law

(1) A notice of the making of the local law must be published in the gazette stating the following—

- (a) the name of the local government making the local law;
- (b) the name of the local law;
- (c) the date of the local government's resolution making the local law;

167 Division 5 (Anti-competitive provisions of proposed local laws and proposed subordinate local laws)

- (d) the name of any existing local law amended or repealed by the new local law.

(2) The notice also may state the following—

- (a) the purposes and general effect of the local law;
- (b) that a certified copy of the local law is open to inspection at the local government's public office and at the department's State office;
- (c) that a copy of the certified copy of the local law may be purchased at the local government's public office.

(3) If the local law is not notified within 1 year of the date of the local government's resolution making the local law (or a longer period decided by the Minister), the process stated in this division must be used again before the local law is notified in the gazette.

(4) On the day of notification (or as soon as practicable after the day), the local government must give the Minister—

- (a) a copy of the notice; and
- (b) the required number of certified copies of the local law; and
- (c) advice of any anti-competitive provisions included in the local law and reasons for their inclusion.

Division 4—Making subordinate local laws

875 Application of division

This division applies subject to division 5.¹⁶⁸

876 Subordinate local law process

(1) The process stated in this division must be used to make a subordinate local law.

(2) If a local government purports to make a subordinate local law in contravention of subsection (1), the purported subordinate local law is of no effect.

¹⁶⁸ Division 5 (Anti-competitive provisions of proposed local laws and proposed subordinate local laws)

877 Step 1—propose a subordinate local law

Before making a subordinate local law, the local government must, by resolution, propose to make a subordinate local law.

878 Step 2—consult with public about proposed subordinate local law

(1) The local government must consult with the public about the proposed subordinate local law for at least 21 days (the “**consultation period**”).

(2) However, a longer consultation period may be prescribed by regulation.

(3) The consultation period begins on the day when the notice mentioned in subsection (4) is first published.

(4) A notice about the proposed subordinate local law must be—

- (a) published at least once in a newspaper circulating generally in the local government’s area; and
- (b) displayed in a conspicuous place in the local government’s public office from the first day of the consultation period until the end of the last day of the consultation period.

(5) The notice must state the following—

- (a) the name of the local government proposing to make the subordinate local law;
- (b) the name of the proposed subordinate local law;
- (c) the name of—
 - (i) the local law allowing the subordinate local law to be made; or
 - (ii) if this step is used under section 883—the proposed authorising law;
- (d) the purposes and general effect of the proposed subordinate local law;
- (e) the length of the consultation period and the first and last days of the period;
- (f) that a copy of the proposed subordinate local law is open to inspection at the local government’s public office on or before the last day;

- (g) that a copy of the proposed subordinate local law may be purchased at the local government's public office on or before the last day at a stated price;
- (h) that written submissions by any person supporting or objecting to the proposed subordinate local law may be made and given to the local government on or before the last day stating—
 - (i) the grounds of the submission; and
 - (ii) the facts and circumstances relied on in support of the grounds.

(6) The price of a copy of the proposed subordinate local law must be no more than the cost to the local government of having the copy available for purchase, and, if the copy is posted to the purchaser, the postage cost.

879 Step 3—give public access to proposed subordinate local law

On the first day of the consultation period and until the end of the last day of the consultation period—

- (a) a copy of the proposed subordinate local law must be open to inspection at the local government's public office; and
- (b) copies of the proposed subordinate local law must be available for purchase at the local government's public office at the price stated in the notice about the proposed subordinate local law.

880 Step 4—accept and consider all submissions

(1) The local government must consider every submission properly made to it.

(2) A submission is properly made to the local government if it—

- (a) is the written submission of any person about the proposed subordinate local law; and
- (b) states—
 - (i) the grounds of the submission; and
 - (ii) the facts and circumstances relied on in support of the grounds; and
- (c) is given to the local government on or before the last day of the consultation period.

881 Step 5—make proposed subordinate local law

(1) If, after considering every submission properly made to it, the local government decides to make the proposed subordinate local law (whether as advertised or with amendments), it must, by resolution, make the subordinate local law.

(2) However, the local government may substantially amend the proposed subordinate local law only if the local government again consults with the public under section 878 and complies with steps 3 and 4.

(3) The local government's chief executive officer must certify the required number of copies of the subordinate local law to be the subordinate local law as made by the local government.

(4) For subsection (2), an amendment of a proposed subordinate local law with changes consistent with a resolution of the local government made under section 891 in relation to the subordinate local law is not a substantial amendment of the subordinate local law.

(5) A local government must not act under subsection (1) or (2) unless the local government has complied with division 5¹⁶⁹ in relation to the proposed subordinate local law.

882 Step 6—give public notice of subordinate local law

(1) A notice of the making of the subordinate local law must be published in a newspaper circulating generally in the local government's area stating the following—

- (a) the name of the local government making the subordinate local law;
- (b) the name of the subordinate local law;
- (c) the date of the local government's resolution making the subordinate local law;
- (d) the name of any existing subordinate local law amended or repealed by the new subordinate local law.

(2) The notice also may state the following—

¹⁶⁹ Division 5 (Anti-competitive provisions of proposed local laws and proposed subordinate local laws)

- (a) the name of the local law allowing the subordinate local law to be made;
- (b) the purposes and general effect of the subordinate local law;
- (c) that a certified copy of the subordinate local law is open to inspection at the local government's public office and at the department's State office;
- (d) that a copy of the certified copy of the subordinate local law may be purchased at the local government's public office.

(3) On the day of notification (or as soon as practicable after the day), the local government must give the Minister—

- (a) a copy of the notice; and
- (b) the required number of certified copies of the subordinate local law; and
- (c) a drafting certificate for the subordinate local law; and
- (d) advice of any anti-competitive provisions included in the subordinate local law and reasons for their inclusion.

(4) The subordinate local law commences—

- (a) on the day on which it is notified; or
- (b) if a later day or time is fixed in the subordinate local law—on that day or at that time.

(5) If the subordinate local law is notified on a day after the day or time fixed by the subordinate local law for its commencement, the subordinate local law is valid, but commences on the day on which it is notified.

883 Early commencement under subordinate local law making process

(1) The purpose of this section is to permit a local government to start the process for making a subordinate local law even though the process for making the local law on which the subordinate local law is to be based (the “**proposed authorising law**”) has not finished.

(2) A local government may use steps 1 to 5 of the process for making the subordinate local law (other than actually making the subordinate local law) before the proposed authorising local law is made if—

- (a) in making the proposed authorising law, the local government has to satisfy division 1 or steps 3 to 7 of division 3; and
- (b) for a proposed authorising local law made under division 3—the notice about the subordinate local law under section 878 is published no earlier than the notice about the proposed authorising law under section 868 is published.

Division 5—Anti-competitive provisions of proposed local laws and proposed subordinate local laws

884 Application of division

(1) In this section—

“cut off day” means—

- (a) for a local law or subordinate local laws made before 31 December 1997—31 December 1997; or
- (b) for a local law made under division 3 after 31 December 1997 and, if in making the local law, the local government, before 31 December 1997, complied with section 872(2)—a later day stated under a regulation.

(2) Subject to subsections (3) and (4), this division applies to local laws and subordinate local laws made after the commencement of this section.

(3) This division does not apply to local laws or subordinate local laws made before the cut off day if the local government, before 31 December 1997, decides to apply chapter 19, part 1, division 4 to the local law or subordinate local laws as if the local law or subordinate local laws were an existing local law or existing subordinate local laws under that division.

(4) This division does not apply to interim local laws.

885 Definitions for div 5

In this division—

“anti-competitive provision”, of a proposed local law or proposed subordinate local law, means a provision that, under a regulation, is treated as creating barriers to entry to a market or barriers to competition within a market.

“possible anti-competitive provision” see section 887.

“proposed local law” includes a local law proposed to be made under division 1.

“public interest test” means a review of a possible anti-competitive provision of a proposed local law or proposed subordinate local law under this division.

“public interest test report” means the report, including recommendations, on a public interest test.

886 Local laws and subordinate local laws not to be made unless local government complies with division

887 Review of proposed local law or proposed subordinate local law to identify possible anti-competitive provisions

A local government must carry out a review of its proposed local law or proposed subordinate local law and identify any provision of the law or subordinate local law that it considers may be an anti-competitive provision (a **“possible anti-competitive provision”**).

888 Public interest test of possible anti-competitive provisions

(1) Before making a local law or subordinate local law containing a possible anti-competitive provision, a local government must ensure a public interest test is carried out and a public interest test report prepared for each of the possible anti-competitive provisions.

(2) A public interest test report must, for each possible anti-competitive provision, recommend—

- (a) that the provision should be retained as it is not an anti-competitive provision; or
- (b) for a provision that the report identifies as being an anti-competitive provision—that the whole or part of the provision—
 - (i) in the public interest, should be retained (whether in its current or another form); or

(ii) should not be retained.

(3) For subsection (2), it is in the public interest for an anti-competitive provision to be retained (whether in its current or another form) if—

- (a) the benefits of the provision to the community as a whole outweigh the costs; and
- (b) the most appropriate way of achieving the objectives of the proposed local law or proposed subordinate local law is by restricting competition in the way provided in the provision.

889 Local government to decide on test and report process

(1) The local government must decide—

- (a) how the public interest test is to be conducted; and
- (b) the matters with which the public interest test report must deal.

Example—

A local government may decide that the consultation process concerning possible anti-competitive provisions must include—

- (a) giving notice of the test and inviting submissions about the test; and
- (b) a period for submissions to be received; and
- (c) direct consultation with interested parties; and
- (d) consideration of the submissions received about the test.

The local government may also decide the process for the test may be carried out in conjunction with another process required for making the local law or subordinate local law such as step 3 in section 868 or step 2 in section 878.

(3) The decision is subject to a regulation under section 893.

890 Public interest test report to be presented to local government meeting

As soon as practicable after a public interest test report is completed, it must be presented to a meeting of the local government.

891 Local government to resolve whether to implement recommendations of public interest test

(1) After a public interest test report has been presented to a meeting of a local government, the local government must resolve whether to implement the recommendations of the report.

(2) A local government may make a contrary resolution about an anti-competitive provision only if the local government is of the opinion and resolves that—

- (a) the benefits of the provision in the proposed local law or proposed subordinate local law to the community as a whole outweigh the costs; and
- (b) the most appropriate way of achieving the objectives of the proposed local law or proposed subordinate local law is by restricting competition in the way provided in the provision.

(3) A contrary resolution must include a statement of the reasons for finding that—

- (a) the benefits of the provision to the community as a whole outweigh the costs; and
- (b) the most appropriate way of achieving the objectives of the proposed local law or proposed subordinate local law is by restricting competition in the way provided in the provision.

(4) In subsections (2) and (3)—

“contrary resolution” means a resolution by a local government to—

- (a) retain an anti-competitive provision of a proposed local law or proposed subordinate local law despite a recommendation in a public interest test report that the provision should not be retained; or
- (b) retain an anti-competitive provision of a proposed local law or proposed subordinate local law in a form not consistent with the form recommended in a public interest test report.

892 Public interest test reports are open to inspection

From the day the public interest test report is presented to a meeting of a local government the report must be open to inspection.

893 Regulation about public interest tests and public interest test reports

A regulation may be made about—

- (a) the procedures to be followed and criteria to be used to identify possible anti-competitive provisions of proposed local laws or proposed subordinate local laws; and
- (b) requirements for public interest tests and public interest test reports; and
- (c) the giving of information by local governments to the Minister.

(3) The register must be open to inspection at the local government's public office.

(2) If the interim local law repealed the original local law, on the expiry of the interim local law—

- (a) the original local law revives in the form it was immediately before the repeal; and
- (b) a subordinate local law, or a provision of a subordinate local law, that ceases to have effect because of the repeal revives in the form it was immediately before the repeal.

(3) If the interim local law amended the original local law, on the expiry of the interim local law, the original local law is taken to never have been amended by the interim local law.

(4) Subsection (5) applies if a subordinate local law, or a provision of a subordinate local law, ceases to have effect because of the amendment of the original local law.

(5) On the expiry of the interim local law, the subordinate local law or provision is taken never to have been affected by the amendment.

(6) Subsections (3) and (5) do not affect anything done or suffered under the interim local law before it expired.

897 Extent to which subordinate local law is binding

(1) A local government's subordinate local law is binding on the local government.

(2) A local government's subordinate local law on a matter is, and it is declared always was, binding on anyone else to the extent stated in the local law stating the matter about which the subordinate local law may be made.

(2) All courts, judges and persons acting judicially must take judicial notice of a certified copy of a local law or subordinate local law.

(3) In a proceeding, a copy of the gazette or newspaper containing a notice about the making of a local law or subordinate local law is—

- (a) evidence of the matters stated in the notice; and

¹⁷⁰ A local government may also repeal a subordinate local law by using the processes stated in part 2, division 4, for making a subordinate local law—see the *Acts Interpretation Act 1954*, section 24AA.

- (b) evidence that the local law or subordinate local law has been properly made.

899 Local law and subordinate local law presumed to be within jurisdiction

In a proceeding, the competence of a local government to make a particular local law or subordinate local law is presumed unless the issue is raised.

(1) A local government has control of all roads in its area.

(2) Control of roads includes capacity to take all necessary steps for—

171 Part 2 (Making local laws and subordinate local laws)

(4) The notice must inform the owner in general terms of this section and section 904.

(5) The local government must lodge a copy of the notice of realignment with the registrar of titles for the registration on the instrument of title to the land.

903 Effect of notice of realignment

(1) The owner of land that is the subject of a notice of realignment must not erect, place, re-erect, replace or repair any structure or part of a

structure on the land between the existing and proposed alignments of the road without the permission of the local government.

(2) Despite service of the notice, land between the existing and proposed alignments of a road does not form part of the road until it has been acquired by the local government and dedicated to public use as a road.

(3) The registrar of titles may register the notice despite the non-production of a relevant instrument of title.

904 Compensation for realignment of road

(1) A person who would be entitled to claim compensation on acquisition by a local government of land affected by a notice of realignment situated between the existing and proposed alignments of a road is entitled to compensation from the local government for injurious affection to the person's interest in the land because of—

- (a) service of the notice; or
- (b) refusal by the local government of permission mentioned in section 903(1).

(2) However, compensation is not payable on service of the notice until—

- (a) the land is first sold after service of the notice; or
- (b) the owner of the land has, after service of the notice, offered the land for sale in good faith, but can not sell the land for a fair and reasonable price.

905 Claims for compensation

(1) A claim for compensation must—

- (a) be made to the chief executive officer of the local government in a form approved by the chief executive officer; and
- (b) be made within 3 years after the entitlement to compensation arose.

(2) The claim is taken to have been properly made when the claimant has given the local government all information reasonably required by it to decide the claim.

(3) If, within 40 days after the claim is made, the local government has not given to the claimant written notice of its decision on the claim, it is taken to have refused compensation to the claimant on the 41st day after the claim is made.

906 Appeals

(1) A claimant aggrieved by the decision of a local government made on a claim for compensation may appeal against the decision to the Planning and Environment Court.

(2) The appeal must be started within 30 days after notice of the decision is given to the claimant or the decision is taken to have been made.

907 Assessment of compensation

Assessment of compensation for injurious affection of an interest in land because of a notice of realignment must be consistent with the following principles—

- (a) the amount of compensation must represent the difference between the market value of the interest immediately after service of the notice and what would be the market value of the interest at that time if the notice had not been served;
- (b) any benefit that may accrue, because of the realignment, to land adjacent to the land affected by the realignment, and in which the claimant has an interest, must be taken into account;
- (c) the amount of compensation must not be increased because the land affected by the realignment has, since the service of the notice, become or ceased to be separate from other land.

908 Award of compensation

Before awarding compensation for injurious affection, the Planning and Environment Court must be satisfied—

- (a) if the land has been sold—
 - (i) the sale price is less than the seller might reasonably have expected to receive had there been no notice of realignment; and
 - (ii) the seller sold the land in good faith; and

- (iii) the seller took reasonable steps to obtain a reasonable price for the land; or
- (b) if a local government has refused permission mentioned in section 903(1)—the permission was applied for in good faith.

909 Acquisition of land instead of compensation

(1) Unless land between the existing and proposed alignments of a road has been sold, a local government may acquire the land instead of paying compensation for injurious affection.

(2) If, after a notice of realignment is served, land between the existing and proposed alignments of a road has been cleared of all structures, a local government may, and, if required by the owner of the land, must, acquire the land.

(3) Land acquired under subsection (1) or (2) must be dedicated for public use as a road within 3 months after its acquisition.

(4) Compensation for the compulsory acquisition of land under subsection (1) or (2), if not agreed between the parties, must be assessed as at the date of the acquisition.

910 Notice of realignment not effective in certain circumstances

(1) A local government can not, without the consent of the Planning and Environment Court, serve notice of realignment on an owner of land after the owner has applied to it—

- (a) for its approval of subdivision of the land; or
- (b) for its approval, consent or permission—
 - (i) to erect or use a structure on the land; or
 - (ii) to use the land for any purpose.

(2) The court may consent to service of the notice only if it is satisfied the purpose of the notice is to enable the local government to make, in good faith, a reasonable widening of the road.

911 Realignment not carried out

(1) This section does not apply to a realignment of road necessary to comply with the requirements of a local government under a planning

scheme in its application to particular developments in the local government's area.

(2) A local government may, before a realignment of a road has been carried out, decide not to proceed with the realignment or with a part of it.

(3) The local government must serve notice of its decision on—

- (a) all owners of land who were served with notice of the realignment; and
- (b) all owners of land that, after the realignment has been carried out in part, adjoins the realigned boundary of the road.

(4) The notice must inform the owners in general terms of this section and section 912.

(5) The local government must—

- (a) withdraw all notices of realignment, or, if the decision relates to part only of a realignment, all notices of realignment for the part, lodged with the registrar of titles but not registered; and
- (b) lodge with the registrar of titles a notice of its decision on all instruments of title on which notice of realignment has been registered, or, if the decision relates to part only of a realignment, on which notice of realignment for the part has been registered.

912 Compensation if realignment not carried out

(1) This section applies if—

- (a) a local government decides not to proceed with a realignment, or part of a realignment, of a road; and
- (b) structural improvements are made on land adjoining the road on the basis of the proposed realignment being effected.

(2) The local government must pay the owner of the land reasonable compensation for the decrease in value of the land because of the decision.

(3) The amount of compensation is the difference between the value of the land before and after the decision.

(4) If the local government and the owner fail to agree on the amount of compensation, the amount is to be decided by the Land Court.

(5) The provisions of the *Acquisition of Land Act 1967* about the making, hearing and deciding of claims for compensation for land taken

under that Act apply, with any necessary changes and any changes prescribed by regulation, to claims for compensation under this section.

(6) A decision by a local government not to proceed with a realignment, or part of a realignment, of a road does not give rise to an entitlement to compensation or a cause of action in any owner or occupier of land or other person other than under this section.

913 Acquisition of land for use as footpath

(1) A local government may widen a road by acquiring from the owner of land adjoining the road land for use as a footpath.

(2) The acquisition of land may be subject to a reservation in favour of the owner of any of the following rights as the local government decides, at or before the acquisition, to be appropriate—

- (a) a right to ownership, possession, occupation and use of any existing structure, room or cellar at a specified height above or depth below the level of the new footpath, subject to the local government's right to enter, and make structural alterations to, the structure, room or cellar as it considers to be necessary;
- (b) a right to erect a structure, in accordance with law, at a specified height above and extending over the new footpath and to the ownership, possession, occupation and use of the structure;
- (c) a right of support for a structure mentioned in paragraph (a) or (b).

Division 3—Opening and closure of roads

914 Notice to local government of opening or closure of roads

(1) If an application is made under the *Land Act 1994* for the opening or closure of a road in a local government's area by a person (other than the local government), the Minister administering that Act must give written notice of the application to the local government.

(2) The notice must specify a date (no earlier than 1 month or later than 2 months after the local government is given the notice) on or before which the local government may object to the opening or closure of the road.

(3) An objection must state fully the reasons for the objection.

(4) The Minister must have regard to any objections properly made by the local government.

(5) If the Minister decides the road should be opened or closed, the Minister must give written notice to the local government of the decision and, if the decision is contrary to the local government's objection, the reasons for it.

915 Limited closure of roads by local government

(1) A local government may, by public notice, close a road, or part of a road, permanently or temporarily, to particular traffic, if there is another road, or route, reasonably available for use by the traffic.

(2) A local government may, by public notice, close a road to all traffic or particular traffic—

- (a) during a temporary obstruction to traffic; or
- (b) if it is necessary or desirable to close the road for—
 - (i) a temporary purpose; or
 - (ii) in the interests of public safety.

(3) Notice under subsection (1) or (2) may be published in the way the local government considers appropriate in each particular case.

(4) If a road, or part of a road, in a local government's area is closed to traffic under subsection (1) or (2), the local government may do everything necessary to stop traffic using the road or the part of the road.

Division 4—Miscellaneous

916 Temporary roads

(1) A local government may, to remake or repair part of a road, make a temporary road through land adjoining the road, to be used while the part is being remade or repaired.

(2) However, the temporary road may be made only if it is not reasonably practicable to temporarily close the part of the road to traffic while it is remade or repaired.

917 Fixing road levels

(1) The owner or occupier of land adjoining a road may give written notice to the local government requiring it to advise the owner or occupier of the permanent level fixed or to be fixed for the road.

(2) If the local government has not, within 6 months after receiving the notice, given to the owner or occupier written advice about the permanent level of the road, the local government is taken to have fixed the apparent level of the road when the notice was given as the permanent level of the road.

918 Compensation for change in road level

(1) This section applies if—

- (a) after a local government has fixed the permanent level of a road, the local government changes the level of the road; and
- (b) the owner or occupier of land adjoining the road is injuriously affected by the change.

(2) The owner or occupier, or the person's successor in title, is entitled to the reasonable compensation because of the injurious affection that is agreed between the local government and the person or, failing agreement, decided by the Planning and Environment Court.

- (b) the level of every road of which the level is fixed; and
- (c) other particulars prescribed by regulation.

(4) The register of roads also may show other particulars the local government considers appropriate.

(5) The map and register are open to inspection.

(6) On application and payment of a reasonable fee fixed by resolution or local law, a person may obtain—

- (a) a copy of, or an extract from, a map or register of roads; or

CHAPTER 14—RATES AND CHARGES

PART 1—GENERAL

Division 1—Rateable land

957 What land is rateable

- (1) All land is rateable land other than—
- (a) vacant State land; and

Local Government Act 1993

- (b) land occupied by the State or a government entity (other than a non-exempt GOC), except under a lease from a private person; and
- (c) land in a state forest or timber reserve, other than land occupied under an occupation permit or stock grazing permit under the *Forestry Act 1959* or under a lease under the *Land Act 1994*; and
- (d) Aboriginal land under the *Aboriginal Land Act 1991* or Torres Strait Islander land under the *Torres Strait Islander Land Act 1991*, other than land used for commercial or residential purposes; and
- (e) the following land under the *Transport Infrastructure Act 1994*—
 - (i) strategic port land occupied by a port authority, the State, or a government entity;
 - (ii) existing or new rail corridor land;
 - (iii) commercial corridor land that is not subject to a lease; and
- (f) land exempt from rating under an Act or a regulation made under this Act.

(2) A regulation under subsection (1)(f) may, for example, exempt from rating land used for religious, charitable, educational or public purposes.

(3) If part of a parcel of land mentioned in subsection (1)(d) is used for commercial or residential purposes and another part (the “**remainder**”) of the parcel is used for other purposes, the remainder is not rateable land, even though the other part of the parcel is rateable land.

(4) In this section—

“**non-exempt GOC**” means a GOC, or a subsidiary of a GOC, within the meaning of the *Government Owned Corporations Act 1993* other than a GOC or subsidiary that is exempt from rating under an Act in relation to the relevant land.

“**private person**” means a person other than the State or a government entity.

Division 2—Averaging of valuations**958 Application to Brisbane City Council**

This division applies to the Brisbane City Council.

959 Local government may decide to average land values for rating purposes

(1) A local government may decide by resolution that, for the purpose of making and levying rates for a financial year on rateable land in its area, the unimproved value of the land is to be its averaged value under this division.

(2) The resolution must specify whether the averaged value must be calculated under section 960 or section 961.

960 Averaging over 3 years

(1) If this section applies to a financial year, the averaged value of rateable land for the financial year is the lesser of—

- (a) the land's effective value for the financial year; or
- (b) the amount calculated as follows—
 - (i) if the land has effective values for the financial year and each of the previous 2 financial years—the average of the 3 effective values;
 - (ii) in any other case—an amount equal to the land's effective value for the financial year multiplied by the averaging factor.

(2) In subsection (1)—

“**averaging factor**”, for a financial year, means the number calculated, to 2 decimal places, using the formula—

$$\frac{T}{3V}$$

where—

“**T**” means the total of the effective values of all rateable land in the local government’s area for the financial year and the previous 2 financial years.

“**V**” means the effective value of all rateable land in the local government’s area for the financial year.

961 Averaging over 2 years

(1) If this section applies to a financial year, the averaged value of rateable land for the financial year is the lesser of—

- (a) the land’s effective value for the financial year; or
- (b) the amount calculated as follows—
 - (i) if the land has effective values for the financial year and the previous financial year—the average of the 2 effective values;
 - (ii) in any other case—an amount equal to the land’s effective value for the financial year multiplied by the averaging factor.

(2) In subsection (1)—

“**averaging factor**”, for a financial year, means the number calculated, to 2 decimal places, using the formula—

$$\frac{T}{2V}$$

where—

“**T**” means the total of the effective values of all rateable land in the local government’s area for the financial year and the previous financial year.

“**V**” means the effective value of all rateable land in the local government’s area for the financial year.

962 Information available to calculate “averaging factor”

A local government may calculate the averaging factor using only the effective values of which it is aware at the time of making its resolution.

PART 2—MAKING AND LEVYING RATES AND CHARGES

963 Power to make and levy rates and charges

- (1) A local government may, for a financial year, make and levy—
- (a) a general rate or differential general rates; and
 - (b) minimum general rate levies; and
 - (c) separate rates and charges; and
 - (d) special rates and charges; and
 - (e) utility charges.
- (2) A local government also may fix general charges.

964 Making of rates and charges

A rate or charge mentioned in section 963(1) may only be made for a financial year by resolution at the local government's budget meeting for the year.

965 General rate or differential general rates must be made each year

A local government must make a general rate or differential general rates for each financial year.

966 Differential general rate

(1) Before a differential general rate is made and levied, rateable land must be categorised into 2 or more categories under part 3.

(2) A differential general rate made and levied on rateable land in a category may be the same as or different to the differential general rate made and levied on land in another category.

(3) If a local government makes and levies a differential general rate for rateable land for a financial year, the local government must not make and levy a general rate for the land for the year.

(4) A differential general rate may be made and levied on a lot under a community titles Act as if it were a parcel of rateable land.

(5) To avoid doubt, it is declared that a differential general rate may be made and levied on a lot included in a community titles scheme under the *Body Corporate and Community Management Act 1997*.

967 Minimum general rate levy

(1) A local government may identify rateable land for the purpose of making and levying a minimum general rate levy in any way it considers appropriate.

(2) If a local government makes and levies a differential general rate, it may make and levy different minimum general rate levies on rateable land in different categories.

(3) A local government must not make and levy a minimum general rate levy for a parcel of land if—

- (a) the *Valuation of Land Act 1944*, section 25,¹⁷³ applies to the parcel; and
- (b) under that section, the parcel's discounted valuation period has not ended.

968 Minimum general rate levy on time shared property

(1) This section applies to a local government levying a minimum general rate levy on—

- (a) rateable land where there is a structure wholly or partially subject to a time share scheme; or
- (b) a lot within the meaning of a community titles Act, or a lot included in a community titles scheme under the *Body Corporate and Community Management Act 1997*, where there is a structure wholly or partially subject to a time share scheme.

(2) The local government may decide that the minimum general rate levy is to be worked out using the formula—

$$\mathbf{L \times RU}$$

173 *Valuation of Land Act 1944*, section 25 (Valuation—discounting for subdivided land)

where—

“**L**” means the minimum general rate levy that would, apart from this section, be payable for the rateable land or the lot.

“**RU**” means the number of units of the structure that are subject to the time share scheme and are available at any time for separate exclusive occupation.

969 Minimum general rate levy on mining tenements

(1) A local government may decide that the minimum general rate levy on land mentioned in subsection (2) is different to the minimum general rate levy on other rateable land in its area.

(2) Subsection (1) applies to rateable land if the land is—

- (a) a mining claim; or
- (b) a mining lease granted for mining for minerals of not more than 2 ha; or
- (c) a mining lease granted for a purpose associated with mining for minerals of not more than 4 ha.

(3) A local government also may decide that different minimum general rate levies apply to—

- (a) a mining claim of not more than 900 m²; and
- (b) a mining claim of more than 900 m²; and
- (c) a mining lease mentioned in subsection (2).

970 Unimproved value of mining claims

The unimproved value of a mining claim is—

- (a) for a mining claim of not more than 900 m²—\$150 or, if a greater amount is prescribed by regulation, the greater amount; or
- (b) for a mining claim of more than 900 m²—\$450 or, if a greater amount is prescribed by regulation, the greater amount.

971 Special rates and charges

(1) A local government may make and levy a special rate or charge on rateable land if—

Local Government Act 1993

- (a) the rate or charge is for a service, facility or activity; and
- (b) in the local government's opinion—
 - (i) the land, or the occupier of the land, has or will specially benefit from, or has or will have special access to, the service, facility or activity; or
 - (ii) the occupier of the land, or the use made or to be made of the land, has, or will, specially contribute to the need for the service, facility or activity.

Examples for subsection (1)(b)(i)—

A rural fire services charge to raise funds for a rural fire brigade to purchase or maintain equipment to service only part of the local government's area.

A tourism promotion charge levied on land used for businesses that would benefit from tourism promotion in the local government's area.

A recreational facilities charge levied over a 2 year period to contribute to the cost of building playground facilities and amenities in a nominated park in part of the local government's area.

A cultural centre charge levied over an 8 year period to contribute to the cost of building a centre in part of the local government's area (e.g. 1 of 2 towns in the area), with construction to start within a certain number of years after the charge is first levied.

A charge, levied over a 20 year period, to repay a loan for the construction of a drainage system in part of the local government's area, from which some land would commence receiving a benefit in a year and the remainder in a later year of the 20 year period.

Example for subsection (1)(b)(ii)—

An entity that relies on road transport for its business specially contributes to the wear and tear on a local road adjoining its property and is likely to need a higher standard of road than the occupiers of other properties adjoining the road.

(2) The special rate or charge may be made and levied on the bases the local government considers appropriate.

(3) Without limiting subsection (2), the amount of the special rate or charge may vary according to the extent to which, in the local government's opinion—

- (a) the land, or the occupier of the land, has or will specially benefit from, or has or will have special access to, the service, facility or activity; or
- (b) the occupier of the land, or the use made or to be made of the land, has, or will, specially contribute to the need for the service, facility or activity.

(4) The local government's resolution making the special rate or charge must identify—

- (a) the rateable land to which the rate or charge applies; and
- (b) the overall plan for the supply of the service, facility or activity.

(4A) The overall plan must—

- (a) be adopted by the local government by resolution either before, or at the same time as, the local government first makes the special rate or charge; and
- (b) identify the rateable land to which the rate or charge applies; and
- (c) describe the service, facility or activity; and
- (d) state the estimated cost of implementing the overall plan; and
- (e) state the estimated time for implementing the overall plan.

(4B) Under an overall plan, a special rate or charge may be made and levied for 1 or more years before any of the funds received by the local government from the special rate or charge are expended in implementing the plan.

(4C) If an overall plan will not be implemented within 1 year, the local government must, at or before the budget meeting for each year of the period for implementing the overall plan, by resolution, adopt an annual implementation plan for the year.

(4D) The local government may, by resolution, at any time, amend an overall plan or an annual implementation plan.

(5) The local government may identify parcels of rateable land to which the rate or charge applies in any way it considers appropriate.

(6) Subsection (1) is taken to have been complied with if the special rate or charge is made and levied on—

- (a) all rateable land that, at the time of making and levying the rate or charge, could reasonably be identified as land on which the rate or charge may be made and levied; or
- (b) all rateable land on which the rate or charge may be made and levied, other than land accidentally omitted.

(7) To remove any doubt, it is declared that a local government may make and levy a special rate or charge under subsection (1) for a service, facility or activity whether or not the service, facility or activity is supplied by the local government itself.

971A Adjustment of special rates and charges

(1) If more funds are received by a local government from a special rate or charge made and levied in a financial year than are expended in carrying out the implementation plan for the year, the local government may carry the unexpended funds forward for expending under an implementation plan in a future financial year.

(2) A special rate or charge is not invalid merely because a local government made and levied a special rate or charge on land to which section 971(1)(b) did not apply.

(3) If a local government makes and levies a special rate or charge on land to which section 971(1)(b) does not apply, the local government must return the funds received to the person on whom the special rate or charge was levied.

(4) If a local government has funds received from a special rate or charge remaining after an overall plan is implemented, or after the local government decides not to fully implement an overall plan, the local government must pay the remaining funds, in the same proportions as the special rate or charge was last levied, to the current owners of the land on which the special rate or charge was levied.

972 Separate rates and charges

(1) A local government may make and levy a separate rate or charge for a service, facility or activity.

(2) To remove any doubt, it is declared that a local government may make and levy a separate rate or charge for a service, facility or activity whether or not the service, facility or activity is supplied by the local government itself.

973 Utility charges

(1) A local government may make and levy a utility charge on—

- (a) any land, whether vacant or occupied, and whether or not it is rateable land; or
- (b) a structure.

(2) A utility charge may be for—

- (a) supplying water, gas or sewerage services; or

(b) occupied land or a structure—supplying cleansing services.

(3) A utility charge may be made and levied for supplying water or sewerage services while the facilities for supplying the services are being constructed.

(4) A utility charge may be made and levied on the bases a local government considers appropriate.

(5) Without limiting subsection (4), the amounts of utility charges may differ on the basis of—

- (a) the use made of particular land, or a particular structure or a class of land or structure; or
- (b) the unimproved value of particular land; or
- (c) any other circumstances peculiar to the supply of the relevant service to particular land, a particular structure or a class of land or structure.

(6) To remove any doubt, it is declared that a local government may make and levy a utility charge for a service whether or not the service is supplied by the local government itself.

(7) A local government may, and it is declared always could from the commencement of this section, do 1 or more of the following—

- (a) make and levy a utility charge for services supplied or to be supplied during part of the financial year and part of another financial year;
- (b) make and levy differing charges for services supplied or to be supplied during various periods in 1 or more financial years;
- (c) in making and levying differing charges under paragraph (b), decide the way the charges are to be apportioned.

Examples of application of subsection (7)—

1. For water used between 30 April 1998 and 31 July 1998, the local government may resolve to charge—
 - (a) for water used (as measured) during the period 30 April 1998 to 31 July 1998 on the basis of the charge made at the budget meeting for the 1997-1998 financial year; or
 - (b) for water used (as measured) during the period 30 April 1998 to 31 July 1998 on the basis of the charge made at the budget meeting for the 1998-1999 financial year; or
 - (c) for—

Local Government Act 1993

- (i) water used (as measured) during the period 30 April 1998 to 30 June 1998 on the basis of the charge made at the budget meeting for the 1997-1998 financial year; and
 - (ii) water used (as measured) during the period 1 July 1998 to 31 July 1998 on the basis of the charge made at the budget meeting for the 1998-1999 financial year; or
- (d) an apportioned charge for water used during the 2 periods (30 April 1998 to 30 June 1998 and 1 July 1998 to 31 July 1998) on the basis of—
- (i) the total amount of water used (as measured) during the period 30 April 1998 to 31 July 1998—93 days—being apportioned to each period according to the respective lengths of the periods—62 days and 31 days respectively; or
 - (ii) another basis set out in the resolution.
2. The local government may resolve to charge for water supplied between 1 July 1998 and 30 June 1999—
- (a) for the period 1 July 1998 to 28 February 1999—a flat charge of \$300 with an excess charge of \$1 per kL of water used greater than 350 kL; and
 - (b) for the period 1 March 1999 to 30 June 1999—an amount based on the actual consumption of water during the period.

(8) Despite subsection (7) a local government must not for a financial year make and levy a utility charge for services supplied or to be supplied other than in that, the previous or the next financial year.

(9) Charges made and levied in accordance with a decision under subsection (7) are lawfully made and levied under this Act.

(10) Subsections (7) to (9) apply despite the reference in sections 963 and 964¹⁷⁴ to the making and levying of rates and charges for a financial year.

(11) If—

- (a) a meter or other measuring device is to be read on a particular day for working out the amount of a charge to be levied by a local government for a service; and
- (b) the local government resolves to apply this subsection to the reading of meters or other measuring devices;

it is taken to have been read on that day if it is read within a period of 2 weeks before or after that day.

174 Sections 963 (Power to make and levy rates and charges) and 964 (Making of rates and charges)

Example for subsection (11)—

If a local government resolves to apply this subsection to the supply of water that is to be charged on the basis of usage for a period ended 30 April and a meter is read on 10 May, that reading is taken to be the reading at 30 April for the purposes of calculating the water usage during the period.

(12) Subsection (11) does not restrict a local government's power to make local laws relating to other aspects of the administration of metered consumption for a utility service.

Example for subsection (12)—

A local law may be made to provide for water consumption to be estimated on the basis of the best information reasonably available if a water meter is found to be malfunctioning or inoperative during any period of consumption.

973A Validity of particular utility charges

(1) This section applies to a local government to which chapter 10¹⁷⁵ applies.

(2) A utility charge made and levied by the local government for supplying water or sewerage services is not invalid merely because the local government did not comply with chapter 10.

974 General charges

(1) A local government may, by local law or resolution, fix charges for services and facilities supplied by it, including for example—

- (a) supplying an entitlement, facility, service or thing; or
- (b) giving an approval, consent, licence, permission or registration; or
- (c) giving information; or
- (d) admitting a person to a structure or place; or
- (e) receiving an application; or
- (f) recording a change of ownership.

(2) A charge mentioned in subsection (1) is a general charge.

(3) A local government may fix a general charge by resolution despite the fact that a corresponding charge had previously been fixed by local law.

975 Register of charges

- (1) A local government must keep a register of its general charges.
- (2) The register is open to inspection.

PART 3—CATEGORISATION OF LAND FOR DIFFERENTIAL RATING*Division 1—Categorisation of land***976 Land must be categorised for differential general rates**

A local government may make and levy a differential general rate for a financial year only if all the rateable land in its area has been categorised under this part.

977 Establishing criteria and categories

Before making and levying a differential general rate for a financial year, a local government must decide by resolution—

- (a) the categories into which rateable land in its area is to be categorised; and
- (b) the criteria by which land is to be categorised.

978 Identification of categories for parcels of land

(1) After the categories and criteria have been decided, all rateable land in the local government's area must be categorised by—

- (a) the local government identifying the category in which each parcel of rateable land is included; or
- (b) the valuation authority, at the local government's request, identifying the category in which each parcel of rateable land is included.

(2) If the valuation authority identifies the category in which a parcel of rateable land is included, the valuation authority must give written notice to the local government of the category of the parcel.

(3) If the valuation authority can not identify the category in which a parcel of rateable land is included, the valuation authority must give written notice to the local government.

(4) The category in which a parcel of rateable land is included may be identified in any way the valuation authority or local government considers appropriate.

979 Specification of categories for parcels of land

(1) If a local government resolves to make and levy a differential general rate, the resolution must specify the categories in which rateable land is to be included.

(2) The rateable land included in a category may be identified in any way the local government considers appropriate.

(3) The accidental omission from categorisation of parcels of rateable land does not prevent the making and levying of the differential general rate.

Division 2—Entry on land for categorisation

980 Meaning of “authorised person” for division

In this division—

“authorised person” means—

- (a) a person authorised by a local government for this division; or
- (b) the valuation authority; or
- (c) a person authorised by the valuation authority for this division; or
- (d) a member of the Land Court; or
- (e) a person authorised by a member of the Land Court for this division.

981 Purposes for which powers may be exercised

An authorised person may exercise the powers mentioned in section 982 only for the purpose of—

- (a) deciding the categories into which rateable land in a local government area is to be categorised or the criteria by which it is to be categorised; or
- (b) identifying the category in which a parcel of rateable land should be included; or
- (c) deciding an objection or appeal about the categorisation of land.

982 Power of entry

(1) An authorised person may—

- (a) enter on land at any reasonable time; and
- (b) inspect the land and the uses made of the land; and
- (c) do anything reasonable and necessary to exercise powers under paragraphs (a) and (b).

(2) Before entering on the land, the authorised person must—

- (a) obtain the agreement of the occupier or, if there is no occupier, an owner of the land; or
- (b) give at least 14 days notice to the person mentioned in paragraph (a) of—
 - (i) the person's intention to enter on the land; and
 - (ii) the proposed purpose in entering on the land; and
 - (iii) the day and time when the person proposes to enter the land.

(3) In exercising a power under subsection (1), an authorised person must take all reasonable steps to ensure the person causes as little inconvenience, and does as little damage, as is practicable.

*Division 3—Notice of categorisation***983 Notice to owner of categorisation**

(1) If a local government resolves to make and levy a differential general rate on land, a rate notice given to the owner of the land must contain, or be accompanied by, a statement that complies with subsection (2).

(2) The statement must—

- (a) specify the categories of rateable land in its area (the “**rating categories**”) and the criteria by which land is categorised; and
- (b) specify the rating category in which the owner’s land is included; and
- (c) inform the owner—
 - (i) whether the rating category in which the land is included was identified by the local government or valuation authority (the “**decision maker**”); and
 - (ii) that the owner may object to the categorisation of the land by giving to the decision maker notice of objection, in the form approved by the decision maker, within 30 days after the date of issue of the rate notice or any further period the decision maker allows; and
 - (iii) that the sole ground on which the owner may object is that, having regard to the criteria decided by the local government by which rateable land is categorised, the land should have been included, as at the date of issue of the rate notice, in another of the rating categories; and
 - (iv) that giving a notice of objection will not, in the meantime, affect the levy and recovery of rates; and
 - (v) that, if the owner’s land is included in another rating category because of the objection, an adjustment of rates will be made.

Division 4—Objections and appeals**984 Owner's objection to categorisation**

(1) An owner of rateable land categorised under division 1 may object to the categorisation of the land on the sole ground that, having regard to the criteria decided by the local government by which rateable land is categorised, the land should have been included, as at the date of issue of the relevant rate notice, in another rating category.

(2) The objection must be made by giving notice of the objection to the decision maker.

(3) The notice of the objection must—

- (a) be given within 30 days after the date of issue of the rate notice or any further period the decision maker allows; and
- (b) be in the form approved by the decision maker; and
- (c) nominate the rating category in which the owner claims the land should have been included; and
- (d) specify the facts and circumstances on which the claim is based.

985 Decision on owner's objection

(1) If the owner of rateable land objects to the categorisation of the land, a person authorised by the decision maker for the purpose must—

- (a) consider the categorisation of the land; and
- (b) consider the facts and circumstances on which the claim is based.

(2) The person may—

- (a) allow the objection; or
- (b) disallow the objection; or
- (c) decide that the land should be included in another rating category.

(3) The person must decide the objection, and give written notice of the decision to the owner, within 60 days after the end of the period within which the objection had to be made.

(4) The notice must include the reasons for the decision.

986 Effect of decision on objections

(1) Unless it is set aside on appeal, the decision on an objection to the categorisation of land has effect under this section.

(2) If the decision allows the objection, the land is taken to be included, for the period for which the relevant rate notice is issued, in the category nominated by the objector in the notice of objection.

(3) If the decision disallows the objection, the land continues to be included in the category specified in the relevant rate notice.

(4) If the decision is that the land should be in another rating category, the land must be included in the category for the period for which the relevant rate notice is issued.

987 Right of appeal against decision

If the owner of rateable land is aggrieved by—

- (a) the decision on an objection to the categorisation of the land; or
- (b) the failure by the decision maker to allow a further period to give a notice of objection;

the owner may appeal to the Land Court against the decision or failure.

988 Where and how to start appeal

(1) The appeal must be started by filing a notice of appeal in the Land Court registry.

(2) The notice of appeal must—

- (a) be filed within 42 days after the owner received notice of the decision or failure; and
- (b) be in a form approved by the Land Court.

(3) The owner must give a copy of the notice of appeal to the decision maker within 7 days after the notice of appeal is filed in the Land Court registry.

(4) Failure to comply with subsection (3) does not affect the making of the appeal or the jurisdiction of the Land Court to decide the appeal, but costs of any adjournment caused by the failure may be awarded against the owner of the land.

989 Constitution and procedure of Land Court

(1) When exercising jurisdiction in an appeal under this division, the Land Court—

- (a) is constituted by 1 member; and
- (b) is not bound by rules of evidence.

(2) The appeal must be conducted as directed by the Land Court with a view to its prompt disposal.

990 Decision on appeal by Land Court

(1) In deciding an appeal against a decision on an objection to the categorisation of land, the Land Court may—

- (a) set aside the decision and decide that the land should be included in a different rating category; or
- (b) disallow the appeal.

(2) In deciding an appeal against a failure to allow a further period to give a notice of objection, the Land Court may—

- (a) allow a further period to give the notice; or
- (b) disallow the appeal.

(3) If the Land Court sets aside the decision on the objection, the land is taken to be included in the category decided by the Land Court for the period for which the relevant rate notice is issued.

991 Levy and recovery of rate unaffected by objection or appeal

The making of an objection, or the starting of an appeal, about the categorisation of land does not affect the levy and recovery of rates on the land.

*Division 5—Late categorisation***992 Late categorisation**

If rateable land in a local government area has been categorised and—

- (a) the decision maker is later satisfied, having regard to the criteria decided by the local government, that the land should be included in a different rating category; or
- (b) rateable land is not categorised by the decision maker because of accidental omission; or
- (c) land later becomes rateable land; or
- (d) land that was included in 2 or more parcels of rateable land, either in the same rating category or different rating categories, is later amalgamated into a single parcel;

the decision maker must decide that the land should be included in a specified rating category.

993 Time of effect of late categorisation

A decision under section 992 has effect—

- (a) if the decision is made because of section 992(a)—for rates levied after the decision is made; or
- (b) if the decision is made because of section 992(b)—from the start of the relevant financial year; or
- (c) if the decision is made because of section 992(c)—from when the land became rateable land; or

PART 4—LAND RECORD OF LOCAL GOVERNMENT

Division 1—Land record

994 Land record to be kept

(1) A local government must keep a record of every parcel of rateable land in its area.

(2) A land record must comply with the regulations.

995 Land record open to inspection

(1) A land record is open to inspection.

(2) A person may inspect particulars of land in a land record free of charge if the person is, or is the agent of a person who is—

- (a) an owner, lessee or occupier of the land; or
- (b) an owner, lessee or occupier of adjoining land.

(3) For the purposes of subsection (2), the appointment of an agent must be evidenced in writing.

(4) A person may otherwise inspect a land record on payment of the fee decided by the local government.

996 Amendment of land record

(1) The chief executive officer of a local government must ensure the particulars contained in its land record are amended whenever necessary to make the record comply with the regulations.

(2) If an amendment of a land record (other than an amendment made because of a general valuation of all rateable land in a local government area by the valuation authority) changes a rate that is or may be levied on land, the chief executive officer of the local government must immediately give written notice of the amendment to the owner of the land.

997 Resolution to remove valueless land from land record

(1) A reference to a particular parcel of rateable land in the land record of a local government may be removed, on the local government's resolution, if—

- (a) rates levied on the land by the local government for at least 3 years are overdue; and
- (b) the overdue rates total more than the unimproved value of the land; and
- (c) the land is considered to be—
 - (i) valueless; or
 - (ii) of so little value that, if offered for sale, it would not realise the overdue rates.

(2) If a local government resolves to remove a reference to rateable land from its land record, the local government must acquire the land under part 7, division 4.

(3) This section does not apply to an interest in land held on a tenure that prohibits a corporation from holding an interest in the land.

998 Restoration of valueless land to land record

If—

- (a) a local government gives a notice of intention to acquire land under section 1052(1); and
- (b) before the end of 6 months after the giving of the notice to the owner of the land, the overdue rates for the land are paid to the local government;

the local government must restore reference to the land in the land record.

Division 2—Appeal against amendment of land record

999 Right of appeal

A person aggrieved by an amendment of a land record, other than a removal of land under section 997, may appeal to a Magistrates Court against the amendment.

1000 Where and how to start appeal

(1) An appeal must be made to the Magistrates Court nearest the relevant land.

(2) The appeal is started by—

- (a) filing a written notice of appeal with the clerk of the court of the Magistrates Court; and
- (b) giving a copy of the notice to the chief executive officer of the local government.

(3) The notice must state the grounds of the appeal.

1001 Hearing procedures

(1) The power to make rules of court under the *Magistrates Courts Act 1921* includes power to make rules of court for appeals to Magistrates Courts under this division.

(2) The procedure for an appeal to a Magistrates Court under this division is to be—

- (a) in accordance with the rules made under the *Magistrates Courts Act 1921*; or
- (b) in the absence of relevant rules, as directed by a magistrate.

(3) In deciding the appeal, the Magistrates Court—

- (a) is not bound by the rules of evidence; and
- (b) must observe natural justice; and
- (c) may hear the appeal in court or in chambers.

1002 Powers of Magistrates Courts on appeal

In deciding the appeal, the Magistrates Court may—

- (a) confirm the amendment; or
- (b) set aside the amendment and order the particulars previously contained in the land record be restored.

1003 Appeal to District Court on question of law only

A party aggrieved by a decision of the Magistrates Court may appeal to the District Court, but only on a question of law.

Division 3—Notices of change in ownership**1004 Notice of sale of land**

(1) In this section—

“**vendor**”, for land that has been sold, means the person who was the land’s owner immediately before its sale.

(2) If land is sold, the vendor must give the local government concerned written notice of the sale within 30 days after it happens.

(3) The vendor complies with subsection (2) if—

- (a) the notice is given by the vendor's agent in the sale; or
- (b) the vendor (or the vendor's agent in the sale)—
 - (i) properly completes a combined form for the sale; and
 - (ii) files the form, together with the instrument of transfer of the land, with the registrar of titles within 30 days after the sale.

1005 Notice of surrender or forfeiture to State

(1) A person who surrenders land, or an entitlement to occupy or use land, to the State must give to the local government written notice of the surrender within 30 days after the instrument of surrender is signed.

(2) If land, or an entitlement to occupy or use land, is forfeited to the State, written notice of the forfeiture must be given to the local government, within 30 days after the forfeiture takes effect—

- (a) for a forfeiture by action of the State—by the State; or
- (b) in any other case—by the person who makes the forfeiture.

(3) A notice under subsection (1) or (2) must state the description of the land.

1006 Notice of change in ownership

(1) In this section—

“required person”, for land whose ownership has changed, means the person who was the land's owner immediately before the change.

(2) If ownership of any land in a local government area changes, except as mentioned in section 1004 or 1005, the required person must give written notice of the change to the local government within 30 days after the change happens.

(3) The notice must specify—

- (a) the date of the change; and
- (b) the nature of the change; and
- (c) the description of the land; and
- (d) the full name and address of the land's owner before the change; and

(e) the full name and address of the land's owner after the change.

(4) The required person complies with subsection (2) if the notice is given by the person's agent in dealing with the land.

1007 Result of failure to give notice of change in ownership

If written notice is not given as required by a section of this division (other than under section 1005(2)(a)), the person who was owner of the land immediately before the change in ownership—

- (a) is liable for payment of all rates levied on the land, and all interest accrued, before the notice is given to the local government, as if no change in ownership had happened; and
- (b) commits an offence.

Maximum penalty—5 penalty units.

PART 5—LEVYING AND PAYMENT OF RATES

Division 1—Levying of rates

1008 Levying rates

(1) A rate may be levied only by a rate notice given to—

- (a) for a utility charge on a structure or land that is not rateable land—the person at whose request the service is supplied; and
- (b) in any other case—the owner of the land on which the rate is levied.

(2) A local government must state on the rate notice—

- (a) the date the rate notice was issued; and
- (b) the date by which or the time within which the rate must be paid.

(2A) The local government must also state on, or include with, the rate notice—

- (a) if the local government has decided 1 or more discount dates or 1 or more discount periods for payment of the rate—the discount or information about how the discount is calculated; and
- (b) if the local government has resolved that a rate may be paid by instalments—requirements for payment by instalments.

(2B) The local government may also state on a rate notice amounts, other than rates, that are payable to the local government.

Example for subsection (2B)—

Licence fees.

(2C) If a local government includes an amount mentioned in subsection (2B) on a rate notice, it must be clear on the face of the rate notice that—

- (a) the amount is not a rate; and
- (b) payment of the amount, whether before or after any discount date or discount period for a rate mentioned in the notice, does not affect any discount relating to the rate.

(2D) Subsection (2E) applies if—

- (a) the local government receives payment of an amount (the **“amount received”**) that is less than the total of all amounts, mentioned on a rate notice (the **“rate notice amounts”**), that are payable to the local government; and
- (b) the person who pays the amount received does not specify which of the rate notice amounts the person is intending to pay.

(2E) The local government must use the amount received in payment of the rate notice amounts in the following order—

- overdue rates
- a rate or rates levied by the rate notice
- amounts, other than rates, that are payable to the local government.

(3) A rate must be levied—

- (a) for a utility charge for supply of a water or gas service based on the quantity of water or gas supplied during a period as calculated by measurement at intervals—at the intervals the local government considers appropriate; and

- (b) in any other case—for the whole, one-half or one-quarter of the relevant financial year, as the local government considers appropriate.

(4) Except for a charge mentioned in subsection (3)(a), rates must be levied on all persons liable to pay them for the same period of a financial year.

(4A) If a person liable to pay a rate has paid the rate before the local government has given the person a rate notice for the period for which the rate is levied, the local government is not required to give the person a rate notice for the period.

(5) In this section—

“**person**” includes—

- (a) for a utility charge under subsection (1)(a)—any of the following—
- (i) the Commonwealth;
 - (ii) a Commonwealth instrumentality, agency, authority or entity;
 - (iii) a division, branch or other part of a Commonwealth instrumentality, agency, authority or entity; and
- (b) in all cases—the State and a government entity.

1009 Rate may be levied or adjusted after end of financial year

A local government may, in a financial year, levy a rate, or adjust a rate levy, even though its resolution for making the rate was made for an earlier financial year.

Division 2—Payment of rates

1010 Person who is liable to pay rate

(1) The owner for the time being of land is liable to pay a rate levied by a local government on the land.

(2) The person at whose request a service is supplied to a structure or land that is not rateable land is liable to pay a rate levied by a local government for supplying the service.

(3) If there is more than 1 owner or other person liable to pay a rate, all the owners or other persons are jointly and severally liable.

(4) In this section—

“**person**” has the same meaning as in section 1008.

1011 Liability to pay rate if change of ownership

A local government may recover the whole amount of a rate payable for rateable land from the owner for the time being of the land.

1012 Continuing responsibility for rates on land that ceases to be rateable land

- (a) termination of the tenure of a holding; or
- (b) surrender or forfeiture of the land to the State; or
- (c) acquisition of the land by the State or the Commonwealth; or
- (d) exemption of the land from rating; or
- (e) the property description of the land ceasing to exist.

(2) The owner of the land immediately before it ceased to be rateable land is taken to continue as the owner of the land, and the land is taken to continue to be rateable land, for the levy, collection or refund of a rate on the land for any period before it ceased to be rateable land.

1013 Where rates can be paid

(1) A rate is payable at the local government’s public office.

(2) Payment of a rate may be accepted at—

- (a) another place used by the local government to receive rate payments; or
- (b) a place of business of a person appointed by the local government to receive rate payments.

1014 Time within which rates must be paid

(1) At its budget meeting, a local government must, by resolution, decide the date by which, or the time within which, each rate must be paid.

(2) The date by which, or the time within which, the rate must be paid must be—

- (a) at least 30 days after the rate notice is issued; and
- (b) the same date or time for each person liable to pay a rate.

(3) If, under section 1019(4), the local government alters the discount date or discount period for the rate to a date that is after the date by which, or the time within which, the rate must be paid, the local government must, by resolution, alter the date by which, or the time within which, the rate must be paid.

(4) The altered date or time must not be before the discount date, or the last day of the discount period, for the rate.

1015 Payment by instalments

(1) At its budget meeting, a local government may resolve that a rate may be paid by instalments on the terms specified in the resolution.

(2) The terms may provide for payment of a premium.

(3) The terms may provide, if an instalment is not paid by the last day of the period identified in the resolution as the period within which the amount of the instalment is payable, for 1 or more of the following—

- (a) on the default day, for division 3¹⁷⁶—
 - (i) the unpaid instalment becomes an overdue rate; or
 - (ii) the unpaid instalment and all remaining instalments become an overdue rate;
- (b) the unpaid instalment, or the unpaid instalment and all remaining instalments, may bear interest as an overdue rate from the default day or a later day decided by the local government under section 1018.¹⁷⁷

(4) For subsection (3)—

¹⁷⁶ Division 3 (Overdue rates)

¹⁷⁷ Section 1018 (Overdue rates may bear interest)

“default day” means the day after the last day of the period identified in the resolution as the period within which the amount of the instalment is payable.

Division 3—Overdue rates

1016 Meaning of “overdue rate”

An **“overdue rate”** is the amount of a rate payable to a local government that remains unpaid at the end of the period specified in the rate notice as the period within which the amount of the rate is payable, (including any amount of interest on the rate under section 1018), but does not include the amount of a rate (other than amounts that, by terms under section 1015, 1031 or 1032, become an overdue rate) if the amount is being paid under—

- (a) the terms specified in a resolution under section 1015; or
- (b) the terms of an arrangement under section 1031; or
- (c) the terms of an arrangement under section 1032.

A local government may recover an overdue rate as a debt payable by the person liable under this part to pay the rate.

1018 Overdue rates may bear interest

- (1) An overdue rate bears interest—
 - (a) at the percentage decided by the local government; and
 - (b) after it becomes an overdue rate, from the day decided by the local government.
- (2) The amount of interest is calculated—
 - (a) on daily rests, applying the interest as compound interest; or
 - (b) if an equal or lower amount will be obtained—in the way decided by the local government.
- (3) The rate of interest must not be more than—
 - (a) the percentage prescribed by regulation; or

(b) if no percentage is prescribed—15% a year.

(4) A decision of the local government about the rate of interest, and the date from which an overdue rate bears interest, must apply equally to all overdue rates.

Division 4—Discounts and other benefits for prompt payment of rates

1019 Discount for prompt payment

(1) At its budget meeting, a local government may, by resolution, decide to allow a discount for prompt payment of a rate.

(2) If a local government decides to allow a discount, the local government must decide—

- (a) whether the discount is to be a fixed amount or a percentage of the rate; and
- (b) if the discount is to be a fixed amount—the amount; and
- (c) if the discount is to be a percentage of the rate—the percentage; and
- (d) the discount date or discount period for the rate.

(3) The discount date or discount period for a rate must not be—

- (a) for the discount date—after the date decided by the local government under section 1014 as the date by which the rate must be paid; and
- (b) for the discount period—longer than the time decided by the local government under section 1014 as the time within which the rate must be paid.

(4) The discount date or discount period may be altered by the local government, by resolution, to allow each person liable to pay the rate a greater period of time to pay the rate and be allowed the discount.

(5) If the local government allows a discount for payment of a rate, it must allow the discount to each person liable to pay the rate and who pays the rate by the discount date or within the discount period for the rate.

(6) The local government may allow more than 1 amount of discount or percentage discount for a rate only if the local government—

- (a) decides more than 1 discount date or discount period for the rate; and
- (b) allows a different amount of discount or percentage discount for each discount date or discount period decided.

1020 Discount if payment of rates by instalments

(1) This section applies to a rate being paid to a local government by instalments.

(2) At its budget meeting, the local government may decide, by resolution, to allow a discount for payment of an instalment of the rate by the last day of the period for paying the instalment.

(3) If a local government allows a discount for payment of the instalment, it must allow the discount to each person paying the rate by instalments and who pays an instalment by the day mentioned in subsection (2).

1021 Discount if special circumstances prevent prompt payment

If a local government is satisfied that a person liable to pay a rate has been prevented, by circumstances beyond the person's control, from paying the rate in time to benefit from a discount under section 1019 or 1020, the local government may still allow the discount.

1022 Discount if other rates are overdue

Sections 1019 to 1021 do not apply to a rate paid in full by the discount date or by the end of the discount period if other rates are overdue for the land.

1023 Other benefits for prompt payment

A local government may give, or join in giving, benefits (other than discounts) as inducements for the prompt payment of rates.

Division 5—Changes to land that affect rates***Subdivision 1—General*****1024 Different period starts on day of change**

For this division, the period after a change is taken to start on the day the change happens.

1025 Basis on which a rate is levied

(1) Despite subdivision 2, a local government may levy a rate on rateable land on the basis of the relevant information of which it has been notified on or before the day it levies the rate.

(2) However, if a change mentioned in subdivision 2 happens, section 1026 applies.

1026 Rate levied for a period in which a change takes effect

(1) This section applies if—

- (a) a local government becomes aware that a change has happened to which a section of subdivision 2 applies; and
- (b) a rate has already been levied on the relevant land for the period in which the change takes effect.

(2) The local government must adjust the rate in accordance with the section.

(3) If the owner or occupier has already paid the rate at the time it is adjusted, the local government—

- (a) if the amount of the rate has decreased—must refund the overpaid amount; or
- (b) if the amount of the rate has increased—may recover the underpaid amount.

Subdivision 2—Changes affecting rates**1027 Change in unimproved value of land**

(1) This section applies if the unimproved value of rateable land changes.

(1) This section applies if land is included in a rating category under section 986, 990 or 992.

(2) A rate levied on the land after its inclusion must be calculated on the basis of—

- (a) for the period before the inclusion—any previous categorisation that applied to the land; and
- (b) for the period after the inclusion—the new rating category.

1030 Entitlement to occupy land is ended

(1) This section applies if—

- (a) a person is entitled to occupy land—

(1) This section applies if land—

- (a) becomes land on which a local government may make and levy a special rate or charge; or

Example—

The boundaries of a rural fire brigade's area change to include or exclude a parcel of rateable land.

(2) The deferment may be for the lifetime of an owner of the land if the owner is a pensioner.

(3) The arrangement may provide for payment of a premium because of deferment.

(4) The terms of an arrangement may provide for 1 or more of the following, if an amount identified in the arrangement is not paid by the last day of the period specified in the arrangement as the period within which the amount is payable—

- (a) it resolves that the case justifies the exercise of the power; or
- (b) the case is of a kind that has been accepted, by resolution of the local government, as justifying the exercise of the power.

(2) However, the only circumstances or factors justifying the exercise of the power are—

- (a) that an owner of the land concerned is—

(3) If land is occupied by pensioners and other persons, the local government may remit the payment of a rate only—

- (a) for the part of the rate that, in its opinion, is fairly attributable to the parts of the land where a pensioner has rights to exclusive occupancy; and
- (b) if the owner of the land has given a binding undertaking to the local government that the benefit of the remission will be extended to each pensioner.

(4) This section is subject to section 1035.

1039 Application of division

This division applies if an overdue rate has remained unpaid for 3 years or, for a mining claim, 3 months.

1040 Power of sale

(1) The local government may, under this division, sell the land on which the rate was levied.

(2) However, the local government may not sell land if the liability of the owner of the land to pay the overdue rate is the subject of a proceeding pending in a court.

(3) A decision to sell the land may only be made by resolution.

(4) This section is also subject to section 1056.

1041 Local government must first give notice

(1) As soon as practicable after a local government decides to sell land under this division, it must give the information mentioned in subsection (2), in writing, to—

(2) The required period is from 3 to 6 months after giving the notice or, for a mining claim, 1 to 6 months after giving the notice.

(3) The local government may only end, and must end, procedures for selling the land if the amount of all overdue rates levied on the land, and all expenses incurred by it for the intended sale, are paid to it.

1043 Procedures for sale

(1) Land intended for sale under this division must first be offered for sale by auction.

(2) The local government must prepare a notice containing—

(7) The court may make the order about costs it considers just.

(8) In this section—

“loss” includes the value of materials taken.

PART 4—EXECUTION OF LOCAL GOVERNMENT ACTS

Division 1—Compliance with requirements of local government Acts

1062 Owner’s right of entry to comply with notice or order

(1) If an owner of land occupied by someone else is given a notice or order under a local government Act requiring work to be performed on the land or a structure on the land (the “order”), the owner and the owner’s employees and agents may, at reasonable times—

- (a) enter the land and, if necessary, the structure to comply with the order; and

(2) However, before entering the land or structure, the owner must—

- (a) give at least 7 days written notice to the occupier of—
- (i) the intention to enter the land or structure; and
- (ii) the purpose of the entry; and
- (iii) the days and times when the entry is to be made; and

(b) produce a copy of the order for inspection by the occupier.

(3) This section does not affect any rights the owner has apart from this section.

1063 Order on occupier who refuses entry

(1) If an occupier of land or a structure refuses to permit a person who is seeking—

- (a) to exercise the jurisdiction of local government; or
- (b) to exercise a power under a local government Act;

from entering the land or structure and performing work necessary for the purpose for which entry is sought, the person may make written application to a magistrate for an order under this section.

(2) The applicant must give written notice of the application to—

- (a) the occupier of the land or structure; or
- (b) if the applicant is not the owner—the owner and the occupier of the land or structure.

(3) The application must—

- (b) be sworn; and
- (c) state the grounds on which the order is sought.

(4) The magistrate may refuse to consider the application until the person gives the magistrate all the information the magistrate requires about the application in the way the magistrate requires.

Example—

The magistrate may require additional information supporting the application to be given by statutory declaration.

(5) If the magistrate is satisfied the entry sought is reasonable and necessary for the purpose, the magistrate may make an order under this section.

(6) The order must—

- (a) direct the occupier to permit the person to enter the land or structure and perform all work necessary for the purpose; and
- (b) state the hours of the day or night when entry may be made; and

- (c) state the day (within 14 days after the order is made) when the order ends.

(7) If the person is an employee or agent of a local government, the order may also authorise the person to use necessary and reasonable help and force to enter the land or structure.

(8) The magistrate must record the reasons for making the order.

(9) The occupier must comply with the order.

Maximum penalty for subsection (9)—50 penalty units.

1064 Protection of owner against occupier's obstruction

1065 Discharge of obligations by occupier on failure of owner

(1) If the owner of land occupied by someone else fails to perform work or pay an amount the owner is required under a local government Act to perform or pay, the occupier may perform the work or pay the amount.

(2) If the occupier performs the work or pays the amount, the amount incurred by the occupier in performing the work, or the amount paid by the occupier, is a debt payable to the occupier by the owner.

(3) If the occupier is a tenant of the owner, the occupier may deduct, from rent payable to the owner by the occupier, the amount payable to the occupier by the owner under subsection (2).

(4) The owner can not terminate the tenancy of the occupier because of a deduction made from rent under subsection (3).

1066 Performing work for owner or occupier

(1) If the owner or occupier of land or a structure fails, or both the owner and occupier fail, to perform work required to be performed under a local government Act, a local government may, by its employees or agents, enter the land or structure and perform the work.

- (a) both the owner and occupier agree to the entry; or
- (b) the entry is under an order made under section 1063; or
- (c) urgent action is necessary for local government purposes, including, for example, the interests of public health or safety; or

(3) Subsection (2)(c) and (d) do not apply to the entry of a structure, or the part of a structure, used for residential purposes.

(4) The amount properly and reasonably incurred by the local government in performing the work is a debt payable to the local government by the person who failed to perform the work.

- (a) were an overdue rate properly levied by the local government for the land; and
- (b) became payable to the local government at the end of 30 days after the local government gave to the owner written notice of the amount payable by the owner for the work performed.

(2) The amount payable to the local government bears interest as if it were an amount of overdue rate payable to the local government.

1068 Cost of work a charge over land

(1) This section applies if an amount (including any interest on the amount) (the **“unpaid amount”**) is payable by the owner of land for work performed by a local government under section 1066.

(5) A registered charge has priority over all encumbrances over the land other than—

- (a) encumbrances in favour of the State or a government entity; and
- (b) rates payable to the local government.

(6) The charge is in addition to any other remedy the local government has for recovery of the unpaid amount.

- (2) The application must—
- (a) be in the form approved by the chief executive; and
 - (b) be sworn; and
 - (c) state the grounds on which the warrant is sought.

(3) The magistrate may refuse to consider the application until the authorised person gives the magistrate all the information the magistrate requires about the application in the way the magistrate requires.

Example—

The magistrate may require additional information supporting the application to be given by statutory declaration.

(4) The magistrate may issue the warrant only if the magistrate is satisfied there are reasonable grounds for suspecting—

- (a) there is a particular thing or activity (the “**evidence**”) that may provide evidence of an offence against a local government Act; and
- (b) the evidence is at the place, or may be at the place within the next 7 days.

(5) The warrant must state—

 - (ii) the date and time the magistrate signed the warrant; and
 - (iii) the warrant's terms.

(6) The facsimile warrant, or the warrant form properly completed by the authorised person, authorises the entry and the exercise of the other powers mentioned in the warrant issued by the magistrate.

(7) The authorised person must, at the first reasonable opportunity, send to the magistrate—

- (a) the sworn application; and
- (b) if a warrant form was completed by the authorised person—the completed warrant form.

(8) On receiving the documents, the magistrate must attach them to the warrant.

(9) Unless the contrary is proven, a court must presume that a power exercised by an authorised person was not authorised by a warrant issued under this section if—

- (a) a question arises, in a proceeding before the court, whether the exercise of power was authorised by a warrant; and
- (b) the warrant is not produced in evidence.

Division 6—Monitoring authorisations and notices and processing applications

(3) However, if for any reason it is not practicable to comply with subsection (2), the authorised person must leave the notice, in a reasonably secure way and in a conspicuous position, at the place where the damage happened.

(4) In this section—

“**owner**” of a thing includes the person in possession or control of the thing.

(5) If the authorised person believes the damage was caused by a latent defect in the thing or other circumstances beyond the authorised person's control, the authorised person may state this in the notice.

(2) However, the entry may only be for seizing a dangerous dog within the meaning of the local law.

(3) The other provisions of this chapter do not limit subsections (1) and (2).

1120 Proof of orders for costs

In a proceeding, a document purporting to be certified by the person who constitutes an appeal tribunal or a responsible person associated with the conduct of an appeal tribunal as a true copy of an order for payment of costs made by the appeal tribunal under this Act is evidence of the making of the order and of the matters contained in the order.

An appeal is not affected by a change in the person forming the appeal tribunal.

1168 Costs of appeal

(1) An appeal tribunal may make an order for payment of costs of an appeal as it considers just.

(2) Unless an appeal tribunal's order states otherwise, costs of a proceeding on an appeal are on the scale that applies to taxation of costs in the District Court.
